Dorothy Johnson spent the week-end in Huntington.

A surprise party was given for Howard McVay Thursday evening in honor of his birthday. Games were enjoyed during the evening, prizes being won by Meryl Kelsey, Harry Braden, and Eugene Mitten. At a late hour luncheon was served to the following: Virginia Kinerk, Dorothy Einsedel, Irene Kean, Helen Vandegrift, Mary Jane Florence, Mandy Kelsey, Robert Meshberger, Harold Baker, Eugene Mitten, Harry Braden, Harry Bitell, and Howard McVay.

1. To further scholastic activities.

2. To promote unity between students and extra-curriculum activities.

3. To give well-written accounts of high school happenings.

4. To offer high standards of school spirit.

5. To aid officials.

6. To let parents and public know what South Side is doing.

7. To keep in touch with other schools.

**Buy Now!**  
Hurry and get your basketball tickets.

**A New Dress**  
Don't the stadium look wonderful under the blanket of snow? In the summer it's green and in the winter, white.

**Only 22 Days**  
Since we'll have had a good Thanksgiving vacation let's buckle down and see how much we can accomplish between now and our Christmas vacation.

**Picture This**  
As a gentle suggestion, if you haven't already thought of it, we suggest that pictures make very appropriate Christmas remembrances. The Jefferson Studio has made a very liberal special school offer to us this year and wise folks are using this to the best advantage by ordering pictures and distributing them among their friends as Christmas gifts.

**Utilize Your Time**  
Make good use of your time. Every minute is precious. Time does not wait for us, but we must try to keep up with it. And we may apply this fact to our studies. We can accomplish more than we realize by using five, or even ten, odd minutes during the day. Instead of wasting the few minutes before the next class in gossiping or day dreaming, try studying a little bit. You will find that a few odd minutes here and there soon multiply, and, before you know it, your task is finished.

**Be Generous**  
A little encouragement and praise given to our friends will do wonders. Have you ever tried it? When you think somebody really deserves praise for a deed, by all means let that person of the fact. In your home, school, or elsewhere, try out the experiment of encouraging and praising a little bit.

If you praise a person for something he has done for you, he in turn will do it better for you the next time, if you reprove the person for not doing it well, he will become discouraged and assume an I-don't-care attitude.

If we scatter a little praise to persons with whom we come in contact, we will be making this world a better place, by making the individuals more satisfied and happier.

**Philip Greeley**  
The death of a great man makes us more fully realize his value and the need of his presence here at South Side. It is thus that we are beginning to feel the loss of Philip Greeley.

His motto was "Don't shirk—hit the line hard." His work with boys and girls as an instructor well brought out this quotation, and his dealings with people in outside activities, characterized by kindness, generosity, and eagerness for work for the benefit of the school, was very marked.

In sports he was known as our chief pessimist and his predictions as to the outcome of games were true. When Mr. Greeley said we would win a game, we did. He accompanied the boys on out-of-town trips and instilled in them the true South Side spirit which led them on to victory.

It is needless to praise Mr. Greeley; the memory of his service and character is his eulogy.

## A Mite of Verse

## PRAYER OF A SPORTSMAN

Dear Lord, in the battle that goes through life  
I ask but a field that is fair.  
A chance that is equal with all in the strife  
A courage to strive and dare;  
And if I should win, let it be by the code  
With my faith and my honor held high;  
And if I should lose, let me stand by the road  
And cheer as the winners go by!

And Lord, may my shouts be ungrudging and clear,  
A tribute that comes from the heart,  
And let me not cherish a snarl or a sneer  
Or play with sniveling part;

Let me say: "There they ride on whom laurels bestow  
Since they played the game better than I,"  
Let me stand with a smile by the side of the road  
And cheer as the winners go by!

So grant me to conquer, if conquer I can  
By proving my worth in the fray;  
But teach me to lose like a Regular man  
And not like a craven, I pray.

To victory splendid and high,  
Yes, teach me to stand by the side of the road,  
And cheer as the winners go by!  
—Ex.

Yes, within a comparatively few hours, the heroic lads of South Side who have been practicing on the hardwood for more than a comparatively few hours will strut their stuff in a different style of uniforms from those that have been donned by them during the football period.

We wish you good luck, athletes, and may you give to the school just as good or even a better record during the wearing of these green and white uniforms as you did during the wearing of football togs.

**And Werse**

PLURAL AND SINGULAR

We'll begin with a box, and the plural

is boxes,

But the plural of ox should be oxen,

not oxes.

Then one fowl is goose, but two are called geese,

Yet the plural of mouse should never be meese;

You may find a lone mouse or a whole lot of mice,

But the plural of man is always called men,

Why shouldn't the plural of pan be called pen?

The cows in the plural may be cows or kine,

But a bow is repeated is never called bine.

And the plural of vows is vows not vine,

And if I speak of a foot and you show me your feet,

And I give you a boot, would a pair be called beet?

If one is a tooth, and a whole set are teeth,

Why shouldn't the plural of both be called beeth?

If the singular's this and the plural is these,

Should the plural of kiss be nicknamed keese?

Then one may be that, and three would be those,

Yet hat in the plural would never be hose,

And the plural of cat is cats, not cose.

We speak of a brother and also of brethren

But though we say mother, we never say methren.

Then masculine pronouns are he, his and him,

But imagine the feminine, she, shis and shim,

So the English, I think you all will agree,

Is the most wonderful language you ever did see.

**I'm A Nut**

I'm not even attempting to educate myself.

This shows especially in my self.

This shows especially in my conduct in the cafeteria, I go on just the same old way.

I "scab" on the line, so the soup won't be cold by the time I get there.

If it is too hot, I gargle it in my throat for a while. This automatically cools it.

I run to a table and fall on a chair so Miss Dixon will think I can't wait until I eat. (I can't.)

If I spill milk on my chum's lap, he doesn't mind when I tell him that I didn't care for it anyway.

If my ice cream melts, I take it back, for they have an electric freezer which very easily puts the cream in its frozen state again.

At any rate when I'm through eating, I don't wait for my chum. If I would sit around, he might think I didn't have enough to eat.

So long, see you next week on the street car.

**This Week's Best Editorial**

"LEARNING" PEOPLE

When the small boy says his teacher "learned" him grammar, it is, of course, a self-contradictory statement.

But, after all, don't teachers learn their pupils? And don't pupils learn their teachers?

The best teachers are the ones that not only know the subject matter, but have learned their pupils, that is, know their individualities. This knowledge helps them in presenting their material, which in turn helps the pupil to learn it more easily.

A pupil should also learn his teachers. If he has learned that they are human, and have good qualities as well as faults, he can derive much more from them than he can make teaching more of a pleasure to them.

Learning people is a valuable asset outside of school also. Take a speaker, for instance, who is before a large audience. The more he learns about them, the better he can deliver his message. A salesman, too, profits by learning his customer. The more he has learned about his customer the better use he can make of a sales talk.

This seeming self-contradictory phrase if applied in a logical manner would be valuable in our life both in and outside of school.—The Spectator, Highland Park, Mich.

## BETWEEN ACTS

Yes, within a comparatively few hours, the heroic lads of South Side who have been practicing on the hardwood for more than a comparatively few hours will strut their stuff in a different style of uniforms from those that have been donned by them during the football period.

We wish you good luck, athletes, and may you give to the school just as good or even a better record during the wearing of these green and white uniforms as you did during the wearing of football togs.

## I'D LIKE TO SAY:--

## The Why of Manual Training

If boys are asked why they take Manual Training, nine out of ten will reply, "Because I like it." If their parents are asked why their boy takes it, nine out of ten don't know. The boys' reason is good. It assures him of filling a definite need, else he would not "like" it. But down deeper than this, there are reasons that should make the parents consider this subject much more than they do.

Manual Training in South Side high school is not a trade subject. It is taught for its general knowledge along with the other subjects. When the boy or girl leaves school the world is not nearly so much concerned with what they know as it is with what they are. Their ability to learn, their application to their job, their conduct, initiative, reliability and self-reliance are the real tests as to whether they will be a success or a failure.

Manual Training throws the boy on his own resources more than any other subject. It tests his judgment and initiative and his knowledge of most subjects he has studied before. It does even more; it shows him his mechanical ability and gives him an insight into real work and an appreciation of this work. Figures show that in five years after boys graduate from high school, 85% are engaged in some industrial pursuit, whether they want to or not.

A man who cannot make a living, cannot be a good citizen no matter how much education he has. Allow me to quote from an editorial of the Fort Wayne "News-Sentinel" of November 11, 1925:

"Eighty percent of the criminals of today are legal minors.

They are boys still living off their parents. They've never learned how to work, for the reason that they haven't wanted to and have never been compelled to. The only work they are ever likely to do will be done when they wear state uniforms in prison shops toward which all such worthless young whelps are headed. Ninety percent of America's automobile thieves are mere boys who, if they had been taught to hold the handles of a plow or to guide a lathe or adz or plane instead of to hold a steering wheel, would have taken a different and better course. If we saw to it that our young boys learned how to work and make use of the knowledge, there would not be 450,000 violent criminals in this country today. There would not be 45,000. We doubt the wisdom of calling work the 'primal curse.' We believe it is, in most particulars, the primal blessing, the benevolent regulator, the disciplinarian of humanity. Contentment comes most sweetly after hard toil. This is a soft age and its people are paying the penalty for their softness. Less mush and jelly in the heads of parents, judges and pardoning governors would do our civilization some good."

We do not question the above statement. They are facts. In our modern civilization where will the boy learn to work, if not in school? And in school, where better than in the Manual or Industrial courses?

R. W. Spaulding.

**How To Pay Way Through College**

"I think a boy or girl might do some kind of work after high school hours, or on Saturday, or during vacation so that when he gets in college he will be able to continue this work after college hours," says Mr. Rothert, Latin and German instructor of South Side, when asked how to pay one's way through college.

"For instance, a boy who works in a drug store or in a grocery store after school will be almost sure of getting such work when he goes to college. I think it is fine for a boy or girl to get some kind of work during vacation, and in this way be able to get experience and also money which may be saved for a college education. I do not think that too much time ought to be given, however, to working after high school hours."

"Students taking journalism in high school will probably be able to get a job after college hours on some local newspaper. It might be advisable for students who are interested in newspaper work to take journalism in high school," continued Mr. Rothert.

"A boy or girl who is studying music will probably be able to play in some orchestra after school hours and in this way be able to save enough money so that they will be

able to go at least two years in such a manner. If their work would be interrupted every year on account of lack of money they wouldn't get as much out of college as they would if they worked a year after they graduated from high school and then went to college and went through without interruptions."

"Students might take a correspondence course and get through college sooner and cheaper. If it wasn't for this course many students would never get to college," concluded Mr. Rothert.

**Read A Bit**

We cannot remind ourselves too frequently that a fundamental purpose of good books is to give pleasure.

"He who knows good reading will find it a loss over what to do with his free time."

Those who have read "Son of the Middle Border" will enjoy the sequel, "Daughter of the Middle Border," which relates the bringing home of the "new daughter" to the aged parents—a narrative of a typical family which took part in the upbuilding of the middle western states after the close of the Civil War.

One of our new books is "The Red Cockade," a story of the French Revolution. The hero is in sympathy with the peasants but in love with a young woman of royalty, and his loyalty to his convictions is constantly torn by the desire of his heart.

**Girls' Band To Be Formed**

A girls' band is being formed at the Martinsville (Ind.) high school. The band will be of about forty pieces, including flutes, drums, clarinets, cornets, saxophones, and trombones.

**Over Half of Students in Activities**

Out of the total of 305 enrolled at the Greenville (Ind.) high school, 156 are now in an activity of some sort. The total membership in all the clubs is 187, but 41 of these students are in more than one activity.

**Chemistry Class To Take Trips**

The chemistry class of Weatherwax high school, Aberdeen, Wash., which is composed of about thirty girls, has planned to take observation trips to various factories and manufacturing plants of the city and vicinity. Among the trips to be taken are those to a bakery, a cannery, a dairy, a gas plant, and an ice plant.

**Old Newspaper Brought To Class**

A 125-year-old newspaper was brought to the history seven class of the Weatherwax high school, Aberdeen, Washington, last week. This paper, which is called the "Ulster County News," was published January 4, 1800.

**Expression Class Taxed**

Two classes in expression at the Central high school, Kansas City, Mo., have started a benefit fund for their class room theater. The pupils have decided to fine themselves five cents every time they chew gum, eat candy, throw paper on the floor, do not have their readings on time, or write notes. The class collected 80 cents during the first week that the fines were levied.

**Sophomore Used to Mean Person Wise and Foolish**

The term "sophomore" used for students in their second year of college or high school is a corruption of the earlier "sophomore" derived from two words, one meaning wise and the other meaning foolish. The word alludes to the air of wisdom assumed by a student after his freshman year is concluded.

**Girl Scouts**

At the last meeting of the Girl Scouts, Mrs. Bradley told them that they were to make knot boards for the next teachers' meeting on December 9. The best board will be sent to the National Girl Scout headquarters.

The girls have been writing essays on what the Girl Scout organization has done for them, and the writer of the best essay will be given a prize.

The next meeting will be held on Wednesday in Room 86.

**The Principal Says---**

Prepare today and the habit will aid you for tomorrow.

Robt C. Harve

## Do You Know

The number of teachers on the faculty at present?  
The clock never runs in the chemistry room?  
The library has a seating capacity of eighty readers?  
The number of doors in South Side high school?  
The initials of your third hour teacher?  
There are ten cups in the trophy case?  
There is an elevator in this school?  
The jolly Hi-Y president?  
How many telephones are installed in the high school building?

## Quizzzy Quizz

Question: What is the handiest thing in South Side?  
Paul Staigh thinks that the gymnasium is because it can be used as a place to study, as an auditorium, a meeting place and for all indoor sports.

Gertrude Schuelke says, "The mirror in Room 20 is the handiest thing for some of us."

Elsbeth Crane said the handiest thing about school is the candy stand in the hall after school so the pupils do not have to cross the street to get candy.

"I think hot water is, because if anyone worked as long as I have in the laboratory they would know what it means," said Mr. Voorhes.

Mr. Brand said the mail box is the handiest thing because he can write a letter to his sweetie and step out the door and mail it.

## Hoos Hoo

"And he is a good fine chap," remarked a well known faculty member in speaking of Noble Sprunger.

Yes, we agree perfectly on that point, for Noble has given everyone that he comes in contact with plenty of reason to think so.

With a keen sense of humor and with open-mindedness, he has gained many friends.

It is needless to give a detailed description of the lad since everyone, no doubt, has had many chances heretofore to learn to know Noble. He has proved himself a capable leader of boys and able to hold responsibility on his shoulders as president of the Hi-Y. He has made a good name for himself as an athlete participating in football and basketball. He is a member of the Letter club since he has won his "S" in these two sports.

Noble will graduate in February but will no doubt remain at South Side as a post-graduate and don his cap and gown next June.

**Open Letters**

Even Window Blinds

To the Editor:

One of the teachers of South Side brought two out-of-town visitors out here to look at our school one Sunday afternoon. The visitors made a very good suggestion to improve the appearance of the school and that was to pull down the window shades in the front of the school to the same level. This would improve the appearance of the school a great deal and make it look much neater and less dreary.

A BOOSTER.

**In Other Schools**

Has New Encyclopedia

The reference shelf of the Cooperstown (North Dakota) high school library has been increased by the addition of a ten-volume set of Compton's Pictured Encyclopedia.

Has Seven Hundred New Books

Seven hundred new books, including fiction, travel, science, biography, and poetry, have been received at the library of the Lindblom high school, Chicago, Ill.

Girls' Band To Be Formed

A girls' band is being formed at the Martinsville (Ind.) high school. The band will be of about forty pieces, including flutes, drums, clarinets, cornets, saxophones, and trombones.

Over Half of Students in Activities

Out of the total of 305 enrolled at the Greenville (Ind.) high school, 156 are now in an activity of some sort. The total membership in all the clubs is 187, but 41 of these students are in more than one activity.

A 125-year-old newspaper was brought to the history seven class of the Weatherwax high school, Aberdeen, Washington, last week. This paper, which is called the "Ulster County News," was published January 4, 1800.

# Society

Eileen and Selma Dillon spent their Thanksgiving vacation in Huntington.

Betty Gamble was hostess of a lovely birthday party given in honor of Ferdona Wilson.

Mervyn Welch was the hostess to a number of her most intimate friends at her home on Oliver street, Wednesday evening. Prizes in five hundred were won by Jean Herd and Marguerite Schiwer. Late in the evening a delicious two-course luncheon was served to Catherine Childers, Margaret Mailand, Marguerite Rahe, Bonnie Fries, Marguerite Schiwer, Jean Herd, and Mary Hale.

Mervyn Welch spent the week-end in Indianapolis, visiting relatives.

Thelma Kern entertained a number of her friends at her home on East Creighton avenue Friday evening. At a late hour a delightful luncheon was served to the guests. Those who were present are Betty Henselman, Ferol Jenkins, Florence Hazelett, Mildred Noll, Esther Anderson, Florence Clemmer, Esther Rousch, Frances Kelsey, Florence Hansen, and Pauline Segert.

Betty Fonner spent the Thanksgiving vacation at Decatur, visiting relatives.

Elizabeth Suter entertained recently with a dinner party at her home on South Clinton street. Those who were present are Katherine Gould, Mary Suter, Margaret Pocock, Martha Suter, and Catherine Suter.

Mervyn Welch recently entertained several of her friends at her home on Oliver street. At a late hour a delicious luncheon was served to Catherine Childers, Marguerite Schiwer, Walter Hallstein, Dudley Emerson, and Paul Seyler.

Caroline Reed was the hostess to a delightful dinner party at her home Friday. Prizes in bridge were awarded to Vera Young, Marcella Baals, and Waneta Barber. Those who were present are Irene Keene, Marcella Baals, Carrie Reiter, Vera Young, Alice Miller, Waneta Barber, and Esther Speelman.

Mary Lucille Otten, of Fox avenue, entertained with a post-nuptial party of pretty appointments at her home recently in honor of Mrs. Charles Manes, who before her recent marriage was Helen Weir. Five hundred was enjoyed during the evening, in which prizes were won by Margaret Hansen and Thelma Kross. A delicious luncheon was served at a late hour to Ardice Scott, Myrtle Trumbull, Mary Jane Florence, Lucille Hinkle, Margaret Hansen, Catherine Baxter, Evelyn Miller, Thelma Kross, and Marjorie Miller.

Avanell Davies has left school and returned to Delphos, Ohio. She came here from Delphos last year.

Vera Mueller had as her guests for Thanksgiving, Jim and Ray Kaeppl and Don Poor, of Chicago.

Mildred Stitz entertained a number of her friends at her home on Rivermet avenue, Saturday evening. At a late hour delicious refreshments were served. Those who enjoyed the affair are Avanell Davies, Vera Mueller, Mildred Tons, Miriam Stitz, Jim and Ray Kaeppl, and Don Poor, of Chicago, and Joe Fitzgerald, and Charles Swerengin.

Mildred Tons entertained a number of her friends at her home Friday evening. Those who were present are Vera Mueller, Avanell Davies, Mildred Stitz, Don Poor, Jim Kaeppl, Ray Kaeppl, and Don Cose.

A delightful shower was given by Oris Scott in honor of Helen Weir, a former student at South Side high school. Those participating in the affair were, Mrs. J. Baxter, Katherine Baxter, Evelyn Zern, Katherine Henline, Genevieve Schifley, Margaret Crosby, Mrs. William Goake, Jr., Mrs. Berlien, Grace Gaskill, Garnet Creigh, Margaret Hansen, Mrs. J. L. Otten, Mary Lucille Otten, Myrtle Trumbull, Lola Goech, Dorothy Dell, and Mrs. O. J. Clark. Progressive hearts was played, prizes being won by Margaret Crosby and Mary Lucille Otten.

Draker Lombard, Harry Spore and William Richardson went to Columbus, Ohio, to see the Illinois-Ohio State football game.

Versal Mullen spent the holidays visiting friends and relatives in the country.

Mary Alice Tannehill was delightfully surprised Wednesday evening, November 18, by a few of her friends. Bunco and dancing were the features of the evening, after which a lunch was served. Those who enjoyed the affair are Maxine Canada, Catherine DuWan, Pauline Wasson, Doris Gaylord, Margaret Snyder, Tiny DeHaven, Paul Staigh, Jim Buckles, Art Distel, Ira Brown, Melvin Richendollar, Don Currie, Charley Brubaker, and Charley Fleming.

Janet Rank entertained several of her friends at her home in honor of the birthdays of Ruth Wilson and Lee Hart. Games were played and prizes were awarded to Gertrude Brouwer and Winifred Englehart. At a late hour refreshments were served to the following guests: Winifred Englehart, Ruth Wilson, Lee Foster, Grace Hart, Gertrude Brouwer, and Janet Rank.

Wilhelmina Rapp spent her Thanksgiving vacation in Lafayette, Indiana, visiting her sister, Mrs. Kintz.

**JOHN BUDDE'S**  
Barber Shop  
LADIES' and CHILDREN'S  
WORK A SPECIALTY  
832 East Creighton

Ardice Scott of Masterson avenue, recently entertained with a shower in honor of Helen Weir, whose marriage to Charles Manes will take place November 24. Dancing and progressive hearts were enjoyed during the evening, prizes in the latter being awarded to Margaret Crosby and Mary Lucille Otten, they in turn presenting the awards to the honor guest. Late in the evening a delightful repast was served to Margaret Crosby, Kathryn Baxter, Evelyn Zern, Garnet Creigh, Marie Getz, Mary Lucille Otten, Dorothy Dell, Myrtle Trumbull, Grace Gaskill, Kathryn Henline, Olethea Schifley, Margaret Hansen, Irene O'Connell, Hildreth Hivley, Helen Weir, Genevieve Schifley, and Lola Goech.

Frances Kelsey entertained a number of her friends at her home on West DeWald street recently. Late in the evening a delicious luncheon was served to Esther Roush, Mildred Noll, Mary Lucille Otten, Ferol Jenkins, Florence Hazelett, Betty Henselman, Esther Anderson, Florence Clemmer, Thelma Kern and Florence Hansen.

Virginia Bourns spent the week-end in Auburn visiting friends.

Virginia Cowan entertained several of her friends at her home on Arcadia Court, Friday evening. Those who were present are Virginia King, Dorothy Scott, and Dorothy Niebergall.

The following enjoyed a theatre party to see Blossom Time: Virginia King, Virginia Cowan, Dorothy Niebergall, and Dorothy Scott.

Richard Balmer ate his turkey with relatives at Lima, Ohio.

Catherine Thompson spent Thanksgiving vacation in Indianapolis, where she visited her relatives and enjoyed the Central Catholic (Ft. Wayne) vs. Cathedral (Indianapolis) football game.

Clara Mae Morris entertained with a wiener and marshmallow bake at Foster park recently. Later at her home the guests enjoyed dancing and cards. Those who participated in this affair are Minerva Ansara, Margaret Streeter, Peggy Hyland, Josephine Ansara, and Bill Miller, John Conn, Eugene Martz, Robert Rayhouser, and Franklin Streeter.

Francis Blosser spent last week-end at Liberty Center.

Adrean Gulland entertained Charlene Snider, Catherine Thompson, Howard Esterline, Bob Miller, and Louie Shearer at a party.

Louise and Caroline Ryberg entertained Miss Switzer of Pierceton, Indiana, at their home during the Thanksgiving vacation.

Virginia Kinerk entertained the following girls at her home Friday evening. The guests included Velma Rolf, Irene Paul, Lenora Nachtigall, Dorothy Einseidel, Virginia Woecking, Vera Bruns, and Pauline Hilbish.

DeNeal Pfeiffer gave a delightful party Friday evening at her home. Those who were present are Kathryn Wescher, Virginia Kinerk, Hazel Sloan and Kathryn Sellers.

Hazel Bridgman and Gladys Binkley united in entertaining their club at the home of the latter. Those who were present are Bessie Banks, of Dayton, Ohio; Gladys Banks, Marvete Timmons, Belle Timmons, Constance Stegner, Mildred Brooks, Mildred Morgan, Reba Barnett and Mrs. Hilker.

Frank Bernhard, Charles Brubaker, Paul Knight, and Dick Beckes motored to Kendallville, Indiana, last week-end.

Elizabeth Augsburg, "Tina" DeHaven, and William Thiele enjoyed a delicious luncheon as the guests of Gertrude Bradley, on Thanksgiving evening.

Frank Taylor visited over Thanksgiving at Ossian, Indiana, with relatives.

Mildred Nikolai spent her Thanksgiving vacation with Margaret Porter at Bluffton.

Betty Humble spent Thanksgiving vacation visiting relatives at Frankfort, Indiana.

Last week-end Mabel Fell motored to Muncie to visit with Bertyll Merrill, who is attending Muncie Normal.

## STUDENTS OF SCHOOLS UNDERGO EXAMINATION

Dr. Kane, Assisted by School Nurse, Tests Pupils of South Side

A physical examination is being made in all the schools of the city at the present time. The examination includes the testing of the heart, lungs, tonsils and examination for flat feet. Dr. Kane, assisted by Miss Gaveil, is conducting the examination at South Side.

This is the most forward movement ever made in the history of Fort Wayne. The purpose of the examination is to get a complete knowledge of cases, and give those found unfit knowledge of the ailment before the case becomes serious.

Miss Gaveil, the school nurse, follows up these cases, and tries to get the co-operation of the parents. By giving the school children the proper attention, it is hoped that their health will be improved, and also that it will help the conditions of our communities in the city.

## V. MASON TRIUMPHS IN SPELLING MATCH

Winner Receives "Vanity Fair" From Miss Esarey; Betty Ward Is Second

Velma Mason won first place in the spelling match between Miss Esarey's classes. Betty Ward took second place. Both girls are members of the fourth period class. Velma received a green leather-back edition of Thackeray's Vanity Fair as a prize from Miss Esarey.

The second period class will give the fourth period class a party this afternoon. The room is to be decorated in red and white, the colors of the winning team.

The chairmen of the committee in charge of the party are Dorothea Thomas, decorations; Mary Graham refreshments; and Enid Stilwell, entertainment.

## Number of Grads Reaches High Mark

Total 354 Students Has Received Diplomas from South Side.

The total number of graduates from the South Side high school will reach 534 in June. Of this number 215 are boys, 319 are girls. We wonder what's the matter with the boys of South Side high school as there will be 104 more girls who have graduated than boys.

It is interesting to note that the number of boys and girls who have graduated from South Side high school and also the numbers of each in each of the classes. The total number of graduates in class '23 was 80. Of this number, 31 were boys, while there were almost twice as many girls, there being 49 girls who graduated in this class. In 1924, 109 received diplomas. Of this number 37 were boys and 72 were girls. In the class of 1925 there were 165 graduates. Of this number there were 69 boys and 96 girls. In the 1926 class the list now shows that there are 102 girls who qualify while there are only 78 boys. This makes the total number who now expect to graduate 180, the largest class which has ever graduated from South Side high school.

Visits South Side  
Mrs. Emory Diller, head of the French department of Bluffton (Ohio) high school, visited South Side last Wednesday.

"Not only a dessert but a food for young and old"

We agree with Ruskin that our dwelling houses should be built to last and built to be lovely and be as rich and full of pleasantries as may be within and without.

This store for fifty-seven years has tried its best to do its part within.

The Mayflower Suite shown below would be a lovely Suite for some home.

• The MAYFLOWER •

An Exceedingly Beautiful Group of  
"Quaint" Furniture

It is the fashion of the times for every home to have at least one colorful and decorative interior. Either the bed room, sun room, or living room, and in some cases the dining room, is selected to be the particularly attractive room in the home through the use of elaborately colored furnishings.

"Quaint" Furniture has gained wide-spread favor because it is not only extremely decorative but is also so dainty, charming and serviceable.

The Mayflower group is particularly attractive in Chinese Blue, richly decorated with floral ornamentation and gold stripes.

There is a Group of

"Quaint" Furniture for a Room in Every Home

## A Double Victory

By Robert Thompson

Billy was a thorough football player, but his father was an anti-football man to the finish. The latter was imbued with the idea that the game was hopelessly brutal and that it would eventually lead his son to become a prize fighter if allowed to continue playing. He really took an interest in the Conference scores but never wavered in his opinion that the game ought to be suppressed by law.

If Billy got his head in the way of a golf club and was laid up for a week or so, it was a mere accident. If his fingers were broken while playing baseball, that might have happened to anyone. If he broke an arm in the gym, he should have been a bit more careful. If he scraped half the skin off his anatomy in an auto accident, it was the machine's fault. But, if Billy got a bloody nose, a strained ankle, or a black eye while playing football, it was an outrage by civilized and educated sons of respectable parents. Billy's chances of playing were pretty slim, but he was undaunted and continued practicing regardless of parental authority.

The big game of the season was to be played on the rival's grounds, and with Billy in the game, their chances of victory were greater than usual, while without him their chances were pretty weak. The team decided that Billy must play, and he came to the same conclusion himself.

His father was petitioned by the student body; members of the faculty, more interested than faculties usually are, found that visits to Billy's home were useless. Billy's father was obdurate, and the issue was left in Billy's hands; whether he would play without consent, or not at all. But those who knew him best were not much disturbed as to the outcome. Billy would play if he had to get out of town in an aeroplane.

When the day of the game arrived, almost all the students were at the station for the send-off. A great many who came to see what Billy would do were not disappointed. He was there all right, and his face wore a determined look. A few minutes before the train was to pull out, someone spied Billy's father coming up the street at full speed. By the time he rushed across the platform Billy had disappeared and his team mates knew no more of his whereabouts than the traitor father himself. He searched the train from baggage car to end but Billy couldn't be found, and the head of the family finally seated himself on a trunk to await developments. They didn't come and the train pulled out.

The team was surprised, dazed, and even ready to accuse Billy of faint-heartedness. They were certain he was not on the train, and if he were absent at the game it would mean a very close contest and possible defeat. The train covered nine and nine and the fellows grew silent, as usual, but they decided they would not put up a game that they needed to be named or, even if Billy was out of it.

The first station was reached and the players stepped out on the platform. But there were no cheering shouts, none of the customary yells were given, and the sleepy villagers were not enlightened as to the meaning of the ribbons displayed. Suddenly there was a shout from the top of the coach, and seated on the edge of the car, his face obscured with smoke and cinders, eyes blinking hard to relieve themselves of dust and ashes, was Billy, the best half-back in the state. Billy, the underdog, jumping down into the arms of his team-mates, he was lifted to their shoulders and paraded around the dingy platform, giving that little hamlet a liberal taste of school yells and songs. The grinning conductor yelled "All aboard!", the baggage men put the game trunk into the car that he had taken out; the fireman threw three shovels of coal against the door of the freight box before he noticed it was closed, and the team climbed back into the coach, all their spirits returned.

The team won the game with a final score of 20 to 0. Without Billy the score would have been reversed. He rushed through the line, skirted the ends, and played a game that completely dazed the opponents. On the last touchdown he developed a bad knee, and missed the goal after the

touchdown. But even in his hardest playing, he would picture to himself the kind of a tackle his father would make.

The trip home was the same noisy, boisterous affair that it usually is. Those who were not tired after the game were tired before they reached home. Billy got off the train and started home with dark forebodings of the reception he would get. He could imagine his father waiting for him at the door with orders for him to leave the parental roof forever, and sever, once for all, his connections with the scenes of his childhood. He was surprised when he climbed the steps and found no angry father there to greet him, and it seemed almost impossible that he should also find that everyone had gone to bed and that the way to his room was clear.

He limped up the stairs and was three-fourths of the way up when he stepped on a loose board and stopped immediately, expecting the worst to come.

"William!" came the clear, firm tones from his father's room.

"Yes," answered Billy in a faint voice.

Silence. It seemed to Billy that the answer would never come. Then in a tone that had lost all of its coldness, his father's voice came in this startling query:

"What was the score?"

## CIVICS CLASSES CONDUCT TRIALS

Mr. Schmalzried Acts as Judge; Felger and Newman Tried on Liquor Charges

Mr. Schmalzried's second and eighth period civics classes have been conducting trials. The charge made was "Unlawfully Transporting Liquors." In the second period class, Maurice Felger was the criminal; Bob Fleming, state's attorney; Frank Bernhardt, attorney for the defense; and the rest of the class, witnesses, jury, and sheriff. Mr. Schmalzried acted as judge. The criminal was found guilty, fined one thousand dollars, and sentenced to a year and a day in prison. The judge, however, lowered the fine to five hundred dollars, and suspended the year's term in prison.

In the eighth period class, "Ting" Newman was the accused; Cornelia Bader and Ruth Bickmeyer, attorneys for the defense; Kathryn Chapman and Gertrude Schuelke, prosecuting attorneys; and Mr. Schmalzried was again judge. "Ting" was found not guilty by the jury, made up of twelve members of the class.

## Wyneken Demonstrates Self-starting Syphon

Chester Wyneken stirred up interest and excitement among the physicists and chemists of South Side when he brought to school a self-starting syphon. It was designed and is on sale by the Dairy Marketing association. The little invention was intended for skimming the cream off a bottle of milk.

## HAMLET AS A QUARTERBACK

To pass, or not to pass, that is the question: Whether 'tis nobler in the game to suffer

The chances of an interception Or to take a chance that it will be completed

And by passing to win the game? To pass, to win

Our score; and by a pass to say we end

The bitter agony of their linesman's shocks

That backs are heir to, 'tis a consummation

Devoutly to be wish'd. To pass to win

To win! Perchance to lose! Ay, there's the rub:

For in that pass of mine, what else may come

When I have hurled aloft that pig-skin ball:

Must give us pause. There's the thing that makes us

Wonder if a kick were not the better thing to do.

Thus caution does make cowards of us all;

And thus the native hues of resolution

Is sicklied o'er with the pale cast of thought,

And enterprises of great pith and moment

With this regard their currents turn awry,

And lose the name of action. I guess we'll punt.

—Ex.

## Has New Observatory

The biology department of the Wichita (Kansas) high school has a new honey bee observatory. The hive is made so that the glass sides will be the room. In this way of constructing the hive, the students are able to see the bees at work.

## Has Many Guests

Since the guest book was presented to the Wichita (Kansas) high school three weeks ago six hundred-seventy-four names have been entered. The purpose of this book is to keep a record of every visitor who visits the school.

## To Give Play

"The Barbarian" is the play which is to be given by the Philathenians of the South high school, Cleveland, Ohio. The money taken in at this play will be used to secure curtains for the stage.

## Alumni

Many South Side graduates who are attending schools and colleges in other cities took advantage of the Thanksgiving holidays and returned home for a short visit.

Bertryl Merrill came back from Muncie Normal school to enjoy the Thanksgiving turkey with her parents.

Edna Tilbury, who is also a student at Muncie, was among the visitors.

Mary Monroe returned home and entertained a few of her most intimate friends on Friday afternoon.

Ralph Welch and Joe Zahrt, both from Purdue University, at Lafayette, were home for the festivities.

Mrs. Ross Moyer, '25, formerly Miss Mildred Hadsell, entertained Hubert Beck, '25, at dinner last Sunday in Boston, Massachusetts. "Bud" is a student at Harvard University, Cambridge, Mass.

Alan Fromuth has been awarded a numeral at Butler. He has also been chosen captain of the freshman team for the past season.

Ed Rahe and Bob Jurgenson spent Saturday and Sunday visiting in the city.

Bob Hanna and Alan Fromuth returned from Butler to spend the Thanksgiving vacation.

Margaret Rose, '25, now attending DePauw, Greencastle, Indiana, spent the Thanksgiving vacation with her parents.

Doris Speaker, '25, a student at Muncie Normal school, spent the Thanksgiving vacation visiting her parents.

Agnes Watkins, '25, returned to her home on Calhoun street for her vacation. She is attending Indiana State Normal at Muncie.

Helen Toay Underwood, '24, who is attending Indiana University at Bloomington, spent Thanksgiving vacation at her home.

Marjorie Matlack, '25, who is attending Muncie Normal, spent her Thanksgiving vacation visiting her parents in the city.

George Wyss spent Thanksgiving vacation at his home. He is attending Northwestern University.

Hildred Gruber was home from Indiana University through the Thanksgiving vacation.

Mary Travis, '25, who attends Indiana University, spent her vacation visiting her parents.

Virginia Gaskins, '25, has returned to Ferry Hall, Lake Forest, Ill., to resume her studies, after spending several days in the city visiting friends and relatives.

Dr. and Mrs. K. D. Dutton, of Kokomo, spent the Thanksgiving vacation with their parents in this city. Mrs. Dutton before her marriage was Catherine Miller, a graduate of South Side.

Dorothy Tucker, '25, is employed in the office at S. F. Bowser Co.

Virginia Repp, '24, is employed at the Dime Savings and Trust Co.

Virginia Wilkins, '25, is working at Wolf & Dessauer's.

Hugo Kelly, '25, is working at Buesking's grocery.

Thyra Jurgensen, '25, is working at the G. E., in the blue-print dept.

Mildred Kesterson, '25, is employed at Wolf & Dessauer's.

Charlie Meyer, '25, is working at the First National Bank.

Virginia Pollack, '25, is studying at the Fort Wayne Art school.

Marcella Reitz, '25, is employed at the S. F. Bowser Co.

Asenath Rodebaugh, '25, is employed in the office at Wolf & Dessauer's.

Violet Prine, '24, is a student at the Fort Wayne Art school.

Roland Smith, '25, is employed at the S. F. Bowser Co.

"Lu" Branning, '24, is employed at the Duemling clinic.

Paul Ridenour, '25, is working at Stine's drug store.

Bertha Branning, '25, is enrolled at the International Business College.

Maurice Miller, '25, is employed at the Lauer Auto Co.

Mary Barnes, '25, is now staying at home, and will enter college next fall.

Doris Buirley, '25, is employed at Frank's Dry Goods store.

Miles Wilkinson, '25, a student at Wittenberg College, has been pledged to the Kappa Phi fraternity.

Dorothy Schiefer, '25, is working at the Pontiac Branch library.

Howard McCurdy, '25, is studying at Indiana Dental College.

Emily Waters, '25, is employed at Kresge's.

Veda Stevens, '25, is enrolled at Muncie State Normal.

Joe Zahrt, '25, returned to Purdue University, after spending the week-end with his parents.

Hildegard Destinson, '25, and Mildred Heintz, '24, had the leading parts in the play "Martha by the Day," given by the Zion parish.

Ruth Brown, '25, entertained the members of the Chere Chere society at her home last Friday evening.

Jane Bassett, '24, is working in the pay-roll department at the G. E.

Louise Bottenhorn, '25, is working in the office at Kresge's.

Doris Baxter, '24, is working at the Fort Wayne Mercantile Co.

James Hugenard, '25, has returned to Wittenberg College, after spending the week-end with his parents.

Lucile Countryman, '24, has gone to Defiance, Ohio, where she will remain indefinitely.

Mrs. M. Beal, nee Lucile Gaskill, '23, and small daughter, Marion, will spend the week-end with her parents.

Geraldine Lower, '25, has been chosen to play on the Freshman soccer team at Indiana University.

## Do You Know? "HOW TO STUDY"

The Students' Hand-Book of Practical Hints on the Technique of Effective Study

—by—  
WILLIAM ALLAN BROOKS

A GUIDE containing hundreds of practical hints and short cuts in the economy of learning, to assist students in securing MAXIMUM SCHOLASTIC RESULTS at a minimum cost of time, energy, and fatigue. ESPECIALLY RECOMMENDED for overworked students and athletes engaged in extra curriculum activities and for average and honor students who are working for high scholastic achievement.

## SOME OF THE TOPICS COVERED

Scientific Shortcuts in Effective Study	The Athlete and His Studies
Preparing for Examinations	Diet During Athletic Training
Writing Good Examinations	How to Study Modern Languages
Brain and Digestion in Relation to Study	How to Study Science, Literature, etc.
Why Go to College?	Why Go to College?
How to Take Lecture and Reading Notes	After College, What?
Advantages and Disadvantages of Cramming	Developing Concentration and Efficiency, etc., etc., etc., etc., etc., etc.

## WHY YOU NEED THIS GUIDE

"It is safe to say that failure to guide and direct study is the weak point in the whole educational machine. Prof. C. M. Whipple, U. of Michigan. "The successful men in college do not seem to be very happy. Most of them, especially the athletes are overworked." Prof. H. S. Canby, Yale. "Misdirected labor, though honest and well intentioned may lead to naught. Among the most important things for the student to learn is how to study. Without knowledge of this his labor may be largely in vain." Prof. G. F. Swain, M.I.T. "To students who have never learnt 'How to Study,' work is very often a chastisement, a flagellation, and an insuperable obstacle to contentment." Prof. A. Inglis, Harvard. "HOW TO STUDY" will show you how to avoid all mis-directed effort. Get a good start and make this year a highly successful one by sending for this hand-book and guide NOW.

## And Now They Rob Dad of His Socks

South Side Girls Look Like Little Tots in Half-hose of Various Colors.

Red, black, blue, yellow, tan, and orange plaid socks can be seen about the whole building and they aren't sloppin' on the boys' ankles. The girls are wearing them! With flesh or tan hose underneath the effect is very near that of children's half hose.

Some let them slop in true boy fashion while others have them neatly pulled up. For lack of men's hose some wear sport socks for substitute.

## South Side Graduates Win Frosh Numerals

Alan Fromuth, '24, South Side football star, and graduate of the 1924 class, and Bob Hanna, '25, were awarded their freshman football numerals recently. Both boys played on the freshman team at Butler College, Indianapolis.

Bob Jurgensen, '24, and Ed Rahe, '25, were also awarded freshman numerals. They attend Purdue University, and played on the Freshman football team there. Both are former stars of the Green and White.

## New List of Books

Miss Demaree has placed "A Browsing List" on her bulletin board in room 68. This list is recommended by the department of English to the students of South Side high school.

The books listed there may be found on shelves of the school library or in the public library.

## Mrs. Hoham Absent

Mrs. Hoham has been ill all week and could not take her place in the cafeteria. Mrs. Edison has been in charge of the cafeteria during her absence.

## Faculty Employs Many Methods of Passing Thanksgiving Vacation

Some Find It More Pleasant to Stay at Home and Be Quiet, While Others Prefer Traveling or "Eating Out"; Rabbit Hunting is Favorite Pastime.

Some folks find it quite easy to spend a vacation. The teachers of South Side did many different things during the Thanksgiving rest.

Mr. Hull went to visit his brother who is principal of the school at Raub, Indiana, during the vacation. They spent a great deal of the time in hunting rabbits. Mr. Hull says he got some, too.

Mr. Gould says that most of his time was spent at home. He went to Thanksgiving service in the morning and enjoyed the dinner with relatives who were visiting from Kalamazoo.

"The rest of the time I was busy, but not on school work," he says.

Mr. Voorhees record is: Stayed at home November 26 to 29, read one new volume of chemistry, solved many problems in another new volume, slept when sleepy and ate roast chicken with dressing, and all other accoutrements when hungry.

**Works During Vacation**

Mr. Whelan spent part of the last vacation helping put in seats in room 14 which were taken from room 28 to make room for the new bookkeeping desks.

Miss Esarey spent her Thanksgiving vacation visiting in Indianapolis. Miss Kelley was at her home in Montpelier during vacation.

Miss Oppelt spent Thanksgiving day in Huntington visiting with relatives and friends.

Miss Woodward spent her Thanksgiving vacation in Bluffton attending the Psi Iota Xi dance and visiting the Mrs. Kenneth Hurgette, formerly Miss Irene Kelley, who taught primary work at South Side two years ago.

Mr. Rothert spent his Thanksgiving vacation at home in the city. "I talked to several of the South Side alumni, who were home from college," says Mr. Rothert.

Miss Fish spent her Thanksgiving vacation in Indianapolis and in small towns near there. "I was on wheels during the whole time," says Miss Fish.

Miss Schmidt spent her vacation at home by helping to prepare and consume the family dinner and by making a good start in her Christmas shopping.

Miss Bert spent her vacation at home.

Mr. Brand attended the Y. M. C. A. state conference of older boys at Anderson, Indiana, Friday, Saturday and Sunday. He enjoyed his Thanksgiving dinner with Mr. and Mrs. Whelan at their home on Maxine drive.

**Visits Bloomington**

Miss Demaree spent her vacation in Bloomington visiting her niece Cynthia Anne Demaree and her nephew David Maurice Demaree, Jr. She helped David celebrate his fifth birthday.

"I usually take advantage of vacations to get caught up with my work, housekeeping. This time was no exception. I washed windows, scrubbed, baked and cooked," says Miss Kiefer.

Mr. Morris spent his Thanksgiving vacation at Swayze, Indiana, visiting his mother, who is ill.

Mr. Schellschmidt spent the vacation visiting his parents in Indianapolis.

Mr. Murphy spent his vacation at his home doing odd jobs. The Murphy's family also entertained Mr. Murphy's niece, who is a school teacher.

"My vacation was spent quietly at home with the exception of Thanksgiving day, when our family took dinner at the new hotel in Huntington," says Miss Chapin.

Mr. Arnold spent his Thanksgiving vacation in Cleveland and Ashtabula, Ohio, visiting relatives.

Mr. Chappell enjoyed his Thanksgiving at home.

Mr. Schmalzried spent his Thanksgiving vacation at Greencastle, Indiana, visiting friends at DePauw University.

Mr. Gilbert spent his vacation at his home at New London, Indiana, hunting most of the time.

A little work and a little play was the way Mr. Thomas employed his vacation. Rabbit hunting near Huntington with a number of friends was Mr. Thomas' play and "taking care of the kids" at home was his work.

Mr. Schaefer's vacation was passed in Hillsdale, Michigan, with his parents.

**Custodian Busy**

While others were having a vacation, Mr. Stahl was working. Thirty-two seats were taken out of room 28 and placed in room 14. The desks which were in room 14 were put in room 28. Everyone is glad Mr. Stahl cut off the bolts that protruded from the floor in the Times room.

Miss Miller spent Thanksgiving day visiting relatives in Gallon, Ohio, and the remainder of the time in Fort Wayne.

Miss Rehner spent her vacation at home entertaining guests from out-of-town.

Miss Mott ate her Thanksgiving turkey at her home in Noblesville, Indiana, near Indianapolis.

Miss Crowe spent the vacation in Fort Wayne. Her sister, who is attending Indiana University, visited her.

Miss Smeltz spent the vacation in Fort Wayne.

## COMMERCIAL MAGAZINE COMPLIMENTS TOTEM

Mr. Walter P. Steinhauser to Review Year Book in Journal of Commercial Education

Mr. Walter P. Steinhauser, editor-in-chief of the Journal of Commercial Education, compliments the Totem on its winning first place in the C. I. P. A. contest for secondary school year books.

Mr. Steinhauser desires a copy of the Totem. He says:

"I would appreciate a copy of the year book for review in the columns of the Journal. We will give it extended notice, as we feel sure it will prove an interesting item since we have a large number of readers among students and teachers in high schools, preparatory schools, colleges, and universities."

## Three-foot Cup Won by Totem

The trophy awarded by the Art Crafts Guild to the Totem is a handsome silver loving cup, about three feet in height. It becomes the owner of the school winning it twice in succession or three times, not consecutive. The award is expected to arrive soon.

## MISS CROWE'S CLASSES STAGE MITCHELL TRIAL

General History Students Describe Shenandoah Disaster, McMillan's Expedition and Hawaiian Flight

Miss Crowe's seventh period general history class will have a mock trial in class this afternoon. The characters are Mitchell, his attorneys; prosecuting attorney, Mrs. Lansdowne, Shenandoah disaster witness, army aviator, statistic expert, authorities on Shenandoah, McMillan and Hawaiian flight, newspaper testimony, anti-aircraft tests, navy inefficiency, judge advocate, and jury.

Those taking part are Carl Murry, Mitchell; Robert Christmas, Mitchell's attorney; Edward Hale, prosecuting attorney; Marjory Homsher, Mrs. Lansdowne; Paul Birely, Shenandoah disaster witness; William Dammeler, army aviator; Charles Eickoff and Roger Ralston, statistic experts; Walter Jaeger and Raymond Jones, authorities on flight of Shenandoah, McMillan's flight, and the Hawaiian flight; Dorothy Underwood, newspaper expert; Vera Mueller, anti-aircraft tester; Margaret Nichols, authority on navy inefficiency; Gladys Gerber, Helen VanBuskirk, Iva Riley, and Harold Stein, jury. The judge advocate is to be decided later.

## PUPILS TO USE LIBRARY BUT ONE PERIOD A DAY

New Rule Formulated to Check Overflow of Students in Library

Miss Shulze has announced a new rule for students signing up in the library. No pupils can stay in the library for more than one period a day, unless he really uses it.

"Too many students stay in the library just to read magazines and papers, and disturb the other boys and girls," says Miss Shulze. The librarian thinks that this rule will help check the overflow of students in the library.

## Slide Rule Proves Valuable in Math

Gertrude Schuelke and Helen Crosby Report on Benefits to Teachers and Students.

It has been proved that the slide rule is a great aid to the pupils who are taking advanced mathematics. Reports were given before the solid geometry classes by Gertrude Schuelke and Helen Crosby to prove this statement.

They also told how great an aid the rule is in figuring up the batting averages of an individual or of a whole team in baseball. The pupils were persuaded that the slide rule would benefit them, because as a result, Miss Paxton says that she has sold a large number of the rules.

The slide rule benefits the teachers also. It furnishes them with a quick and accurate method of figuring the grades of the pupils.

## Concert to Be Given

The music department of the Classen high school, Oklahoma City, Oklahoma, have announced a concert to be given December 11, in the auditorium. The boys' and girls' glee clubs and the orchestra will take part in this program.

## Latin Club to Bring Movie

"The Last Days of Pompeii," a six-reel moving picture will be brought to the Classen high school, Oklahoma City, Okla., by the Latin club early in December.

## GYM CLASS TEAMS OPEN NET LEAGUE

Twenty Net Squads, Divided According to Weight, Get Under Way

### E AND G WIN FROM F AND H

The various gym classes have organized a basketball league composed of twenty teams. Of these twenty teams, eight are in the lightweight class and twelve are in the heavy weight class.

The lightweights were the first to get into action. They played three games last Monday evening. E defeated F, 15 to 1, in a top-sided contest. Kissler making the only marker for F in the final seconds of the last half by dropping in a foul which cleared their side of the score card from a goose-egg. Borkenstein was the star for E by scoring five points for his team.

In the second game of the afternoon G downed H by one point. Due to close guarding on the part of both teams, G was only able to chalk up five points against its opponents' four. Staigt, who played center for G, was the outstanding star, making four of his team's five points.

It will be necessary for teams A, B, C, and D of the lightweight class to play three games Saturday afternoon due to their failure to appear Monday evening.

The line-ups of the teams are as follows:

G—(5) F—(4)  
Allen F. Ulrey  
Corner F. Harader  
C. Staigt C. Rietdorf  
Segrist G. Reity  
Bland G. Fox

Field Goals—Seips, Welsh 2, F. Wilson, Borkenstein 2, Drummond. Fouls—Borkenstein, Disler. Substitutions—Drummond for Seips.

E—(15) F—(1)  
F. Wilson F. C. Disler  
C. Welsh F. Cruse  
Keips C. Horn  
VanVoorhees G. Christman  
Borkenstein G. K. Wilson

Field Goals—Staigt 2, Harader. Fouls—Allen, Ulrey, Fox.

The teams in the heavyweight class will open their schedule this Friday, December 4. The schedule is as follows:

A vs. B at 4:30 p. m.  
B vs. D at 4:30 p. m.  
E vs. F at 5:10 p. m.  
G vs. H at 5:20 p. m.  
I vs. J at 5:50 p. m.  
K vs. L at 6:00 p. m.

The lightweights will play their second games of the season next Monday, December 7.

A vs. C at 4:30 p. m.  
E vs. G at 4:30 p. m.  
B vs. D at 5:00 p. m.  
F vs. H at 5:10 p. m.

## CLASS TEAMS GET INTO ACTION EARLY

Seniors, Faculty and Juniors Win First Games Last Tuesday

### WARDO LEADS SCORERS

STANDINGS			
	W.	L.	Pct.
Seniors	1	0	1.000
Faculty	1	0	1.000
Juniors	1	0	1.000
Sophomores	0	1	.000
Freshman I.	0	1	.000
Freshman II.	0	1	.000

Class basketball was started off with a bang last Tuesday night when the seniors defeated the sophomores, juniors beat the freshman I. and faculty won from the freshman II.

The senior-sophomore game was one of those close guarding affairs in which the seniors won 11 to 6. The scoring was well scattered.

Lineup and summary:

Seniors (8) Sophomores (6)  
Baker (Capt.) F. Johnson  
Sweitzer F. Van Ness  
Klein C. Fay  
Schmidt G. Dull  
Lombard G. Briggs

Field goals: Johnson, Van Ness, Fay, Baker, Sweitzer and Klein.

Free throws: Klein and Schmidt.

Substitutions: Phipps for Johnson, Neibergall for Van Ness, Harp for Dull, Ormerod for Briggs, Braden for Lombard, Van Ness.

The juniors won an easy game from the freshman I. by the score of 36 to 14. Dissinger led the scoring with six field goals.

Juniors (36) Freshman I. (14)  
Seimon F. Hazlett  
Yaggy F. Balmann  
Dissinger C. Bonar  
Frickie G. Fleming  
Folsom G. Bedows

Field goals: Dissinger 6, Harper 3, Yaggy 3, Seimon, Metzner, Somers 2, Feustal, Frickie 2, Hazlett 2, Bonar 3, Fleming 2.

Substitutions: Metzner, West, Feustal, Buirley, McAfee, Somers, Harper, ZurMuehlen, Azar and Reaser.

The faculty quintet sucked under the freshmen II. by the score of 22 to 10. Gilbert was high point man with nine field goals.

Faculty (22) Freshman II. (10)  
Gilbert F. Vachus  
Davis F. R. Klein  
Heine C. Dennis  
Schmalzried G. Fleming  
? ? ? G. Hazlett

Field goals: Gilbert 9, Heine, Schmalzried, R. Klein 3, Hazlett 2.

## SPORT GUSH

All aboard for the land of basketball!

The voyage will last only two more days, and we're beginning to sight land already.

Let's increase the population of that most widely-known country and buy lots of season tickets for our passports.

Auburn has had a head start, but we'll probably pass them on the next lap.

This suspense is terrible. We're so anxious to know just who really is going to play.

And at the same time the girls can begin their practices. All out on your toes, freshmen, sophomores, juniors, and seniors!

Hail, the Sophs!

They're the grand champions of the first girls' volleyball tourney.

And all along volleyball tournaments will be sprinkled in to season the basketball practices. Keep your title, Sophs.

According to our almanac, winter begins with basketball, and basketball begins with winter. But the most important thing is that they begin NEXT SATURDAY, DECEMBER 5.

Season tickets are still on sale, so bring your dollar tomorrow and swell the S. S. H. A. A.'s pocketbook.

### Auburn Downs Albion 34-20 In Fast Battle

South Side's first opponents on the hardwood defeated the stinging Albion quintet in a fast and furious battle at Auburn Thanksgiving eve by the score of 34 to 20. The game was fast throughout and Albion threatened at times.

Snyder and Funk, of Auburn, and Slessman, of Albion, were the luminaries of the game, each scoring twelve of his team's points.

Line-up and summary:

Auburn Albion  
Hoodlemeyer F. Nowells  
Snyder F. Sinderon  
Funk F. C. Slessman  
Walters G. Seymour  
Hetrick G. Carmichael

Substitutions—Baker for Hoodlemeyer, Hoodlemeyer for Baker, Kuhn for Nowells, Nowells for Kuhn, Guthrie for Nowells. Field Goals—Hoodlemeyer, 2; Snyder, 5; Funk, 5; Walters, 3; Nowells, 1; Sinderon, 3; Slessman, 6. Free Throws—Hoodlemeyer, 2; Funk, 2; Nowells, 1; Sinderon, 1. Referee—Miller, Fort Wayne.

New Translation Plan Used

The instructor in Latin at the Central high school, Kansas City, Mo., has introduced a new plan for the translation of Caesar. Each half of the class goes to the blackboard alternately, two members of the class at each space. The pupil to the right of the space copies the Latin as it is the textbook, the one on the left writes the English translation. The person who writes the Latin will be required to answer questions concerning the grammar and the pronunciation, while the other will be responsible for the literal translation of the assignment.

## SOPH GIRLS WIN FIRST VOLLEY BALL TOURNEY

Juniors Easily Defeat Seniors; Will Probably Play With Central Later in the Season

Sophomore volleyball players were proclaimed the winners of the inter-class tourney when they defeated the juniors in two games which were played Monday, November 20. The first game was very easy since the juniors were not able to stop the sophomores, and piled up only four points while their opponents made the required twenty-one.

The second game, however, proved to be more exciting, and the juniors accumulated eighteen points before the whistle blew. The juniors and seniors played off their games Friday, November 17, and won in two easy matches with the scores of 21 to 14 and 21 to 13.

Several other tourneys will be held during the winter, and the other classes will have a chance to bring up their standing. Several games will be booked with Central after the teams get more practice.

### Yelling at The Pep Meetings Very Slack

Howard Crise, Yell Leader, Gives Suggestions to Arouse Our Pep.

What is the matter with the yells, and the yelling of the student body was a question recently asked to Howard Crise, one of our yell leaders. He answered that he couldn't say directly, except that the pupils seem afraid to yell or that yelling might lower their dignity. As a suggestion he stated that we ought to have more pep meetings, because we have good turnouts at those we do have, and in this way he thinks the student body would become more interested and have more pep. Howard also said "and we, we always do tell them that but it doesn't seem to take effect." Come on gang, come to all the pep meetings and after getting there yell because that is what you are there for. One doesn't want to say it is a lack of school spirit so it must be the question of your dignity. So, come and yell and we will think more of you than if you don't.

## GIRLS BEGIN PRACTICE FOR CLASS TOURNEYS

Sign Up For Teams in Gym Office; Games To Be Scheduled With Central

Girls' basketball training started this week, and the first practice will be held tomorrow evening at 3 o'clock when the juniors and seniors will have the floor. Monday night has been given to the freshmen-sophomore try-outs.

On Monday, Wednesday and Friday noons the class squads may use the gym. Friday noon is for general practice, while Monday will be for senior and junior games and Wednesday the sophs and freshmen will have a chance to show their skill at shooting.

So far two seniors, ten juniors, seven sophomores, and six freshmen have signed up in the girls' gym office. Miss Patterson urges all girls who intend to come out to sign up immediately.

Class squads and a varsity will be organized after several practices. All girls will have a chance to play in the inter-class games. The tourney will be based on the point system, whereby the team winning the most games will be the class champ.

## KNIGHTS ARRANGE TO START GAMES

Play Pulaski Post in Their First Home Game of the Season

The Knights of Columbus basketball team, Fort Wayne's entrant in the American Basketball League, will open their home season December 10, in the South Side gymnasium. The Pulaski Post of Detroit will furnish the opposition.

The K. C.'s will play on the road except every Thursday night, when they will perform before the home crowd.

Clarence Alter, diminutive manager of the Casey's, has announced the signing of Schwab, an eastern player of note, who will complete the Casey squad. The personnel of the team includes the two Millers, Biz and Ralph, Homer Stonebraker, Shimik, Yerkes and Schwab.

The team will hit the road December 3, and will be all set to start the league off with a bang.

## History Instructor Falls For "Bob" Fad

Miss Miller, South Side history instructor, has joined the "shorn lock club." After all these months of resistance she fell for the fad. From now on we will expect Miss Miller here bright and early and in the best of spirits, because she can't get peeved combing out snails.

## Every Day a step nearer Christmas

HAVE you stopped to consider there are only four more weeks before Christmas?

DO you recall the promises that you made to yourself to avoid the hectic days before Christmas when you rushed madly through the store for gifts, fearful that you would forget someone—and then worried about the last minute delivery that may be too late?

HERE is just one way to prevent this dilemma, only one way to make Christmas shopping a delicious round of delving into the treasures of a great store and choosing from its delights the right gift for someone—and that way is in the time-worn, so often unheeded, but wise suggestion—

## Solid Geometry Pupils Make Closed Figures

Classes Vote on Best Dodecahedrons and Icosahedrons; Martin Goslin's First

Miss Paxton's third and fourth period solid geometry classes have made regular polygons. Those made were tetrahedrons, cubes, or hexahedrons, octahedrons, dodecahedrons, and icosahedrons.

After all had been turned in, the best dodecahedron and the best icosahedron were voted upon by the two classes. Martin Goslin's figures were chosen the best in each group. In the dodecahedrons Mildred Chenoweth and Harold Buscher received second and third place respectively. Naomi Swartz received second place in the icosahedrons and Mildred Chenoweth and Harold Buscher tied for third place.

### Studies Stage Work

The students of the junior drama class of the Central high school, Kansas City, Kansas, have prepared model stage-settings. They were required to read a one-act play and then make the stage and setting for it.

## Carnival Postponed Till After Christmas Recess

"The Senior Carnival has been postponed indefinitely, because everyone is so busy getting ready for Christmas," says Chesteen Plasket, president of the senior class.

This decision was reached at a meeting of the senior officers last Tuesday.

## Totem Highly Praised by Pennsylvania H. S.

A letter has been received by Miss Harvey from the faculty advisor of the McKeesport high school of McKeesport, Pennsylvania. The letter states that the school has just received its copy of the Totem and that it appreciates such a fine book. The form in which the book is put up and its beauty are especially commented upon. J. Berken, the faculty advisor, stated that the Totem is one of the best high school books they have examined thus far.

Employed at Rurode's  
Carrie Reiter has left school and is now employed at Rurode's dry goods store.

CURTAIN RAISER 1925-26 BASKETBALL SEASON TO BE THRILLER

SOUTH SIDE BATTLES AUBURN SATURDAY IN FIRST NET GAME

Coach Ward Gilbert Cuts Squad to Twenty-Seven Men; Well Balanced Outfit Will Take Floor and Probably All Members Will See Action

AUTO CITY TO BRING FORMIDABLE TEAM

Auburn Five Has Impressive String of Victories Already; Hardest Kind of Fight Expected; Hoodemeyer, Snyder, Funk Are Stars on Visitors' Aggregation

With the curtain drawn on football, the South Side athletes have packed away their moleskins in mothballs and now don the "armor" for the greatest of indoor sports, basketball. The first game of the season will be played in the South Side gym, with Auburn forming the opposition for the Fightin' Green Saturday evening.

According to advance indications it appears as if the Wardites are in for some stiff opposition and will have to fight hard to win. Auburn will bring a team down here which is probably the best that ever represented the Auto City. With a veteran team which won the sectional and then came here and put up an admirable fight against heavy odds in the regional, Auburn will invade South Side bent on stretching their winning streak still farther.

Auburn Has Stars With such stars as Hoodemeyer, Snyder and Funk, forwards and center, respectively, the Auburnites put up a red-hot offensive game which will probably keep the Wardites guessing for a while. But when the whistle blows off the lid for South Side's first net game, the Green and White cagers will be ready. Although minus a few stars from last year, South Side is expected to give a good account of itself against its first opponents. Handicapped by a short training season, Coach Gilbert was forced to cut the squad of sixty odd players to twenty-seven select basketballers.

Squad Picked The probable players are: Captain DuWan, Lighthill, Wellman, Fleming, Branning, Rahe, Wambagans, McLucas, Wilson, Michelle, Wiener, Gerig, Carto, Grodrian, Sprunger, Bennett, Rastetter, Schroeder, Nulf, Distel, Simon, Schopf, Welch, Bell, Reustel, McAfee and DeHaven. From this squad Coach Ward Gilbert has welded a team of good caliber and, although no definite starting line-up has been decided upon, every man on the squad will probably get a chance to show his wares if the opportunity affords. In all it is probably the hardest opening game the Green has stacked up against and promises to be a nip and tuck battle from start to finish.

Goal Dust

Howdy, everybody! Greetings! Buenas Noches! Hello! Etc. Well, now that we are back again, I suppose we should say something about sports. —G.D.— Next Saturday the Green cagers pry the lid off basketball with Auburn. —G.D.— According to last minute reports, one thousand season tickets have been sold!!! We now have only eight hundred more to sell. (Note: This is our weekly fairy tale.) —G.D.— But getting down to tacks (brass or otherwise) G. D. thinks that we are poor sports if there aren't as many rooters attending the basketball games as those that turned out for football. —G.D.— Now that the football season is over, a lot of people are getting themselves into trouble picking "all" state, city, and every other kind of teams. —G.D.— It is not without remorse that we haven't placed everybody with our selections. —G.D.— What our Gallant Heroes will probably be lining: When the game is over And all the floor is clear, Help me straighten out my face And find my misplaced ear. —G.D.— Who are state football champs this year? There are about three teams which have logical claims to it. They are: Tech, Mishawaka and Muncie. —G.D.— Tech and Mishawaka ought to play it out, as Muncie was defeated once. —G.D.— In closing, we would like to say that we dreamed the other night that "Half-pint" Nulf was so absent-minded that he signalled for a punt and then dropped the ball and kicked the center instead. —G.D.— Auburn first, Gang!

WELBORN TO HAVE 10 REGULARS BACK

Captain Rahe and Seven Other Veterans Will Be Lost By Graduation

TACKLES REMAIN INTACT

Ten of the regular players of the Fightin' Green squad will be left to build a 1926 gridiron team and with an abundance of reserve material which will be developed, South Side should be a prominent figure in the 1926 gridiron circles. Captain Rahe, Sprunger, Richadollar, Weldy, Staigh, Lombard, Welch and Weirich are the regulars this year who will not be back. Twenty-two members of the varsity squad, most of them juniors, will return next fall. Nulf, McCormick, Lighthill and Rastetter will give Lundy four veteran backs. Schopf and DeHaven, who guarded the tackle position all season, will return. They have been steadies on South Side's team for the past three years, and will return next fall to play their fourth and final season on the Green's gridiron. Other regular linemen who will return are Kingsley, Barbier, Lubenstein, Lake, Hafert and Birely. From all appearances South Side should have an abundance of good line material and four promising backs. The under-classesmen should contribute a great deal to the strength of the team and Welborn hopes to develop a powerful eleven to place on the gridiron to represent this school next fall. Lundy says: "If we can keep our confidence out of our camp and if every one will obey orders, there is no reason at all for our not having a powerful team next season."

TIGERS STACK UP AGAINST WARSAW

Coach Mendenhall Cuts Squad to Twenty-One Men After Two Weeks of Practice

Central's first opponent on the hardwood is Warsaw, whose team the Tigers meet Friday night in the South Side gymnasium. Warsaw will bring one of the fastest teams here that ever represented that city. Following a short training period of about a week's duration, Coach Mendenhall cut the squad to twenty-one men. These men are Captain Diehl, Morrill, Baker, Jasper, Scott, Troyer, Manth, Billingsley, Lennon, Bayer, Ramsey, Farrell, Marshall, Dornie, McConnell, Johnson, Hire, Hiet, Ridley and Link. The first seven men have seen service on the varsity last year and are expected to go big again this year. With such a horde of veterans the Blue and White will probably defeat Warsaw. Central has had hard luck already this season as Morrill broke his wrist and Captain Diehl is hobbling around on crutches with a broken ankle. Baker and Manth will probably hold down the floor guard position with Diehl and Jasper at forward. Troyer is making a strong bid for the pivot position, but the bid for the Tigers' side is the back guard which was filled last year by lanky "Hank" Kowalczyk.

SCRIBES DIFFER ON ALL-CITY TEAMS

Four Chosen from South Side by Journal, Three by News, Five by Times

BAKER PICKED AS STAR

The all-city high school football team of 1925 selected by the News-Sentinel, Journal-Gazette and the South Side Times differ somewhat. Six of the players were picked on all three elevens. Fitzgerald, Central Catholic high center, was undoubtedly the cream of high school centers in the city. Richendollar, fullback, and Nulf, quarterback, were the main ground-gainers for the Green and White. Both will make strong bids for the all-state team. In all three of the selections, Jasper and Hockemeyer were the outstanding players for the end positions. Jasper, a tall, rangy light-haired athlete, and Hockemeyer, his opposite, short, stocky and dark haired, very seldom let their opponents get around them. Both were clever in getting in the open and snaring passes. Baker, Central's triple-threat man, was placed at halfback without any hesitation. A kicker of ability and a wonder in an open field mixed with an assortment of bullet-like passes—that's Central's captain. In the other halfback position, the evening paper picked Billingsley of Central as Baker's running mate. The Journal-Gazette picked Pequinot. Central Catholic's versatile halfback. Schopf, of South Side was picked by the Journal over Casey, of Central, the News-Sentinel's choice at the tackle position. Kinnerk was picked on both teams as one of the best tacklers in the state. Ramsey and DeHaven are also selected by both the uptown papers. Both are tackles by trade, but were shifted to guard, because they were so husky and were such good blockers. The Times' all-city team, picked by Harry Wedler, sports editor, contained Welch and Hockemeyer at ends, Schopf and Jasper, tackles, Ramsey and Kinnerk, guards, and Fitzgerald at center. In the backfield Nulf was at quarterback, Baker and Sprunger at the halves with Richendollar at full back. Here is listed the all-city football team of 1925, picked by the Journal-Gazette, News-Sentinel and the South Side Times:

- Journal-Gazette Ends—Hockemeyer (C), Jasper (C). Tackles—Schopf (S S), Kinnerk (C C). Guards—Ramsey (C), DeHaven (S S). Center—Fitzgerald (C C). Quarterback—Nulf (S S). Halfbacks—Pequinot (C C), Baker (C). Fullback—Richendollar (S S). News-Sentinel Ends—Hockemeyer (C), Jasper (C). Tackles—Casey (C), Kinnerk (C C). Guards—Ramsey (C), DeHaven (S S). Center—Fitzgerald (C C). Quarterback—Nulf (S S). Halfbacks—Billingsley (C), Baker (C). Fullback—Richendollar (S S). South Side Times Ends—Welch (S S), Hockemeyer (C). Tackles—Schopf (S S), Jasper (C C). Guards—Ramsey (C), Kinnerk (C C). Center—Fitzgerald (C C). Quarterback—Nulf (S S). Halfbacks—Baker (C), Sprunger (S S). Fullback—Richendollar (S S).

South Side Faculty Form Indoor Teams

The faculty will also be represented on the indoor courts again this year. They have organized a cracker-jack volleyball team and at the present time a hand-ball team is being groomed. Mr. Hull, Mr. Virts, Mr. Davis, Mr. Murch and Mr. Schmalzried are working out in the hand-ball court several times a week and some spirited battles will be fought. In all probability a series of games with the Central faculty will be arranged. Mr. Hull, Mr. Virts, Mr. Murch, Mr. Davis, Mr. Gould, Mr. Huddleston and Mr. Schmalzried compose the volleyball squad.

## SO-SI-Y MEMBERS TO PLY NEEDLES

Miss Ethel McLane Speaks at Last Meeting; Ways and Means Committee Named

"Be sure to bring your needles and thread to the next So-Si-Y meeting in Room 86, December 9," says Virginia Bourns, program chairman. At that time they will make and dress dolls for the children in the foreign settlement. While the girls are sewing the ten dolls, which they have promised to make, a musical program will be given.

Miss Ethel McLane spoke at the last meeting before Thanksgiving about the families in Fort Wayne who need the services of the Family Service Bureau. After all repeated the Girl Reserve Code, Mary Sherman, Thelma Gasser, and Eldora Gibson told what they had to be thankful for. Rue Neireiter gave several piano selections which completed the program.

Marguerite Schwier told about the two Thanksgiving baskets which the club gave to poor families in the city. Mary Sherman, who represented the club in the "Y" membership drive, urged more girls to join the Y. W. C. A., while the present campaign is being staged.

A ways and means committee is to be appointed to take charge of the money needed to pay for the club To-tem picture. They are to arrange candy sales or other means by which the club can make money. The meeting night of the club has been changed to Wednesday night, since more members will be able to come on that day.

## ART CLUB ENJOYS PILGRIM'S PARTY

Members Take Part in Program; Talks, Recitations, Games and Piano Solo Feature

Several Pilgrims attended the Art Club Pilgrim's party which was held last Monday in Room 38. They took part in the program and proved very interesting to the modern art members. Games, talks, and recitations were given in keeping with Thanksgiving day and Thelma Burley gave a talk on "Other Thanksgiving Days." Rue Neireiter played a piano solo.

Elvah Miller gave several readings entitled "Ten Little Pumpkins." "The First Thanksgiving" and "A Thanksgiving Fable," after which game were played. In the turkey hunt, Dudley Wass won first prize and Ruth Waldrop won the consolation.

After the program, a Thanksgiving lunch was served.

### THE FIRST SNOW-FLAKE

Extending to the far horizon  
Lay one unbroken sheet of snow,  
And the sun's bright rays were reflected

In the dazzling mass below;  
Glistening and blindly brilliant,  
So beautiful was the scene,  
That all mankind was forgotten  
And Nature reigned supreme.

When we're weary of the struggle  
And we stumble by the way,  
Remember God's sun is ever shining  
To brighten up our day.  
Then all cares will fade  
And life become a dream;  
By His illuminating love in our lives  
He'll reign supreme.

—Maxine Bennett.

## When A Feller Needs A Friend

## Many Pupils Use Literary Digests; Students Find Articles Interesting

One Hundred Twenty-five subscribe for Whole Year, While 226 Rent Copies.

About 125 pupils in the South Side high school have subscribed for the Literary Digest for the entire term, while 226 students and six teachers are renting them by paying twenty-five cents per term. Copies of the Digest are kept in the library and the students may take them out over night or for one period. If they are not returned on time, a fine of five cents is charged. Due to this penalty not many Digests are taken out that are not returned.

Miss Shulze says as a whole the boys and girls of high school care more about reading the Digest than they do about the Review of Reviews. She says the topics are more interesting in the Digest because they are not so long.

Each week twelve copies of the Digest are given to the Americanization classes, called the Fort Wayne Settlement. This school is located on John street. It is conducted by the Northern Indiana Conference, and is in charge of Miss Metts of this city.

### TIMES GETS CUP

The Times also received a state cup at the Franklin convention for winning first in its class, including weekly papers and those put out oftener. It is permanent. It is the same size as the Totem cup received at Franklin.

## Honor Study Pupils Think Plan Success

Various Students in Room 86 Like Scheme for Many Reasons.

"Since no complaints have been entered against the honor study room, it must be working all right," said Mr. Harris recently.

Several of the students in the honor hall confirmed his statement when asked what their frank opinions were in regard to it.

"I receive more benefit because I can give and get help in my lessons," says Maurice Felger.

Mary Elizabeth Hughes likes it because of the novelty, since this is the first year it has been tried.

"I like it," says Margaret Pocock, "because Mr. Harris gave us permission to talk and so I can get help in my lessons if I wish."

Helene Foellinger likes it since there are privileges which one can not have in the regular study hall.

Margery Reeves and Clarice Staley also consider it a success.

"I consider it a success since students may get help if they can not get a problem in geometry or have trouble with other lessons. Then, too, students who study diligently are an example to other students," replied Virginia Danuser.

"There's not so much interruption," says Dick Wiener, in giving his opinion, and thus one can study better."

## EIGHT SOUTH SIDERS ADD TO KNOWLEDGE AT CONVENTION

(Continued from Page One)

they did not feel like they were in a "strait-jacket," for the speakers gave everyone a chance to voice his opinion.

It made us feel good when Mr. Worley, of the Indianapolis Engraving company, used our "Totem" as an example of a fine year book at one of the meetings.

Those who attended the advisors' meetings decided that they could teach journalism as well as the teachers according to some of the questions that were asked. Again we thank our lucky stars we have a teacher like Miss Harvey.

Pauline was in her element at the meeting of the resolutions committee, since Indiana was the only state represented by a girl.

The porter thought South Side sent some sweet delegates to the convention. They treated him to Mary Waynes.

We are all sorry that Miss Harvey had to leave before the banquet was over because a demonstration of the Charleston was given.

If Fort Wayne could have been located in southern California the conventionists would have brought home some more tin-ware as the Los Angeles Californians did, for having come the greatest distance to the convention.

East high school of Madison carried away the cup for giving the best stunt. Rah! Rah! Madison!

The scribes certainly enjoyed the serenade the Wisconsin Agricultural students gave them on the way from Madison to Chicago. They knew a surprising number of Indiana songs beside their own college songs.

The scribes couldn't resist the temptation to buy some pickles from the dark completed porter on the Pennsylvania railroad train when their heart attacks grew nearly beyond repair.

What wonderful faith Mildred had in the advertising manager from Lafayette when she left him carry her watch, which she had broken at the dance!

Do you suppose that Edith dropped her purse on purpose in the top of the bus in Chicago? At any rate she managed to ride several blocks with the conductor while he was helping her find it.

For full information on "What Comprises an Interesting Advertising Meeting," see Mildred at once.

The thing which to my mind made the convention a success was the willingness of every delegate to co-operate with those in charge and with each other.—C. Wyneken.

The Theta Chi fraternity is especially to be thanked for their kind hospitality which they showed to me while I stayed there.—C. Wyneken.

The convention trip and other expenses have easily paid for themselves by the note book full of ideas which I jotted down for our Totem '26 while at the convention.—C. Wyneken.

## EIGHTH PERIOD CLASS WINS ALGEBRA MATCH

Miss Fiedler's Pupils Contend; Frederick Bulmahn Heads the Winning Contestants

An interesting and exciting algebra contest took place between Miss Fiedler's first and eighth period algebra classes Wednesday, November 25, in Room 54, immediately after school. The students of the eighth period class were the winners.

The following represent the contestants of both sides in order of their work at the board:

First Period Class—Richard Bell, Martha Boucher, Ernest Simpson, Leroy Shine, Vaad Bray, William Fricke.

Eighth Period Class—Hilda Sellers, Helen Hines, Robert Nossett, Stephen Miles, Helene Foellinger, Frederick Bulmahn.

Frederick Bulmahn was the winner for the eighth period class.

### TIMES PHONE—H-3116

A phone has been installed in the Times' Room; the number is H-3116. This is being paid for by the Times and is not for use by the pupils.

gram in Gym

Over 150 girls will demonstrate their gymnasium work in the gym at the Alumni-Varsity basketball game, December 19, at 7:30 p. m. Dances, a drill, some playground games, and an exhibition volleyball game will feature the program. This is an annual event and the girls of all the gym classes will take part in the program.

**Begins With Gym Drill**  
A gymnastic drill, which will be followed by the Virginia Reel, will begin the program. Four folk dances, the Swedish dance, two Russian dances, and the American country dance, which is an ordinary square dance, will be presented. Two character dances, the Dance of the Gollivogs and the Clog dance, and "In the Waves," an interpretive dance, will also be given.

A picked team will play an exhibition volleyball game. Most of the girls for this game are members of the advanced gym classes. Team I is made up of the following girls: Gertrude Brouwer, Marjorie Mossman, Leola Foster, Ruth Wilson, Eleanor Wilson, Josephine Brothers, and Ruth Carpenter, and Team II will be composed of Winifred Englehart, Francis Koster, Wilma Krommiller, Dale Miller, Grace Hart, Hester Meek and Ruth McGuire.

**Admission Charged**  
An admission will be charged for the exhibition.

The program for the exhibition is as follows:  
Gymnastic drill—Third period class (Monday and Wednesday).  
Series of Playground Games—Fourth period class (Tuesday and Thursday).  
Swedish Dance—Open Dancer—First period class (Wednesday and Friday).  
Clog Dance, Athletic Drill—Advanced class—Eighth period (Tuesday and Thursday).  
Volley Ball, Dance of the Gollivogs—Advanced class—Seventh period (Monday and Wednesday).  
Two Russian Dances—Eighth period (Monday and Friday).  
American Country Dance, "In the Waves," interpretive dance—Second period class (Tuesday and Thursday).

**Girls In It**  
The rest of the girls who are in the exhibition are as follows:  
Virginia Hodges, Charlotte Houser, Wilma Jeffrey, Martha Jones, Audrey Keel, Wilma Kyser, Wilma Krommiller, Mary Hillis, Miles, Dorothy Niebergall, Alice Parr, Dor-

## PLAY TO BE GIVEN BY PHILAETHIANS

"Sauce For the Gossings" Will  
Be Presented in Room S  
Next Week

"Sauce for the Gossings," a comedy, will be presented by the Philaethian Literary society one day next week. The time has not been decided upon. The general public is invited to attend.

The cast, which is composed of members of the club, is being coached by Miss Demaree, the advisor of the society.

**Plot of Play**  
Robert and Elizabeth Taylor, against the wishes of their parents, are habitual users of slang. Robert has invited his boy friend, Jimmy Ward, to visit at the Taylor home and he wishes his family to make a very good impression upon Jimmy. Elizabeth, who has not yet received a bid for the junior prom, is also very anxious, for reasons of her own, to become a good friend of Robert's boy friend.

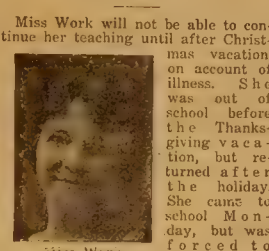

Grandmother devises a plan for causing Robert and Elizabeth to stop using slang, so she and their mother and father decide to try it.

When Jimmy arrives at the Taylor home he is very much surprised at Robert's parents' continuous use of slang. Elizabeth and Robert become so embarrassed that they finally decide to apologize for their former attitudes and they tell Jimmy the reason for the actions of their parents.

Everything again becomes straight, the son and daughter discontinue the use of slang, and to the great pleasure of Elizabeth, she is invited to the prom by Jimmy Ward.

The cast for the play is:  
Richard Taylor (the father).  
Margaret Taylor (the mother).  
Robert Taylor (the son).  
Elizabeth Taylor (the daughter).  
Martha Lee (the grandmother).  
Margaret Pocock (the aunt).  
James Ward (the son's friend).  
Elvah Gene Miller (the maid).  
Jeanette Durvay

## Latin Teacher Ill; Will Return Jan. 4

Miss Work

Mrs. Dawson, who taught at South Side several years ago, is teaching Miss Work's classes until she returns.

## SEW DOLL DRESSES AT SO-SI-Y MEETING

Girls Prepare Gifts for Settle-  
ment District Children; 75  
Persons Attend Party

"Who's got my thimble," "Just look at that arm," "Mine's going to be the prettiest." All such exclamations were heard when the So-Si-Y members met in Room 86 last Tuesday to help Santa Claus. The busy seamstresses made and dressed dolls for the children in the foreign settlement so that they might have them for Christmas.

The meeting was opened with devotions, which were led by Marguerite Schiwer, who read a Christmas thought. Ways and means committee was appointed to see that the club earns enough money to pay for the Totem picture. Marguerite Schiwer is chairman of this committee, with Mary Sherman and Thelma Gasser.

**Program Is Given**  
Marcella Shalley played some popular songs and the girls sang. Hilda Sellers played several violin selections accompanied by Marcella Shalley. Christmas carols added holiday spirit to the program. Virginia Bourns arranged the program.

About seventy-five South Side and Central girls attended the G. R. Co-ed party which was given in the Y. W. C. A. club rooms last Saturday evening. Half of these present dressed as sheikhs and took their sheikhs, sending them corsages and escorting them to and from the party.

## 125 GIRLS SIGN FOR BASKETBALL

Volley Ball Players Must Use  
Hand Ball Court; Squad  
To Be Small

Approximately 125 girls signed up for class basketball; seventy of these are freshmen, twenty-five juniors, twenty-five sophomores, and only ten are seniors. The freshmen squad was cut before the first practice, allowing only those to play at first who know something about the game. Others will have an opportunity to learn in the gym classes and may enter the squad later.

**Upperclassmen Practice**  
Junior and senior practice was held for the first time last Monday noon, and some very good material has shown up which promises a good season. These two played some general practice games.

The sophs have about the best players out so far, and the freshmen are expected to grow much better after a few more practice games. Although juniors and seniors are more scarce, many of last year's players are back who are entering into the game with "pep."

**Volleyball Games Continue**  
Volleyball has been secreted a little more now since the girls must play in the handball court, but nevertheless practices will be held twice every week. The squad will be kept small, and will finally be cut down to the two best teams. After this week they will be more organized and captains will be chosen.

## Hoagland Graduates to Buy Seals There

All freshmen who entered South Side from the Hoagland school are urged to buy their Christmas seals from that school. The school has won the loving cup for two years and if the students sell the most seals this year, the cup will be the permanent possession of the school.

## Girls' Quartet to Sing at Bluffton Debate

At the debate with Bluffton on December 11, the girls' quartet will furnish a musical program. Thelma Bireley will also sing a group of secular solos.

**Plan Spanish Carnival**  
The Spanish Club of Central high school, Kansas City, Kansas, is planning for the annual Spanish carnival which is to be held December 11.

## EIGHT-PAGE CHRISTMAS ISSUE!

Since the staff will put out a Christmas issue of the Times Tuesday, December 22, there will be no paper next Thursday. Although subscribers will receive only one more Times before vacation, they will get their money's worth because it will be an eight-page edition and will contain many features pertaining to the season.

## COACHES TO ATTEND BASKETBALL COURSE

Everett Dean, Indiana University Coach, to Lecture; A. L. Trester on the Program

Coaches Gilbert and Welborn and Mr. Heine and the basketball squad will attend the annual course on the fundamentals of basketball coaching here Saturday, December 12.

**I. U. Coach Will Lecture**  
Everett Dean, head basketball coach of Indiana University, will address the high school coaches, principals and players at the Central high school building. He will give demonstrations of plays and will also show the one-reel film, "King Basketball." He will lecture during the showing of the picture.

Arthur L. Trester, secretary of the Indiana High School Athletic association, will also be on the speaking program.

**Program Is Varied**  
The program is:  
9:30 a. m.—Coaches' school of basketball.  
10:00 a. m.—High school principals' conference.  
11:15 a. m.—Showing of one-reel film, "King Basketball."  
1:00 p. m.—"King Basketball" repeated for benefit of those who could not be present at the forenoon session.  
1:15 p. m.—Combined meeting of high school principals and coaches.  
2:00 p. m.—Coaches' school of basketball.

Two basketball teams will be used by Mr. Dean to show different types of play in the 2 o'clock meeting.

## AD SOLICITORS GET TO HALF-WAY MARK

Thirty Pages of Totem Advertis-  
ing In; Dummy Layouts Are  
Started by Editor

"We now have thirty pages of advertising, one-half of our quota," Mildred Obenour, Totem advertising manager, said yesterday. This includes on double page ad and fifteen full page ads.

Kenneth Flaig is in the lead in advertising soliciting with five pages, while Mildred Obenour, who has brought in four pages, is a close second.

Work on the "dummy," a complete lay-out of the year book, will be started this week, according to Chester Wyneken, annual editor.

## VOCABULARY CONTEST TO BE HELD IN LATIN

Latin I and II Students To Meet On  
December 16 and 17 During  
Ninth Period

A Latin vocabulary contest is to be held the week preceding the Christmas vacation. Latin I contestants will meet during the ninth period, Wednesday, December 16. Latin II students will meet the following day.

"As the meaning of the words in a language is always necessary in mastering it, the vocabulary work is the most important part," says Mr. Rothen.

The classes are working hard and it is hoped that there will be several pupils in both divisions who will remain "on the floor" till the end of the contest.

## Glee Clubs Will Sing Cantata December 20

Both glee clubs will sing the Christmas cantata "Noel" on December 20 at the First Presbyterian church. The quartet of the church will also take part.

The services will be held at night, and the singers will be accompanied by the new pipe organ. A silver collection will be taken.

## Senior Party Has Been Indefinitely Postponed

"The senior party has been indefinitely postponed," says Miss Pittenger. As no date could be procured for the party, it will not be held until after the holidays at least.

## DAVIS APPOINTED FACULTY MANAGER

Instructor Interested in Athle-  
tics at South Side for the  
Past Two Years

## CAME FROM STATE NORMAL

Ora M. Davis, mathematics instructor, will fill the position left by Mr. Greeley, as faculty manager of the Athletic Association.

He has been interested in sports of South Side ever since he became a member of the faculty, two years ago.

His has helped coach baseball in the spring, and also assisted in training the football squad this fall. During his two years he has been very popular among the boys on the various teams.

Before becoming a teacher at South Side, Mr. Davis attended State Normal at Muncie. There he was on the baseball team for four years when he played in the outfield and he was also very capable when it came to swinging the bat.

He has also proved his capability as an official of basketball, baseball, and football. He has officiated in many games in the northern part of the state in the past two years.

## ONLY ONE PERSON TO JUDGE DEBATES

New Rule Appoints One Instead  
of Three Judges; Professor  
Conkling Chosen

A new system of judging for the debates to be held at South Side has been started. There will be one expert judge instead of three as there have been in former years.

Professor Fred Conkling of Manchester College, North Manchester, will judge the debates to be held here. He has had successful experience as a debate coach at Manchester College.

Professor Conkling will not only give his decision; but he will give the reason for it, for the benefit of both the audience and the debaters.

Mr. Makey, South Side debate coach, says: "This year the judge for our debates has been selected for no other reason than his qualifications as a judge for a debate. Professor Conkling is well qualified to judge both logic and delivery. He knows what weight should be given to various kinds of evidence and what effect various kinds of rebuttal have upon the arguments presented. In brief, he is as well qualified to judge debates as our referees are to judge athletic contests."

## WRANGLERS MEETING TO BE HELD DEC. 17

Extemp Debate To Be Given By  
Members Not on Regular  
Debate Team

Members of the Wranglers who are not members of the regular debate team are planning to have an extemporaneous debate at the next meeting, which is to be held in Room 86 Thursday, December 17. There will also be a short parliamentary drill in which the whole club will take part.

The speakers on the affirmative and the negative teams for the extemp debate will be named in next week's Times. About fifteen minutes before they are to speak, the members will be told the topic for discussion. Each speaker will be allowed five minutes for constructive speech and two minutes for rebuttal.

## Indiana Celebrates 109th Anniversary

Friday, December Eleventh,  
Marks Day of State's Ad-  
mission to Union.

Friday, December 11, will be the one hundred ninth anniversary of Indiana's admission into the Union. The state constitution, as it was finally adopted, was similar in style and content to the constitutions of Ohio, Pennsylvania, Kentucky, and the United States. The most notable difference was that the Indiana constitution was the first to recognize and provide for the need of education.

These pioneers were truly interested in providing schools for their children, but at first they could not secure the necessary funds to support a school. Later, about the second season after the settlement was formed a local school house would be built by the men of the community. Such an affair would usually take on the festive aspect of a social time. The men would be divided into two teams of rival builders and the school would be built amid much friendly competition.

The day would end with the usual dance or old-fashioned dinner, as did most of the pioneers' holidays, such as shooting matches, election days, harvestings and quilting bees, weddings and log-rollings. They were a congenial, truth-loving people, those pioneers, of whom we have a right to be proud.

## A Reminder

## CLUB HEARS TALK ON POISON GASES

Mr. Brand Speaks to Math-Sci-  
entists; Wesley Felmlee Illus-  
trates Planimeters

"The first gas attack was made at Ypres, April 22, 1915, against the Canadian troops by the Germans," was Mr. Brand's introductory sentence to his subject, "Poisonous Gases Used During the World War," when he addressed the Math-Science club Friday, December 4, in room 86 at 7:30 o'clock.

"It was figured that it was cheaper to kill by gas than by shells. There were different kinds of gases used. Among the most effective was the blistering gas, because of its persistence, the time it lasted, and the suffering it caused. Remedies were tried but were not successful. The gas known as liquid fire was not of much use except to lower the morale of the soldiers. Smoke screens were also a war method to hide boats and the site of machine guns," said Mr. Brand.

The talk was illustrated by pictures drawn by the speaker and explained by him.

Wesley Felmlee demonstrated by examples how to use the planimeter, which was his topic for discussion.

"In 1814 this instrument was used for the first time. A planimeter similar to this one was made in Switzerland in 1864," stated Wesley Felmlee when he was giving the history of the planimeter.

An automobile game, and guessing games were played. Ice cream lollipops were served at the close of the meeting.

## HI-Y CLUBS HEAR TALK ON GIRLS

Miss Pittenger and Miss Lewis  
Lead Discussion on Im-  
portant Subject

At the first Hi-Y meeting held after Thanksgiving vacation, interesting addresses were given by Miss Pittenger, of South Side, and Miss Lewis, of Central high school.

"The girls of today are so capable that the boys have a hard time competing with them," said Miss Lewis. "Girls and women everywhere like boys to be courteous. If the boys want to stand well with girls they must not forget this. No matter how girls seem to be, they really admire the boy who is straight-forward and manly, who is loyal to his own home and people, and who finds pleasure in doing something worthwhile."

A spirited discussion, led by Miss Lewis, was also a part of the program.

## OFFICE PRACTICE CLASS STUDIES WITH POSTERS

Students Make Placards Showing Dif-  
ferent Business Forms; Many  
Are Artistic

Mr. Huddleston's class in office practice has been studying miscellaneous business forms, with the idea of having a definite understanding of each form. They have been studying such forms as cashier's checks, certificate of deposit, bank drafts, money order applications, and invoices.

To study each form individually, the members of the class have pasted such a form on a cardboard. With it are printed the uses and the definition of each form.

Many of these posters have been artistically decorated by several of the pupils taking art. Especially interesting are those of Violet Lehman, Dorothy Swaidner, Robert McAfee, and Velma Dull. These posters may be seen in Rooms 22 and 24.

## Many South Side Girls Work in Holiday Rush

During the Christmas rush many South Side girls are employed on Saturdays in the various department stores. Frank's Dry Goods company leads, as about fifteen girls from South Side are employed there.

The Grand Leader, Grant's, Rode's, Wolf & Dessauer's, Boston Store, Woodworth's and Kresge's employ various numbers. Several of the girls work the whole year.

## Mr. Ward's Tribute to School Teacher

Mr. Ward, superintendent of the city schools, expresses his regret for the death of Mr. Greeley and pays this tribute to his memory:

"This tribute to the memory of Phillip Greeley is rendered by a grateful school, not so much by reason of length of service as because of quality of service. He gave of his best, in the routine of class-room, and in the unpaid field of extra-curricular activity. He was one of the group of valuable men and women who year after year make sacrifice of their time, their energy and their ease, to promote the good of childhood. We mourn his passing, for men of his kind are all too scarce. But we are comforted in the knowledge that his race was well run, and that while he lived among us, he played a man's part, honorable, strong and courageous for the right."

## TICKET SALE IS REPORTED BRISK

If Enough Are Sold, Only Season  
Tickets Will Admit to  
Central Game; 900 Sold

"Season basketball ticket sale has been very strong thus far, and over 900 tickets have been sold to the students and outsiders," says Robert C. Harris, president of the athletic association. Most of the tickets sold have been for the reserved section for the Parent-Teachers' association.

**Saving Is Still Possible**  
Pupils still wanting tickets can procure them at the office for one dollar. To outsiders, the tickets reserved will be a dollar and a half. They are good for six games, but as one has been already played a saving can still be made on the five remaining games.

The teams and prices for the remaining games on the tickets are: Montpelier, 35c; Hartford City, 35c; Shelbyville, 50c; Central, 50c; and Garrett, 35c, making a total of \$2.05. A saving of one dollar can be realized if a season ticket is bought at the present time.

**Will Admit to Central Game**  
If enough season postboards are sold, only persons having them will be admitted to the Central-South Side game. No doubt, many people will be turned away from the doors on January 19, the date of the first intra-city clash.

Central high school has sold about 800 season tickets and they say they will sell 300 or 400 more. They have also sold quite a few to outsiders. "Dad" Northrup made the statement that probably only seven tickets would be admitted to the Central-South Side game.

## U. S. A. MEMBERS TO DRESS DOLLS

Tickets to Riley Theater To Be  
Sold by Club for Club  
Benefit

The girls of the U. S. A. club will sew for dolls which will be given to the poor children of the city, at the meeting today in Room 86, at 3:00 p. m. The So-Si-Y club started the dressing of these dolls at their last meeting and the U. S. A. girls are expected to finish them. Entertainment in the form of piano solos, readings, and violin solos will be presented while the girls sew. All members are asked to bring a needle and some thread.

The Riley theater is bringing "Lit the Annie Rooney," "Don Q, the Son of Zora," and "Sally of the Sawdust" back the week of December 13-19. The four high school Girl Reserve clubs of the city will have charge of the ticket sale. Part of the proceeds will be given to each club for selling tickets. A season pass will be given to the two girls who sell the most number of tickets and a second prize will be given to the girl who sells the next highest number. The price of each ticket is 50 cents and they may be obtained from any U. S. A. or So-Si-Y member. One ticket will admit a person to one play.

## Winners of Spelling Bee Given Party by Losers

A party was given last Friday after school by Miss Esarey's second period class to the fourth period students for winning the spelling match. Miss Pittenger and Miss Demaree were guests of honor.

Betty Hutchens gave three readings and games were enjoyed by all. Refreshments, consisting of ice cream, cake and orangeade.

## Students Should Place Gum in Wastebaskets

Mrs. Hoham requests that pupils desist from leaving chewing gum on the trays in the cafeteria. Waste baskets have been placed there for gum.

**Have Grab-Bag Sale**  
Pay a nickel, shut your eyes and grab! Open the mystery bag and lo! pencils, pins, coin bags and what-not-all for a nickel. Such was the method used by the office of the Central high school (Omaha, Neb.) to dispose of odds and ends left from the lost and found sale held recently. The grab-bag sale was held for four days.

**Adopt Standard Pin**  
Students of Central high school (Kansas City, Kansas) voted unanimously to adopt a standard school pin. By this plan a student can purchase a pin when a freshman instead of waiting until his senior year.

## TEAMS TO CLASH IN FIRST DEBATES HERE TOMORROW

Negative To Meet Bluffton's  
Affirmative in Room 86;  
Other Team Has a  
Word-Tilt, Too

## AIR SERVICE IS SUBJECT

"Enough Truth on Both Sides  
to Make Conviction Hard,"  
Says Mr. Makey

South Side's negative meets Bluffton's affirmative team in the first debate of the season, tomorrow at 3:15 o'clock in room 86, at the same time that the affirmative of this school debates at Bluffton.

The question to be discussed is, "Resolved, that the United States should establish a unified air service under separate control."

**Ten Minutes Allowed**  
Each speaker will be allowed ten minutes for a constructive speech and the first two to rebuttal on each side will be given five minutes for that. The two last persons rebutting will be allowed eight minutes. Two-minute warnings will be given in the constructive speeches and one-minute warnings, in rebuttals.

Gertrude Schuelke will be the first speaker on the negative; Elsiebeth Crane, the second, and Cornelia Bade, the third. Winifred Horn is alternate. As captain of the team, Gertrude Schuelke will determine the order of rebuttal.

The affirmative team, which is to debate at Bluffton, consists of Ruth Eickmeyer, captain, and first speaker, Dorothy Emrich, the second speaker, and Louise Pia tt, the third, with Thelma Gasser, alternate.

**Winners Hard to Pick**  
"There is enough truth on both sides of the question to make conviction waver," says Herman O. Makey, debate coach of this school and executive secretary of the Northeastern Indiana Debate league. "It would be difficult," he continues, "to say which of our teams would win in a joint debate, although, of course, we have our convictions."

Professor Fred Conkling, instructor of public speaking at Manchester College, North Manchester, Indiana, is to judge the debate here.

Central debates Leo's negative team at Central tonight and Leo's affirmative team tomorrow at Leo.

## JUNIOR HI-Y DISCUSS "GIRLS" AT MEETING

Initiation Of New Members Is To Be  
Held at Next Meeting  
of Club

The Junior Hi-Y clubs, in a discussion led by Mr. Locke, held a lively debate on the subject of "Girls." Plans were also made for the initiation of new members, which is to take place at the next meeting.

The club also voted to take care of the distribution of the free Christmas baskets.

Poster Newell, president of the Junior Hi-Y club of South Side, was unable to attend the meeting, because of an operation for appendicitis. Clifford Matlack presided over the meeting during Poster's absence.

## SOUTH SIDE, CENTRAL WILL GIVE OPERETTA

Both Schools to Unite in Presenting  
Light Opera in March  
Next Year

South Side and Central choruses will join in giving a light opera some time in March. The managing will be divided among persons especially fitted in that particular work. Miss Ley will have charge of the setting, Miss Suter will manage the dramatic art, Mr. Sur will have charge of the orchestral and instrumental parts, and Mr. Schafer the vocal.

"This opera will be given two evenings and by joining the two choruses a brilliant success is expected," says Mr. Schafer.

## BAND MEMBERS GIVEN ADVANCED INSTRUCTION

Scale Books Received by Horn Blowers; Also Used by Army Music School

Each member of the band was furnished with a new scale book recently. These books are of advanced instruction and the writer is William C. White, principal of the United States Army School. The students of the United States Army Music School at Governor's Island, New York, use this same instruction book for their advanced work.

## Again We Say—

Order a dozen pictures now and give them to your friends for Christmas.

## Double Duty

A good way to get your name in the papers is to make the Honor Roll, you people who crave publicity.

## Lots of Weather

How does everybody like the Christmas weather we're having? At least students can't become indolent and careless with their studies because of the intense heat.

## Enthusiasm Increased

The pep and enthusiasm at our first basketball game was a great improvement over that displayed at the football games. Keep it up, rooters, your yelling is good. Keep it up yell-leaders, your directing is novel.

## Yes, Very Wonderful

It would be wonderful if some individuals would be more considerate of their fellow men's feelings. Some persons talk, laugh, and ridicule other persons, who probably are not as presentable as they are, or who have not as much natural ability. Yet they do not seem to realize that it hurts to be made fun of or to be ridiculed. If they would only stop to think that they aren't by any means perfect, they would not be so likely to hurt other people's feelings.

## Debate Season Opens

On Friday afternoon South Side's debate season will formally open when both the affirmative and negative teams debate the Bluffton teams. The affirmative will go to Bluffton and will no doubt have a good-sized audience to speak to, but our negative team will have no such luck unless the times change this year and a lot more people attend the debates.

It is no wonder, then, that the speakers can not put the force into their speeches that should be there, for no one can talk as fluently to a bunch of empty seats as they can to a good, attentive audience.

## Have You Caught It?

Are you a victim of borrowitis—the contagious disease which has so many sufferers? The symptoms are usually indicated by a steady flow of words, such as, "Can you lend me" or "Do you have an extra." It is a very dreadful disease and along with it comes a serious weakening of the memory.

It is very dreadful from the standpoint that it is contagious. The continual favors asked by the present victims are so frequent that you get the habit from them and begin borrowing yourself—either because it seems so simple or because you have loaned everything you had and are forced to borrow.

Then comes the lapse of memory. The loaned and borrowed articles are so many that they are unable to keep account of them when other things occupy your thoughts most of the time. Persons from whom you have borrowed something, wishing to be polite, will kindly ask to borrow the same thing from you.

Yes, borrowitis is a dreadful disease, but there is a cure. The best method is to be completely supplied with all the things you need and make yourself immune from borrowing.

## NOW THAT CHRISTMAS IS APPROACHING—

## A Mite of Verse

### THE BRIDGE BUILDER

An old man going along a highway  
Came in the evening cold and gray  
To a chasm vast and deep and wide.  
The old man crossed in the twilight  
And the sullen stream had no fears  
for him,  
But he turned when on the other side  
And built a bridge to span the tide.

"Old man," said a fellow pilgrim near  
"You are wasting your time building  
here,  
Your journey will end with the ending  
today;  
You never again will pass this way.  
You have crossed the chasm deep and  
wide,  
Why build the bridge in the even-  
tide?"

The builder lifted his old gray head.  
"Good friend, in the path I have  
come," he said,  
"There followeth after me today  
A youth whose feet must pass this  
way.  
This chasm which has been naught  
to me,  
To that fair-haired youth may a pit-  
fall be,  
He, too, must cross in the twilight  
dim,  
Good friend, I am building the bridge  
for him."

Author Unknown.

## And Werser

### OUR SCHOOL

We can knock it, we can rap it,  
We can kick and we can scrap it,  
But let's advertise our school another  
way;  
Let's commend it and defend it  
Till the world shall know we mean  
just what we say.

We can rake it, we can break it,  
We can make it or forsake it,  
Just by the way we talk about our  
school;  
We can boost it, we can shove it,  
We must talk it, we must love it,  
Let us laud it and applaud it,  
If we want it to go up instead of  
down.

Why not sing and shout its praises—  
Mention all its happy phases—  
Show the universe the best school on  
the map?  
Boost it at the store or table—  
All together now—let's boost—"can"  
the rap.  
Boost it when and where we're able—  
—Ex.

## In the Stone Age

Wednesday, December 6, 1922—  
Jack Clayton and Ivan Rinehart wait-  
ed patiently for the elevator to take  
them up. The iron grating across  
from the main entrance fooled them.

Thursday, December 7—Compo-  
meters, calculating, and adding ma-  
chines were installed in the Commer-  
cial department.

Friday, December 8—South Side  
opened its net season with a home  
game with Shortridge of Indianapo-  
lis. The final score read 8-7, favor-  
ing South Side.

The sixth period classes recited at  
open house.

Saturday, December 9—George Si-  
mon and Ed Wilson were the high  
point winners for the Junior Hi-Y,  
which enabled the club to retain the  
banner.

Sunday, December 10—South Side  
was dedicated. An elaborate pro-  
gram was given to a big crowd. B.  
J. Burris, state superintendent of  
schools, gave the address.

Monday, December 11—The Totem  
staff was completed. (Do you re-  
member when Martin Reiner was edi-  
tor; Hilda Schrier, business man-  
ager; Margaret Iler, advertising man-  
ager; and Gustav Rump, circulation  
manager?)

Tuesday, December 12—Mr. Shafer  
holds practice for the Christmas  
cantata, "Noel."

## The Dean Says

There has been a good beginning in improving our social  
habits in the halls. We appreciate your co-operation. Why not  
extend our practice to street car habits? You will find the rules  
of the game in the December 10 issue of the Times.

Martha McCullough

## SOUTHERN SPICE

### ON GETTIN' STARTED

If we're to continue getting out this Southern Spice  
column during these cold days, we think that the "man-  
agement" ought to give us a free trip to Florida each  
week-end. It's about as hard to get started as the balky  
flivver that Don McLucas tried to crank last week.

Since the aforesaid Don has been going around with  
his arm in a sling, the fair dumsels have been wonder-  
ing whose car he was operating on when the "kick" came.  
The jealous things! Just for that we're not going to  
tell you.

### TUF LUCK

Now the boys have a new excuse for being absent.  
"My sisters are wearing my socks."

The near-sighted persons must be having a terrible  
time deciding whether the girls are wearing flesh-colored  
hose or "natural" hose under the sloppy socks. Several  
boys say that they haven't been able to study their les-  
sons because their eyes have been so badly strained in  
determining this question.

### IN ABOUT BEN'S PLACE

Paul Straight (in inquiring about Miss Demaree's book  
list): "What's this 'Browsing List'?"  
Jack Clayton: "A drowsy list? Say, put me on it!"

### A LATE INTRODUCTION

Mr. Voorhees: "So you don't know what sodium  
stearate is?"  
Draker Lombard: "No, sir. What is it?"  
Mr. Voorhees: "Soap."

### A CLEAN SHEET

Mary has  
A little slam  
For everyone  
And so  
The leaves  
Of her  
Engagement book  
Are  
Always white  
As snow  
I thank You,  
Ike.  
—NUF SED

McCormick (enthusiastically): "What's the matter  
with Nulf?"  
DeHaven: "Nothing!"  
Wardo (not knowing what the conversation is about):  
"Who's nothing?"  
DeHaven: "Why, Nulf, of course."

### WHY WORRY OVER EXAMS?

You have two alternatives. Your professor is either  
easy or hard. If he is easy, you have nothing to worry  
about. If he is hard, you have two alternatives: Either  
you study hard or you bluff. If you study hard, you  
don't need to worry. If you bluff, you have two alter-  
natives: Either your bluff works or it doesn't. If it  
works, you don't need to worry. If it doesn't, you have  
two alternatives: Either you are conditioned or you  
flunk. If you are conditioned, you don't need to worry.  
If you flunk, you won't have to worry any longer. There-  
fore, why worry?  
—Picks.

### FRIENDSHIP

Make new friends, but keep the old,  
Those are silver, these are gold;  
New-made friendships, like new wine,  
Time will mellow and refine.

Friendships that have stood the test  
Of time and change are surely best;  
Brow may wrinkle, hair grow gray,  
Friendship true knows no decay.

For 'mid friends, the tried and true,  
We once more our youth renew,  
But, alas! old friends may die,  
New friends must their place supply.

Cherish friendship in your breast,  
New is good, but old is best;  
Make new friends, but keep the old,  
Those are silver, these are gold.  
—Unidentified.

### EASY ON PHIL

Mr. Makey: "Now this is a very easy sentence, so  
I'll ask Phil to explain it."

Mr. Harris, after his long experience as a hunter, has  
come to the conclusion that rabbits always have shiny  
noses because their powder puffs are at the other end.

### SLIGHTLY DELIRIOUS

Ruth Eickmeyer (to Miss Harvey, ill at the hotel):  
"The doctor's here now."  
Miss Harvey: "I can't see him. Tell him I'm sick."

Miss Fish (in Latin): "What is our lesson today?"  
Hopeless Freshman: "The fourth congregation."

We think the athletic management had the real  
Christmas spirit in lining up the Red Auburn team to  
play the Green South Siders. But, Oh! Where was  
Santa Claus?

### THEY ALL HAVE IT

How did teacher know I copied?  
The flunker asked with superstition.  
Aio, she saw you looking sideways,  
The rest was woman's intuition.

Pretty girls ought to make good brakemen, because  
they're always switching our train of thought.

"The skin I love to touch," said Jimmy Wilson, as he  
grabbed the basketball and shot a goal.

### UTTERLY SO

They say nothing is impossible, but did you ever try:  
To pass a chemistry exam without studying?  
To run in the halls by room 32 and get by with it?  
To try to get your locker open without a key?  
To try to get into Miss McCloskey's room after the  
bell has rung without a permit?  
To get meat, potatoes, salad and ice cream in the  
cafeteria on a lone dime?

### TODAY'S BEST JOKE

Pierce Summers saying: "Wake me up at 6 o'clock,  
mother, I've got to study."

### PROBABLY HIS MOTHER-IN-LAW

Judge: "You admit that you were going at fifty miles  
an hour?"

Motorist: "Yes, Judge, but you see I was taking a  
friend to the station."  
Judge: "Oh, well that's all right then. We are told  
to speed the parting guest."

Suitor (at the door): "Is May in?"  
Maid (haughtily): "May who?"  
Suitor (peevish): "Mayonnaise!"  
Maid (shutting the door): "Mayonnaise is dressing."

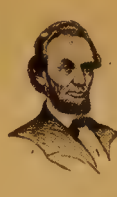

### SECOND-HAND

"I've just shaken hands with Rudolph Valentino."  
"Oh, dear! May I hold your hand?"

J. F.: "Why do watermelons have so much water  
in them?"  
Elmer L.: "Because they are planted in the spring."

### FAMOUS LAST LINES

"I DON'T KNOW WHERE I'M GOING, BUT I'M  
ON MY WAY!"—Christopher Columbus.

### In His Own Snare

By Andre Wehrle

It was a bright and sunny October afternoon when the fashionable and wealthy pleasure seekers of the gulf began to assemble at the noted resort of El Dorado for the famous events of the De Villes Cup Race for aeroplanes which was scheduled for the following day. This race was by far the most important sporting event in Florida. It was an annual affair held in the middle of the autumn season, after the Henry Acton Trophy Races, and the prize was the gift of Mr. Alfred De Ville, an eminent sportsman.

The Henry Acton Trophy Races had been won by the popular favorite of air racing, George Dennis. Dennis had shattered all former records of speed, altitude, and endurance. He was an able and skillful pilot, and because of his former victories he was popularly chosen as the favorite of the next day's races. He was honest, sincere, and good-natured. Also, he was a very close friend of the De Ville family.

However, Dennis had several envious competitors who, jealous of his many victories, planned to wrong him. Foremost among these was Hubert Finan, fiancé of Mr. De Ville's only daughter, Miss Helen. Because he had not been able to win a race and so make himself favored by Mr. De Ville, Finan was especially jealous of Dennis' many victories. He knew he could not win a race when Dennis was entered, and therefore he thought of the ways by which he could force Dennis out of the race, or better, destroy him.

After thinking of the many ways by which he could impair Dennis' machine, he thought the best would be to loosen one of the wheels. This would mean certain death on the part of the one who was landing. Accordingly, late in the afternoon at nearly sunset, he sent his mechanic, Harold Steele, to pull out a pin in one of the landing wheels of Dennis' plane.

"The job is finished," said Steele to Finan as he was returning from Dennis' machine.

"Good," replied Finan. "I guess the man who goes up in that plane will never land alive. Don't forget to be on hand early tomorrow morning. I am going to the clubhouse for a little while, and then I will retire."

"All right," answered Steele. "I'll see you early tomorrow."

Miss Helen De Ville, like her father, was an aeroplane enthusiast and enjoyed driving an aeroplane very much. She had been taught how to operate an aeroplane by Mr. Dennis; and she took daily practice in plane driving, until now she had become very efficient in controlling a plane. Miss De Ville had been desiring for over a month to take Mr. Dennis' new machine up, and she was tiring him with requests to try his new plane. She had received an answer, however, two weeks before. He told her that she could fly the plane if he won the Acton Races, which he had easily done. This afternoon was Miss De Ville's first venture out of doors this week, as she had been confined in her home with a slight cold since the Acton Races.

"Good afternoon," Dennis. May I take your plane out for a little while? You remember you promised me that you would if you won the Acton Races."

"It will be dark in an hour; but, if you are not up long, you will be able to land easily. It is very hard to land after dark."

"Oh, I won't be gone long."

After putting on her coat and helmet, she started off. Steele, who happened to be in the field, saw her take off. He ran after her and tried to warn her of the loosened wheel, but she did not hear his cries.

Steele rushed to the clubhouse where Finan was playing a game of cards.

"Miss De Ville has gone up in Dennis' damaged plane," he whispered to Finan.

"My God, what shall I do?"

Finan walked out to the field and saw the plane high above him. His only hope was that the wheel would not come off; but, after she started to encircle the bay, the wheel slid off the

axle and dropped to the ground. A shudder ran through him that shook his frame. How could she possibly land? The night was fast approaching! To land meant certain death! She circled about several times and slowly descended to land—with one landing wheel off!

"Doesn't she know the wheel is off?" he said to himself. "What can I do to save her?"

Slowly the plane lowered! He stood horrified. He could not move. He was witnessing a murder—which he himself had committed—and could do nothing to save her. A deep feeling of remorse overcame him. The plane came to the ground. Crash! He ran to the fallen machine.

"Where is she?" he cried. "Where is Miss Helen?"

He was terrified and alarmed. He was overcome with anguish and grief. Where was Miss De Ville?

Hubert Finan's fiancée was crushed under the debris, a result of his own action.

### Who's Who

Mary Hale is our victim (?) for who's who this week. This junior is the type of person we enjoy telling about, for she has so many exceptional features which easily identify her as Mary Hale and no other Mary. As society editor of the Times she writes up all about the good time you had at that party and how many courses were served.

Tossing her curly head and showing the sparkle in her eyes she raves incessantly during her spare moments about those friends (or perhaps "a" friend) who lives in Ohio but makes frequent visits to Indiana.

But Mary does not neglect her studies. She is one of the three South Siders to make the mid-term Honor Roll with five A's. She is taking English, two histories, geometry, and French.

Mary went to Madison, Wisconsin, to the C. I. P. A. convention with the Times and Totem delegates and it was lots of fun to be with her.

### In Other Schools

**Has Largest Campus**  
The campus of the Pasadena high school is the largest and best in Southern California, and there may be a fine library and auditorium built on it in the near future.

**Use Socks Oddly**  
The football boys of the Topeka high school, Topeka, Kansas, have a clever way of keeping warm. They wear their football socks as chokers.

**To Have Big Paper**  
Janesville (Wis.) high school is to print a record paper for their homecoming newspaper; it is to be ten or more pages and contain the history of the Janesville and Beloit teams and of the games with Beloit in the past. This is the big time of the year for Janesville when they have their regular home-coming.

**Enters First Debate**  
Central high school, of Detroit, Mich., is to have the first debate of the season, sending their negative squad to Eastern high school. The child labor issue is to be discussed. Each school will finish their whole round of debates and the winner judged from the one winning the most debates, instead of being eliminated the first time a debate is lost as has been done before.

**Hold Popularity Contest**  
West Chicago high school is going to hold a contest to decide who is the most popular girl. It is to be conducted by each week having a coupon in the school paper which is worth one hundred votes and persons who have yearly subscriptions will have 1,000 votes. At the end of the contest a dance will be held in honor of the girl chosen as the most popular.

**Fire Sirens Installed**  
Central high school, Muncie Ind., has installed two fire sirens. Both of these sirens are located on the lower floor of the building. They are different from the usual bells, both in sound and appearance, and are controlled by switches placed on every floor. The state fire marshal ordered the school to install them and the electrician class did the installing thus saving the school about 50 per cent of the cost.

**Use Effective Story**  
The following story was used at Commercial (Atlanta, Georgia) high school to increase their subscription list: A boy who was not a subscriber to the Co-Ed went walking in the woods one day and a big bear got after him. The boy crawled into a hollow log to get away from the bear. The bear went away but the boy couldn't get out of the log. Realizing that he was going to die he thought of all the mean things he used to do. He thought how he used to borrow other boys' Co-Eds instead of subscribing himself. He felt so little that he crawled out of the log and went home. This is the only time a pupil ever profited by not subscribing to a school paper.

### Alumni News

Ralph Welch attended the Sigma Alpha Sigma dance at Muncie last Saturday.

Virginia Gaskins, '24, who is now attending Ferry Hall, Lake Forest Ill., was elected treasurer of the graduating class recently. Virginia will graduate in June.

**Banking Contest Started**  
A banking contest has been started in the Martinsville (Ind.) high school, a silver loving cup being the prize. Five cents is the least amount that can be banked and be counted in the contest. The boy having the largest per cent of depositors one week will receive the cup and may keep it until next bank day. If that room does not have the highest per cent, the next week it will be passed on to the one that does. At the end of the year, the room having had it the greatest number of times will receive it as their prize.

**Has Song Contest**  
The Fort Collins (Colorado) high school is holding a song contest. A \$15 prize is offered for the best. Any tune may be used.

Answer No. 1—A good student does not sit on his collarbone and fiddle with his pencil during class.

Answer No. 2—It is against the rules of the school and ordinary common sense safety rules to run in the halls.

Answer No. 3—Sleep at home. Class rooms are for recitations, not for snoring parlors.

Answer No. 4—Only silly saps pass notes in class.

### Energy, Time and Speed Expended in Publishing "First in America"

General Manager Oversees, While Editor, Copy and Make-Up, Society, Exchange, Alumni, News and Sport Editors Work Hard; Business and Advertising Managers Also Help:

It takes a lot of hard work, a lot of time, and a lot of speed to make the Times wheel revolve twenty times a semester to turn out the school paper. But after each issue is completed all the spokes give a sigh of relief and satisfaction as they admire their finished product.

No sooner does the paper come on Thursday morning than the editorials, Southern Spice, and features for the second page must be in that evening for the next issue. All assignments have been made by the news editor for the reporters who in turn check them out. Their check is a pledge that they will get them in for the day they are due. The cartoonist brings in his drawings and they are immediately sent to the engraver.

Slowly the wheel turns as they start collecting "dope" for their "stories" and produce it in readable and journalistic form. The copy editor develops the articles to more perfect form when she has to put in all the commas, periods, and other necessities that the cubs leave out. She even has to write over a whole story occasionally because the newer reporters can not write perfect ones yet.

Every omitted comma, every sentence error, every mistake in statistics—in fact every poor story retards the motion of the wheel. By Friday evening the first "mess" of copy goes to the typesetters, to be set.

**Solicitors Chase Ads**

Over the week-end, on Monday, and Tuesday the advertising manager, her assistants and the solicitors wear out their shoe leather "chasing ads" all over town. They have to work hard for their results and they must do a great deal of weary tramping because busy advertisers say they haven't time or they forgot to ask the manager or they didn't get the copy ready yet.

While some solicit ads others collect the money for them. The business manager makes out the statements and assigns them to collectors in the journalism classes. They like to do this because they get five points apiece if they get the money.

The exchange editor carts home a bundle of papers from other schools and she writes articles on their activities that are of interest to South Siders.

**Monday Busy**

"Write a 'five head' for this," "Find out if this is right," "How do you spell 'Schmalzried'?" "Is the paper ordered?" "What did you do with my story," accompanied by the ticking of the typewriters, are the varied ejaculations and noises heard in Room 20 on Monday, for that is the busiest day for the scribes.

**Tuesday Is Deadline**

Tuesday is the wind-up day for that issue—at least for part of staff, and everything must be in that evening. The make-up editor must go into Room 20 early the next day to make up the front page. All the other pages are made up the evening before.

Edgar S. Hill prints the paper at the Central printshop, on Wednesday with the help of Cardinal Michelle. By five o'clock, if nothing has happened to cause any unforeseen delay, the Times comes off the press ready to be folded. The circulation manager gathers up a crew of willing workers to get the papers ready for distribution.

On Thursday morning the agents go to the "cage" to get their bundles of papers and all that have paid seventy-five cents for the "best in Indiana" and "one of the four best in the United States" have the privilege of reading the school's news from a paper put out by their fellow students.

### With the Classes

Miss Ley, art teacher, was served at lunch by the 10-A cooking class on Thursday.

The freshman cooking classes, under the instruction of Miss Spake and Miss Mendenhall, served a series of luncheons last Wednesday.

Miss Demaree gave her seventh period class a final examination on Burke's "Conciliation with America" last week.

Mr. Makey's first hour class is now studying "Macbeth."

Miss Work's Vergil class has begun the translation of the second book of the Oeneid.

Howard Welsh was absent from school for several days last week because of illness.

The manual training department is beginning to resemble a furniture factory. The students are making cedar chests, telephone stands, end-tables, radio cabinets and many other articles that can be used to advantage around the home. The students say the work is very interesting. It is great fun to be able to make furniture just as good (or almost as good) as that made in furniture factories. The students are invited by Mr. Arnold to see the work done in the shop and also watch the different projects during the making. The manual training department expects to have an exhibit in the school this semester.

The mechanical drafting classes are doing some very fine drawing. The 10-A class are designing boats and making use of conventional standards. The 10-B class is making working drawings.

Miss Fiedler was absent from school Monday on account of illness.

Miss Smeltz's United States history classes have handed in maps with the different land purchases outlined.

Miss Harvey returned to school last Monday after a week's illness. Her history classes were taken by Miss Smeltz, Mr. Murphy, and Mr. Schmalzried.

Mrs. J. Weber, supervisor of art at Huntington, Ind., visited the art department last Monday morning. She looked over many of the things the girls were doing or had completed. She was very much interested in the work of the department.

### Do You Know? "HOW TO STUDY"

The Students' Hand-Book of Practical Hints on the Technique of Effective Study

—by—  
WILLIAM ALLAN BROOKS

A GUIDE containing hundreds of practical hints and short cuts in the economy of learning, to assist students in securing MAXIMUM SCHOLASTIC RESULTS at a minimum cost of time, energy, and fatigue. ESPECIALLY RECOMMENDED for overworked students and athletes engaged in extra curriculum activities and for average and honor students who are working for high scholastic achievement.

### SOME OF THE TOPICS COVERED

Scientific Shortcuts in Effective Study	The Athlete and His Studies
Preparing for Examinations	Diet During Athletic Training
Writing Good Examinations	How to Study Modern Languages
Brain and Digestion in Relation to Study	How to Study Sciences, Literature, etc.
How to Take Lecture and Reading Notes	Why Go to College?
Advantages and Disadvantages of Cramming	After College, What?
	Developing Concentration and Efficiency
	etc., etc., etc., etc., etc., etc.

### WHY YOU NEED THIS GUIDE

"It is safe to say that failure to guide and direct study is the weak point in the whole educational machine. Prof. C. M. Whipple, U. of Michigan.

"The successful men in college do not seem to be very happy. Most of them, especially the athletes are overworked." Prof. H. S. Canby, Yale.

"Misdirected labor, though honest and well intentioned may lead to naught. Among the most important things for the student to learn is how to study. Without knowledge of this his labor may be largely in vain." Prof. G. F. Swain, M.I.T.

"To students who have never learnt 'How to Study,' work is very often a chastisement, a flagellation, and an insuperable obstacle to contentment." Prof. A. Inglis, Harvard.

"HOW TO STUDY" will show you how to avoid all misdirected effort. Get a good start and make this year a highly successful one by sending for this hand-book and guide NOW.

### YOU NEED THIS INTELLIGENT ASSISTANCE

## GREEN AND WHITE CAGERS DEFEATED IN FIRST CONTEST

Auburn High Wins Fifth  
Straight Victory of the  
Season by 30 to 19  
Count

### FUNK AND SNYDER STAR

South Side Shows Excellent Re-  
serve Force; Large Crowd  
Present at Game

South Side lost her opening game on the hardwood to Auburn last Saturday night in an interesting game, 30 to 19. The scarlet clad quintet presented a strong array of sharpshooters and after the first few minutes of play gradually drew away from the Fightin' Green.

Capt. DuWan

Snyder and Funk were the stars for the Auburn crew, each getting five baskets. The former played the entire game and seemed to be all over the floor at the same time. He was a crack shot from mid-floor and garnered two from near the center. Funk also was a long range shooter and brought the crowd to its feet when he sent one through the net from the center of the floor. Walter and Hetrick, guards, kept the South Side offerings shooting from long range most of the time and Huddlemeir proved to be a very good pivot man in eluding the Green and White guards.

#### All Score

The scoring honors from the field for the Wardoites were evenly distributed among Captain DuWan, Willson, and Sprunger, who bagged a pair of markers apiece. Nulf was the only other South Sider who caged one from the field. The team as a whole played good ball considering the fact that it was South Side's first contest of the season. The Fightin' Green got about as many shots at the basket as Auburn did but were not able to make them stick, many bouncing off the rim. This was one of the Kelly Klad's outstanding weaknesses in all the contests of the evening and can be overcome with a little more practice.

#### Auburn Has Five

The Auto City netters, with a string of veteran tournament players, came up to all predictions and went away from here boasting of five straight victories with the scalp of South Side hanging on its belt. DuWan started the basketball season for South Side when he broke the ice for the first goal he scored from underneath the basket. Huddlemeir came back with a goal for the visitors but Willson sent South Side into the lead with a basket which didn't touch the rim.

#### Auburn Leads

But the lead was short-lived as Huddlemeir sent one through the net from mid-distance and put Auburn ahead soon after with a follow-up shot. Snyder scored for the first time to increase Auburn's lead to four points. DuWan registered his second basket and Wambegans, Nulf, McCormick, Distel and Grodrian were sent into the game. This was the first time these players had ever played varsity basketball and they showed up creditably, holding the visitors to a five-point lead at the half, which ended 12 to 7.

#### Second Half

Funk opened up the scoring in the second half with a thriller from the center of the floor. Walters made a free throw and Nulf dropped the leather through the net for the first time in varsity competition. Huddlemeir then came back with his second basket and Willson made the two free throws count. As the game neared the close, Auburn gradually drew away from the Green and the final score was Auburn 30, South Side 19.

#### Line-up and summary:

AUBURN (30) SOUTH SIDE (19)  
Huddlemeir F Willson  
Snyder F Simon  
Funk C DuWan  
Walter C Sprunger  
Hetrick G DeHaven

Field goals: Funk 5, Snyder 5, DuWan 2, Sprunger 2, Willson 2, Huddlemeir 2, Nulf, Walter.  
Free throws: Willson 3, Walter, Huddlemeir, DuWan.

Substitutions: Wambegans for Willson, Nulf for Simon, McCormick for DuWan, Distel for Sprunger, Grodrian for McCormick, Willson for Wambegans, Simon for Nulf, DuWan for McCormick, Sprunger for Grodrian, Weiner for DuWan, Baker for Huddlemeir, Spott for Funk, Huddlemeir for Baker, Funk for Spott.

Referee: "Jimmy" Hale (Anderson).

## Sport Shorts

Although the team lost they looked like winners to us.

Sports Onceover must consult a fortune teller to guess the results of South Side's games, as he has surely hit the mark.

They came out in red sweat clothes (our Kingdom for a bull).

Gerry DuWan had the honor of making the first basket of the season.

In comparison with the other crowds, South Side supported the team real well last Saturday.

The yelling was also good. Keep it up, Gang! Only more so!

Two of our future opponents met the other night when Shelbyville downed Rushville.

The crowd that was there surely saw enough basketball with four games being played.

Just to remind you that the last 400 season tickets have been ordered. DO YOUR TICKET SHOPPING EARLY!

And did you see Timah's shiner? He has a perfectly good alibi, though, cause an Auburn guard socked him in the occlus with a flying elbow.

Generally you hear such bedtime stories as running into a door when such regular accidents happen as black eyes.

Tomorrow night 's the time the whole school must be here again. Reason: Montpelier.

Red Grange remarked the other day that his successor would probably be Frank Robertson. (Note: Our weekly bedtime story.)

### MOB MONTEPELIER, MEN!!

## CENTRAL TO PLAY MUNCIE SATURDAY

Tigers Will Have Two Games  
This Week-End; Meet De-  
catur There Friday

The Central Tigers will get into action this week-end, stacking up against the Decatur Yellow Jackets on Friday and meeting the Muncie Bearcats on the following night in the South Side gym.

It is thought that the Tigers will have little trouble in downing the Decatur five after the account the Tigers gave of themselves in last week's games.

#### Decatur Appears Weak

Somewhat the Yellow Jackets have not been able to hit their stride this season. Last week Decatur lost to Auburn and the week before lost to Ossian. However, it is expected the Yellow Jackets will give the Tigers a game battle, and may change their stride to a win.

#### Muncie Will Test Tigers

On Saturday the Muncie Bearcats will pay the Tigers a visit. This game is expected to be the best game played here so far this season. Muncie comes with a veteran team, and with a clean slate. In the Bearcats' opening game, they defeated Stoney Creek, and last week annexed a decisive victory over Ligonier to the count of 69 to 6.

This game marks the first meeting of the Purple and White with the Blue and White of Port Wayne and will no doubt be one of the most hotly contested games on the Blue card. This game will also give the fans a chance to see what kind of a team the Tigers really have.

#### Hi-Y To Entertain

The Hi-Y at Salina (Kansas) high school is to have an Oriental Minstrel some time this month.

#### Culver Is Honored

A charter of the Cum Laude society, national honorary scholastic fraternity, was conferred on Culver Military academy Sunday, November 15. The group of ten of the student body is elected for membership in the organization, and the pin worn is similar to the Phi Beta Kappa key.

## TIGERS EMERGE WINNERS TWICE OVER WEEK-END

Central Cagers Lead Oppo-  
nents; Warsaw and Hunt-  
ington in the Season's  
Opening Games

### SCOTT, JASPER PILE POINTS

Stellar Playing of Two Net Men  
Is Outstanding Feature of  
Both Games

The Fighting Tigers of Central battled their way to a 36 to 23 victory over the strong Warsaw team Friday night in the opening game of the season. The following night the Tigers journeyed to Huntington and copped their second straight by taking Huntington into camp to the count of 33 to 23. Scott and Jasper proved to be the outstanding stars in both contests, connecting with the basket consistently.

In the Warsaw game the first half was an even break, as the score sawed back and forth during the entire first half. In the second half Central hit her stride and maintained the lead throughout the contest.

#### Scott and Jasper Stars

Scott and Jasper were the main factors in the Blue scoring machine, getting down under the basket for short shots time after time. Warsaw proved to be an even stronger team than was expected, and it was only through a fast passing offensive play that the Tigers were able to beat them in the second half.

Scott led the Blue with five field goals and two free throws and Jasper came second with four field goals and two free throws. Baker and Morrill found the mark for two field goals apiece in the second half, while Manth and Stiegler, although playing a good floor game, were unable to tickle the draperies consistently.

#### Four Free Throws

After the first five minutes of play Central registered four times on free throws. Ward was first to make a count from the field for the visitors. The score sawed until the final minutes of the first half, when Central managed to bring the count to 19 to 16 in their favor before the half ended.

Central started with a fast pace in the second half and maintained its pace throughout the remainder of the game. Through good team work they brought the final count to 36 to 23.

#### Central Swamps Huntington

The following night Central won its second straight victory by defeating Huntington by the score of 33 to 23. In this contest the Tigers proved they had a much stronger combination than the Vikings. Their defense held the Huntington scorers at bay, while their offense was setting a terrific pace at scoring.

Smith started the scoring for Huntington with a free throw, but Central soon overcame the lead by starting their strong offense and soon were out in front. Central had a comfortable lead at the end of the first half, when the score was 24 to 11. In the second period the Tigers had little trouble holding their lead, and played on the defense most of the time.

Scott and Jasper again proved to be the stars by getting six and four field goals respectively. Later in the game Jasper and Manth were forced out on personals and their places were pleasingly filled by Troyer and Morrill. Baker also got into the game in the second half. Stiegler and Ramsey played a fine defensive game.

## S P O R T G U S H

And now that we've arrived at "Basketball City," let's see all the sights.

Let your season ticket be your fare on the sight-seeing bus in South Side's gym.

Auburn didn't go to sleep in spite of the fact that they wore pajamas (7).

Turn about's fair play, so let's send Montpelier down the mountain and take the first landing for ourselves.

Gotcher tickets for the G. E.?

No, that doesn't mean a working permit for the General Electric Co., but it does mean a ticket for the Gym Exhibit.

About 13 per cent of our student body will do their bit by taking part. Let's see that the other 87 per cent get there at 7:30 to see it, and then stay for the game.

Please accept our most humble apology, juniors. Win the next tourney and we'll make it O. K.

The freshman basketball gang is some mob. Just think, they can't all practice at the same time.

All the girls' teams have good material and with lots of practice they ought to have some lively tourney.

#### Reserves Win

The Central reserves beat the Decatur reserves Friday night, 24 to 16, and Saturday downed the Huntington reserves, 24 to 17.

#### Varsity Games

## MANUALITES DEFEAT WEST NEWTON FIVE

Indianapolis Team Wins Lopsided  
Game With Score Ending  
44 to 24

The fast flying colors of Manual triumphed over the West Newton basket quintet at West Newton with a lopsided score of 44 to 24 last Friday. The accurate shooting of the invaders won the game for them. The game started off with a flash, Rubush, of Manual, scoring three field goals in a minute.

West Newton came back and took the lead. They held this until the Manualite forwards started to work. From then on it was Manual's game. South Side plays Manual February 19 at Indianapolis, and from the scores Manual has been running up on their opponents, Gilbert will have to have a good squad to set them back.

### Frankforters Drop Kokomo's Quintet

Frankfort, state basketball champions, defeated Kokomo at Kokomo last Friday by the score of 41 to 23.

Kokomo's spectacular rally in the closing minutes of the game was not enough to overcome the big lead that Frankfort's "Fighting Five" had accumulated in the first half.

The game started with a rush, with Kokomo outplaying the Casemen, but Frankfort sent in Skidmore to replace B. Good and Frankfort braced. They soon located the basket to tie the score and to pull into the lead which could not be overcome by the Wildcats of Kokomo.

### Wardo Gilbert Referees Game at Columbia City

Coach Wardo Gilbert refereed the Columbia City-Albion game Friday at Columbia City, which the Columbia City team won, 33 to 19. The half ended 19 to 2 in favor of Columbia City.

#### Junior Girls Win

The junior girls won the volley ball tourney over the sophomores instead of vice versa, as in last week's times. The scores were 21 to 4 and 21 to 18, both games being won by the juniors.

# MONTPELIER QUINTET TO MEET GREEN CAGERS HERE FRIDAY

## NOT MUCH KNOWN OF OIL CITY LADS; BATTLE EXPECTED

Down State Team Has Good Record; South Side Squad in Good Shape

## BOTH TEAMS CONFIDENT

Green and White Netters Have Been Practicing Hard In Preparation for Game

South Side tackles its second opponent on the hardwood next Friday, when she combats the strong Montpelier quintet at the South Side gym. The Oil City five has been going fairly well in their opening games. So far they have defeated Bluffton, Hartford City and lost to Liberty Center. They also lost a game to Hartford City in a return game. They have a good forward in Hoskins, who has been going exceptionally well in his last few starts.

**Squad Practices Hard**  
The South Side net squad has been getting in some very hard basketball sessions the last few days and appears to be rounding into old-time shape again. Every player, except DeHaven, came out of the game played Saturday with nothing but a few minor bruises and all seem ready to go. DeHaven has his right eye closed up by an injury.

Coach Wilson's men will come here Friday primed for a victory over the Green, and the South Siders will have to step to win.

The probable line-ups:  

Montpelier	South Side
Miller	F
Hoskins	F
Wallsmith	C
Needler	G
McGeath	G
	Willson
	Simon
	DuWan
	Sprunger
	DeHaven

## GYM CLASS TEAMS IN SECOND ROUND

Lightweights Play Monday and the Heavies Battle Friday Afternoon

CLASS STANDINGS			
Lightweights—	Won	Lost	Pct.
A	0	1	.000
B	1	0	1.000
C	0	1	.000
D	0	1	.000
E	1	0	1.000
F	0	1	.000
G	1	0	1.000
H	0	1	.000

Heavyweights—	Won	Lost	Pct.
A	0	1	.000
B	1	0	1.000
C	0	1	.000
D	0	1	.000
E	1	0	1.000
F	0	1	.000
G	1	0	1.000
H	0	1	.000

The heavyweights in the gym class basketball tournament got into their opening contest Friday afternoon, which was featured by the overwhelming defeat of L at the hands of K by the score of 25 to 1. G and H played a very fast floor game with G finally winning out by the score of 18 to 6. Dickie starred for G by making five points, with Springer and Adams close behind with four points each. Talmage was the best for H, getting four of their six points.

**K Swamps L**  
In the second game the K team defeated L, 25 to 1. Omerod was the star for K, getting five field goals, while Dull came a close second with four, netted from the field.

Teams A, D, F and J lost by a forfeit to teams B, C, E and I, thus forcing them to the bottom of the win column.

The lightweight games which were played Saturday morning were won by H and C, B winning their game by a forfeit. C dropped D by the score of 8 to 0.

**Summaries**  
The line-ups and summaries:  
G (18) H (6)  
Adams F Rurde  
Dickie F Rurde  
Springer C Talmage  
Knacke G Gassett  
Coblentz G Hay  
Field Goals—Adams, 2; Dickie, 1; Springer, 2; Coblentz, 1; Leips, 1; Talmage, 2. Free Throws—Coblentz, 1; Dickie, 1.  
K (25) L (1)  
Dull F Vaughn  
Kaufman F Schulz  
Hankie C Griener  
Omerod G Bonter  
Berling G Blank  
Field Goals—Dull, 4; Kaufman, 2; Omerod, 5; Hankie, 2. Free Throws—Vaughn, 1; Hankie, 1.

Friday, December 11  
The schedule for the following week is as follows:  
Heavies—  
A vs. C—4:30 p. m.  
E vs. G—4:40 p. m.  
I vs. K—5:00 p. m.  
B vs. D—5:10 p. m.  
F vs. H—5:30 p. m.  
J vs. L—5:40 p. m.  
In the lightweight teams the schedule is as follows for Monday, December 4:  
D vs. H—4:30 p. m.  
C vs. F—4:40 p. m.  
B vs. E—5:00 p. m.  
A vs. G—5:10 p. m.

## Nine Qualities Should be Expressed In Action in All Phases of Sports

Each Attitude Has Four or Five Methods of Expression.

A summary of the nine qualities that are expressed in action on the playing field or floor, in all kinds of sports, has been compiled. The nine qualities are loyalty, honesty, courtesy, modesty, reliability, cheerfulness, initiative, sociability and tenacity. Each one has four or five ways of expression.

This is the creed:

1. Loyalty
  - (a) Loyal to a team mate, friend, or comrade.
  - (b) Loyal to a captain or leader.
  - (c) Loyal to a team, section, class, or school.
  - (d) Loyal to a town, state, nation, etc.
  - (e) Loyal to ideals of sportsmanship.
2. Honesty
  - (a) Honest in observing rules of the games.
  - (b) Honest in observing standards of competition.
  - (c) Honest in reply to officials' queries.
  - (d) Honest in returning and accounting for equipment.
  - (e) Honest in respecting property rights.

## 3. Courtesy

- (a) Courteous in speech to opponents, team mates, and officials.
- (b) Courteous in action to opponents, team mates, and officials.
- (c) Courteous in recognizing ability of team mates and opponents.
- (d) Courteous in observing amenities.
- (e) Courteous in observing rights of adjacent areas.

## 4. Modesty

- (a) Modest in acceptance of important position.
- (b) Modest in acceptance of victory.
- (c) Modest in acceptance of commendation.
- (d) Modest in acceptance of public adulation.
- (e) Modest in demeanor while traveling.

## 5. Reliability

- (a) Reliable in taking assigned position.
- (b) Reliable in method of play.
- (c) Reliable in meeting appointments.
- (d) Reliable in adherence to training obligations.
- (e) Reliable in maintaining scholarship standards.

## 6. Cheerfulness

- (a) Cheerful in acceptance of group choice.
- (b) Cheerful in acceptance of orders.
- (c) Cheerful in acceptance of advice or criticism.

## SOUTH SIDE RESERVES WIN OUT OVER AUBURN

Auburn Reserves Are Defeated After Spirited Tussle; Score Is 12 to 11

In the preliminary to the main game the South Side Reserves downed the Auburn Reserves in a thrilling game, 12 to 11.

The game was hard fought all the way and both teams were going at full speed all the way.

Branning and Fleming played the best game for South Side, while Kruse and Seibert starred for Auburn. The game was an air-tight guarding affair, ending 8 to 4 at the half-way mark. Both teams had difficulty in hitting the basket.

**Line-up and summary:**  
Auburn (11) South Side (12)  
Seibert F Branning  
Marion F Fleming  
George C Carto  
Kruse G Rastetter  
Lasch G Schopf  
Field Goals—Branning, 2; Fleming, 2; Seibert, 2; Kruse, 2. Free Throws—Fleming, 2; Schroeder, 1. Substitutions—Lighthill for Carto, Schroeder for Rastetter, Weirich for Schopf. Roth for Marion, Bruce for George, Webb for Kruse. Referee—Welborn.

## SOPHS TAKE TWO FIRST NET GAMES

Fast Floor Work and Accurate Eye for Basket Enables Sophs to Win

## HUNTERTOWN IS VICTIM

The sophomore team made its first appearance on the hardwood Saturday, December 5, against the clever huntertown five, and in the second game they met the Lafayette Center five. In both games the sophs annexed victories by the scores of 30 to 18 and 32 to 21, respectively.

The sophomores displayed a passing game which was not to be trifled with. They passed the ball in such a way as to outwit their opponents every time. Their accurate eye for the basket was a feature of the game.

In the first game they defeated Huntertown, 32 to 18. In the beginning of the game the sophomores took the lead and maintained it throughout the contest. Gerig proved to be the chief point getter for the sophomores by chalking up ten baskets from the field and one from the foul line. Lackey played a fine game for Huntertown, getting two from the field and three from the foul line.

In the second game of the evening the sophomores made it two straight victories by downing the Lafayette Center five, 32 to 21. In this game every member of the sophomore team shared in the scoring, Fleming and Michelle getting four baskets apiece from the field. Bennett, who played back guard for the sophs, managed to chalk one marker from the field for himself. Platt showed up best for the visitors, getting four from the field and marking up one from the foul line. Nicholas also played a fine brand of ball for the visitors.

The line-ups and summary:  
Huntertown (18) Sophsomores (30)  
Lackey F Lang  
Byerley F Feustel  
A. Poole C Gerig  
Emerick G Bell  
Dickies G Bennett

Substitutions—Both for Byerley, Gilliam for Emerick, Dickies for F. Dickies, Fay for Bennett, Michelle for Feustel. Field Goals—Byerley, 1; Laskey, 1; Gilliam, 1; Dickies, 1; Lang, 1; Feustel, 1; Gerig, 10; Bell, 1; Michelle, 1. Free Throws—Lang, 1; Dickies, 2; Gerig, 1. Referee—Welborn.

**First Game for Both**  
Neither team has yet played a league game, but have been working out against strong independent teams and are in the pink of condition.

Last Monday night the Caseys traveled to Claypool, where the leaguers experienced little difficulty in winning 42 to 20. Different combinations were worked, with equal success.

**Probable Line-Up**  
The starting line-up was composed of Schwab and Schultheis at forwards, Stonebraker at center, and Shimek and Yerkes at guards. Stonebraker and Schwab were high point men.

In the preliminary, the Yellow Cabs and the Patterson-Fletcher six, composed of former high school stars, will hook up.

## TIGERS ANNOUNCE GRIDIRON PROGRAM

Central Will Play Ten Football Contests Next Fall; Richmond Added to List

## CITY GAME TO BE NOV. 20

It has been announced by Faculty Manager M. H. Northrop, of Central, that the Tigers will have ten grid contests on their schedule next fall. This will no doubt be one of the hardest schedules ever attempted by the up-town school.

**Richmond Added To Schedule**  
So far the only new team added to the Blue's schedule is Richmond high. Central will play the Red Devils there on November 13. The two open dates of September 18 and October 30 are expected to be filled in the near future to complete the ten games. It is thought that the Tigers will meet Elkhart on September 18, but as yet the contract has not been signed.

The Central-South Side game will be played on November 20. This will be the last game on the schedule, and is one of the most important games on the list.

**Central Has Good Material**  
As Central loses but three of her regulars she will have plenty of material to build a strong grid team. Among those who will be lost by graduation are Captain Jim Baker, Stiegler and Hockmeyer. Captain-elect Ramsey, Jasper, Billingsley, Casey, Weimer, Lange, Byers, Cook and Krudup will be back in uniform next fall.

**The Schedule**  
The schedule for next season is as follows:

- Sept. 18—Open.
- Sept. 25—LaPorte, there.
- Oct. 1—Bluffton, here.
- Oct. 16—Decatur, there.
- Oct. 23—Portland, here.
- Oct. 30—Open.
- Nov. 6—South Bend, here.
- Nov. 13—Richmond, there.
- Nov. 20—South Side, here.

Miss Lucy Mellen, of Gary, Indiana, visited Miss Mendenhall last week-end.

Marcella Shalley, Mildred Tons, Mabel Fell, Dorothy Ball, Florence Phelps, Vera Mueller and Melen and Catherine Sellers enjoyed a theatre party last Thursday evening at the Shrine auditorium.

Florence Phelps spent the Thanksgiving vacation at Kokomo, Ind., visiting relatives.

Melvin Kestner entertained a number of his friends at his home on Clinton street recently. Games were enjoyed during the evening, after which a dainty luncheon was served. Covers were laid for Madge Rousch, Dorothy Grive, Florence Hazlett, Gladys Clemmer, Fleta Gunder, Esther Rousch, Marjorie Lew, Katherine Gunder, Marguerite Howard, Perol Jenkins, Florence Clemmer, Kenneth Flaig, Virgil Montgomery, Jess Grive, Claude Alford, Gerald Ammerman, Charles Carel, Louis DeWitt and Stanley Cutshall.

Marcella Shalley recently visited relatives at Berne, Ind.

Marguerite Smith recently entertained a few of her friends at her home on Cornell Circle. Late in the evening a delicious luncheon was served to Jane Wass, Gertrude Allen, Norman Burnheimer, Margaret Ehrman, Mildred Krick, Dorothy Wass, Evelyn Baker, Harold Bridge, James Allen, Eric Lash, Walter Ballard, John Pequignot, and Dudley Wass.

Marjorie Wolever, of Fox avenue, spent the week-end in Chicago.

Jeanette Stults was the hostess to a number of her friends at a dinner party at her home on Home avenue Saturday evening.

Virginia Bourns had as her guests over the week-end, Barbara and Betty Whitten and "Bog" Watson, of Auburn.

Marjorie Homsher, of Hoagland avenue, had as her guest over the week-end, William Flaughner, of Decatur, Ill.

Lillian Farr of Toledo, a former student of South Side, was the guest of Margaret Metzner recently.

Winifred Switzer, of Pierceton, Ind., was the guest of Louise Ryberg last week-end.

A theatre party was enjoyed recently by the following girls: Charlene Snider, Louise Ryberg, Winifred Switzer, Marjorie Surface, Mable Spath, Ruth Switzer, Caroline Ryberg, and Catherine Thompson.

Leonora Nachtigall entertained her club Thursday evening. The guests were Virginia Woebeking, Vera Bruns, Pauline Hilbisch, Madolyn White, Dorothy Einseidel, Evelyn Jacobs, and Irene Paul.

Christ Branning was the guest of relatives in Bluffton, Ind., last week-end.

Draker Lombard was a visitor in Columbus, Ohio, last week-end.

## S-O-U-T-H-E-R-N S-P-I-C-E

Mr. Schmalzried: "Name the officers, Harold."  
Harold Baker: "I don't know."  
Mr. S.: "That's not right."

Florence Clements: "Were you hurt while on the eleven?"  
Paul Staught: "No, while the eleven were on me!"

### AND HER MOTHER LOVES HER

They went riding after the party,  
And the night was very cold.  
He didn't attempt to keep her warm  
For fear she'd think him bold.  
"Are you nice and warm?"  
The lad asked her twice,  
And with chattering teeth,  
She said, "At least, I'm nice!"

### HISTORICAL SAYINGS

"We had company last night and I had to entertain them so I haven't got my lesson."

### A NEW VARIATION

Jack and Jill  
Sped up a hill,  
A curve up there was sharp,  
The car upset,  
Jack's rolling yet,  
Jill's playing on a harp.

The teacher asked a fifth grader to write "defeat," "defense," and "detail," all in one sentence.  
This is what appeared on the paper: "De feet of de cat went over de fence before de tail."

"Shoot if you must this old hobbed head  
But wait till I powder my nose," she said.

"Why, Bill, what happened to you in the football game today. You've lost your front teeth."  
"No, indeed, I haven't. Here they are in this handkerchief."

### HOT DAWG!

The butcher found a homeless dog;  
A worthless little bum,  
And as he led him home he said,  
"The worst is yet to come."

### DO YOU KNOW THAT—

That water never runs up hill in Russia?  
That the natives of Rumania always bend over when putting on their shoes?  
That all glass manufactured in England shatters when struck heavily by some object?  
That you are insane for reading this truck?  
That powerless compacts have been discarded in Lithuania?  
That no one has ever succeeded in digging a hole by starting at the bottom?  
That Rome wasn't built in a day?  
That no one has ever jumped successfully from an airplane without a parachute?  
That if all the cross-word puzzles made were placed end to end, what difference would it make?

Did you ever hear a man say this? "I'm gonna buy a parrot. I gotta have something around the house that can talk," said the man with a wife and three daughters.

Add. Grodrian (giving a report in history): "The hero was received with much joy at the athletic meet in Rome and his admirers fell on his neck and nearly ruined him."

Ice cream he bought his darling,  
And she ate and ate and ate,  
Till at last her heart she gave him,  
To make room for another plate.

Try these on your Ford:—  
There's beauty in every jar  
Hesit "S"  
Exasp "S"  
Vibr "S"

Laugh, but I paid cash for mine.  
Sound value, can't you hear it.  
Drive slow, man at work.  
Another gnash.  
So I took the \$50,000 and bought this.  
Danger—10,000 jolts.  
Four wheels, 4 brakes and 4 more installments.  
Capacity 10,000 gallons—one at a time.  
Four wheels and all tired.  
1925 Tack Finder.

Mr. Whelan (in P. G. class): "Why isn't there much agriculture in New England?"  
Esther B.: "Well you see the slopes of the hills are so thickly populated with trees—"

Mr. Schmalzried (in Civics class): "What are the salaries of the representatives, Thelma?"  
Thelma P.: "Their salaries are different prices."

G. Gable: "Summers and I used to make a hundred in mathematics every day."  
K. Flaig: "How's that?"  
G. Gable: "I made 80 and Summers made 20."

"Poor old Gable! He's so shortsighted he's working his head to death."  
"Well, what's the shortsightedness got to do with it?"  
"He can't see when Voorhees isn't looking, so he has to study all the time!"

### STATISTICS

Killed by Gas in 1924:  
33 inhaled it.  
140 lighted matches in it.  
6000 stepped on it.

Beauty: "Harry certainly is a fine fellow; he has a heart of gold."  
Full: "Yes, and I think it's so original of him to have teeth to match."

Mrs. Dub: "What did the bride wear?"  
Mr. Dub: "A look of triumph."

### SOUNDS FAMILIAR

Breathes there a girl with soul so dead, who never once or more has said:  
"She's just jealous, that's all."  
"Oh, we didn't get home until 1 a. m."  
"I'm glad he didn't come; I don't like him anyway."  
"I have all my lessons, mother."  
"Oh, dad, all the other girls have one."  
"Oh, isn't he the best looking thing?"  
"I'll be home early, mother."

## Basketball Schedule 1925-26

The complete schedule for basketball has been compiled and a few changes have been made. Out on this schedule and keep it in a permanent place for future reference.

Season tickets are now on sale at the office and those who buy the tickets and wish to sit in the rosters section can reserve a seat throughout the entire season.

### Noted Editor Requests Articles on Publication

Edward R. Johnson, editor of the School Journalist, a national magazine for school and college editors, has requested articles on the Times and Totem for the periodical.  
"Because of your many successes," he says in a letter to Miss Harvey, "our readers will be more than pleased to accept anything you may wish to say on student publication work."

Norris on Patterson-Fletcher Team  
Louis Norris, South Side's great center will be seen in action Thursday in the preliminary game for the Knights of Columbus. "Less" is playing with the Patterson-Fletcher five and is going great guns.

### Candy Sale to be Given By Art Club Members

The Art club is having a candy sale today after school in the main hall. Each term the Art club gives two or three candy sales to increase their treasury fund for the various expenses they have to meet.  
All members are to bring candy or a quarter to Room 61.

Returns To School  
Ruth Bolerjack returned to school last Wednesday after a two weeks' illness.

Study Constitution  
Mr. Schmalzried's sixth period Civics I class began the study of the constitution of the United States from Turkington's booklet.

## Huge Cup for Totem Arrives at South Side

The twenty-two inch cup awarded by the Central Interscholastic Press Association to the Totem for winning first place in the annual contest for secondary schools has arrived and will grace the cut cabinet as soon as the base for the two Indiana High School Press Association trophies are secured. All three awards will be put in at the same time. The new one will be one of the largest in the trophy case.

Students Act as Judges  
Hammond (Ind.) high school has a Court of Common Pleas every morning. The students are the jury and judges. The ones to be tried are sent from the office. This has done quite a bit to do away with some of the offenses because the punishment is often stiff.

Life-Saving Lessons Given  
Classes were held last week at the North Central high school, Spokane, Washington, by the American Red Cross for those who wished life-saving training in order to take an examination and secure a certificate as being competent for any life-saving position.

Helen Goette Ill  
Helen Goette has been absent from school four days on account of illness.

Absent From School  
Thelma Buirley, '26, has been absent from school for the last few days on account of illness.

Complete Burke's Speech  
Miss Demaree's eighth period class in English VII, have completed Burke's "Speech on Conciliation with America," and are now studying "Macbeth."

To Write Character Sketches  
Mr. Makey's English VII class are to write character sketches of Macbeth. These are to be based on passages in the play.

## How To Pay Way Through College

"I think it is fine for a girl to teach school while she is attending college and in this way be able to earn enough money to pay her way through school," said Miss Alta Woodward, Latin instructor, when asked how a college student could pay his way through four years of advanced education.

"When I went to college, only twelve weeks' training was required to teach school, but now it is more difficult to get a place to teach, because more training and experience is demanded," Miss Woodward continued.

A number of South Side graduates are following Miss Woodward's suggestion, as some have obtained the two years of training required for a position in the grade schools and are now teaching, with the expectation of earning enough money to enable them to go back to get the other two years of work necessary for their degree. Students should be careful to take work during their first two years to take these subjects that will enable them to teach.

"I think that it would be a good idea for every pupil who intends to work his way through college to take shorthand and typing in high school," Miss Woodward further suggested, "because in a college town there are usually positions open for stenographers."

"If a pupil borrows money before he goes to college he will not spend the money as quickly and as foolishly as he would as if it were his own, and he will be able to pay it back in a short time after he has left college," Miss Woodward said in pointing out the advantages of borrowing money for a college education.

Miss Woodward advocated that high school graduates living in Fort Wayne take advantage of the Indiana University Extension courses in

working off some of the prescribed subjects before going to the university. "A correspondence course is of aid to students who can not afford to go away to school and do not have the extension classes available. In a correspondence course the pupil has to write out all the lessons and mail them to the university, a method that is rather expensive, but in an extension class the university teacher comes to Fort Wayne and conducts a class like those at the university," Miss Woodward explained in conclusion.

### Old Magazines Displayed

Copies of "The London Review" magazines published in 1880 and 1890 were displayed recently by the teacher of the history classes of the Senn high school, Chicago, Ill. These publications were issued every few months and contained a review of the literature, history, politics, and styles of the times.

## GYMNASIUM WORK TO BE EXHIBITED BY 150 STUDENTS

(Continued from Page 1)

othy Oren, Charlotte Rothert, Charlotte Roehrs, Luella Rogge, Mary Shoup, Dorothy Smith, Frances Sparkman, Evangeline Switzer, Adeline Ward, Meriam Warner, Lura Webb, Harriet Wyneken, Lucile Van Buskirk, Margaret Beatty, Mary North, Grace Omspach, Beulah Patterson, Lillian Shuler, Dorothy Steiner, Luella Steger, Thelma Smith, Catherine Suter, Dorothy Thomas, Velma Todd, Alice Van Buskirk, Pauline Wasson, Marjorie Wolever, Eugenia Yaggy, Clara Stephani, Laura Heaton, Thelma Barter, Milnera Ansara, Virginia Asher, Clara Baumgartner.

Gertrude Brower, Juanita Brown, Maxine Canada, Onal Cartwright, Marjorie Crick, Ruth Doenges, Winifred Engelhart, Elizabeth Tonnor, Donita Jenkins, Geraldine Joker, Edith Hilgemann, Germaine Rolevons, Anna Schedel, Katherine Sellers, Eva Simles, Mildred Tons, Jane Welker.

## Do You Know

That "Tiny" DeHaven got his black eye in the Auburn-South Side game last Saturday?

That Miss Miller was the latest lady faculty member to have her tresses shorn?

That the C. I. P. A. cup has arrived? This was awarded to the 1925 Totem for all-American rating.

That Room 20 becomes a "check room" during the games played in the gymnasium?

That Room 28 is 100 per cent in the Totem subscription?

That Tom Switzer was awake during one whole class yesterday?

### Boys Make Toys

The boys of the Manual Training department of the North Central high school, Spokane, Washington, are making toys, sleds, and other things that will please the orphans at the Spokane Children's Home.

### Limit Powdering Time

"Powderpuff traffic squad," whose duty it is to direct traffic of girls before mirrors, has taken place in Central high school, Detroit, Michigan. The parking place in front of the mirrors has been limited. Each girl now has twenty-five seconds to use the powder puffs.

### Girls Must Be Good

The freshman girls of Whitman College, Walla Walla, Wash., are not allowed to have library dates or make-ups, wear jewelry, or use cosmetics. They are supposed to wear goloshes or rubbers to prevent colds. These are the rules posted by the Sophomore girls.

### Organizes Jazz Orchestra

The Moscow, Idaho, high school has organized a pep orchestra out of the many "jazz artists" in the school. The purpose of this orchestra is to furnish music for rallies and to play for entertainment at high school affairs.

# GYM EXHIBITION WILL BE GIVEN ON WEDNESDAY

Program by Girls in Gymnasium Classes Will  
Begin at 7:30  
P. M.

## ALUMNI GAME FOLLOWS

Mr. Harris, Miss Pittenger, Mr. Gilbert Anticipate Good Results from Work

Girls of the gym classes will present an exhibition tomorrow evening, December 23, at 7:30 o'clock in the gymnasium, to be followed by the Alumni Varsity basketball game.

As the girls have been practicing for this exhibition since October, under the direction of Miss Patterson, it promises to be a huge success.

A gymnastic drill will be the opening number. It will be followed by the Virginia reel, four folk dances, two Russian dances, and the American country dance, two character dances, the Dance of the Goliwogs, and the clog dance, an interpretive dance, in the Waves, and an exhibition volley ball game played by a picked team.

### Dances in Costume

The girls of the Swedish dance will wear green skirts, white aprons, white blouses, colored kerchiefs, and black corsets while the "boys" will dress in yellow trousers, black waists, black coats, white blouses, and colored hose.

The girls in the Dance of the Goliwogs will be dressed in black and white conventional costumes, wearing white trousers and black trousers. The girls in the American country dance will wear colored waist dresses, and sunbonnets and the boys in this dance will be dressed in overalls and straw hats.

The girls in the interpretive dance will wear dancing dresses. The accompaniment of the athletic drill and the clog dance will be played by Maxine Schneider, that of the Russian dances, by Jean Gillie, that of the interpretive dance, in the Waves, by Dorothea Kohlmeier, and that of the Swedish dance, by Rue Virginia Neireiter.

"Exhibition is Good"  
The exhibition is a fine thing to get people interested in school activities," states Mr. Harris. "Many people (Continued on page 8)

## MISS CROWE'S PUPILS CONDUCT MOCK TRIAL

General History Students Reproduce Mitchell Case; Declare Him "Not Guilty"

"Innocent" was the verdict returned by Miss Crowe's seventh year general history class in the mock trial "To determine as far as possible from available current literature and statistics whether Colonel Mitchell was guilty of issuing false charges of inefficiency against the war department."

Richard Smith was judge advocate; Robert Christman and Edward Hale led the defense and prosecution.

### Students Are Witnesses

Chief witnesses for the defense were Roger Ralston, statistic expert, and Marjorie Homsher, who impersonated Mrs. Lansdowne. The state's star witness was Vera Mueller, the state's star witness was Vera Mueller, the state's star witness was Vera Mueller.

The defense opened the court by calling as witness Dorothy Underwood, a newspaper reporter to whom Colonel Mitchell had given statements. The accused was next called to the stand. He admitted having issued the statements, but denied that they were false.

### Examine Shenandoah Witnesses

The witnesses called concerning the Shenandoah disaster were Raymond Jones, an expert; Paul Birely, a survivor, and Marjorie Homsher, Mrs. Lansdowne, widow of the commander; Virginia Bourns, look-out on the "City of Rome"; Margaret Nichols, a survivor of the S-15 Orien Patch, an expert on the MacMillan expedition; and Walter Jaeger, an expert on the S-15, were next called by the defense.

Others who gave testimony were William Danmeier, an American aviator in France at the time of the World War; Harold Stein, Admiral Sims; Hildegarde Seibel, Secretary Weeks; James Lang, an authority on the anti-aircraft gun tests; and Roger Ralston, a statistic expert.

After the defense rested its case, the prosecuting attorney called to the stand Dorothy Underwood and Elton Colson, newspaper reporters, to whom Colonel Mitchell had given statements. The only other witness called by the state was Vera Mueller, who impersonated Admiral Moffet.

### Silk Flags Presented

Silk American flags have been awarded to the rooms of the Roosevelt high school, Seattle, Wash., that have 100 per cent in banking for ten consecutive weeks.

## Rabbits Fall Victims of Faculty Nimrods; Sixteen Bagged on One Trip This Season

Men Teachers Have Plenty of Fun on Hunting Trips in Near-by Woods.

If you were in the country and came upon a group of hunters dressed in real hunting clothes, would you recognize them as teachers of the South Side high school? Probably not, yet we know that Mr. Harris, Mr. Gilbert, Mr. Murch, Mr. Virts, and other masculine members of our faculty forget their school work over the week-end and go hunting, "to kill time," as Mr. Harris expresses it.

Generally on Saturdays or during vacations on "frontiersmen" drive about fifteen miles into the country with their Winchester and ammunition to bring home some wild game. They are a proud bunch of hunters,

## SENIORS OF 1925 PRESENT BOOKS FOR CLASS GIFT

Library Has Addition of Literature That Is Worth Three Hundred Dollars

## FIRST SHIPMENT ARRIVES

Installment of Books to Be on Exhibition in Library, Says Miss Shulze

As a gift to South Side high school, the senior class of 1925 will present the library with books valued at \$300. The majority of the books will be for recreational reading, but a few will be for reference.

### Some Books Are Here

The first shipment of books has already arrived and is on exhibition in the library.

The committee in charge of deciding on the gift was Edwin Hulinc, president of the class; Ward Diluse, vice president; Tom Shulze, secretary; and the social council, composed of Robert Hanna, Dorothy Cline, and Bob Miles.

### Card Placed in Each

In each book there will be a presentation card, worded as follows:

"Presented by the Senior Class of 1925."

As soon as all of the books arrive they will be put on display in the picture file so that everybody will have a chance to see them while they are new. The library will make reservations for the books in order that everybody will have a chance to read them.

### Books Are Well Liked

The books are all well known. A few of them are: Lost Prime, Burnett; Understood Betsy, Canfield; Huckleberry Finn, and Tom Sawyer, Twain; Boys of '61, and Boys of '76, Coffin; Sherlock Holmes, Doyle; Three Musketeers, Twenty Years After, Dumas; Hoosier Schoolmaster, Eggleston; Trail of the Lonesome Pine, Fox; Dorothy Vernon of Haddon Hall, Major; Bobbie, Central Manager, Prouty; African Game Trails, and Letters to His Children, Roosevelt; Uncle Tom's Cabin, Stowe; and Daddy Long Legs, Webster.

## MRS. LANE DESCRIBES TRIP AT JR. HI-Y MEET

Tells of Her European Tour and the Many Points Visited

By Party

A description of her trip to Europe by Mrs. Lane, English teacher at Central high school, featured the Junior Hi-Y meeting last Wednesday.

Mrs. Lane's party visited the most interesting places in England, France, Germany, the Balkan States, Greece, Asia Minor, Macedonia and other points of interest.

One thing which particularly attracted the attention of Mrs. Lane was the work of the Y. M. C. A. The secretaries in the Balkan States are endeavoring to create a spirit of fair play and good fellowship.

Mrs. Lane told of one instance in which several different nations of the Balkans were represented on a football team. Mrs. Lane also stated that many points of interest would have been missed, if it had not been for the aid of the Y. M. C. A. secretaries and workers, who acted as guides.

The canned fruit and vegetables promised for the Christmas basket are due tonight. No meeting of the Junior Hi-Y will be held until January 6, 1926.

## M. Beatty Moves Away; Winner of Bronze Pin

Margaret Beatty, who came to South Side in September from Loganport, has moved to Columbus, Ohio. While Margaret was in South Side, she took a great deal of interest in Times and Totem work and in girls' athletics. While here she won her bronze journalism pin.

## NO CARNIVAL YET!

No definite date has been set for the senior carnival. "It had been put off until after Christmas vacation," says Mr. Harris.

## SOUTH SIDE CLUBS AGAIN SING "NOEL" AS YEAR'S SCANTATA

Assisted by Members of First Presbyterian Church Where Rendition Was Given Sunday

## R. L. SCHAFER IS DIRECTOR

Quartets, Soloists, Violinists, Help Give Program; New Pipe-Organ to Be Played

"Noel," a Christmas cantata, was again given by the glee clubs of South Side this year, at the First Presbyterian church, Sunday evening, December 20.

The chorus was assisted by the choir, soloists and a number of musicians of that church.

Roland Schafer, director of music at South Side, and director of the church choir, drilled the student singers and arranged the program.

William R. Sur, violinist; Mrs. F. Stouder, organist, and a special chorus of twelve voices helped to render the cantata.

The cantata was given in the church instead of the gymnasium this year because it was a more suitable place and also because the new pipe-organ was available to accompany the singers. The church was crowded to hear the Christmas music.

### The Program of the Cantata Was:

"Joy to the World," "Silent Night" (Orien Patch, Sam Fay, Maynard Patterson, Ralph Frank)  
Pastorale—Violin and Organ.  
Chorus—"Wake, Awake."  
Recitative—Grace Prince, soprano—"And in the Sixth Month."  
Double Quartet—"Fear Not, Mary."  
Thelma Birely, Ruth Barber, Violet Fell, Dorothea Kohlmeier, Dudley Wass, Virgil Hire, Leslie Emerson, Melvin Richendollar.  
Tenor Solo—Roland Schafer—"The Holy Ghost Shall Come Upon Thee".  
(Continued on page 8)

## ALUMNI BANQUET IS BIG ATTRACTION ON Y. HOLIDAY LIST

Central and South Side Hi-Y Clubs to Give Fifth Annual Feed for Former Members

## ACTIVITIES START SUNDAY

Boys and Girls of Forum to Sing Carols at Hospitals; Y Clubs to Help Needy

A Hi-Y alumni banquet will be held at the "Y" on Tuesday, December 29th is one of the big attractions on the list of many activities to be staged at the Y. M. C. A. during the holidays.

This will be the fifth annual event of its kind, to which all former Hi-Y members of both Central and South Side will be invited. Many of the former high school boys who are now at college, will be back to relate their experiences.

A new feature for the boys' department of the Y. M. C. A. will be the Camp Reunion to be held on Wednesday, December 30. All former campers who ever attended Potawatomi will attend this Pow-wow at the "Y" from 5 to 8 p. m. Each of the campers will also be invited to bring his father with him to this reunion. A banquet, camp songs, games and a camp fire will help bring the gathering. A number of former leaders will also attend.

### Certificates to Be Given

At this reunion 201 Bible study certificates will be awarded for the spring and camp examinations. Winners of the honor medals at Potawatomi last summer, will also be awarded these at this time.

Holiday activities of the "Y" boys' department will open next Sunday evening when the high school boys and girls of the "Y" forum, will visit the hospitals, of the city to sing Christmas carols. This program will be given between the hours of 6:30 (Continued on page 8)

## ART DRIVE INCREASES MEMBERSHIP TO FORTY

Ivah Riley's Team Wins Drive; Losing Team to Entertain Winners with Party

As a result of the Art club membership drive, the number of members has increased from twenty-five to forty. Ivah Riley, captain of team No. 1, has brought in more new members than any other girl, and, as a result, her team succeeded in winning the drive.

The losing team must give a party, which will probably be in the form of a Christmas party.

The time was spent at the meeting yesterday in finishing some of the Christmas presents that the members have been making.

## Makey's Classes Write Long Original Essays

Long essays of not less than 2,000 words are being handed in today by Mr. Makey's third and sixth period 12-A classes.

The material for these essays is coming from personal sources, such as sight-seeing trips, and not from printed matter.

Some of the subjects of the essays are "Hospital Management," "Learning to Play a Violin," "Teaching Violin Lessons," "Girls' Athletics," and "Learning to Play a Pipe Organ."

Mr. Null's 12-A class will write essays of the same kind after vacation.

## SOUTH SIDE CLUBS AGAIN SING "NOEL" AS YEAR'S SCANTATA

Assisted by Members of First Presbyterian Church Where Rendition Was Given Sunday

## R. L. SCHAFER IS DIRECTOR

Quartets, Soloists, Violinists, Help Give Program; New Pipe-Organ to Be Played

"Noel," a Christmas cantata, was again given by the glee clubs of South Side this year, at the First Presbyterian church, Sunday evening, December 20.

The chorus was assisted by the choir, soloists and a number of musicians of that church.

Roland Schafer, director of music at South Side, and director of the church choir, drilled the student singers and arranged the program.

William R. Sur, violinist; Mrs. F. Stouder, organist, and a special chorus of twelve voices helped to render the cantata.

The cantata was given in the church instead of the gymnasium this year because it was a more suitable place and also because the new pipe-organ was available to accompany the singers. The church was crowded to hear the Christmas music.

### The Program of the Cantata Was:

"Joy to the World," "Silent Night" (Orien Patch, Sam Fay, Maynard Patterson, Ralph Frank)  
Pastorale—Violin and Organ.  
Chorus—"Wake, Awake."  
Recitative—Grace Prince, soprano—"And in the Sixth Month."  
Double Quartet—"Fear Not, Mary."  
Thelma Birely, Ruth Barber, Violet Fell, Dorothea Kohlmeier, Dudley Wass, Virgil Hire, Leslie Emerson, Melvin Richendollar.  
Tenor Solo—Roland Schafer—"The Holy Ghost Shall Come Upon Thee".  
(Continued on page 8)

## EXTEMP CONTEST TO BE CONDUCTED UNDER NEW PLAN

One Subject Instead of Three Will Be Given Contestants for Study

## CONTEST ON JANUARY 8

Students Will Be Given Two Days in Which to Organize Speeches

A new plan for the semi-annual extemporaneous contest will be tried out January 8 when the first talk-fest this year will be held. The new plan will change the nature of the contest from that of an extemporaneous talk to that of a discussion contest.

In former years three subjects have been given the contestants with three days for preparation on all of them. An hour before the contest, each student competing drew one subject on which he was to talk at the contest.

### One Subject This Year

This year but one subject will be given for preparation and discussion. This topic will be announced on January 6, thus giving the contestants two days in which to study and organize their speeches. The entrants may take either side of the question.

### Winners Name on Cup

The winner of the contest will have his name inscribed on the silver loving cup donated by Mrs. C. C. Lange, as a memorial for her son, Ralph E. Lange, a senior.

Former winners whose names now appear on the cup are Mary Forker, Paul Oliver, Josephine Dinklage, Ruth Eickmeyer, and Virgil Horn.

## Y CLUBS SING CAROLS TO HOSPITAL PATIENTS

Thirty Boys and Girls Entertain Inmates of St. Joseph and Hope Hospitals

About thirty members of the Hi-Y and So-Si-Y clubs combined in singing various Christmas carols at the Hope-Methodist, Lutheran and St. Joe hospitals last Sunday evening.

The songs were greatly enjoyed by the patients and appreciation was expressed by each of the Fort Wayne hospitals.

Noble Sprunger and Nell Gunn were on the transportation committee and secured the autos used to carry the "Y" club members from the Y. W. C. A. to the hospitals.

Marguerite Schiewer and Chester Wyncken were in charge of the arrangements committee.

## South Side Teachers, Pupils Alike Favor "No Assignments for Christmas Vacation"

Faculty and Students Interviewed; Pupils Unanimously Desire Vacation with No Lessons

With the on-coming of Christmas vacation, South Siders have been wondering whether or not they will have assignments during the recess and the teachers have been puzzled whether or not to give any, but most of them are decided as to what they will do.

No assignments was favored by Esther Bowman, who, when asked if home work should be given over vacation, said: "Of course not, because it is vacation, and we don't get lessons anyway when assigned during vacation, so what is the use of giving any?"

"We can't enjoy ourselves if lessons are assigned, and they are not prepared properly if they are prepared at all," was the answer from Winifred Gunter.

Richard Moores gets around it this way: "We shouldn't be assigned lessons during vacation because when we return on Monday we don't feel like reciting our lessons if we have prepared them."

Miss Miller very considerably says: "I never give assignments over vacation because three-fourths of the class returns unprepared and this lowers the standards of the pupil."

"No, just because it is Christmas vacation and we should feel happy, we shouldn't have any," was the answer from Don Currie when asked.

Assignments Accomplish Nothing When Mr. Murphy was approached upon this question, his answer was to the point: "It is uselessness."

"Christmas is a time when we should all feel happy and we can't feel this way if we have assignments hanging over our heads," was the reply from Mable Fell.

"We should not be assigned lessons during vacation because we work up until the last minute and if assignments are given we would have no happy vacation," Thelma Birely said.

"I have never, and never will give assignments during vacation," was the reply from Mr. Voorhees. His reason was very short: "It is only a nuisance."

"Rather than assigning lessons to be prepared over vacation, I think that vacation time should be left to the pupil to make up hard work or do outside reading," was the reply from Miss Demaree.

## FOOTBALL PLAYERS BANQUET TONIGHT WITH INSTRUCTORS

Captain Rahe and Other Gridmen to Be Graduated This Year Will Give Talks

## MR. HARRIS TOASTMASTER

Each Player to Have Member of Teacher as Escort; Both Coaches to Attend

The members of the football squad, forty-two players in all, with the two coaches, Lundy Welborn and Wardo Gilbert, will banquet tonight at six o'clock in the cafeteria.

Each player will be accompanied by a member of the faculty as an escort, DeHaven leading the grand march with Miss Pape. The South Side Saxophone quartet will furnish the music.

The toastmaster will be Mr. Harris, who will open the festivities with a short speech, which will be followed by short talks by the players.

### Will Give Farewell Talks

Captain Rahe, Richendollar, Sprunger, Weldy, Staigt, Lombard, Welsh, and Weirich are the regulars who have played football for the last time for the Green and White. Each will probably give a short farewell speech.

Lundy and Wardo will deliver short addresses to the team, expressing their gratitude for the untiring efforts of the team on the gridiron.

It is probable that this year's letter men will take "time out" near the end of the banquet to elect the leader for the 1926 season. They will then return to the gathering and announce the result of the balloting.

### Many Are on Squad

The players on the squad are Captain Rahe, Branning, Schopf, Richendollar, Staigt, Weirich, DeHaven, Wiener, Kastetter, McCormack, Lighthill, Sprunger, Welch, Kingsley, Lombard, Weldy, Reaser, Barber, Birely, Matlack, Hafert, Distel, Dickey, Nulf, Murray, Feustel, Wambgrass, Gustenlager, McLucas, Azar, Omerod, Laubenstein, Florent, Wenzel, Coan Lake, Soest, Wellman, McAfee, Miner, Rodabaugh, and ZurMuehlen.

## DOLLS MADE BY GIRLS FOR FOREIGN CHILDREN

Music and Readings Presented at U. S. A. Meeting While Members Sew

Instead of giving a party for the poor children of the city this year, the U. S. A. club made dolls for the children of the foreign settlement at its last meeting, Thursday, December 10.

While the girls stuffed the dolls with cotton, and dressed them, Betty Hutchens gave two readings, after which Vivian Lower, accompanied by Virginia Hackney, played two violin solos. Dorothy Hoffman presented a number of readings and Mildred Kessler played a number of pieces.

The dolls which were not finished were taken home to be completed.

The next U. S. A. meeting will be held January 14, 1926, in Room 86. This will be the last meeting of this term.

## Teacher Speaks at Hi-Y Meeting

Mr. Schmalzried was the principal speaker at the meeting of the Hi-Y on December 10. He led a discussion on the subject, "Keeping One's Temper." After the discussion Briece Weldy and Walter Schmit entertained the members by playing some popular music on the piano.

As a climax Noble Sprunger played and the rest of the boys sang the school song.

## MAKEY COACHES LOCAL DEBATERS TO CHAMPIONSHIP

South Side Put at Head of Northeastern Indiana Debate League by Winning All Contests.

## CENTRAL, LEO ARE SECOND

Each Loses and Wins Twice; Bluffton, Never Victorious, Takes Foot of List

South Side is champion of the Northeastern Indiana Debate League. Her two teams, coached by Herman O. Makey, instructor in public speaking and English at South Side, and executive secretary of the league, won every debate in which they took part and so, automatically, became champions.

In discussing the proposition, Resolved, That the United States should establish a unified air force under separate control," Leo was defeated by the affirmative team last Friday afternoon in Room 86, and at the same time, the negative team Central's affirmative. The preceding week both of South Side's teams defeated both of Bluffton's.

As there were only two series of debates, South Side stands at the head of the league with four victories. Central and Leo tie for second place, since each has won two debates. Bluffton, the other member of the league, stands at the foot of the list, as she has lost every debate that she entered this year. Central was champion of the league last year.

### Word Battles

At the South Side-Leo debate, which was held at this school Friday, December 18, Professor Fred Conkling, critic judge, pronounced his decision two to one in favor of South Side.

Ruth Eickmeyer was captain and first speaker of the winning team. Dorothy Emrich was the second affirmative speaker, and Louise Triatt was the third. The alternate was Thelma Gasser. The opposing team, Leo's negative, consisted of Selma Flory, first negative speaker, and a former student at South Side, Maurice Ream, second speaker, Thelma Conrad, third, and Mae Schwartz, alternate.

### Beat Central

South Side's negative team debated Central's affirmative at Central at the same time that the South Side-Leo argument was going on in the home locale.

The three men who judged the Central debate are Walter Helmke, assistant debate coach at Indiana University, (Continued on page 8)

## CHRISTMAS CAROLING PLANNED BY COUNCIL

Ticket Sale for Riley Theatre Discussed; Resolutions, Made at Conference, Read

Holiday caroling, the vesper service, and the Riley theatre ticket sale were discussed at the last meeting of the Inter-Club Council which was held at the Y. W. C. A. on December 9.

Representatives from all four Girl Reserve clubs in the high schools attended this monthly meeting to suggest plans for the betterment of the clubs.

After the devotions were read by Ruth Snyder, a Central pupil, the members were urged by Miss Symonds to further the ticket sale for the Riley theatre, which the clubs undertook at that time. By selling these tickets for last week, the clubs made a certain percent of the profit, which will be paid on the swimming pool pledge.

Resolutions which the Inter-Club members had made while at the setting-up conference this fall were read at this meeting, to see just where the clubs had fallen down and where they could do better.

Last Sunday, December 20, the Girl Reserve department had charge of the program for the vesper service which is held weekly in the Y. W. C. A. club rooms. A nativity pageant was given in which girls from all the clubs took part.

A group of Girl Reserves and Hi-Y members carolled after the vesper service, and went around to several hospitals and many homes to promote the Christmas spirit.

## Eleven Days' Vacation Given For Christmas

School will be dismissed on Wednesday afternoon at 2:55 o'clock, December 23, and will remain closed until Monday, January 4, 1926, for the Christmas vacation, consisting of eleven days.

Only fifteen school days will be left after vacation in which to improve and complete the work for this term. The grade cards for this semester will be issued on January 22, 1926.

## Broadcasts Program

A radio program was broadcasted by the Broadway high school, Seattle, Wash., during which the principal of the school gave a speech, and the band played.

## NOTICE TO TEACHERS!

The best place to put your plant during the holidays is in the hall. The reason for this is that the halls will stay much warmer than the class rooms, therefore the plants will be less likely to freeze.

MR. CLARK, Engineer.

We wish you all a Merry Christmas and a Happy New Year.

MR. CLARK, Engineer.

MR. WHEELER, Asst. Engineer.

MR. RAINY, Night Fireman.

5. To aid school officials.
6. To let parents and public know what South Side is doing.
7. To keep in touch with other schools.

Yes  
Merry Christmas—

Thanks!  
And a Happy New Year!

Just Think  
We won't see you again until next year.

When We Do See You  
At any rate we hope you can return with your wishes fulfilled and your appetites satisfied.

Non-stop Trip  
Let us carry the spirit of Christmas with us through the entire coming year and just stop for a change at such times as the Fourth of July or Thanksgiving.

Christmas Seals  
"Buy Now," has been the cry for the last few weeks. We fervently hope that you have heeded the call and purchased your quota of Christmas Seals. If you haven't, there are still a few days before Christmas in which you may buy the seals and thus remove the guilt from your conscience.

Gym Exhibit and Alumni Game  
A double-header will be presented tomorrow evening when the girls will entertain us with their annual gymnasium exhibition and when the alumni will toss baskets with the varsity team. These events take place just prior to our coming vacation and a good way to end the current school year is to attend these events.

Christmas Spirit  
In the midst of all the hustle and bustle of Christmas time, we are all happy. In most rush hours people are not in the best of spirits, but contrary to custom, Christmas is an exception. Little Children are anticipating the day when Santa will fulfill their desires. Other people are looking forward to the day when they may make someone else happy. But the real spirit behind it all is, "Peace on earth, good will toward men."

Resolutions Again  
Resolutions are now in order—you know, the kind that are made at New Year's time. But why not make two this year? One is that "I will prepare my assignments to the best of my ability" and the other, "I will endeavor to the fullest extent to live up to the first resolution to the best of my ability."  
Such fulfillments would not only surprise the faculty if we came prepared to recite on Monday after vacation, but also surprise us if we kept the good work up until grades are issued.

Clear Skies  
After a storm the skies clear up.  
Isn't it wonderful that skies clear up for students in their studies? Some days we are very disheartened, over the idea of having an examination, over the fact of probably getting reproved for not doing something right (although we know we have done our best), and for not knowing the solution of some problem.  
Then suddenly the skies clear, and the sun bursts forth, and we are again happy. Our examination has been graded even beyond our highest expectations, and we have found that the problem confronting us was not so difficult, after all, for it was just the problem of getting down to work.

A Mite of Verse

CHRISTMAS BELLS  
I heard the bells on Christmas Day  
Their old, familiar carols play,  
And wild and sweet  
The words repeat  
Of peace on earth, good-will to men!  
And thought how, as the day had come,  
The belfries of all Christendom  
Had rolled along  
The unbroken song  
Of peace on earth, good-will to men!  
Till, ringing, singing on its way,  
The world revolved from night to day,  
A voice, a chime,  
A chant sublime  
Of peace on earth, good-will to men!  
Then pealed the bells more loud and deep:  
"God is not dead, nor doth He sleep!  
The Wrong shall fail,  
The Right prevail,  
With peace on earth, good-will to men!"  
—Henry W. Longfellow.

And Verse

A VEEK PEHINT CHRISTMAS  
'Tis a vEEK pehint Christmas undt all  
deroo der house  
Der childrens iss keebing so shy like  
a mouse;  
Dey vatch py der vindows to see I  
come,  
Undt ven I am in, dey are saying:  
"Keep mum!"  
Chust like I can't hear dem undt like  
I don't see—  
Dose chiltrens iss making Kriss Kring-  
gles for me.  
Dere's liddle Katrina—she asks me so  
sweet  
If I don't like shippers to go by my  
feet,  
Undt vedder I'd nicer if dey has some  
bows  
Of ribbon to make dem some style on  
der tows.  
Undt now she iss sewing as hart as  
can be—  
Undt I know she's making Kriss Kring-  
gles for me.  
Dere's Hans undt his brodder—dot  
Chulius—deir bank  
Iss empty of pennies do use' to go  
"clank!"  
Dey ask me if I don't dink it's fine  
To ged a new pipe for dis old von of  
mine.  
Undt now dey vil visper unde chuckle  
in glee—  
Dose boys, dey are making Kriss  
Kringles for me.  
'Tis a vEEK pehint Christmas—undt,  
O, it is fine  
To see all der drieks of dose children  
of mine,  
Undt dink how dose shippers vill feel  
on my feet,  
Undt how that new pipe vill be pleas-  
ant undt sweet.  
Undt dey shall haf choost der best  
kindt of a tree  
Pecause dey are making Kriss Kring-  
gles for me.

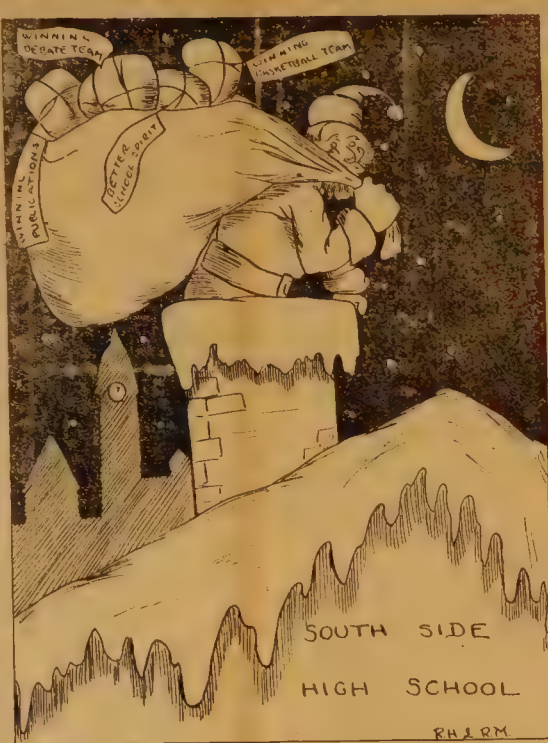

Quizzzy Quizz

Question: How Does Christmas  
Time Affect You?  
Olive Price said that the church  
ceremonies impressed her most. She  
said that they made her feel so peace-  
ful and contented.  
Helen Masters: "Christmas time is  
the time of the 'Sweet Buy and Buy'.  
That is the way it affects me."  
"I have never lost my enthusiasm  
and interest in Christmas for I am  
thrilled with the spirit of the day just  
as much as when I was a child," re-  
plied Miss Chapin. "As I grow older  
I am more interested in what Christ-  
mas may mean to the many boys and  
girls who are not so fortunate, and  
hope that some kind Santa Claus will  
find them on Christmas Day."  
Don Currie says that Christmas  
time has not a great deal of effect up-  
on him. "Each year I always buy  
presents for the family and a boy  
friend who has attended school with  
me from the kindergarten. We never  
forget each other on Christmas."  
Pauline Hilbish: "It makes me so  
joyous I can't express it." (Is he com-  
ing home for Christmas?)  
The vacation that accompanies  
Christmas is the thing that pleases  
Ruth Eickmeyer most. This "vacation"  
is evenly divided between sleep  
and chemistry.

This Week's  
Best Editorial

CHRISTMAS  
Long ago Charles Dickens wrote  
that he had "always thought of  
Christmas time as a good time—a  
kind, forgiving, charitable, pleasant  
time." Then he added that "it is good  
to be children sometimes and never  
better than at Christmas, when its  
mighty Founder was a child Himself."  
That sums up the true philosophy of  
the greatest of all holidays, one that  
ought to grow in luster every year.  
The personality that gave it life be-  
queathed to the world a code of con-  
duct that leads forward and not back-  
ward. Men can not always be children  
in years, but they can carry with them  
the qualities that so endear childhood  
—the incapacity to be selfish and  
grasping and intriguing.  
Generosity and humane considera-  
tion of others, whether it be an in-  
dividual or a nation, pay good di-  
vidends. It was a great American who  
said that "our civilization can be  
saved only by becoming permeated  
with the spirit of Christ and being  
made free and happy by the practices  
which spring out of that spirit. Only  
thus can discontent be driven out and  
all the "shadows lifted from the road  
ahead."  
Men have tried other roads without  
success, some, indeed, insist on still  
testing their strength, but never is  
the result other than failure.  
In the end there must be a turning  
to the truths so simply and yet so  
adequately enunciated more than  
nineteen centuries ago. The salvation  
of the human race is nowhere else.  
Not only will they conserve what is  
worth while, but they provide the key  
to progress that is lasting and not  
ephemeral.—Indianapolis News.

Our Chimney's Big Enough

On Our Christmas Tree

To  
one and all  
! of the students !  
of South Side High School  
! here's a greeting ! of the  
Yule Tide ! a wish that a ! full  
share of happiness ! and content !  
may fall to your lot ! through  
the Christmas spirit ! of love  
and kindness ! That you may be !  
! in dreams of generosity, duty, !  
sportsmanship, benevolence, respect !  
! righteousness ! and self-denial ! if !  
! necessary ! to show real Christmas !  
! spirit as it is today ! Not giving from  
a sense of duty ! nor for the sake of  
receiving ! not a barter of goods !  
but giving to increase the happiness of some  
one ! to make more comfortable those  
! less abundantly ! supplied  
with the necessities of !  
life ! to cheer the  
hearts to whom  
Christmas  
must  
ever  
mean  
the  
most.  
May  
this  
spirit  
of loving  
kindness and its reward be yours  
for the Yule tide, for this year and  
the many prosperous years that follow.

The Why of Home Economics

"The girls of today are the citizens,  
home-makers, and wage earners of to-  
morrow. Our aim is to help them to  
more efficiently fill these high places  
in life."  
In Home Economics the girls are  
trained in definite habits, self-reliance  
and co-operation. Is not this funda-  
mental for good citizenship?  
The home-maker must be versed in  
much science and art. The health,  
wealth, and happiness of her family  
are dependent upon her knowledge  
and care. Such basic principles are  
taught in our Home Economics de-  
partment. The foods, their uses,  
preparation and costs, are studied  
carefully. The choice of suitable  
clothing and its construction are  
taught. Such knowledge is funda-  
mental for the housewife.  
As a wage-earner, the instilled  
habit of economizing is invaluable.  
The course is supremely practical.  
The girls like it. So, I ask you why  
not?  
Come on, girls—sign up.  
ELMA MENDENHALL.

How To Pay Way Through College

"I believe that in considering work-  
ing one's way through college, the  
great factors of the complete college  
education should not be forgotten," R.  
O. Virts, instructor of mathematics,  
said when interviewed concerning the  
best way of working one's way  
through college.  
"While the social life should not be  
over-emphasized, put in its proper re-  
lationship to the rest of college  
education, it has its  
value," he con-  
tinued. "In  
view of this,  
the nearer the  
campus one  
finds his work,  
the more so-  
cial life he can  
enjoy. Posi-  
tions in the li-  
brary, secre-  
tarial positions in the administration  
offices and to members of the fac-  
ulty, working in the cafeteria for  
meals, caring for furnaces and lawns  
for room are all easily available after  
a year in the school, learning 'the  
ropes.'  
"The first year is probably the hard-  
est, due to the change in environment.  
The student should therefore have  
more money to begin his first year.  
After he learns the details of college  
life he can budget his time as well as  
his money, and find his full college  
life within his grasp."  
"I should mention one other detail,"  
Mr. Virts added. "The college Y. M.  
C. A. and Y. W. C. A. are always solid  
friends in time of need, and if the new  
student will make himself known  
around the 'Y,' getting into its activi-  
ties and contributing some of his time,  
he can always rely on the 'Y' helping  
him out," he concluded.

I'm A Nut

I'm the nut who always gives the  
annual quizz the whole next week  
after Christmas by asking everyone  
with whom I come in contact what  
they got for Christmas. (I also tell  
them what I got.)  
It merely amuses me to ask this  
question, although I know people get  
pretty tired of having my list of pres-  
ents and more tired of stringing out  
the whole list they have to everyone  
for a week or two later.  
I guess this year I'll not bother  
people with this bragging and quizz-  
ing and perhaps they'll think more of  
me. At any rate, they can't say I'm a  
regular pest for the first several days  
after vacation.

I'm Not A Nut

I realize that there is a limited  
amount of time here in which we are  
expected to learn certain things.  
Now Christmas vacation is allowed  
for, but this vacation does not extend  
over three or even four or more days  
after we return.  
Of course, I, too, would love to  
waste this time or have a good time  
then. Nevertheless, I'm not so  
much of a nut as to start the "New  
Year" wrong by neglecting school  
studies.  
Come on, let's quit being nuts, and  
show our appreciation of the real  
Christmas vacation and buckle down  
to work the first day of our return.

Read A Bit

I'm sure the best greeting this merr-  
y some day  
Is to wish you good Christmas this  
Dickens-y way!  
"I don't know what to do," cried  
Scrooge, laughing and crying in the  
same breath. "I am as light as a  
feather. I am as happy as an angel.  
I am as merry as a schoolboy. Merry  
Christmas to everybody! A Happy  
New Year to all the world. Hallo  
there! Whoop! Hallo!"  
—Christmas Carol.

Do You Know

—There are twenty-four lights in  
Room S?  
—The tables in the P. G. room have  
been moved to the back of the room  
and desks have been set in?  
—That 150 girls will take part in the  
gym exhibition?  
—There are 392 seats in Room S?  
—There are five wastepaper baskets  
in Room S, and they should be  
used?  
—Red Cross stamps can be bought at  
the desk in Room S?  
—Boulevard lights will be placed in  
front of the school?

Who's Who

"His eyes—how they twinkle!  
His dimples how merry!  
His cheeks are like roses,  
His nose like a cherry."

Santa Claus has such a happy,  
smiling face that just to look at it  
puts us all in a gay, "Christmasy"  
mood. Doesn't that little twinkle in  
his eyes make you feel as if you  
shared some jolly, Christmas secret  
with him? And you can almost hear  
him chuckle, can't you?  
He is really such a bashful little  
gentleman, in spite of his fame and  
world-wide popularity. Because of  
this shyness, he prefers to pay most  
of his visits after dark on Christmas  
Eve and he leaves his presents in-  
stead of his calling cards. Although  
we see him so seldom, evidence of his  
thoughtfulness can be seen every-  
where and this is the time of year  
they are most appreciated.

In the Stone Age

Wednesday, December 13—Rules for  
order in the cafeteria were drawn  
up. They were much the same as  
those now, but we wonder what was  
meant by the request that "every-  
one sign up before leaving."  
Thursday, December 14—Hi-Y meet-  
ing. Work on Mr. Voorhees' chem-  
istry lab continues.  
Friday, December 15—Wardo Gil-  
bert's fighters met his brother's  
team at Marion. Much friendly  
rivalry, but Marion won. Score was  
11 to 12.  
Saturday, December 16—South Side  
defeats Auburn. The score was 22  
to 10. Aye, team!  
Sunday, December 17—South Siders  
write letters to Santa Claus.

Open Letters

Mrs. Greely's Letter  
To the South Side Coaches  
and Letter Men:  
Please accept my most sincere  
thanks for your beautiful blanket "of  
the dear old Green and White," of  
which Mr. Greely was so proud. I feel  
that if he could have talked he would  
have had that beautiful tribute no  
other way. It was lowered with him  
in his tomb to await His coming.  
Sincerely,  
MRS. PHILIP GREELY.  
Correct Spelling  
Dear Editor:  
I would like to know which is the  
correct form for spelling the word  
Christmas or Xmas. This has long  
been a debated question. I for one  
do not know which is the correct way  
of spelling it.

DOUBTFUL.  
The correct spelling is Christmas.  
The form "Xmas" was introduced for  
its shortness, the first letter of the  
word being supposed to signify the  
cross on which Christ died. But  
"Xmas" really does not have any sig-  
nificance to most people and is really  
insulting. All persons can take time  
to write out the word "Christ." Spell  
it "Christmas" and keep the meaning  
of the word.—Editor.

Santa Visits Library  
To the Editor:  
It looks like Christmas for sure at  
South Side high school library. The  
class of 1925 presented a \$300 check  
for the purchase of new books which  
would help to round out the collection  
—books of fiction, travel, biography  
and beautifully illustrated editions.  
These books are for enjoyment for  
the library patrons, not only for re-  
ference work, and as an aid to assigned  
class work, but they exist as well to  
train students for better use of leisure  
time. The fund paid for a collection  
of 175 new titles. This brings the to-  
tal book collection at South Side high  
school library up to 3,500.

The spirit in which the gift was  
given as a memento of the class of  
1925 for the benefit of the whole  
school is quite in keeping with the  
Christmas spirit. This gift establish-  
es a precedent heretofore never estab-  
lished in Fort Wayne, but which we  
will be followed by other civic  
spirited young people, for, after all,  
what gives more lasting pleasure than  
a good book?  
A presentation card was inserted in  
the front of each book and the collection  
as a whole is being displayed in the  
school library.  
MARGARET M. SHULZE,  
Librarian.

YES, THIS IS GETTING TO BE A FAST WORLD,  
BUT CHRISTMAS STILL COMES BUT ONCE A  
YEAR.

CHRISTMAS

C—is for Charity, for we must unselfish be.  
H—is for Happy—the rest is New Year's you see.  
I—is for Iollicking—we'll have that kind of time,  
I—is for Inability to make these verses rhyme.  
S—is for Santa Claus, the kiddies' patron saint,  
T—is for Christmas Tree—without it Christmas ain't.  
M—is for the multitude of gifts we'll receive,  
A—is for Appetite, no Christmas goodies we'll leave,  
S—is for Snow—well, this is all, I believe.  
—Kris Kringle.

Well, folks, just three more charging days until  
Christmas.  
Or is it three less searching days?

THE PESSIMIST'S CHRISTMAS

The melancholy days have come—  
The saddest of the year,  
When we must give out gifts enough  
To last until next year.  
—Chestah.

CHRISTMAS UP TO DATE

Walter Gilbert: "Hey! What did Santa bring you?"  
Ben Alan Harris: "Nothing."  
Walter: "How's that?"  
Ben: "Santa broke a wheel going around the corner  
and while he was gone after a new wheel some crook  
swiped all of the presents."

IT'S UP TO DADDY!

Mr. Makey's little girl (writing to Santa Claus): "And  
don't forget, I want that big stick of candy in front of  
the barber shop."

TOO MANY GIRLS

ASHES TO ASHES,  
SNOW TO SNOW,  
MY OL' WALLET'S  
GITTIN' POW'FUL LOW.  
—Cardinal.

WISE CHILD

Mother: "If you eat all your Christmas candy, you  
will ruin your stomach."  
Elizabeth: "Oh, I don't mind that, mamma; it won't  
show with my clothes on."

The above joke is stale, but we're reprinting it for it  
might be of service to our readers before the vacation is  
over.

KRISMAS KWESTIONS

I have a lady friend you know,  
And she's plenty sweet, you bet,  
But I ain't buyin' presents,  
For her, that is, just yet.

I'll buy her something very nice  
When I'm sure just what will please her,  
Taint candy, books, nor flowers,  
So what could it be? By Caesar!

She's very hard to please you see,  
She's such a funny critter.  
So I guess on the "night before"  
I'll just up and quit her!  
—Jack T.

A GRAND SUCCESS

Helen to Eileen Heuer: "And how did your Christ-  
mas party turn out, darling?"  
Eileen: "Splendidly! I got half a column!"

DO YOU KNOW?

47 fellas had their pre-Christmas quarrel with their best  
girls Sunday?  
(Moral: A quarrel in time saves lots o' jack.)  
154 pupils started to going to Sunday School last Sun-  
day?  
499 wads of gum were thrown in the drinking fountain  
last week?  
108 wads were stuck to the bottom of the cafeteria  
tables?  
Every pupil in school has figured out the number of  
hours until Christmas vacation?

IT SPELLS

M—erry Christmas to  
E—very one and  
R—ests of  
R—emembrance to  
Y—ou, also  
C—omplete forgetfulness of  
H—istory outlines and  
R—esting study  
I—n the wee hours  
S—o  
T—hat everyone  
M—ay be refreshed  
A—t the resuming of  
S—chool—(maybe?)

PROOF POSITIVE

Marguerite Kendig: "How do you  
know he finished his Christmas shopping?"  
Tom Ward: "I work in the bank where he kept his  
account."

TO REMIND YOU, BOYS!

Mistletoe helps the fellow who helps himself.  
Christmas comes but  
Once a year  
And when it comes  
Of course, it's here.  
—A Christmas Nut.

A YEAR AGO

Sam Fay had just finished his Christmas dinner, and  
after wandering around for awhile, he decided to take  
a nap. The following is a short summary of his dreams  
during the next half hour, according to veracious Sam:  
"½ equals ¾ minus the square of the hypotenuse, the  
molecule has never been separated, cuando no esta bein  
de salud, je ne sais pas, and just then Macbeth entered  
and said, George Washington was the father of his  
country, when you play 'F' flat, be sure to make it flat."

YE ED'S PRAYER

Unless our generous Santa Claus  
My faith in him revokes,  
He'll fill my stockings to the toes  
With nice fat, juicy jokes.  
—Eick.

ALL FATHER REALLY NEEDS FOR CHRISTMAS  
IS A FRESH BLOTTER.

OLD, BUT GOOD

Mother: "Son, where did you hear that awful  
swearing?"  
Son: "I heard Santa Claus say it when he stumbled  
over a chair."

SECRET'S OUT

From the number of South Side students that went to  
see Santa Claus at Wolf & Dessauer's, it looks as if  
high school students still have great faith. What about  
that grey elephant with the red saddle ordered for one  
of the boys?

HINT FOR MARRIED FACULTY MEMBERS

Generous Gus: Present, Marthy! PRESENT!  
Why, y'aint even used up the washub I giv' ye last  
Christmas!"

FAMOUS LAST LINES

He sprang to his sleigh, to his team gave a whistle,  
And away they all flew like the down of a thistle.  
But I heard him exclaim, ere he drove out of sight,  
"Happy Christmas to all, and to all a good-night."

# BLUFFTON TEAMS LOSE IN DEBATES WITH SOUTH SIDE

Aviation Question Is Discussed; Mr. Null Is Chairman; Mr. Arnold and Mr. Brand Timekeepers

## ONE-JUDGE SYSTEM TRIED

Prof. Conkling of Manchester College Gives Decision Here; Three Decide at Bluffton

Both of South Side's debate teams won the word-battles with Bluffton which took place Friday, December 11, the one at Bluffton and the other here in Room 36, discussing the proposition, "Resolved, That the United States should establish a unified air reserve under separate control."

Prof. Fred Conkling, professor of public speaking at Manchester College and sole judge of the debate here, announced his decision two to one in favor of South Side and told members of the two teams and the audience just how he came to the conclusion that the debate was won by South Side's negative team instead of Bluffton's affirmative.

Members of South Side's negative team are: Gertrude Schuele, first speaker; Elsiebeth Crane, second; Cornelia Bade, third; and Winfred Horn, alternate. The Bluffton team that these debated consists of three boys and one girl, but their names could not be obtained.

Mr. Null, supervisor of English in Fort Wayne public schools, was chairman, and Mr. Arnold and Mr. Brand, both instructors at South Side, were the timekeepers.

**Debate at Bluffton**

Ruth Eickmeyer, Dorothy Emrich, Louise Platt, and Thelma Gasser, were first, second, and third speaker and alternate, respectively, on the team that debated out of town. They were opposed to Richard Julian, Louise Goodwin, and Duane Culbertson, of Bluffton's negative team.

The judges were Miss Pauline Van Horn, a grade-school teacher; John H. Edria, an attorney, and Rev. C. G. Yeomans, pastor of the First Methodist church at Bluffton.

Neal Baxter, an athlete of the school, was chairman, and Garth Sivigert, a student there, and Herman O. Makey, debate coach at South Side, were the timekeepers.

**Is First in League**

South Side, at the end of the first series of debates, stood at the head of the Northeastern Indiana Debate League. Central and Leo are tied for second place. Central won from Leo at Central and lost in the other debate which was held at Leo. Bluffton, since she lost both of her debates with South Side teams, is at the bottom of the list.

Last year, at the end of the debate season, Central stood at the head of the league, since her teams had won every debate in which they had taken part. Central was awarded a banner for the championship.

**Program Given Here**

Mr. Schafer was in charge of a short musical program given just before the debate here. Thelma Birley sang several solos and she, together with the other members of the girls' quartet, Dorothea Kohlmeier, Ruth Barber, and Violet Fell, gave several selections. Mr. Schafer played the accompaniment for the songs.

## Week's Anniversaries

December 23—Joseph Smith, founder of Mormonism, born, 1805.  
December 24—Treaty of Ghent, closing the War of 1812-14, signed.  
December 25—Birth of Christ.  
December 26—Thomas Grey, English poet, born, 1716.  
December 27—Louis Pasteur, French chemist, discoverer of fermentation, born, 1822.  
December 28—Woodrow Wilson, the twenty-eighth president of the United States, was born, 1856.  
December 29—Andrew Johnson, the seventeenth president of the United States was born, 1808.  
December 30—Rudyard Kipling, English author, was born, 1865.  
December 31—New Year's Eve—Jacques Cartier, French explorer, was born, 1494.

**Mormonism**

On December 23, 1805, one hundred and twenty years ago, Joseph Smith, the founder of Mormonism, was born. The Mormon faith was established in Lafayette, New York, April 6, 1830. The first church was built at Kirtland, Ohio, and by 1831 the followers of the faith had begun to establish themselves in Jackson County, Missouri.

In both states the Mormons met with constant opposition. In 1833 they were driven from Jackson County, finding refuge in Clay County. Their stay there, however, was brief, the governor banishing them from the state shortly after their arrival.

They then settled in Illinois, where they founded the city of Nauvoo. They flourished here, but a newspaper was published assailing them. It was declared a public nuisance by the city council but the Mormons were blamed. The governor of Illinois persuaded the leaders to surrender, promising safety but a mob broke into the jail and killed Joseph Smith and the others.

The faith was next kept growing by Brigham Young who, in 1846, with a party of 143, set out for the west. The Mormons founded Salt Lake City and are now spread over the state of Utah.

The Mormons do not tolerate polygamous marriage, as many believe. This was officially discontinued by the president of the church in 1890.

## Seven Youngest In High School

Mildred Schlie, William Day, Bartlett Ewell, Clara Stephani, Gordon Drummond

The success of present-day teaching methods is well illustrated at South Side where at least seven students in their twelfth and thirteenth years are enrolled, for regular high school work. Two of these seven are doing perfect high school work, and the other five are well above the average.

These students are William Day, Gordon Drummond, Bartlett Ewell, Mildred Schlie, Betty Ward, Geraldine Baker, and Clara Stephani. The youngest of these is William Day, who is only 12 years, 7 months, and 22 days old today.

**Youngest Is a Worker**

William was born at Indianapolis, Ind., March 30, 1913. He is carrying English, Latin, biology, and arithmetic. He does good work in all of his classes, getting an A in Latin.

"William is not very big, but he is an excellent student," Miss McCloskey says. "He is prompt and accurate in recitation and always does his very best."

Though William was six and a half years old when he entered school, he skipped five half grades, he explains, in telling how he got into high school so young.

Gordon Drummond was born in Fort Wayne, November 14, 1912, being 13 years, 1 month, 8 days old today. He is studying English, algebra, Spanish, manual training and mechanical drawing. Spanish is his best subject, for he made an A in it.

"I skipped the third grade," said Gordon when asked how he got into high school so early.

**Bartlett Is Honor Pupil**

Bartlett Ewell was born on March 16, 1913, in Bruckton, Mass., and is spending his school time trying to solve the intricacies of English, algebra, Latin, biology and physical education. Bartlett is a perfect scholar. He made four straight A's in his subjects, an excellent record for a boy only 13 years, 9 months, and 6 days old.

"I skipped one grade," is Bartlett's laconic explanation of his presence in high school at his age.

Mildred Schlie is a product of our neighboring town, Huntington, and was born in that city on January 17, 1913. Mildred's choice of studies for her first year is business, English, Latin, Algebra, and domestic science. friends her own age in school. Her present age is 12 years, 11

**Gives Music History Tests**

Mr. Schafer is giving a series of tests to his musical history class. These examinations cover such topics as negro music, Indian music, popular and patriotic music.

**Lectures on Prisons**

Mr. Murphy gave a very interesting lecture on prisons recently to his class. He told about all the details of prison life and the different characters. This was interesting to the whole class.

## J. HAMILTON ADDRESSES MATH-SCIENCE MEMBERS

Explains Fourth Dimension and Einstein's Theory of Relativity at Last Meeting of Club

"The Fourth Dimension" and Einstein's Theory of Relativity were explained by John Hamilton, a teacher at the Forest Park school, at the meeting of the Math-Science club Friday, December 18, in Room 86.

George Kress and Brook Smith performed a fake experiment which turned out well in that it frightened the members of the club by exploding when the members were playing games.

Refreshments, consisting of small red stockings filled with candy and peanuts, were served.

## Alumni News

Ruth Richey, '25, who has recently been pledged to the Alpha Mu Sigma sorority at Ypsilanti, Mich., is returning home this week for the Christmas holidays. She will bring Ellen Harper as her guest.

Edna Tilbury, attending Muncie Normal, visited her parents over the week-end.

Bertryl Merrill, '25, who is also attending Muncie Normal School, returned home for a short visit.

Vianna Keesberry, '25, attending the Normal School at Ypsilanti, Mich., will return some time this week for the holidays.

Thomas Staley, '25, who is now attending Yale University, New Haven, Conn., will return home Friday evening to visit his parents during the vacation.

Loree Bergel, '25, is employed at Don Clark's drug store.

Arnold Bescke, '25, is working for the Pennsylvania.

Dorothy Stove, '25, is employed in the pay-roll department at the G. E.

Ray Warnock, '25, is employed at Wolf & Dessauer's.

Sylvia Weinraub, '24, is employed at the Maier Hide Company.

Mildred Kesterson, '25, entertained a number of her friends at her home last Friday evening in honor of "Jerry" Lower, who was home from Indiana University.

Catherine Roe, Catherine Bell, Carl Dutton, and Dwight Meyers arrived home recently from DePauw University to spend the Christmas vacation with their parents.

Dr. and Mrs. K. D. Dutton, of Kokomo, will be in the city over the holidays to visit with friends and relatives. Mrs. Dutton before her marriage was Miss Catherine Miller.

Ralph Welch came home from Purdue today to spend his vacation with his parents on Hilsley Court.

Bertryl Merrill is expected home Thursday evening from Muncie Normal for the Christmas vacation.

Frances Schulz came home from Ward-Belmont Friday to spend the holidays with her parents on Kinnard avenue.

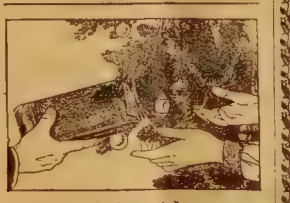

Prelina Fletcher, '24, and LaVon Fletcher, '23, came home last Friday evening to spend the Christmas holidays.

Edward Rahe and Bob Jurgensen have returned from Purdue to spend the holidays in the city.

Bob Hanna and Alan Fromuth returned from Butler to spend Christmas with their parents in the city.

## Queer Names of South Side Pupils Furnish Interesting Story on Poor Boy's Christmas

Rich Lad Has Tame Yule-tide, While Poverty-stricken Youth Enjoys It.

(By Mary Pocock)

There was once a boy who had five Brothers (Mary). The Ladd's (Vellma) name was Thomas (Boyd Annis). He also had a sister Rose (Evelyn). Their father was a Merchant (Howard) although he was a Merchant (Vernon) by trade. Since his father was poor, the boy had not made many plans for Christmas.

But there was another boy whose father was a Baker (Harold) of Brown (Ella) bread, and was rich although Humble (Elizabeth). The boy had no Brothers (Marthena) nor sisters, and was the Appel (Jean ette) of his father's eye. This boy's name was Dickey (Bernard).

He had a classy Jordan (Edwin) eight with Goodrich (Mary) tires on it. He lived in a Lane House (r) (Charlotte) on Taylor (Marguerite) street. In it were spacious Hall(s) (Grace) and lovely Davenport(s) (Doris) and Reed (Carolyn) furniture.

Has Large Library

A large library there was filled with books such as Gordy's (Glenn) history, Dull's (Chloe) physics, Harper's (Palmer) geometry, Ward's (Betty) English, Beard's (Kenneth) history Scott's (Mildred) Ivanhoe and Queen tin Durward, Matthew Arnold's (Ivyn) Sohrab, and Rustum, Kingsley's (Bill) Westward Ho! Bassett's (Billy) history as well as translations of French (Vaughn).

This boy had high expectations of what he would get for Christmas, and had already bought many costly presents. For his uncle Allen (Bernice), who was a Bachelor (Thelma), he bought a Cruse (Hazel) of Grogg (John). For his little cousin Frank (Alph) he purchased a Flaig (Ken Beth) and a tiny Herd (Jean) of Ber(s) (Flora) and a toy Crane (Elisbeth). For the Butler (Alice) he bought a Holme(s) (Irene) near Foster (Leola) Park and for the mail carrier (Mildred) he had saved up a lot of Nichols (Margaret).

For the Barber (Waneta) he had a golden Harp (Dallas), and for his little daughter a dainty Hanke (James). For his musical cousins he bought tickets for McCormack (Willson), and for his friend a ticket for Gloria Swanson's (Jane) latest movie.

**Christmas Is Tame**

But there was a Flaugh (Orin) in the enjoyment of his Christmas. When the great day came, he was not Riehle (Helen) glad it had come. He received a great many gifts including a cottage all his own at Wolf (Hortense) Lake (Glenn).

But the poor boy had a much more enjoyable Christmas. Although the day was a Raney (Ethel) one, he went about, never Idle (Ruth), never

## Few Ask For Excuses Says Miss Pittenger

"We have an average of one of two boys and girls a day who come to me to be excused during school so that they may go home," Miss Pittenger said yesterday when asked about the ailments of the students in school.

"Most of the excuses given are for sore throat or for headache," she explained. "As a rule these excuses are true and the students go home for they know better than to tell falsehoods with the phone at hand, if needed."

Miss Pittenger said that outside attractions has little effect on the "health" of the students as she believed that most of them would prefer to be in school than roaming around downtown or at a show, for their work piles up on them and time lost also has to be made up.

"The attitude between the teachers and pupils is very good and the school as a whole is made as free of regulations as possible," Miss Pittenger said in conclusion.

## GRIDIRON SCHEDULE MADE AT MEETING OF W.V.C. LEADERS

**South Side to Play Ten  
Games; Mishawaka Is  
Only New Opponent  
for Green**

### MR. HARRIS IS PRESIDENT

**Basketball Conference Schedule  
Also Announced for  
Next Year**

The annual meeting of the Wabash Valley Conference was held last Thursday at Wabash. Mr. Harris was elected president of the Wabash Valley Conference for the following year, and Coach Wells, of Logansport, was elected secretary and treasurer.

At this meeting the Conference schedule was compiled for football. South Side will play four Conference games next year. The Green and White will tackle Peru, Logansport, Huntington and Wabash. Two Wabash Valley Conference games will be played at the stadium, Huntington and Peru.

#### Card Strong Teams

Besides the teams in the Conference, the Kelly Kidas will have such foes as Muncie, Tech of Indianapolis, Central and Mishawaka. The latter caused a lot of excitement this year in football circles by swamping Elkhart, last year's state champions, and the up-staters will have many veterans back next year.

The game slated with Garrett is pending but it is almost certain that the Green will play them. South Side will play six home games and four on the road. The road games are Mishawaka, Bloomington, Logansport, and Wabash.

#### Basketball Conference Planned

Besides discussing football, a Wabash Valley Conference basketball league was explained and it was decided that the same teams which are now members of the Conference are members of the net circuit. The schedules for the league were drawn up but are not yet ready for print.

Those attending the meeting are R. C. Harris, Ora Davis, Ward Gilbert, and Lundy Welborn of South Side; Coach Redmon, Mr. Binford, of Peru; Mr. Mitchell and Coach Wells of Logansport; Mr. Darnell and Coach Kinsey of Huntington.

#### Schedule Compiled

The football schedule for next year is as follows:

- September 11—Alummi, here.
- September 18—Bloomington, there (pending).
- September 25—Mishawaka, there.
- October 2—Peru, here.
- October 9—Logansport, there.
- October 16—Huntington, here.
- October 23—Wabash, there.
- October 30—Muncie, here.
- November 6—Garrett (pending).
- November 13—Technical (Indianapolis), here.
- November 20—Central.

## With the Classes

A large poinsettia (Christmas plant) is now in blossom in the botany laboratory. Anyone who cares to see it is invited to come in either before or after school, or between periods.

The Chemistry II pupils are doing quantitative analysis now. They seem interested, Mr. Voorhees says.

"We have had no tests for some time, but I have invented a new kind of test," Mr. Voorhees says; "They will be short and take up about ten minutes of the hour. Quite a number of these will be given in the near future."

Miss Kiefer's 10-A classes hope to finish their study of Macaulay's essay on "Clive" before Christmas. Then they will read Franklin's Autobiography.

The following pupils of Miss Kiefer made 100 per cent in a recent 100-word 9B spelling test: Pauline Thompson, Herman Kern, Charles Gruenert, and Nellie Buchan. Marcella Sommers, Lavon Sherrick, Eleanor Rupnow, Lillian Beeler, and Edith Willie missed but one word each.

Mr. Huddleston has just finished giving his commercial geography class a series of four tests on the United States. These were the Branom Controlled answer tests. A number of answers were given for each question and the pupils were asked to check the correct answer. The following are the grades of the class: Wilson, Hochstetler, 94; Brooks Smith, 92; Frank Bernhard, 90; Hugh Tracy, 88; Orville Miller, 87; Edithworth Thomas, 84; Iola Wilkinson, 83; Ronald May, 79; Clarence Gruenert, 77; Cecil Harrod, 76; Ruth Jennings, 73; Alice Wehmer, 66; Velda Nobles, 64; Mary Kelsey, 60; Violet Fairfield, 59; Rosemary Spore, 52.

Miss McCloskey's 12-B English classes are now studying Shakespeare's Macbeth, having just finished Burke's speech on the "Conciliation with America."

The commercial department has been having some of the typewriters rejuvenated, and a few new Remington typewriting machines have been acquired.

Mr. Whelan's physical geography classes made visits to the weather bureau last week.

### Two Alumni Report For Track Work at I. U.

Edwin Clapham and Ward Dildine, '26's, are two of the fifty-four candidates who turned out for freshman track and field activities at Indiana University.

The men were asked by Coach Hayes to report earlier this year since several indoor meets have been scheduled for the varsity team.

# Society

Louise Ryberg entertained a few of her intimate friends last week with a party. Those who were present are Margaret Homerick, Caroline Ryberg, Charlene Snider, Virginia Hemerick, Marjorie Surface, Catherine Thompson, and Mable Spah.

Dorothy Augspurger will spend part of her Christmas vacation in Indianapolis.

Charlene Snider will spend part of her vacation in Indianapolis as the guest of Catherine Thompson.

Louise and Caroline Ryberg will spend their vacation in Pittsburgh, as the guests of Prudence Rombeau.

Pauline Beaverson will spend her vacation in Toledo, Ohio.

Eileen Dillon will spend her Christmas vacation in Huntington, Ind.

Willis Klein will spend his Christmas vacation in Dola, Ohio.

Dorthea Kohlmeier, Katherine Thompson, Melvin Richendollar and Arthur Distel attended the South Side Montpelier game and afterwards were entertained at Dorthea Kohlmeier's home.

Mrs. West entertained her class from the Simpson Methodist church at her home on Cornell Circle recently. A delightful luncheon was served and many games were enjoyed by the following girls: Juanita Tulley, Ruth Watkins, Eldora Colson, Gertrude Snyder, Garnet Smith, Virginia Pollock, Wanetta Brown, Dorothy Crawford, Marie Brown, and Versal Mullen.

Florence Clements spent the week-end visiting in the country near Fort Wayne.

Frank Bernhardt visited in Kendallville over the week-end.

Catherine Thompson will spend her Christmas vacation in Indianapolis visiting relatives.

Clarence Gruenert spent last week-end in Valparaiso, Ind., as the guest of relatives.

Louise Grossman and Iola Wilkinson expect to spend their Christmas vacation in Angola.

Dorothy Keener entertained the members of the B. C. A. Sunday School class of the Westfield Presbyterian church on Brooklyn avenue recently with a lovely Christmas party. A short business meeting was held, after which games were enjoyed. A pot luck lunch was served. Those who enjoyed the affair are Mildred Hazlett, Velma Smeaders, Donna Snyder, Florence Clements, and Thelma Keener.

Esther and Gladys Shaw expect to motor to Battle Creek, Mich., with their father during Christmas vacation.

Kathryn Wescher, DeNeal Pfeiffer, Hazel Sloan, and Kathryn Sellers enjoyed a theatre party Thursday evening.

Faynelle Filler entertained a number of her most intimate friends at her home last Friday evening. Those present were Agnes and Alice Wehmer, Marie Rudolphson, LaVon Blue, Emma Riggs, Louise Krill, Bertie Bennett, Ethel McMillan, Mariella Connors and Anna Henry.

Emma Riggs, who has been visiting in St. Petersburg, Florida, since September, has returned home.

Miss Kelly's mother from Montpelier spent the week-end here, where she attended the Montpelier-South Side game.

Marguerite Rahe was hostess to a number of her friends at her home on East DeWald street Saturday evening. Prizes in hearts were awarded to Margaret Mailand, Mervyn Welch, and Mary Hale. Late in the evening a delicious two-course luncheon was served to Catherine Fries, Catherine Childers, Marguerite Schiwer, Mervyn Welch, Jean Herd, Margaret Mailand, and Mary Hale.

Marjorie Volever, of Fox avenue, recently visited her grandparents at Delphos.

Helene Foellinger entertained Friday evening with a dinner party at her home on Indiana avenue. Games and dancing were the features for the evening. Covers were laid for Virginia Danuser, Jean Gillie, Boyd Annis Thomas, Katherine Gould, Betty Pinner, Helen Hilgeman, Virginia Hackney, Elizabeth Suter, and Margaret Pocock.

Robert Schopf will spend his Christmas vacation at Kendallville, the guest of Fay Vandierben.

Dexter Havens will spend his Christmas vacation at Detroit, Mich.

Margaret Hemerick will spend her Christmas vacation at Detroit, Mich.

Esther Speelman will spend her Christmas vacation at Indianapolis.

Lillian Springer will be at Chicago during Christmas vacation.

Edith Kyler will be the guest of friends at Plymouth, Ind., over vacation.

A delightful dinner party was given by Amelia Dilline last Friday evening. Those who attended the affair are Kathryn Twining, Neenah Knight, Dorothy Troendle, Hildegard Seibel, Greta Astrom, Dorothy Niebergall, Dorothy Underwood, Wilda Bowser, Dorothy Wilkens, Betty Hutchens, Phyllis Toothill, Marjorie Reeves, Mary Hughes, Louise Fredericks, Devona Kahr, Marjorie Horstmeier, Bernadine Bennett, Eleanor Williams, Evelyn Metsker, Dorothy Horstmeier, Jane Bassett, Ruth Horstmeier, Helen Shiner, and Marguerite Luecke.

Wilbert Morgan, of Chicago, visited in South Side recently. He is a graduate of Morgan Park Military Academy of Chicago, where he was a fellow student of LeRoy Shine.

LeRoy Shine attended a dinner given for the Tom Brown Orchestra recently. He was the guest of Wilbert Morgan.

Marcella Shalley is entertaining a number of her friends with a Christmas party at her home on Sutfenfield street.

Eileen Heuer entertained her most intimate friends with a formal dance at the West End Dancing club Saturday evening. Those who were present are Virginia King, Marguerite Luecke, Dorothy Troendle, Diddy Dilline, Dorothy Somers, Marjorie Horstmeier, Virginia Seemeyer, Isabelle Wilkinson, Mary and Martha Brothers, Grace Leslie, Jean Baldwin, Maxine Rahe, Margaret Metzner, Dorothy Scott, Louisa Fredericks, Betty and Mary Granger, Hazel Menefee, Wilda Bowser, Jane McBride, Marjorie Reeves, Kathleen Greer, Diana Cox, Eleanor Williams, and Leslie Emerson, Winfield Ray, Jack Rodabaugh, Don McLucas, Jim Miles, Tom Somers, George Simons, Eddie Dobler, Clinton Newman, Van Bowser, Bill McMahon, Bob Adams, Carl Young, Luther Pohl, Paul Marrs, Eddie Hale, Bob Scheumann, Tom Scott, Bob Gardner, Gordon Divers, Bob Porter, Stephen Miles, Jack Clayton, Paul Schroeder, Tom Brothers, and Leland Johnson. Music was furnished by Pauline Miller and Maurice Olds.

Marjorie Homsher, of Hoagland avenue, had as her guest over the week-end Vera Kessler, of Van Wert.

A theatre party was recently enjoyed by Alma Fishback, Margaret Stocks, Juanita Brown, and Irma Fishback.

Mary and Martha Sherman will spend the Christmas holidays at Columbus, Ohio.

Betty Fonner will visit relatives in Decatur during the Christmas vacation.

Gertrude Bradley and her mother motored to Van Wert, Ohio, last week-end.

Gerry DuWan and Walter DuWan motored to the Kendallville-Columbia City basketball game last Saturday. Gerry saw some of his old team-mates in action.

Hubert Hayner will spend his Christmas vacation at Cumberland, Maryland.

Ruth Bolerjack will visit relatives in Columbia City, Indiana, Christmas day.

Margaret McCreary and Jeanette Blough will entertain several guests at a Christmas party.

## Four Get Cheated on Birthday Gifts

*Have To Combine Christmas and  
Natal Day; Get Only One Set  
of Presents.*

Santa Claus wants to wish the following people who have birthdays Thursday and Friday, "A Merry Christmas" as well as "many happy returns" of the day:

Wilma Kayser, December 24.  
Mary Drage, December 25.  
Marjorie Reeves, December 25.  
Harold Kern, December 25.  
Noble Sprunger.

Christmas should bring to these people not only presents from Santa but also birthday gifts. The Times wishes to console them, besides congratulating them, since they are deprived of one set of gifts when their birthdays come on Christmas or near it.

Greta Astrom entertained a number of her friends with a dinner party at her home on Wildwood avenue Saturday evening. Covers were laid for Hildegard Seibel, Jeanette Stults, Camilla Waterfield, Evelyn Metsker, Neenah Knight, Dorothy Troendle, Betty Hutchins, Florence Kendrick, Mary Hillis, Miles, Marjorie Reeves, Mary Hughes, Phyllis Toothill, Marjorie Horstmeier, Bonnie Bennett, Kathleen Greer, Martha Brothers, Katherine Dye, Janet Egely, Marjorie Egely, Charlotte Stier, Kathleen Holden, Mary Martha Snook, Margaret Smenner, Mary Cooper, and Harriet Boyce, of Muncie.

Jean Gillie will spend the Christmas holidays at Columbus, Ohio.

Mary Pumphrey will spend the Christmas vacation in Toledo, Ohio.

Miss Pittenger intends to visit her mother in Indianapolis during the Christmas vacation.

Doris Jackson will visit friends in Van Wert, Ohio, during Christmas vacation.

Frances Cozik and Reba Andrews were the guests of Matilda Boester of Holgate, Ohio, last week-end.

Doris Jackson, Esther Bowman and Dick Oberholtzer combined in entertaining several friends at a Christmas party last Monday. Dancing and games were enjoyed during the evening. The guests were, Mildred McCune, Virginia Bell, Mildred Scott, Mildred Tons, Alice Mason, Ruth Bell, Frances Cozik, Reba Andrews, Winifred Gunter, James Miles, Cheslene Plasket, Gerald DuWan, Willard Harlan, Ward Echart, Bill McMahon, Jack Bell, Gordon Diver, Everett Berry, and Bertrow Fultz.

Catherine Thompson will spend her vacation in Indianapolis.

Versal Mullen entertained the members of her club with a dinner-bridge at her home on Wildwood avenue. Christmas gifts were exchanged by all of the members. Those who attended the affair are Garnet Smith, Rosemary Spore, Gladys Rhorer, Catherine Blackwell, Esther Ballard, Marie Brown, and Juanita and Opal Kesteron.

Garnet Smith entertained a number of her friends at her home Saturday evening. Dancing and games were enjoyed by the following: Esther Ballard, Versal Mullen, Juanita Tulley, Marie Brown, Rosemary Spore, and Catherine Blackwell.

Richard Balmer will visit friends and relatives in Bluffton and Lima, Ohio, over Christmas vacation.

Wilhelmina Rapp entertained Winifred Englehart over the week-end, at her home on South Webster St.

Irene Paul gave a delightful Christmas party Thursday evening. Bunco and dancing were the features of the evening. Prizes were won by Vera Bruns and Madolyn White. Others who were present are Velma Rolf, Pauline Hilbish, Virginia Woebekeing, Lenora Nachtigall, Evelyn Jacobs, and Virginia Kinerk.

## New System of Judging Debates Used For First Time in This City

**All Members of Losing Teams  
Believe One-Judge Plan Better  
Than Old Method.**

The one-judge system of judging a debate was used for the first time in Fort Wayne when South Side's negative met Bluffton's affirmative team on December 11. It was again used in the South Side-Leo debate last Friday.

Professor Fred Conkling, debate coach and professor of public speaking at Manchester College, judged both debates.

**Explains Decisions**

In an explanation after the debate, he said that his decision was based on three things: first, platform address; second, case; and third, skill in handling argument. Under platform address, he considered gesture, voice, ease in delivery, directness, and courtesy toward opponents.

His judgment of the constructive speeches was based on the idea that the affirmative should assume the burden of proof and should build up a case and the negative should tear down the direct proof of the affirmative. The third consideration, skill in handling argument, included the team work and pure rebuttal of the two teams in the debate.

**Schools Use Old System**

Many colleges have been using the one-judge system for several years, but high schools have ordinarily just kept on using the old system, which provided for three persons, having different occupations, who would each decide upon the winner independently of the others.

There has always been some dissatisfaction about this plan, for in nearly all cases men and women have been used who were not especially qualified for the work, since it would cost a good bit of money to hire experts.

**One-Judge Method Liked**

In nearly all cases where the one-judge plan has been used, it has met with approval. After the Bluffton debate, the members of the losing team called the new system "fine," "splendid," and "the best thing out."

One of Bluffton's speakers even said to one of the winning team, "We know now that you deserved to win."

Bluffton's coach, according to Mr. Null, who was chairman at the debate, seemed to be very enthusiastic about the plan.

**Leo Approves**

When Leo lost to South Side, one of the losers said the one-judge system was "all right," another said particularly that she liked it and still another, when asked how she liked it, said, "Oh, I liked the judge."

"But how about the system?" asked Ruth Eickmeyer, captain of South Side's team.

"Well, I liked that, too," was the reply.

Another of Leo's team said, "This system is much better than the other three-judge system, because it enables all to find the weakest places in the speeches."

Mrs. Marchon, debate coach at Leo, said, "The one-judge system is a benefit to debaters. They can more fully understand why they had won or lost. Someone other than the coach is in a much better position to criticize the delivery and speeches."

**Judge Writes Explanation**

At the debates, Professor Conkling told just how he reached his conclusions. Then, a few days after each debate, he mailed his criticisms and suggestions about the team to Mr. Makey, South Side's debate coach, and to the coaches of the teams that debated here.

# STUDENTS KNOW TOO MUCH; CAN'T END LATIN MATCH

Twenty-Seven Latin 1 Students Can Not Be Eliminated in Vocabulary Contest

## FINALS ARE IN JANUARY

Second Attempt Will Be Made To Select Winners in Beginning Freshman Division

Twenty-seven Latin 1 and four Latin 2 pupils remained undefeated when the contestants in the two Latin vocabulary matches held last Wednesday and Thursday afternoon in room 86 had run the gauntlet of synonyms and word meanings. A second attempt will be made after vacation to eliminate more of the Latin 1 contestants and pick the few best vocabulary students in this division.

Sixty students took part in the Latin 1 contest, and forty in the Latin 2 battle, each of the classes contributing ten pupils, winners of the preliminary contests. All of the Latin 1 and 2 students participated in the preliminary examinations.

### Nearly Half Remain

First casualties in the Latin 1 contest came when the Latin-English word lists were given, a little over ten per cent of the contestants being eliminated by this test. The English-Latin words were next given out. At the exhaustion of this list, twenty-seven students were still undefeated. As time would not permit, it was decided to put these survivors to a further test in January.

The twenty-seven who will compete again are:

William Day, Alice VanBuskirk, Betty Ward, Minnie Kopp, Philip Balmer, Charles Eickhoff, Alice Parr, Irma Holmes, Thomas Derloshen, Charles Gruenert, Walter Bauer, Dorothy Likins, Paul Ayer, Alice Cowan, Doris Davenport, Marie McDowell, Hilda Hughes, Pauline Thompson, Clara Stephani, Marcelle Bosserman, Mary Goodrich, Lura Heaton, Marcella Somers, Ruth Brist, Albert Simminger, Wilfred Baumgartner, and Walter Beckman.

### Only Four Survive

The winners in the Latin 2 contest are Katherine Pepper, Richard Kent, Mary Newby, and Dorothy Rinehart.

### Best In Latin 1

Besides the twenty-seven Latin 1 survivors, the following were winners in their respective classes: Alfred Baade, LaVerne Harader, Eileen Dillon, Virginia Orr, Lucille Sorg, George Simminger, Mildred Burt, Violet Beeker, Robert Adams, Clark Leips, Ernst Rurode, Catherine Suter, Wilma Bummer, Marjorie Woolver, Winifred Horn, Herbert McIntyre, Howard Morton, Hart Schaaf, Helen Hockett, Vernon Merchant, Wilbur Hazelett, Carl Martin, William Rastetter, Bartlett Ewell, Donald Carpenter, Martha McAnish, Carl Schmalt, Henry Mizer, James Scott, Herbert Somers, Mildred Bieberstein, Nellie Buchan, and Francis Jones.

### Latin 2 Contestants

The names of those who had won out in the Latin 2 preliminaries, as the representatives of their classes, follow: Martha Lee, Hilda Sellers, Rosanna Haven, Maxine Bennett, Clara Baumgartner, Virginia Ruser, Kathryn Dancer, Robert Pence, Herbert Volz, Marthana Brothers, Anna Barrett, Jack Niebergall, John Astrom, Arthur Beddoes, Ivan Esterman, Alma Sigrist, Howard Craig, Gertrude Grayless Grace Coudert, Burdell Markwalder, Hester Meek, Bartlett Fletcher, Donald Marvel, Robert Bill, Bernice Allen, Ruby Shirk, Harold Morris, Richard Pinkham, Dorothy Roembke, Helen Hines, Violet Lehman, Robert Hickey, Gertrude Fowler, Helen Smith, Joe Little, and Andrew Filler.

The teachers have nothing but praise for the way the boys and girls acquitted themselves.

## Seal Sale Progressing; Tomorrow is Last Day

Christmas seals are being sold in the office. So far \$16.10 worth have been disposed; \$12.50 worth of these were bought by the Times. The seals will remain on sale until Wednesday night.

## Junior Officers Choose Class Faculty Advisors

Miss Burns and Mr. Schmalzried were appointed faculty advisors of the junior class at the meeting which was held last week.

### Teachers Plan Vacations

Miss McCloskey will spend the vacation in Fort Wayne and Bloomington, Ind. While in Bloomington she expects to make several visits to her dentist. Miss Rinehart will take advantage of the Christmas vacation by getting settled in her new home at 205 McKinzie avenue. During the holidays Miss Demaree expects to visit in Indianapolis and Bloomington. While in Bloomington she will be the guest of her brother and his family. Miss Ley will spend a part of the holiday vacation in the state of Ohio.

### Return for the Holidays

Eleanor Church, '25, has returned from Wittenberg College to spend the holidays with her parents. Virginia Gaskins, '24, has arrived in the city from Perry Hall, Lake Forest, Illinois, to spend the holidays with relatives.

### Home From College

Doris Speaker, a graduate of the class of '25, who attends Butler College, Indianapolis, will spend her vacation with her parents on Branning avenue.

### Quits School

Mildred Tons has quit school because of the illness of her mother.

## Domestic Science Teachers Suggest Various Recipes for Christmas Candy

**Ways of Making Taffy, Marshmallows, Butter-scotch, Peanut Brittle, Caramels Given.**

Christmas time means candy time for most people. Sweets are always in demand and home-made goodies are often much preferred to "factory-made" candy. Why not make some in your own kitchens for this year? Miss Spake and Miss Mendenhall, teachers in the domestic science department, suggest that the following kinds of sweets will be tasty for the Christmas week:

### Almond Taffy

1 lb. loaf sugar  
1 cup water  
4 oz. almonds  
1 pinch cream of tartar.  
Method: Blanch almonds and dry in oven. Melt sugar in water, add cream of tartar and boil to 310 degrees. Shake in almonds and pour into oiled tins.

### Marshmallows

2 cups sugar  
1 1/4 cup water  
1/2 box or 2 level tablespoons gelatin  
1 teaspoonful vanilla  
Pinch of salt.

Method: After gelatin has soaked for five minutes in half the water, place the remaining water with the sugar, over fire and boil to 238 degrees. Add the gelatin. Let stand until partially cooled. Add flavoring and salt. Beat until the mixture becomes white and thick and then pour one inch thick into pans that have been thoroughly dusted with powdered sugar. When chilled, loosen the edge with a sharp knife and turn out on a board, cut in cubes, and roll in powdered sugar. For variety chopped raisins may be stirred in the mixture just before beating.

### Butter Scotch

1 lb. loaf sugar  
1/2 lb. butter  
1 pint milk  
Pinch of cream tartar.  
Method: Melt sugar in pan with milk, then stir in cream tartar and butter little by little. Boil until thick or to 295 degrees. This temperature gives a brittle butter scotch. If desired softer use a lower temperature but no lower than 245 degrees depending on the consistency wanted. Pour out into oiled tins and work in squares when cool. When cold break into pieces and wrap in oiled paper.

### Peanut Brittle

2 cups sugar  
1 cup chopped peanuts  
Pinch of salt.  
Method: Melt the sugar without

water in frying pan. Stir with wooden spoon constantly until clear and light brown; then pour over the peanuts and spread on a buttered pan. While still warm cut into squares.

### Maple Caramels

1/2 lb. granulated sugar  
1/2 lb. corn syrup  
1 1/2 oz. butter  
1/2 lb. maple sugar  
1 pint milk  
1 pint cream  
1/2 teaspoon cream tartar.

Method: Place the sugar, corn syrup, and butter in a sauce pan with cream and stir until it boils well. Cook to 244 degrees. Place pan immediately in cold water to prevent further cooking. Pour into oiled slab between bars, or into greased tins. Cut into caramels when cold and wrap in wax paper.

### Pulled Taffy

2 cups sugar  
1/2 cup vinegar.  
1/2 tablespoons butter  
1 cup water  
1 teaspoonful vanilla  
1/2 teaspoonful lemon extract.  
Method: Boil sugar, butter, water, and vinegar until a drop forms a hard ball in cold water. Do not stir. Flavor, pour on buttered platter and pull as soon as possible.

### Drops Chemistry

Helen Masters has dropped chemistry for this semester because of illness.

# VALUABLE BOOKS GIVEN TO LIBRARY BY RAHE FAMILY

American History and Encyclopedia of Music Presented by Ed, Marguerite, and Phil Rahe

## IS BEST SET OBTAINABLE

Music Department Will Be Greatly Aided by Use of Books in Reference

A very valuable set of books has been presented to the school library by Edward, Marguerite and Philip Rahe. The books are titled "The American History and Encyclopedia of Music," and the set consists of twelve books, covering the subject of music in every detail.

The first and second volumes contain Musical Biographies and Operas. One book covers American Music, another deals with the entire subject of Foreign Music, while the other books cover the Essentials of Music Instruments, Oratorio and Masses. The books are about twelve inches high, seven inches wide and two and one-half inches thick.

### Presented from Rahe Library

This set of books was taken from the Rahe's own library and presented to the one at the school.

Edward Rahe, who is now studying at Purdue, graduated from South Side last June. While he was at South Side he was prominent in athletic activities, playing three years on the varsity football team, and captaining the 1925 track team.

Philip and Marguerite are now students at South Side. Philip, 1925 football captain and varsity basketball man, will graduate in June. Marguerite is now a sophomore.

### Books Are Appreciated

"The library has been trying to get this set of books for some time, but, owing to the price, has not been able to get them," Miss Shulze, librarian, says. She also states the books are very valuable in connection with the work of the music department which has been considerably handicapped by not having the necessary amount of literature dealing with music.

### Set Is Complete

The set of books are the most complete set of books on music that can be obtained.

# Substituting Has Pleasures for Teacher, Mrs. Dawson Reveals in Interview

Variety of Calls Keeps Up Interest; Hard Work Is Also Required.

"One nice thing about substituting is that I do not know what I have to teach next. It may be mathematics, history, English or Latin. But whatever it is, I like it," said Mrs. Dawson, who has charge of Miss Work's classes.

Mrs. Dawson has taught here before, having charge of the overflow in the English and history departments. She has also taught in the Eastern State College for Teachers in Illinois, and in schools of Montpelier, Ossian, and Decatur, Indiana.

### Work Sometimes Difficult

Many of us think that the job of a substitute is easy; but it is not. For example, the substitute may have been called upon short notice and the regular teacher has not had a chance to outline the work for the day or the week. Here she is at the mercy of the class. However, if the students are good sports—all right; otherwise pity the "sub."

Another thing, the class is probably strange and this makes it doubly hard to keep the work interesting and running smoothly.

### Extra Study Often Required

Again the substitute may not have taught the subject she is called upon to teach for several years previous, and here again she is handicapped. As Mrs. Dawson said, "In mathematics and Latin I feel perfectly at home but when it comes to English or history—well, I would rather have time to study some."

Although it is a hard job, substitutes seem to like it. The variety of the thing—not knowing what subject they may have to teach next—put fun into the job, and they are constantly accumulating a broader experience in teaching. So, all in all, they have as much fun as we do when we have them.

# D. SOMERS ENTERTAINS PHILAETHIAN SOCIETY

Stockings of Candy Given Members by Santa Claus; Former Club Girls Are Guests

Members of the Philaethian Literary society were entertained at a lovely Christmas party Monday evening at 5 o'clock by the club president, Dorothy Somers, at her home on Packard avenue.

During the evening bunco and dancing were enjoyed. Every member was presented with a stocking full of candy by Santa Claus, who just happened in.

Several former members of the society were guests of the evening.

"The Store That Does Things"

# SOUTH SIDE NET FANS TO SEE FIRST YEAR'S TEAM IN ACTION

## ALUMNI MEETS VARSITY FIVE IN ANNUAL GAME WEDNESDAY

Both Teams Have Put on Finishing Touches for Battle; Large Array of Stars in Ex-varsity Line-up; Will Be Treat for Fans

## VARSIITY IS READY FOR HARD FIGHT

Large Crowd Is Expected to Turn Out for Fray; Many Alumni to Witness the Game; Exact Line-ups for Both Teams Is as Yet Unknown

Basketball fans will get a treat tomorrow night when the South Side varsity plays the alumni in the second annual contest. Last year the grads downed the Green by a score of 31 to 19 in an easy game and will get together again to try to repeat.

**Stars Will Be Back**  
Among the alumni who will see action tomorrow are Alan Fromuth, star of two years ago. "Red" will be back again with two more years of excellent experience at Indiana and Butler Universities. Fromuth was chosen captain of the Butler freshman football team this year.

Norris, ex-team mate of Fromuth, will also play and will probably jump center. Since he left South Side he has played on the Northwestern University freshman team and at the present time is playing on a leading amateur team of this city.

**Two ex-Captains to Play**  
Ex-Captains Wilkens and Brubaker will be on deck when the whistle blows for the start of the game.

The defense will be taken care of by Bill Thiele, "Willie" Wyss, Plasterer, and Don Parker. All of these men have seen at least one year of action on the Battle Green varsity and have been having practice in preparation for the annual fracas.

**Varsity Ready to Go**  
Using the same combination which was used successfully in the last two starts, the South Side varsity will stack up against the grads, determined to even up the count.

With the season progressing and with more practice the present team is rounding into the old time form and might surprise the alumni team.

**Big Crowd Expected**  
This is one of the best games of the season and the gym is expected to be filled to capacity as there are many alumni who will be present to see the veterans take on the present team.

The probable line-ups:

Alumni	Varsity
Fromuth.....F.....	Willson
Wilkens, Brubaker.....F.....	Rahe
Norris.....C.....	DuWan
Parker.....G.....	Sprunger
Thiele, Wyss,.....G.....	Wiener
Plasterer.....G.....	

## FACULTY FIVE LEADS CLASS LEAGUE RACE

Seniors and Sophomores Have Easy Games While Juniors Give Mentors Hard Tussle

Class League Standings	W.	L.	Pct.
Faculty.....	3	0	1.000
Seniors.....	2	1	.666
Juniors.....	2	1	.666
Sophomores.....	1	2	.333
Freshman I.....	1	2	.333
Freshman II.....	0	3	.000

The faculty-junior fracas, in which the faculty finally won out 30 to 19, was the most interesting game of the class league series played Tuesday evening. The game was a nip and tuck affair with the juniors playing on even terms with the mentors. The score at the half was 14 to 14.

Gilbert led the scoring with six field goals and Mendenhall closely followed with five. Yaggy went the best for the juniors caging four markers. The faculty five was greatly strengthened by the services of Mendenhall, Central coach.

The other games were not so interesting, the seniors having an easy time with the freshmen I, 21 to 7; and the sophs downing the freshmen II, 12 to 3.

Faculty (30)	Juniors (19)
Heine.....F.....	Yaggy
Mendenhall.....F.....	Feustel
Gilbert.....G.....	Dissinger

Jerry DuWan 1925-26

## GIRLS WILL STAGE ROUND-ROBIN MEET

All Who Practice Regularly May Enter; Will Meet Varsity Near End of Season

"After Christmas we're going to play a round-robin tourney in basketball," Miss Patterson, girls' athletic coach, announced yesterday. "All girls who have been coming out for practice, and have kept training rules, will get a chance to play in at least one of the games."

Each class team will play every other team twice, and the members of the team winning the greatest number of games will be the class champs. This team and probably the other class teams will play the varsity some time later in the season.

**Plan Game with Central**  
An all-star team representing all the class teams will play two games with Central. So far the exact date for these two contests has not been set. A practice game will probably be scheduled with some Y. W. team, to give the girls practice before they meet Central.

**Many Out for Practice**  
The girls who have been out for practice this week, and who will be eligible to enter the class tournament, are:

Seniors—Lillian Springer, Mary Alice Tannehill, Ruth Watkins, Beatrice Huzenar, Maxine Schneider, Elva Miller, Violet Fell, Isabelle Walters, and Mildred Berlien.

Juniors—Glady's Guehard, Virginia Bourns, Velda Nobles, Mildred Koster, Winifred Englehart, Clota Hixon, Gertrude Brower, Elizabeth Augspurger, Doris Baur, Maxine Idle, Florence Phelps, and Marcella Shalley.

Sophomores—Ima Miller, Wilma Kronmiller, Jeanette Rank, Bernice Jenkins, Renges Azar, Eleanor Wilson, Helen Sherbondy, Grace Hart, Marjorie Crick, Gwendolyn Harter, Leola Foster, and Jane Walker.

**Freshmen Have Most**  
Freshmen—Audrey Heckler, Lillian Shuler, Margaret Jones, Helen Hockett, Mary Lavin Sherrick, Dorothy Gollmer, Francis Koster, Eleanor Duppen, Margaret Scheuman, Lucille Gollmer, Mary Jane McMillan, Virginia Orr, Beulah Patterson, Catherine Suter, Ruth McGuire, Martha Lee, Enid Stillwell, Ann Barrett, Kathryn Yabne, Ruth Bennhoff, Gladys Crick, Carol Koerber, Martha Jones, Mary Jane Newby, Betty Ward, and Isabell Collins.

## ALUMNI TO ATTEND GAME FULL FORCE

Paul Hahn to Stir Up Enthusiasm of Graduates; Planning No Stunts

Invitations to the alumni-varsity game tomorrow night were sent to all the alumni by John Koepf, president of the class of 1923. The "grads" will sit in a reserved section.

Paul Hahn, South Side's former yell leader, will be in front to set the pace as the alumni give vent to their stored up energy. "The game will be over in time to allow you to indulge in whatever entertainment you have planned for the rest of the evening—from dances to rocking the latest trouble to sleep," Koepf states in his letter. No stunts will be given by the alumni this year.

## NEW FINANCIAL HEAD INTERESTED IN JOB

Mr. Davis Likes New Position; To Referee Many Basketball Games

Mr. Davis, who has succeeded Mr. Greely as athletic manager, likes his new position.

"I like the work because I'm becoming better acquainted with the team by traveling to the games with them. The greatest difficulty is in straightening out the schedule and other technicalities," he said.

At present Mr. Davis has contracted to referee basketball games on Tuesdays, Fridays and Saturdays. He has a man to take his place at the high school games when he is away. Next year he hopes to be able to attend each inter-school athletic contest.

## Net Schedule

An addition has been made to the basketball schedule. Emerson of Gary has been added to play here February 27. The remaining schedule is:

- Jan. 8—Richmond—there.
- Jan. 9—Hartford City—here.
- Jan. 15—Wabash—there.
- Jan. 16—Shelbyville—here.
- Jan. 19—Central—here.
- Jan. 22—Garrett—here.
- Jan. 23—Peru—there.

## Every Friday is Day Set for Letter Men

Every Friday will hereafter be called "Letter Men's Day," when all owners of the "S" will sport them. Several of the lettermen have mentioned the fact that a day should be laid aside every week for the lettermen, when all the lettermen in the school should wear their sweaters. The "Letter Men's Day" was started by Jimmy Willson and Noble Sprunger one day in the gymnasium during a pep meeting and it met with instant approval.

# GREEN AND WHITE TRIM MONTPELIER IN FIRST VICTORY

Fightin' Green Shows Much Improved Play Over That of Last Week; Montpelier Lacks Team Work

## SPRUNGER IS LUMINARY

Reserves Win Hard-Fought Game From Oil City Seconds; Fleming Tallies Most Points

The South Side basketball, playing a fine brand of basketball, won their first game of the season by wallowing Montpelier high 34 to 13, in the local gymnasium on December 11.

Displaying a better passing game than in the opening contest with Auburn, the Kelly Klads swept the Montpelier squad before them in a shower of baskets.

The guarding also was exceptionally good, allowing the visitors only four field goals throughout the entire game and forcing them to shoot at long range.

**Is Outstanding Player.**

Sprunger started with four field goals and also played one of his best floor games. He broke up plays time and time again which would finally result in a tally for the Green. Captain DuWan, although not playing the entire game, caged three markers from the field and he also played a good defensive game. The team as a whole played a fine game but there is still room for improvement.

The Oil City squad fought hard to the finish although it was evident that there was no hope for a victory, as the Kelly Klads gradually drew away from them. In the second half, they were shooting at long range but were unable to connect. Hoskins topped the scorers with five shots from the charity line and one field goal. He played the best floor game for the visitors.

**Start with Bang**

South Side started off with a rush when DuWan tapped the ball to Sprunger, who made the shot good. Miller tied the score a while later when he dropped the leather through from mid-distance. Hoskins put the Wilsonites in the lead for the first and last time with a follow-up shot.

DuWan tied the score again with a short shot after much passing. Distel sent the Fightin' Green into the lead two points with a pretty shot from off the backboard. Montpelier then took time out.

When play was resumed the South Siders kept up their attack and Rahe tossed one in after some nice passing. Hoskins made two free throws. Distel looped one in from the side and Sprunger shot a foul as the gun ended the half. Score at the half: South Side 13, Montpelier 6.

**Second Period**

Wambagans started the second half with a marker from in front of the basket. DuWan tapped one in from underneath and a moment later Hoskins made two free throws. Sprunger sent the ball through the hoop from about mid-distance and Willson broke away for two nice shots.

Sprunger dribbled in for a basket and Simon put two through the net. Miller caged a basket and a moment later Wambagans dribbled underneath for another marker. Soon after the gun ended hostilities with South Side victors by a 34 to 13 count.

**Lineup and summary:**

Montpelier (13)	South Side (34)
Hoskins	F
Miller	F
Wallsmith	C
Needler	G
McGeath	G
	Weiner

Substitutions—Willson for Distel, Simon for Rahe, Carto for DuWan, Wambagans for Sprunger, DeHaven for Weiner, DuWan for Carto, Sprunger for Wambagans, Weiner for DeHaven, McCormick for Sprunger, Carto for DuWan, Distel for Willson, Rahe for McCormick, Wambagans for Simon, Branstor for Hoskins, Parks for McGeath, Hoskins for Branstor, Branstor for McGeath. Field goals—Sprunger 4, DuWan 3, Miller 3, Distel 2, Willson 2, Simon 2, Wambagans 2, Hoskins. Free throws—Hoskins 5, Sprunger, Weiner, Referee—Hyland (Decatur).

## RESERVES ALSO WIN

Win by Five-Point Margin After Close Contest

The Reserves also won out against the Montpelier Reserves in a hard-fought preliminary game by the score of 28 to 23. Both teams started off with a rush and it was anybody's game until the final gun. The score at the half was 10-14 in favor of South Side.

**Fleming Stars**

Fleming led the Green scorers with six field goals. Neff was the best for the visitors with six markers also.

After the beginning of the second half, the Green and White drew away from the visitors but shortly before the end of the game Neff, who had been hitting the basket consistently shot the Montpelier quintet into the lead. Both teams then played doubly hard and finally Fleming sent the leather through the hoop to give South Side the lead 22-21. This seemed to be the turning point in the battle and the Kelly-Klad Reserves led by five points at the end of the game.

**Lineups and summary:**

Montpelier (23)	South Side (28)
Sharp	F
Bennett	F
Hardin	C
Neff	G
Shull	G
	Schopf

Substitutions—Feustel for Michelle, Lang for Lighthill, Bell for Rastetter, Bennett for Schopf, Michelle for Feustel, Lighthill for Lang, Feustel for Lighthill, Schopf for Bennett. Field goals—Fleming 6, Feustel 2, Lighthill, Bell 3, Schopf 2, Bennett 2, Neff 6. Free throws—Lighthill 2, Sharp 2, Neff. Referee—Murch.

## Future Green Cagers Are Picked

At top: Ward and Walter Gilbert. At bottom: Ben Alan Harris, John R. Virts, Walter Thomas. The South Side basketball team for 1940 is all doped out. Although the players are now babes less than one year old they have fourteen years to grow and develop basketball muscles. Mr. Harris, Mr. Virts, Mr. Thomas and Mr. Gilbert are the fathers of these future stars.

**Twins Should Be Stars**

If heredity has anything to do with basketball ability, Ward and Walter Gilbert should prove stars of the first magnitude.

From the present appearance of Ben Alan Harris, he will make a second Fromuth. If he keeps on growing as he has since last December 23, he will prove a good back-guard.

John R. Virts will no doubt be our Walter Thomas is picked for center. Future Success Is Sure

The parents of Abraham Lincoln and George Washington had no idea what fame their sons would attain. But the parents of these five husky babies, do anticipate, while they walk the floor with them, great futures for their sons.

When Wardo hears his two infants trying to put harmony in a duet, he can hear the crowd yell, "Rah! Rah! Gilbert." "Three Raes for Gilbert!"

Mr. Harris has already begun to train Ben Alan—he is to make another Alan Fromuth. As one picture shows, he knows how to handle the bawl.

John Virts is already practicing the stopping of the flashy offensive of Central's state champion basketball team. He can cover the floor in fine style.

Walter Thomas, center of this all-star quintet, is practicing jumping with his father in order to outjump the opposing team's center.

The prospective line-up is as follows:

Ben Alan Harris—back-guard. Walter Gilbert—forward. John Virts—floor guard. Walter Thomas—center.

## COLLEGIATE FIVE LOSES OPENER TO HUNTINGTON

Athletics Defeat Newly-Organized Five in Good Game by Score of 33 to 31

The Fort Wayne Collegiate Five, composed of Wardo Gilbert, Al Heine and Don Currie from South Side, and Mark Bills, and Murry Mendenhall from Central high school, and Her-shall "Skinny" Miller, former Anderson high school player, lost their opening game to the strong Huntington Athletics, 33 to 31.

A record crowd was in the coliseum to see two of the best teams in Northern Indiana play.

Heine and Mendenhall were former Legion players and are well known in state net circles. Bills is one of the Decatur Leader mainstays, and all are well liked in Huntington.

**Athletics Take Lead**

At the opening of the game the athletics were hot and soon had the Collegians trailing by seven points. Mendenhall, Bills, and Wardo soon located the basket and brought the score to more even terms while Heine was forcing the Athletics to shoot from long range.

The Huntington team sank some beautiful baskets with Cozad on the sending end. The lead at the half-time was 17 to 10.

**Collegiate Close Gap**

Currie was substituted for Wardo in the second half, and Mendenhall, Bills and Miller proceeded to hit the net. The score was soon brought to a 29 to 29 score when Huntington scored two more field goals with a couple of minutes to play remaining. This sent the crowd insane with excitement.

Mendenhall dribbled in under the basket to count a short one, but the time was too nearly gone to overcome the 2-point lead held by Huntington.

The final score read 33 to 31 with Wardo, Bills and Mendenhall starring on the offense, and Heine on the defense.

## ALL STATE GRID TEAMS SELECTED BY SPORT EDITORS

Jasper and Schopf Make Third Team; Sprunger, Nulf, Rich, Steigler, Evard Mentioned

## TWO ON CONFERENCE TEAM

Richendollar and Nulf, Stellar Pair, Rewarded for Efforts During Past Season

The 1925 All-State high school football team has been chosen by the Indianapolis sport writers. Most of the high school officials have written to Indianapolis mentioning certain players who should be picked on the all-state team, basing their facts on records made by the players mentioned.

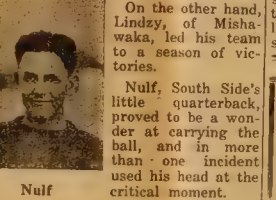

**Put on Third Team**

The team is made up almost entirely of players in the southern part of the state. The best talent in Fort Wayne made only the third mythical eleven. Jasper, of Central, and Schopf of South Side, were placed on the third team, while Steigler, Evard, Sprunger, Nulf and Richendollar received honorable mention for their playing last season.

Captain Jim Baker, of Central, and Kennirk, Central Catholic, two of the best players in the city, were overlooked entirely by the judges in Indianapolis.

**George Loses Place**

George, of Muncie, quarterback on the mythical team in 1924, slipped a trifle, and, in one game, caused the defeat for his team.

Nulf, South Side's little quarterback, proved to be a wonder at carrying the ball, and in more than one incident used his head at the critical moment.

**Richendollar Good**

Another outstanding player for the Green and White was Richendollar. Although, when in full attire, he weighed 187 pounds, he had the drive to gain almost at will. In almost every game "Wild Bull" shattered the opposing wall and plunged his way with several enemy players wrapped around his legs and waist for gains of 8 to 10 yards.

**Other State Team**

Cash Keller, Huntington's sport writer, gives his choice of an All-Wabash Conference football team. His team has Nulf and Richendollar, quarterback and fullback of South Side on it.

## Are Athletes Hindered or Helped by Girls Is First of Questions Asked of Students

Answers to Question Are Interesting; Most Boys Answer That the Girls Are Help.

Do girls hinder or help athletes in keeping training?

When this question was put to several notable athletes in South Side, all of them answered that invariably girls helped rather than hindered the athlete in keeping training.

**Don't Bother Jerry**

Jerry DuWan, captain of the basketball team, said that he thought that girls helped the athlete to train. "You know, like in the old days of chivalry. I hardly ever go out with the girls and they don't bother me. I haven't had a date since I've attended South Side and am still going strong."

Phil Rahe only gave a laugh when asked the question, so they mustn't hinder his training.

"Now! They don't hinder athletics any," Drake Lombard emphatically told the reporter. "If any thing they help the athlete."

**Rich Is Immune**

"Girls don't hinder athletics at all," Melvin Richendollar stated when the question on the fair sex was put to him. "The right girl always helps him."

"Hooch" Welsh also stated that the girls didn't hinder the training of an athlete.

"Do girls hinder training of athletes? Well, I'll have to think about that," so after he had gathered up his many scattered thoughts, Bill Rastetter continued, "I should say not! They help instead of hinder and the more the better."

**Right Girl Is All Right**

George Simon also said that the athlete was not hindered by the opposite sex. "Especially if it is the right boy and the right girl," he said.

Paul Buirly laughed a bit and then said that most girls helped except that some nights they kept them out late. He must be speaking from personal experience.

## CENTRAL BOOSTERS' CLUB ENTERTAINS LETTER MEN

Earners of C's Given Big Party Last Night; Clever Program Is Carried Out

The letter men of Central high school were entertained last evening by the Boosters' club of that school at the Central gymnasium. All men who had earned a "C" in any sport were invited, together with their girl friends.

The cleverly arranged program carried out the ideas of training rules for athletes.

The list of letter men is as follows:

Football—Baker, Jasper, Ramsey, Williams, Weimer, Bond, Hockemeyer, Cook, Billingsly, Worton, Lange, Steigler, Casey, Britton, Bayer, Casebeer, Nobles, Miller and Bradtmiller. Basketball—Deihl, Morrill, Scott, Jasper, Baker, Manth, Troyer, Ramsey, Kessler, Nobles, Hockemeyer, and Steigler. Track—Kepler, Morrill, Diehl, Felger, Pierce, and Nobles. Baseball—Brockall, Steinhouser, Troyer, Scott, Manth, Steigler, Ramsey, and Jasper.

## SOUTH SIDE BEATS NO. MANCHESTER IN EASY CONTEST

Coach Gilbert Uses Entire Squad; Guarding of Green is Airtight; Score is 54 to 19

## DUWAN LEADS SCORERS

Only Two on Downstaters' Team to Score; Sprunger and Willson Get Many Points

South Side won its first out-of-town game of the season when the Fighting Green swamped North Manchester by the score of 54 to 19 in an easy game. At the start of the game South Side took the lead and kept piling up points and was never overtaken. After the game got under way Coach Gilbert used man after man but the downstaters were unable to stave off the attack of the Kelly Klads.

**Defense Is Good**  
South Side put up a nairtight defense and North Manchester was unable to break through the guards for short shots. Only two men were able to score for North Manchester.

Johnson carried the brunt of the attack for the Manchesterites with six field goals and two free throws. Berkman scored a lone field goal. This was the only scoring that was done by North Manchester. Most of the shooting was from long range.

**DuWan Leads Team**  
Captain DuWan led the Green and White scorers with six field goals and three free throws. Willson was on his heels with six field goals and two free throws. Sprunger caged five markers from the field.

As a whole the Fighting Green netters showed still more improvement over that of last week. Wiener playing his second game at back-guard, put up a creditable game.

Line-up and summary:  
**South Side (54)**      **Manchester (19)**  
Willson                      F                      Johnson  
Simon                        F                      Berkman  
DuWan                       C                      Bashore  
Sprunger                    G                      Hoffman  
Wiener                       G                      Finnell

Substitutions—Rahe for Simon, Wambsgans for Simon, Carto for DuWan, Distel for Sprunger, Grodrian for Wiener, Nulf for Wambsgans, McCormick for Carto, DeHaven for Grodrian. Field Goals—Willson, 6; DuWan, 6; Johnson, 6; Sprunger, 5; Wambsgans, 3; Wiener, 1; McCormick, 1; Berkman, 1. Free Throws—DuWan, 3; Willson, 2; Sprunger, 2; Wiener, 1; Rahe, 1; Wambsgans, 1.

## MAKEY COACHES LOCAL DEBATERS TO CHAMPIONSHIP

(Continued from page 1)  
versity last year. Rev. Paul Bente, a professor at Concordia College in Fort Wayne, and Arthur Perry, a local attorney. These three unanimously declared South Side the winner of the debate.

The captain and first speaker on the negative team was Gertrude Schuelke, the second was Elsbeth Crane, the third Cornelia Bade, and the alternate Winfred Horn. Central's affirmative was made up of Loyal Morrill, the first to speak, Ruth Hunt, the second, and Leonard Scheele, the third.

**Issues Considered**  
Both of South Side's teams considered two issues with regards to the question of a unified separate air force; first, "Has the air force a unique mission?" and second, "Would a unified air service be more efficient in time of war than our present organization?"

Central, Leo, and Bluffton all brought up points about the management, efficiency, sufficiency, and economy of our aviation forces as compared to all these things if the forces were in a separate unified department. South Side's teams showed that these points had nothing to do with the question.

**In Last Debate**  
Everyone of South Side's debaters, with the exception of Winfred Horn, the alternate on the negative team, are to graduate in June. This series of debates, from which they emerged champions, is the last event in the debate league in which they will represent this school.

Ruth Eickmeyer, Dorothy Emrich, Elsbeth Crane, and Gertrude Schuelke all spoke on last year's teams and Louise Platt was one of the alternates.

Mr. Null, head of the English department in Fort Wayne public schools, was chairman of the local debates and at the last event Miss Pittenger, dean of girls at South Side was timekeeper with a girl from Leo.

The wooden boxes in which rebuttal notes for our teams were kept, were made by Mr. Arnold, of the manual training department, especially for these debates.

## The Principal Says---

St. Luke 2:13-14—  
And suddenly there was with the angel a multitude of the heavenly host praising God and saying, Glory to God in the highest, and on earth peace, good will toward men.

*Robt C Harris*

## With The Classes

Fred Wambsgans will spend his Christmas vacation in Indianapolis, the guest of Henry Brandt.

Esther Speelman will visit her uncle in Hicksville during the holidays.

Walter Wellman will visit his father in Cleveland during the Christmas days.

Richard Smith will have Dick Berhalter, of Kendallville, as his guest.

Charles and Robert Fleming will spend the holidays in Portland visiting relatives.

Violet Fell will visit her uncle in Louisville during the Christmas vacation.

Robert Reaser will spend his time in Kokomo visiting friends.

Miss Smeltz's general history classes have written themes of one thousand words or more on Julius Caesar.

Mr. Rothert's Latin 5 class have begun the third oration against Catiline.

Miss Paxton will stay at home during her Christmas vacation this year.

Miss Thorne will visit her sister in Huntington, and will also go to the home of her brother in Peru during Christmas vacation.

Miss Mendenhall's freshman cooking classes baked bread last week.

Doris Jackson is much interested in Esperanto and has borrowed Mr. Voorhees' books on that subject.

Miss Kelly will be at her home in Montpelier during Christmas vacation.

## GYM EXHIBITION WILL BE GIVEN ON MONDAY

(Continued from page 1)  
ple become acquainted with the things schools are doing in no other way than through such exhibitions," he added.

"We look forward to the Annual Gymnasium Exhibits, because they not only furnish an enjoyable evening's entertainment, but they also create interest in one of the most important departments in our school," Miss Pittenger declared.

"I think the exhibition is a mighty fine thing both for the school and the girls giving it," says Mr. Gilbert. "It gets before the public in the very best way just what the girls' physical department is doing. This is an advertisement for the school," he continued. "The girls also profit. Aside from the exercise, they get the training obtained from appearing and doing things before audiences."

**Girls Are Enthusiastic**  
The girls in the exhibition are eager to give it. Geraldine Joker says, "The girls are working hard and are interested in their work."

"The girls are co-operating with Miss Patterson and are putting in hard practice for the affair," remarks Eva Siples.

"I think it will be a great success," states Dorothy Likins.

The receipts from the exhibition are to be divided between the girls' gymnasium department and the band.

**Students To Tour**  
Four students of the North Central high school, Seattle, Wash., will play in the orchestra of the ship S. S. Grant which will make a tour of the Orient. The boys expect to visit the Philippines, Japan, and China.

**To Design Hat Boxes**  
Twenty hat boxes have been received by the art teacher of the Central high school, Kansas City, Mo., and are going to be designed by the students. Many are being made as Christmas gifts.

Miss Esarey will spend her time with her sister in Indianapolis over Christmas.

Elvah Fishbaugh is the new clerk in charge of the chemistry records. She does much work to relieve Mr. Voorhees.

Brooks Smith and George Kress gave a demonstration of chemical phenomena before the Math-Science club last Friday night.

The advanced cooking classes finished their work in meal-serving.

Mr. Voorhees is intending to spend his Christmas vacation at home.

## SOUTH SIDE CLUBS AGAIN SING "NOEL" AS CANTATA

## SOUTH SIDE CLUB GIRLS TAKE PART IN PAGEANT

Girl Reserves Give Play, "Christ Is Born in Bethlehem," at Y. W. C. A.

"Christ Is Born in Bethlehem," a play of the Nativity, was given at the Y. W. C. A. last Sunday at the vesper services by the High School Girl Reserves.

The girls who took part in the play are Ruth Schneider, Florence Phelps, Elizabeth Williams, Helen Gaskins, Frances Bash, Welcome Warner, Marian Norford, Mildred Hershberger, Elvareta Smith, Jean Basil, Virginia Thieme, Ruth Egan, Margaret Roberts, Harriett Hiestler, and Maxing Wyatt.

At the close of the play a chorus of sixteen girls, garbed in white, led the audience from the gymnasium to the lobby and parlors, where the Yule Log was lighted by a member from each high school club.

## ALUMNI BANQUET IS BIG ATTRACTION ON Y LIST

(Continued from page 1)

The various "Y" boys' clubs will further observe Christmas by distributing baskets of food to needy families on December 24.

**Tourney to Be Staged**

The annual city-wide holiday basketball tournament for juniors and intermediates will also be held at the "Y" during the holidays. Tryouts for these teams will be held on Thursday, December 24 while the regular playing schedule will begin on Monday, December 28. Teams in each division will be selected according to the district of the city in which the contestants live. Tournament games will be played off during the week of December 28; with the finals between the winners of the two divisions on New Year's day.

Tryouts for the Ping Pong match will also be held on Monday of the holiday week. On New Year's a ping pong team of the "Y" will meet another team.

A big New Year's Open House will feature the program of the entire Y. M. C. A. on January 1. Games, contests, swimming meets and literary programs are scheduled.

A large number of Central and South Side boys will be included in the various programs at the "Y" during the holidays.

# NINE DAYS LEFT FOR SUBSCRIBING TO 1926 TOTEM

Students Especially Urged  
to Make First Payments  
Before End of This  
Semester

## MORE PICTURES NEEDED

Pupils Should Bring One Dollar  
to Miss Harvey in Room 20  
for Totem Cuts

"We're going to push the Totem subscription campaign hard during the last nine days this semester," said Thelma Gasser, circulation manager, at a meeting of all room agents in Room 18 on Wednesday.

She especially urged that all students make a first payment of at least twenty-five cents this semester to help the staff in checking up. Since students will be in different rooms the first period next term, this record of first payments will be of great help in making up the lists.

### One Room Reaches Goal

"Room 28 is the only room which has reached the perfect mark so far, but we're planning to have others reach this goal soon," she continued.

"This year's campaign has been the slowest and most disappointing to date," said Miss Harvey, faculty advisor. "It is especially surprising since the 1925 Totem was adjudged the best in the United States, and this year's staff is endeavoring to reach that mark again."

Letters urging the alumni to subscribe will be sent out soon.

### Editorial Work Begun

Editorial work on the year book was started when assignments for the boys' athletics department were given out recently. Frank Robertson, boys' sports editor, is now at work on the football write-ups. Organization stories, and girls' sports articles will be assigned soon.

Thelma Bailey, art editor, has made several drawings and is at work on others. The art work for this year's annual will be done entirely by students under the supervision of Miss Ley, art instructor.

### Six Hundred Is Goal

While five hundred and nineteen pictures have already been taken, the staff is trying to make this at least six hundred. A few students have their pictures taken this week, but it is expected that more will be snapped when all the pictures are checked up and class editors can work on the individual canvases, they are planning.

Students who wish to have their pictures in the year book should bring one dollar to Miss Harvey in Room 20. The receipt she issues will authorize the Jefferson studio to take the picture. Picture taking will continue at least until the end of this semester.

# HISTORY CLASSES MAKE RARE COIN COLLECTION

Many Pieces of Money, Including  
Those of Foreign Countries, Are  
Brought to Classes

Miss Crowe's history classes have brought an interesting variety of coins to class during the past two weeks. Every one who possessed any rare coins was asked to bring them and an unusual collection resulted.

Among the most interesting are a "widow's mite," an Indian coin, and the smallest in the world. Another very small coin is a gold twenty-five cent piece. It is about the thickness of paper and is as large as a dime in circumference.

Many two and three cent coins were in the collection and also many French and German pieces.

# DINNER PARTY GIVEN BY GRACCHI MEMBERS

Thirty Girls Enjoy Supper and Christmas Program at Y. W. C. A.  
December Twenty-eighth

Members of the Gracchi club held a dinner party Monday evening, December 28, 1925, at the Gracchi club rooms at the Y. W. C. A., in honor of some of the college girls who were home for the holidays.

About thirty girls enjoyed the dinner and later the Christmas program. The next meeting will be held January 11, at 6 o'clock, at the club rooms.

### Class Holds Congress

The civics class of the Pontiac (Mich.) high school is holding congress. Pupils have been elected to the different positions. The bill passed by the senate was that "The Interstate Commerce Commission have control of all common carriers except wireless telegraphy."

### Visit Newspaper Plant

The members of the journalism classes of the Central high school, Kansas City, Mo., visited the city newspaper plant. The students were shown through the various departments in order to learn more about the publishing of the newspaper.

### Make Scrap Books

The Girl Reserves of North high school, Omaha, Neb., are making 100 scrap books for children in need. They made fancy caps, favors, peanut men, and animals for crippled children on

# Four Students Make Exceptional Records; Get High Marks Studying Hard, Enjoying Life

Charles Folsom, Mary Hale, Helene Foellinger, Robert Feustel Get Good Grades.

Charles Folsom, Mary Hale, Helene Foellinger and Robert Feustel deserve honorable mention for their high grades. Through concentrated study Charles, Mary and Helene gained five A's while Robert got four A+'s.

These students represent the three upper classes. Charles expects to graduate in June, Mary and Robert hold honors for the juniors, and Helene is a sophomore.

Upon inquiry they tell us that all that is necessary in securing A's is to have a schedule by which to study and to concentrate the mind while studying. These people do not get their grades by skipping school, not preparing their lessons or by being absent unnecessarily, but by studying continually. To get good grades doesn't mean to study and cast all amusements and enjoyable things aside, they say, it simply means to make good the time for study.

Both Helene and Mary find time to work on the Times. Helene is make-up editor and Mary is society editor, while Robert and Charles are interested in athletics.

These students put in time according to the length of assignments. They work until the lesson is learned. As a rule they volunteer in class. They say that the work does not seem particularly hard for them.

"It does mean study to get A's though," says Charles.

# TYPING STUDENTS SECURE AWARDS FOR SWIFT WORK

Eight Beginners Have Qualified; Vera Young Gets Three Gold Pins

## FORTY-ONE SUCCESSFUL

Ruth Jennings Earns Underwood, L. C. Smith and Royal Certificates

Eight beginning students in typewriting have already received awards for speed. Cornelia Boxell, Ruth Jennings, Esther Ballard, Esther Shaw, Elizabeth Rider, Merville Somers, Noble Sprunger, and Pauline Baumgartner are the first to win certificates in the September class. All wrote twenty-five words or over per minute.

Ruth Jennings qualified for Underwood, L. C. Smith, and Royal certificates.

### Wins Three Pins

Vera Young distinguished herself in December by winning three gold pins, a Royal, L. C. Smith, and Underwood. She wrote 47, 63, and 60 words a minute.

With 65 words, Winifred Beeth will receive a Remington gold pin. Forty-one pupils were given awards. They and their words per minute are: Underwood Certificate—Maynard Patterson, 31; Ruth Jennings, 30; Paul Marrs, 35; Alice Wehmeyer, 30; Marjorie Miller, 32; Cornelia Boxell, 31; Esther Ballard, 32; Esther Shaw, 31; Mary L. Otten, 34.

Underwood Bronze Pin—Gertrude Bradley, 40; Esther Roush, 42; Grace Hall, 41.

Underwood Silver Pin—Martha Meyer, 37; Gladys Munny, 50; Evelyn McGinley, 51.

Underwood Gold Pin—Vera Young, 60.

Remington Certificate—Elizabeth Rider, 25; Merville Somers, 28; Noble Sprunger, 29; Elvah Fashbaugh, 35.

Remington Gold Pin—Winifred Beeth, 65.

L. C. Smith Certificate—Ruth Jennings, 31; Lucille Ball, 32; Dorothy Wyson, 29; Esther Bowman, 35; Mildred Balde, 36; Pauline Baumgartner, 30; Hazel Bridgman, 33.

L. C. Smith Bronze Pin—Amelia L. C. Smith, 33.

(Continued on page 6)

# U.S.A. Girls to Elect Next Term's Officers

Election of officers will be held at the last U.S.A. meeting of the semester, which will be held in Room 86 at 3 o'clock Thursday, January 4, 1926. The following officers will be elected at this meeting: President, vice-president, secretary, and treasurer.

An interesting program is being planned and the social committee will serve refreshments. All the members are urged to attend this meeting, as a big surprise is going to be staged.

# Miss Work Has Returned After Extended Illness

Miss Work has returned to school after an extended illness. She had been ill before the holidays and has had a chance to recuperate during the holiday vacation.

"I have dispensed with my tonsils," Miss Work said, "and I am feeling first-rate."

### Talks on Trip

Miss Pittenger gave an interesting talk on Soho Square and Saint Antoine to Miss Rinehart's English V class, which is just finishing Tale of Two Cities. Miss Pittenger visited these places during her visit in Europe last summer.

# BOYS ARE ACTIVE AT FORT WAYNE Y DURING VACATION

Hi-Y Alumni Have "Big Feed"; the Potawatomi Campers Collect for Good Time

## SOUTH SIDERS ON TEAMS

Simons, Marrs and Ewell Go to Muncie for Meet; Lose, 47-34

Y. M. C. A. boys were not idle during their absence from school last week. Their leisure was turned into pleasure when they took advantage of the special events staged at their "Y" home.

Thirty-six Hi-Y alumni attended the banquet Tuesday evening, December 29, which was given in their honor. Mr. Brunson, religious work secretary and organizer of the first Hi-Y club in Fort Wayne, presided.

### Alumni Make Speeches

Each fellow introduced himself and told where he was going to school or where he was working. Abe Larkier, graduate of Central in 1921, not content with introducing himself, made a speech on two or three occasions and Sam Fletcher, also a '21 of the downtown school, spoke in response to him.

# Dorothy Wagoner of '25 Dies of Heart Disease

—Courtesy of News-Sentinel.

### Dorothy Wagoner

Dorothy Marie Wagoner, a graduate of the class of 1925 of South Side high school, died on December 23, 1925, of heart disease. She was a great favorite in school and was very popular among her friends.

At school she participated in social events and was a member of the Philaethian and So-Si-Y clubs and the U. P. D. club of Central.

Dorothy is the first alumna who has died. South Side high school extends to her bereaved parents and sisters its deepest sympathies.

# FORMER MEMBER OF SCHOOL BOARD NAMED BY MAYOR

Byron H. Somers, Father of Dorothy, '26, Will Take Place of Mr. Geake

## WARD LAUDS APPOINTEE

Somers Is Competent; Has Experience on Board After Six Years' Previous Service

Byron H. Somers, father of Dorothy Somers, a South Side senior, was chosen by Mayor William C. Geake to fill the vacancy on the school board made by the new city executive's resignation.

### Has Helped Schools

"I am very glad that Mr. Somers has been appointed," says Louis C. Ward, superintendent of the city public schools. "He has done more than any one person on the school board for the betterment of the public schools of this city," he said.

Mr. Somers is well acquainted with school board affairs, having served as a member of the body for six years. For two years he was president of the board and was also secretary and treasurer at one time. In 1924 he resigned, only to be appointed again this winter.

### Aided South Side

The new appointee was in this educational body when South Side high school was built and he took an active part in forming and carrying out the plans for the building.

With the appointment of Mr. Somers, greater and better things may be accomplished on the school program, for he works unselfishly and untiringly for institutions of learning in the Fort Wayne public school system.

Dorothy's father is well known at South Side, for he is very much interested in the activities of the school and rarely fails to attend the games.

Mr. Somers is president of the Medical Protective company, which has bought the block south of school for a building.

# PHILO CLUB TO ELECT AT CALLED MEETING

Officers for Next Semester To Be Chosen at Special Gathering Monday Afternoon

At a special meeting which will be called Monday afternoon at 3 o'clock, the members of the Philaethian Literary society will elect the following officers who will hold office during the following semester: Vice-president, secretary, treasurer, and chairman of the program and publicity committees.

The nominating committee, which was named by the club president, Dorothy Somers, have already made nominations for the officers. Members of this committee were Maxine Schmieder, who was appointed chairman, Virginia King, Margaret Metzner, Marguerite Schwieler, and Martha Sherman.

Wilda Bowser entertained the members at her home on Pontiac street last Monday evening at which place the society's annual musicale was held. Several girls who belong to Philo took part in the program, after which a dainty luncheon was served.

Thirty-two members of the society were present to enjoy the delightful affair.

### The program was as follows:

Readings.....Betty Hutchens

Vocal Duet.....

Piano Solo.....Ruth Barber and Violet Fell

Violin Solo.....Virginia King

Readings.....Elvora Calson

Vocal Solo.....Elvah Miller

Piano Solo.....Dorothea Kohlmeier

Piano Solo.....Neenah Knight

# Sidney Peers, Sophomore Art Student, Shows Exceptional Talent With Brushes

## DEBATING SEASON VERY GRATIFYING TO LOCAL COACH

Speakers Are Able to Follow Plans and to Hold Fast to Subject and Issues

## DISCUSSION CONTEST NEXT

Eliminations to Be Made Here the Second or Third Week of February

South Side closed her debate season on December 18 as champion of the Northeastern Indiana Debate League. Her teams, both the affirmative and the negative, won every debate they entered.

"The debate season has been very gratifying to me for two reasons," says Mr. Makey, who coached South Side's two teams to victory. "Of course, I am glad that we have been so successful in winning the decisions; but I am more pleased that the debaters were able to follow the plans laid out for the debates."

Mr. Makey was also pleased that the support of the student body was greater than in any previous year.

### State Contest To Be Entered

The next public speaking event in which the school is to be represented is the state discussion contest. The county-unit plan for public school education is the topic for the speeches. Local eliminations to determine who shall represent South Side will be held the second or third week of February.

So far nearly every high school in Allen county has entered. Some of the country and small-town schools are postponing or doing away with their local oratorical contests so that the students can devote more time to this discussion contest.

Last year Virgil Horn won the local, county and district eliminations but was eliminated in the final contest at Bloomington.

## PROGRAMS OF SENIORS HAVE BEEN COMPLETED

Cards of Pupils Passing at Mid-Term Also Finished; 9-B Freshmen Next

About half of the programs for next semester are made out. This number includes all senior programs and those of persons who received all passing grades at mid-term.

The programs of 9-B freshmen are being completed now, while those of students who did not receive all passing grades at mid-term will not be finished until the latter part of the term.

The programs are being worked out by Mr. Virts and Deane McAfee.

# MISS MILLER'S PARENTS INJURED IN ACCIDENT

Car Skids and Turns Over on Lima Road Near City; Miss Miller Absent

Trying to avoid an approaching automobile while driving on the Lima road, the parents of Miss Miller, a South Side high school teacher, met with an accident Sunday, December 12, about five miles north of Fort Wayne.

Miss Miller's father, an engineer on the Pennsylvania railroad, has never had an accident while driving until Sunday when his car skidded and turned over throwing him and his wife through the top of the car. Both were badly bruised and cut with flying glass and were taken to the hospital where they remained for a time.

Miss Miller discontinued her work when called to the hospital. She returned later as her parents improved.

## Few Christmas Seals Sold by South Siders

Exactly \$18.85 worth of Christmas seals was sold at South Side this year. Of these \$12.50 worth was sold to the Times and the rest to various students. South Side was not entered in the contest among the various grade schools for the cup.

## Math-Science Meeting Scheduled For Jan. 15

The first meeting of the Math-Science club to be held in 1926 is scheduled for Friday evening, January 15, in Room 86 at 7:30 o'clock.

"As yet no program has been planned," stated Florence Hansen, chairman of the program committee. Next week's Times will carry a complete announcement.

# COUNTY UNIT PLAN TO BE DISCUSSED IN EXTEMP TODAY

Four Girls Entered in Contest; Winner To Have Name Inscribed on Lange Cup

## THREE MEN ARE JUDGES

Talk Fest is On Program for Regular Wranglers' Meeting After School

At the extemporaneous speaking contest today at three o'clock in Room 86, four girls, all members of this year's debate teams, will discuss the county unit plan of school administration. The entrants are Cornelia Bade, Elsie Crane, Ruth Eickmeyer, and Louise Platt. Whoever wins will have her name inscribed on the Lange extemp cup.

Each speaker has had two days for preparation, as the subject was announced last Tuesday after school. This afternoon eight minutes will be the length of the constructive speeches and five, that of the rebuttals.

### Good Judges Named

The judges for the contest are Walter E. Helmke, who was assistant debate coach at Indiana University last year; Mrs. J. Earl Peters, a member of the school board, and Bert J. Griswold, the Fort Wayne historian.

This extemp contest is to be the program for the regular Wranglers meeting tonight.

### Wranglers Debate

The main attraction at the last Wranglers meeting, December 17, was an extemp debate about the proposition "Resolved, that inclines are better than stairs."

Thelma Gasser and Pauline Baumgartner, on the negative, defeated Chester Wyneken and Winifred Horn, the affirmative speakers. Each one gave a five minute constructive speech and rebutted the arguments of the other side for three minutes.

### Arguments Advanced

The affirmative team pointed out that it was the school board who decided on inclines for this school, and that it must, therefore, have considered them better than stairs; that inclines were successful where tried; that there were less accidents on them; that inclines were more economical; and that, with them, travel was revolutionized.

The negative showed that bad habits were formed by the use of inclines; that running causes accidents; that the health of persons using inclines was impaired, since the body was thrown forward and certain muscles trained; that stairs save space, are more durable, and more convenient.

# CHRISTMAS FEED GIVEN FOR GRADUATE HI-YERS

Musical Selections and Talks by Members of Alumni Feature Program

A banquet for the alumni Hi-Yers was held during Christmas vacation. After the banquet a few musical selections were played and then a number of the alumni spoke on various subjects.

The program for the remainder of the year is as follows:

January 14—Speaker to be announced. Bible study: Church Allegiance.

January 21—Health and Recreation—What? Bible Study: Choosing Life's Work.

January 28—Criticism of Past—Plans for Next Semester. Bible Study: Carry On.

## BOTH SCHOOLS TO GIVE "MIKADO" BY SULLIVAN

Japanese Operetta To Be Given by Glee Clubs in New Mizpah Auditorium

South Side and Central will unite in presenting the "Mikado," an operetta written by Sullivan, which will be given at the Mizpah Temple.

Roland L. Schaefer has charge of the vocal, Miss Marjorie Suter dramatic, and William R. Sur the instrumental parts of the production. The orchestra which will accompany the entire affair will be made up of selected group of student players of the two schools.

Proceeds are to be shared by both schools.

## Student Government in Classes

The members of the physics and chemistry classes of the Fremont (Neb.) high school have drawn up a constitution containing rules of their respective classes. The constitutional committees were elected and given the power to make rules and enforce punishment upon the students.

### Style Sheets Given to Journalists

Style sheets were given to the members of the journalism class of the Central high school, Kansas City, Mo., which give the rules for punctuation, capitalization, quotations, figures, abbreviations, dates, preparation of copy, promptness, and accuracy.

### Beard Over Radio

Flora Beard broadcasted a musical program Sunday afternoon from the Redeemer Lutheran church.

## TIMES EDITORIAL PLATFORM

1. To further scholastic activities.
2. To promote extra-curricular activities.
3. To give well-written accounts of high school happenings.
4. To offer high standards of school spirit.
5. To aid school officials.
6. To let parents and public know what South Side is doing.
7. To keep in touch with other schools.

## Everyone?

We wonder how many folks have broken those resolutions already?

## Swamped the Mails

One reason the mails were so rushed this last week is the fact that warning notices were issued by the office recently.

## Added Pleasure

Our debate teams were able to enjoy the vacation all the more since they won the North-eastern Debate League championship just before Christmas.

## Congratulations!

The girls put on the gymnasium exhibit in fine style again this year. The stunts were clever and the customs unique. We enjoyed the performance. Congratulations, girls!

## To the Alumni

We were all glad to see the alumni once again and they surely did turn out fine at the Alumni-Varsity game. May they return to their studies and work with enough of the true spirit of South Side to last them until we see them again.

## Nine More Days

There are only nine more school days until the end of this semester. It is now almost too late to start working and preparing our lessons to the best of our ability to make good final grades if we have slackened so far this term. But remember how guilty you feel now for not studying and "dig in" right at the beginning of the next semester.

## Good Attendance

We certainly had a good crowd out for the first debate this year. This told what pupils can do if they want to. The debates last year were attended by only two or three. This year, due to the efforts of the English teachers, over fifty turned out for the first debate. Although the number was not so great at the last one, if every person who attended the debates would bring a friend to the next public speaking event, just think what a large audience we would have. The debaters would be encouraged and the audience would surely not feel that they had come to the wrong room, because so few people were there.

## Kickers

Have you ever stopped to consider how many "kickers" there are in every phase of our school life? We have students who are always complaining. If we lose a game, they "kick" about the referee, or the coach, or even the players. If a pep meeting does not last long enough to get them out of a class, they growl. When a teacher announces that there will be a test in that subject tomorrow, the "kickers" pop up and are very annoying. When a new rule is set forth by the office, once again we hear from our loathsome friends.

Yes, it is needless to cite more examples when this group of people makes itself heard. Everyone, even the kickers themselves, has come in contact with this sort of people. But the sad part is, he is not helping matters, and is only hurting himself.

Now, you kickers (and this includes almost everyone), just try to stop kicking about the actions of others, and kick yourself for kicking about others all this time.

## A Mite of Verse

### A NEW YEAR

(By Margaret Langster)

Why do we greet thee, O blithe New Year?  
What are thy pledges of mirth and cheer?  
Correct, knight-errant, the wrong to right?  
Wherefore the thrill, the sparkle, the shine  
In heart and in eyes at a word of thine?

The Old was buoyant, the Old was true,  
The Old was brave when the Old was new,  
He crowned us often with grace and gift;  
His sternest skies had a deep blue rift.

Yet straight and swift, when his hand unclasped,  
With welcome and joyance thine is grasped.  
O tell us, Year—we are fain to know,  
What is thy charm that we hail thee so?

Through the ether clear, from the solemn sky  
The New Year beckons, and makes reply:

"I bring you, friends, what the years have brought  
Since ever men toiled, aspired or thought—

Days for labor and nights for rest;  
And I bring you love, a heaven-born guest.

Space to work in and work to do,  
And faith in that which is pure and true.

Hold me in honor and greet me dear,  
And sooth you'll find me a Happy Year."

## And Werse

### POOR LITTLE ME

I do not feel a bit inspired  
I'm sleepy too and awfully tired  
My 'imagination just won't run,  
My heart is longing for some fun.

There's on my face an absent stare  
Oh, what a picture of despair!  
But what's the cause of all this gloom?  
Do I await some tragic doom?

Some poem I've just got to write  
Before I go to bed tonight.  
That's why I'm sad, Oh don't you see?  
And don't you sympathize with me?

## Do You Know

—That a new "check room" sign has been put up in the north entrance?  
—That a copy of the Constitution of the United States is framed and is hanging on the wall in the library?  
—That there are five large English dictionaries and ten small ones in the library?

—That there are five French, three Spanish, two German, and six Latin dictionaries in our library?

—That there are twelve drinking fountains in the halls of South Side? (Who said this is a dry school?)

—That there are two silk flags in the library?

## In the Stone Age

Monday, January 8, 1922—South Side was placed under a small-pox quarantine. All students and teachers were required to have certificates of vaccination to be admitted to classes.

Tuesday, January 9—Mr. Voorhees has a new clock in the chemistry laboratory.

Wednesday, January 10—A new column by "Sally" on "Advice to the Romantic" is started in the Times.

Thursday, January 11—The third annual Hi-Y Mother and Son banquet was held in the South Side cafeteria.

Friday, January 12—South Side was disappointed when the Columbia City game was cancelled. That city was under quarantine for scarlet fever.

Saturday, January 13—Wabash proved bad medicine for South Side. Their score was 39 to our 20.

VIM, VIGOR, AND VITALITY  
Nowadays the most desirable quality a person can possess seems to be "pep." It is a guarantee of popularity, and a requisite for success in business. The enviable person who is "peppy" incurs universal admiration. All of us, actively or otherwise, aspire to be peppy.

In our attempt to attain that agreeable state, we observe persons who are thus happily endowed. We note that they laugh frequently and heartily, are active and energetic in their physical movements, and speak volubly. These superficial things we note and try to emulate. And, as we must all sadly admit, we succeed only in making ourselves conspicuous and loud. The "pep" we display is a nervous, noisy, artificially stimulated, ineffective excitement.

Why? Because we fail to realize that effective pep is vitality—a deep, natural, glad-to-be-alive vitality, both mental and emotional. We disregard the truth that pep emanates from a quivering, all-encompassing, utter love of life. Yes, the usual manifestations of pep are hearty laughter, physical vigor, spirited talking; but it is of no avail to affect these manifestations if the underlying vitality and joy in life are absent.

We have youth—coveted youth. We have health—superb health. Why should it be necessary for us laboriously to imitate pep? Innately we have a keen interest in life, a compassionate sympathy with it, an intense curiosity concerning it. The naive curiosity of youth allows us to express these unselfishly. Why can we not be naturally, sincerely peppy?  
—Polaris Weekly, Minneapolis, Minn.

## The Morning After The Vacation Before

## Calendar

Friday, January 8—Basketball—Richmond (there).  
Saturday, January 9—Basketball—Hartford City, (here).  
Monday, January 11—Art Club meeting.

Saturday, January 16—Basketball—Scherbyville (here).  
Monday, January 18—Philo Meeting, 3 o'clock.  
Tuesday, January 19—Basketball—Central (here).  
Thursday, January 21—Debate.  
Friday, January 22—End of Term.  
Basketball—Garrett (here).

## I'm A Nut

I think you know me already! I'm the sap who made about fifty-five resolutions, but tried to see how soon he could break one of them. Then, too, I brag about my good intentions and suggest numerous resolutions to everybody. Of course, they tell me to practice what I preach, but what do I care? I'm a nut. And that I think being a nut gives me lots of room to talk and yet be safe. Well, anyway, I'm an awful nuisance, but New Year comes only once a year.

## With the Classes

A contest entitled "Shakespearean Romance" was given by Miss Demaree to her second period English VII class, Monday. It consisted of several questions each of which was to be answered by the name of one of Shakespeare's plays.  
Leona Kuhn won the first prize, which was a small leather-bound copy of "A Comedy of Errors."  
Mr. Schmalzried's second period civics class is now studying the "Constitution of the United States."  
Monday morning Mr. Brand gave each student in his classes a written statement of all the delinquent laboratory work.  
Mr. Makey's English VIII classes are working on their last themes. The third period class is writing on "Romanticism of English Literature and the 6th period class on "The Classic Period of English Literature."  
Mr. Makey's English VII class has written its last theme for this term.  
The 9A cooking classes served a one-dish dinner last Tuesday.

## I'm Not A Nut

Probably you will agree with me that I'm really not a nut although I stand around and talk. The thing which keeps me from being one is the fact that I talk about intelligent subjects instead of wasting breath on discussions of foolish ideas. I try also to increase my vocabulary and thus become more fluent in my speech. Sometimes one will talk with me, because they're interested in nonsense, but there are still a few people around here who will talk common sense.

## How To Pay Way Through College

Mr. Morris, a teacher in the commercial department, and Miss Harvey, instructor of history and journalism, have both had actual experience in paying their ways through college, and they have stated the means by which they obtained a college education.

"After I was graduated from high school," said Miss Harvey, "I went to the Indianapolis Normal school. After taking a course there, I taught in the Indianapolis grade schools for three years, thus making some of my money for college."

"I entered Indiana University and got a position as checker and cashier in the University cafeteria, and I also did a little tutoring in history."  
"My journalistic work helped me along a great deal, for I received a salary for being Editor-in-Chief of the Indiana Daily Student, the school paper of the university, and also for being correspondent for the Times and the Indianapolis News, newspapers of Indianapolis."

## The Why of The Commercial Department

"The commercial department is a department that does more for students than any other department in the school," says Mr. Morris, a teacher of shorthand and typewriting.

"Since the average student can not afford to go to college, it is necessary for him to go to work immediately after being graduated from high school. With the aid of a commercial education he will be able to be of more service to his employer and he will be able to procure a better position for himself," continued Mr. Morris.

"Take the college student for instance. At college a student must attend a great many lectures. With the knowledge of shorthand he would be able to take almost word for word

what the professor has said. After the lecture he would take him only a few minutes to transcribe this shorthand on the typewriter. He would then have the complete speech of the professor," he explained.

Mr. Parks agrees  
Mr. Parks said that he could add very little to what Mr. Morris had said. He added that bookkeeping would be a great value to all students in South Side high school, for no matter what he intends to do and be in life he will always have to account for the money he has spent.

"He must plan how his earnings are to be spent," he said. "He can do this easily with his ready knowledge of the commercial work given in the school."

## The Dean Says

Among our good resolutions for the new year should be a determination to make the best possible "finish" of the present school term. A good ending insures a happier beginning.

Martha McMillen

## Quizzzy Quizz

Question: What resolution did you make for 1926?  
James Miles has resolved to save a lot of money to go to college next fall.  
Elizabeth Augspurger says, "I am going to cut down on everything and stop talking so loud." (A lot of us are that way except in the class room).  
Vera Mueller is not going to say any mean things about anybody anymore.  
Helen Masters replied, "I did not make any resolutions for this year. What's the use? I always break them anyway."  
Dorothea Kohlmeier resolved never to be late again as long as she was in high school.  
Just read what Charles Flemming declares, "I am going to be a good little boy and not have any dates for a whole year." (Whew!)

## Week's Anniversaries

January 7—Millard Fillmore, the thirteenth President of the United States, was born, 1800.  
January 8—Battle of New Orleans, in 1815.  
January 9—Connecticut ratified the United States Constitution in 1788.  
January 10—Ethan Allen, a prominent American soldier in the Revolutionary War, was born, 1737.  
January 11—Alexander Hamilton was born, 1757.  
January 12—Johann Heinrich Pestalozzi, a Swiss educational reformer, was born, 1746.  
January 13—English colonists arrived at Charleston, South Carolina, to settle Georgia, 1753.  
January 16—The eighteenth amendment was added to the Constitution of the United States.  
January 17—Benjamin Franklin, discoverer of electric nature of lightning, born, 1706.  
Rutherford Hays, nineteenth president of the United States, died, 1893.

## Who's Who

There are but a few South Side students who have not heard of Don McLucas, the sophomore class president. Because of the favorable comments that always accompany the mentioning of his name, we are all willing to lend attentive ears when his friends speak of him.  
One of them is quoted as saying, "He's all right. Ev."  
Don McLucas, everybody likes Don—especially the girls. And another said, "Don is a good kid," which terse expression sums up the attitude of the general student body of his popularity.  
McLucas is an active member of the Hi-Y and also plays on the reserve basketball team. His course this year consists of English, history, algebra, and Latin.

## Read A Bit

If you liked "Scaramouche," you'll be sure to enjoy "Scarlet Pimpernel" with all its back-ground of adventure and intrigue during the French Revolution.

## Open Letters

Clean School  
Dear Editor:  
Each student and teacher of South Side high school can help improve the interior of the school. The teachers can do this by keeping their desks tidy and by making the pupils help make the room look tidy.  
I have noticed the names of several students written on the walls of the halls. We would not think of doing this at home, so why do it here? The pupils can also keep their lockers clean and tidy. It is unnecessary to throw papers on the floors of the halls and the locker room, as there are wastepaper baskets placed in all the rooms and in the locker rooms. We can do our share of keeping this building clean by doing these things daily. Are we going to do this for the janitors? Are we going to help make our school clean and tidy?  
YOURS FOR NEATNESS.

Put Out That Fire!

To the Editor:  
There is no denying that although "Tony's" lunch-counter and soda-fountain has been a decided help to some South Side students, it has lately become a "hang-out" for fellows who have nothing more to do than to smoke up their money despite the protests of the proprietor and signs in the place asking pupils to desist from this practice. Knowing that such a thing would not be tolerated in the high school cafeteria, they have taken advantage by turning to a place where, although smoking is censured, it would be almost impossible to enforce such a rule.

At one time it was an advantage for students who, having some lesson to prepare, did not have time to go to the cafeteria, but went "across the street" for a sandwich or a malted milk. Now conditions are such that no one, especially a girl, cares to enter this place, blue with cigarette smoke and loud with voices of "rowdies."  
Why not make the "Star" a real asset in school life? Let's see if we can not have the atmosphere fit to breathe and the room quiet enough so that "Tony" can hear our orders.  
—E. S.

## Latin Contest Staged

A Latin instructor at the North-eastern high school, Detroit, Mich., conducted a crossword puzzle contest recently. Three prizes were given for the winners. A large picture depicting classic life was given for first prize, a medium sized picture for second, and a small picture for third prize.

# SOUTHERN SPICE

Well, here we are back on the job again, with but one firm New Year's resolution left; that is, to put out a column with at least two laughs in it—but we feel ourselves slipping. . . . Who can think of anything funny with final exams a week away?

Our idea of an optimist: A student who doesn't mind final exams.

We will now render that old favorite, "Work, for the test is coming."

Most pupils kept for at least one day that resolution not to run in the halls. They couldn't do otherwise with the halls one sheet of nice, slick oil.

Here is how one teacher, and English teacher at that, reports the way she spent her Christmas vacation: "I spent my vacation UNPACKING AND ENTER-TAINING relatives in my new home."

## NATURALLY

V. Fell (interpreting a passage in Macbeth): "Nothing in his life ever affected him like his death."

## TURNUED DOWN (WHICH?)

Dean Metzner, Maynard Patterson, Bob Carto and several other DeMolay members who took part in the opera "Aida," deny all rumors of having signed contracts with any opera company.

"Our time is devoted to a higher class of art," the boys declare emphatically.

## O LEAVE TEXT BOOKS

O leave text books, ye twelve o'clock delves, Ye're safer on your pillows of down; Such interesting books are baited hooks, To clear-headed students, so sound.

Your fine unhesitating answers— They make your sober teachers feel That all this wondrous zeal's unreal, And that you're prey to brains that reel.

Beware a head that's wearily hung, An eye that surely seems to sleep; These things are but proof unsung, Of last night's foolish industry.

## WHAT'S WRONG WITH THIS JOKE?

He: "Take in the 'Mannequin' with me?"  
She: "Oh I just can't; I've home work to do."

Vacations are wonderful but the part most of us don't like about them is the end. Yes, it is too bad that there has to be an end to everything.

## TRUE TEST

Mr. Makey: "How can you tell a man wrote this letter?"  
Senior: "Because there is no postscript."

We feel that resolution slipping still more.

## WHY TEACHERS GET GRAY

Teacher (reading questions): "Where is North Dakota?"  
M. Bennett: "North of South Dakota."

"Try and laugh this one off," said Frank Robinson's mother as she sewed a button on his vest with wire.

## FAMOUS SHINES

Shoe — — —  
Sun — — —  
LeRoy — — —  
Moon — — —  
Nose — — —

Miss Harvey says that as yet Santa didn't give her that Christmas present of an A first period history class she asked for.

## WERE THERE ANY STARS IN HIS?

Jack Lighthill (in history class): "Charlemagne went to church and the Pope crowned him."

## DOUBLE ACTION

I caught her 'neath the mistletoe,  
The unsuspecting miss.  
Her happiness was great, I know,  
For ignorance is bliss.

And she was ignorant of the glow  
That ever lingers here.  
I caught her 'neath the mistletoe,  
She caught me 'neath the ear.

## MORE LIGHT ON THIS SUBJECT!

"It looks like Tiny will be out every night now, doesn't it?"  
"How's that?"  
"Didn't you see his new lamp?"

Mr. Voorhees doing an experiment: "DeHaven, keep your roor eyes on this."

A synthetic sugar "500 times sweeter than honey" is called Benzoylsulphonimid. Here's your "linked sweetness, long drawout."

"Chimneys can smoke, parrots can swear, and cats can stay out at night." Why be puffed up because you happen to be a combination chimney-parrot-cat?

P. Barnhart to Tiny DeHaven: "Blue eyes, why are you so black?"

"Another crack like that and I'll be through," said Hank Wedler as he walked across thin ice.

## OH, TEACHER, DEAR

Oh, teacher, dear, I did not hear  
The lesson for tomorrow.  
Please, oh sage, repeat the page,  
Or I'll have cause for sorrow.  
The moments fly, the bell will ring,  
Oh, teacher, teacher, fair,  
I'll work tonight, I will, all right,  
If you'll just tell me where.

Miss Miller: "Walter, tell about Victoria being pronounced Queen."  
Walter: "Well, it was early in the morning and she came to the door in her evening gown."

If you don't believe that there is a Santa Claus, just give Virgil Hires the box and necktie the once over.

## OH, FOR GOODNESS SAKES!

Violet Fell (giving a Digest topic): "This man asked for a larger German feet" (meaning fleet).

Well, our last resolution is now in the land of "Has Been."

## REACHED THE LIMIT

"Have you your report, Pierce?" asked Mr. Whelan of Sidney Pierce.  
"No," answered Sidney.  
"You have an advantage over most of us, Pierce. You can come into class every day without your lesson and not worry about lowering your grade," said Mr. Whelan.

## TEACHERS FIND HOMES BEST PLACE TO REST

Few Instructors Go Out of City for Christmas Vacation; Some Read Much

Most of the South Side teachers dispensed with their vacations at their homes in Port Wayne where they found plenty of things to do with reading as a last resort.

Some visited with relatives in different parts of Indiana and in nearby cities and towns.

Miss McCloskey visited in Indianapolis and Bloomington after Christmas. While in Bloomington she acquired a million dollar smile, as she had some dental work done.

Miss Rinehart entertained relatives in her new home during the holidays. "I was in Ohio a few days," said Miss Ley when asked how she spent her vacation.

Miss Demaree visited in Bloomington and Indianapolis during the greater part of vacation.

Mr. Arnold passed the holidays in Cleveland where he was the guest of relatives.

Mr. Chappell spent his vacation at home, having a good time.

Mr. Wheeler, assistant engineer, and Mr. Clark, engineer, spent the Christmas vacation working around the school.

Miss Crowe visited in Chicago during the holidays.

Miss Fiedler stayed in the city during her vacation.

Miss Schmidt spent her vacation at her home in the city as she was ill.

Mr. Brand rested and read most of his vacation. During the remainder of the time he made a reading lamp.

Miss Mott spent her vacation at her home in Noblesville, Indiana.

Miss Bert's vacation was spent at her home in Tipton, Ind.

Miss Mendenhall spent her vacation at her home in Westfield, Indiana.

Miss Burns was in Hillsdale, Mich., the guest of her sister during the holidays.

Miss Kiefer remained in Port Wayne for the Christmas holidays.

Mr. Null was at his home in Port Wayne, during his vacation. He says, "I made a doll bed in the manual training department at South Side. This work took up practically my whole vacation."

Mr. Makay spent his vacation at his home on Annie street in Port Wayne.

Miss Perkins had as her guest before vacation her sister, who teaches French and Latin at Wakefield, Michigan. Both spent the Christmas vacation at their home in Cleveland Heights, Ohio.

Miss Mendenhall spent her vacation at her home in Westfield, Indiana.

Miss Burns was in Hillsdale, Mich., the guest of her sister during the holidays.

Miss Kiefer remained in Port Wayne for the Christmas holidays.

## Extremes Meet at School

William Day

Exactly 311½ pounds difference exists between the weights of Paul Kniffon, the heaviest boy in school, and William Day, who is the lightest.

Paul, a sophomore, weighs 378 pounds. He evidently does not read the various magazines on "How to Get Thin" because he says he doesn't care to and doesn't try to reduce.

William weighs sixty-six pounds but says he hasn't read any such literature either. William, a freshman, is the youngest pupil in school.

When asked if he minded being large, Paul Kniffon said, "Not a bit, but I am at some disadvantage when I want to get into a small place."

Williams Also Satisfied

William Day seemed satisfied with his weight, too, because he said, "I don't mind being small. By being small, it is easier for me to dodge traffic in the halls, but if I do hap-

Paul Kniffon

pen to get in a big crowd and the large boys begin to use me as a football, then it isn't quite so much fun."

Paul enjoys athletics, but he doesn't care to partake in them. He says that he takes very little exercise except working around machines. William likes most of all to play baseball.

Both Like To Eat

Both boys are close followers of Epicurus. They like good things to eat—and plenty of them.

When asked what he likes most to eat Paul answered, "I like almost everything." William seemed a little more particular in mentioning what he cared for most, but from the list he mentioned, which was "Chicken, potatoes, dried beef, candy, biscuits, and mush," we come to the conclusion that mother has to cook three good, big meals daily for her son.

## MOST RILEY TICKETS SOLD BY U. P. D. CLUB

Margaret Smenner Sells Sixty-five; Bernice Jenkins of South Side Also Gets Season Pass

U. P. D. club, of Central, sold the most tickets in the Riley ticket selling campaign which was held a few weeks before the vacation. About thirty-two dollars was realized by the four Girl Reserve clubs by selling these tickets. The contract made with the Riley manager gave twenty five per cent of the profit to the G. R. fund.

Margaret Smenner, a member of U. P. D. club at Central, won the season pass offered to the person selling the most tickets at Central. She sold sixty-five at 50 cents each, or \$32.00 worth. The season pass gives her admission to the Riley Theatre once every week, for the whole year.

Bernice Jenkins of South Side and a member of the U. S. A. club, sold twenty-two tickets and received the pass offered to the South Side student.

## NEXT SUNDAY'S FORUM POSTPONED ONE WEEK

Miss McCloud, Central Librarian, To Be Speaker at Meeting; Programs To Be Distributed

The forum which was to be held at the Y. M. C. A. next Sunday has been postponed until January 17 at the request of the Ministerial Association, because of a meeting of the 'Anti-Saloon League on the first suggested date.

This forum will be the first of a series of five. Other series will be held later in the year.

The topic for the first meeting is "Inter-school Co-operation." Miss McCloud, librarian at Central high school, is to be the speaker. Programs for the various meetings will be ready for distribution next Monday, January 11.

## MR. PARKS ATTENDS COMMERCIAL MEETING

Convention at Cincinnati Represents Twenty States; Three Hundred Teachers Present

Mr. Parks attended the National Commercial Teachers' convention held at Cincinnati during the past week.

Mr. Parks reported that about three hundred teachers were present, representing at least twenty states. All the leading publishers and manufacturers of commercial equipment were represented.

Considerable interest was centered on the world speed typists, who gave daily demonstrations. The convention will be held next year at Chicago.

## No Substitute Hired For History Absence

If a history teacher is absent only a few days, one of the other history teachers take his place. This is possible because there are six history teachers, each having a different vacant period. Instead of retaining their vacant periods, these teachers take the absent teacher's place.

Has Jewelry Class  
Approximately thirty pupils of the North Central high school, Seattle, Wash., are taking up the making of jewelry. The pupil is first taught to file and saw metal with one piece and then with two. Some of the work that is taught is filing, etching, enameling, and stone-setting.

We may save you money, but good vision is what counts most

## They Surely Like School

Left to right: Thelma Gasser, Ruth Watkins, Ivan Rinehart, Dorothy Johnson, and Eleanor Colson.

The five students shown above have excellent records in regard to tardiness and attendance during their four years in high school. Three of the five seniors have neither been late nor absent. They are Eleanor Colson, Ruth Watkins, and Ivan Rinehart. Dorothy Johnson has never been tardy and Thelma Gasser has kept her attendance record perfect.

## Ten Celebrated Three Holidays

Several Students Have Birthdays During the Holidays; Girls Take Lead.

Ten students celebrated three holidays during vacation instead of two, adding birthday festivities to the usual Christmas and New Year celebration.

Marie Brown celebrated her birthday on January 1, the first day of the new year. Thelma Bulley had a birthday on January 2, January 4 claimed Elmer Ringenberg and Francis DeWitt, while Dorothy Gollmer, David Mercer and Esther Speelman had one year added to their age on January 5.

Two girls celebrated birthdays January 6. They are Grace Hall and Louisa Fredricks. One birthday was observed yesterday, January 7. Melvin Zar adds a year to his age.

The following will have birthdays in the coming week: January 8—Fred Cambray, Allen Hauelsen, Kathryn Miller, Robert Tieman; January 9—Pauline Hilbish; January 10—Walter Kessler; January 11—Robert Fischer, John Nieman; January 12—William Morris, Edwin Lentz, Martha Thompson; January 13—Allen Briant, Clarence Gruenert, Winfield Ray, Wesley Telndee; January 15—Betty Hutchens, James Hanke, Irene Keene.

## GRADES FOR SEMESTER TO BE OUT JANUARY 20

New Term to Begin January 25; Programs To Be Made Out

Grads for this semester will be given out on Wednesday, January 20, 1926 but there will be eight more days of recitation before this.

On January 21 and 22 the rest of in the office. During this time classes are kept in session.

Pupils will return to school on the following Monday, January 23 to get their new programs and to start the new term.

## Students Gather Material for Book

The students of the American history class of the South Division high school, Milwaukee, are gathering material on Wisconsin history for a book. A number of talks is given each semester on Wisconsin and the information received from this source is summarized and written in the best form by the students. A number of places of Wisconsin's life have been developed in this manner. At the end of each year the teacher files the ten best themes and when he has enough he is going to submit them to some publisher for printing.

## Teachers Given Information Books

Each member of the faculty of the Manual Training high school, Kansas City, Mo. received two books on general information. The first contains information concerning employees, car lines, value of school property, and many minor details. The second pamphlet has to do with the rules, regulations, duties of the Board of Education, teachers, and pupils. It also deals with visitors, society, and class rules.

## Has New Method for Study

The American History class of the Central high school, Omaha, Neb., are studying the Federalist period of the United States history as a great play in which Washington is the leading character and Hamilton, Adams, and Jefferson have inferior parts. The plot centers around the Constitution and the desired outcome is the working of the Constitution. Women characters, brought in to make the play more interesting, are the wives of prominent government officials.

## Twenty-seven Earn Noon Meal in Cafeteria; Positions Open When New Semester Begins

Mr. Harris Considers Help Courteous and Efficient; More Girls Than Boys Are Employed

Twenty-seven pupils are now working in the cafeteria during the fourth, fifth, and sixth periods. Six are busy during the fourth period and twenty-one during the fifth and sixth periods. There are five more girls than boys employed, the number of girls being sixteen and the number of boys being eleven. All those employed receive their meals free.

"As a whole the student helpers are courteous, efficient, and measure up to the spirit of South Side high school," said Mr. Harris.

Positions in the cafeteria will be open to all pupils desiring to do this work, beginning the new term.

The pupils working in the cafeteria and their work are:

Fourth Period

Henry Mieser—Cleans trays.  
Erice Smith—Bus boy.  
Erl Hennrich—Bus boy.  
Ralph Krick—Candy counter.  
John Agnew—Bus boy.  
Mildred Hosler—Serves salad.

Fifth and Sixth Period

Garland Brenneman—Serves ice cream.

Hazel Brideman—Hot food counter.

Corneia Boxell—Serves salads.

Gerald Ammerman—Candy counter.

David Mercer—Cashier.

Dorothy Pollock—Counter and tray girl.

Minnie Kopp—Hot food counter.

Wilma Kopp—Hot food counter.

Edith Snyder—Serves dessert.

Beulah Chapel—Cleans trays.

Cecil Kies—Dish wiper.

Jeanette Crosby—Dish wiper.

Gladys Crick—Tray girl.

Marjorie Mosman—Tray girl.

Garnet Bly—Candy counter.

Edward Wilson—Cashier.

Iva Riley—Serves dessert.

Willis Klein—Serves ice cream.

Mildred Brooks—Hot food counter.

Harriet Mercer—Cleans trays.

## FACULTY STILL LEADING LOOP WITH FOUR WINS

Defeat Seniors 18 to 10; Coach Gilbert Stars for Winners, Scoring Eight Points

STANDINGS			
	W.	L.	Pct.
Faculty	4	0	1.000
Juniors	3	1	.750
Seniors	2	2	.500
Sophomores	2	2	.500
Freshmen I.	1	3	.250
Freshman II.	0	4	.000

In the weekly class league the faculty five has shown vast superiority over all other fives in the league and will probably take the championship of the league. Last Tuesday the mentors downed the seniors 18 to 10 in an interesting battle.

Coach Gilbert led the scoring as usual for the faculty with four two-pointers. The scoring was well divided among the upperclassmen. The teachers let the seniors down with three field goals.

Play Overtime

The most interesting game of the evening was between the Freshmen I quintet and the Sophomores. The score was 12 to 3 at the halfway mark but the Rhinies came back in the second half and put up a rally which had the score tied at 18 all at the end of the regular playing period. The Sophomores finally won out in the overtime period by the score of 21 to 25.

In the second half the Frosh forwards found their basket eye and delivered with six field goals. Ehimer led in the scoring with seven markers from the field.

Juniors Win Easily

The Juniors won an easy game from the Freshmen II. by the score of 32 to 7. The Freshmen were held to three field goals, getting only one in the second half. The score was 10 to 5 at the halfway mark but the experienced juniors ran away from them in the final period. Harper led with four baskets.

Lineups and summaries:

Faculty (18)		Seniors (10)	
Heine	F.	Sweitzer	
Dissinger	F.	Baker	
Gilbert	C.	Klein	
Soest	G.	Christen	
Schmalzried	G.	Braden	
Field goals:			
3, Soest 2, Sweitzer, Baker, Braden.			
Free throws:			
Christen 3, Braden.			

Sophomores (25)

Freshman I (21)

Ormerod F. Tomkinson

Shimer F. Uehres

Dull C. Christen

Van Ness G. Waterman

Briggs G. Dickie

Substitutions: Hazellett for Waterman, Little for Shimer, Waterman for Hazellett.

## Byron Somers Appointed Member of School Board

Byron H. Somers

Byron H. Somers has been selected by Mayor William E. Genke to take his place on the school board of Fort Wayne.

## Alumni News

Dorothy Martin, '25, who is attending Rockford College, Rockford, Ill., was home for the holidays.

William Kleckner, '25, who is continuing his studies at the University of Michigan, visited his parents during the Christmas holidays.

Vacation called numerous South Side alumni home from Muncie Normal school. Marjorie Matlack, Betty Merrill, Edna Tibury, Mary Monroe, Mary McCurdy, Harriett Scott, and Louise Bottenhorn were all loyal rollers at the Varsity-Alumni basketball game.

Indiana University sent home many students. Among them are Edwin Clapham, Helen Crawford, Ward Dilline, Bob Miles, Vivian Crates and Lillian Rolf.

Thomas Stacey, '25, who is the only South Side student attending Yale University, returned home for his vacation.

Margaret Rose, '25, spent her vacation visiting her parents.

Toay Underwood, '25, spent her Christmas vacation visiting her parents in Southwood Park.

Vivian Crates, '24, visited school last week.

Edward Rahe, '25, had his tonsils removed during the Christmas vacation.

Robert Steger, '25, returned to Big Rapids, Mich., to resume his studies, after spending a most enjoyable vacation with his parents.

James Newell spent the Christmas vacation with his parents of this city. James will return to Big Rapids, Mich., this week to resume his studies at that place.

Robert Hanna returned to Butler last Monday to continue his studies.

Alan Fromuth has returned to Butler to resume his studies. He hopes to play on the Freshman basketball squad.

Stewart Windt, who is studying at Purdue, spent the Christmas vacation visiting with his parents. He journeyed to Jackson, Mich., to visit relatives for a few days.

Raymond Ewell, '25, has returned to Purdue after visiting his parents during the vacation.

Edward Bourns, '25, has resumed his studies at Wooster College, Wooster, Ohio, after visiting his parents for the vacation.

Virginia Gaskin, '24, returned on Wednesday to Perry Hall, Lake Forest, Ill., after visiting relatives in the city.

Hildred Gruber, '25, attending Indiana University, was home during the Christmas vacation.

Doris Speaker, of Butler College, spent her vacation with her parents on Branning avenue.

Rose Joseph returned to Northwestern University Sunday to resume her studies.

Ralph Welch returned to Purdue Tuesday after spending the holiday vacation with his parents on Hilsley Court.

Bob Jurgensen, after visiting his parents on Harrison street, has returned to Purdue.

## Time For Work!

The Christmas season of last year brought with it its usual gayety and festive revelry and as a result a great many elaborate and merry parties were given to increase the glee of the holidays.

Although this jollity will not soon be forgotten, students will now settle down for real work, the last two weeks before the end of the semester.

Peggy Nichols entertained several friends at a bridge party last week. The guests were: Amelia Dildine, Hildegard Siebel, Greta Astrom, Edna Van Tilbury, Dorothy Scott, Betty Noll, Wilda Bowser, Kathryn Twining.

Charlotte Scott entertained Alice Miller, Grace Dyer, Valette Woodward of Toronto, and Jeanette Jordan, of Chicago, at a dinner party at her home on Hamilton boulevard last Saturday.

Maxine Canada entertained a number of her friends at a Christmas party at her home Monday evening. A delicious two-course luncheon was served to the Mesdames William Geake, Jr., Floyd Berlin, Charles Manes, and Ardise Scott, Maxine Charters, Evelyn Zern, and Garnet Creigh.

Marguerite Lucke entertained a number of her friends at her home on West Woodland avenue at a Christmas exchange dinner party recently.

Mildred Noll was hostess to a number of her most intimate friends at her home on Little street. Prizes in progressive bug were awarded Florence Hansen and Ferol Jenkins. Those who were present are: Thelma Kern, Florence Clemmer, Mary Lucille Otten, Florence Hansen, Ferol Jenkins, Pauline Steckner, Ethel Lew, Florence Hazelett, and Frances Kelsey.

Catherine Fries entertained with a pot-luck dinner at her home on Euclid avenue Wednesday. Prizes in heart were won by Marguerite Schiewer and Mervyn Welch. Covers were laid for Jean Herd, Marguerite Rahe, Margaret Mallard, Marguerite Schiewer, Mervyn Welch, Catherine Childers, Gladys Bratton, of Delta, Ohio, and Mary Hale.

William Thiele was the guest of honor at a delightful surprise party at his home on Holton avenue recently. Buncos were enjoyed during the evening, after which a delicious luncheon was served. Those who were present are: Gertrude Bradley, Irene Davis, Elizabeth Augspurger, Selma Smith, Lottie Dignun, Dorothy Kohl, Ruth Albright, Thelma Price, Mary Barnes, Gwendolyn Harter, Dorothy Swaiden, Marjorie Surfus, Oakley Garhan, Clara Sutorius, Virginia King, Mae Thiele, Gerry DuWan, Frank Bernhard, Charles Brubaker, Nobs Schopf, Thomas Staley, Arthur Distel, Melvin Richendollar, Hoots Welsh, Red Bedewey, Richard Becker, and Tiney DeHaven.

Mary Scotten delightfully entertained the members of the H. D. S. club at her home Monday evening. Dancing and buncos were enjoyed during the evening, prizes in the latter being won by Charlotte Baron and Geraldine Grover. At a late hour a delicious luncheon was served.

Margaret Pocock was recently the hostess at a delightful party. Prizes in buncos were awarded Virginia Danuser and Ruth Bowen. Late in the evening a delicious luncheon was served to Elizabeth Suter, Boyd Annis Thomas, Betty Fonger, Jean Gilie, Ruth Buist, Katherine Gould, Nellie Emrich, Doris Conn, Virginia Thieme, Jean Herd, Helene Foellinger, Helen Gaskins, Elizabeth Williams, Ruth Bowen, Virginia Danuser, and Miss Kiefer.

## Mid-year Seniors Unwilling for Term to End; Freshmen Getting Disgusted With Exams

## MANY WARNING NOTICES ISSUED BEFORE HOLIDAY

Total of 128 Sent to Pupils Passing at Mid-Term But Failing Now

Warning notices numbering 128 were sent to pupils during the Christmas vacation. This number is small compared to 862 notices sent in October.

The notices this time were sent only to the pupils who were passing in October but who are failing now.

The language department now takes the lead, having sent out 43 notices. Mathematics comes next with a total of 33. The rest are as follows: English, 18; commercial, 12; history, 9; science, 9; manual training, 2; domestic science, 1; and music, 1.

The music department, which has had a perfect record in 1924 and up to October, has one notice added to this semester's total.

## Visit Gas Plant

The chemistry classes of the Great Falls (Montana) high school visited the gas plant of Great Falls recently. The foreman explained the manufacture of the city gas to the students. The class next expects to go through the smelter room.

Underclassmen Wish the School Work Was All Over; Teachers Are Ready.

"Oooooooh! A test tomorrow." "No more dates for me, this month." "Wonder if I'll pass." "I've a lot of work to make up." As some would say, "It's a sure sign of spring," it is evident that the above quotations are a sure sign that the end of the term is near.

"Oh, yes, in just two weeks," gladly rejoiced one senior while an underclassman says, "I wish it was all over."

Most students seem to be preparing for the mid-term promotion with great interest and are using their spare moments in reviewing their work. And not only the students are busy. The teachers have their time filled by grading papers and making up tests.

"I wish this was my last year here," states a little freshman in disgust. On the other hand a senior expresses a desire for a great deal more time in school.

Among the seniors, the most are worrying about credits and making plans for the use of their education. Others will go on with their studies at various colleges.

Tests and next term teachers are the subjects of general discussion by the majority of students and these matters are brought up in almost every conversation.

## Do You Know? "HOW TO STUDY"

The Students' Hand-Book of Practical Hints on the Technique of Effective Study

WILLIAM ALLAN BROOKS  
A GUIDE containing hundreds of practical hints and short cuts in the economy of learning, to assist students in securing MAXIMUM SCHOLASTIC RESULTS at a minimum cost of time, energy, and fatigue.  
ESPECIALLY RECOMMENDED for overworked students and athletes engaged in extra curriculum activities and for average and honor students who are working for high scholastic achievement.

## SOME OF THE TOPICS COVERED

Scientific Shortcuts in Effective Study  
Preparing for Examinations  
Writing Good Examinations  
Brain and Digestion in Relation to Study  
How to Take Lecture and Reading Notes  
Advantages and Disadvantages of Cramming  
The Athlete and His Studies  
Diet During Athletic Training  
How to Study Modern Languages  
How to Study Science, Literature, etc.  
Why Go to College?  
After College, What?  
Developing Concentration and Efficiency  
etc., etc., etc., etc., etc., etc.

## WHY YOU NEED THIS GUIDE

"It is safe to say that failure to guide and direct study is the weak point in the whole educational machine. Prof. G. M. Whipple, U. of Michigan.  
"The successful men in college do not seem to be very happy. Most of them, especially the athletes are overworked." Prof. H. S. Conly, Yale.  
"Misdirected labor, though honest and well intentioned may lead to naught. Among the most important things for the student to learn is how to study. Without knowledge of this his labor may be largely in vain." Prof. G. F. Swain, M.I.T.  
"To students who have never learnt 'How to Study,' work is very often a chastisement, a frustration, and an insuperable obstacle to contentment." Prof. A. Inglis, Harvard.

"HOW TO STUDY" will show you how to avoid all mis-directed effort. Get a good start and make this year a highly successful one by sending for this hand-book and guide NOW.

## YOU NEED THIS INTELLIGENT ASSISTANCE

## GREEN HUMBLES ALUMNI SQUAD IN ONE-SIDED GAME

This Year's Men Completely  
Outclass Grads in the An-  
nual Battle During  
Vacation

## WAMBSGANSS GOES BIG

George Wyss, Veteran Floor  
Guard, Plays Good Game;  
Many Alumni Play

South Side's quintet secured revenge for the defeat handed them last year by the Alumni by trouncing the Vets to the tune of 34 to 19. The Green and White outplayed the grads throughout the entire contest and the Alumni were unable to cope with the attack presented by Coach Ward's men.

### Wambsganss Is Good

Wambsganss played a fast and clever floor game for the Green, working his way through the alumni time after time for open shots at the basket. He proved to be a whirlwind on the offense and also played an exceptionally clever defensive game, keeping the alumni well in check.

He was also aided by his teammates, who displayed a particularly clever brand of basketball. Spruense played his usual good ball and led the scoring with four field goals and a free throw. His floor game was fast and he kept the grads guessing with his tricky dribbling and passing.

### Two Alumni Star

George Wyss and Chuck Brubaker were the only players on the alumni team that played their old style of basketball. This pair carried the grads' attack throughout the entire contest. Wyss was powerful on the defense and also played a fast offensive game. Brubaker found the four field goals. He came in under the basket for short shots, which he consistently made good. Frommuth, who many times before had the crowd awe-stricken, failed to get going and did not chalk up a marker for himself.

### Game Play By Play

The game started with a rush with the Varsity taking the lead after battling seven minutes without scoring. The Varsity rolled up a 5 to 0 count on the grads before they were able to score. Wyss broke the tie by sinking a pretty one. Brubaker followed with a short shot and then the Varsity ran the count up to 10 to 4. The Alumni soon brought the count to 10 to 8 with three minutes remaining in the first half. Brubaker however soon tied the score at 10 all on a pretty short shot and Frommuth put the Alumni in the lead for the only time during the contest at 12 to 10. The halves ended the grads' attack and the Varsity piled the score up to 17 before the half and the Varsity was leading 17 to 12 at the rest period.

### Second Half

The Varsity continued its attack on the Alumni defense and worked its way straight down the floor for short shots. The score soon stood 22 to 14 in favor of the Green. The alumni was unable to check the attack and the Scorpions' Green ran wild for the remainder of the game. Although at times the Alumni showed signs of old-time form, they lacked the punch that was necessary to hit the pace set by the Varsity. The grads were also handicapped by not having the necessary teamwork to carry them through. It was a game fight put up by the Varsity against the Alumni and the old-timers had plenty of trouble keeping up with the Kellys' attack throughout the contest.

### Line-up and summary:

Alumni (19)	South Side (36)
Frommuth, F.	Simon, 2
Brubaker, E.	Willson, 1
Norris, C.	DuWan, 1
Wyss, G.	Sprunger, 4
Thiele, G.	Wiener, 1

Substitutions—Staley for Frommuth, English for Norris, Wilkins for Wyss, Plaster for Thiele, Parker for Plaster, Diste for Simon, Rahe for Diste, Wambsganss for Willson, McCormick for DuWan, Carto for McCormick, Gradian for Wiener, Field Goals—Norris, 1; Brubaker, 4; English, 2; Wyss, 1; Simon, 2; Willson, 1; Rahe, 2; Wambsganss, 3; DuWan, 2; McCormick, 1; Sprunger, 4; Gradian, 1. Free Throws—Frommuth, 1; Norris, 2; Simon, 2; Willson, 1; Wambsganss, 1; DuWan, 1; Sprunger, 1. Referee—Schmalzried.

## Motifs Being Designed for Club Room Curtains

The curtains for Room 86 are being made in the art department under the supervision of Miss Ley. The motif for them have not been received so Miss Ley is making several designs with different colors for those in charge to choose from. They will be taken up again this week and will be finished as soon as possible.

### Injures Foot

Esther Bowman is absent from school as a result of torn ligaments in her foot, injuries she received when she slipped on the oily floor in the library the fourth period on Monday.

## Presents Made in Manual Training

I wonder how many of us realize that we have a furniture factory right here in our school? We wonder how many of us think that the part of the building devoted to manual training is forbidden ground. Well, it isn't. The teachers are only too glad to have strangers, students and parents visit their shop and view the many articles of furniture made.

It is surprising to see some of the pieces that the boys have made. Floor lamps, table lamps, stools, telephone stands, end tables, candlesticks, desks, and many other smaller pieces are some of the many articles that South Side woodworkers are turning out.

Parents have a faint idea of what their sons are doing in woodworking until they receive a lamp or some other article of furniture for a Christmas present.

Boys not only learn how to use tools and plan something before it is made, but make useful things while doing so.

The students making floor lamps are Gerald Carrington, Donald Hatch, Lajore Pond, Chester Blowers, Robert Campbell, Gerald Garling, William Goers and Edward Small. Norman Miner, Frederick Stick, Robert Coblenz, Herbert Martin, Ralph Meyer and Herbert Somers are making junior floor lamps. Those making bridge lamps are Jack Calkins, Richard Florent, Ervin Rodey, John Snyder, Clarence Young, Harry Kessler, Paul Ayres, Daltin Cates, Robert Reimann, Donald Chaney, John Armstrong, Arthur Beddoes, Edward Craig, Jack Fairman, Allen Heuelsen, Ralph Klein, Joe Little, Paul Miner, Milan Sell and Mark Talmadge.

Philip Sigrist, Ernest Simpson and Elmer Rodenwald are making end tables; Frederick Bulmahn is making a telephone stand, William Frazier, a stool, Howard Jeffries, a set of candle sticks, and Lloyd Roe, a desk.

Most of the lamps are made of walnut and mahogany, and most are polychromed.

## Vacation Rumbblings

Robert Seest spent the Christmas vacation in Chubbuck visiting friends.

Philip Rahe had as his guests over the holidays, Zilma Mahoney and Helen McGuire, of Gary.

Mary Lucille Otten visited in Bluffton during Christmas vacation.

Paul Marris visited friends in Munster last Saturday and Sunday.

Tom Switzer had as his guests during the Christmas vacation, Arthur Palizzato and Pat McCorkle, of Pittsburgh.

Richard Balmer visited friends in Bluffton and Lima, Ohio, over Christmas vacation.

Eileen Dillon spent Christmas vacation with her parents in Huntington.

Marie Brown entertained Mildred Oldham, of Findlay, Ohio, at her home during the Christmas holidays.

Juanita Tulley spent the Christmas vacation in her country, visiting friends and relatives.

Carolyn Reed's vacation was spent at Indianapolis.

Leona Kuhn motored to her home in Mishawaka for the vacation.

Bernice Mercier visited in Paris, Illinois, for a few days this vacation.

Dorothy Davis and Georgiann Gilman visited Mrs. Lenore Pierce, of Chicago, during the Christmas vacation.

Marjorie Wolever, of Fox avenue, visited her grandparents in Delphi, during the holidays.

Margaret and Alice Diserens spent part of the holidays as the guests of Dorothy and Toay Underwood, of Indiana avenue.

Betty Fonner spent the Christmas holidays at Decatur, visiting relatives.

Alice Miller had as her guest for the holidays, Grace Dyer, a former student of South Side, who is now living at Detroit, Mich. She will return home Tuesday after visiting South Side for a day.

Esther Ballard visited in Altoona, and Pittsburgh, Pa., during the Christmas holidays.

Kathryn Sellers visited her sister in Washburn during her vacation.

Catherine Thompson spent her Christmas vacation in Indianapolis, visiting friends.

Jeannette Duryee motored to Lake James with her parents over the week-end.

Marjorie Surface and Catherine Thompson motored to Indianapolis to visit during the holidays.

Louise and Caroline Ryberg were the guests of Prudence Rambeau during the holidays at her home in Pittsburgh, Pa.

## ANNE HABERSTROH WINS FIRST PRIZE IN ESSAY CONTEST

Cash Prize of Twenty-five  
Dollars Given Junior  
of South Side  
High

## OTHER SOUTH SIDERS WIN

Harold McMahon, Robert Sim-  
mers and Naomi Swartz  
Receive Remainder

Anne Haberstroh, a junior in South Side high school, won the first prize of \$25 in the News-Sentinel essay contest on "The Rhime of the Ancient Mariner" and its lesson to humanity. "The Rhime of the Ancient Mariner" is one of the books studied in the sophomore year; the knowledge obtained by studying it in school was a great help in writing this essay.

Harold McMahon, a sophomore of South Side high school, won the second prize of \$10; Robert Simmers and Naomi Swartz, also of South Side, won cash prizes of \$5 and \$3 respectively.

### Others Win Tickets

About half of those winning prizes were South Side students although students from surrounding towns competed. The South Side students and alumni who won tickets to the Allen theatre, where the "Ancient Mariner" was shown, are:

Maxine Rahe, William Van Ness, Ruth Mae Dawkins, Beulah Selp, Jane Walker, Rue Virginia Neireiter, Elizabeth Fonner, C. J. Shimer, Virginia Seemeyer, Harriet Treace, Ruth Wilson, Ruth Egan, Jack Baals, Ralph Schroeder, Margaret Hemrick, Leota E. Foster, Renges Azar, Juanita Brown, Allison Custance, Kenneth Bechtold, and Garland Brennenman.

### The Winning Essay

The essay, submitted by Anne Haberstroh, which won first prize, is as follows:

The Rhime of the Ancient Mariner—  
Its Lesson to Humanity

Everyone has in his life an albatross which is really the things he has to do in his everyday life but which are hardest to do and because they are hardest to do they are put off and put off until in time his albatross is killed. The albatross is usually the good things in one's life that help to build up the moral character and when the albatross has ceased to be, then that person's moral character is weakened and in time the good impulses die.

The water-makes and the slimy, crawling things of the sea referred to in the Ancient Mariner are in real life the many unpleasant tasks we have to do and which we hate. But when we begin to realize that these things have to be done and we learn to do them in a gracious manner we finally lose our dread of doing them and really find them a pleasure.

When we learn that it is better to accept our lives as they are given to

us than to dodge the little unpleasant things that are bound to arise in everyone's everyday life, we are going to learn that living rightfully is really a beautiful thing and something worth while for us to strive to do our best for.

No one can live his life by himself. Take, for example, a person whose sense of right has been killed. As he becomes older and is made head of his family he is in command of the lives of his children, just as the Mariner was in command of his sailors, and this man's ideas are taught to his children and thus the good impulses which they may have had are killed, just as the Mariner's wrong ideas left his ship with two hundred sailors stranded in the ocean. As this person grows older and realizes that his life has lacked the influence it should have had, he realizes his mistake. When he sees someone who is just about to make the same blunder he made, he feels duty-bound to tell that person so by telling of his own experiences.

### LAMPS—

OCCAS

**CORNELIA A. BADE  
HAS NAME PLACED  
ON LANGE TROPHY**

**Wins Extemporaneous  
Speaking Contest; Ruth  
Eickmeyer Takes  
Second Place**

**USE ONLY ONE SUBJECT**

**Event Best and Most Closely  
Contested Mr. Makey,  
Instructor, Has Heard Here**

Cornelia A. Bade is the sixth name to be inscribed on the extemporaneous speaking cup presented to South Side by Mrs. Ralph E. Lange in memory of her son, Ralph Lange. Cornelia won the extemp contest which was held last Thursday, January 7, in room 88. The subject discussed was the county unit plan of public school administration.

The three judges, Bert J. Griswold, Walter E. Helmke, were unanimous in giving second place to Ruth Eickmeyer, a former winner of the cup. Elisabeth Crane and Louise Platt were the other speakers.

"This event was the most closely contested and the best contested extemp of any that South Side has had, since I have been teaching at this school," declares Herman O. Makey, instructor of public speaking here and chairman at the extemp contest.

**Speeches Similar**

All of the speakers considered the same side of the question, namely that Indiana should adopt the county unit plan. The girl that won the contest told in her introduction just what the situation now is and what she meant by a county unit plan. She then went on explaining the inequalities between the rural and city schools and how Indiana could do away with many of the inequalities, if the state adopted the county unit plan. In general, the other speakers also considered these points in their speeches.

In rebuttal, the contestants were given a choice between two things: they could either give direct refutation against the arguments presented by the others or could just enlarge on some of the points made. All in the extemp used the latter method.

**Judge Speaks**

After the decision of the judges had been announced, one of them, Mr. Griswold briefly addressed the audience. He said that those who developed poise, the ability to speak to a group and clearly express their ideas, would be the leaders of their community in later years.

**System Is Different**

A plan different from any used here before was used in this contest. Just two days before the time for the extemp, instead of the usual three days, the subject was announced to the entrants. This year only one topic was discussed, while in other years every one prepared to talk about three or more subjects.

In spite of this, as Mr. Makey said before introducing the speakers, it was a true extemp in that the contestants had no chance either to read all available material or to write their speeches.

**POSTER EXHIBIT GIVEN  
BY GEOGRAPHY PUPILS**

**Mr. Huddleston's Commercial Geography Class Completes Project On National Garb**

A general invitation is extended to all high school pupils to visit Room 22, January 18, 19 and 20 to see posters made by Mr. Huddleston's commercial geography class.

This should be interesting especially to all commercial students, those who expect to take it later, and those interested in world production.

The last project completed by the class is one of native garb of each nation of the earth. This phase of the work was made possible with the aid of Miss Shulze of the library, to whom a large part of the credit is due.

**75,000 Watts Used by 600 Lights in School;  
Study Hall Illuminated by 72 Electric Lamps**

**Basketball Games Seen by 75  
Bulbs Furnishing 30,667 Candle-Power.**

"—And with the board of directors before him, the principal said in rage, it is terrible, gentlemen, that the school at Forbes Crossing has already used two gallons of kerosene for lamps by their entertainments."

No, this isn't the start of a story. It is merely an illustration of what a worry a few lamps once were to the school board. But a few years make quite a difference. Just to think, there are over 600 lights in the South Side high school, which use approximately 75,000 watts of electricity. To furnish this same light, 100,000 candles would have to be burning at the same time.

To go farther into detail proving the above statement (and I counted each light), there are 260 lights in the class rooms, not including 24 that are in the study hall. That means that on the cloudy days when all the

**Mr. Brand to Resign;  
Will Teach in Detroit**

Mr. Brand, science teacher, will resign his position at the end of this semester in order to accept a position as teacher in one of the Detroit high schools.

Mr. Brand joined the high school faculty this fall, after teaching one year in the South Side grade schools. Mr. Brand has had a successful semester here, entering into the activities of the school and winning the respect of his pupils in class. He states that his reason for leaving is to obtain a higher salary.

Mr. Brand is the first teacher to resign from the faculty here in order to accept a position in a high school other than in his home town.

**CIRCULATION HEAD  
ASK THAT PUPILS  
GET TOTEMS NOW**

**Making First Payments Before  
End of Semester Will  
Help Staff in Checking  
Up Records**

**TAKE PICTURES STEADILY**

**Work in Individual, Feature and  
Group Pictures Progressing;  
Calendar Section Started**

As the result of a last minute rally to get students to sign up for the 1926 Totem before the end of this semester, the circulation heads have garnered a total of three hundred subscriptions.

"If pupils will just make a first payment before January 20, they will save the staff a lot of trouble in checking up next semester when everyone will be in different classes," says Thelma Gasser, circulation manager.

**Can Pay a Quarter**

"Students who order books now have until April 15 to complete paying the two dollars, which the annual costs," she explained.

Out of 180 seniors, 118 have already subscribed for the year book. The juniors follow with sixty-eight, while the sophomores and freshmen have fifty-seven and twenty-nine respectively. Eighteen members of the faculty have put in their orders, and five alumni have so far signed on the dotted line.

There will be a general reorganization of room agents next semester, although many of this term's solicitors will probably be retained.

**Check Pictures**

In checking up on the individual class pictures for this year's Totem, the number of lower classmen who had appeared at the Jefferson Studio to be "shot" was found to be far below par. One hundred and thirty-five juniors and 140 sophomores have not yet posed for the photographer while only eighty freshmen have appeared. (Continued on page 6)

**GIRL RESERVE CLUBS  
TO FEAST, JANUARY 21**

**Each Club To Decorate Own Table;  
Cornelia Bade To Give  
Toast**

Plans are now under way for the annual Girl Reserve banquet which is to be held in the Y. W. C. A. club rooms at 6 o'clock, January 21.

Cornelia Bade, president of So-Si-Y, will give a toast, and several other speakers will be on the program. Each club will have a table to decorate in their club colors.

Besides the toasts and speeches the four high school clubs are organizing yells. The rest of the program is to consist of several musical numbers.

**Montpelier Wins**

Montpelier high school defeated Lancaster Center, who was a dark horse in the regional last year, by 37 to 23 count. Miller starred for Montpelier.

**Clara Wager Married**

The marriage of Clara Wager, former pupil here, and Jerry Carpenter was solemnized at the bride's home last week. Many delightful showers have been given for the bride by her friends.

lights are on, about 28,400 watts of electricity are being used to throw light on "dark subjects."

**Halls Well Lit**

But these are not all the lights. In the halls there are 72 large lights, the same number used in the manual training department. Together these lights use 15,000 watts. Quite a shock, eh?

If the gym were to be lit with candles to give the lighting effect that it has now, it would be necessary to use 30,667 candles. In terms of electricity, 23,000 watts are used in the 75 lights. The 34 small and "exit" lights in the gym use about 3,500 watts. Then the 39 lights on the ceiling use 600 watts each. There is quite a contrast between one of them and the common light globe of 40 or 50 watts used at home.

**Gym Leads All**

Although the manual training department has 72 lights, they are well distributed among eight or more rooms, so the gym takes the blue ribbon for having 75 lights.

**WEEKLY FORUMS  
TO BE STARTED  
AT SUNDAY MEET**

**Series of Five Gatherings to  
Be Held at Y.M.C.A.;  
All Are Invited  
to Attend**

**MISS MCLOUD IS LEADER**

**Central Librarian to Talk on  
Inter-School Spirit; Eats  
to Follow**

Next Sunday the first of a series of five Sunday forums will be held in the boys' lobby of the Y. M. C. A. at 3:30 o'clock. Miss McCloud, librarian at Central high and the South Side branch libraries, will lead the discussion on "Inter-School Spirit." Noble Sprunger is chairman.

Before the discussion hymns will be sung, and after the talk a collection will be taken and refreshments will be served.

**All Invited**

All boys and girls, whether members of any of the girl reserve or Hi-Y clubs, are invited to attend the meeting.

Last year two series of forums were held, at which the average attendance was 100.

Miss Esther Symons, Girl Reserve secretary of the Y. W. C. A., and Mr. Brunson, boys' religious work secretary at the Y. M. C. A., sponsor the meetings.

The program for the rest of the series is as follows:  
January 24—Subject: "Choice of Life Work."  
Leader: Mr. Makey.

Chairman: Ruth Schneider.  
January 31—Subject: "Why Be a Christian."  
Leader: Rev. L. N. Rocca.

Chairman: Robert Bradtmiller.  
February 7—Subject: "The Ideal Boy and the Ideal Girl."  
Leader: Rev. James Strachan.

Chairman: Cornelia Bade.  
February 14—Subject: "War or Peace?"  
Leader to be announced.

Chairman: John McMeen.  
The social committee in charge of the refreshments is composed of Marie Williams, chairman; Jeanette Duryee, Elizabeth Suter, Clayton Matlock, and Robert Porter.

**"IDEAL BARBER SHOP"  
PRIZE WINNING NAME**

**Virginia Kinerk Gets Five Dollars for  
Submitting Best Name to  
J. H. Disler**

Virginia Kinerk is \$5.00 richer and the name "The Ideal Barber Shop" has supplanted the name of "Johnny's Barber Shop" as the result of Virginia's submitting the prize-winning name in the contest conducted by J. H. Disler through the South Side Times to find a new name for his place of business.

"The Ideal Barber Shop" was the name selected Tuesday from a group of about eighty. The prize, five crisp one dollar bills, was awarded to Virginia at a Times staff meeting yesterday. The contest was open to the whole school.

Mr. Disler's barber shop is located at 114 West Woodland avenue, a short distance from Calhoun street. It formerly has been called "Johnny's Barber Shop," from the owner's first name.

"I wish to thank all who made suggestions," Mr. Disler said Tuesday after the prize-winning name had been selected. "Of course there is joy and happiness in winning a prize, but there should be satisfaction in the knowledge that you made the effort. If nobody tried there would be no prize won. So in everything you do, try to win the prize," he added.

**Art Crafts Guild Cup  
Given Totem Arrives**

The cup won by the Totem in the Art Crafts Guild year book contest arrived late last week. This cup is 30 inches high and stands on a large base. It has to be won twice in succession or any three times to be held permanently.

On the front of the cup is engraved, "Art Crafts Guild, Chicago, Illinois, National Contest for Yearbooks for High Schools with an Enrollment of Over Five Hundred."

On the back is, "Won by 1925 Totem of South Side High School of Fort Wayne, Indiana."

**Flora and Bill Baer  
to Stay in this City**

Since the Rev. C. W. Baer has refused to accept the position offered him at Brooklyn, New York, as pastor in a large church, Flora and Bill will continue their studies at South Side. They are both seniors and will graduate in June.

**Works at G. E.**

Miss Hilda Brown, a former student of South Side high school, has accepted a position at the General Electric company as a stenographer.

**Goes To Bible School**

Homier Clauser has discontinued his studies at South Side to take a course in the Bible Training school of this city. He had just entered high school in September.

**BETWEEN-SEMESTERS  
SCHEDULE**

Full period class work will come to a close next Tuesday afternoon. Grades will be given out next Wednesday morning during fifteen-minute sessions. Pupils should report to the gymnasium before 8:20 Wednesday morning to get their cards.

Teachers will turn their grades into the office Wednesday morning and will help to fill in the office records and assist in making out programs during the rest of the week.

The spring semester will begin Monday morning, January 25. Pupils may obtain their programs in the gymnasium. Periods on Monday will be fifteen minutes long. In the latter part of the morning and in the afternoon, books will be sold in certain class rooms and at the book store.

Full period classes will be resumed on Tuesday, January 26.

**BEN CHAPMAN TO BE  
AT Y.M.C.A. TONIGHT**

**State Boys' Secretary Will Be Attraction at Joint Meeting of the Junior Hi-Y and Hi-Y**

Ben Chapman, state boys' secretary of the Y. M. C. A., will be the main attraction at the joint meeting of the Junior Hi-Y and Hi-Y clubs tonight at six o'clock at the Y. M. C. A.

Mr. Chapman is a "regular" fellow, a boy in spirit, and one who understands boys and their problems. Last week the club was given a report on the Christmas baskets and plans were also discussed to entertain the orphans at the Allen County Orphan's home with moving pictures. This will be done twice a month.

"Fellowship and what it means" was discussed at this meeting, Mr. Brand leading the discussion.

**GIRLS TO HEAR TALK  
BY MR. SCHMALZRIED**

**Election of New Officers for U. S. A.  
To Be Held Friday at  
Booth in Hall**

Mr. Schmalzried will talk on the subject of "Boys" at the U. S. A. meeting to be held today in Room 86 at 3 o'clock. Devotions will be read by Katherine Pepper. Music will also feature the program. After the talk games will be played.

**Nominations**

The election of officers for the club will be held Friday at the booth in the hall at the middle west door. The following nominations have been made: President: Mildred Kessler and Ruth Stroebel; vice-president, Mary Graham and Marguerite Kendig; secretary, Harriet Wyneken and Bernice Jenkins; and treasurer, Margaret Jones and Claire Staley.

The retiring officers are Elizabeth Suter, president; Jeanette Duryee, vice-president; Katherine Pepper, secretary; and Betty Ray, treasurer. All girls who have not paid their dues are asked to pay them when they vote.

The picture of the U. S. A. club for the Totem will be taken at this meeting.

**Announces Banquet**

Miss Symons has announced the Girl Reserve banquet which will be held Thursday evening, January 21, at the Y. W. C. A. club rooms. Margaret Roberts, president of Friendship club of Central, will be toastmistress. The tickets may be obtained for fifty cents from Miss Symons.

**Junior Groth To Stay**

Junior Groth will continue his studies at South Side and graduate with his class in June, although his father has gone to New York as assistant to S. S. Kresge, president of Kresge Department Stores, Inc. Mr. Groth was vice-president and general manager of Ruride Dry Goods company for the past four and one-half years.

**Calendar**

**January 14—Joint meeting of Hi-Y and Junior Hi-Y at Y. M. C. A. at 6:00 p. m., to hear Ben Chapman.**

**U. S. A. meeting in Room 86 at 3:00 p. m. Mr. Schmalzried is to be the speaker.**

**Finals in Latin vocabulary contest will be held in Room 30 at 3:00 p. m.**

**January 15—Election of U. S. A. and So-Si-Y officers at election booth in hall.**

**Basketball team plays Wabash five at Wabash.**

**Math-Science meeting at 7:30 p. m. in Room 86. Election of officers and talks are on program.**

**Election of Times general manager in Room 20 at 3:00 p. m.**

**January 16—Game with Shelbyville high school basketball team at 8:30 p. m. Preliminary game starts one hour earlier.**

**January 17—First Forum at the Y. M. C. A. boys' lobby at 3:30 o'clock. General discussion on Inter-School Spirit.**

**TIMES TO COMPETE  
WITH PUBLICATIONS  
ALL OVER NATION**

**Contest Usually Held at  
Thanksgiving by C.I.P.A.  
Changed to Later  
Date**

**TIMES HAS WON HONORS**

**South Side Paper Adjudged Best  
In 1923-24; Last Year  
All-American**

The South Side Times will be entered in the national newspaper contest, conducted by the Central Inter-Scholastic Press association and will submit the issues of December 22, January 7, 4 and 21 for consideration.

In 1922-23 the Times won the award of best high school paper in Indiana in the C. I. P. A. contest; in 1923-24, best in the United States; and in 1924-25, All-American.

January 27 is the deadline for entering publications in the meet. As none was held at the time of the convention during Thanksgiving vacation, more time can be devoted to constructive criticism.

Complicated score cards will be sent to every school in the competition after winners have been announced. The cards will grade every department and feature of the newspaper.

**Various Awards Given**

A 22-inch cup will be awarded to the best high school newspaper. Besides the cup, wall plaques, eight by eleven inches in size, will be given to newspapers winning All-American ratings.

Publications receiving first, second, or third class ratings will be presented diplomas and fourth class will receive no award.

**Four Issues Submitted**

Four of the most recent consecutive issues of newspapers must be submitted.

Over 1,000 schools in every state in the union and many island possessions are C. I. P. A. members. Practically all of these will compete in the contest.

**SO-SI-Y CLUB TO CAST  
VOTE AT BOOTH FRIDAY**

**Many Enjoy "Oughta" Party at Last  
Meeting; Spare Tires and  
Stiff Oil Served**

So-Si-Y officers for next term will be elected tomorrow at the polls in the main hall. The election booth will be open before and after school and during the lunch periods.

The membership committee has charge of the ballots and election returns. The candidates for the election are as follows: President, Marguerite Schiewer and Mervyn Welch; vice-president, Virginia Bourns and Katherine Chapman; secretary, Jeanzier and Dorothy Underwood; treasurer, Katherine Fries and Mary Sherman.

An "oughta" party was the big attraction at the last meeting of the term which was held yesterday in room 38. "Auto Anagrams," "Free Air," "Coming in on the Rim," and "Blow Out" entertained the members that were present. The winner in the anagrams contest received a toy auto, and those in the "Free Air" game got chewing gum to mend their tires. Spare tires and stiff oil (doughnuts and ice cream) were the refreshments served.

Preceding the party Mrs. Long gave several interesting readings and Virginia Hackney played a few selections on the piano.

**Press Club Cancels  
Year Book Contest**

No contest between year books will be held this year by the Columbia University Press association, a bulletin from that body announces. The decision was made, the association says, in order that full attention can be given to the newspaper and magazine contests to be conducted soon.

As this is only the second year of the association, it does not feel able to carry out its intended plan of judging year books.

The Totem will be entered in no more contests this year, as no more will be held. It has won all of the contests, one state and two national.

**Saxophone Quartet  
Plays for Optimists**

The South Side saxophone quartet furnished the music for the regular meeting of the Optimist club on January 13. The meeting was held at the Chamber of Commerce.

**Is Absent From School**

Malvin Richendollar has been absent from school a few days, ill with a cold.

**Returns To School**

Goldie Pollack, who has been out of school for several days, has returned.

**Plays at Elkhart**

Paul Staigh played with the Patterson-Fletcher basketball team last Saturday night at Elkhart.

**Times Staff to Elect  
Next General Manager**

For the first time in the history of the school, the Times staff will vote to select the general manager of the paper for the spring semester.

This change was caused, Miss Harvey says, because there are four persons of approximately equal ability eligible for the position from whom she has found it difficult to select just one. Miss Harvey believes that the staff, from working with these four, may have discovered which one is best. The staff was notified two weeks ago in regard to this election and the candidates were announced. They are Ruth Eickmeyer, Gertrude Schuelke, Mary Pocock and Harry Wedler.

**FIRST OF SERIES  
OF LATIN TESTS  
WILL BE FEB. 12**

**County Contest Comes on  
February 27; District,  
March 27; State, April  
9; So. Siders Working**

**MISS BURTON IN CHARGE**

**Mythology, History, Comprehensive  
Reading, Background  
Are Added**

With the conducting of local meets on February 12, the 1926 series of Latin contests will get under way, sponsored by the Indiana University extension division. County competition will follow on February 27, district, March 27, and state, April 9.

Miss Edith Burton, teacher of Latin at Central high school, has been appointed as twelfth district director.

**Start Work**

South Side Latin students are already starting work on vocabulary and derivatives in preparation for the first of the series.

Besides the usual translation, sight reading, synopsis of verbs, declension, and derivatives that the tests cover, mythology, history, background, and comprehensive reading have been added for this year's work.

Tests are given in five divisions of the Latin course: I, II, III, IV, and V. Last year the extra first year section was added.

**Victorious In 1925**

South Side triumphed last year in the county and district contests and went to the state with representatives of each class, five in all, more than any other one school sent. In 1924 she also had a one-hundred percent delegation.

In the state contest Pauline Baumgartner and Franklin Smith won second place in Cicero and first in Caesar, respectively.

With one first and one second, the locals took the highest average. The year before Helen Clapesatt, '25, took third in Division III.

**MATH-SCIENCE CLUB  
TO ELECT OFFICERS**

**James Miles To Give Talk on Flowers  
and Ferns; Officers  
Are Nominated**

Election of officers for the Math-Science club will take place next Friday evening, January 15, in Room 86 at 7:30 o'clock. The students nominated for the different positions are as follows: President, Walter Hallstein and Mary Pocock; vice-president, Dorothy Emrich and Roger Ralston; secretary, Walter Zahrt and Elizabeth Suter, and treasurer, Thelma Gasser.

A talk on flowers and ferns will be given by James Miles. He will give a brief discussion of flowers and a longer one on ferns.

**Visit Settlement House**

Helen Masters and Dorothea Kohlmeier recently visited the Fort Wayne Settlement House and were shown the different things the foreigners have accomplished by attending the school.

**Thoughts Befuddled by Questions Suggested  
by Pupils' Names on School Enrollment List**

**Interrogations Puzzle Even  
Searcher for Queer Names;  
Fruits, Bills, Money, Etc.**

(By Mary Pocock)

The strange artist looking over South Side's enrollment list might ask in amazement:

"My, is Marie Brown, LaVon Blue, or is Arnold White?  
Then the salesman might answer with:  
"Will Lauretta Sell?  
Can Leah Blume?  
Is the Jeanetta Apple edible?  
Can you pay a Robert Bill?  
Does Betty Gamble?—and was Dwight Winner?

Do you take Margaret Nichols in return for a sale?"

Such are some of the puzzling things about names. Getting more inquisitive someone might ask:

"How does Lucille Bosserman, and is Ralph Frank?—or again, "Does LeRoy Shine, or is Herbert Sharp, or is Joe Little?"

**SOUTH SIDE GETS  
TWO VICE-OFFICES  
AT PRESS MEETS**

**Editor of 1927 Totem Be-  
comes Vice-President of  
C. I. P. A. by An  
Amendment**

**MISS HARVEY RE-ELECTED**

**Heads in Teachers' Association  
Re-appointed in Order to  
Finish Organization**

Vice-presidencies in two national journalistic associations have come to South Side high school, according to recent announcements. Miss Harvey has been elected vice-president of the American Association of High School Teachers of Journalistic Writing, and the vice-presidency of the Central Inter-Scholastic Press association comes to the school as the result of the school annual, The Totem, winning first in the national C. I. P. A. contest.

The C. I. P. A. office will not be assigned to any one person until next fall, when, prior to the national convention, the editor of the 1927 Totem will assume the office.

**Miss Harvey Re-elected**

Miss Harvey held the vice-presidency in the teachers' organization last year, and was re-elected with the other officers at the recent convention in order that these executives might have further opportunity to accomplish the organization of the association. George A. Montgomery, Manual Training high school, Kansas City, Mo., was named president and John E. Mulligan, Central high school, Minneapolis, Minn., secretary-treasurer.

The association at its latest national convention passed resolutions to aid the movement to establish courses in journalistic writing as a part of the regular high school work, with the emphasis on the cultural rather than the vocational aspect; to draft minimum essentials for this course and thus aid its standardization; and to urge the co-operation of the members of the state press associations with the national body in its undertakings.

**Change Election Procedure**

The C. I. P. A. vice-presidency comes to South Side high school as the result of an amendment passed at the national convention in 1924 which provided that the C. I. P. A. presidency, vice-presidency and secretaryship be awarded to the schools that win first places in the newspaper, annual, and magazine national contests. The vice-presidency of the association was held last year by the Central high school of Kansas City, Kan., which published the Quiverian.

The schools that will hold the offices of president and secretary will be determined by the newspaper and magazine contests that will begin on January 27.

In case the vice-president will have to preside at some of the meetings at the 1926 convention at Thanksgiving time, the office will probably be vested in the editor of next year's annual.

**TWO TEACHERS SPEAK  
AT LAST HI-Y MEETING**

**Mr. Harris and Mr. Gould Are the  
Chief Speakers at Last Dis-  
cussion of Year**

Mr. Gould led the boys in their weekly Bible study discussion. Immediately after the Bible study Mr. Harris talked on the subject "What is Fun." After concluding his discussion, Mr. Harris called on various members that were present to express their opinion on the subject.

No New Year's resolutions were made.

ling our brains whether "Ralph Fretz? Does Newcomb use Stacom?—and getting more befuddled than ever ask:

Is Frances Grim?  
Does Donald Marvel?  
Can Lloyd Roe?  
Is Clarence

# The South Side Times

## TIMES EDITORIAL PLATFORM

1. To further scholastic activities.
2. To promote extra-curricular activities.
3. To give well-written accounts of high school happenings.
4. To offer high standards of school spirit.
5. To aid school officials.
6. To let parents and public know what South Side is doing.
7. To keep in touch with other schools.

## Rack Your Brain

Do you even remember yet what your resolution was?

## Till We Meet Again

Forty seniors will leave our midst as February graduates, but it won't be long till we will all be united in June again.

## Subscribe

In co-operation with our sister publication, the Totem, we ask you to support it with your subscriptions to the same extent that we have been.

## Friendly Rivals

The time for our next annual fray with Central is drawing near. We have been rivals for four years now, but may our two meetings this year be on as friendly a basis as our former ones have been!

## The Ends of It

We now hear the sad endings of the stories of the semester's work from the students who have put off their required work until it is too late. Although there are many people who sense the significance of continuous labor, there are not enough of them as yet to convince the others to begin at the beginning and thus be able to end properly at the end.

## Wait for the Gun

Once again we are pestered with people leaving before a basketball game is over. These people are not faithful to either team. The players are not supposed to know how long they have to play, but when people leave, the boys naturally know that the game will soon be over. In many cases, the last few minutes mean more to the players than to the spectators, but when the spectators lose interest and leave, lack of good sportsmanship is displayed and the players readily sense this during the last few minutes of the play. At the next and remainder of the games, stay with the players until the gun goes off.

## Byron Somers

With the many on-coming events and anticipations of the new year, the public schools of Fort Wayne also have something to look forward to. This, to a general extent, centers about the appointment of Byron Somers as a member of the school board by Mayor Geake. There are three reasons, why we are pleased with his appointment.

First, we do get a good man. Mr. Somers in previous years has shown what can be done under correct management and he has constantly worked to build up the schools. Indeed, there is no doubt that he will again resume the responsibility and lead us to prosperity in education.

Then, too, we are glad that our new mayor has shown enough interest in the schools to appoint a good man. This at first may seem insignificant, but not when we consider the increasing number demanding an education and the increasing demands which are being placed on the schools. We believe that Mr. Geake will be equally wise in all of his school board selections.

Lastly, it is a good sign (if we may use this expression) that Mr. Somers did accept the position. It shows, that in so doing, he knows that some good can and will be done.

## A Mite of Verse

## BE THE BEST

If you can't be a pine on the top of a hill,  
Be a scrub in the Valley,  
But the best little scrub by the side of a hill.  
Be a bush if you can't be a tree,  
If you can't be a bush, be a bit of grass.  
And some highway happier make.  
If you can't be a muskie, then just be a bass,  
But the liveliest bass in the lake.  
We can't all be captains, some have to be crew.  
There's work for all of us here.  
There's work to be done, and we've got to do  
Our part in a way that's sincere.  
If you can't be a highway, then just be a trail,  
If you can't be a sun, be a star.  
It isn't by size that we win or lose,  
Be the best of whatever you are.  
—Selected.

## And Werse

## TWINKLE, TWINKLE

Twinkle, twinkle, little head  
You are empty, it is said,  
Up above my legs so high  
Like a nutshell in the sky.

When the blazing sun has fed,  
And I have you safe in bed,  
Then I wish that I were dead,  
Oh empty head.

Twinkle, twinkle, little knob  
With your little shingled bob.  
A thought's exactly like a bean  
Shaking 'round up there unseen.

When exams have o'er you sped  
And my grades have dropped like lead  
Then I wish that I were dead  
Oh empty head.

## I'm A Nut

"You go on, and I'll come later" or  
"Wait a minute, I'll be there,"  
I'm the nut who frequently uses these expressions. In fact, I'm never on time. I have a season ticket (renewed each day) from the office which admits me to the ninth period. I keep my friends waiting, but they are accustomed to it by now and don't seem to mind it so much anymore. I always lag behind and have never tried hurrying to keep other people from waiting on me. Really there is no advantage in being so slow, but say, what's the use of hurrying?

## I'm Not A Nut

I'm not a nut. So far this semester I have refrained from loud shouting or whistling in the halls. I know that when I'm in school, I'm not at a revival meeting or in a whistling contest. Some folks seem to think they are by their actions while in the school building. Although I am not a reformer, I will say that we should (as requested by the office) stop our loud talking and noise-making until we are in a suitable place for such action.

## Quizzzy Quizz

Question: What quality do you like best in one of your teachers?

"I like Mr. Schmalzried because he always acts like one of his pupils instead of being so dignified," Flora Baer declares.

Robert Krill says, "I like Miss Demaree for her frankness. By that I mean that she doesn't 'go around the bush' to tell us what she thinks of us and our work."

In Miss Pape, Mabel Fell likes the happy attitude. "She always has a smile for everyone whether in the classroom or in the halls."

Thelma Burley replies, "The quality that I like best in Mr. Makey is the personal interest that he takes in his pupils."

"I like Miss Chapin because of the pleasant attitude that she takes toward all the pupils," was Mildred Chenoweth's answer.

Mary Scott likes Mr. Voorhees, because he is always ready for a joke.

Teachers can tell by these answers what qualities some of the students like best about them.

## LITTLE WORDS HAVE LOTS OF MEANING

How often the little word "if" spoils plans, wrecks homes, and blasts hopes. Yet even more insidious can be those two little words, "they say." Enemies can be made, positions lost, reputations shattered, money gambled, hearts broken and even lives jeopardized by these two little words. How often have you heard someone rush up to you and hear him bristling and finger pointing and begin a long flow of language with "they say?" How often have you believed it? Perhaps not all the time, yet just the same you start to wondering just how much of that is true. Again, how often have you said something which might be repeated to others which would have been better never said? This thing of assuming an old maidish pose, a turkey strut and a know-all air; then swooping down on some unsuspecting person and swamping him with a lot of bunk which he does not care to hear nor want to believe, beginning the whole harangue with "they say," is getting too popular everywhere. How would you like to have your clean slate all marked up with a lot of dirty smears which are not true yet which can't be washed off? All of which goes to say that if you're not absolutely sure of a thing do not repeat it until you have asked the person about whom the remark was made. Don't be a gossip.

—Baker Orange, Baldwin, Kans.

## How To Pay Way Through College

Miss Burns, an English teacher, is another member of the faculty who has had actual experience in paying her way through college.

Miss Burns  
assistant in the English department during my senior year.

## By-Products of Art Education

In these days of utilization of every atom of so-called waste material, it is vital to consider the by-products of every industry. Indeed, frequently the by-product has been found many times more valuable than the original material or production. Such was true of platinum, once cast off as useless in the refining of gold. Today it is far more valuable than gold itself.

All wise business heads study to make the most of the new material with which they deal. For example, once the principal reason for refining petroleum was to obtain kerosene. Today, gasoline, paints, varnishes, and dyes are only a few of the innumerable useful products which are obtained from this same raw material. Shrewd executives also realize that the after effects, or lines of reaction, of their business, are just as important as the original undertaking.

Eventually an enterprise must fail if its reactions do not prove wholesome. Daily we see examples of foolish merchants who fail to consider the after-effects. For example, the baker who thinks only of the outside appearance of his bread and disregards the effect on the health of consumers, proves foolish, for an injured patron is the dealer's deadliest enemy. Many things are good, or harmless at least, in themselves but the after effects may prove deadly. We must reason along this same line in each of the lessons presented a child in school.

Today, the majority of people agree that art education considered in and for itself, is important. It does produce results. But what are the by-products, or the after effects of art lessons, even as simply as they are given in our public schools? We are firmly convinced, today, of the value of appreciation of good form, color, accuracy, observation, concentration, imagination, and judgment as resulting from art training.

Today we are living in what might accurately be termed the "Speed Age." Everywhere we see, alas, at times to our dismay, speedier speed than the bounds of common sense should permit. No longer are we astonished at the sight of the airplane, hydroplane, or radio. Now, we are even disappointed that our radio doesn't include the telephone. We are not satisfied to listen to performers across the miles. We want to look at them while we listen in. Long ago, we ceased to marvel at the telephone, telegraph, and various electric speed devices.

All this simply means we are moving more swiftly onward constantly demanding greater speed, with all production. The great railroads are spending vast fortunes in shortening their routes. Where the tracks once ran over grades, they have been cut down to save a few seconds—so valuable is time to men today. The road which boasts of the shortest run is most of the great competition to gain time among leading railroads.

Since this is typically the "Speed Age," our educational institutions

"The duty of a mail clerk in a college is to deliver the sorted mail to a certain dormitory two times a day," Miss Burns said in explanation of her above statement.

It is all right for a boy to work his way through college, she believes, but she wouldn't advise a girl to do so because a girl is likely to break down.

Miss Burns suggested that college upper classmen who have had a great deal of training in science might be able to assist in the science laboratories by grading freshmen notebooks, and by making slides.

"By taking bookkeeping, shorthand, and typing in high school, a pupil has a chance of working in a professor's office at college," Miss Burns said in conclusion.

## Read A Bit

A book is a companion of delight. You are missing a tremendous amount in your life if you do not get the joy of good books.

"Dorothy Vernon of Haddon Hall" is a delightful romance of Queen Elizabeth's time. The story is laid in one of England's most famous and beautiful castles.

## Do You Know

- That \$29.40 worth of candy was sold at the last game?
- There are 32 typewriters in Room 26 now?

## Week's Anniversaries

- Jan. 15—Iowa, Utah, Colorado, Oregon, and New Hampshire ratified the prohibition amendment.
- Jan. 16—The prohibition amendment was added to the constitution of the United States.
- Jan. 17—Benjamin Franklin was born in 1706.
- Jan. 18—Daniel Webster, 1782-1852.
- Jan. 19—Robert Edward Lee, 1807-1870.
- Jan. 21—Thomas J. Jackson (Stonewall Jackson) was born in 1824—died 1863.
- Jan. 22—The Panama canal treaty between the United States and Colombia was signed.

## PANAMA CANAL TREATY

Secretary Hay signed a treaty January 22, 1903, granting to the United States the concession and right necessary for the construction, operation and control of the Panama Canal. This treaty was ratified by the senate March 7, 1903.

The United States secured the right to construct the canal and harbors, to establish free ports and to maintain hospitals and sanitary works along the line of the canal. Colombia agreed not to cede or lease to any foreign power any territory in the Department of Panama and the United States guaranteed that no country be allowed to seize such territory.

## Open Letters

## Passenger Objects

To the Editor:  
If the students of South Side high school, especially the boys, would be more mannerly and considerate of the street car conductors, perhaps better service would be had. The conductor is paid to run the street car and not to endure insulting remarks and actions on the part of the students.

The boys have a habit of opening the back door of the street car and getting out on the wrong side. This is not only indecorous but dangerous as well, as accidents may be caused by this. For all the more extra time it takes to walk around the car, the students could get out on the correct side of the street car as easily as not. Now let's start to reform, all you street car riders.

M.B.

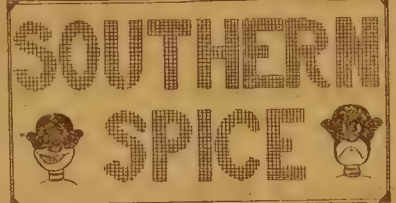

## Courtesy or Policing

To the Editor:  
I think the dinner line is becoming very unruly. Girls are worse than boys. A girl will get in the dinner line and permit three or four of her friends to step in line in front. If just a few girls do this it soon makes those who were there first a great distance from the front. It is only fair, as the old saying goes, "First there, first served."

If this conduct is continued, it will soon make the pupils discouraged and they will either have their programs arranged so that they may go home to eat or go away from the building for their dinner.

If this condition still exists, after people have read this article, I think it will be necessary for teachers to police the line.

—Someone Who Hates "Scabbing."

Our only purpose this week: To try to make you feel a little less unhappy as the fateful day draws near . . . How many subjects are you gonna flunk in?

Answer due next Wednesday.

As the January bells begin to roll in, we realize that Christmas is the time of sweet buy and buy.

Walter Wellman—If the student who took my history notes from my hook in my locker, will return them, no questions will go unanswered.

## Mary Had a Little Cold

Mary had a little cold,  
It started in her head,  
Everywhere that Mary went  
That cold was sure to spread.

It followed her to school one day,  
There wasn't any rule,  
It made the children cough and sneeze  
To have the cold in school.

The teacher tried to drive it out  
She tried hard but—kerchoo-oo,  
It didn't do a bit of good,  
The teacher caught it too.

—Gold in Ed.

## Page Miss Demaree

First Junior English Sufferer: "Great Scott! I've forgotten who wrote Ivanhoe!"  
Second J. E. S.: "I'll tell you if you'll tell me who in the Dickens wrote The Tale of Two Cities."

The pupil who is dissatisfied with his studies is the one who never tries to get acquainted with them.

## Drugstore Pessimism

Mr. Murphy: "What is the women's age limit for voting in England?"  
Jack Clayton: "Thirty, if they ever get that old."

Mr. Schmalzried: "Tom, what is a city?"  
Tom Switzer: "Well, it isn't a town, and its got street cars."

## Late Hours

Their eyes are dull and sleepy  
And their nerves are sharp and creepy  
And their limbs are aching, stiff and game and sore;  
They've flunked in all their classes  
All those merry lads and lasses,  
Who were out till three o'clock the night before.  
They had had a fine old party  
And were feeling hale and hearty  
When they sought their homes to rest their weary heads.  
But this morning they are gaping  
And the sandman keeps a-tapping  
And no place seems quite so sweet to them as bed.  
Now pertaining to this question,  
Which if followed will make everything all right.  
In the future when you're going  
And some girl a good time showing  
Please arrange to do it on some week-end night.  
—Experienced.

## Applied Knowledge

Mr. Schmalzried (in Civics class talking about the Mayflower Compact): "Every time I mention the Mayflower Compact the girls think I am talking about a new kind of vanity case."

## Talk About Luck!

Mr. Makey (speaking about a foreign marking under a poem): "What do those signs look like, Geraldine?"  
Geraldine (hesitating): "Well—it looks like Greek to me."

## Tommy on Twins

(Please refer to our today's feature story on twins.—Ed.)  
A boy's composition on twins: "Twins is a baby, only it's double. It usually arrives about 4:37 in the morning when a fellow is getting in his best licks, sleepin'. Twins is accompanied by excitement and a doctor. When twins do anything wrong, their mother can't tell which one to lick, so she gives it to 'em both to make sure. We got twins in our house and I'd swap 'em any day for an Airedale or most anything."

## Worth Two Songs

Sing a song of students  
Craving for exams,  
Flocking to the library  
Like a bunch of lambs.

When exams are over  
Students start to sing  
Put away the text books  
At least until next spring.

## Sign in a Repair Shop:

"HEELS RECOVERED"  
We are wondering if these are the heels that Ruth Eickmeyer lost over at Lucille Lapp's house.

"Why didn't Carto shoot? He had a good chance," asked Tiny DeHaven.  
"He wanted to give it to someone who could make a basket," said Wardo Gilbert.

## Comin' Down the Hall

If a body bump a body  
Comin' down the hall  
Need a body hit a body  
Or bump him back at all?  
If a body see a body  
Comin' down the hall  
Need a body hall a body  
As loud as he can call?  
Every lad and every lassie  
Has his weakest sides  
So each and ev'ry lad and lassie  
Must by the rules abide.

A good way to keep warm while waiting for a street car these cold days is to practice the Charleston.

## Y's Boy

Frank Bernhard (after purchasing his reserved season basketball ticket, which read N-E-3): "Does this mean that I can have any three seats in the gym?"

## Worse and Worse

In 1620 the Pilgrims crossed the ocean, and this is known as Pilgrim's Progress.  
Algebra was the wife of Euclid.  
Henry VIII was very fat, besides being a nonconformist.  
The pyramids are a range of mountains between France and Spain.  
Algebraic symbols are used when you don't know what you're talking about.  
Geometry teaches us how to bisect angels.  
A vacuum is a large empty space where the Pope lives.  
Queen Elizabeth had no husband and died a natural death.  
The heart and lungs are situated in the borax.  
Infantry is a place where they keep infants.  
A glossary is a place where they polish things.  
Ink is obtained from the Red and Black Seas.  
A fort is a place where soldiers stay; and a fortitude is a place where soldiers' wives stay; and a fortitude is a place where they both stay.

## Famous Last Lines

"Where d'you think you're going?" St. Peter.  
"I don't know where I'm going, but I'm on my way," Christopher Columbus.

Rex Cameron

By Marie Brown

As Rex Cameron slowly plodded through the snowdrifts which the recent blizzard had left, he decided that it certainly was much colder in Alaska than he had thought it would be when he planned the trip beside his fire-side in New York. He was walking toward Poe's trading house with head bent, thinking of his friends and home in New York.

He was nearly to the trading post when he saw an excited crowd of men standing in a group before the trading post and heard an angry voice yell, "I'll teach you to obey me, you half-breed cur! Take that, and that and that!"

Each word was emphasized by a crack of a whip over the body of the groveling figure at his feet. Such was the sight Cameron saw upon pushing his way to the front of the crowd. The man was a large burly-looking figure, and he was lashing a boy about eighteen years of age with a long leather whip. The lad was crying for mercy when Cameron roughly jerked the whip from the man's hand and hit him with it saying, "Now it is your turn. Take that, that, and that."

The look of astonishment on the face of the man quickly changed to an angry flush, and with a growl he cried, "I'll get even with you for this," and so saying charged at Cameron, aiming a terrific blow at his head.

Seeing the danger Cameron quickly jumped to one side and let the fellow go sprawling on the ground.

Then unconcerned he walked into the trading post and left the astonished crowd standing outside the store. Cameron stepped up to the bar and ordered a drink of the bartender and was chatting with him when he felt a tug at his elbow. Turning he saw the half-breed boy whom he had just saved. The boy's frightened face had turned quite pale, and he was unable to speak until Cameron asked him what he wanted.

The boy said, "Meester, you do not know the man you knocked down or you wouldn't have done it. He will kill you for that as many have been killed for less than that. He is the worst man in these parts, and his name is Bill Shaw."

Cameron threw back his head and laughed so heartily that every one of his black curls began shaking.

"He doesn't frighten me any, even if I am just a city fellow. I guess I can take care of myself," and laughing he felt of his large, muscular arms.

Cameron then noticed the appearance of the boy and saw a thin, rather angular, underfed-looking boy. He had jet-black hair which was perfectly straight. His complexion was a very dark olive color. Cameron liked the appearance of the boy, whose name was Pete, and asked him if he would care to work for him instead of for Shaw. The boy was overjoyed at the prospect and immediately went out to the dog sled and waited for Cameron there.

The proprietor of the trading post, Joseph Poe, then stepped forward and complimented him on the way he had handled Shaw, but he warned him to watch out for Shaw, as he was sure to try to get revenge. Then he called to a girl from an adjoining room and told her to come out and meet a friend of his.

A clear melodious voice called, "Coming, father, just one moment," and almost immediately a small, fat, elf-like girl of about eighteen years came running into the room. She had a wealth of golden curls, which formed a frame or halo for her small delicate face. Poe put his arm around her and told Cameron that this was his daughter, Estelle, whom he had raised ever since her mother had died, when she was a very small child.

Cameron felt her cool blue-grey eyes searching his face; and when he looked at her, her eyes fell in confusion. He felt a tightening in the region where his heart should be and decided that this must be love at first sight.

It became a habit for Cameron to go over to the trading post at least once a day, which would not have been absolutely necessary but for a certain blond girl. One afternoon Cameron had walked over to the trading post and was about to enter when he heard Shaw yell at him to wait a minute, as he had something important to speak to him about. There was an ugly look on the face of Shaw which showed that he was in a mean mood. He informed Cameron in none too gentle a way that he was to quit meddling with Estelle, as she belonged to him, and that Cameron had better go back to New York if he knew what was good for him.

Cameron merely laughed at him and told him that he could not be scared away by anyone and would see Miss Poe as often as she would permit him. Shaw told him that now that he had been warned he should not be surprised at anything that happened to him, and with a menacing look he slunk away. Pete, who had seen the little incident, came up to Cameron with a frightened and distressed look and told him that he had better leave or he might get hurt. He said that whenever Shaw looked like that, he meant business.

When Cameron entered the trading store, he was met by the tearful Estelle, who pleaded with him to go back.

back to New York, as she had overheard what Shaw had said. The afternoon was spent in trying to quiet her fears for him and day-dreaming about the future. It was approaching night when he left for the shack which he occupied with Pete.

He got about a fourth of the way home when a dark form sprang up behind him and hit him over the head with a heavy rod. The last thing he knew was a feeling of sharp pain and then utter blankness.

When he revived he was under a tree in a snow-bank, with a sharp feeling of pain in his head, and a numb sensation of coldness enveloping him. It was very cold and was about to snow again. He dragged himself to his feet and tried to see some landmarks so that he would know where he was; but, being unable to find any, he started to walk towards home, as he thought. At last when he was so weary that he could hardly go a step farther, he saw a dim light in the distance. Gathering courage and trying to forget his pain, he started towards the light. The last thing he remembered was of crawling up to the door of a shack and knocking at the door.

"Twenty-five, twenty-six, twenty-seven"—a droning voice was counting.

Fighting off the heavy weight which seemed to be holding his eyes shut, Cameron could hear the incessant voice counting on and on. At last, getting his eyes open, he saw a strange sight indeed. A very old man was sitting at a small table slowly letting something glittery fall through his fingers, something that sparkled. As Cameron was trying to gather his wits together so that he could understand the meaning of this sight, he lost consciousness again.

The second time that he regained consciousness the sun was streaming in at the window. Upon looking around, Rex saw a very crude-looking interior of a hut. There was a crude stove in one corner of the hut, a bed in one, a stool, and a small dilapidated table in another corner. The walls were covered with cob-webs, and dirt laid in heaps all over the floor. There was no one in the hut but himself, and he began to think that he had dreamed of the old man counting something that glittered.

He lay there for a few minutes, when the door opened letting a cold gust of wind and snow in, and, not only that, but a most peculiar little red-looking. He had a snowy-white beard which was a mass of tangles, and which was so long that it completely covered his chest. He wore a very old dirty coat and cap, and altogether he was quite a respectable-looking figure. He came softly into the room and went over to the stove and took a bag from out of the wood box beside of it. Then chuckling and shrilly, he went over to the table and started to count something, something that looked like—but no it couldn't be, but it was, real nuggets! Cameron lay with his eyes half-closed but watching the old man closely all the time. Where could he have gotten the gold? The old man put the money back in his hiding place and then came over and looked at Cameron.

"Well, my son, are you feeling better?" said the little old man.

"Yes, but where am I? That is what bothers me."

"You are in heaven," said the peculiar person with a chuckle. "Don't you believe me? You can have all the money you need here, gold, gold, gold! See, here in this box." While speaking he pulled a box out of the wood-box and opened it. Cameron looked in and saw nuggets upon nuggets.

"Where did you get them?" he exclaimed.

"Oh out of a secret place. I will tell you where it is if you want me to."

Then he explained where and how to get them. Then suddenly a spasm of pain flashed across his face and he fell to the floor.

Cameron ran to him and lifted him in time to hear him say, "All yours, you keep the nuggets." Then he fell back into Cameron's arms.

Cameron buried him behind the shack on a small hill, and then went to try to verify the statement the old man had made just before he died. He found a rich vein of gold and staked his claim there. Then packing enough food and other supplies, he started for his home.

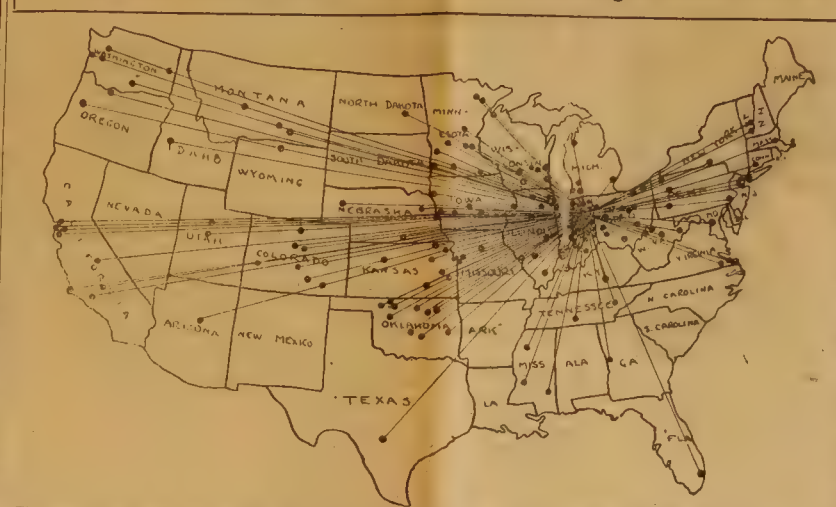

Pete saw him first and came running to him and gave him a hug and a kiss while crying from sheer happiness. Cameron's first question was to ask about Estelle. To this Peter said that she had been pining for him, as every one thought that he was dead.

"Meester Cameron, you know Bill Shaw, he was killed by John Gilman because Shaw killed his young brother in a fight."

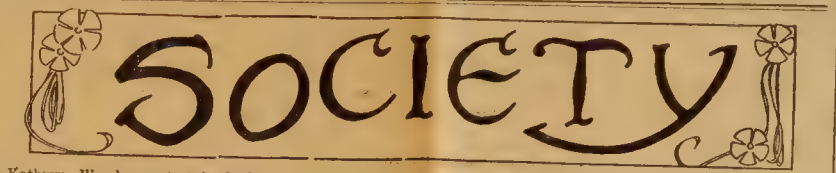

As Cameron drew nearer the trading post he forgot to listen to the eager voice of Pete, as he was more interested in something else. He had a glimpse of a golden head and then a regular whirlwind seemed to be approaching. Something in a blue dress with flying curls came running and sobbing, into his arms.

"Oh, Rex, I knew you would come back."

Exchanges Come From N-E-W-S; From Exchanges Comes News

The South Side Times has 294 exchanges on its list this year. The largest number of papers is received from Indiana which sends seventy-seven. Ohio sends twenty-four and Michigan, twenty. We receive seven from Illinois and one less from Minnesota. Thirty-six states out of the forty-eight states are represented on our list. We do not receive papers from Nevada, New Mexico, Louisiana, Alabama, South Carolina, North Carolina, Delaware, Rhode Island, New Hampshire, Maine, Arkansas, and Maryland.

Kathryn Wescher entertained the members of her club Friday evening. Those who were present are DeNeal Pfeiffer, Hazel Sloan, Kathryn Sellers, and Virginia Kinerk.

A number of girls met at the home of Louise Krill Friday evening. Those who were present are LaVon Blue, Agnes and Alice Wehmeyer, Marcella Conners, Anna Henry, Emma Riggs, Marie Rudolphson, Ethel McMillen, Faynell Filler, Marion Miller, and Bertiel Bennett.

Katherine Thompson and Virginia Kinerk will join in entertaining a large number of their friends soon.

Dorothy Ball entertained at her home on Beaver avenue recently. Bridge was played and at the conclusion of the games a delicious two-course luncheon was served. Prizes were won by Marcella Shalley, Marcella Baals and Betty Hackney. Those who were present are Helen Hilgemann, Kathryn Sellers, Helen Sellers, Virginia Hackney, Ivy Takimora, Frances Sparkman, Marcella Baals, Florence Phelps, Marcella Shalley, Betty Hackney, and Mildred Grosvenor.

Mary Lucille Otten entertained the members of her club at her home last Friday evening. The members who attended the meeting are Florence Hazlett, Florence Clemmer, Frances Kelsey, Esther Roush, Esther Anderson, Florence Hansen, Pauline Staker, Mildred Noll, Betty Henselman, and Mildred Shook.

Miss Hilda Brown will entertain the B. C. A. Sunday school class at her home on Eby avenue.

Zelma Shafer entertained a few of her friends with a lovely party recently. The evening was spent playing bunco. At a late hour a dainty lunch was served.

Elsheth Crane entertained some of her friends at her home on Park avenue late Saturday afternoon. The guests attended the Hartford City South Side game after a pot-luck supper had been served. Those who were present are Pauline Baumgartner, Gertrude Schuelke, Elizabeth Schmidt, Mary Pocock, Cornelia Bade, Mildred McCune, Dorothy Emrich, Ruth Eickmeyer, Thelma Gasser, Mary Alice Tannehill, Florence Hansen, and Eleanor Colson.

A theatre party was enjoyed Friday evening by Ruth Eickmeyer, Gertrude Schuelke, Cornelia Bade, Elizabeth Schmidt, Mildred McCune, and Louise Platt.

Dorothy Johnson spent the week-end in Ohio visiting relatives.

Carol Koerber entertained the "What I Can" Sunday school class of the Simpson M. E. church recently. Games were played, Jane Walker and Garnet Bly winning the prizes. Late in the afternoon a dainty luncheon was served to the guests.

Exchange Papers From Many States Pay Times Compliments

Pennsylvania, Oklahoma, New Jersey, Connecticut, Mississippi, New York, Arizona, and Tennessee High Schools Laud Southern Spice, Front Page Make-Up, Photographs and Other Features.

That the labor and expense of sending out approximately 300 exchanges each week is not entirely wasted is shown by the expressions of appreciation found in many of the papers sent in return for the Times.

These compliments are not found in papers published in any one locality, but are scattered through many states.

The exchange editor of the Scoop, Meadville (Pa.) high school paper, writes: "The South Side Times is a paper which we never could imagine in our widest dreams. We can't describe it, as it is in a class all by itself. We hang our heads in humility, but we're sending you a 'Scoop' just the same. We aim to grow as big as you are."

Thinks Times Best

From the Booster of Chickasha (Okla.) high school comes this: "The South Side Times of Fort Wayne, Indiana, according to journalistic rules is the largest and best high school paper published in the United States."

"Your paper is the best high school newspaper we've ever received. It is unusually well written and arranged," says the Criterion (Patterson, N. J.) staff.

Another eastern paper, the Argus, of Waterbury, Conn., contains the following criticism: "The South Side Times is a newsy paper, quite complete in all its departments. Has a splendid make-up. Nothing superfluous in it. Easily among the best."

Shows Work

In the extreme south, Clarksdale, Miss., the Spotlight of that city states: "The South Side Times is the most complete newspaper which has come to us from any high school. The paper shows as much work as local newspapers."

A big New York City high school comments in the Morris Piper as follows: "First of all, we wish to congratulate South Side high school on its successful 1925 year book 'Totem,' which won first place in a national contest at Chicago. This is an unusual honor. The humor column, 'Southern Spice,' is quite brilliant. Several photographs give the paper a more complete air."

"The Store That Does Things"

GREEN AND WHITE BOWS TO MORTON IN HEART-BREAKER

Kellies Hold Own in First Half; Fail to Check Red Devils in Second

JONES SCORES 29 POINTS

Richmond Star Makes 13 Field Goals; South Side Puts Up a Good Fight

Although the Kelly Klads played the Morton high cagers on even terms throughout the first half of the game Friday evening, they were unable to check the attack of the Red Devils in the second period and lost by a 52-27 score. The Red Devils put up an attack which could not be stopped. Jones, their star forward, made enough points himself to spell defeat for the Scrappin' Green.

Wardo's Men Fight The score appears one-sided but that does not mean that the Green did not give the Red Devils a real battle. Throughout the entire first period the game belonged to no one; however, the Morton cagers were leading by a two-point margin at the first period.

In the second half the Red Devils ran wild and won a hard-fought battle in the closing minutes of the game. First Half Richmond took a 12-5 lead in the first seven minutes of the game, but South Side, after taking time out, stopped this spurt and ran its score up to 11. Richmond was then forced to take time out. But the Kellies continued their fight and took the lead at 13-12. The lead changed hands several times before the end of the half. Miller scored a marker just before the gun sounded the half period, putting the Red Devils in the lead at 20-18.

Second Period In the second half Richmond held South Side to only one point in the first thirteen minutes of play while running their score up to 43-19.

In the final minutes of the game the coaches began to make many substitutions. Wamby, who was substituted for Willson, broke through for three field goals before the end of the game. Willson starred for the Green. In the first half he managed to present an offensive attack which put the Fightin' Green in the lead for a time. Jones sank 13 field goals for Morton. Lineups and summary:

Willson	F.	Jon
Simon	F.	Vo
DuWan	C.	Mill
Sprunger	G.	Ree
Wiener	G.	Klot

Substitutions—Wamby for Willson, Rahe for Simon, Distel for Rahe, Granning for DuWan, McCormick for Branning, Grodrian for Wiener, Pilgrim for Jones, Kelsey for Voss, Imhoff for Miller, Parker for Reeg, Daley for Klotz. Field goals—Willson 3, Wamby 3, Simon 2, Branning, Sprunger, Jones 13, Voss 3, Miller 4, Reeg 2, Klotz. Free throws—Willson, Wamby, Simon, McCormick, Wiener 3, Jones 3, Voss 4, Imhoff. Referee—Tatlock. Umpire—Smith.

SPORT GUSH

As the majority are saying, the Hartford City game was one grand mix-up of about all the sports we can think of.

Shelbyville has a long name but let's hope our score is longer.

Oh, boy, the Res was scraped again and it's time to unpack your skates for another spin, or spill.

Yes, it's safe. At least we don't think anybody is heavier than the trucks that scraped it, and they didn't sink.

Speaking of swimming, our girls are some fish!

The ice isn't fourteen inches thick either at the "Y" and that saves a lot of time.

While somebody else is using the gym, the volleyball batters are busy playing in their hiding place—the hand-ball court.

No remarks! They'll appear in the open one of these days and lick the Tigerettes.

Four Regulars to Get Into Battle

Above are the likenesses of four of the Green and White cagers who will probably see action Tuesday night against Central. They are Chris Branning, forward; Jimmy Willson, forward; Wiener and Sprunger, guards. This quartet has been going good all season and is expected to have much to do with the outcome.

City Net Rivals Score Nearly Alike In Six Contests Played This Season

Dopesters who like to predict outcomes of games on the basis of points scored by and against the participating teams, will face a dilemma in picking out the winner of the South Side-Central game, as the two teams have records strangely alike. Both have played six games against opponents of equal strength and have had exactly the same number of points tallied against them. On the offense, only ten points separate the Blue and the Green.

The complete records of the two teams follow:

SOUTH SIDE'S RECORD	CENTRAL'S RECORD
South Side 19; Auburn 30	Central 36; Warsaw 23
South Side 34; Montpelier 13	Central 33; Huntington 30
South Side 54; N. Manchester 19	Central 31; Decatur 30
South Side 36; Albany 19	Central 20; Muncie 34
South Side 27; Richmond 53	Central 27; Froebel 21
South Side 26; Hartford City 15	Central 39; Angola 18
South Side 196; Opponents 149	Central 186; Opponents 149

BLUE BASKET TOSSERS DEFEAT MILFORD FIVE

Downtown Cagers Win Over Regional Black Horse With Decisive Score

Last year's regional black horse was proved vulnerable by the Central Tigers, who dumped them to the count of 44 to 30 last Friday.

In the first half neither Central nor Milford was able to hit its stride and the teams battled with the score tied at 8 to 3 for ten minutes of the first period. Milford, however, was the first to find itself and obtained the lead when E. Miller and Halter connected with the basket for markers. These two men were a constant threat to the Tiger quintet throughout the entire game. Between them they scored 25 of the 30 points obtained by Milford.

Jasper carried the bulk of the Central attack. The rummy center broke loose in the second half for seven field goals, making his total for the game nine. Morrill also gave a good account of himself by dropping in five markers from the field. Stiegler, who is taking Manth's place at forward, managed to chalk up four markers from the field.

The contest proved to be a stubborn fight until the last few minutes of the game. After trailing 10 to 8 at the half, the Tigers came back with renewed fight and an offensive drive which could not be checked.

In the preliminary the Central reserves defeated the seniors, 28 to 18. The lineup and summary: Central (44) Milford (30) Scott F. M. Miller Stiegler C. Hallar Jasper F. Burns Baker G. E. Miller Troyer G. Mock Substitutions—Stiegler for Scott, Morrill for Stiegler, Scott for Morrill, Ramsey for Troyer, Troyer for Ramsey, Robinson for M. Miller, Sunthimer for Mock. Field goals—Stiegler 4, Morrill 5, Jasper 9, Baker 2, M. Miller, Hallar 5, E. Miller 4, Sunthimer; free throws, Scott 3, Stiegler, M. Miller, Hallar 5, E. Miller 2. Referee, Griffith (Auburn).

Three new courses, salesmanship, bookkeeping, and economics, will be offered next term in the Enid (Okla.) high school. Salesmanship is a half-year course.

PATTERSON-FLETCHERS TRIM ROCKFORD REDS

Clothing Have Been Playing Well. Winning Eleven Out of Thirteen Games Played

The Patterson-Fletcher basketball team, made up partly of ex-South Siders, has been traveling at a fast clip this season. Their latest victim was the Rockford, Ohio, team which fell by the score of 42 to 22. The Rockford Reds were completely outclassed by the speedy offensive thrown up by the clothing team.

The Patterson-Fletchers have won eleven of the thirteen games played, the two defeats coming from Ossian, Indiana, and the local Yellow Cabs, a team composed of ex-Central stars.

The team lines up with Norris, Thomas and Alter, forwards; Dobberkan and Wilson, centers, and Shepherd, Logan, and Currie, guards. Norris and Currie are former South Side players.

Parties Follow Game Last Saturday was no exception to the usual practice of holding parties either before or after home basketball games. The parties last week that began or ended with the game are as follows:

Dorothea Kohlmeier entertained a few friends Saturday evening after the game.

After the basketball game last week, Virginia Kinerk and Catherine Thompson united in entertaining with a party at the home of the former. Those who were present are: Marjory Surface, Louise Ryberg, Mabel Spath, Charlene Snider, Martha Rupley, and Ruth Miller.

Elisbeth Crane was hostess at a pot-luck supper at her home on Park avenue. After the guests had enjoyed a social time, they attended the Hartford City-South Side game.

GREEN DEFEATS HARTFORD CITY IN ROUGH BATTLE

Gullion's Men Hold Kelly Klads in First Half; Lose Out in Final Period

SIMON, BRANNING STARS

Down-Staters Have Crippled Line-up with Two Regulars Out of Game

After being defeated the night before at Richmond, the Green and White basketball teams came back and defeated Hartford City in a rough game last Saturday by a 26 to 15 count.

The game was one of the roughest battles on the South Side court this season, with each team using football tactics in the first half. This resulted in spill after spill with the odds about even.

Simon Counts Often Simon went into the game in the second half and proved to be the star of the contest. Playing a fast floor game, Simon caged four markers from the field. Chris Branning also played a good game for the Green, sending three fielders through the hoop. This was Branning's first home game and he played the entire contest. His guarding was also good. Branning continually was breaking up the plays of the down-staters.

First Half Is Even The down-staters played the Green and White on even terms in the first half, both quintets caging four field goals. But South Side had the advantage on free throws, getting three to Hartford City's one.

The score at the halfway mark was 11 to 9 in favor of South Side.

Sprunger Scores First The game started out with both teams trying to score. Finally, after about three minutes of rough playing, Sprunger broke the ice with a short field goal. Wiener sent one through from the twenty-foot line and Branning made the score 6 to 0 with another basket from mid-distance.

Hartford City called time-out and on resuming play, Fulton started the scoring for the Black and Gold with one from the side. DuWan was fouled and he made the free throw good. Medler retaliated with a basket and a free throw. Willson made the score 9 to 7 when he tickled the curtain with a basket from mid-distance.

Medler kept Hartford City in the running with another basket and Fulton tied the score. This was the closest the visitors were toward winning. Willson sent South Side into the lead with two free throws shortly before the half ended. Score: South Side 11, Hartford City 9.

South Side Increases Lead In the second half Medler again tied the score but Simon caged one soon after. Oliver tied things up again and it was Simon who again sent South Side into the lead. Branning increased the lead to four points and then made the score 19 to 13 on a nice follow-up shot.

Willson caged another basket and sent one through from the charity line and Simon caged two more for the Fightin' Green. Medler made the final score 26 to 15 on a short shot as the gun went off.

Please Return Books Miss Shulze, librarian, wishes all books returned by the end of this semester.

Eight Seniors Remain Long Haired

Left to Right: Dorothy Somers, Mary Peacock, Flora Baer, Margery Burres, Dortha Johnson, Ruth Hull, Pauline Baumgartner, and Mildred Brooks.

Yes, exclusive! That is just the word for this group of girls with long tresses. These eight are the only ones of the total of 106 senior maidens of South Side who have not clipped their locks.

Three of the eight, Dorothy Johnson, Dorothy Somers and Mary Peacock, have Titian (red) hair while the rest are brunettes.

At the beginning of the semester there were nine who continued in their "old-fashioned" state, but Dorothy Emrich yielded to temptation and parted with her blonde curls before Christmas.

FRESHMAN LATIN SHARKS TO HOLD CONTEST TODAY

Twenty-seven Undeclared in Preliminary Vocabulary Match Will Fight It Out for Honors

The finals in the Latin vocabulary contest will be held this afternoon immediately after school in Room 30 following a postponement from December 17, when so many freshmen knew their work so thoroughly that eliminations could not be carried far enough.

Twenty-seven students will participate and will be tested on synonyms, word meanings and the like. Sixty took part in the preliminary contest.

Those who will compete today are as follows: William Day, Alice Van Buskirk, Betty Ward, Minnie Kopp, Philip Balmer, Charles Eickhoff, Alice Parr, Irma Holmes, Thomas Derloshen, Charles Gruenert, Walter Bauer, Dorothy Likins, Paul Ayer, Alice Cowan, Doris Davenport, Marie McDowell, Hilda Hughes, Pauline Thompson, Clara Stephani, Marcelle Rosserman, Mary Goodrich, Lura Henton, Marcella Somers, Ruth Buist, Albert Simming, Mildred Baumgartner, and Walter Beckman.

Spanish Poster Secured A poster which was used in Spain to advertise the Studebaker car is on display in Room 90.

# FANS FROM SISTER SCHOOLS TO CROWD GYM FOR CLASSIC TILT

## GREEN AND BLUE MIX IN FIRST ANNUAL NET BATTLE OF SEASON

South Side Will Have the Advantage in Offensive Play; Tigers' Captain Will Be Unable to Play; Green Handicapped by Hard Games Before Contest

## RECORD CROWD EXPECTED IN GYMNASIUM

Blue and White Quintet Has Had a Full Week of Practice Without Any Games Scheduled and Should Be in Best of Shape

The game of games is here at last! Enthusiasm has been increasing within the last few days until it is now at a fever heat, and there are good reasons for it, too. Tuesday night the Central Tiger will come from his lair for the first time this season to try to chaw up the Fightin' Green as he has about five other victims.

It will probably be a rather scratched-up Tiger that comes against the Green and White as the Centralites are without the services of two of their star forwards, Captain Diehl and Manth. Morrill will be in condition to play Tuesday and will probably see plenty of action. The Blue and White will have plenty of strength otherwise and will present one of the best teams that has ever met South Side.

### Central Has Good Record

The Tigers have had a very good record this season and have tasted defeat only once. The strong Muncie Bearcats came up here and won from the downtown school in a good game. Muncie soon after defeated the state champs in an overtime battle.

### Jasper, DuWan Are Centers

With Mutt Jasper starting at center, Captain DuWan will have his hands full in holding down this flax-haired junior from Central. Jasper has been having a good season and has been outjumping almost all the men he has been put up against. At floor guard another individual battle will be waged between Noble Sprunger and the scrappy Baker. Sprunger will have the advantage in weight but Baker is the type of player who is always in the thick of it and never lets up on his opponent. It was through his good basket shooting that Central was able to down Froebel.

Baker has had three years' experience, this being his last year. Sprunger has also been playing good ball and is able to hold his own with the best of them.

### Ex-Centers Are Backguards

At back-guard both quintets will have new men. It is rather peculiar that both formerly played at the pivot position. Troyer has been playing consistent ball at the guard position and has a good basket eye. Last year he jumped center for the Reserves and stepped into Hank Kowalczyk's shoes this season. Although he has not been the luminary that the former captain was, he has been coming up to par in the last few games. Dick Wiener will probably be at back guard. Like Troyer he jumped center last year and also played forward, but, as he is rather slow on the offense, he was shifted back to guard when Bill Thiele graduated and left a gap in the Green and White defense. Wiener is a good shot from mid-distance and this has served him in good stead. With this advantage he has been able to dribble up within scoring distance and has caged them with accuracy from the twenty-foot line in former contests.

### Green Forwards Are Strong

At the forwards South Side will hold a decided advantage. The Green and White has four good forwards in Branning, Rahe, Willson, and Simon. Wambegans has been coming to the fore in the last couple of contests.

Central is less fortunate than the Green as they have only one regular forward who will be able to start tomorrow night. Several men have been tried out and Coach Mendenhall, with a week of hard practice and no games, has probably worked overtime to get a suitable man to fill the gap. Stiegler, a second team man, has been getting in rather frequently and might hold down the other forward berth.

### Outcome Is Uncertain

As to the outcome of the first battle of the Green and Blue, as in every former contest, it is doubtful as to who will emerge the victors. In regard to victories over other fives, Central holds the advantage. Nevertheless, South Side will enter the game determined to win.

The odds are against South Side also since the Fightin' Green play Shelbyville and Wabash just four days before The Game.

But, as in all other games between the Tigers and South Side, no one knows who will win until the final gun.

Olsen, of Gary, who has handled other Green-Blue battles will referee.

## Tip Offs

By Willie Gettitt

Score: South Side 27, Jones 29 (Richmond 54).

It looks as if Bill Rastetter hadn't lost any of his fight.

McCormick surely had a mean eye for the basket; he could dump them in from all angles.

We were rather surprised to see that all the fellows returned from Richmond. They didn't keep even Soest. (Institution's full, maybe).

Walter Wellman is waiting anxiously for the grades to come out. Seems funny, doesn't it? At this time he hopes to become one of the eligibles.

Polish up the hardwood and get out your green and white. Five more games in nine days. If you're still able to talk then, you will be lucky. This means come out and YELL.

We assume that everyone noticed the varsity's new Kelly green pants they donned last Saturday.

Branning of the fair hair played a good game.

At least we heard some members of the fair sex commenting on his stellar playing.

And Richmond lost to Muncie and Shelbyville.

Comparative scores were ever a snare and delusion.

Hartford City threw a scare into the South Side camp by tying the score at 13-13, but we aren't superstitious.

Somebody suggested that Rastetter be given the number 77 for his jersey.

Nulf must have thought that he was still playing football.

He wasn't lonesome, either.

Wiener is rapidly developing into a stellar backguard.

There is a rumor that Jones (above mentioned) played a pretty good game for the Red Devils.

To be continued indefinitely.

## Alexandria Defeats Hartford City Team

Hartford City lost to the Alexandria quintet 32 to 19 last Friday. The Gullion crew played a fine game, leading at the half-way mark 15 to 11. They were leading until the final minutes of the game when after Powell was forced out of the game, Alexandria rallied and won.

## Rushville Beats Morton in Close Contest, 32-30

Although Morton went down to defeat, they threw a scare into the Rushville quintet by pulling the score up within two points of the winners in the last minute of play. Rushville won 32-30. Jones and Voss were the stars for Morton. Arbuckle showed up best for Rushville. South Side plays the Rushville cagers, February 6.

## Two Trophies at Stake in Games

Mr. Storm

Storm Trophy

Rastetter Cup

Mr. Rastetter

Two cups will be partly at stake when South Side meets Central Tuesday. They are the Storm and Rastetter trophies which go to the winner of the city net title. The second city game comes February 12. South Side has one leg on the Storm trophy and so has Central but the Green and White needs only to cop the championship one more time to win the Rastetter cup permanently.

## BASKETMEN HAVE STRENUOUS DUET OF TILTS ON CARD

Shelbyville and Wabash Are South Side's Opponents This Week-end; Camels Play Here

## SHELBYVILLE RATED HIGH

Wabash Has Most of Football Team Playing Basketball This Year

South Side's gang of basket tossers will encounter undoubtedly the strongest quintet they have met so far this season this week-end.

On Saturday evening the Shelbyville Camels journey here to invade the Fightin' Green's home hardwood.

The southern team is the first team that the Kelly Klads play from that section this season.

Camels Are Dangerous

As in former years, the Camels come here with an exceptionally strong team. They have always been serious contenders for the state title and this year is no exception.

In the various first ten teams ranked as the best in the state, several columnists have rated Shelbyville well up in the lists and the southern team has never been left out of any when the first-class teams are being chosen.

### Team Is Fast

The Shelbyville quintet has a team of speed merchants who can travel at a fast rate of speed throughout the entire game. They believe in a strong offensive rather than a strong defense and every man on the squad is dangerous from the field.

Three men on the Camels have been doing most of the scoring lately. Kendall seems to be the star on the southern team. In the Richmond game, which Shelbyville won without much trouble, the flashy forward counted six times from the field. Kendall would waste through the Morton defense time and again to receive a pass from the guards for a short attempt at the basket.

A stocky, curly-headed youth by the name of Lulu also has been doing some good work for Coach Campbell's crew. He is an excellent running mate for Kendall and is a fast floor man.

Enrick is another boy whom the Green and White guards will have to watch as he is lightning quick and is an excellent shot.

### Center Is Good Also

Captain DuWan will have his hands full taking care of Keeney, Shelby center. He is a tall, lanky lad and has a mean reach. Kuhn sometimes alternates with Keeney. Spurlin and Bass, guards, are crack shots and are good on defense.

Play Wabash Friday  
On Friday the Green and White

## RINGSIDE SEATS ON SALE

Seats to be placed on the floor around the hardwood court at the Central game may be bought for \$1.00 each. Mr. Harris announced yesterday. This is a new innovation. These special seats may be bought at the office or at the ticket window.

About two hundred season tickets are left. These will be sold at the Shelbyville game as long as any remain. As tickets for both the Shelbyville and the Central contests will total \$1.00, it is believed that these few duets will be snapped up quickly.

Present indications are that few single admission tickets will go on sale. It is probable that none will be sold the night of the game.

## GIRLS ELECT CAPTAINS TO LEAD CLASS TEAMS

Practice To Consist of Ground Work; Tourney Put Off Till Next Semester

Captains for the girls' class basketball teams were elected at the practices on Friday and Monday. Violet Fell, who has been out for basketball for several years, was chosen to lead the senior players for the rest of the season. The juniors elected Elizabeth Augspurger to captain their team in the round-robin tourney.

Leola Foster is the captain of the sophomore sextet and, after a close race, Mary Jane McMillan was made leader of the freshmen by the vote taken Monday night.

For the next two weeks practice will consist mainly of ground work, and just before the tourney different plays will be practiced. The round-robin tourney will be started about the first of next semester, when six games will be played to determine the class champs.

Team travels to Wabash to take on the Thomcats. Wabash has a good team, also, consisting of almost all football men who appeared here last fall. Ross, star quarterback on the football team, plays forward and has been high point man.

Other players familiar to South Side are Bowlby, Vice, Ferguson, Showalter, Chromster, and Austin, all members of their grid team.

### Players Are In Condition

The Wardettes came out of the Hartford City fracas all right without any injuries, although there was plenty of room for casualties. They have had a hard week of practice and appear in condition. Last year the South Side team lost to Wabash in a hectic battle, 27 to 30, after leading 18 to 2 at the half.

## Girls and Teachers Take Great Interest in Swimming Lessons Offered at "Y" Pool

Miss Esarey Is Regular Diver; Miss Patterson Heads "Swim" Committee.

Splash! and the water level of the "Y" pool rises, while bobbing up and down in the center are red, green, orange, blue, white, and all other colors of bathing caps. Often some of the happy faces beneath these caps belong to girls and faculty members of South Side.

Miss Patterson, girls' gym instructor at South Side, is chairman of the swimming committee, which is planning some interesting meets and splash feasts for the high school water sprites. The other members of that committee include Alice Mason, South Side student representative; Marie Williams, Central representative, and the four Y. W. instructors, Miss Chandler, Miss Jackson, Miss Baur, and Mrs. Yaple.

### May Hold Monthly Sprees

A swimming spree may be held one Saturday each month for all who have and their health exams. "Eats" will be on hand at these monthly affairs, and no admission will be charged. The committee has not decided anything definite about the high school class, but if such a class is organized a Central-South Side swimming contest will be held in the spring.

Miss Esarey, who has enrolled in the diving class, is getting to be just a "regular" diver. Miss Thorne and Miss Mott have also taken up diving and are progressing rapidly. Miss Patterson taught Red Cross life saving at a summer camp before coming here, and she intends to go in for dips as soon as she gets her health exam.

### Learns To Swim

Leola Foster, a sophomore, has taken about ten lessons, and is getting along fine at dog paddling. She swam the length of the pool at her last lesson, and braved the deep, when she swam across the deep end several times. Leola learned all she knows about swimming at the Y. W. C. A.

Alice Mason says she learned all about swimming and diving at the "Y" pool. She took Red Cross Life Saving before Christmas, and car usually be found near the pool outside of school hours. Gertrude Brouwer, Winifred Englehart, Maxine Rahe, Grace Hart, and Jeanette Rank are frequent "dippers," though they may not be stars.

### Cold No Hindrance

Coldest January weather does not frighten these splashers, for swimming is just as popular as ever right now. "Sorry, but your time's up now," are the most disappointing words to these people since it means a march to the showers in dripping suits and no more splashing for the day.

## Staff Sale of Candy Has Been Successful

The Times candy sales at the games have been increased at the last several games due to the acquisition of several new salesmen. These are Dorothy Kyler, Nellie Buchanan, and Peggy Crosby. Among the other salesmen are Bob Thompson, Edith Kyler, Helen Crosby, and Mildred Obenour.

The Chili Chocolates have been in popular demand at the games, and to furnish an adequate supply, the Times will double its order for the Shelbyville game Saturday.

The profits are applied to meet the cost of the double sport pages which cost approximately \$50.00 each week.

## New Instructors Have Excellent Opinions of Spirit, Orderly Conduct at South Side

All Praise Love for School and Its Honor; Laud Achievements Made.

The teachers who came to our school last fall have formed very good opinions of the students, the order, and the school spirit.

"I am enjoying my work in South Side," Miss Hodgson said. "The school spirit is fine. I find the order of the pupils in the classroom and study hall excellent. As I become acquainted with more teachers and students, I hope to be a more useful member of South Side high school."

"I am more impressed than ever with the student body," Miss Kelly declared. "Their conduct for such a large group is very commendable. In particular I was pleased with their attitude the first day after vacation because they were ready for work," she concluded.

**Admires Co-operative Spirit**  
Miss Patterson remarked, "It is not difficult to give my opinion of South Side high school. There is such splendid co-operation between students and faculty, and such a fine school spirit, that it makes the work here very enjoyable."

When asked about her impression of South Side, Miss Schmidt said, "My first impression of our South Side high school, of the pupils, the faculty, and the system, was a very favorable one. After four months' work among them, I am happy to say that nothing has occurred to alter this first impression."

"Recently one important part of the organization, the study hall, came more closely under my observation. The efficiency with which the absence, tardiness, and truancy of such a large number of pupils is handled both here and in the office is remarkable. The excellent order maintained in this room makes it a real 'study' hall."

**Ideal School For All**  
Miss Pape gave this statement: "I cannot imagine why the reporter asked whether or not I like the school and the pupils. Surely, no one doubts the fact that South Side high school is not only an ideal school for people to attend but for instructors to teach in, as well."

"It seems to me that in all the schools and colleges that I have attended there was no stronger bond between scholar and teacher, and between them and the school, than right here in South Side high school. That characteristic was one of the first that really appealed to me."

"The old era of fear and disrespect for one's teacher has passed and a new one of mutual understanding between teacher and pupil has taken its place. I believe that South Side high school has the new feeling, the pupils study their lessons, not because they are afraid of being sent out of class for no preparation, but because they have enough respect for themselves, fellow pupils, and the reputation of the school, to want to reach the highest standards possible."

"I admire South Side's ability to walk off with high honors in athletic, literary, and art contests, and in all problems that it undertakes. Behind the achievement, itself, there is an aim, instilled in every pupil attending South Side high school, to strive and attain the best possible honor for the school. Everyone is spurred on by this bond of love and respect for South Side high school."

"The high degree of school spirit, along with the loyalty to the school, impressed me as unusually strong," said Miss Spake when interviewed. "It has not only been evinced at athletic contests, but in the classroom, and in lines of endeavor such as the Times, the debating teams, and other similar activities. There also exists a spirit of harmony between the pupils and teachers and, going a step farther, splendid co-operation between the different departments of the school. The spirit of comradeship makes me feel that I belong to and must give my best to South Side high school. Last and not least, the modern equipment aids greatly both the teachers and the students in getting the highest efficiency or the greatest good from the courses," concluded Miss Spake.

**Class To Hold Debate**  
The American History class of the Manual Training high school, Kansas City, Mo., will debate on the question, "Resolved, That Thomas Jefferson was a greater man than Alexander Hamilton." All members of the class will take part in the debate.

## With the Classes

Mr. Murphy was ill all last week and Mr. Schmalzried took his place until a regular substitute could be obtained.

Mr. Schafer's music history class has been studying detailed biographies of all the great composers.

Term speeches are being given by Mr. Makey's public speaking classes.

Mr. Schafer's musical history class has been studying the lives of two famous composers, John Sebastian Bach and George Frederick Handel. They are required to look up a biography of each, and then read their article before the whole class.

Mr. Murphy gave a civics test to his third period class. This examination included the forms and functions of city government and also the system of courts in the United States.

Mr. Null and Mr. Makey of South Side and Mr. Dickinson of Central were the judges at the McLallen oratorical contest in Columbia City, Indiana, last week.

A final test in composition is the only work that remains for Mr. Null's 12A class. The class is now reading the poetry of Keats and Browning.

Bruce Grosvenor returned to school on Monday, January 11, after an absence of a few days.

Mr. Davis refereed a game at Ligonier, Friday, January 8. He also refereed a game, Tuesday evening, January 12. This was a tie game in the Sunday School league.

Marguerite Cramer has returned to school after the death of her mother.

The 9A French class learned Christmas songs in French and sang them.

Mr. Willis Amstutz, principal of the Latty (Ohio) high school, visited South Side Tuesday.

## Big Profit? Just Figure This Out

Slide Rule With Decimals Needed to Estimate Gain Per Cafeteria Meal.

\$80.02 1/2.  
This infinitesimal sum, too small to be included in the average student's spending calculations, represents the average profit made in the cafeteria each day. Not the profit made on each meal served, but on the three meals served daily to about 300 persons.

The average profit made on each of the three daily meals cannot be stated in terms of cents, for less than a copper penny is realized on each.

The average profit made on each student's or teacher's meal is so extremely tiny that it would be wiped out if about ten extra baked beans were served over the average quota.

These facts were revealed by an inventory taken for the month of September, October, and November, during which time 150 meals were served to about 1,500 persons. Though about \$65 was taken in on each of the fifty days during which the 150 meals were served, only \$1.23 remained after the expenditures were deducted from the receipts.

This is as it should be, Miss Dixon says, because the students are to receive their food as near cost as possible.

**New Club Organized**  
A Tammany club, named after the famous club of New York, has been started at the Broadway high school, Seattle, Washington. The club's main platform is to combat cliques. The meetings are held weekly.

## Six Sets of Twins Found in South Side

Top Row (Left to Right): Clayton and Clifford Matlock, Bertha and Thelma Baxter, John and Walter Baur. Bottom Row: Martha and Mary Sherman, Agnes and Alice Wehmeyer, and Marguerite and Clara Meyer.

**By Edith Kyles**  
"What! Six sets of twins in South Side! Why, we've never seen more than two people that looked like twins. Who are they anyway?"

The two that look most alike, and are the despair of both teachers and pupils, are Martha and Mary Sherman, juniors. Others are Alice and Agnes Wehmeyer, Clayton and Clifford Matlock, Clara and Marguerite Meyer, Thelma and Bertha Baxter, and John and Walter Baur. These names show that the idea that twins are always given alliterating names is fallacious, for only three of the six sets have first names that begin with the same sound.

Though all but one set agreed that they like to be twins, they assert that "twinning" has one disadvantage. "We don't like to have to dress alike." The boys were loudest in making this statement, but the girls agreed with them. As the above picture shows,

not all are dressed exactly alike, and some of these toggled themselves as duplicates especially for the picture.

**Differ in Many Ways**  
Another idea in regard to twins was wrecked when detailed figures in regard to South Side's two-ones were obtained. In all cases they differ both in weight and height. The greatest difference in height, five inches, is between John and Walter Baur.

Since there is so much difference in the size of the twins it does not hold true, as supposed, that the first twin up in the morning is the better dressed.

Two pairs, Clara and Marguerite Meyer and Bertha and Thelma Baxter, have not the same color hair.

**Take Different Subjects**  
Only two pairs are taking the same subjects and are in the same classes. These are the Meyer and Sherman

twins. The twins do not get the same grades, by any manner of means, two sets even being in different grades.

The outstanding advantage in being a twin is that one always has a pal, they all say.

**No Mix-ups Happen**  
Since they have been in high school, no amusing examples of mistaken identity have happened to them, they regretfully admit. In the grade schools, however, it was not uncommon for one to be mistaken for the other. To avoid this, they often wore different colored clothes.

If Louise Platt's twin sister, Helen, were attending South Side instead of Central, the school would have seven pairs of twins.

As it is, the six doubles are enough to establish the fact that twins are not nearly as much alike as most people believe.

## Chemistry Students Rush in Laboratory Work To Get Grades as End of Term Draws Near

### In the Stone Age

Monday, Jan. 15.—Girls' basketball team practices for game with Central girls.

Tuesday, Jan. 16.—The Fort Wayne branch of the Radio Ralf club—commonly called the Fort Wayne Radio association—had its name changed to the Y. M. C. A. Radio club.

Wednesday, Jan. 17.—There was a Junior Hi-Y meeting at the Y.M.C.A.

Thursday, Jan. 18.—A discussion was held at the Hi-Y meeting on the subject of "Our Mistakes."

Friday, Jan. 19.—South Side dropped another game to Wabash.

Saturday, Jan. 20.—South Side won the Kendallville game. The score was 23 to 22.

Sunday, Jan. 21.—In the afternoon, at the Sunday forum, Mr. Null spoke on the subject of "Camouflage." (Note: When the collection was being taken up the crowd sang "Yield Not to Temptation"!)

### New Course Offered

Credit for English 8 in the Austin high school, Chicago, Ill., may be obtained in a new course next term. This course is called contemporaneous literature, and is a study of the one-act play, the short story, and the essay. Only high grade English students are invited to join this class.

## Point System Encourages the Pupils To Hand In More Exercises.

As the end of the term draws near, there is a rush in the chemistry laboratory for many of the pupils wish to raise their grades. Everyone has three different kinds of exercises to make and hand in before the end of the term. Some have completed these.

### Points Given for Exercises

One kind of work is the special laboratory exercises. These are done on the pupils' own initiative. A point system is connected with these exercises; that is, each exercise gives a certain number of points. These vary from one to ten. Some of the students are behind in their work, and they are trying to get more exercises in so that they can raise their grades. A few of the students have over one hundred points, but some have not very many.

**Exercises Put In Notebook**  
After all of the exercises have been corrected by the teacher and handed back, the pupil puts them in a large notebook. An index has to be made for the notebook.

Chemistry pupils have to figure out the average for their own grades. Tests, the exercises, and their own personal estimation of the work done have to be considered in making out one's grade.

## Next Issue of Times to be on Opening Day

As school will be dismissed next Wednesday morning, no Times will be distributed a week from today. Instead, a copy of the Times will be given to everyone free of charge on January 25, the first day of the new semester. The Times will then carry news special for that occasion, in order to be of service to students, especially the freshmen. Though the Times will be given out on Monday, it will be prepared on the regular schedule.

## Manual Arts Club Has First Meeting

The Manual Arts Club held the first meeting of the new year last Friday night at the Chamber of Commerce.

David McComb, county superintendent of schools, spoke on the county unit bill.

Afterwards members discussed various problems and voted to invite all 8A boys to the high school shop to see what the manual training department offers.

## WEDLER ELECTED TO MANAGE STAFF FOR COMING TERM

Chosen From Field of Four  
Candidates at Meeting of  
Journalists; Well Fitted  
for the Position

FORMERLY SPORTS EDITOR

R. Eickmeyer and G. Schuelke to  
Swap Jobs; H. Foellinger, M.  
Pocock Copy Editors

After two ballots, Harry Wedler, '26, and former sports editor, was elected by the Times staff at a meeting of the staff, to succeed Pauline Baumgartner as general manager of the paper. Ruth Eickmeyer, Mary Pocock, and Gertrude Schuelke were the other candidates.

"Because of his promptness and reliability combined with his ability to write, Harry will be an ideal general manager," says Miss Harvey. "He is undoubtedly the best sports writer we have ever had," she added.

He has been on the staff just one year but he is well acquainted with the Times routine and journalism work.

### All Are Well Qualified

Since each of the four persons in the running could have so capably filled the position, contrary to the precedent of having the faculty advisor appoint the head, the staff elected the general manager.

Pauline was automatically shifted to the position of student counselor.

Several other changes will be made in the rest of the staff. Ruth Eickmeyer will exchange her job of editor for that of managing editor which Gertrude Schuelke had. Gertrude in turn will become editor with Mary Pocock as associate editor.

### Two Are Copy Eds

Helene Foellinger and Margaret Pocock will be copy editors but no make-up head has been appointed.

The business staff has not been fully decided upon but Edith Kyler will remain as business manager and Mildred McCune will become advertising manager, succeeding Thelma Burley, who is art editor of the Totem, to which she will have to devote most of her time.

At the staff meeting after the election, delegates to the Central Interscholastic Press Association convention held at Thanksgiving time gave talks, summarizing the high spots of the meetings they attended.

## MODERN EVILS PLAYED BY BOYS' WORK LEADER

Ben Chapman, State Y. M. C. A. Secretary, Talks to Hi-Yers On  
Present-Day Conditions

"Connect to the power house of Jesus," was the message of Ben Chapman, State Boys' Work Secretary of the Y. M. C. A., to the members of the Hi-Y and Junior Hi-Y clubs last Thursday.

"A great many of us are like a trolley car, which on striking a bump, or setting too fast a pace around a curve, loses its connection with the power house; that is, the trolley comes off the wire, leaving the car stranded until the connection is re-established.

"Some of us are like an automobile with a run-down battery," Mr. Chapman declared. "The auto may be nice and shining and have all of the accessories possible to pile upon it, and yet, when we step on the starter, we get no response.

"People Aren't Frank"

"Another great trouble with the people of today is that they are not frank with one another. We say kind things to a person to his face and slander him when his back is turned.

"Then, the adults of today expect their sons and daughters to be perfect angels and refrain from smoking and other modern amusements, while they, the parents, go right on doing some of these things themselves. They expect the young folks to follow a good example which they are unwilling to set.

### Advices Against Floating

"Don't be a floater," Mr. Chapman concluded, "any old log can float down stream, catching on this sandbar, tossed about by that eddy, but not everyone can go upstream. So let's go up stream, even if only a tub with a one-cylinder 'push'."

No regular meeting of the Hi-Y was held last week but the Junior Hi-Y will meet to bid farewell to Mr. Brand, who goes to Detroit to teach this semester.

The nominating committee of the Hi-Y will make nominations for the officers who are to lead the club for the spring semester. The week following the nominations, the elections will take place. Members of the club may cast their ballots either at the high school office, or at the desk of the Boys' Department at the Y. M. C. A.

## Music Given by Quartet Receives Praise of Club

The South Side Saxophone Quartet, which furnished the music for the regular meeting of the Optimist club on January 13 at the Chamber of Commerce, was well received.

Mayor Geake spoke a few words of praise after the program was finished.

## Staff Elects H. Wedler Times General Manager

Harry Wedler

Harry Wedler was chosen by the Times staff as the new general manager for this term. He was sports editor last semester and the assistant term before. He will take up his duties with the issue of February 1. Much is expected of him because of his interest in the work, his reliability, and ability to write, for he was the best sports writer the Times has had.

## FACULTY NUMBER INCREASED THREE BY NEW ADDITIONS

Fifty-eight Teachers Now  
Employed; Mildred Huffman,  
A. W. Suter, New

BRAND GOES TO DETROIT

To Teach at Cass Tech; New-  
Comers Are Eager to Start  
Work Here

With the addition of three new instructors, the teaching staff of South Side is now fifty-eight strong. Miss Mildred E. Huffman, Miss Amanda Hemmer and Mr. A. W. Suter have come here to teach.

Miss Huffman and Miss Hemmer will be teachers in the English department and Mr. Suter will succeed Mr. Brand, who is going to Detroit to teach at Cass Technical high school.

"Teaching at South Side will seem like home," said Mr. Suter, "as I lived at Fort Wayne for twelve years. I am also acquainted with a few of the faculty and students."

### Has Degrees

He has A. B. and M. A. degrees and has taught science and physical training in the Huntington high school. Before coming here he was at Michigan City high school where he was also one of the science instructors.

Miss Huffman arrived last Monday and already then she had formed an opinion of South Side: "It is a very fine place. The building is beautiful and is the most modern one I have ever seen." She received her A. B. at Northwestern University. At Culver high school of Ligonier and Elkhart, where she was last, she has had experience as a teacher.

### Eager to Start

"I am very anxious to begin work at South Side," says Miss Huffman. She came here the early part of last week from Frankfort where she has been teaching for two and one-half years. For four years she taught at Montpelier. She got her A. B. degree at Northwestern College and also spent some time of study at Columbia University.

Four years ago the South Side faculty consisted of only forty-four.

## HALLSTEIN TO HEAD MATH-SCIENCE CLUB

Dorothy Emrich, Walter Zahrt, and  
Wesley Felmlee Are Other Officers;  
James Miles Speaks

As successor to Morris Felger, Walter Hallstein will preside over the Math-Science club for the coming semester it was decided at the meeting held Friday, January 15, in room 86. Dorothy Emrich will succeed Walter Hallstein as vice-president, Walter Zahrt, Kathryn Chapman as secretary, and Wesley Felmlee, Ralph Frank as treasurer for the coming term.

James Miles explained and displayed a collection of fifty varieties of flowers and ferns which he had collected for a boy scout test. He had them mounted on drawing paper with the name of each flower or fern printed on the page. He also told how different ferns reproduced, and drew sketches on the board to make clear his talk.

Margery Burres directed the games. Automobile and geometric games were played under her supervision.

## No Senior Carnival Is Probable This Year

No definite date has been decided upon for the senior carnival. It is probable that there will be no senior carnival at all this year. There has not been much interest shown in the carnival either by the students or the faculty.

## 639 PUPILS HAVE PHYSICAL DEFECTS, DOCTOR DISCOVERS

Only 185 Out of 824 Examined Are Reported in Perfect Condition by School Examiners

FINAL REPORT DUE LATER

Parents Are Urged to Give Children Proper Medical Attention to Cure Faults Found

Number examined	824
Number defective	639
Number perfect	185

Only one-fifth of the 824 South Side high school pupils given the medical examination were found to be in perfect physical condition, Dr. Kane, the school physician, and Miss Gavell, the school nurse, stated last week in giving the summary of their work during the first semester.

From September to December a total of 824 pupils was examined. Of these, 639 were found to have physical defects and 185 were rated as being in perfect physical condition.

### Defects Are Named

Through the examination it was discovered that 22 have defective nostril breathing, 368 have enlarged or defective tonsils, and 83 have defective teeth. This number does not include the many who need their teeth cleaned by a dentist.

The number with enlarged cervical glands is 191; with defective hearts, 37; with goiters, 143. Defective posture, due to fallen arches, spinal curvatures, and deformities due to infantile paralysis claim 37; nervous diseases, 1; orthopedic defects, which include flat feet, bunions, and deformations due to infantile paralysis, 172. The majority of the foot troubles are bunions, which, in most cases, are due to shoes which are too short, either worn at the present time or during some previous time.

Skin infections affect 17, and malnutrition, 27.

### Will Make Full Report

When the examination is completed, Dr. Kane will make a total report of the health examination as well as an explanation of the health work. He will also state the results that are hoped to be accomplished by the health department in the public schools.

Dr. Kane and Miss Gavell request the co-operation of the parents and students in correcting the defects revealed by the examination.

The freshmen boys and girls who enter school today and those who come from other schools will be given the physical examination this semester, as well as the students here last year who have not been examined. This work is a part of the health program of the public schools which was planned by Dr. Drayner, a member of the school board.

## MANY GOOD NOTEBOOKS MADE BY SCIENCE PUPILS

Teachers Name Those Who Complied Exceptionally Good Works;  
Girls Takes Honors

"Don't forget that your notebooks are due tomorrow!" This order was heard in most of the science classes last week, and it brought in some carefully prepared work to delight the teachers' hearts.

In Mr. Gould's beginning botany classes the best notebook and drawings were made by Marguerite Schwiwer. In his advanced class George Ann Gilliom took the honors. The outstanding notebook in Mr. Hull's physics class was made by Melvin Goslin.

Honors were more scattered in Mr. Whelan's physical geography classes. Loretta Acker has the best drawings and Helene Foellinger and Katherine Hoffman had the best notebooks in the 10B and 10A classes, respectively.

Freshmen turned in good biology notebooks, the best of these in the 9B classes being made by Katherine Yahn and the best in the 9A classes by Richard Kent.

Mr. Brand and Mr. Voorhees could not decide the best notebooks in their classes, because there were so many that were excellent.

## Alumni Win Prizes in Subscription Drive

Vivian Crates, '24, and Toay Underwood, '24, each won five-dollar prizes for turning in more than 25 subscriptions for the Arbutus, annual of Indiana University, in a clean-up drive held lately.

Vivian was general manager of the Times one semester and Toay filled the position of circulation manager. Now the former is sophomore editorial assistant and the latter sophomore business assistant on the Arbutus staff.

### School Gets Encyclopedia

The Encyclopedia Americana which arrived last week at the high school at Sylvan Grove, Kan., is probably the largest single addition ever made to the high school library. Of the cost price, \$100 comes from the money earned by the school in a recent fair, and the remainder, \$66.60, is paid by the district. An up-to-date encyclopedia has long been needed by the high school, so this set of 31 books will be highly useful.

### DID YOU SEE—?

A new feature for the purpose of making South Side an even better school will begin in the next issue of the Times. This feature will consist of articles written by the pupils describing something they saw done at school which they think will make South Side better, if not bigger. One dollar will be given for each article published; two or more will be run each week, if possible. They must not exceed 200 words in length and must be in the Times mail box at the Room 8 west entrance by Monday preceding date of publication. It may be a small incident that is written up a pupil picking up paper, an act of courtesy in the halls, an encouraging word from a teacher—for remember, "It's the little things that count."

## SOUTH SIDE MAKES CREDITABLE SHOW DURING SEMESTER

Wins Two Championships in First Term; Gets High Distinction During the Summer Months

CHANCES TO SHINE AHEAD

Latin, Commercial, Tournaments, Contests, Discussion, Minor Sports Features

With two championships to their credit in the first five months of school, South Side has just completed a full semester of activities. The men on the gridiron brought honor to their school when they won the Wash Valley Football Conference title. Debaters talked their way to victory over Central, Leo, and Bluffton and thus added another laurel to the Green and White.

In contests conducted during the summer, the 1925 Totem took first in the nation in the Art Crafts Guild and Central Interscholastic Press association annual contest. The Indiana High School Press association also awarded first place to the yearbook in its meet and the Times was also adjudged the best in the newspaper contest.

### Gets Scholarship

Tom Staley brought distinction to his alma mater when he was awarded the Jack Merrillat Griffin scholarship (Continued on page 8)

## U. S. HISTORY CLASSES SAVE NEWS CLIPPINGS

Miss Miller's Students Make Scrap Notebooks Outlining Current Events

Clippings of many interesting current events have been gathered and put in scrap notebooks by the pupils of Miss Miller's classes.

Mitchell's and the coal strike are the most popular subjects, and the Literary Digest, the News-Sentinel, and the Journal-Gazette are the leading sources of information.

Some of the main topics chosen by the pupils are: the Balkan war; tax reduction; the Franco-Syrian war; the war debts; Governor Ferguson, of Texas; the Locarno conference; governmental economy; Tammany Hall; radio and inventions; the life of Thomas Marshall, the aluminum trust, and the disasters of the Shenandoah and the S-51 are some of the miscellaneous topics.

Many magazines and newspapers have been clipped to pieces to supply the needed information for these topics. Some of them are: Liberty, Pathfinder, Collier's, Outlook, the Saturday Evening Post, the Chicago Tribune, the Detroit Free Press, Current Events, and the Indianapolis News.

## Literary Digest Again To be Used in Classes

The Literary Digest will form the basis of study in current events this semester for all students taking social sciences, Mr. Murphy announced last week. Each class will devote one day a week to its use. The pupils who wish may subscribe for individual copies and others may pay a rental and use the ones in the library. Beard's History of the United States will also be used again this term. These are owned by the school and are used free of charge by the students. Most of these copies are still in good condition.

## New Pupils May Try For Jobs in Cafeteria

About twenty-eight helpers will be needed in the cafeteria this term. To qualify for one of these positions the pupil must be neat, honest, and especially willing to work.

The students employed in the cafeteria last term will be given precedence, but new applicants may be accepted. Pupils who wish to secure a position must have two lunch periods.

### Visits Union Station

The class in Industrial History of the Harrison high school, Chicago, Ill., visited the Union Station of Chicago. They were shown through the entire building.

## PLAN TO PROLONG TOTEM CAMPAIGN FOR NEW PUPILS

Will Extend Drive for Several Weeks to Give Mid-Term Freshmen Chance to Subscribe

BOOK COSTS TWO DOLLARS

Taking of Individual Class Pictures Continues; Lower Classmen Behind in Being "Shot"

Because of the enrollment of about one hundred and fifty mid-term freshmen, the Totem will extend its subscription campaign several weeks to give these new students an opportunity to order the 1926 year book.

Room agents will be appointed in all first period classes to get students to subscribe. In many cases last semester's agents will be reappointed; but, as many of these agents will be in the same first period class, a general reorganization will be necessary.

### First Payment Required

A first payment of at least twenty-five cents must accompany an order for the annual. The student then has until April 15 to finish paying the two dollars which the book costs.

"About four hundred subscriptions have already been turned in," says Thelma Gasser, circulation manager. "With the beginning of this new semester we're going to push the campaign hard, and we hope to get a lot of rooms up to the one hundred per cent mark early in the term," she continued.

### Staff Works Hard

Every indication points to a blue ribbon book since this year's staff is endeavoring to put out a year book the equal of the 1925 Totem, which was awarded first place in the United States by both the Arts and Crafts Guild and the Central Interscholastic Press association.

As last year, the entire student body will be given the opportunity of having individual class pictures in the annual. After checking up on the pictures already taken, it was found that a great number of lower classmen had not yet appeared at the Jefferson Studio for a sitting.

### Picture Costs One Dollar

Students who wish to have their pictures in the year book should bring one dollar to Miss Harvey, faculty advisor of the Totem, in Room 20. This covers the cost of making the engraving for the class panels. The receipt she issues upon payment of this dollar authorizes the Jefferson to take the picture when the pupil appears at the studio to be "shot."

"About one hundred and thirty juniors and sophomores have not yet had their pictures taken, and only about eighty-five freshmen have 'looked pleasant' for the photographer so far.

Last year 601 students had their pictures taken. So far this year, 559 have been photographed individually.

## U.S.A. CLUB HEARS "BOYS" DISCUSSED BY TEACHER

Mr. Schmalzried Gives Talk On This Subject Before Younger Girl Reserve Club

"Surely the subject assigned me—'Boys'—is a very interesting one—interesting to the girls at least," said Mr. Schmalzried in introducing his talk given to the U. S. A. club at their meeting in Room 86, Thursday, January 14. The devotions were led by Katherine Pepper and announcements were made by Miss Symons. Games were played after the talk and refreshments were served.

"There are some things that we are not sure about—yes, some things we do not know," continued Mr. Schmalzried. "There has been a wonderful development within the last decade. The original apple was so hard that a man had to have steel plow-shares riveted on his front teeth before he could scrape enough off the apple to get him with its bitterness."

"Now one of the things that was made when the general making was going on was man. We are told in the Good Book that God made him after His own image. Therefore, girls, he is a thing to be adored and revered," Mr. Schmalzried said in conclusion.

## Grecian Design Used On Club Room Drapes

The curtains for Room 86, which are being given by the Parent-Teacher club, will be decorated with a Grecian design marked in a bright blue. This is a special design which will be placed on the inside edge of the curtains and on the center of the valance where a monogram will be placed.

They are now being decorated in the art room under the supervision of Miss Ley. As soon as the curtains are finished the furniture will be purchased.

### To Honor Math Star

A mathematics award of \$10 will be given to the senior of Central high school, Oklahoma City, Okla., having the highest grades in the three years of senior high school mathematics, provided he or she has been enrolled in that high school for two years and has had four years of mathematics. The Philomatheia club, one of the women's study club of the city, will present this award which will be known as the Philomatheia Award in Mathematics.

## J. W. Dickens Gives Cup For Winning Marksmen

Dickens Cup

For the purpose of developing better marksmen among the younger generation, Jack W. Dickens, chief draftsman of the Bass Foundry, has put up a trophy to be given to the Fort Wayne high school winning the rifle matches to be held at the General Electric indoor rifle range.

## THIRD OF SERIES OF SUNDAY MEETS TO BE THIS WEEK

Forum To Be Held Sunday;  
"Why Be a Christian?" Subject to Be Discussed

REV. L. N. ROCCA TO LEAD

Robert Bradtmiller is Chairman;  
First Two Meetings Successful

The next forum, the third of the series, will be held next Sunday, January 31, at the Y. M. C. A. in the boys' lobby. The subject to be discussed is "Why Be a Christian?" Rev. Louis N. Rocca, pastor of the Trinity Episcopal church, will be the leader, and Robert Bradtmiller, of Central, will be chairman.

At the forum held yesterday afternoon, "Choice of Life Work" was the subject discussed. Mr. Mailey led the discussion, and Ruth Schneider was chairman.

Miss McCloud, librarian at the Central and South Side branch libraries, was the leader at the meeting held January 17, which was the first of the series. Noble Sprunger was chairman. About one hundred boys and girls attended the meeting. Clint Wilson led the singing.

The social committee, which has charge of the eats, is composed of Marie Williams, chairman; Jeannette Duryee, Clayton Matlock, Robert Porter and Elizabeth Suter.

There are only two more forum meetings left after the one to be held next Sunday. They are:

February 7—Subject, "The Ideal Boy and the Ideal Girl." Leader, Rev. James Strachan. Chairman, Cornelia Bade.

February 14—Subject, "War or Peace?" Leader, Mrs. C. T. Lane. Chairman, John McMeen.

## CUP FOR ADVERTISING IS WON BY P. HILBISH

Times Solicitor Turns in Total of \$196.82 for Term; Silver Cup Is Award

The hammered silver cup, given by the Times to the person getting the most advertising in dollars from October 1 to the present time went to Pauline Hilbish. Pauline has turned in ads amounting to \$196.82. This is over \$90 ahead of her nearest competitor, Virginia Kinerk.

The cup was presented to her on the last day of school by Miss Harvey. The ten next high in the contest are as follows:

Virginia Kinerk	\$100.04
Dorothy Augspurger	82.48
Macyle Kelsey	51.00
Kenneth Flaig	42.73
Frank Taylor	38.38
Thelma Burley	37.96
Mildred Obenour	34.20
Paul Staigh	26.00
Edith Kyler	21.00
Margaret Beatty	19.76

## Girl Reserve Clubs Elect New Officers

Marguerite Schwiwer and Ruth Stroebel were elected presidents of the So-Si-Y and U. S. A. clubs respectively at the election held at the booth in the hall last Friday. The other officers elected for So-Si-Y are Virginia Bourns, vice-president; Jean Herd, secretary, and Martha Sherman, treasurer. Mary Graham was chosen vice-president of U. S. A.; Harriet Wyneken, secretary, and Claire Staley, treasurer.

## ADDED INCENTIVE WILL MAKE RIFLE MATCHES KEENER

Dickens Cup Awarded to Winning High School; the Matches Held in General Electric Range

WINNERS TO CAMP PERRY

South Side Represented by Four Last Year: McAfee, Bray, Mitten, Hadley

With the presentation of a new trophy, Fort Wayne schools will have something new for which to contend when the sharpshooters of South Side, Central, and Central Catholic high schools will compete for the Dickens cup at the General Electric indoor rifle range.

Bon McAfee, Vaud Bray, Eugene Mitten, and Claude Hadley represented the Green and White last year. Central had two and Central Catholic six.

### Victors in National Meet

Besides being given the cup, the winning team will go to Camp Perry, on Lake Erie, to compete with teams from other parts of the United States.

The rules governing the high school team matches are:

The trophy shall be awarded for a year's possession annually to the winning team from any Fort Wayne public or parochial high school in an annual match, provisions governing which are given below. The trophy will become the property of the high school whose team wins three consecutive annual matches.

### Five On Team

Each team shall consist of five shooting members with such alternates as the team captain or coach shall deem necessary. Each shooting member or alternate shall shoot the full course:

The course shall consist of:

(1) Ten (10) shots offhand or standing.

(2) Ten (10) shots, (6) kneeling and (4) sitting.

(3) Ten (10) shots prone.

Targets shall be N. R. A. standard. Two sighting shots shall be allowed on each target, making twelve shots on each target.

## TIMES EDITORIAL PLATFORM

1. To further scholastic activities.
2. To promote extra-curricular activities.
3. To give well-written accounts of high school happenings.
4. To offer high standards of school spirit.
5. To aid school officials.
6. To let parents and public know what South Side is doing.
7. To keep in touch with other schools.

## Ho, Hum!

Now that those tests are over, most of us will take a vacation until it's time to cram again.

## Good Luck

At the same time when we must bid goodbye to the graduating seniors, we must also say welcome to the new freshmen. But there is one common expression for both—"Good Luck!"

## Blue Wednesdays

Last Tuesday and Wednesday were very colorful days. Green and White prevailed the first day in honor of our game with Central and blue and white (mostly blue) was very obvious the day after when grades were given out.

## More Rivalry

A cup has been donated to the schools by J. W. Dickens, of the Fort Wayne Rifle and Revolver club, for matches in rifle shooting between the three high school teams. Although at present we do not have such a team, nor one to compete with if we did, may South Side show the same spirit in such contests as we have in others and hit the mark to bring home the bacon.

## One, Two, Three, Go!

The season for blufing has now been "officially" declared a thing of the past, and it is expected that the favorite indoor sport for this term will be that of catching "A's." Many South Side students have already become quite proficient in this game, as is shown by the honor roll "line-up," and it is hoped that this term many more will report to the library or study hall for "practice." The faculty who in this game act as both referee and coach, stands ready to help us in every way they can, to win a place on the varsity honor-roll. The whistle's blown and it's time to start the game!

## Band Co-operation

Co-operation between the two Fort Wayne high schools is being brought about through the joint appearance of our bands at the big basketball games of both schools.

We have co-operation between the faculty and students here at South Side, but co-operation between the two schools will prove just as advantageous.

It surely looks fine when both groups come out full force to support their sister teams, and it is even better when one group can be led by the director of the other.

These feats were successfully carried out at one of our recent games and we do feverently hope that such co-operation will continue henceforth and for evermore.

## Systematic Study

At a time when a new semester is ensuing, considerable emphasis should be placed on the plan of study for the coming weeks. This is essential, not only because of the value of being able to understand and know just when and how long to prepare a lesson, but also because of the value obtained as a result of such premeditated preparation.

As many school authorities have told us, the attitude of too many students is to "just get by." This type of pupil is known in almost every classroom of every school, and it is our sad fortune to be overly blessed with these persons. If these students could be persuaded in some convincing manner that they are accomplishing no good, neither for themselves nor for any one else, and could be led to see that a well-rounded course of study does bring good results, we would be at last freed from one of the greatest of this age's school evils.

Of course, we cannot expect the whole group of these persons to reform at once, but it is possible and within our own means to show these students by planning our courses in such a manner as to appear pleasing to them and thus tempt them to do likewise.

## A Mite of Verse

## JUST A MINUTE

I have only just a minute,  
Only sixty seconds in it,  
Forced upon me—can't refuse it,  
Didn't seek it, didn't choose it,  
But it's up to me to use it.  
I must suffer if I lose it,  
Give account if I abuse it,  
Just a tiny little minute—  
But Eternity is in it.

## And Werse

## OH, AIN'T IT AWFUL?

"Awful" is an adjective,  
That's very much abused;  
It's awful when you think of it,  
How awful it is used.  
It's awful good, it's awful bad,  
The weather's awful cold;  
Some people are awful young,  
While others are awful old.  
It's awful nice to love someone,  
But awful mean to hate;  
We say some awful things sometimes  
'Twould be awful to relate.  
We're awful early sometimes,  
And sometimes awful late.  
An awful pretty maiden  
Weds an awful homely mate.  
Down at the dentist's shop one day  
We spent an awful hour.  
While some things are awful sweet  
Still some are awful sour.  
Oh! yes, it's really awful,  
How "awful" is used.  
This awful hardy adjective—  
So awfully abused.—Ex.

## Do You Know

- That a mailbox has been placed in Room 20 for suggestions?
- That forty-two students are January graduates?
- That we have 145 new freshmen from the grade schools?
- That every boy and girl should attend the forums, held at the Y. M. C. A., every Sunday?
- That the boys in the forging room sit on tiers of seats in the form of bleachers?
- That there are eight forges in the forging room?
- That now is the time to start to get those A's?
- That the Wranglers' club is for any one in the school?
- That the Junior Hi-Y and U. S. A. are open to freshmen boys and girls?

## In the Stone Age

Saturday, January 20, 1923—South Side upsets dope bucket, defeating Kendallville, 23 to 22.

Sunday, January 21—Mr. Null leads discussion on "Camouflage" at Forum.

Monday, January 22—"Totem" chosen as name for the South Side annual.

Tuesday, January 23—Central bowed to South Side in opening tilt for city title with a 26 to 22 score.

Wednesday, January 24—School closed at noon. Pupils to report Friday for grades and programs.

Thursday, January 25—Vacation.

Friday, January 26—One hundred and sixteen new "greenies" enter South Side.

## This Week's Best Editorial

## SUCCESS FOR SALE

You want success!  
Are you willing to pay the price for it? How much discouragement can you stand? How much bruising can you take?

How long can you hang on in the face of obstacles? Have you the grit to try to do what others have failed to do? Have you the nerve to attempt things that the average man would never dream of tackling?

Have you the persistence to keep on trying after repeated failures? Can you cut out luxuries?

Can you do without things that other consider necessities? Can you go up against skepticism, ridicule, friendly advice to quit, without flinching?

Can you keep your mind steadily on the single object you are pursuing, resisting all temptations to divide your attention?

Are you strong on the finish as well as quick at the start?

Success is sold in the open market. You can buy it. I can buy it. Any man can buy it, who is willing to pay the price for it.

Broadway Whims, Seattle, Wash.

## Quizzzy Quizz

Question: What is your preferred program and why?

"I prefer to have my lunch hour the fifth and sixth periods so I can go home for dinner," Florence Phelps said. She also prefers to have the seventh period for studying so she can review her Spanish which she has the eighth period.

Hester Meek says, "I would rather have geometry the first period, because my mind is clear and it takes a clear mind for that subject, believe me. I like best to have lunch the fourth and fifth periods so I can go home."

Florence Clements prefers to have the first period as a study period so she can study for her next period class, which is botany. She likes to take typing the eighth period, because if she is working on something when the bell rings she can finish it before going home.

"I prefer to have English the first period, because my mind is clear and I can think much better," Flora Baer declared. "I would rather eat the fifth and sixth periods, because I think that is the best time of the day to eat."

Hilda Sellers says, "I would rather have my hardest subject the first period in the morning, so I can get it off my mind for the rest of the day. I also prefer the fifth and sixth periods for lunch, because I am good and hungry by that time."

## Sitting On Top Of The World

## The Dean Says

South Side High School welcomes all students enrolling for the first time. We hope you will take advantage of the best that South Side High School has to offer.

Martha McPitenger

## How To Pay Way Through College

Miss Miller, an instructor of history in South Side, has had experience in paying part of her way through college.

"I went to a normal school for two years after graduating from high school," Miss Miller said. "After taking a course there, I taught at the Hanna school for a few years. In this way I obtained money to pay my way through the university which I attended in order to get a degree."

Working in the university or college library was suggested by Miss Miller as a means of making money. She also said that girls might take care of small children for a few hours a week, or do stenographic work.

"Tutoring might be suggested for those students who are interested in teaching," concluded Miss Miller.

Miss Miller went to the normal school in Fort Wayne, and thus she was able to stay with her parents.

She obtained her degree at the University of Chicago. While there she observed that going to a university in a large city is a help in securing employment more readily, as there are usually quite a few positions open. Students there can obtain work in offices and in theatres during the afternoons and evenings, and there is almost an unlimited demand for persons working on Saturdays only. However, offsetting this advantage, is the fact that the cost of living in a large city is higher than in a smaller city.

## The Value of History to Man

"The subjects taught in the history department were the last to be added to the field of secondary education. These studies may be defined as those studies which relate directly to the development of human society," says Mr. Schmalzried, instructor in the history department.

"The aim of the social studies is, along with other studies, to contribute to social efficiency in modern education. However, from the nature of their content the social studies afford peculiar opportunities for the training of the individual as a member of society," he continued.

"Whatever their value from the point of view of personal culture, unless they contribute directly to the cultivation of social efficiency on the part of the pupil they fail in their most important function. They should accomplish this end through the development of an appreciation of the nature and laws of social life, a sense of the responsibility of the individual as a member of social groups, and as an effective participant in the promotion of the social well-being."

"Above all, the social studies of the American high school should have as their constant purpose the cultivation of good citizenship; a citizenship that will develop a neighborhood friendliness which will permeate the nation—yes, the nations of the world that all might live in brotherly love."

"High national ideals and an intelligent and genuine loyalty to them should be the specific aim of the social studies in American schools," concluded Mr. Schmalzried.

Enough Milk Drunk To Make Dairy Farm Profitable; Much Meat Eaten.

Are South Side students hungry? They shouldn't be with all the good things to eat in the school cafeteria. Every day approximately one bushel of potatoes, three gallons of gravy and eighteen pounds of beans are consumed by the students who are "absolutely famished" before the end of the fourth period.

From the great amount of milk which has been used this term, it seems that it might not be a bad idea for South Side to put a couple of cows to pasture out in the stadium and to allow several of our athletes (perhaps "Tinah" DeHaven, Otho Barber, and George Nulf) to try their daily dozen by getting out bright and early and doing the morning milking.

According to all evidence, the students don't care a great deal for bread because only about 8,600 sandwiches and 18,576 rolls have been eaten this term.

Students Devour Pies Just look at the figures. If all the pies which have been eaten since school began in September were piled edge to edge, they would extend fourteen times as high as the school flag pole, which is about 80 feet high, or 180 times as high as Jerry DuWan, our rangy basketball captain. The only thing that we have yet to find out about the pies is—how many of this number Mr. Voorhees has eaten.

Enough butter to spread approximately 55,040 slices of bread has been consumed by the students since school began September 9.

Supposing that all the ice cream which has been eaten were turned to bricks, and these bricks were laid end

to end, they would extend nearly two times around the stadium cinder track.

Much Meat Consumed

Are students very heavy meat eaters? It may not seem so on the surface, but at any rate the meat used in the cafeteria has outweighed three average weight cows. It might not be a bad idea to run a small stock-farm along with our "stadium dairy farm."

Do you like to figure? If you do, just figure how much soup has been downed this term at the rate of about three gallons a day. We guess that you wouldn't want to get your foot in that soup.

South Siders don't have a sweet tooth; they have sweet teeth, for about thirty dollars worth of candy is sold to them every week from the cafeteria.

Mrs. Hoham Has Full Charge

One might wonder who has to look after all this food. Mrs. Hoham, the head of the cafeteria, has complete charge of ordering it. As her assistants she has four ladies—two cooks and two pastry cooks, to prepare all these edibles.

"We try to give the students the same things to eat that they get in their homes," Mrs. Hoham said, when interviewed. "We always buy the best and never order substitutes."

Likes Help

Mrs. Hoham is very proud of her helpers, both the regular help in the kitchen and the twenty-eight students who serve at the lunch hour. "I could not ask for any better," she said. The helpers like their work.

"We have a good time up here," one of them said, "even though we do work hard. There is always something funny happening. The time that we work the hardest is when the students are eating. Of course, we are kept on the jump then."

## I'm A Nut

I'm the gink who usually comes to class in a short-sleeved thin dress day after day, no matter what the weather is like. Invariably, about ten minutes after the second bell, I have to get permission to go to my locker for a sweater or something to keep me warm. Although I interrupt the class, there is no sense in wearing as many clothes as some people do. It would spoil my slim outline.

Even on days when I know it is a little chilly, I think I am privileged to wear what I please. I don't see why the teachers seem put out when I break into the recitation with my request and take about ten minutes to make the trip to my locker and back. And I think a teacher would be awful mean to send me to the ninth to make up the time I missed.

## I'm Not A Nut

I'm not one of the nuts who spend the very last few days working in the chemistry laboratory or making maps in the history rooms. I get my work done in time and divide it up throughout the entire semester instead of leaving all of it to the last minute.

Then I don't have to take the first two or three weeks of the next semester to rest up as do those persons who labor so hard the last few days of a semester.

## Open Letters

Tony's O. K.; Boys Aren't

To Editor South Side Times:

In regard to the letter in the Times last week concerning the Star I have something to say.

If the boys don't get their cigarettes at the Star they will get them at some other place. If they don't smoke at the Star they will smoke at some other place. Isn't this true?

If you call Tony's a hang-out just walk down the hall out the middlewest entrance after school and you will find any number of the "400" standing around giggling and talking.

Tony has done just as much for South Side as anyone would be expected to. He has been a loyal rooter for South Side by attending all our games. I really think the piece put in last week's Times was an insult not only to Tony, but also the public.

A STUDENT.

Editor's Note: We do not think that the letter which "E. S." wrote was meant to insult "Tony." It did not criticize him in the least, but blamed the students who go over there. They, by their disgraceful conduct, keep others away who would otherwise patronize him, thus depriving "Tony" of perhaps twenty-five or thirty dollars a week. On the other hand, what can he do? He is operating a public place of business. He is "Tony" by stopping the smoking. Those who do it are only injuring him.

## Who's Who

"He's a jolly, all-round good teacher," say the students of Mr. Murch, that tall, thin, dark-haired man who teaches in rooms 26 and 28. He wears glasses, but we believe he once said he didn't like to.

Mr. Murch is one of the few teachers here who know the queer sign language and valiantly attempt to teach the shorthand and typing to the struggling "stenogs in the making."

It is rumored that he could hold world records if he would take the shorthand tests.

In athletics he is also prominent. Several times Mr. Murch has refereed our reserve basketball games. During volleyball season he holds a regular place on the faculty squad.

In spite of all this he still finds time to drive his Rollin.

## Week's Anniversaries

Jan. 25—The Rockefeller gift of \$7,000,000 to be used in research work for tuberculosis serum was announced in 1903.

Jan. 26—Dr. Edward Jenner, discoverer of vaccination for smallpox, died in 1823.

Jan. 27—Wolfgang Amadeus Mozart, a German composer, born in 1756.

Jan. 28—Direct wireless communication was established between Germany and United States. Kaiser Wilhelm sent the first message to President Wilson.

Jan. 29—William McKinley, twenty-fifth president of the United States, born in 1843.

Jan. 30—Charles I was beheaded in 1649.

Jan. 31—The delegates to the Mexican Constitutional Assembly at Queretaro signed the constitution.

Feb. 1—Passage of the amended tariff bill, by the house of representatives, with the income tax clause attached.

Feb. 2—Labor day in Arizona.

Feb. 3—The United States Income Tax amendment to the constitution became a law by the ratification of Wyoming.

## Dr. Jenner

Dr. Edward Jenner was an English physician who discovered vaccination as a preventative of smallpox. Jenner had given much time to the study of cowpox, smallpox, and swinepox.

He, at first, considered cowpox to be caused by the contagion of "grease," a hoof disease of horses. He inoculated his son with swinepox and ascertained that the boy was proof against smallpox.

Jenner performed his first public inoculation with vaccine in 1796.

After passing through the disease of vaccine the patient was exposed to smallpox by having its virus introduced into his arms, but without effect. Subsequent experiments yielded similar results.

In 1798 he published the paper on vaccination, detailing the whole matter and stating his belief and his proofs. In the same year he visited London in order to demonstrate the truths of his assertions.

"The worst is yet to come," the pessimist always says. He's quite right. Just read on.

We have with us today, not the "long green" so joyous to spend, but a multitude of the short and GREEN, the brand new freshmen. Can it be possible that we have improved so much in just three and a half short years?

If so, cheer up, freshies. There's hope for you.

What the Freshmore Thinks of the Seniors

They are all over six feet tall. They all get on the honor roll. They can do anything they like. They run the school and are omnipotent in everything. They are tyrants and are cruel and oppressive. None of them takes anything below English 7 or Latin 8.

What the Senior Thinks of the Freshmores

They are a useless encumbrance to South Side's halls. They are all "fresh." They make a habit of slunking in everything. They all eat lollypops (suckers) during their spare time.

None of them is over four feet tall. Moral: Be a junior.

Rank Favoritism

The prize ribbon goes to Deane McAfee who spells it "boys' quartet," but makes the spelling fancier for the feminine foursome—ahem—"girls' quartette."

Consider the whale—he gets into trouble only when he starts to blow.

One female (at the South Side-Central game)—"Mercy what a dreadful crowd, I wish now I'd stayed at home, don'tcha?"

Second Ditto (same place)—"Certainly not; but I wish to goodness those other people had."

He who laughs last is a freshman.

Famous Wrecks

# ENROLLMENT LIST TO BE ENLARGED BY FROSH ENTRY

## 145 Freshmen Put on Student Roll; Harrison Hill School Sends Most Students

### PROGRAMS LONG FINISHED

Only Forty-two Seniors Graduating, Making List 103 Names Longer

Exactly 145 freshmen are entering South Side's portals today to take up their studies. Fifty-one come from Harrison Hill, forty-four from Hoagland, and fifty from James Smart.

The programs of these freshmen have been made out for some time so they will not have to wait for them this morning.

**Some Have Good Records**

Some of the new freshmen won high distinctions in the grade schools, in athletics or in scholarship. James Gargetti, George Hood, Maurice Shively, Lloyd Stalter, and George Stover played on the Harrison Hill basketball team.

Everett Somers, Thomas Church, and Arthur Karns from the Hoagland grades also cavorted on the hardwood. From the same school are Franklin Torle and Omar Wright of outstanding scholastic ability and Louis Leeburger, who took an active part in Gill Reserve work. Agnes Hanna also in that class is the daughter of Robert B. Hanna and sister of Bob Hanna, 25. Ruth Pinkham is the sister of Bob, now attending South Side as a post-graduate.

Lavelle Stephens, of the James H. Smart school, was awarded the scholarship medal given by Herman Hill Druggist, in the Smart school district. She had an average of 95.25 per cent. Charles Blue, Earl Bolyard, and Peter Vincenzi, of the same school, were luminaries on their basketball team.

Those who are entering are:

**Hoagland School**

Herbert Brokaw, Thomas Church, Ward Constance, Kenneth Lytle, Raymond Overmeyer, Hubert Ralston, Andrew Shalley, Franklin Tooke, Everett Somers, Omer Wright.

Leetta Seibold, Helen Seemeyer, Elaine Rummel, Ruth Pinkham, Lucile Meyer, Mildred Marvel, Louise Leeburger, Elsie Keller, Agnes Hanna, Frances Fitch, Lucille Clements, LeEllen Brushwiler, LeEdda Brushwiler, Helen Brushwiler.

Key Wilson, Maurice Kessler, Mills Doral, Mildred Craig, Wiltha Hart, Herman Goodrich, Herbert Thompson, Eva Whitten, Paul Kempf, Max Frame, Kyrell Marke, Jane Hardendorf, Marile Baker, Dilwood Buckner, Lora Ellenwood, Arthur Karns, Philip Kholi, Florence Sauer, Anna May Dean, Opal McDougall.

**Harrison Hill School**

Jack Ake, Sumner Baker, David Hall, James Gargetti, Harry Hart, George Hood, Herman Kohr, Richard Powell, Lawrence Rop, Maurice Shively, Lloyd Stalter, Roland Thompson, Robert Tumbleson, Vadjean Uzan, Giles Zvalen.

Virginia M. Christie, Dorothy J. Hattel, Randolph E. Kern, Ellen Lepper, Louise I. Miller, Dorothy M. Mueller, Margaret Morgan, Virginia L. Nessel, Virginia Y. Tulley, Virginia R. Wagoner.

Ralph Beerman, Phillip L. Cartwright, Tennis E. Chaney, William H. Fisher, Robert L. Funck, William R. Jackson, Eugene R. Lisenberger, Orland C. Miller, Jack Pollock, Byron T. Somers, Wayne H. Stapleton, George E. Stover, Gustave A. Swanson, Frederick Underhill, Frederick G. Vore.

Ruth G. Bahde, Kathryn L. Crill, Ruth A. Eldred, Kathryn C. Epple, Lenore Goodrich, Helen Harper, Esther M. Miller, Luella Piepenbrink, Lurine Schulz, Dorothy J. Scott, Margaret Snyder.

**James Smart School**

Ruth Ballard, Charles Blue, Earl Bolyard, Robert Borkenstein, Glenn Brown, Gertrude Brunsell, Rosella Bunnworth, Wanda Butler, Mildred Christman, Norris Cott, Gladys Englehart, Edyth Figel, Virgil Gaskill, Helen Greiner, Alvina Greuter, Weissel Hammon.

Nina Hays, Paul Hazelet, Gertrude Hechler, Gertrude Henry, Mildred Hay, Russell Irvin, Harold Kamm, Margaret Cook, Ronald Laisure, Mildred Lee, Melva Masterson, Dale McBride, Virginia Meyers, Madelyn Michael, Ruth Parkhurst.

Gordon Perry, Irene Perry, Richard Peterson, Florence Phillips, Robert Radebaugh, Vernon Radebaugh, Elmer Roth, Burnis Schlechty, Donald Spice, Lavelle Stephens, May Thiele, Peter Vincenzi, Dale Waldrop, Robert Wass, Valette Wilkens, Lavina Williams, Edna Worthington, Paul Yarman.

North Side High School

Construction of the North Side high school has been progressing rapidly as the above pictures show. The contractors, Max Immscher & Sons, have announced that work on the building is up to schedule, and that they feel confident that the structure will be completed by the beginning of the fall term.

This school building overlooks the St. Joseph river just north of State boulevard. Although North Side will have two gymnasiums and a swimming pool, it will cost only \$925,000, about \$75,000 less than South Side.

Steel floor joists have been placed in position on the first story of the main building. The window frames are in place on the first and second floors. Bricklayers are now working on the second story. The power house is practically completed, and the concrete for the swimming pool has been poured.

## Old Lady in Shoe has Nothing on Miss Chapin

### If Order in Study Hall May be Considered

**Subject of Mother Goose Poem Not as Able as Study Hall Teacher.**

**By Tom Ward**

We give credit to "The Old Lady in the Shoe" who, you know, "had so many children she didn't know what to do" and even compliment her on the way she made them behave. But when there is a person who is in charge of 300 or more children and DOES know what to do, what credit is due her? In most persons' opinion, Miss Chapin is an artist at keeping order among 300 pupils and making them all like her.

"Of all the jobs in a school, I'd hate to be in charge of this study hall," a visiting teacher remarked while looking at room S.

Yet the teacher who is in charge has a different opinion.

"It is no trouble at all," Miss Chapin said. "I seldom ever have to speak to any one for being disorderly."

**Work Solves Discipline**

The question whether boys or girls behave better was asked.

"One is no worse than the other," Miss Chapin stated. "Both seem to have enough work to keep them busy, consequently there is not much time for them to 'gaze' around. Their only difficulty is in concentrating." But Miss Chapin added that since there are so many in the study hall at one time, all of the noise can not be eliminated.

"The students are very willing to please and since we are no longer issuing slips to the students, there isn't the confusion of former years," she explained.

**Write Reports in French**

The students in French at the Central high school, Kansas City, Mo., are writing book reports in French to be handed in at the end of the semester. The students have been doing outside reading in French books and will choose one of these books for their reports.

**Charity Garments Made**

The sewing classes of the Tucson (Arizona) high school are making garments for the Arizona Children's Home.

**Students Visit Mexican Mission**

Several pupils of the Spanish department of the Central high school, Kansas City, Mo., recently attended a church service at the Mexican Mission. The services were conducted entirely in Spanish and proved highly interesting.

**Beauty College Visited**

Twenty-four of the girls of Harrison high school, Chicago, Ill., visited the Burnham's Beauty College recently. One of the instructors took the girls around and explained in each room how the work was done.

## FORTY-TWO GRADS COMPLETE WORK AS TERM CLOSES

**Twenty-Three Boys and Nineteen Girls Finish Their High School Course**

**MOST TO WORK TILL JUNE**

**Some to Continue as Post-Grads, Others to Travel, Teach, Take Extension**

Wednesday ended the four years of high school training for forty-two seniors of South Side. Twenty-three of these are boys and nineteen are girls, there being five more boys than girls.

As these pupils will not be able to get their diplomas until June, they will be doing various things from the mid-year until that time. Eleven are going to take post-graduate courses, eighteen are planning to work, two are going to take the General Electric apprentice course, three are planning to take the Indiana University Extension Course, one is going away to school, one is going to teach music, two are planning trips, and three are undecided as to what they will do.

Mildred Berlien, Thelma Beatrice Birely, Thelma Maxine Birely, Beulah Corwin, Elvah Fashbaugh, Geraldine Grover, Dorthes Kohlmeier, Robert Pinkham, Beatrice Riecke, Percy P. Weldy, and Chester Wyneken are planning to take post-graduate work.

**Many Will Work**

The call to work and the almighty dollar is headed by George Dierstein, Mable Fell, Wilson Hochstetler, Thelma Kern, Rosella Lindlag, Alice Mason, Robert McAfee, Orville Miller, Paul Perry, Esther Roush, Zelma Shaffer, Charles Weirich, Everett Wenner, and Perdona Wilson, who expect to find employment in this city, while Virgil Brunsman is going to Detroit to work, probably in the Ford factory. David Mercer and James Niles intend to work and also take Indiana University Extension work in the evenings, while Lauretta Sell will work and then go to business college.

Raymond Crick and Oscar Helgren will take the General Electric apprentice course; and George Kress, Maxine Schmieder and Brooks Smith will enroll for the Indiana University Extension Course. Raymond Shaffer is the only one who is going away to school. He is planning to attend De Pauw University at Greencastle, Ind.

**One Goes to France**

Andre Wehrle expects to study in France and tour Europe, and Don Currie is going to Florida. Herbert Shive will give violin lessons.

Hazel Cruse, Clarence Gruenert, and Camilla Waterfield are undecided as to what they are going to do during this time.

Nearly all of these graduates have been active in the clubs of South Side. The U. S. A., the So-Si-Y, the Junior H-Y, the H-Y, the Art, the Debate, and the Philathlean clubs are represented by these pupils.

**Mr. Brand Expresses Regret on Leaving School; Will Keep in Touch with South Side's Affairs**

**Science Teacher Has Enjoyed Relations with School; Points Out Pupils' Merits and Faults.**

"I like South Side and Fort Wayne so much that I regret very much to leave," Mr. Brand, science teacher here, said Friday in talking about the new position he will take. "I would not consider it at all if Cass Technical high school and Detroit did not offer better opportunities in my line of work."

On account of the many industries in Detroit the interest in high school chemistry is great. Mr. Brand will have three chemistry classes there next semester, but they will meet for a double period each day instead of a double period once a week as his classes here do.

**Likes Students' Attitude**

Mr. Brand likes especially the attitude of the students of South Side toward the faculty and toward each other. "They are as fine a bunch of young people as I have ever met, and I have really enjoyed my work with them," he declared.

"My association with the faculty and principal has been altogether pleasant, also. South Side students who have gone to school somewhere else do not realize what a good principal they have. The members of the science faculty with whom I have been working have been especially helpful to me in getting my hearings here."

"I know I shall like my work in my new place but hardly hope to find the same kind of students and school spirit," Mr. Brand added.

**Points Out Faults**

There are just two things about our school that Mr. Brand does not like. One is the students' lack of pride in the appearance of the school's magnificent equipment. He mentioned the fact that they litter up the halls and locker rooms with waste paper and write on the walls of toilets.

"The other thing that I especially dislike," Mr. Brand said, "is the habit of South Side students and patrons of leaving the gymnasium before a game or program is finished. It is an insult to the team that is doing its best for you. The exit during the concluding number of Sousa's band was disgraceful and once last year about two hundred people walked out during the playing of the 'Star Spangled Banner'."

**Subscribes for Times**

Although Mr. Brand is leaving us, he will not forget us. He says, "I shall always be interested in South Side and shall keep in touch with what is going on by remaining a subscriber to the best high school paper in the 'United States.' I should be a sort of an alumnus of South Side even if I have been here only a semester. I shall take the South Side spirit with me as I leave."

**IVA RILEY ELECTED ART CLUB PRESIDENT**

**Club Plans Membership Drive; Lectures, Art Discussions Make Up Program for Semester**

Art club officers for this term were elected at the regular meeting, Monday, January 11. Those elected are: President, Iva Riley; vice-president, Virginia Bell; secretary, Geraldine Grover; treasurer, Dixie Buchanan; and chairman of program committee, Alice Miller.

Definite plans for the club's work this semester have not been made, although a new membership drive will begin after the next meeting. The club also intends to finish the notebooks by the end of this semester and to have more lectures and discussions on art.

**Stamp Prize To Be Given**

Valuable and unused British stamps were given as prizes for the best stamp display by the Stamp club of the Central high school, Washington, D. C. The award was presented by the assistant superintendent of schools, who obtained the stamps while traveling in Europe recently.

**Slides Shown**

"Sketch Book" scenes were shown to the freshman English classes of the Champaign (Ill.) high school recently. This class has just finished the study of the "Sketch Book."

**Science Movies Shown**

The Science club of the Broadway high school, Seattle, Wash., was shown two movies at their last meeting. One was "Sponging for a Living" and the other was a picture of the United States Navy, showing different types of ships and submarines in action.

**Tractor School Held**

A tractor school is being held in Greenfield, Ohio, from January 4 to January 22, under the direction of the department of Vocational Agriculture of the McClain high school. The class meets every afternoon from one to four. For one hour each afternoon tractor problems are discussed and the rest of the time is spent in repairing and overhauling tractors.

## SELLING OF BOOKS TO BE CONDUCTED IN SAME MANNER

Bookstore and Rooms To  
Sell as Before; Pupils  
Should Purchase  
Texts Monday

### CLASSES START MONDAY

Regular Recitations To Begin  
Second Day; Books Same  
Price as Formerly

The sale of books today at the book store window and in different rooms will be conducted on practically the same plan as was used last September. Mr. Parks is in charge of the book sale and will sell at the bookstore window. Teachers in rooms where books are distributed will have charge of the sales there.

#### Rooms Are Specified

There will be eight short periods Monday, after which pupils may get their texts at the rooms here designated:

English	Bookstore window
French	92
History	8
General	10
Civics	10
Economics	10
Latin	34
Cicero	34
Bennett's Grammar	34
Bennett's Composition	34
Vergil	30
Caesar	36
Scott's Grammar	32
German	30
Vos	143
All others	94
Mathematics	94
Science	91
Biology	14
Botany	4
Chemistry	14
Physical Geography	96
Physics	82
Commercial Geography	79
Spanish	82
Domestic Science	79

#### Should Buy Monday

Students are urged to get all their books on Monday in order that they may be ready for class work on Tuesday morning.

The prices of the different books are as follows:

Domestic Science:	
Foods, Preparation and Serving	\$1.30
English:	
A Tale of Two Cities	.40
Autocrat of the Breakfast Table	.40
Burke on Conciliation	.45
Clive and Hastings	.45
Franklin's Autobiography	.50
Julius Caesar	.50
Kidnaped	.40
Life of Johnson	.45
Long's English Literature	1.15
Macbeth	.45
Marmion	.40
Odyssey	.40
Palgrave's Golden Treasury	.55
Selections from Lincoln	.45
Sentence and Theme	1.10
Sentence Book	.25
The Rivals	.40
The Tempest	.40
Three Narrative Poems	.40
Types of Short Story	.45
Vision of Sir Launfal	.25
Westward Ho!	.45
Written and Spoken English	1.20
Ivanhoe	.65
French:	
French Life	.90
Charadeau Complete French	1.25
Sans Famille	.65
Le Comte de Monte Cristo	.55
Le Voyage de M. Perrichon	.55
French Conversation & Comp.	.80

### Aged Paper Found By History Pupil

Joe Hafert Brings Publication  
Printed in 1800 Describing the  
Death of Washington.

A paper 126 years old was brought last week to Miss Crowe's fourth period history class by Joe Hafert. This paper, the "Ulster County Gazette" was published January 4, 1800, in Kingston. The most important topic discussed in it was the death of George Washington, to which the two inside pages were given. There were just four pages in the entire paper.

Articles from a London paper which had just arrived were given a prominent place on the front page. This news was about four months old. The absence of headlines on the front page was especially noticeable. The spelling was very peculiar. For instance, will was given for will, 2d for second, and Hamburg for Hamburg.

Another odd feature was the advertising. Instead of the present-day display method the classified style was used. This is a copy of one of the advertisements:

#### LOST

A watch on Wednesday last; the person who found or may find it will meet with a suitable reward by handing it to the Printers. November 16, 1799.

The difference in date of the publication and the date of the advertisement give an idea of the frequency of the paper.

### In Other Schools

#### Has New Study Program

The study program of the San Mateo (Cal.) high school for the coming year is entirely different. A special period called the "A" period starts at 8:15 and continues until 8:55. This period is to be devoted to the meetings of the various clubs. The rest of the periods will be the same.

#### To Take Civil Service Test

Five students of the advanced machine calculation class of the Oakland (Cal.) Technical high school, have sent applications to Washington for the purpose of taking the Machine Calculation Civil Service examination. The examination will be taken in San Francisco soon.

#### To Hold Contest

The Spanish club of Central high school, Sioux City, Iowa, will hold a vocabulary contest. The losing side will give the winning side a "spread."

#### Ad Students Make Booklets

The students of the advertising class of the Central high school, Sioux City, Iowa, have taken up the new study of booklets. Each pupil gathered all the advertising booklets he could during the Christmas vacation and made them into one big booklet.

#### Visit Sanitarium

The nursing classes of the Stadium high school, Tacoma, Wash., visited the sanitarium recently and saw the service being given to tubercular patients. The girls seemed especially interested in the preventive work for children.

#### Latin Paper Published

"Tempora Lincolnia" is the Latin paper put out by the students of the Latin classes of the Lincoln high school, Cleveland, Ohio. The first issue was put out last week and henceforth the paper will be published on the 15th of the month.

#### English Class Makes Books

The 9B English class of the Lincoln high school, Cleveland, Ohio, have been making books. These books contain compositions which concern the appearance, homes, habits of birds, insects or animals which are mentioned in Muir's "Boyhood of a Naturalist."

#### Spanish Lesson Broadcasted

A Spanish lesson is broadcasted from the radio station KOA at Denver, Colorado, every Monday night. At this time a teacher in the Denver high school instructs a young man at KOA in a regular classroom procedure.

#### Band Has New Case

A new instrument case, large enough to accommodate all the band and orchestra instruments, has been made for the music department of the Manual Training high school, Kansas City, Mo. The case is six and one-half feet high and fifteen and one-half feet long.

## Beginning Typing Students Show Speed

Left to Right: Esther Ballard, Elizabeth Reiter, Cornelia Boxell, Esther Shaw, Ruth Jennings, Pauline Baumgartner. Fast fingers and quick and concentrated thinking are the reasons for the pictures of these six girls. They were the first beginning typing students last term to win certificates for fast and accurate work. Ruth Jennings has three to her credit: An Underwood, a Royal, and an L. C. Smith. Noble Sprunger and Merville Sommers also won awards but were not present when the picture was shot. All eight wrote twenty-five words or over for their awards.

Zelda Bowersox entertained a few of her friends last Sunday afternoon.

Hildegard Siebel entertained with a party-dance at her home Wednesday evening.

Eileen Dillon spent her vacation visiting her parents in Huntington.

Florence Hansen was hostess at a lovely party given at her home last Thursday.

Richard Balme spent the vacation in Bluffton and Lima, Ohio.

Hazel Cruse enjoyed a stay in Detroit visiting friends.

Peggy Nichols entertained recently with a large bridge party at her home on West Taber street. Eight tables were formed in the living rooms. The prizes were won by Lucy Pulliam and Vere Lipkey. Those who were present are Dorothy Lang, Toay Underwood, Elizabeth Hadley, Rosalie Polak, Marie Williams, Betty Rockhill, Rosemary and Sally Niezer, Francis Bash, Marcella Koerber, Virginia Curdes, Ann Weaver, Vianna Keesbury, Pauline Bowerfind, Lucy Pulliam, Florence Blosser, Vere Lipkey, Dorothy Somers, Margaret Rose, Dorothy Mossman, Josephine Hyman, Ruth Rickett, Dorothy Bales, Frances Wagner, Dorothy Martin, Edna Van Tilbury, Mrs. Park Williams, Mary McCurdy, Linda Leslie, Helen Rastetter, Martha McBride, Mary Ellen Hopkins, of Lansing, Mich., a guest of Ruth Richey, and Geraldine Kelly, of Salt Lake City, Utah, a guest of Josephine Hyman. The hostess was assisted in the receiving of the guests by Dorothy Somers and Helen Rastetter.

Catherine Childers of Central drive, entertained a few of her most intimate friends with a backwards party Friday evening. Prizes in cards were awarded to Jean Herd, Mervyn Welch, and Catherine Fries. Late in the evening a delicious two-course luncheon was served. Covers were laid for Marguerite Schiwer, Jean Herd, Marguerite Mailand, Catherine Fries, Mervyn Welch, Marguerite Rahe, and Mary Hale.

Dorothy Somers, of Packard avenue, entertained with two bridge parties on Thursday and Friday afternoons.

Dayona Koehr was hostess to a number of her friends at a dinner party at her home on Maple Place, Saturday evening. Covers were laid for Elizabeth Hughes, Bonnie Bennett, Betty Hutchens, Greta Astrom, Hildegard Seibel, Dorothy Troendle, Diddy Dildine, Neenah Knight, Eleanor Williams, Louisa Fredrick, Margie Horstmeier, Wilda Bowser, Cappy Twining, Marguerite Luecke, Marie Reeves, Phyllis Toothill, Dorothy Wilkins, Dorothy Neibergall, and Jeanette Stults.

#### INDOOR FUN

This is the time of the year when social week-end calendars are full, for the unpleasant weather has stopped practically all outdoor fun and has given a great impetus to indoor gatherings.

Though many informal affairs have been held, a number of hostesses have planned some quite elaborate affairs. Many alumni, home for the mid-year vacation, attended a number of gatherings during the past week.

Macy Kelsey entertained a few of her intimate friends last Saturday evening with a pinocchio party.

Gladys Rohrer entertained a number of her friends at her home on Bowser avenue, recently. Bridge was played and prizes awarded Garnette Smith, Virgil Lee Munson, and Kathryn Blackwell. Covers were laid at Harry's restaurant for Marie Brown, Juanita Tulley, Rosemary Spore, Esther Ballard, Kathryn Blackwell, Garnette Smith, Virgil Lee Munson, Opal Kesterson, and Versal Mullen.

Harold Baker spent the week-end visiting at Hartford City.

Walter Schmidt had Earl Britton, of Evansville, as his guest over the week-end.

Neenah Knight visited in Huntington Tuesday evening where she attended a dance.

Martha Rupley spent the week-end at Rome City as the guest of Mary Dowd.

Robert Schopf and Howard Welsh visited Ruth Conn, of Van Wert, Ohio, Sunday.

Ferdonna Wilson entertained the members of the A. D. S. club at her home last Friday evening. The evening was spent in dancing and in playing five hundred. Prizes were awarded to Charlotte Baron and Iva Riley. Later a delicious luncheon was served to Elvah Fashbaugh, Geraldine Grover, Mary Scotton, Charlotte Baron and Iva Riley.

Marie Brown spent the week-end in Ohio visiting friends and relatives.

Every Day Between Now and  
February 4, Finds One or More  
Pupils Nearer "Independence".

Though our dads like to tell us how much colder the winters were fifteen years ago than they are now, they couldn't have been cold enough to freeze the ardor of Mr. Stork. For the school records show that twenty-two South Siders were toted to their proud parents by Mr. Long Bill between January 25 and February 4, about a decade and a half ago.

Boys seemed to have been more favored than girls then, for twelve of the twenty-two are now patronizers of Oxford bags.

Mr. Stork's record of shipments reads as follows:

Jan. 25—Thelma Kern.  
Jan. 26—Albert Hay, Marion Roberts, Virginia Rusher.  
Jan. 27—Bernice Stien.  
Jan. 28—Ethel Rancey, Vera Louise Bruns, Raymond Crick.  
Jan. 29—Mildred Leightner, Elizabeth Humble, Allen Segrist.  
Jan. 30—Gerald Botterman, Homer Clauser.  
Jan. 31—Alice Collier, Velma Rolf.  
Feb. 1—Norman Miner, Otto Hans.  
Feb. 2—Jean Herd, Dean Metzner.  
Feb. 3—Jack Fairman.  
Feb. 4—George Clappsattle, Kenneth Beard.

#### New Plan for Reciting Made

An English teacher of the Lincoln high school, Cleveland, Ohio, has formulated a new plan to give pupils who recite well some recognition. Each pupil in her classes is allowed to vote on the boy and girl to receive documentary evidence that he recites the best of anyone in his class. Then again at the end of the term the students will be allowed to vote for the one who has recited the best.

#### To Instruct Grads

A delegate from Harvard University will visit the Central high school, Kansas City, Mo., on January 29 and 30. The purpose of his visit is to get in personal touch with all the boys who might in any way be interested in attending Harvard. This delegate is making a tour of the middle western cities.

## HIGH G. R. CLUB'S BANQUET AT "Y" THURSDAY NIGHT

U. S. A., So-Si-Y, U. P. D.,  
and Friendship Mem-  
bers Hear Toasts  
by Presidents

### FOURFOLD LIFE STRESSED

Toasts, Stunts, Pageant, Presentation of Rings Entertain Participants

The Girl Reserve banquet was held at the Y. W. C. A. Thursday evening at 6 o'clock.

The subject of the first toast was "Fourfold Life," each toast representing a certain life. They were given in the form of solos; the bass represented the physical life, and was sung by Ruth Schneider; the tenor, representing the mental life, was sung by Margaret Smenner; the alto or social life by Elizabeth Suter; and the spiritual by Cornelia Bade.

#### Pageant Is Given

Miss Harrah then gave a toast followed by a pageant in the order of a fourfold life. Those who took part in the play are Marcella Shalley, Mary Hale, Elsie Crane, Dorothy Underwood, and Betty Roy.

A musical program given by Geraldine Fitch and Marian Crawford followed, and then each club gave a clever stunt.

#### Girls Given Rings

The following South Side teachers were presented with Girl Reserve rings for their faithful work: Miss Burns, Miss Woodward, Miss Perkins, and Miss Rinehart.

#### Required to Attend Exhibit

The students of the art department of the Manual Training high school, Kansas City, Mo., are required to attend the art exhibit at the Kansas City Art Institute. No pupil can get a credit in art until he visits the institute. Extra credit is given for outside work in art also.

## South Siders Answer to Unusual Nicknames Ranging from Half-Pint to Well-known Bob

### Athletic Men Have Especially Queer Ones; Names of Boys Are Worst.

"Hello, 'Peanuts'!" "Where's 'Tinah'?" "Have you seen 'Nobs' lately?" These are a few of the questions that would greatly puzzle one unacquainted with South Siders and their nicknames.

But then, who would have thought that "Diddy" Diddine's first name is Amelia; "Tinah" Delaven's, Lester; "Eddie" Michelles, Cardinal, or "Tillie" Flaig's, Kenneth?

It is still a mystery where the nicknames "Picks" Bude, "Christmas" Foeilinger, and "Half-Pint" Nulf originated.

Some Common Ones  
Of course, there are still "Bills," "Dicks," "Bobs," "Toms," "Betty's," "Jims," "Peggies," "Dots," and "Mills."

Then, too, some of the nicknames are taken from surnames. "Ikey" Eickmeyer, "Scotty" Scott, "Pat" Patterson, "Bum" Baumgartner, "Neebie" Niebergall, and "Rich" Richendollar. Some are somewhat like the first name, as "Hal" Gaskins, "Hank" Wedler, "Chet" Plasket, and "Chuck" Folsom.

Here's a Selection  
So, if you want to give your friend a nickname, take your pick! Here are a few extra suggestions found around South Side:

"Trix" for Florence.  
"Mooney" for Edith.  
"Dude" for Virginia.  
"Gee" for Gladys.  
"Tag" for Thelma.  
"Sue" for Thelma.  
"Hootch" for Howard.  
"Nobe" for Noble.  
"Sleepy" for Kenneth.  
"Hen" for Henrietta.  
"Ginger" for Virginia.  
"Reba" for Rebecca.

## SOUTH SIDE RESERVES DOWN CENTRAL TEAM

Prelim Is Thriller, Going Into Overtime to Decide Advantage; Green and White Wins by Ten Points

In the preliminary to the main game, the South Side Reserves played the Central Reserves in almost an exact replica of the main attraction Tuesday night, when they fought the Tiger Cubs to an overtime period, finally winning out 31 to 21. The score at the end of the regular playing period was knotted at 19 all.

In the overtime the Green and White scored twelve points to Central's two. The score at the halfway mark was 10 to 9 in favor of South Side. In the second half Coach Gilbert sent in a fresh quintet which played the Tigers on even terms throughout the fray.

Fleming Ties Count

With Central leading 19 to 18 and a half minute to play, Fleming sank a free throw to tie the count. As they were going back to center for the tap-off, the gun ending regular play was shot. In the overtime the South Side basketballers found their shooting eyes and made six baskets.

Central seemed to have blown up and could not stop the rush of the Green. The shooting of Nulf was one of the main factors in the victory, "Halfpint" getting five field goals. Heit played the best game for Central, caging four baskets from the field. Link, substitute floor guard, probably was the scrappiest man on the floor and was a thorn in the side of the Kelly Klads.

Line-up and summary:

South Side (31)	Central (21)
Nulf	F
Fleming	F
Lighthill	C
Rastetter	G
Schopf	G
Substitutions—	Distel for Nulf, Feustel for Fleming, Carto for Lighthill, McCormick for Rastetter, DeHaven for Schopf, Grodrian for DeHaven.
Nulf for Feustel, Fleming for Carto, Carto for Distel, Dornite for Bayer, Bayer for Billingsley, Link for Billingsley.	Field Goals—Nulf 5, Distel, Fleming 2, Carto, Rastetter 2, McCormick, Bayer 2, Dornite, Heit 4, Hire, Billingsley, Grodrian.
Free Throws—	Distel 3, Fleming, Carto, Rastetter 2, Heit, Hire 2, Marshall, Link.

## PHILO HEADS TO TAKE OFFICE AT NEXT MEET

D. Somers Is Still President; Profit of \$24 on Play to Buy Books for Riley Hospital

At the next meeting of the Philanthropians to be held Thursday, January 28, the new officers will start their term of service. Dorothy Somers continues to be president; Mildred Berlien is the newly elected vice-president; Mildred Scott, secretary; Isabel Walters, treasurer; Eleanor Colson, sergeant-at-arms; Jeanette Dur-yea, chairman publicity committee; Wilda Bowser, chairman program committee.

Twenty-four dollars profit was made on "Sauce for the Gossings," which was given by the society. The money will be used to buy books for the Riley Memorial hospital at Indianapolis.

The proposed theatre party for the club which was planned for January 18 was postponed to a later date.

## Library To Receive More Books as Gift

More books for the school library will be purchased with the rest of the 1925 class fund, amounting to about \$158.00. About \$300.00 of the \$458.55 fund has already been spent for this purpose.

Students Boost Stadium  
The 2,200 students of Phoenix Union (Ariz.) high school have organized as the "Peptomists" and pledged themselves to boost the movement for an athletic stadium for their school.

## Alumni News

Pauline Sigrist, '24, has returned to her home on Cornell Circle, after playing with an orchestra in the East.

Margaret Seabold, '25, is doing clerical work at the Atlas Insurance company.

Naomi Crummitt, '24, is employed at the Lincoln National Life.

Dorothea Falls, '25, is employed at the Farmers Trust company.

Peg Her, '23, works at Rurole's Dry Goods store.

Helen Wille, '24, spent the week-end at LaPorte, Ind.

Gladys Stringer, '23, is teaching at the Rudisill school.

Roland Smith, '23, is playing on the S. F. Bowser basketball team.

Dorothy Schiefer, '25, spent the week-end in Chicago.

Mildred Shook, '24, is working at the Fort Wayne Printing company.

Nina Richerson, '24, is studying music under the direction of Miss Vera Sessler.

Geraldine Remmel, '23, is secretary to F. M. Price, assistant superintendent of schools.

Mary Andres, '23, is employed at the Lincoln National Life.

## With the Classes

Mr. Gould's botany classes have just finished studying seeds: how they germinate, appearance in germination, what a seed is, what it contains, and the use of each part.

Mr. Hull's classes in physics worked hard the last three days of school getting in overdue experiments and taking final exams.

Mr. Hull has been spending much time in getting ready for the opening classes in physics.

Miss Smeltzley's United States and general history classes handed in maps last week.

Pauline Thompson was the only pupil in Miss Kiefer's 9B classes to make a perfect score in the final examination in literature.

Miss Burns' fourth and eighth period 9A classes gave oral reports on Ivanhoe.

Miss Pape was absent from school the first part of last week.

The following students received A grades in their final test given by Miss Schmidt in her German classes: German I—Carl Murray, Mary Badertscher, Ruth Carpenter, Katherine Miller, Lucille Kieck, Edith Wille, Margaret Gerber, Melvin Braun, Edward Grote, Walter Jaeger and Howard Stephan. German II—Dorothy Emrick, Louise Grossman, Marguerite Lew, Louise Platt, Charles Folsom, and Charles Florent. German III—Helen Goette, Katherine Henline, Gladys Gerber, Dorothy Hoffman, Mathilda Wiebek, Edith Snyder, Marie Moellering, Earl Hornbrock, Wilmer Knake, Harry Reinking and Howard Von Gunten.

## POPULAR FORDS TAKE TIME-OUT FOR REPAIRS

Cars of Miss Harvey and Schmally Suffer Mishaps Last Week

Thursday, January 21, has all the bad effects of a Friday the thirteenth on the well-known Fords owned by Miss Harvey and Mr. Schmalzried, for both chariots were sent to the flivver hospital on that day.

The first accident happened when Miss Harvey's "True Love," so named because it never runs smoothly, was being piloted down Calhoun street by one of the ambitious Times scribes. As the driver was in a hurry to get some copy to the typesetters, he endeavored to push a street car that was delaying progress, out of the way. The coupe came out of the repair shop twenty-six hours later.

But Mr. Schmalzried's car took the grand prize for doing a thorough job. As it was turning the corner at Clinton and Darrow, it was struck by a fast traveling machine coming from the north and was turned over on the side which was struck. The windows were broken, a front wheel was smashed off, the fenders crumpled and serious internal injuries were reported.

Mr. Schmalzried and two other occupants of the car were not injured, except for some minor bruises and scratches. The car was towed to a repair shop. It may be its next stop will be the junk-yard burial grounds.

Students Visit Schools  
During the first part of last week students of the North Central high school, Spokane, Wash., spoke at the North Side grade schools about North Central. These students were chosen for their outstanding speaking ability.

Students Present French Play  
Reviving the characters, manners, costumes, and atmosphere of the French court of nearly five centuries ago, members of the play cast at Westport high school, Kansas City, Kan., gave an admirable rendition of the drama, "If I Were King."

C. J. DOYLE  
Groceries and Meats  
Phone H-2273 3721 Piqua Ave.

## Three New Teachers Begin Duties at South Side

A. W. Suter

Mildred E. Huffman

Amanda Hemmer

Miss Mildred E. Huffman, Miss Amanda Hemmer, and A. W. Suter are the latest additions to the teaching force of this school. Miss Huffman and Miss Hemmer will teach English and Mr. Suter, science. South Side now boasts fifty-eight instructors.

## GRACCHI TO PRESENT PLAY AT Y. W. C. A.

Members Rehearsing for "The Hoodoo" To Be Given January 30; Tickets Thirty-five Cents

"The Hoodoo," a humorous play, will be given by the Gracchi club at the Y. W. C. A. Saturday evening, January 30. Tickets can be secured from members of the club at 35 cents and from Deane McAfee at the office. Although the play has been given a number of times in this city, it always results in a success.

Vernon C. Sheldon, who has coached all of South Side's senior plays, is directing "The Hoodoo."

Marjory Burton will take the part of Aunt Paradise, the colored mammy; Martha Ellen Cress, Angelina, small daughter of Mrs. Clinger, who is Edna DuMont; Purilla Hakeber, Mrs. Perrington Shine, with Marie Jahn as Gwendolyn, her daughter.

Adda Aker will take the part of Amy Lee, the bride, and Ethel Masterson will appear as Eupessia.

"Senior girls are especially invited to attend this play," says Deane McAfee, a member of the club, "and also the regular Gracchi meetings to get acquainted with the members who are high school alumnae."

Other characters are: Miss Longnecker..... Polly Schilling  
Doris Ruffles..... Edith Jennings  
Lulu..... Beryl McFarland  
Mrs. Spigot..... Gladys Roberts  
Dodo DeGraft..... Katherine Neuhaus

## LOYAL SOUTH SIDERS SUBSCRIBE FOR TIMES

Number Already Pay Seventy-five Cents for Paper; This Is the Last Issue on Last Term's Payment

A number of subscriptions to the Times for this semester have already been received. About seventy-five out-of-school subscriptions were mailed out each week last term. It is believed that most of these will again be renewed.

Pupils and teachers who subscribed for outsiders, as notified that this is the last copy of the paper that will be mailed unless the subscription is renewed.

Some of the subscriptions that have been received to date are as follows: Arthur Leschinsky, Carl Rohrer, Lottie Dignam, Violet Fairfield, Eleanor Barz, Harold Bridge, Thelma Kern, Elva Fashbaugh, Geraldine Grover, Maxine Schmieder, Everett Wender, and David Mercer. It is thought that most of the January seniors will subscribe in order to keep in touch with what their class is doing between now and June, for all senior announcements will be published in the Times, as the official organ of the class.

Cloth Tested With Chemicals  
The sewing classes of the Main high school, San Antonio, Texas, have been testing silk and woolen cloth. Various chemicals are used which lay bare the defects in the cloth.

MacMillan Lectures at School  
Captain Donald B. MacMillan, famous arctic explorer, appeared in a lecture on Thursday evening, January 14, before the students of the Proviso Township high school, Maywood, Illinois. Captain MacMillan recently returned from another trip to the North.

Classes Build Tiny House

The little boys and the home management girls of Main Avenue high school, San Antonio, Texas, have constructed, furnished, and decorated a miniature house. It is built on the scale of one inch to a foot and is planned to be a model home for a family of four. Built-in accessories are arranged as conveniently as possible.

## Miss Burns Gets Leave to Attend Ohio School

Miss Ellen Burns, a teacher in the English department, surprised the school by getting a leave of absence this semester to continue her studies at Dennison University, Dennison, Ohio, a school at which she did undergraduate work.

Miss Burns joined the high school faculty here in 1924, after teaching in the South Side grade school.

Miss Burns will be succeeded by Miss Huffman, who comes here from Elkhart.

## Ornamental Lights To Improve School

Bases Are Green, and Lights White; Lamps Will Be Used in Short Time.

Oh, boy! won't they look great! What will look great? Why, the new ornamental lights in front of the school, of course.

And, say, have you noticed the color of the lamp bases? They are a very pretty shade of green. When the globes are put on, won't the lights go well with South Side's colors? We have to hand it to the city street commissioners, for they certainly know a good color combination when they see it.

Street lights are being installed on many of our streets. On some streets the trees are cut down and lights installed. A fair exchange, the residents say.

## Staff to be Benefitted By New Bulletin Board

A bulletin board, stretching clear across the back of Room 20, was installed by Mr. Stahl during the vacation. On this bulletin board, the largest in school, will be posted the corrected copy of each week's Times, the advertising copy of the Times, the prize winning news and feature stories and the prize winning headlines. Up to the present time much of this material has been pasted on the black board.

Visit Naturalization Classes

Some of the pupils of the civics classes of the Northwest Junior high school, Kansas City, Kansas, visited the naturalization classes at night school which are conducted in the high school building. The class that was first visited was composed of nineteen men and one woman who were studying the constitution of the United States. The next class was learning to read and write. Another class was reading newspapers. The students found all of the classes very interesting.

## SEASON TICKETS ARE ON SALE AT OFFICE

All Seats On East Side of Gymnasium Will Be Reserved for South Side

Season tickets for the remaining six basketball games of this season are now on sale at the office. Every seat on the east side of the gymnasium, above and below the walk, will be reserved, according to a statement made Saturday by Mr. Harris.

Sections L and M will be reserved again for the rooters. The west side of the gymnasium will be open to the public except at the Central game. Reserved tickets for high school rooters may be purchased for \$1.00 and those for the public for \$1.50. By buying a season ticket \$2.00 will be saved by the rooters and \$1.50 by the public, as all are 50 cent games. The approximate cost of each game with a season ticket is only about 16 2/3 cents instead of a half dollar.

The teams played at home are as follows:

January 29—Huntington.  
February 5—West Lafayette.  
February 12—Central.  
February 13—Wabash.  
February 20—Muncie.  
February 27—Emerson (Gary).

## Forty-Five Days Remain Before Spring Vacation

No more vacations until March 29, is the sad news contained in the official school program. This statement will hold true unless a day's or half day's vacation is caused by having the sectional and regional tournaments here on February 26 and March 5. Spring vacation will be from March 29 to April 2, inclusive. This means that forty-five days of continuous school will be held before spring vacation and fifty continuous days afterwards. School will end June 11.

Publish Community Paper

The newspaper published by the Elm Dale Rural high school of Elm Dale, Kan., publishes not only school news, but all of the town and church news as well.

Kiwanians Favor Fund  
The Englewood, Illinois, Kiwanis club is contemplating the establishment of a Kiwanis loan fund of \$1,000 in co-operation with the scholarship loan fund of Englewood high school.

Hold Art Exhibit

The high school at Lindsay, Kansas, recently held a rare art exhibit. It consisted mainly of the works and collections of Dr. Sandzen, a well known artist living in that city. A very unique exhibition of oriental art and his own pictures from his early student age to the present date were the most interesting features.

## Manual Training Students Accomplish Much In Completing Pieces as Semester Closes

### Calendar

January 25—  
New term begins.  
Art club meeting in Room 38 at 3:00 p. m.  
January 26—  
So Si Y club meeting at 3:00 p. m. in Room 86.  
January 27—  
Junior Hi Y meeting at Y. M. C. A. at 6:00 p. m.  
January 28—  
Meeting of Hi-Y club at 6:00 p. m. at Y. M. C. A. Review of last year's activities and suggestions for this year will be discussed.  
January 29—  
Game with Huntington high school basketball team here at 8:30 p. m. Preliminary game at 7:30 p. m.  
January 30—  
Basketball team plays Kendallville five at Kendallville.  
January 31—  
Third Forum at Y. M. C. A. boys' lobby at 3:30 o'clock. Subject will be "Why Be a Christian?"  
February 3—  
Junior Hi-Y meeting at Y. M. C. A. at 6:00 p. m.  
February 4—  
Hi-Y club will meet at 6:00 p. m. at Y. M. C. A.

## Read A Bit

Another interesting book included in the group given by the senior class is "Letters of a Woman Home-steader." It describes how one woman made good on a ranch out west.

## Schafer Picking Cast for Operetta "Mikado"

The "Mikado" will be given March 17 at the Shrine auditorium, Mr. Schafer has announced.

A chorus of 150 voices has been selected and the cast is expected to be completed by the end of this week.

Write Pamphlet

Two girls of the North Central high school, Spokane, Wash., who have been tutoring in Latin, wrote a pamphlet to aid failing students. It suggests how to help in pronunciation, forms, grammar, vocabulary, order, and translation.

Give Prizes for Pep Songs

The Hastings (Mich.) high school is giving a prize of one dollar to the member of the student body or faculty who composes an accepted song for any of the home basketball games. This is being offered by the Fortnight staff.

"HOW TO STUDY"  
The Students' Hand-Book of Practical Hints on the Technique of Effective Study  
—By—  
WILLIAM ALLAN BROOKS  
A GUIDE containing hundreds of practical hints and short cuts in the economy of learning, to assist students in securing MAXIMUM SCHOLASTIC RESULTS at a minimum cost of time, energy, and fatigue.  
ESPECIALLY RECOMMENDED for overworked students and athletes engaged in extra curriculum activities and for average and honor students who are working for high scholastic achievement.  
**SOME OF THE TOPICS COVERED**  
Scientific Shortcuts in Effective Study  
Preparing for Examinations  
Writing Good Examinations  
Brain and Digestion in Relation to Study  
How to Take Lecture and Reading Notes  
Advantages and Disadvantages of Cramming  
The Athlete and His Studies  
Diet During Athletic Training  
How to Study Modern Languages  
How to Study Science, Literature, etc.  
Why Go to College?  
After College, What?  
Developing Concentration and Efficiency, etc., etc., etc., etc., etc., etc.  
**WHY YOU NEED THIS GUIDE**  
"It is safe to say that failure to guide and direct study is the weak point in the whole educational machine. Prof. G. M. Whipple, U. of Michigan, writes, 'The successful men in college do not seem to be very happy. Most of them, especially the athletes are overworked.' Prof. H. S. Canby, Yale, Misdirected labor, though honest and well intentioned may lead to naught. Among the most important things for the student to learn is how to study. Without knowledge of this labor may be largely in vain." Prof. G. F. Swain, M.I.T.  
Students who have never learnt "How to Study" work is very often a chastisement, a punishment, and an insuperable obstacle to contentment." Prof. A. Dicks, Harvard.  
"HOW TO STUDY" will show you how to avoid all mis-directed effort. Get a good start and make this year a highly successful one by reading for this hand-book and guide NOW.

# KELLY KLADS GAIN LEAD FROM TIGERS IN CITY SERIES

## SOUTH SIDE TRIUMPHS OVER CENTRAL IN OVERTIME BATTLE

Both Teams Very Evenly Matched; Game Reminiscent of First Series of Contests Between Two Schools; Green and White Quintet Plays Best Game of Season to Win

### CAPTAIN DUWAN IS HIGH POINT MAN

Sprunger Wins the Game in Overtime Period With a Pretty Shot From Under Basket; Coach Gilbert Does Not Make a Substitution

37 to 35, overtime!

One glance at the above mentioned exclamation and it is enough to fill books with the praise that can be heaped on the Fightin' Green and the Blue and White.

Coming out of their den growling and snarling, the Central Tigers were turned back by the Green and White, but not until after one of the most nerve-racking and breath-taking of the battles ever held between the Green and the Blue.

Overcoming all obstacles and odds the South Side five upset the dope by defeating Fightin' Central and played a game which will go down in the annals of the school as one of the best in its history.

#### Five Men Played

Playing only five men throughout the entire game, Coach Gilbert had a combination working which outplayed and outscored the Tigers throughout the contest. At times the Blue and White would threaten to take the fray when Wiener was drawn away from the basket and Jasper was left unguarded underneath the net and would tap the ball in on a pass from the forwards, time after time.

Central's defense was caught asleep also and it was Captain DuWan, who turned the trick for South Side as Jasper did for Central.

#### Offense Is Strong

Both teams' offense was working well and the passing of both teams was good. South Side put up the usual passing and dribbling attack with Wambganss, Sprunger, and Simon wading through time and again to get a shot at the basket.

Sprunger had the honor and the glory of winning the game, for it was the Green's stock forward who caged the winning basket in that hectic five-minute overtime period. Taking the ball on a pass from DuWan at about the center of the floor, Noble dribbled madly underneath Central's goal, evading Troyer, Ramsey, and caged the two precious points which brought victory to the Green and White in the first hardwood battle of the year between South Side and Central.

#### DuWan Finds Basket

Captain Jerry DuWan, playing the best game of his career, led the Kelly Klads scorers with six markers from the field and two free throws. At times he appeared slow but was a tower of strength underneath the basket and it was an individual battle between South Side's pivot man and Mutt Jasper, giant center of the Fighting Tigers. He played a fine defensive game and aided Wiener in guarding South Side's goal.

Simon, scrappy forward, played his usual game fighting and peppering away at Central's goal and made some excellent shots from difficult angles. Two of the baskets were made without touching the rim, going through with a swish which brought the Green and White fans to their feet.

#### Wamb Worries Tigers

Wambganss, playing his first Central game, sent despair into the hearts of Central fans by dribbling through the Tiger five to score two field goals, the first one tying the count at two-all and the other one putting the Kelly Klads in the lead in the final moments of the second period, 23 to 31.

Wiener played one of his best games at backguard, snatching the carroms off the backboard and starting South Side's offense into play. In all under-the-net plays, Wiener was in the fight all the time and a great deal of praise can be given for his guarding.

#### Jasper Leads Attack

Mutt Jasper led the Tiger attack with seven fielders and three free throws. He was the most feared man on the Central crew and played a bang-up game of basketball for the Blue and White. Scott, diminutive forward, broke away from his guard three times for baskets and was one of the fastest men on the floor. Ramsey, substitute for Baker, after Baker had gone out on personals, caged two baskets from the field and made two from the charity line.

#### The Game

Jasper got the tip-off and Central started on the offensive immediately but was stopped when Jasper fouled Wiener, who missed the free throw. Jasper made the first two points when he broke away underneath the net for a basket. Wambey tied things up when he dribbled through to score. Scott made a short shot count and Stiegler gave Central a four-point lead on two free throws. Sprunger and DuWan tied the count again with a field goal apiece but Troyer dribbled up and sent one through the mesh without the ball touching the rim. Jasper counted again on two free throws and, with seven minutes to play, Wambey and Sprunger made the score 9 to 10 on three free throws. Simon shot the Fightin' Green into the lead but Stiegler and Baker each scored and DuWan was fouled. He made the free throw. Simon was hot and he scored two more baskets, giving South Side a two-point lead. DuWan made his second free throw of the half to make the score 17 to 14 in favor of South Side.

#### Second Half

Simon was the first to score in the second period with a difficult shot from the side. Jasper and Ramsey brought the lead down two points on free throws and Scott narrowed it to one point on a basket under the

### HOOSIER BASKETBALL!

About twelve thousand athletes of the hardwood are now playing basketball in Indiana on high school teams and, with the season half over, most of them still have state title aspirations.

About 750 member schools of the Indiana High School Athletic association are playing basketball this year and all are expected to enter the sectional tournaments March 5 and 6.

At the present time, interest narrows down to a select twelve or so who are considered the best in the state.

Seldom has the favorite during the playing season come through to win the state championship. Last year eyes were on Martinsville and Vincennes but Frankfort and Kokomo came out of the mass to fight in the finals for the title.

## WARDOITES HAVE TWO TILTS BOOKED OVER WEEK END

Green Go to Kendallville Friday; Coach Kinsey's Vikings Play Here Saturday

### FAST GAMES PREDICTED

Huntington Fray Marks Second Conference Game for Locals This Season

The wearers of the Green have booked on their basketball card for this week-end probably two of their most dangerous opponents. Of Kendallville and Huntington, as far as names are concerned, no more need be said.

During the three years of South Side's athletic competition, these two teams have been the main upsets in South Side's winning hopes. Just about the time the Fightin' Green was hitting its stride, one of these two teams piped up on the schedule and "spilled the beans." That is one of the reasons why the Green will enter these two contests with all the fight and determination to win that can possibly be mustered up.

#### Green at Kendallville

Friday night finds the Kelly Klads journeying north to encounter the Crimson and Gold of Kendallville. This contest by all means should be a desperate battle. The Crimson has been setting a fast pace this season against all the teams in that section of the state. Although they lost a heart-breaker to Albion just a week ago, they hold a victory over the fast Auburn five, who beat South Side early in the season.

Kendallville claims to have one of the fastest forward attacks in that section of the state. This means that South Side will have plenty of trouble to keep them in check.

#### Huntington Is Strong

On the following night the Kelly Klads will return to their own hardwood to encounter the Lime City lads. Although the Vikings did not get away with a good start at the beginning of the season, due to some trouble with ineligible players, Coach Kinsey is now rounding a five into form that will give any team plenty of trouble.

The Vikings are coming with a determination to win, and, with their scoring ace Bucher in the line-up, will no doubt give the Kelleys a great game. However, South Side will be out to avenge the defeat handed them last year at the opening game of the season, in which the Vikings won out by one point.

#### Is Second Conference Game

The Huntington contest will be the second Wabash Valley Conference game played this season. The Green is now holding a clear record by their win over the Thomcats. They are out to obtain Conference honors in basketball as well as in football. Hopes are that the present standing in the Conference will still hold good after the game Saturday night.

## FIGHTING GREEN DROPS HARD GAME TO SHELBYVILLE

Kellys Put Up Great Battle, But Camels Show Unconquerable Offensive Drive

### SIMON LEADS IN SCORING

Wambey Shows Uncanny Ability to Carry Ball Through Visitors' Defense

Although the Kelly Klads displayed their finest brand of ball of the season, they found it impossible to overcome the powerful offensive attack put up by the Camels, and fell to the score of 30-24 last Saturday. It was no doubt the fastest and cleverest brand of basketball played on the local hardwood this season.

#### Long Shots Help Camels

The first half was headed by the attack of Kenny and Kendall, who carried the ball deep into the Green's scoring territory. However, many times the Camels found it impossible to break through the Green's defense and would bombard the basket from long range with consistent good fortune.

This long-distance basket shooting caused the Green considerable trouble in the first half and the Camels had little trouble in getting a comfortable lead. The half ended with Camels 21, South Side 12.

#### Green Outplays Fags

In the second half, the Fightin' Green started at once to overhaul the visitors' lead. Wiener initiated the scoring by putting two foul shots in the credit column. The remainder of the game was a battle royal with both teams sinking the ball in great style; however, the Camels were able to credit themselves with only nine points while the Kellys obtained twelve.

#### Simon Heavy Scorer

Simon led the scoring for South Side by sinking five field goals. Fred Wambganss made his first local appearance at the floor guard position, which he filled in a stellar fashion. He was a powerful man on offense, being able to carry the ball through the entire Shelbyville team on tricky dribbles. His defensive game was a continual source of worry to the Camels.

#### Kellys Outshoot Camels

The Fightin' Green proved their super ability to carry the ball through the visitors' defense by getting fifty-two shots at the hoop to the visitors' thirty-five.

In the preliminary, the Reserves lost a hard-fought battle to the Union Center five, 25 to 19.

The lineup and summary:

South Side (24)	Shelbyville (30)
Rahe	F
Simon	F
DuWan	C
Wambganss	G
Wiener	G

Substitutions—Willson for Rahe, Branning for Rahe, Mahaffee for Keeney. Field goals—Rahe, Simon 5, DuWan, Wambganss 3, Wiener, Ewick 2, Kendall 3, Keeney 4, Morris 3. Free throws—Wiener 2, Ewick 2, Kendall 2, Morris 2. Referee—Smith (Alexandria).

### THE LOST GAME OF CENTRAL

Twice the day before Tuesday when all through the school Central was happy and South Side was cool.

The plans were all made and the gym was all cleaned, and the floor was all slicked and it surely did gleam.

At last came the night when they were to meet, The gym filled up fast that there wasn't a seat.

South Side got a basket and made the gym ring, And then the South Side fans started to sing.

South Side was a leading up until the end, When Central got a basket and made the score bend,

But our team followed up with a couple of shots, And then for awhile the battle was hot.

Up went an arm and in the hand was a gun, Out went some smoke and the battle was won.

The fans were all laughing and shouting with glee, But the lost game of Central's never did they see.

—ARNOLD WHITE.

### Ligonier Defeated by Kendallville, 34 to 14

The Kendallville high cagers recently walloped the Ligonier five, 34 to 14, in a slow game. The Kendallville team put up a heavy passing attack and was leading 19 to 7 at the half.

South Side plays Kendallville next week.

#### Line-up and summary:

Ligonier (14)	Kendallville (34)
Wigton	F
Mills	F
Giles	F
Parker	G
Roger	G

Field Goals—Wigton, Parker, Graper (for Mills), Prentice 3, Schreiber 6, Haines 2, Barnes, Parker (for Becker), McCarty (for Haines), Schmenk (for Schreiber) 2, Todors (for Prentice). Free Throws—Digton, Graper, Giles, Parker 3, Roger, Haines, McCarty.

#### New Pictures Purchased

The history department of the Northwest Junior high school, Kansas City, Kansas, has purchased some new pictures. One is "Washington's Inauguration," another is the "Evolution of the United States Flag," and a third is the picture of the statue of Lincoln which stands in Lincoln Park, Chicago.

## CAMEL AND CENTRAL GAMES BROADCASTED

Many Fans Hear Detailed Account of Games Through Radio Station WHBJ

Many basketball fans who were so unfortunate as not to be able to see the Shelbyville or Tiger basketball games had the privilege of tuning in on station WHBJ, the Lauer Auto company of South Calhoun street.

The night of the Shelbyville game was the first time broadcasting has ever been tried at South Side games. It was next done at the Central game when over three thousand fans packed the gymnasium and several hundred were turned away. Many of those who were not able to see the game kept close tab on the game at home with the aid of their radios.

The broadcasting is done by connecting by a wire the sending instruments at the auto company with the microphone at the school.

During the Shelbyville game, many Shelbyville fans who could not come to see the game heard the running detailed account of the game at home. Several other games will be broadcasted.

## Auburn High Cagers Wins From Wawaka

Auburn high won a basketball game from the fast Wawaka five by the score of 37 to 31. The Auto City lads played a listless game and seemed as if they could not get going. The score at the half was 22 to 16 in favor of Auburn.

#### Visits Shops

## POINT SYSTEM OUTLINED

Awards To Be Given at End of Term; Special Arrangements for Upper-Classmen

A South Side Girls' Athletic association was formed by forty girls interested in athletics Wednesday, January 13 in room 24. Plans for this organization were first made before Thanksgiving, when several representatives from each class were chosen to form a constitutional committee. Maxine Schmieder and Elvah Miller, seniors, Mildred Koster and Cleta Hixon, juniors, Marjorie Mossman and Wilma Kronmiller, sophomores, and Mary Jane McMillan, the only freshman representative present, together with Miss Patterson, presented the constitution, which was accepted. Officers were then elected according to the laws stated therein.

**Officers Elected**  
Elvah Miller was the victorious candidate for president, defeating Violet Fell and Beatrice Huguenard. Gertrude Brouwer was elected secretary, over Wilma Kronmiller, and Winifred Englehart received the position of manager of sports. Lillian Springer and Marjorie Mossman were the other nominees for this position. Miss Patterson, director of girls' athletics, will be the treasurer.

A point system has been outlined whereby the girls may earn points which will count toward an award. Gymnasium record, skill in playing on the various teams, good sportsmanship, and hiking are taken into consideration for points. Skating will be brought up at the next meeting, and, if it is still in season, will probably be added to the list.

**Point List Outlined**  
The following are the requirements and the points given for each toward earning a final award.

	Points
Perfect record in gym, first year	100
Each succeeding year	75
Those who excel in playing ability, skill and good sportsmanship who have played in 75 per cent of the games	100
Those playing in less than 75 per cent of games (according to discretion of the coach and executive board)	25 to 50

**A. Class Teams:**  
Basketball, baseball, hockey, track, volleyball—  
First year on team ..... 100  
Each succeeding year ..... 75  
Hiking—  
Forty miles ..... 25  
Long hike (twenty miles) ..... 10  
Only one ten-mile hike in one day.  
Only one twenty-mile hike may be taken in one semester.

Forty miles must be done in one semester to get G. A. A. credit. Credit will not be given for more than forty miles in one semester. The twenty-mile hike may be an exception.

**B. Tennis (singles):**  
One girl class winner in each class ..... 100  
One girl runner up in each class ..... 75  
Each girl in preliminaries ..... 25  
Tennis (doubles):  
Two girls winners in each class ..... 75  
Two girls runners-up in each class ..... 50  
Each girl in preliminaries ..... 25

(Note: Entering for both teams means no more points. If a girl enters both tournaments she will naturally choose the points for singles.)

**C. Swimming:**  
Any girl winning five points or more ..... 100  
Any girl winning less than five and one or more ..... 50

**Awards**  
The following awards will be given: Members of teams and substitutes shall receive their first year out for sport their class numeral in green. Second year out, letter of the sport in green.

Third year out, a white circle on which the emblem for the first two years shall be mounted.

Fourth year out for team a green bar shall be awarded.

These numerals, letters, circles, and bars shall be of felt.

**Final Award**  
To those girls winning 1,000 points "S" shall be awarded. The letter shall be of white chenille distinctly different from boys' letter "S".

Seniors graduating in June, 1926, shall receive their varsity letter on winning 300 points. Juniors graduating in 1927 will receive their varsity letter upon earning 600 points.

**Forty Attend Meeting**

The following are those who met to organize the Girls' Athletic association: Enid Stillwell, Catherine Suter, Catherine Yahne, Norma Murphy, Lillian Springer, Ruth Watkins, Florence Phelps, Marcella Shalley, Beatrice Huguenard, Mary Alice Tannehill, Elvah Miller, Maxine Canada, Lillian Toensing, Winifred Englehart, Gertrude Brouwer, Bernice Jenkins, Helen Sherbondy, Eleanor Wilson, Virginia Bourns, Ruth Bell, Alice Mason, Ranges Azar, Marjorie Mossman, Mary Cooke, Ruth McGuire, Leola Foster, Beulah Patterson, Jeanette Rank, Ruth Wilson, Ruth Bennhoff, Isabelle Collins, Mildred Koster, Gladys Guebard, Nellie Buchan, Audrey Heckler, Harriet Wyneken, Lucile Gollmer, Carol Koerber, Bernice Stein, and Mary Humphrey.

## Tip Offs

By Willie Gettit

We won! We won! We won! By golly! We won!

Who said there ain't no Santy Claus?

If there are any more tilts like those of last Tuesday, we're going to lose the remainder of our life. (As those two games took off ten years already.)

We wonder how many lives the Central Tiger has left??

Your yelling was good, gang! The best ever, and KEEP IT UP!

Ye Weakly Bettidme Storie: Central will win from South Side by 12 points.

Izzy Good was in the office after the game and told us what he thought of Our Team.

And Bulvee mee! He didn't give one word of criticism either.

O, there was a young player named Wiener,

As a guard he sure was a biener, While playing the game His right heel went lame And his girl (O!) You sure ought to've siener!??!

Garrett had her team at the Central game en masse; here's hoping they enjoyed the outcome.

Don't forget to go to the game Friday and see Huntington hacked.

As a gentle reminder—BE SURE and buy a season ticket this time.

Ye who were left in the soup last Tuesday, please take note of above quotation.

The Shelbyville game was a sort of premonition of "The worst is yet to come."

And the good part of it was that Coach Gilbert did not have to make a substitution.

Although Our Team has the best reserve strength it has had for a con's age.

Izzy Good tells us that it was Captain DuWan who led the Tiger-tamers in scoring.

Ben Fold was in today and said that "Half-pint" Nulf and Coach Welborn were going to have a beauty show. (For particular consult Judges Nulf and Welborn.)

We also heard that the Huntington team has been naughty and about three basketball stars were suspended.

Will we ever forget the score? I doubt it!!

Reasons why we defeated Central:  
1. Because we made more points.  
2. Because they made less points.  
3. Because we have the best team in the Union. (If you don't believe me ask L. S.)

Buy your season ticket NOW! (and avoid all unnecessary embarrassment.)

HAMMER HUNTINGTON HARD and KLOG UP KENDALLVILLE!!!

And That's THAT!

## FROSH-SOPH TILT STARTS CONTEST FOR GIRLS' TITLE

The Juniors Furnish Good Team; Standing of the Classes to Be Published Weekly

## SIX GAMES SCHEDULED

Varsity to Practice After Tourney; Nellie Merica Returns To Go Out for Squad

The girls' inter-class round robin tourney will get under way today at 3 o'clock, when the freshmen will battle against the sophomores. This game promises to be rather hard on the freshmen, but they may upset the dope bucket and leave the sophs behind.

The sophomore-junior match, the last game of the round, will probably be a battle royal, as the material making up both teams is very good. The juniors, who have had a little more experience in playing, will be led in the tourney by their captain, Betty Augspurger. Leola Foster, soph captain, will be her opponent. The frosh sextet, captained by Mary Jane McMillan, will have its first chance to rise to fame in class basketball, while the seniors, headed by Violet Fell, are making their last bid for the class championship.

**Girls Play Two Nights**  
Each week the standing of the various teams, giving games lost and won and the per cent, will be published. Monday and Friday nights, which have been set aside for girls' practice, will be used to play off the tourney. The following schedule will be followed in the tournament:

January 25—Freshman vs. Sophomores.  
January 29—Juniors vs. Seniors.  
February 1—Freshmen vs. Juniors.  
February 5—Sophomores vs. Seniors.  
February 8—Freshmen vs. Seniors.  
February 12—Sophomores vs. Juniors.

**Girls To Play Central**  
After the tourney varsity work will take up nearly all the usual practice time. Two weeks will remain to get the squad in shape until they will be ready to play Central during the last week of the season. One of these games will be held at South Side and the other in Central's gym.

Nellie Merica, who was enrolled at South Side a year ago, and took a great interest in girls' athletics, has returned to take up her school work again this term. Nellie played on both the class teams and the varsity in her sophomore year and will go out for varsity practice after the tourney is finished.

## KELLYS SMOTHER WABASH TOSSERS IN SPEEDY GAME

Take Lead in Opening Minutes and Do Not Waver Throughout Entire Contest

## WAMBY SCORES 18 POINTS

Simon, Rahe, and DuWan Get Four Markers From Field

To open the first conference game with a win and to avenge the defeat handed them last year at the hands of Wabash are two reasons for the 55 to 26 victory of the Kellys over the downstaters on January 15.

The Fightin' Green completely outclassed the Thomcats with a lightning offensive attack at the Black and Gold's hoop. The Kellys grabbed the lead at the beginning of the game and had little trouble holding a comfortable lead throughout the contest.

**Wambussans Good**  
Coach Ward made many substitutions during the game with every combination able to break through the defense of the Thomcats and chalk up markers from all angles. Wambussans proved to be the chief pointer of the game by getting seven markers from the field and four from the foul line to obtain a total of 18 points in his credit.

DuWan, Rahe, and Simon divided twelve baskets evenly between them, while Bellock was the outstanding pointer for the Thomcats, getting a total of twelve points.

**Team Improves**  
South Side's decided improvement in this contest over that of previous tilts was an outstanding feature in the game.

The lineup and summary:  
Wabash (26) South Side (55)  
Bowlyby F Simon  
Bulky F Rahe  
Austin C DuWan  
Bahlor G Wambussans  
Bellock G Wiener

Substitutions—Marks for Austin, McCormick for Simon, Branning for Rahe, Willson for Branning, Grodrian for Wiener; field goals, Bowlyby 3, Marks, Austin, Bellock 5, Simon 4, Rahe 4, DuWan 4, Wambussans 7, Grodrian, Willson, Branning 2, McCormick; free throws, Bowlyby 2, Marks, Bellock 2, Wambussans 4, Wiener 2, Grodrian; referee, Ferguson.

**Given Honorable Mention**  
South Side high's basketball team was named in honorable mention in a selection of the best teams in the state by the Huntington Press sports editor.

## TERM GYM CLASSES WILL BE DIFFERENT

Pupils To Report Every Other Day To Lesson Number In Room 5

With the beginning of the new term, gym classes will be held every other day instead of twice a week. This new system was established so that there will be room in the study hall for all pupils.

Here is the complete program for the semester:

Week	Boys	Girls
Feb. 1	1-3-7 Mon., Wed., Fri.	2-4-8
Feb. 8	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
Feb. 15	1-3-7 Mon., Wed., Fri.	2-4-8
Feb. 22	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
Mar. 1	1-3-7 Mon., Wed., Fri.	2-4-8
Mar. 8	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
Mar. 15	1-3-7 Mon., Wed., Fri.	2-4-8
Mar. 22	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
Apr. 5	1-3-7 Mon., Wed., Fri.	2-4-8
Apr. 12	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
Apr. 19	1-3-7 Mon., Wed., Fri.	2-4-8
Apr. 26	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
May 3	1-3-7 Mon., Wed., Fri.	2-4-8
May 10	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
May 17	1-3-7 Mon., Wed., Fri.	2-4-8
May 24	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
May 31	1-3-7 Mon., Wed., Fri.	2-4-8
June 7	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
June 14	1-3-7 Mon., Wed., Fri.	2-4-8
June 21	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
June 28	1-3-7 Mon., Wed., Fri.	2-4-8
July 5	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
July 12	1-3-7 Mon., Wed., Fri.	2-4-8
July 19	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
July 26	1-3-7 Mon., Wed., Fri.	2-4-8
Aug. 2	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
Aug. 9	1-3-7 Mon., Wed., Fri.	2-4-8
Aug. 16	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
Aug. 23	1-3-7 Mon., Wed., Fri.	2-4-8
Aug. 30	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
Sept. 6	1-3-7 Mon., Wed., Fri.	2-4-8
Sept. 13	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
Sept. 20	1-3-7 Mon., Wed., Fri.	2-4-8
Sept. 27	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
Oct. 4	1-3-7 Mon., Wed., Fri.	2-4-8
Oct. 11	2-4-8 Tues., Thurs.	1-3-7

Week	Boys	Girls
Oct. 18	1-3-7 Mon., Wed., Fri.	2-4-8
Oct. 25	2-4-8 Tues., Thurs.	1-3-7

ROLL OF HONOR FOR LAST TERM IS LARGEST YET

One Hundred Twenty-two Make Three, Four or Five A's to Qualify for Distinction

SENIORS, FRESHMEN EVEN

D. Emrich, H. Foellinger, E. Suter, V. Danuser, M. Hale Each Make Five A's

For the first time in the history of South Side, the number of honor students has exceeded one hundred, when 122 made three, four, or five A's last semester.

Seniors and freshmen tie with thirty-three apiece; juniors are close seconds with twenty, and sophomores trail with twenty-four.

Besides the studious class of pupils, several athletes also qualified for honors: Jack Lighthill, George Simon, Sam Fay, and James Lang.

Eighty of the entire number are girls and the five making five A's are also girls: Dorothy Emrich, Helene Foellinger, Elizabeth Suter, Virginia Danuser, and Mary Hale.

For the benefit of incoming freshmen, it might be stated that three A's are required to make the roll. In the case of English, shorthand and typing, and other two-subject courses, an A has to be made in each division of the subject to count as one for honors.

List is not official but is believed to be correct.

SENIORS

- Bade, Cornelia
- Ballogartner, raunie
- Beech, Winifred
- Bickel, Richard
- Chapman, Kathryn
- Christen, Norman
- Colson, Eleanor
- Cotey, Alvan
- Crane, Elisabeth
- Dierstein, George
- Doenges, Clara
- Eickmeyer, Ruth
- Emrich, Dorothy
- Faiger, Maurice
- Geeve, Helen
- Graess, Gertrude
- Gunter, William
- Heinrich, Maurice
- Hennel, Kathryn
- Honckstetter, Wilson
- Kuhn, Leona
- Kyer, Ruth
- Leach, Viola
- Lindag, Rosella
- McCune, Andrew
- Rieke, Beatrice
- Schnat, Elizabeth
- Schueke, Gertrude
- Simon, George
- Smith, Louise
- Somers, Dorothy
- Uran, Kenneth

JUNIORS

- Astrom, Greta
- Ball, Dorothy
- Baron, Charlotte
- Bauer, Walter
- Carpenter, John
- Colson, Edora
- Dannister, William
- Davenport, Dorchen
- Edwards, Catharine
- Faiger, Maurice
- Faiger, Walter
- Jaeger, Walter
- Lang, James
- Lighthill, Jack
- Maitland, Margaret

Oh, Boy! Ain't It A Grand And Glorious Feelin'

WHEN THE TEACHER IS PASSING OUT THE REPORT CARDS, AND IT SEEMS LIKE EVERYBODY IS GETTING

SO YOU ARE JUST SURE YOU WILL FLUNK, AND YOU BEGIN TO THINK WHAT THE FOLKS WILL SAY.

AND AS THE TEACHER APPROACHES WITH YOUR CARD, YOU ARE JUST SURE YOU SEE AN "F" ON IT.

BUT WHEN YOU GET IT, IT TURNS OUT TO BE A "C" OH BOY, AIN'T IT A GRAND AND GLORIOUS FEELING!

South Side Student to Study Music Abroad; To Leave on S. S. Paris End of Next Month

Andre Wehrle, February Graduate, to Continue Studies in France.

Oo! La La! Just imagine going abroad in a few weeks.

At least that is what Andre Wehrle is thinking about, for he will be graduated this semester and will sail for France next month.

Andre's parents came from France and his brother in Paris is sending for Andre to take further study in music there. He has been greatly interested in Andre's study of music and wants the Parisian artists to "put on the finishing touches."

Andre has taken piano lessons ever since he was attending grade school. He has attended South Side all four years of high school and has been interested in all musical activities. In France he will also take pipe organ lessons. He will sail for France about February 24 on the S. S. Paris, but refuses to disclose any other plans.

"It will mean a lot of work," Andre stated, "but I have always liked music well enough to work so that I might be able to play."

TIMES ENTERS CONTEST FOR BEST EDITORIALS

Winning Article To Be Broadcast; Competition Conducted by State Dept. of Public Instruction

The South Side Times will enter the high school newspaper editorial contest to be conducted during the next ten weeks by the state department of public instruction under the guidance of Dr. Henry Noble Sherwood, state superintendent, with the cooperation of the Indiana High School Press association, Miss Harvey, faculty advisor, announced Friday.

The contest is being conducted for the purpose of arousing an interest in high school journalism.

Times Is Handicapped

"We are entering the editorial contest, despite the fact that the emphasis on the Times is placed on news and feature story writing, which all students can do every week. I would have preferred that the contest be a news story or feature story contest, for in that way, every student on the staff would be benefited. As it is, the editorials are written by a few.

"Due to the ever-urgent need for news and features and due to the shortness of time, it will be impossible to devote much time to editorial writing. Most of the students have not had sufficient background to write editorials of much value," Miss Harvey explained.

The Times policy from the beginning has been to stress the value of news, for news is read by everyone, even though the editorials are not. News which plays up the worth-while things in school life have as much, if not more influence, in shaping the opinions and aspirations of the student body, as editorials, Miss Harvey believes.

To Broadcast Winning Editorials Each week the editorial appearing in the high school newspaper which is judged as being the best editorial published during the week, will be

"Student" Does Not Sanction Contest

Daily of Indiana University Says Editorial Competition Starts Too Near Top.

That the state high school newspaper editorial contest being conducted by the state department of public instruction is not meeting with favor in all quarters is shown by the criticisms contained in an editorial published by the Indiana Daily Student of Indiana University of January 19.

The editorial follows:

"Again a contest has been announced to 'create more interest' in something, the sponsors of which this time apparently are off on the wrong foot. The state department of public instruction, co-operating with the Indiana High School Press association, is urging school journalists of the state to enter an editorial writing contest, beginning January 25.

"The purpose of the contest, of course, is to 'create more interest' in editorial writing. The basis of the judging will be on the three-paragraph style of editorials and must not be less than 175 words or more than 250 words. Upon that basis one would infer that the main point is to write about 200 words and divide them into three paragraphs. That's about as much as the average high school pupil knows about the three-paragraph style of editorials.

"High school pupils are not competent enough judges. About all the contest can hope to do is to arouse the competitive instinct, and that's a waste of time in this case. It's another instance of starting too near the top, rather than at the bottom. Editorial writing is, or should be, the work of men and women of wide knowledge. That's why there are so few editorials that serve their purpose.

"The best of editorial writers find their task difficult. They devote much time to research. They do lots of dreaming. They borrow or steal ideas. They make enemies as well as friends. Their position is precarious as well as important. All these things will be understood by the high school journalist when he gets to the place where he can attempt to write editorials. But he will have to crawl from the position of reporter, through the job of the copy editor, through lots of things, perhaps, before he gets there—and then may not get there. Let's start them at the bottom if we wish to 'create more interest' in high school journalism."

To Serve Tomorrow

The school cafeteria, managed by Mrs. Hoham, will be opened to the public tomorrow. Today food will be served to teachers who signified last week that they would lunch there.

S. SIDE MAKES CREDITABLE SHOW DURING SEMESTER

(Continued from page 1)

to Yale, defeating Bud Beck and one Central and two Central Catholic entrants.

Five new teachers were added to the teaching body, which increased the number to fifty-four as compared to the original forty-four in 1922.

Tennis flashes of South Side monopolized all titles in that sport in tournaments held in Fort Wayne during vacation. Maxine Schmieder won the girls' meet while Roland Smith, '25, took first in the boys' tourney. Doubles were taken by local players.

In athletics South Side also made a creditable showing for she won the Wabash Valley Conference title by defeating Wabash, Peru, Huntington and Logansport and came out on top in five out of eight games. The basketball team has been hitting its pace lately and defeated Central in the first game of the annual series.

Promoters Organize

Although there has been no outstanding evidence of its existence, a Promoters' club was organized with Miss Work, Miss Ley, Miss Pittenger, Mr. Schafer, Mr. Harris, and Mr. Davis in charge. The object of this body is to promote worthy causes and organization in the school.

For the furtherance of debating and public speaking, a debate club was organized and is called the Wranglers club.

The school's capacity was increased considerably by equipping fourteen new rooms once occupied by the grade schools.

A laundry was also installed for the benefit of the cafeteria and athletic association.

Two national positions came to South Side when Miss Harvey was re-elected vice-president of the American Association of High School Teachers of Journalism and the vice-presidency of the Central Interscholastic Press association automatically came to her due to the Totem winning first in the C. I. P. A. national yearbook contest.

Much Ahead

Many possibilities are ahead of South Side. Along with the spring term came the Latin contests, commercial meets, state discussion, the Columbia University Scholastic Press association contest, the basketball tournaments, baseball season, the rifle match and tennis.

Eat— Schraft's CHOCOLATES Heit Candy Co.

Geometry Classes Make Interesting Calculations

Miss Paxton's solid geometry classes found the volumes of various articles around their homes as one of their assignments. Mary Pocock found out by geometry that there were 2037 leaves of tea in a single small box. Gertrude Schuelke decided that if a person were given a Sunshine cake to eat in twenty-four minutes he would consume 174 cubic inches in about 72 bites.

Peggy Nichols calculated the amount of paint that would be needed to paint a bread-box. Louise Platt determined the cubic feet of air in an antique desk; Ruth Eickmeyer, the number of pails necessary to fill a washing machine; Elsbeth Crane, the amount of glass in a sherbet dish; Mary Alice Tannehill, the quantity of paint to cover a monument in this city. Bud Freiburger proved that an oil burner was cheaper to use than a coal furnace.

Janitors Clean Building

To give the school a thorough clean-up was the job of the janitors of South Side during vacation.

Visits Alumna

Elsbeth Crane went to Muncie over the week-end to be the guest of Harriett Scott, '25, who is attending state normal there.

Last Convention Paper

This is the last of the four consecutive issues of the Times to be sent to the Central Interscholastic Press association newspaper contest. January 27 is the deadline for entering publications.

WRANGLERS WILL TURN ACTORS TO GIVE PLAYS

"The Turtle Dove," "The Traitor," to Be Given in February; Only One Cast Chosen

"The Turtledove" and "The Traitor" are two humorous plays which the Wranglers will present next month at the Harrison Hill grade school. The cast for the first is made of girls alone and that of the other of just boys but there are boys and girls parts in both.

Cast selection has been made only in the case of the Turtledove, a Chinese production. Thelma Gasser will play the hero, Chang Sut-Yen, and Pauline Baumgartner as Kwenlin will be the heroine.

Ruth Eickmeyer has been chosen as the villain, the Mandarin; Dorothy Emrich, the chorus; Mary Alice Tannehill, property man; Louise Platt, gong-bearer; and Cornelia Bade, the God-of-Fate.

Presides at Meeting

L. C. Ward, superintendent of the Fort Wayne public schools, presided at the afternoon session of the Character Education Conference at Indianapolis Wednesday, January 13.

## CENTRAL AND SOUTH SIDE TO HAVE JOINT COMMENCEMENT

### SISTER SCHOOLS TO FUSE TALENT FOR THE MIKADO

Work on Musical Program  
Progressing; Prominent  
Fort Wayne People  
To Participate

### STOUDER HAS MAIN PART

Choruses Composed of South  
Side and Central Glee Clubs  
to Be Feature

The opera, "The Mikado," will be presented Wednesday evening, March 17, at the Shrine auditorium, according to an announcement recently made by Mr. Schafer, music instructor of South Side.

Work on the opera has been progressing rapidly during the past week and in a short time regular rehearsing periods will be established.

Nine characters take part in the opera. It also includes several different choruses composed of members of the glee clubs of South Side and Central. A greater part of the actors taking part in the opera have had amateur experience in plays or dramatic work while some have had professional experience.

#### Cast Is Experienced

The nine characters of the opera are represented by persons who are well known for their talent in music and dramatic work. The Mikado of Japan is played by Frank E. Stouder. Mr. Stouder was formerly owner of the Palace theater of this city and is now manager of the Shrine auditorium.

Mr. Schafer, several years ago, took the part of Nanki-Poo when the Chicago Opera company presented "The Mikado" in Chicago. He will have the same part when the opera is given here.

#### Bert Griswold Has Part

Ko-Ko, who is Nanki-Poo's rival, will be Bert Griswold. Mr. Griswold has taken part in all of the large amateur plays presented in Fort Wayne. The most recent was "Patricia," given last week at the Shrine auditorium.

Ferd Urbahn, a member of the male quartette at the First Presbyterian church, will have the part of Pooh-Bah. Pish-Tush will be portrayed by Mark Bills, who is a coach at Central.

Yum-Yum is the girl who causes Ko-Ko and Nanki-Poo to become rivals. The part of Yum-Yum will be taken by Edith Bailhe. She is well known in local musical organizations and is a teacher of voice at the European School of Music.

#### Students Are In Casts

A student from Central and one student from South Side will be in the opera. These are Rosalia Pollak, from Central, and Thelma Buirely, of South Side, who graduated in January. Both girls have exceptional soprano voices. Miss Buirely has taken part in all of South Side's musical presentations. She is a pupil of Roland Schaffer.

Since she has had considerable experience in dramatics and musical affairs, Miss Virginia Kinnaird will be well fitted for the part of Katisha. Miss Kinnaird is a teacher in the Fort Wayne public schools. She has a pleasing contralto voice and sings at the Third Presbyterian church.

#### Selected Orchestra to Play

The orchestra which will play for the opera will include members of both the Central and South Side orchestras.

With touches of comedy throughout, and with a very interesting plot, and actors of professional ability the opera is certain to be the best of its kind ever presented in Fort Wayne.

### PHILO TO HAVE PARTY AT THEATRE MONDAY

Members Are To Meet In the Palace  
Lobby at 5:30 P. M.; Officers  
Installed at Last Meeting

Philos will once more join in a big fun frolic when they hold their annual theatre party at the Palace theatre next Monday evening.

The girls will meet at 5:30 p. m. in the lobby of the theatre.

At the meeting Monday the new officers were installed and took over their duties for the first time. All new members were initiated both in a serious and humorous manner.

During the humorous initiation seven selections were played by the symphony orchestra which was composed of all the new members. "Resolved, That Falling in Love is Advantageous" was the subject for a debate by Bernadean Bennett, who took the affirmative side, and Marguerite Schiewer, who took the negative. Six new members entertained the old members with the graceful "Dance of the Dutchman."

Another very interesting feature of the initiation was presented when Virginia King and George Ann Gilliom debated against Garnet Smith and Kathryn Blackwell, that "A Person With a Short Neck Has Advantage Over One with a Long Neck."

The latest in the Charleston was demonstrated by Amelia Dildine, who furnished a good laugh for everybody. The entertainment was concluded with a vocal solo, "Show Me the Way to Go Home," by Marjorie Reeves.

### Winifred Beeth is Youngest Senior Student; Will Graduate When Only Sixteen Years Old

#### Warning Notices Go Out in Four Weeks

Say, have you looked at the calendar lately? We have only 21 more days of pleasure; then the fatal day will be here. Don't you know what day it is?

Why, it's the day warning notices will be sent out. It is the day when we go down to the corner to meet the mail carrier.

To be exact, the little reminders arrive on March 5.

### TWO WEEKS LEFT TO HAVE PICTURES TAKEN FOR TOTEM

Only Short Time Remains in  
Which Individual Portraits for Class Sections  
Can Be Taken

### OFFER PRIZES FOR SNAPS

Awards for Most, Best, Funniest  
Snapshots Proffered by  
Annual

With only two weeks remaining in which individual pictures for the 1926 Totem can be taken, the staff has already begun checking up on the finished portraits and planning the panels for the four class sections.

The plan inaugurated last year of having individual pictures not only of the seniors but also of the lower classmen in the year book is again being followed, and any student wishing to have his picture in the annual can do so by bringing one dollar to Miss Harvey in Room 20. This dollar partly covers the cost of the engraving. Upon receiving this sum, Miss Harvey issues a receipt which authorizes the Jefferson studio to take the picture. While the seniors have reached the perfect mark in number of pictures taken, the other classes, especially the freshmen, are considerably below par.

#### Prizes Offered For Snaps

As a special incentive to arouse an interest in the contest which the Totem is conducting for snapshots, three prizes of one dollar each are being offered. These rewards will go to the students handing in the most, the best, and the funniest snaps. The snapshots must be of South Side students, teachers, places around school, the games, or of hikes and outings enjoyed by students of South Side.

The box in which pictures for this contest are to be placed can be found at the west entrance to Room 5. The name of the student submitting the snaps should accompany all entries.

### CENTRAL TO PLAY TWO GAMES OVER WEEK-END

Blue and White Will Travel to Auburn Friday; To Meet Kendallville at Home Saturday

With the return of Captain Dicht to the line-up, Central looks forward to two victories over the week-end.

On Friday, the Tigers travel to Auburn. Auburn has one of the strongest aggregations that has ever represented the school, and Central expects a real battle.

Saturday the Blue and White meets Kendallville at the South Side gymnasium. Kendallville has an excellent record, having defeated Auburn and Garrett, teams which defeated South Side.

The Tigers are determined to continue the winning streak they have started.

### New Plan Approved By Most Students

Many Like the Idea of Reserving  
All Seats on East Side  
of the Gym.

"It's a good idea," Dick Bickel said yesterday when asked what he thought of Mr. Harris' plan of reserving all the seats on the east side of the gymnasium.

"In unity there is strength," he continued. "Get all of South Side's rooters together and they will yell better."

William McMahon, drum major, agreed with Dick Bickel. He said, "It is a good plan. It will bring about better yelling. This was demonstrated at the last Central game. For the first time in the history of South Side-Central games, South Side 'out-yelled' Central. Let's keep it up."

"It's all right because it gives South Siders the first chance at the good seats," answered Paul Staigh.

The general opinion of the student body indicates approval of Mr. Harris' plan. Some persons do not approve of it because of the increased cost of the seats in sections other than L and M.

Attains Honor by Entering  
School Early, and Skipping  
Entire Eighth Grade.

To Winifred Beeth goes the distinction of being the youngest senior now in South Side. Winifred is sixteen years, one month and nine days old today. She attained the age of sixteen on the twenty-sixth of last December.

Starting to school when five years old and skipping the entire eighth grade enabled Winifred to enter high school two years earlier than the average student.

"I find it no disadvantage to be younger than most of my classmates, because since I started to school I have associated with people older than myself," Winifred said when asked if she would rather be as old as her classmates.

She started to school in Marion, Ind., coming to South Side.

Winifred Beeth

—Times Photo at the beginning of her junior year.

Winifred has taken a commercial course in high school and she intends, after being graduated, to be a stenographer.

She is now taking five subjects, English, economics, business English, stenography, and algebra. She has won a number of typing awards and has made the honor roll.

The youngest senior boy in South Side is Richard Moores.

Richard is now taking four subjects besides being the Times and Totem cartoonist. The subjects he is taking are English, economics, physics and art.

Dick's work in last year's Totem attracted considerable attention throughout the country and his idea of the calendar is being widely copied, the Indianapolis Engraving company reports.

These two, though alike in being the "babies" in the senior class, are unlike in stature as Winifred, as the picture shows, is below medium height while Dick towers over the six feet mark.

### S. S. GIRLS' TEAMS WIN IN VOLLEYBALL MATCH

Green and White Squads Take Take  
Four Games at "Y"; Scores  
One-Sided

The Green and White girls' volleyball teams won four out of five practice games which were played with the Y. W. C. A. squads Wednesday, January 20.

The Green and White teams defeated the Y. W. C. A. players in the first match, 15 to 6. In the second round the "Y" players turned the tables and came out ahead by eight points. South Side walked away with the score, 15 to 0, the third time, and took the match.

The Green lasses had easy sailing when they met the other "Y" team, and won the two games with scores of 15 to 4, and 15 to 3.

South Side girls who played at the "Y" are Frances Koster, Winifred Englehart, Gertrude Brouwer, Jeanette Rank, Wilma Krommiller, Eleanor Wilson, Grace Hart, Rengas Azar, Dale Miller, Marjorie Mossman, Ruth Wilson, and Leola Foster.

### McWHIRTER IS HEAD OF CITIZENS' CAMPS

Enrollment To Begin March First;  
Fifteen Hundred Candidates in  
Quota for Indiana

Felix M. McWhirter, of Indianapolis, has been appointed by the Secretary of War as civilian aide for Indiana. This means that he will have charge of the enrollment for the Citizens' Military Camp this year.

Enrollment for the camps will begin March 1. A campaign is being carried on to enlist 1,500 Indiana men for the two camps, one at Fort Benjamin Harrison, Indiana, from July 15 to August 13, and the other at Camp Knox, Kentucky, from July 7 to August 5.

The training at these camps will be made up for the public speaking class of Atrichson high school, Atrichson, Kansas, gave a talk to grade schools and Sunday schools during National Thrift Week.

Pupils Give Thrift Talks

Pupils of the public speaking class of Atrichson high school, Atrichson, Kansas, gave a talk to grade schools and Sunday schools during National Thrift Week.

### BOY-GIRL TOPIC TO BE DISCUSSED AT NEXT MEETING

"Ideal Boy and Ideal Girl"  
Is Subject of the Fourth  
Forum of Present  
Series

### REV. STRACHAN TO LEAD

Cornelia Bade Will Preside as  
Chairman; Only One More  
Forum Meeting Left

"The Ideal Boy and the Ideal Girl" will be the subject of the next Forum, the fourth of the series, which will be held next Sunday, February 7, at the Y. M. C. A. in the boys' lobby. Rev. James Strachan, pastor of the South Wayne Baptist church, will be the leader, and Cornelia Bade, of South Side, will preside as chairman.

#### Rev. L. N. Koeck Is Leader

At the Forum held last Sunday afternoon, the subject of "Why Be a Christian?" was discussed. Rev. L. N. Koeck, pastor of Trinity Episcopal church, led the discussion, while Robert Bradtmiller, of Central, was chairman.

Mr. Sur, musical director at Central, played a violin solo, and Miss Hinberry, Girl Reserve secretary, led the singing. One hundred and thirty-seven boys and girls attended the meeting.

During the social hour which followed the discussion, Miss Symons, Girl Reserve secretary, took charge of the group, and directed a stunt to get those present acquainted. Four people had been given a nickel each and the thirteenth person who shook hands with them got the nickel. Dean Metzner was one of the lucky handshakers.

#### One Forum Left

There will be but one more Forum after the one to be held next Sunday. It is February 14. Subject, "War or Peace?" Leader, Mrs. C. T. Lane, Chairman, John McMen.

### WRANGLERS TO ELECT THIS TERM'S OFFICERS

Members To Line Up for Old-Fashioned Spelling Match; Discussion  
Contest Next Week

The Wranglers will meet today at 7 o'clock in Room 86 to elect officers for this term. A committee was appointed at the last meeting to select the candidates for president. The others will be nominated from the floor.

The retiring officers are Ruth Eickmeyer, president; Gertrude Schuelke, vice-president and program committee chairman; Chester Wyneken, secretary-treasurer; and Winifred Horn, sergeant-at-arms. An old-fashioned spelling match has been planned to entertain the members present.

Next Thursday, February 11, the local elimination for the state discussion contest will be held in Room 86. The topic for discussion is the County Unit Plan for Public School Administration.

### I. RINEHART IS MADE PRESIDENT OF HI-Y

Mr. Harris and Mr. Croninger To  
Give Oath of Office at Next  
Meeting

Ivan Rinehart was elected president of the Hi-Y club at its last meeting, January 28, at the Y. M. C. A. William VanNess was chosen vice-president, Robert Flemming, treasurer, and Maynard Patterson, secretary.

After the meeting last Thursday evening, the two Hi-Y clubs separated and each held a thirty-minute discussion on the program and activities of the past semester. These were constructively criticized and suggestions were made for the present semester. These suggestions were acted upon at the meeting of the Hi-Y council, officers, and committee chairmen of all four of the Hi-Y clubs Tuesday afternoon and evening. At this time the program was definitely arranged, committee members were chosen, and a policy was worked out for the remainder of the school year.

The following officers will serve the Junior Hi-Y club this semester, having been elected at the last meeting of this club Wednesday, January 27: President, Clayton Matlack; vice-president, Donald Nowell; secretary, Foster Newell; treasurer, Clifford Matlack.

Mr. Harris and Mr. Croninger will give the oath of office to the newly elected officers at the next meeting.

### Moving Pictures Given At Y. M. C. A. on Fridays

Moving picture programs which are being given every Friday night at 7:15 at the Y. M. C. A., are proving to be of interest to the seventy or eighty boys who are attending them.

Following the educational pictures, a two-reel comedy is shown which, of course, is the "whole" show as far as many are concerned, according to Mr. Hamilton, boys' secretary.

No charge is made for these entertainments, and all are welcome to attend.

### Forty Rooters Seats Are Still to be Sold

"Only forty seats in the rooters' section are left and seventy tickets in the other sections," Mr. Harris announced Tuesday afternoon.

"Anyone who expects to see the Central-South Side game had better purchase his ticket at once. South Side will also have 120 reserved seats around the playing floor, which will sell at \$1.00 apiece."

Reports from Central also indicate that Central will have no single admission tickets to sell. However, their seats are not reserved.

### TIMES CAMPAIGN BEGINS THIS WEEK IN DRIVE FOR GOAL

Many Rooms Have Already  
Started To Take Subscriptions for Our  
School Paper

### 275 MAKE FIRST PAYMENT

Higher Goal Than That of Last  
Year Expected to Be  
Reached

None of the rooms has yet reached the 100 per cent goal for Times subscriptions, but the agents have been working diligently to that end, Bob Thompson, circulation manager, said yesterday.

Although the campaign has just been under way a few days, there are approximately 275 persons who have made their first payment.

The circulation for last term reached about 1125 and with the co-operation of the student body it is expected to reach a higher figure this semester. The Spotlight drive, at Central, is said to be approaching the 1,000 mark.

By subscribing for the Times nearly all of the fifty-nine teachers have set a fine example for the students.

Paul Birley and Gertrude Bradley, the agents of room 144 and rows E-G in room S, respectively, are leading in the campaign with eighteen subscribers each. Betty Hutchens has succeeded in getting sixteen subscribers in room 12, while Claire Stanley and Bernice Jenkins in rows L-M in room S and room 36 have obtained fourteen and thirteen, respectively.

(Continued on Page 6)

### CLASS DOINGS FEATURE SEMESTER'S PROGRAM

The Senior Play and Junior Prom  
Are To Be Held In  
Spring

Class activities will play an important part in the work of the semester. Work on the senior play will commence immediately after the basketball tournaments.

"I think this year's play will be better than any that has been given before," says Chester Plasket, president of the senior class. "It will probably be given about the same time as the one last year was given."

The junior prom will be held Friday evening, May 14. No orchestra has been selected as yet. Dale Shimer is president of the class.

Don McLucas, president of the sophomore class, says that a class party would be held, probably some time in March. Mr. Heine and Miss Burt were chosen faculty advisors at a recent cabinet meeting.

No senior carnival is probable as basketball games in the gym prevent its being held there.

### SOUTH SIDERS SUBMIT ESSAYS FOR CONTEST

Brooks Smith and Cornelia Bade Enter  
Theses in National Chemistry Essay Contest

Two essays written by South Side students were submitted in the National Chemistry Essay contest last week.

These essays, "Relation of Chemistry to the Home," by Cornelia Bade, and "Relation of Chemistry to Health and Disease," by Brooks Smith, have been entered in the state contest.

The prizes to be given in the state contest are \$20 for first place and certificates for those winning honorable mention.

The winning essay in each state contest will be entered in the national contest. The winner of the national contest will be given free tuition and \$500 annually in any college he may choose.

#### Give First Speeches

The first speeches of the public speaking class of this semester were given Monday. Speeches will be due every two weeks. The order in which the members of the class will talk is determined by drawing lots.

#### Comes From Ohio

Darlett Foss, sophomore, has entered South Side high school from Defiance, Ohio.

### SHRINE TEMPLE PROBABLE PLACE TO HOLD GRADUATION EXERCISES

Mr. Ward, Superintendent of Public Schools, Announces Seniors of Both Schools Will End School Career Together; Mizpah Auditorium, Finest in State, Holds 3,000 Persons

### OSWALD RYAN, ABLE LAWYER, IS SPEAKER

Anderson, Indiana Man to Give Principal Address; Graduates to Be Seated According to Schools; Colors of Both to Be Flaunted on Stage

That South Side and Central will have a joint commencement if it is possible to secure the Mizpah Shrine auditorium, was the statement made by L. C. Ward, superintendent of schools, yesterday in an exclusive interview with a Times reporter, the first on this subject he has given any of the four papers in the city.

Mr. Ward thinks it very probable that he will be able to rent the auditorium which has a seating capacity of over 3,000 persons and is the finest in Indiana.

#### Speaker Has Been Chosen

Mr. Ward has already secured for speaker, Oswald Ryan, of Anderson, Indiana, a competent lawyer and one of the ablest speakers in the state. Mr. Ryan is an ex-service man, having spent six or seven months overseas.

If the joint commencement is not a reality, Mr. Oswald will be the speaker at either the graduation exercises of Central or South Side.

#### Plan Meets With Favor

"Since the class officers were in favor of the joint commencement, we are going ahead with our plans," Mr. Ward said, "although there was some opposition among the seniors of both schools."

#### The Citizens of Fort Wayne as a

whole seem to favor the joint commencement," is Mr. Ward's conviction.

#### School Colors to Be Used

The stage will be decorated with both Central's and South Side's colors and the students will be seated according to their schools, Central on one side and South Side on the other, Mr. Ward explained. The honor students of both schools will be seated as they have been at former graduation exercises.

"It is unlikely that the diplomas will be presented to the graduates individually. No plan has, as yet, been made for giving out the diplomas. It is improbable this year that the diplomas would be given to each student at the commencement exercises," Mr. Ward said, "even if South Side and Central have individual exercises."

#### Will Be City Affair

To bring together the young people of both schools and to make the commencement a city affair rather than an individual school affair is one of the purposes for having a joint commencement.

Hitherto it has been impossible to secure two speakers of equal ability, but by having the commencements combined, this difficulty is eliminated."

The theme of the exercises will deal with patriotism and it will be called the American Flag commencement.

"If the plan for the united commencement does not succeed this year we shall not bring it up again. But," Mr. Ward added, "I shall not allow myself to believe that the plan will fail."

(Continued on Page 6)

### PAULINE BAUMGARTNER RECEIVES JEWELLED PIN

Many Other Staff Members Earn  
Gold, Silver, and Bronze  
Awards For Work

Pauline Baumgartner, who was general manager of the Times for last semester, will receive a gold jeweled pin as a reward for her meritorious work on the staff at a meeting of the 1500 club Friday evening. The jeweled pin is the highest honor which any staff member can receive.

The gold pins, which are the next ranking award, will be given to Helene Foellinger, Thelma Buirely, Mildred Oenour, Pauline Hilbish, and Gertrude Schuelke.

Those who will receive silver pins in return for their Times work last term are Ruth Eickmeyer, Mary Poock, Elsie Crane, Mary Hale, Margaret Pocock, Edith Kyler, Mildred McCune, and Thelma Gasser.

Students who have earned bronze tokens this term are Harry Wedler, Frank Robertson, Elizabeth Schmidt, Richard Moores, Margaret Beatty, Tom Ward, and Clara Doenges.

The point system, which was inaugurated at the beginning of the spring semester in 1925, is a method devised whereby each student can "accumulate" the number of points which he has earned each week. A slight change has been made from the old method, however, in that points are also deducted for incorrect work or for tardiness in turning in articles.

The jeweled pins are given only to those persons who receive 10,000 points or who have held the position as general manager for one term.

Persons earning 5,000 points are entitled to the gold pins. Silver and bronze pins are awarded to students receiving 3,000 and 1,500 points, respectively.

**TIMES EDITORIAL PLATFORM**

1. To further scholastic activities.
2. To promote extra-curricular activities.
3. To give well-written accounts of high school happenings.
4. To offer high standards of school spirit.
5. To aid school officials.
6. To let parents and public know what South Side is doing.
7. To keep in touch with other schools.

**The New Staff**

A new staff has been organized. The old staff had the whole-hearted support of the school. Let's give the new one the same chance.

**Goodbye, Hello**

We are sorry to see some of our students leave on account of graduation, but we are glad to see so many new freshmen coming in. And we are also sorry to say good-bye to Miss Burns, but we hope that she will return.

**Not Yet, but Soon**

Looks as if most of the Wranglers are busy rehearsing for the plays they are going to give at the Harrison Hill grade schools. Don't the very titles, "The Turtle-Dove" and "The Traitor" sound interesting? We get more curious every day to know what the plays are about. According to the calendar, we'll know soon.

**Subscribe Now!**

The Times and Totem are conducting subscription campaigns. A 100 per cent record can be established at South Side if the students will only lend their help. In order that these publications may be first-class, every one in school should subscribe. Let's make this the most successful campaign of South Side's most successful career.

**Sunday Forums**

Every Sunday afternoon more and more high school students flock to the Forums held especially for them in the boys' lobby at the Y. M. C. A. The first Sunday about one hundred were present; at the second Forum there were about twenty more.

This is not a large enough crowd to represent two schools, Central and South Side, that together have an enrollment of over 2,000 boys and girls. Besides, it would pay for more of these to attend the two remaining Forums. Their time would certainly not be wasted, for the Forums accomplish their purpose, which is to combine the discussion of interesting life problems with social good times. At the two remaining meetings, the topics, "The Ideal Boy and the Ideal Girl" and "War or Peace," will be discussed.

Ought not discussions about these subjects prove interesting not only to the 125 or so who have been going to the Forums, but also to the majority of those who have never been at one?

**Education and a "Rainy Day"**

Statistics have been compiled by national banking associations showing the relative status of our financial means during various stages of our future life.

We find that only 75 out of our 1,230 enrollment at South Side will be self-supporting at the age of 65, in comparison with the astonishing number who are predicted to be dependent on others for their financial well-being. But why should we, who are living in an age of rapid advancement in the social, political, and other sciences, be forced to such deplorable conditions when advantages in all phases of life are open to us for advancement and, consequently, financial independence? This may seem puzzling, but we may at least partially avoid these undesirable figures by a clear understanding of the situation.

There are four factors which tend to keep us in suppression and when these four are remedied, we will rise from the present state of affairs. These four are lack of sufficient education, lack of the spirit of thrift, lack of wise management of affairs, and lack of fitness for one's work. The greatest of these four is the first—lack of sufficient education. When we have once acquired an adequate education, the other remaining three will disappear and we will at last be freed from financial dependence in later years.—Ruth Eickmeyer.

## A Mite of Verse

Shut in from all the world without,  
We sat the clean-winged hearth about,  
Content to let the March-wind roar,  
In baffled rage at pane and door,  
While the red logs before us beat  
The frost-line back with tropic heat;  
And ever, when a louder blast  
Shook beam and rafter as it passed,  
The merrier up its roaring draught  
The great throat of the chimney  
laughed.  
—John G. Whittier.

## And Verse

**THOSE BANANAS!**

When father was a little boy,  
Bananas he did love;  
So to his father he did say,  
"To me a quarter shove."

"I will around the corner go  
To get those 'nanas dear,  
And I will run and buy a lot  
And soon at home appear."

With money in his pocket small,  
And smile upon his face—  
He lost no time in getting there,  
And soon was back a pace.

He showed his skill, for in his hands  
He held an extra bunch;  
All red and ripe and very large:  
Enough to make a lunch.

On showing them, the appetites  
Of sister, brothers too—  
Seem'd large indeed and not supplied,  
Lest he, their portion drew.

With eyes much larger than his frame  
And more than stomach too,  
He thought his portion none too great  
If he the lot did chew.

This selfishness was not thought right  
And so his father said,  
"You eat them all and never stop  
Until they are consumed."  
But he did cry and then declared  
For them, he had not room.

But made to sit and eat them all,  
A lesson home was brought—  
To not refuse a portion small  
To others, here was taught.

This brought on pain, and brought on  
thoughts  
And both of them severe,  
And ne'er again this fruit did seem  
To him one-half so dear!

## Do You Know

—That there are over 100 more girls than boys in South Side?  
—That there are three new teachers here?  
—That there are 1,230 students enrolled in our school?  
—That every high school student can show his school spirit by subscribing for the Times and signing up for the Totem?  
—That the students who graduate in June were the first freshmen in South Side?

## Alumni News

Adele Sundano returned from Oxford College to visit with her parents on Ramsay avenue last week.

Robert Duryee returned from Purdue last Saturday night for a visit with his parents until the following Wednesday.

Dorothy Dix, '24, returned from Indiana University for a vacation between semesters.

Bob Hanna is home from Butler College.

Ward Dildine and Dorothy Bennett are home from Indiana University.

Edward Rahe, '25, now attending Purdue, visited home during vacation.

Joel Carpenter, '24, is working in Bennett's grocery.

## Open Letters

Up To The Boys

To the Editor:  
Had "A Student" read my letter of two weeks ago carefully and with thoughts of supporting anything that would make South Side a finer and better school, he would undoubtedly agree with me. If he will take the trouble to read over my first offering to this column, he will note that the article read, "despite protests of the proprietor." In other words, Tony was not blamed for the misconduct of South Side pupils and I beg him to accept my sincere apologies if I have injured his feelings through anything that I have written.

As for insulting the general public I wonder if the idea has ever occurred to "A Student" that it might be possible that not everyone has the same opinion on this matter as himself.

Tony has done his part in asking students to obscure and correct this habit. Now the matter rests with the boys themselves. They will either show their loyalty to their school by keeping their minds clear and their bodies healthy, and thus pushing South Side to the front in athletics and scholarship, or they will make it a school of "runts" both physically and mentally.

—E. S.

Let's Clean 'Em Up

To the Editor:  
Why not clean up the locker rooms? Golashes, umbrellas, books, candy wrappers, papers, and so on, may be seen lying on the floors and on top of the lockers.

In the girls' locker room, golashes are seen almost any place on the floor. On rainy days umbrellas are found on the top of the lockers. It is a good thing that the slickers can be placed inside the lockers or the room would look like a rainbow.

## The Principal Asks--

What have you done to make South Side better? What are you going to do to improve it?

Robt C Harris

## Dorothy and Robert Have Most Namesakes On Enrollment List; John, Ruth Come Next

Some Like Distinctive Names; Others Cause Much Confusion by Likeness.

Mary's have fallen from their former place at the head of the list. Statistics show that there are at present thirty-three at South Side who claim the surname Dorothy, a name to which the heroine of many a play or poem has answered.

Next in rank come the Ruths, who number twenty-eight. As Ruth is a well-known Bible name, it would, of course, be popular. Then come the Marys and the Mildreds, who tie for third on the enrollment sheet, with twenty-five each.

Then, too, Roberts have finally conquered Williams. Only thirty boys in school are called Robert or one of its many nicknames by their friends. Next, the figures show, come the Johns; twenty-one have that cognomen. Richard is third choice, with twenty to its credit.

So is it any wonder that there are two or three Roberts or Dorothys in one class, each one of whom rises when his name is called? Nor is this the only thing which causes confusion. Thelma Maxine Burely and Thelma Beatrice Birely cause many mix-ups. LeEllen and LeEdda Brush-willer, as names at least, are also enough alike to cause confusion.

So it's a good thing that a few have names which are not duplicated, at least in South Side. Boyd Annis Thomas and LaJoie Pond claim that they are the only ones bearing the name. Druzila Brown and Vand Bray are alike lonesome. Cardinal Michelle and Burnis Schlechtz also believe in "variety is the spice of life."

Lodie Clark and Wava Haggard seem to agree with them, and Hurley Jett and Warden Alger take pleasure in being "distinctive."

## Quizzzy Quizz

Question: Will the 45 continuous days of school before the next vacation improve or hurt the pupils' work?

Mr. Schmalzried says he thinks the pupils' work will be better because, when there are so many breaks, there are always a few people who want him to omit a few assignments for the week after vacation.

"The pupils' work should be better because there will not be any vacation to disturb their interest in their work," says Mr. Whelan. He also thinks that the days after the Christmas vacation are the best of the first term.

Miss Work says the pupil ought to do better but whether they will or not she could not say, but hopes they will.

"At the beginning they will be interested in their studies, towards the last of the term they will become disinterested and the grade of their work will become lower," says Edith Kyler.

## Advantage of Studying Foreign Languages

M. W. Rothert

Nothing new can be said about a subject like the above. Time and again it has been discussed pro and con. There are several very valid reasons, however, I think, why high school pupils should include a foreign language in their studies.

To be familiar with another language helps us to understand our own, that is, as long as the foreign language is somewhat similar to the one we speak. I don't see that the study of a language entirely different from the English, such as the Chinese, would help us much in this respect.

French, But Latin, Greek, English, French, German, and Spanish are all more or less related in origin and similar in structure. And the study of any one of these is of service in understanding the rest.

Also there is value in the type of studying one has to do in taking up a foreign language. Here concentration of thought is essential. The girl who can't get down to study, who

## In the Stone Age

February 3—The Latin teachers held their third annual conference here. South Side defeated Angola, 22 to 13.

February 4—Columbia City fell before the attack of Wilkens' men, 29 to 7.

February 5-12—Father-Son Week was observed by the boys' clubs.

February 6—Tickets were placed on sale for the vaudeville presented by the four Girl Reserve clubs.

February 7—Mr. Greeley represented South Side at Huntington, when the Wabash Valley Conference was formed.

February 8—Tickets were being printed for the district basketball tournament.

February 11—Rev. James Strachan led the Sunday Forum, speaking on his trip to Alaska and the Klondike.

February 15—The library conducted an open house in observation of Library Week.

## Read A Bit

Another good Christopher Morley book is "Parnassus on Wheels." It is an account of the adventure and romance which followed Helen McGill's purchase of a bookshop on wheels. A happy combination of humor, love, and of the open can be found in this book.

## I'm A Nut

I'm the poor goof who never knows how to laugh nor when to laugh. Usually I'm half asleep in all my classes and don't hear a joke when the teacher cracks it. Then when the rest of the class starts to laugh, I wake up with a jar and, just as they quiet down, I let out a roar. Hah! Hah! Hah! Of course the rest think I had to swallow my gum or do something else like that, before I could show my appreciation of the joke, so they all turn around and gaze. Well, think I let 'em gaze; they can't wear off my good looks, for I've had too big a head start. I sure am a nut, all right, all right.

## I'm Not A Nut

Believe me, I'm nothing that anyone can crack; you can't call me a nut and get away with it. I'm not so dumb as that other guy, "I'm a Nut," at any rate, I don't wear my galoshes or zippers or whatever-call-'em open, flopping back and forth among my legs. I may be a bit old-fashioned but I don't think it looks very nice. Sort of sloppy, seems to me. Maybe the girls that wear them open think the boots are good looking that way (sorta like flare skirts turned upside down), but I think they look horrid. At least, I'm not going to look like that, so I'll keep mine buckled up.

## Week's Anniversaries

Feb. 7.—Millard Fillmore, thirteenth president of the United States, was born at Summer Hill, New York, 1800.

The Oregon Short Line was completed to Shoshone, Idaho, 1883. Charles Dickens, author, was born, 1812-1870.

Feb. 8.—William Tecumseh Sherman, Union general, was born, in 1820. First United States Bank was incorporated, 1791. John Ruskin, 1819-1900.

Feb. 9.—William Henry Harrison, ninth president of the United States, born, 1773 (died 1841). United States Department of Agriculture created, 1889.

Feb. 10.—The American Telephone & Telegraph Company stockholders are in every state in the Union. Charles Lamb, 1775-1834.

Feb. 11.—Daniel Boone, pioneer, was born in Bucks County, Pennsylvania, 1735. Thomas A. Edison, American inventor, born 1847.

William Tecumseh Sherman

William Tecumseh Sherman was born at Lancaster, Ohio, February 8, 1820. He was graduated at West Point in 1840 and afterward was stationed in the South. During the war with Mexico he was sent to California, where he served as acting assistant adjutant general. In 1853 he resigned from the army and took up banking and the law. At the beginning of the Civil War he was president of a street railway company in St. Louis. In May, 1861, Sherman re-entered the army as colonel of the Thirtieth Infantry and was in a few weeks appointed brigadier general. His first active service was in the battle of Bull Run, where his brigade lost heavily. He succeeded General Robert Anderson, who had command in Kentucky. Sherman took a conspicuous part in the battle of Shiloh and was strongly commended by General Grant, who said, "To his individual efforts I am indebted for the success of that battle."

In July he was sent by Grant to take command at Memphis, taken by Federal forces, and later began his campaign against Vicksburg. He was made a brigadier general in the regular army in July, 1863. In January, 1864, he returned to Mississippi and soon made his famous raid across the state from Jackson to Meridian and back. Grant assigned Sherman to command the Military Division of the Mississippi, embracing the Ohio, Tennessee, Cumberland, and Arkansas departments, with the instructions to undertake the capture of Atlanta.

Atlanta was attacked and after a siege of forty days, marked by several severe battles, the city was evacuated on September 1. Sherman continued his line of march and on April 18 received the surrender of General Johnston at Durham's station. When Grant was elected president of the United States, Sherman succeeded him as general, March 4, 1869.

He retired from the army on February 14 with full pay and died in New York February 14, 1891.

**HERE'S A NEW ONE**

Sheik: "Who was that lady I seen ya with this morning?"  
Freak: "That wasn't no lady, that was my history teacher."

## BLESSINGS!

Blessings on thee, high school boy,  
Little lad with locks so coy,  
With thy hectic dizzy clothes  
Shrieking ties and sloppy head  
Hose you Charleston and prance  
In your flopping, baggy pants!  
Life's composed of dizzy whirls,  
Shoes and dances, parties, girls,  
But you'd better gather knowledge  
Or you'll never get to college.  
Those are warnings, better heed 'em,  
Blessings on thee, 'cause you need 'em.

## NOT SO DUMB

Soph: "Say, who is your mathematics teacher?"  
Frosh: "I don't take math; I'm taking algebra."

## ALWAYS WELCOME AT SOUTH SIDE

1. Lunch bell.
2. A holiday.
3. An assembly.
4. Dog in a class room.
5. Long announcements during recitation.
6. Teacher called to the office.
7. A substitute.
8. A fire drill.
9. An exam called off; and "The Times."

## RECIPE FOR A FUR COAT

Take an ordinary slicker; coat it thoroughly and evenly with a good grade of heavy glue. Put it on immediately, roll on the floor of a barber shop. Brush it lightly to secure proper effect.

## WINTER SPORTS

Wrestling with the furnace.  
Fishing chinders out of the coals.  
Camping around the radiator.  
Hunting steamer rugs.  
Diving between the blankets.

## A SIGHT TO SEE

Two girls, mugged up curls,  
Sudden impact, broken compact,  
Dropped books, amused looks,  
Looks ridiculous, is conspicuous.

## MR. HARRIS, ANSWERING PHONE

Voice: "Hello; Joe Guy's sick and can't attend his classes today."  
Mr. Harris: "All right, who is this?"  
Voice: "This is my father."

## PRACTICE

We see guys dash for the lunchroom  
We really don't know their names,  
But South Side should have some members,  
At the next Olympic games.  
(If practice makes perfect.)

## THAT'S NOTHING

Heard in the hall: "Did you knock 'em cold in the Latin contest?"  
"Yes, zero."

## HEARD IN THE HALLS

"The cat—"  
"Everybody says—"  
"I told her—"  
"I think it's awful."  
"Someone said—"  
"He said—"  
"I'd tell you think—"  
"Oh! I think it's perfectly terrible."  
"I heard—"  
"They say—"  
"Don't say I told you."  
"Would you think—"

## SCHMILE SOME MORE

"Schmile und der world schmilts mit you,  
Laugh und der world vill roar;  
Howl und der world vill leave you,  
Und never come back no more.  
Not all of us couldn't be handsome,  
Not all of us haf goot clothes;  
But a schmile is not asspensive,  
Und it covers a world of voes."

Ruth Egan giving a report on Booker T. Washington's "Up from Slavery": "Finally they had dishes to eat."

To the Joke Editor: "You may think you are witty, but the guy who wrote Snowbound was Whittier."

## KILT

A rising young journalist wrote up an article for publication in the Times. A part of it reads: "Mrs. Holiam requests that all students that are placing their gum under the tables, on the trays, dishes, or in the drinking fountain be stopped."

"This is not only a bad habit, but very unpleasant for those eating in the Cafeteria. Wastebaskets have been placed in the cafeteria for such students."

Mr. Gordy: "James, walk to the board and explain every step."

A Freshman saw the tall chimney of the high school and remarked, "Isn't that a pretty stove pipe?"

Janette: "Lois, what did Miss Chapin change your seat for?"  
Lois: "For the rest of the year, I guess."

## FISH AS A BRAIN FOOD

Thirty-six students at the University of Washington are enrolled in the College of Fisheries, the only college of this kind in the United States.

Such an education presents benefit to be angled for. When, after competing keenly for first place, each one of the thirty-six receives his sheephead, he will be able to face the world unflinchingly, without floundering or crawling, secure in his knowledge of the dark ways of sharks and lobsters. Whether he chooses to run with the school or to strike out for himself with an entirely purpose, he can always feel that the world is his oyster.

It sounds like a whale of a course.

## A THRILLING TALE OF PIONEER WARFARE

I leaned forward in my saddle and patted my horse's head. I whispered a message in his ear, "Faster! Faster! My noble steed."

The fear of a stampede flushed through my mind. My! could we make it? A horse across from me was running even. I applied quirt and spurs, but even we ran, neck and neck. Neither of us could gain try as we would.

For a moment nearby objects became blurred. What was happening? For a moment I discerned an Indian, two horses ahead, bent low in his saddle, both pony and rider in harmony.

The earth seemed to stop going around. Heck! So had the merry-go-round!

## FAMOUS LAST LINES

IN CLOSED CARS: "LEMME OUT!"

FEW MORE STUDENTS  
TAKE MANUAL TRAINING

Find Increase of Twenty-four Pupils  
Over Number in Department  
Last Year

The manual training department shows a slight increase in the number of students taking the course. There are 267 pupils this year to 233 pupils last year, showing an increase of twenty-four pupils.

The classes will go on as last year. There will be no change in the program of teaching this year. In each of Mr. Chappel's 9A lathe classes there are twenty pupils and twelve lathes.

The work is so divided that each boy draws one day a week and does lathe work the other days. The first few weeks of the term are spent in drawing and making wood exercises. The rest of the semester is used to make any article of furniture that the student wishes that requires wood-turning. There are eighty-three students in Mr. Arnold's drawing classes who have double periods.

Mechanical drawing consists of the drawing of machine parts. The first part of the term is spent in drawing the simple parts and the latter part in drawing more complex parts. If the semester's work is finished before the end of the term, the rest of the term will be used to draw parts of automobiles.

CONSTITUTION ADOPTED  
AT S.S.G.A.A. MEETING

Freshman and Sophomore Placed On  
Executive Board; Skating To  
Be Discussed Later

An important meeting of the South Side Girls' Athletic association was held in Room 86 Thursday, January 28. At this assembly the constitution, which was presented at the organization meeting by the constitutional committee, was accepted by a final vote.

According to a clause in this constitution, the sophomore and freshman classes are each entitled to one representative on the executive committee, if members of those classes do not already have an office in the club. Mary Jane McMillan and Ruth Bennhoff, the latter being elected, were nominated as frosh candidates; while Grace Hart and Wilma Kronmiller, elected, were put on the soph ballot.

The question of skating points which was brought up at the last meeting was left to be decided by the executive board, and is to be discussed at a later meeting.

Miss Patterson, the treasurer of the association, reported a balance of \$84.30 in the club treasury after all debts for the gym exhibit had been paid.

FALL GRID PROGRAM  
ANNOUNCED BY LUNDY

Mishawaka Added to Last Year's  
List; Central-South Side Game  
November Twentieth

The football schedule for next fall was announced yesterday by Coach Lundy. It is the same as that of last year except that a new team, Mishawaka, is being added.

Mishawaka was the claimant of the state high school championship in football last fall, going through the season without a defeat. Among the teams they defeated were South Bend and Elkhart. Elkhart had the championship team the year before. Mishawaka defeated Elkhart by a 55 to 0 score.

The schedule is as follows:  
Sept. 11—Alumini ..... Here  
Sept. 18—Bloomington ..... There  
Sept. 26—Mishawaka ..... There  
Oct. 2—Peru ..... Here  
Oct. 9—Logansport ..... There  
Oct. 16—Huntington ..... Here  
Oct. 23—Wabash ..... There  
Oct. 30—Muncie ..... Here  
Nov. 6—Garrett (tentative) ..... Here  
Nov. 13—Tech (Indianapolis) ..... Here  
Nov. 20—Central ..... Here

Band Gets Letters  
The band of the North high school, Columbus, Ohio, will be given letters for the first time this year. Each member that was in the band last semester will be given a letter. After this year two semesters' work will be required.

Four Youngsters Get Early Start

Left to Right: Hubert Ralston, Lenora Goodrich, Lucille Meyers, Robert Tumbleson.

The youngest girl and the youngest boy in South Side came here at the beginning of this semester from the Harrison Hill school. They are Lenora Goodrich and Robert Tumbleson. Robert is twelve years, eight months and nineteen days old and Lenora is twelve years, nine months and ten days old.

Lucille Meyers and Hubert Ralston, both from the Hoagland school, are the third and fourth youngest in South Side. Lucille is five days older than Lenora Goodrich and Hubert is twelve years, eleven months and twenty-eight days old.

These people were able to get into high school at the age of twelve by skipping in the grade schools. Two

of them, Lenora Goodrich and Robert Tumbleson, skipped three semesters each. Lucille Meyers skipped one entire year in the grade school besides starting to school when she was only five years old.

Lucille Meyers says that she finds it no disadvantage to be in high school at her age. The others agree with her, Robert Tumbleson adding that because he is so young the older people often help him along with his work.

The college preparatory course is the one being pursued by the four youngest students. Since they intend to go to college their ages will not cause them any inconveniences in their work after finishing high school.

Interesting Subject Matter Can Be Found  
In Forty-Five Magazines For Use in Library

Students May Use Library for  
Recreation During the Fifth  
Period.

Forty-five different magazines are at the disposal of the students of South Side.

Magazines on many subjects are used daily for reference work in the library. None of these, except the Literary Digest, may be taken home, but may be used in the library at any time.

Miss Shulze says that the fifth period is the only one during which no pupil is assigned anywhere and students may come and go to the library when they wish. It is kept quiet for the benefit of those who wish to use this period for study or reading.

The most interesting magazines for use in the English department are the Atlantic Monthly, Scribner's, and Mentor.

Those for the history department are the Review of Reviews, Historical Outlook, Current History, World's Work, Outlook, Independent, Congressional Digest, Literary Digest, and Nation's Business.

Magazines especially for art are the Ladies' Home Journal, Design, School Arts, House Beautiful, Garden and Home, and Better Homes and Gardens.

Those for science are the National Geographic, Nature, Scientific American, Radio News, and Popular Radio.

The other magazines are the A. L. A. Booklist, Advocate for Peace, American City, English Journal, Forum, Hygeia, Mathematics Teacher, Monthly Labor Review, Musical American, New Republic, North American, Outing, Parks and Recreation, Popular Mechanics, Popular Science, Readers' Guide, School and Society, School Review, School Science and Mathematics, and Survey.

Campaign Held  
The pupils of the South Side high school, Minneapolis, Minn., conducted a Health Week campaign last week. Gym classes gave programs, emphasizing health habits; talks were given; and posters were also made.

MR. HULL TO CONTINUE  
TEACHING RADIO CLASS

Purdue Extension Course Is Given To  
Acquaint Radio Owners With  
Fundamental Principles

Mr. Hull will again have charge of the Purdue University Engineering Extension course on the elements of radio. The new class was formed last Tuesday evening at South Side in Room 96.

The extension course consists of ten lectures and demonstrations which deal with the elements of radio. The course is intended to acquaint the average radio owner with the fundamentals of radio transmission and reception.

The lectures, which are non-technical in nature, will be upon the standard parts of the radio receiving set, their action and their relation to each other, also the various hook-ups, their characteristics and the advantages claimed for them.

In commenting on the course, Mr. Hull says that every owner, operator, or builder of broadcast receiving sets will find this course of interest and value. Since the enrollment will be limited in this class, Mr. Hull urges that those who intend taking the course get their applications in as early as possible.

Mrs. Greely Teaching  
In Nebraska School

Mrs. Greely, widow of Philip Greely, is teaching in the Nebraska Open Air School. She is well qualified for the position as she taught in Chubbuck for a period of ten years previous to her marriage to Mr. Greely, as well as one year after her marriage. Mrs. Greely received her training at Terre Haute Normal.

Music Department  
Undergoes Changes

Since the beginning of the new term, several changes have taken place in the organization of the music department. Sam Fay has been appointed head trumpeter of the band. The girls' glee club has thirty-five new members signed up.

Other organizations, such as the band, orchestra, quartets and glee clubs, are not affected by the loss of members due to the new term.

No Honor Study Hall,  
Says Miss Pittenger

"There will be no honor study hall this year," Miss Pittenger announced recently.

The reason for its discontinuance is that it is no longer needed since there is enough room in the session hall for everyone.

Medal To Be Awarded  
A "Lincoln Medal" will be awarded to the student of the Coplay (Pa.) high school who writes the best essay on Lincoln.

Contest Is Being Held  
A contest is being held by the pupils of Renton (Wash.) high school to see what section of the library is the most popular.

**OF HISTORICAL INTEREST—**  
TO TEACHERS, STUDENTS AND BUSINESS MEN. A REAL HISTORY OF  
PRESIDENT WILSON'S ADMINISTRATION

**Colonel HOUSE**  
WOODROW WILSON'S  
SILENT PARTNER

During the seven years in which he was President Wilson's closest friend, Colonel House kept a diary. In it he wrote each day's events—while they were vivid and fresh in his mind—and with astounding frankness.

From this diary and from his personal correspondence have been compiled "The Intimate Papers of Colonel House," which appeared for the first time on Sunday, January 31, and will appear every day and Sunday thereafter, in the Fort Wayne Journal-Gazette.

**SCORES OF QUESTIONS SETTLED**  
Here Colonel House tells many secrets which he alone knew and which Americans have argued about for years. He settles questions which have been the subject of conjecture and dispute. He tells how he came to support Wilson for the nomination—how their incomparable friendship started and developed—how Wilson was kept from having a break with Murphy and Tammany Hall which would probably have cost him the nomination—how Colonel House refused to take a cabinet position in order to retain his role of confidante and adviser to the President.

Here in the Intimate Papers of Colonel House—King George V, Kaiser Wilhelm, Lloyd George, King Albert of Belgium, and a host of other notables, as well as Bryan, Page, Baker, McAdoo, Burleson, Houston, Daniels and other prominent Democratic figures pass in review, their importance—and unimportance—revealed.

Until you have read "The Intimate Papers of Colonel House" your acquaintance with this period of history is not complete. These articles will appear for the first time in the Sunday, January 31, issue of the Fort Wayne Journal-Gazette. They will continue daily and Sunday thereafter for six weeks. Don't miss a single day of this astounding story.

Appearing Daily and Sunday in the  
**Fort Wayne Journal-Gazette**

Freshmen Take Latin Honors

Left to Right: Richard Kent, Kathryn Pepper, Ruth Buist, Betty Ward, Mary Jane Newby, Dorothy Rinehart.

Six pupils emerged victors in the Latin I and II vocabulary contests. Betty Ward, Ruth Buist, and Dorothy Rinehart were successful in the Latin I match, while Richard Kent, Mary Jane Newby, Marcella Somers, and Kathryn Pepper won the Latin II spell-down. Marcella Somers was absent when the picture was taken.

PAID FOR BY STUDENTS

Apparatus Accidentally Broken Is  
Paid From Fee; Student  
Pays For Carelessness

Physics students are required to pay one dollar laboratory fee each term. All accidental breakage is paid out of this money.

Mr. Hull says that there was very little breakage in the laboratory during the last semester. Those things that were broken are several glass tumblers, the pressure apparatus, a voltmeter glass, a couple of test tubes, and the incline plane car. About one dollar's worth of mercury was accidentally spilled because of defective apparatus.

When any student carelessly breaks a piece of apparatus, he is requested to pay for the damage.

Has "Dark Room"  
The Camera club of the Oak Park (Ill.) high school has become the possessor of a dark room which is equipped with a printing machine, enlarging device, a large electric photograph drier, slide machine, and a quantity of photos and slides.

New Machine Bought  
A multigraph machine has been purchased by the pupils of the Renton (Wash.) high school. This machine is to be used for making blanks and forms that are needed in the school.

HARRY WEDLER WRITES  
BEST TIMES STORIES

Wins First and Third Honors; Pauline Baumgartner Is Second; Ten Get Honorable Mention

With a first and a third prize winning story, Harry Wedler, new general manager of the Times, tops the list of best writers of stories for the paper for the issue of January 25. Pauline Baumgartner comes next with a second and two honorable mentions to her credit.

Mary Pocock, Helene Foellinger, Helen Crosby, Tom Ward, Frank Robertson, Clara Doenges, Helen Masters, Cornelia Bade, Willis Klein, and Mildred Scott were given honorable mentions. Helene won two, however.

Each week the general manager, editor, associate editor, managing editor, and faculty advisor pick the winning news and feature stories and headlines. Cups will be awarded the scribes who have the most points at the end of the term.

Articles are picked according to their completeness, accuracy, and the way they are written.

Former Student Made  
President of His Class

Frederick Pierce, a former student of South Side high school, has been elected president of the junior class of the North high school, Omaha, Neb. He was also one of the twenty invited to be a member of the Speakers' Bureau of that school, having been recommended by the faculty. Frederick spent his freshman and sophomore years at South Side.

French Club Organized  
A French club has been organized at the Austin high school, Chicago, Ill. The purpose of this club is to enable its members to a better understanding of the French language in a pleasurable manner.

KELLY BASKETEERS VANQUISH VIKINGS AND KENDALLVILLE

Wamby and Willson Prove To Be Scoring Aces in Hard Battle With Huntington

WIENER PLAYS GOOD BALL

Captain DuWan Scores Fifteen Points Against Former Teammates at Kendallville

The Fightin' Green reversed its losing streak last Friday by dropping Huntington, 28 to 19, and on the following night downing the Kendallville cagers, 44 to 32.

The first fray was featured by a stubborn fight by the Vikings and a sudden rush at the goal by the Green. The first half was very close, with the Kellys leading 11 to 6 at the rest period. The first period proved to be an entirely defensive game. The offensive attack of the Green was decidedly strengthened when Wamby and Willson were put into the game. They dropped the ball through the net from all angles to assure the lead for South Side.

Many Points in Second Half

At the opening of the second half the Vikings started a scoring spree that put them within one point of the Kellys, but by the offensive attack of Wamby and Willson the Fightin' Green pulled away, never to be in danger again. The playing of Wiener at back guard was a feature, time after time he kept the Vikings from getting short shots at the basket.

Young, Smith Star

Young and Smith were the stars of the Huntington offense, getting six and five points respectively. G. Hummer distinguished himself at back guard by adding four points to his team's total. Willson and Wamby were the stars for the Green, making five and six field goals respectively.

Line-up and summary:

South Side (28) Huntington (19)  
Rahe F. Smith  
Branning F. Butts  
DuWan C. E. Hummer  
Simon G. Young  
Wiener G. G. Hummer

Substitutions—Willson for Rahe, Wambsgans for Branning, Carto for DuWan, DuWan for Carto, Branning for DuWan. Field Goals—Willson 5, Wambsgans 6, Simon, Wiener, Smith 2, Butts, Briggs, Young 3, G. Hummer. Free Throws—Wambsgans, Wiener, Smith. Referee—Yarnelle (Wabash).

On Saturday the Green dropped the Gold and Red cagers in a great offensive battle which ended 44 to 32 in favor of South Side. The first half proved to be close with neither team holding a definite lead, although the Green held the long end of a 22 to 19 score at the half.

Green Scores Most

At the start of the second half the Kelly scoring machine, headed by Captain DuWan and Wambsgans, who cut loose and scored from all angles, started with a bang. DuWan distinguished himself under the basket while Wamby did the good work from long range. DuWan chalked up 15 points to his credit against his "old home town," while Wamby came a close second with six field goals.

Prentice Kendallville's Best

Prentice, the Kendallville stocky forward, was high point man for the opponents, getting eight markers from the field, while Schreiber, Kendallville's scoring ace, got loose for five goals from the field.

Wiener again displayed a fine brand of ball at the back guard position, many times getting the ball off the backboard to start an offensive drive for South Side.

The line-up and summary:

Kendallville (32) South Side (44)  
Prentice F. Willson  
Schreiber F. Wambsgans  
Heign C. DuWan  
Barnes G. Simon  
Becker G. Wiener

Substitutions—Lybarger for Heign, Liby for Becker, Branning for Wambsgans. Field Goals—Prentice 8, Schreiber 5, Barnes 2, Willson 3, Wambsgans 6, DuWan 7, Simon, Wiener 2. Free Throws—Schreiber, Lybarger, Willson, Wambsgans 2, DuWan, Simon 2. Referee—Metz.

Tigers Who Will Face Kellys

Jasper

Diehl

Baker

Above are the likenesses of three of the Central Tigers' mainstays who battle South Side February 12. Captain Diehl has had bad luck this season, going out of the game just after the season had gotten under way, with a broken ankle. He was able to play a few moments in last week's games and seems to be getting back into his stride again. He has been one of the main factors in the downfall of the Green and White and is a fast man to stop.

Jim Baker is one of the scrappiest men that ever played on the Blue and White. He is a good floorman and an excellent shot from mid-distance. He was captain of the football team last fall.

Mutt Jasper, giant pivot man, was all-state third team end in football selections for state honors. He is a rangy man and a flash under the basket. In the last game he was the star of Blue and White quintet, leading the scorers.

ROCHESTER BEATS BLUE BUT BLUFFTON LOSES

Tigers Lose to Western Team, But Avenge Defeat With Bluffton Victory

Although the Central Tigers played the fast Rochester team on even terms throughout the greater part of the game, their defense caved in during the last six minutes of play and the game ended with Central on the short end of a 30 to 18 count. Time after time Central broke through Rochester's defense for short shots, only to see them roll off the rim.

The first half ended with Rochester holding a one-point advantage, the score being 9 to 8. In the second half Rochester cut through with a barrage of baskets, and although Central substituted Jasper and Troyer for Stiegler and Marshall, they were unable to stem the Rochester attack.

Morrill, Baker Score Most

Morrill and Baker starred for Central, Baker getting three field goals and one free throw.

Rockwell and Arnold led Rochester in the scoring with four field goals apiece.

Tigers Beat Bluffton

Central finally broke through her losing streak and defeated Bluffton in a slow, uninteresting game, 40 to 28, on Saturday. The Tigers showed the effect of a hard week of play, having played South Side Tuesday, and Rochester, Friday night. Although playing ragged ball at times, Central had the punch in the pinch, scoring at will when points were needed.

Central counted two field goals before Bluffton could stop the rush. Bluffton tied the score at 7 to 7. Central rallied and fast play on the part of Jasper, Scott and Morrill brought the score to 22 to 14 at the half.

At the beginning of the second half, Bluffton ran the score to 22 to 20. With a shower of baskets, Central retaliated, making the score 29 to 23. Bluffton again rallied and came within one point of tying the score. Stiegler went on a scoring spree, making eight points, and Morrill, three. Bluffton did not score again and the final count was 40 to 28.

Stiegler was the star of the game, scoring 10 points and playing a great defensive game. Scott was high point man for the Tigers with five baskets and one free throw. Morrill scored nine points.

In the preliminary, the Bluffton Reserves defeated the Central seconds, 46 to 20.

MARION BREAKS WINS OF ARTESIAN CAGERS

Record Crowd Sees Martinsville Fall After Having Taken Fifteen Consecutive Victories

The long winning streak of the Martinsville high school basketball team was broken last Friday in their sixteenth game of the season, when the Artesian City cagers fell to the Marion "String Beans," 47 to 32.

A crowd estimated at more than five thousand, the largest that has ever been packed in the Martinsville gym, was on hand. Marion brought an eighty-five piece band and eight hundred rooters.

Marion Takes Lead

Marion took to the lead early in the game and led at the half, 27 to 16. The Artesian cagers felt the loss of Francesconi, their star forward, very severely. He has been on the sick list for the past two weeks.

Murphy, the Marion center, was the outstanding star for the victors. He accounted for seven field goals, and played a sensational floor game.

The Martinsville cagers were led by Reynolds, who chalked up six markers from the field and four from the foul line.

FACULTY TEAM LEADS IN CLASS BASKETBALL

Second Half of Tournament to Start This Week; Nine Games To Be Played

LEAGUE STANDING

	Won.	Lost.	Pct.
Faculty	5	0	1.000
Juniors	5	1	.750
Seniors	3	2	.600
Sophomores	2	3	.400
Freshman I	1	4	.200
Freshman II	0	5	.000

The faculty five showed marked superiority over the class teams during the first half, and are the favorites for winning the tournament. The schedule repeats itself starting this week. The seniors will play the sophomores, the juniors will play the freshman I, and the faculty will play the freshman II.

The senior-sophomore game should prove exciting and close as the two teams are pretty evenly matched. The juniors should win over the freshman I five, and the faculty should have little difficulty in defeating the freshman II five.

The second half of the class league schedule is as follows:

- Feb. 2—Seniors vs. Sophomores.
- Feb. 2—Juniors vs. Freshman I.
- Feb. 2—Faculty vs. Freshman II.
- Feb. 9—Faculty vs. Sophomores.
- Feb. 9—Juniors vs. Seniors.
- Feb. 9—Freshman I vs. Freshman II.
- Feb. 16—Faculty vs. Juniors.
- Feb. 16—Sophomores vs. Freshman II.
- Feb. 16—Seniors vs. Freshman I.

FIRST CALL FOR TRACKMEN TO BE ISSUED NEXT WEEK

All Men Who Will Come Out for Football Should Come Out for Track

PROSPECTS LOOK GOOD

Five Weeks of Preliminary Training to Precede the Regular Season

The first herald of the time when "young man's fancy turns to thoughts of love"—otherwise known as spring—will be sounded by Coach Lundy Welborn when he issues the first call for track candidates next Monday. Coach Welborn urges that all who have any aspirations for football should come out for track, as this will give him a chance to condition his legs for next fall.

Prospects Are Good

Prospects for this year's track team are fairly good, is the opinion of Coach Welborn in a statement to a Times reporter recently. The dash men look especially good with most of the century runners on the paths again. A veteran hurdler will be back again this year in the form of "Pug" Fleming. The dashmen left from last year's team are Lighthill, Baker, and Bob Fleming. The relay teams are expected to be good also as many men are back.

The weakest place on the team is in the long distance runs, since the two men who ran in the majority of the meets last season were lost by graduation. These were Clapham and Miles. Clapham won second place in the mile and half-mile in the sectional meet. The high-jump prospects are fairly good as Shulze is the only jumper to graduate. What is needed most at the present time is weight men.

Light Training Comes First

A large squad is expected to report Monday because of the big number of positions open for competition. Light training is the first item on the program as Coach Welborn wishes to have all men in the best shape possible before competition for positions is started.

This gives every boy an equal chance to get on the team as he will be timed individually in the tryouts. Every boy who is coming out is requested to report to the athletic room immediately after school Monday.

Plays on P-F Team

Louis Norris

Louis Norris, for two years center on the South Side varsity football team, and center on the Green's basketball team, has been having a good season in amateur basketball on the Patterson-Fletcher quintet.

The clothiers have one of the best independent teams in this section. It is composed of ex-high school stars, of which "Lahss" is one of a trio from South Side. The other two are Currie and Staigh.

Norris attended Northwestern University one year, where he won his freshman numeral in football and was on the frosh basketball squad.

Swimmers to Celebrate With "Splash Nite" at Y

"Splash nite" will again be celebrated at the Y. W. C. A. pool Friday, February 13. All girls who have been examined this season may come.

Games and stunts will be played in the pool, and refreshments will be served. Fifteen cents admission will be charged.

Lebanon Beats Richmond

The Morton cagers of Richmond fell before the Lebanon five by a score of 41 to 25 Saturday. Richmond was trailing throughout the game. In the final minutes Lebanon used their second team to finish the battle.

# HARTFORD CITY IS VICTOR IN GAME WITH BLUE FIVE

Central Loses Recent Game Played at Hartford City by a Score of 45 to 25

## N. MANCHESTER DEFEATED

Morrill and Jasper Are High Point Men for Central; Stiegler Stars on Defense

Hartford City had an easy time defeating the travel-worn Central team by the score of 45 to 25 Friday night. Central's bus broke down a short distance from Fort Wayne, and the game didn't start until 10 o'clock.

### Hartford City Game

Hartford City took the lead at the start and was never in danger, holding a thirteen point lead at the end of the first half, the score being 24 to 11.

Stiegler continued his brilliant work of the last few games, and played a great defensive game. Morrill and Jasper were the high point men for Central with three field goals and two free throws apiece.

### Diehl Gets Into Game

Milton Diehl, Central's captain, played in his first game of the year. He put up a good floor game, but was unable to break into the scoring column. Crissin was high scorer for Hartford City, with seven baskets and two free throws to his credit. Wright, floor guard, also contributed twelve points to his team's total.

In the preliminary, Central's Reserves defeated Hartford City 35 to 25.

Hartford City (45)	Crissin
Morrill	F
Scott	C
Jasper	F
Baker	G
Stiegler	G
Substitutions—	Oliver for Phart, Diehl for Scott, Bayer for Jasper, Marshall for Baker, Troyer for Marshall.

Field Goals—Morrill 3, Scott, Jasper 3, Beyer 2, Crissin 7, Babbitt 2, Markins, Wright 4, Oliver 3, Phart 2. Free Throws—Morrill 2, Scott, Jasper 2, Bayer, Crissin 2, Markins, Wright 4, Oliver 2. Referee—Martin (Anderson).

### North Manchester Game

Coming out of a slump, and displaying an improved brand of basketball, Central easily defeated North Manchester by the score of 30 to 8 at home on Saturday. Bayer scored first and Central held a safe lead throughout. Central's offense was functioning in great style, and the first half ended with Central on the safe side of a 20 to 4 score. North Manchester's weak offense and the strong defense of Central prevented North Manchester from doing much scoring from the field.

### Stiegler Stars Again

Stiegler again starred for the Blue and White, playing a sterling game on defense and scoring once from the field. Jasper and Morrill were the leading scorers with four baskets and two free throws apiece. Captain Diehl, playing his first home game, scored once on a follow-up shot. P. Fennell led the North Manchester scoring with two field goals.

In the preliminary, Central's seconds defeated the North Manchester Reserves, 24 to 15.

### Line-up and summary:

Central (30)	N. Manchester (8)
Bayer	F
Morrill	F
Jasper	C
Stiegler	G
Troyer	G
Substitutions—	Marshall for Beyer, Diehl for Morrill, Morrill for Marshall, Baker for Troyer. Field Goals—Bayer, Morrill 4, Diehl, Jasper 4, Stiegler, Baker, P. Fennell 2, Hoffman. Free Throws—Morrill 2, Jasper 2, Troyer 2, Bjorkland, F. Fennell. Referee—Geller (Fort Wayne).

### Marion Fans Celebrate

The fans of the Marion high school broke into a free-for-all celebration after receiving the news that the Marion cagers had beaten Martinsville, 47 to 32 last Friday. The cold wave which prevailed did not interfere with the celebration. Automobile horns were blown, parades were staged, and a large bonfire was made on the courthouse square, and many others were built in other sections of the city.

### Play at Huntington

Tom Switzer and Ralph Klein monopoly.

### Returns To School

Betty Humble has returned to school after a few days' absence on account of the death of her mother.

### Hold Contest on War

Pupils of any school in Kansas are eligible to enter the contest "What the Spanish-American War Accomplished." The contest is being promoted by the Spanish-American war veterans for the purpose of interesting people in the Spanish-American war. A total of seventeen prizes are being offered.

## Kelly Cager Travels Distance of Five And a Half Miles in Huntington Game

Fred Wambganss, the Green's Flashy Forward, Takes Test with Pedometer.

Many times the question has been asked, "I wonder how far a basketball player travels in a game?" From all indications a basketball player does travel in the course of forty minutes of playing time.

Although Fred Wambganss did not play forty minutes, he did not lose any time in getting over the floor during the estimated thirty-five minutes that he did play. In the period of thirty-five minutes he traveled a distance of five and one-half miles, a distance equal to twenty-two laps on the cinder track and at the average rate of nine and a half miles per hour. This proves why a player is tired by the time a game is finished.

The experiment was made with the use of a pedometer fastened on the belt of Wamb's basketball suit. The pedometer was set for a 27-inch stride.

## MISS BURNS LEAVES TO ATTEND UNIVERSITY

To Work for Master's Degree at Dennison; Miss Hemmer Taking Place

Miss Burns, South Side English teacher, has entered Dennison University at Granville, Ohio, to get her Master's Degree. She has many friends in Dennison, as she attended the university before and will therefore feel quite at home again. Miss Burns, in addition to her school work, was advisor of the service committee of So-Si-Y, and has been present with a Girl Reserve ring for her service.

Dennison University is located 27 miles east of Columbus on one of the main thoroughfares of the state. The university has an enrollment of about 1036 students.

## TYPING STUDENTS RECEIVE AWARDS DURING JANUARY

Thirty-Six Pupils Win Medals for Speed During the Month of January

## ISSUE MANY CERTIFICATES

Twenty-One Certificates Were Given Also; Two Beginners Qualify at 40 Words

Thirty-six typing students won awards during January for their speed. Three won Royal gold pins, two received L. C. Smith silver pins, two qualified for Remington silver pins, and one for an Underwood silver pin. Six received underwood bronze pins, and one qualified for an L. C. Smith bronze pin. A total of twenty-one certificates were also presented.

Dorothy Einseidel and Esther Ballard are the first pupils from the class beginning last September who have qualified for the award at forty words per minute, although other members of that class have received certificates. The thirty-six pupils and their words per minute are:

Underwood Certificate—	
Maxine Thomas	30
Naomi Swartz	32
Jane Bitter	33
Elvah Fashbaugh	35
Walter Beckman	32
Bertiel Bennett	32
Erich Lasch	32
Dorothy Einseidel	39
Underwood Bronze Pin—	
Winifred Englehart	43
Louise Krill	41
Clara Doenges	40
Dorothy Einseidel	40
Lucille Ball	41
Esther Ballard	41
Underwood Silver Pin—	
Mildred McCune	51
Remington Certificate—	
Edna Dean	36
Doris Conn	29
Gertrude Linnemeier	37
Ruth Jennings	33
Walter Beckman	38
Esther Reynolds	37
Pauline Baumgartner	42
Mary Lucille Otten	42
Marjorie Miller	31
Remington Silver Pin—	
Paul Marrs	41
Florence Hansen	47
L. C. Smith Certificate—	
Hillis Fitch	38
L. C. Smith Bronze Pin—	
Viola Leach	47
L. C. Smith Silver Pin—	
Helen Goette	50
Evelyn McGinley	50
Royal Certificate—	
Paul Marrs	36
Amelia Kruckeberg	41
Royal Gold Pin—	
Winifred Gunter	49
Robert McAfee	48
Martha Meyer	51

## Tip Offs

By Willie Gettit

Ladies and Gentlemen of the radio audience! This is station T-O broadcast from the tip of a stubby pencil.

Well, it looks as if our team has again hit the ol' stride against Kendallville and Huntington.

DuWan surely did put a crimp in the up-staters' chances. Sort o' showing off before the home folks, eh, Cap?

Maybe you noticed the superfluous (refer to Webster's) poetry in these columns which we "risk" to publish from time to time. We wish to announce that "what happens, must happen" so it isn't any fault of ours.

It just comes and comes even as does the wonderful "sweet-scented" river.

We saw recently in a California newspaper that Ben Garlick was arrested for hitting his wife on the snout. Maybe he was too "strong." Who Nose??

Wambganss is a tongue-twister. His name is hard to say; But everytime he's on the courts, He drives our blues away.

Ow! (please refrain from demented eggs and brick-bats).

Tra la la! O sweet spring has come! Reason: Announcement for trackmen.

(Continued from page 1)

not be a success. I believe," Mr. Ward continued, "that this year we shall have the finest commencement speech that has been given in Fort Wayne for ten years."

This plan for joint commencement was suggested by Mr. Ward and was announced to the senior class officers of both schools early in January. After some discussion in both schools it was found that the senior classes were divided in opinion, but those favoring it outnumbered those opposed.

### South Side Arrangements

"South Side's graduates will be seated as they have been in former years," Mr. Harris, South Side principal said. "Anyone making the honor roll during his senior year will be seated in the honor section as has been done in former years."

The ten who have the greatest number of A's for the four years will be in the first row.

The South Side students not on the senior honor roll or on the four-year honor roll will be seated alphabetically.

### Enters South Side

Joseph Foohey has entered South Side high school from Central Catholic high. He is a junior.

# CLASS OF 1926 TO BE LARGEST EVER GRADUATED

One Hundred Eighty Pupils Will Complete Their Studies Next June

## FORTY FINISH IN JANUARY

Group Is the First to Graduate as Full-Fledged South Siders

The 1926 senior class is the largest ever enrolled at South Side. One hundred and eighty names are on the list of graduates announced this week by Mr. Harris. Forty of these were graduated in February, but many are taking post-graduate courses.

The 1926 graduating class has 100 more pupils than the class of 1923, the first graduated from South Side. The 1923 class had only eighty pupils. This year's class is also considerably larger than those of 1924 and 1925 when 167 and 165 were graduated.

It is the first group to graduate as full-fledged South Siders, or in other words, the first which has attended South Side for four years.

The following is the complete list of students who will complete their high school work this year:

- 1926 Senior Class Roll**
- |                      |                       |
|----------------------|-----------------------|
| Altewort, Homer      | Kress, George L.      |

## PAGEANT AND CONTEST FEATURES U.S.A. MEETING

Committee Chairmen Appointed For This Semester; Membership Drive Being Held

"Choosing the Patches" was the topic of the U. S. A. welcome meeting held Thursday, February 4, in Room 86. The business meeting was opened by the new president, Ruth Stroebel, who gave a short talk, telling the purpose of the club.

A pageant pertaining to the women of the Bible was given. The following girls were in it: Dorothy Hoffman, Catherine Suter, Claire Staley, Marguerite Kendig, and Dorotha Thomas.

After the pageant each girl was given five patches. A game was played in which a girl forfeited a patch if she violated the rules of the contest. Frances Blosser had the most patches and received a prize. At the close of the meeting refreshments were served and the new programs were given out.

A membership drive is being conducted this week for the purpose of allowing old members to renew their membership and to give the new members a chance to sign up. This drive is in charge of Catherine Suter, chairman of the membership committee.

The other committee chairmen are: Publicity, Dorothy Rinehart; social, Dorothy Hoffman; and service, Marguerite Kendig. The faculty advisors are Miss Kiefer and Miss Perkins.

**VanNess Ill**

Robert VanNess has returned to school after an illness of over a week.

## Gracchi Club's Play Is Immense Success

"Hoodoo," the play given by the Gracchi club at the Shrine Auditorium Saturday evening, January 30, was an immense success, according to Deane McAfee.

The public has requested the cast which consists of many South Side graduates, to repeat the play. The exact date of the second presentation of the play will be decided at the next meeting of the club. It will probably be given the latter part of this month.

## CASTS SELECTED BY H. O. MAKEY FOR TWO PLAYS

"The Traitor" and "The Turtledove" To Be Presented by Wranglers at Harrison Hill School

## DATE SET FOR MARCH 26

Maynard Patterson, Chris Branning, Pauline Baumgartner, Thelma Gasser Have Roles

With the persons for the major roles selected for the two farces, "The Traitor" and "The Turtledove," to be given by the Wranglers, the preliminary preparation for producing the comedies has begun. Mr. Makey, faculty advisor of the Wranglers club, who is coaching the plays, has obtained the Harrison Hill auditorium in which to give the plays. March 26 has been chosen for the date of presentation.

Tickets will go on sale within a few weeks. The money will be expended for debating pins and to defray expenses incurred by entering the state discussion and the national oratorical contests.

## CASTS ARE CHOSEN

The two farces "The Traitor," which will be presented by the boys, and "The Turtledove," which is to be enacted by the girls. The first takes place in South Africa during the Boer War, while the latter is a Chinese production.

Sidney Peers, as stage manager, is making the required scenery for both presentations.

The leading roles in "The Traitor" are the parts of Colonel Sir Robert Anstruther and Lieutenant Edwards. Maynard Patterson and Chris Branning have these parts. Other parts are Major MacLaurin, played by Noble Sprunger; Captain Willoughby, Willis Klein; Captain Bates, Wesley Felme; Captain Parker, Robert Feustel; Grantham, Alva Corey; and Orderly, Oren Flaugh. Chester Wynne, who had been selected for the part of Edwards, gave it up to devote more of his time to work.

## Girls' Parts Designated

Pauline Baumgartner, as Kwenlen, and Thelma Gasser, as Chang Sut Yen, are the heroine and hero in the Chinese production. The villain, Mandarin, is Ruth Eickmeyer; the chorus, Dorothy Emrich; gong-bearer, Louise Platt, and God-of-Fate, Cornelia Bade. Mary Alice Tannehill will be the property manager.

## BOOKKEEPING PUPILS MERIT CERTIFICATES

Forty-Three Have Final Grade Higher Than "B"; Parks and Huddleston Are the Teachers

Forty-three pupils in the bookkeeping 1 and 2 classes received certificates when they completed their work for last term. A final grade of "B" or higher is required for this award.

Formerly the students were required to take a series of tests in which, besides answering questions on the work, they had to complete the balance sheets and final statements of some imaginary company. To get a certificate that term, one had to make at least 90 per cent on the test.

The students in bookkeeping who were awarded certificates are Violet Fanger, Marguerite Howard, Dorothy Parker, Dolores Pierson, Beatrice Rosher, Frieda Soladenn, and Louis Clark, who are instructed by Mr. Parks; and Jack Baals, Violet Fairfield, Mildred Holzworth, Marjory Surface, Lillian Toensing, Mathilda Wiebe, and Caroline Kuhl, in Mr. Huddleston's class.

The bookkeeping 2 pupils in Mr. Parks' class who had at least a grade "B" are Josephine Ansara, Roscoe Bryce, Francis DeWitt, Ruth Fairfield, Gladys Gerber, Katherine Gutermuth, Rea Kuhn, Esther Minnick, Miriam Warner, and Adeline Ward. Those in Mr. Huddleston's class are Melvin Azar, Ranges Azar, Marcel Baals, Esther Ballard, Pauline Beaverson, Junita Brown, Frieda Buckner, Dorothy Davis, Margaret Hennick, Irene Keene, Mildred Koster, Jenny Marchand, Marjory Mossman, Velda Nobles, Elizabeth Shaner, Herbert Snyder, and Dorothy Wilkens.

## Promote Subscription

A popularity contest is to be sponsored by "The Gleaner," the high school paper at Independence, Mo. Only those people who take "The Gleaner" may vote. This is to encourage more subscriptions to the paper.

## Etiquette Studied

The pupils of the advisory class of the Pomona (Cal.) high school are expected to study the forms most used in everyday life.

## BIG PRIZES AWAIT WINNING ORATORS IN FORENSIC MEET

National Oratorical Contest To Be Launched for Third Time in the United States

## HAS INTERNATIONAL SCOPE

Champions of France, England, Germany, Mexico, and United States to Compete

A summer tour of Europe, with all expenses paid, a trip to Washington and, in Indiana, cash awards totaling \$1,000 in the state finals alone—these are some of the opportunities offered by the third National Oratorical Contest and the first International Oratorical contest which any pupil enrolled in a high school or preparatory school may enter.

The only requirements is that each one entering the contests must write and deliver a ten minute original oration, which here in America should center about some phase of the Constitution of the United States. Reference material may be found in the library.

Local eliminations to determine who shall represent South Side in the county contest will probably be held one time in March. Then will come the county, district, state, territorial, national, and international finals, at each of which the best speakers will receive awards.

## Huge Awards Given

The Indiana State Bar association, together with the other agencies that are co-operating in the movement, will provide the money for all awards given in this state, except those in the state finals. To the winners of the six territories in the state, that is, to those who shall take part in the state finals, the Indianapolis News is giving a total of \$1,000. The boy or girl orator who wins first place will receive \$500; second, \$250; third, \$100; and fourth, three awards of \$50 each.

The one who wins the \$500 will then speak in one of the seven territorial divisions into which the country has been divided for this contest. Then, if he defeats representatives from some of the other states, he goes to Washington for the national finals where his oration will be delivered before President Coolidge and the Supreme Court. Whether he wins this or not, he gets a tour of Europe, extending over a period of about sixty summer days, and including visits to (Continued on Page 6)

## PROPOSE AMENDMENTS TO HI-Y CONSTITUTION

Club's Council Draws Up Stricter Rules on Attendance; Favors Service Committee

Twenty-two officers, committee chairmen, and advisors were present at the meeting of the Hi-Y council Tuesday, February 2, at the Y. M. C. A.

Suggested amendments to the constitution were presented to the four Hi-Y clubs for approval, and a committee was chosen to work up a standard induction ceremony. This committee is made up of the presidents of four clubs, and the boys' work secretary.

An amendment to the constitution provides that any member who misses three consecutive regular meetings of the club will be dropped from membership. Another amendment establishes a service committee which will have charge of all service activities of the club in the school and community.

A committee to work out the induction and installation ceremonies will meet Tuesday, February 19.

At the Hi-Y meeting last Thursday, the clubs discussed the proposed amendments to the constitution, and approved them with slight modifications. Because of laxity in observing the provision of the constitution in regard to the election of members, all members were required to fill out application cards. New members must have the recommendation of two members before applications for membership will be accepted.

## SO-SI-YERS TO DISCUSS HEALTH, HAVE PAGEANT

Miss Jackson Will Lead; Program Is In Charge of Dramatic Group

"Health" is the theme of the So-Si-Y meeting to be held in room 86, Tuesday, February 16. Miss Jackson, swimming instructor and physical examiner at the Y. W. C. A., will lead the discussion.

The club has been divided into four interest groups, the dramatic, the music, the discussion, and the art group. At the meeting Tuesday the dramatic group will give a pageant.

The girls who have signed to be in this group are Elizabeth Schmidt, Florence Hansen, Elvah Fashbaugh, Virginia Danuser, Mary Stover, Martha Sherman, Jeanette Duryee, Mary Hale, Margery Burres, and Thelma Gasser.

## Library To Have Blackboard

A blackboard for the library has been made by Mr. Stahl. This is to be used in giving the freshman classes instructions in the use of the library's resources. This blackboard may be used by anyone in the school when desired.

## Thelma Birely, Soprano Has Main Student Role

Thelma Birely, who graduated in February, has one of the leading student roles in the opera, "The Mikado," which will be presented at the Shrine auditorium March 24 by the combined music departments of Central and South Side High Schools. Thelma, who has a beautiful soprano voice, is a pupil of Mr. Roland Schafer.

## THOMCATS MEET GREEN SATURDAY IN SECOND FIGHT

Wabash Cagers To Try To Avenge Defeat in Begginning of the Season

## SOUTHERNERS IN SHAPE

Downstate Men Are Greatly Improved Since Last Battle With Kelly Klads

Coach Thom's men will pay South Side a visit next Saturday in high hopes of avenging the defeat handed them by the Green basketball team in the season.

No doubt the Thomcats will present a much stronger line-up against the Kelly cagers than when they met at Wabash.

Although the Kelly cagers defeated the Thomcats by a decisive score some time ago, they will be kept busy watching the wily players from Wabash. The Wabash five is decidedly a much heavier team than the Kellys, and the flashy playing of Ross deserves watching. The game will start at 8:30 o'clock.

In addition to the main game a fast game has been booked for the Reserves as a preliminary to the main game. The Reserve game is scheduled to start at 7:30.

## 1500 Club Makes Debut in School

New Organization Arouses Much Curiosity; for Members of Times Staff Who Have Pins.

"For goodness sake, what is this '1500' club about which some of the staff have been buzzing and whispering about? And who belongs to it? Surely it can't pertain to those of certain avoidpious for then no one could belong."

Such were the interrogations and reflections of one of the Times gang, and also several others who were not "in" on it. However, at last the enigmatical mystery is revealed. This organization has been started for all staff members who have at least 1500 points on a bronze pin and for those who have above this. The aim is so that members of the staff may be held more closely together.

On the night of the Central game a potluck will be given by this club. Presentation of pins will be the main feature.

Miss Harvey will be chief speaker, while the others eat. (Maybe).

## 126 Students Taking Typing This Semester

Elections for typing for this semester have increased over those of last term. One hundred twenty-six pupils are taking the subject, according to Mr. Murch and Mr. Morris, typing teachers.

There are about thirty-six typewriters in the commercial rooms. This year four of this number are in Room 26 and two are in Room 20, the Times room.

The students are interested in their work and are enthusiastic about the examinations that are given to test their speed.

## Mr. Makey Instructs Sunday School Class

This week Mr. Makey taught the Bible school class which meets at the Y. M. C. A. every Monday. The class is composed of all Sunday school teachers who teach the International Bible Study course.

## TIMES CAMPAIGN SHOWS PROGRESS OVER LAST WEEK

Eight Hundred Subscriptions Are Now on Record; More Coming Each Day

## R. HICKEY HAS BEST ROOM

Other Agents Are Getting Along Nicely; Teachers Set High Pace with Forty-five Paid

"We already have about 800 subscriptions, and every day there are new ones recorded," Bob Thompson, the circulation manager of the Times, said yesterday.

Although there are some agents whose rooms have more subscribers than his, Robert Hickey, in Room 18, is the only one whose room has reached the 100 per cent goal. Harry Wedler has succeeded in getting thirty-one subscriptions in Room 10, but there are yet four persons to subscribe before the room will become 100 per cent.

Twenty-six students in Room 68 have made their first payment on the Times. Martha Sherman is agent for that room. Mildred Obenour in Room J-K in the study hall has twenty-four subscriptions, while Claire Staley and Paul Birely each have twenty-three. Those whose rooms have almost reached the 100 per cent mark are Paul Birely, Hortense Wolf, and Winifred Deeth.

## Teachers Set Example

A good example is being set for the students by the teachers, as more than forty-five teachers out of fifty-eight have already paid for all the coming issues.

Although they are nearly equally matched with the freshman and sophomores, the upper classmen seem to be responding better in the campaign.

Promissory notes, which have been distributed among the students, have brought in a great many additional subscriptions. Pupils not able to make an immediate payment on the Times may sign these notes, which are not due until April 15.

## Back Numbers Are Available

All back issues for this term will be given to those persons who wish to enter their subscriptions now.

There will be about sixteen issues published throughout the term. Special issues of the Times will be published for both the Sectional and Regional basketball tournaments. There will also be an April Fool's paper and (Continued on Page 6)

## CLASSES SAVE MONEY IN BUYING MATERIALS

Economy of \$64 Effectuated by Purchasing Equipment From Mr. Arnold

Mr. Arnold's classes in mechanical drawing save money by buying their equipment, consisting of drawing boards, pencils, erasers, ink, and other materials, from him at cost.

"There are three reasons why I sell the equipment," said Mr. Arnold. "First, I know that each student has the proper equipment; second, the pupils save about \$64; third, the boys can save money by making their own drawing boards in the woodwork classes, so that when they become adults they will not be required to buy a board."

Mechanical drawing is showing its popularity and value by the increased number of students taking this subject. Recently the papers have been advertising for mechanical draftsmen. A boy can prepare himself for such a position by enrolling in the industrial arts course of the school. If he does not intend to go to college he can make much use of this work.

If he should go to college, he probably would take, as a line out of every ten, an engineering course, and one of the essentials of engineering is mechanical drawing.

## COMMENCEMENT STORY WRITERS WIN FIRST

Edith Kyler and Pauline Baumgartner Write Best in Last Week's Times

Edith Kyler and Pauline Baumgartner were the winners of the Times news story and headline competition last week. Edith wrote the article on the joint commencement for which Pauline Baumgartner made the head.

Kenneth Hart and Helene Foelger came second in each and Harry Wedler took third in both contests. Honorable mention was awarded Cornelia Bade, Ruth Eickmeyer, Virginia Kiner, Harry Wedler, Frank Robertson, Edith Kyler, Elsiebeth Crane, Gertrude Schuelke, and Mabel Kelsey for good stories.

Margery Burres, Pauline Baumgartner, Harry Wedler, and Mary Peacock had the next best headlines.

Besides picking out the superior work, the judges also point out dishonorable mentions. The articles that are chosen, whether good or bad, are posted on the bulletin board in room 20 so that all on the staff can study them with the corrections or criticisms given them.

## Goes To Rhode Island

Irene Keene has left school. Irene will continue her studies at a high school in Pawtucket, Rhode Island.

## 9B English Students Use Library Feb. 28

The library will be open to only 9B English classes on Tuesday, February 16. This is done to instruct the freshmen in the use of the library. Books may be returned before 8:20, during the fifth period, or after the eighth period on that day.

The present plan is to instruct the 9B classes each year in the scientific use of the library. It will take four years for the whole school to be trained.

## NATIONAL CONTEST ON "FLAG CREED" BEING CONDUCTED

American Legion Endeavors To Create Greater Respect for United States Banner

## PRIZE OF \$750 OFFERED

Open to High School Pupils; March 16 Is Deadline For Entries

In order to secure a "Patriot's Flag Creed" which will foster greater respect for the flag of the United States a contest, open to people of high school age, is being promoted by the National Americanism Commission of the American Legion.

## Scholarships Are Awards

A number of awards and prizes are being offered for the best creeds. In order the flag in his heart and in his hand the national contest the first prize, \$750, will be awarded to the person who submits the best Flag Creed in the United States. The second prize is \$500 and the third prize is \$250. These are cash prizes and are to be used only for scholarships in colleges or universities.

Prizes will also be awarded by the different states. These prizes are as follows: First prize, silver medal; second prize, bronze medal; and third prize, certificate of merit.

## Rules of Contest

The "Patriot's Flag Creed" is not to consist of more than one hundred and twenty-five words. It should be written in the first person and should set forth the ideals and ideas for which the flag stands, as well as the sacredness and glorious achievements it represents. It should also proclaim in the form of a pledge, the respect which every loyal citizen should accord.

The elements of the Flag Creed may be combined in whatever form appeals to the author but it must display originality and it must be inspirational. Only one manuscript may be submitted by each person.

The contest closes at noon March 16. All entries must be in the possession of the National Director of Americanism of the American Legion by that time.

The National Flag Code should be used as a basis for any definite allusion to flag etiquette, for it is hoped that the Flag Creed may promote the use of the Flag Code throughout the nation.

## JUNIOR HI-Y PROGRAM FOR SPRING ADOPTED

Will Include Discussions and Social Events; Field Meet To Be Held May 1

The officers who are to serve the Junior Hi-Y club of South Side for this semester were installed at the last meeting. Mr. Croninger conducted the installation program for Central's officers, and Mr. Locker of the Y. M. C. A. conducted that for the South Side officers.

Following the installation ceremonies, the presidents presented a prospective program which was approved by both clubs.

The program as approved by the clubs is as follows:

Feb. 17—Colonel Foster, speaker.

Feb. 24—"The Master's Temptation."

March 3—"The Master's Purpose."

March 10—"Two Stories of the Master."

March 17—"Some Deeds of the Master."

March 24—"The Master's Enemies."

March 31—"The Master's Final Triumph."

April 7—"The Meaning of Jesus' Ministry."

April 14—"How to Profitably Use My Summer Vacation."

April 21—"Some Alaskan Hair Raisers," by Rev. Strachan.

April 28—"Keeping Physically Fit."

By Warren Madox.

Several social events are also scheduled, chief of which are a swimming meet on February 17, a St. Patrick's day party on March 19, and a field meet to be held at Swinney Park on May 1.

To Give Pageant

The senior class of Brackenridge high school, San Antonio, Tex., instead of having a senior class play, will present a pageant of the history of Texas. The scenes of the pageant will carry out the theme expressed in the school annual.

## New Method Tried

The classes of the Continuation school, Lima, Ohio, have adopted a new plan of class work. Each class is organized as a club and have a president. The purpose of this method is to create more interest among the students, and to make them more

## SCOUTS CELEBRATE SIXTEENTH YEAR OF ORGANIZATION

Since Its Inception Scouting Has Shown Vast Improvement; Many Boys Are Now Enrolled

## TEN EAGLES AT SOUTH SIDE

Large Number of Lads Express Desire of Entering Boy Scouts as Result of Recent Survey

All over the country the Boy Scouts of America this week are celebrating their sixteenth anniversary. From February 8, 1910, when Scouting was brought to this country from England, until now, the Scout movement has developed from a mere handful of boys and men into a large army of Scouts eager to go on the warpath for citizenship and service.

## School Has Eagle Scouts

After qualifying for twenty-one certain merit badges, the Scout reaches the highest point in Scouting, the coveted position of Eagle Scout. At the present time nineteen Eagle Scouts are in Fort Wayne. Ten of these now attend South Side. They are Harold McMahon, Joe Hinfert, Fritz Feustel, Robert Feustel, Bartlett Ewell, Stanley Ewell, James Miles, Gerald Ammerman, Harry Wedler, and Don McLucas. Raymond Ewell and Edward Bourns, alumni, are also Eagle Scouts.

The Eagle Scouts of Fort Wayne have formed a club which meets about every three months for the purpose of deciding certain problems in Scouting.

In a recent survey taken in Fort Wayne, it was discovered that out of the 5,000 boys in this city over 80 per cent of them wish to join the Boy Scouts. Over 300,000 boys in the United States were accommodated in camps the past summer for one week or more.

## Boys Like Scouting

There are many things in Scouting that appeal to the average boy. To become a Scout, a boy must be at least twelve years of age. He then is ready to take the Tenderfoot test. To be a Tenderfoot, a boy must know the Scout oath and the law, the motto, the sign, and the significance of the badge. He must know the history of the flag of the United States of America and also must be able to tie a sheepskin, bowline, clove hitch, two half hitches, timber hitch, overhand, figure of eight, square sheet, and slip-knot.

After becoming a Tenderfoot, the Scout is qualified to take the second class test. This includes elementary signalling and first aid, Scout pace (a mile in twelve minutes), tracking or observation, use of knife and axe, fire making (two matches and in the open), cooking without utensils, and the study of the compass.

## First Class Requirements

He is then ready for another step up the ladder to become a first class Scout. These tests include a fifty-yard swim, \$2.00 deposit in a bank, fourteen-mile observation round trip, map reading and making, use of axe in light lumbering or carpentry, judging size and distance, nature study and knowledge of stars.

After becoming a first class Scout, he is then qualified to take up merit badge work. There are seventy-three different kinds of merit badges. These include almost all of the vocations that a boy would take up in later life. Some of these

## TIMES EDITORIAL PLATFORM

1. To further scholastic activities.
2. To promote extra-curricular activities.
3. To give well-written accounts of high school happenings.
4. To offer high standards of school spirit.
5. To aid school officials.
6. To let parents and public know what South Side is doing.
7. To keep in touch with other schools.

February 12

Tomorrow is something besides the day for the second Central-South Side tilt of the season. It is Abraham Lincoln's birthday.

## Rejoice

It seems that we need not worry about ourselves just yet. According to President MacCracken of Vassar College, we shall not reach the dangerous age until we are in the twenties.

## Close Friends

The local Latin contest comes tomorrow. For weeks the boys and girls to take the test have been eating and sleeping with Latin verbs, nouns and translations. Here's hoping some of them get to Bloomington for the state finals.

## Keep This In Mind

Lincoln's life should be an inspiration against every obstacle that lies in our way. Just as toil and hope redeemed him, even so it can and will redeem us. His greatness may not be so much of a miracle or mystery but just the common sense of a common man.

## Do You Charleston?

Nowadays nearly all of us either dance the Charleston or try to. At home we practice the steps. Waiting for street cars, we dance to keep warm. In the locker rooms, the hall, the gym, and even in the classroom, we hop up and down and bend this way and that, a Charlestoning. At the reservoir, where some people expect to see only skating, we show them the dance from the south. The question is—is this good for us?

Dr. Harry Gilbert, a well-known physician of 150 West Fifty-fifth street, New York City, said in the Chicago Tribune of January 11: "The heart strain resulting from three or four minutes of Charlestoning is equal to that experienced by a boxer in six rounds. The super-Charleston has the same effect on the physique as riding a bicycle up-hill. Heart trouble, nervous diseases, fallen arches, broken ankles, strained backs, and fallen abdominal organs are only a few of the disorders that follow the Charleston."

This statement Dr. Gilbert made after treating many "Charleston" patients. Shall we keep on with the dance in spite of these facts? It is for the individual to decide. —Gertrude Schuelke.

## School Spirit and the Times

You have probably heard a lot this last week about subscribing for the Times to show your school spirit. All we have to say about that is—don't do it.

Our student publication is no charitable institution. It does not need any subscriptions on the ground of school spirit. If it were a two-column, one-page paper, and cost a dollar or more a term, it might have to take all the subscriptions it could get regardless of why the students subscribed. As it is, charity subscriptions are not wanted.

What is wanted is people to subscribe who know they'll get value received. There is no reason why you should not subscribe unless you absolutely haven't the seventy-five cents.

Look at it from the economic viewpoint. You pay the money and you get the paper. It is worth every bit of the money you pay for it. It promotes unity between students and organizations; it keeps you in touch with the rest of the school; it gives you a record of your activities; it shows, through its advertising, the best places to buy what you need; it arouses enthusiasm necessary for any school project and gives real information; its exchange department enables you to keep in touch with other high schools; and, besides, it gives you many a good laugh.

Aren't all these things worth seventy-five cents to you? Well then, subscribe because you know you'll get your money's worth and not because of school spirit.

## A Mite of Verse

SNOW

Whence do you come, O most beautiful snow?  
Crystallized water they call you, I know;  
Daintiest patterns of heaven made lace,  
Every part perfect, each in its place.  
Sparkling, glowing gems of the night,  
Making the world all snowy and white,  
Ice and snow on all the hill tops,  
Speckled and sprinkled with little white dots.

—The Belfry Owl.

## And Werse

WHEN WILLIE HURRIES

My brother Willie he  
Just always lags  
And drags—  
He's slow as he can be,  
And mamma has to say:  
"Come, Willie, hurry, pray!"  
Whenever she  
Wants him to help 'cause he's so slow,  
But oh,  
You ought to hear him when  
He says his prayers at night!  
I tell you then  
He "hustles" up, all right,  
And nearly 'fore I get  
To where it says to let  
"Thy will be done"—both starting  
even, too—  
He's through!

## I'm A Nut

I'm not so much of a nut as a mutt.  
I realize that fact now, though I did  
not a few days ago. What I did was  
almost criminal.

The snow was thick about me. I  
amused myself, as I walked along, by  
throwing snowballs at everyone in  
sight. I heard the sound of a street  
car and kept packing a snowball  
tighter and tighter as it came on. It  
was even with me, and I saw a girl  
at one of the windows. I quickly  
raised my arm and my snowball flew  
through the air. With a bang, it hit  
the window just by the girl's head.  
It might have broken the window  
and injured her, it hit so hard. I didn't  
wait but beat it for home. I'm sorry,  
and that is why I wrote this to ac-  
knowledge that I am a nut. I must  
be nutty, too, for otherwise I would  
not have thrown the snowball.

## I'm Not A Nut

I'm not such a "Salty Sap" as some  
soup-eaters are. I am one of those  
who is always at the end of the cafet-  
eria line, not because I'm slow (say,  
not at all) but because the majority  
of the other people who eat in the  
cafeteria are so eager to get to the  
other end of the line, that in spite of  
my physical strength I get pushed,  
inch by inch, farther away from the  
door by people who have friends who  
save places for them in front of me.  
Really, there is no space there and  
rightfully there should never be for  
such people. We go to the cafeteria  
to eat, not to display our poor man-  
ners.

Try to remember this the next time  
you are coming to the cafeteria and  
refrain from crowding into an imagi-  
nary space ahead of the folks who  
have arrived there first.

## Quizzzy Quizz

Question to Seniors: Are you glad  
or not that you are being graduated?  
"I'm not glad I am to be graduated,  
because it seems as if I have to leave  
in the most interesting part of my  
work," said Vivid Fell.  
Draker Lombard said he was glad  
because he feels better fitted to start  
out in the world.  
"I am not glad," said Winifred  
Gunter, "because I have enjoyed my  
high school life and have enjoyed  
studying."  
"I'm glad I am being graduated be-  
cause I want to see how it feels to  
get a diploma," said Mabel Kelsey.  
"I've enjoyed my work so much in  
my senior year and have been so in-  
terested that I hate to leave now,"  
says Mildred Obenour.

## This Week's Best Editorial

## GOOD CITIZENSHIP

Good citizenship is a process of  
habit formation. The student who  
forms habits of good citizenship in  
school will be a good citizen of his  
country. Many students through  
thoughtlessness are allowing them-  
selves to form habits in school which  
may handicap them the rest of their  
lives. One hundred per cent citizen-  
ship is an ideal toward which we are  
making an honest effort.

## The Good Citizen—

Is regular in attendance.  
Does not wear his hat in the  
building.  
Relies on himself to get his  
lessons.  
Does not throw papers or refuse on  
the floor or grounds. He drops it in  
the baskets provided for this purpose.  
Does not run in the corridors.  
Is always courteous to his superiors.  
If he has a grievance, he will discuss  
it in private rather than raise a dis-  
turbance in public.  
Has with him things necessary to  
the recitation or for study.  
Makes up his lessons after absence  
without pressure from his teacher.  
Does not try to "show off" during  
recitations.  
Does not try to prepare another les-  
son, while in class.  
Does not stand or sit in a slouchy  
position.  
Does not intentionally embarrass  
another by laughing at his mistakes  
or misfortunes.  
Plays fair.  
Is dependable. He stays with what  
he undertakes until it is finished.  
Above all and at all time and in all  
places, he keeps Tech's reputation in  
mind and governs himself accord-  
ingly.—East Tech Scarab.

## More World's To Conquer

## The Dean Says

The rules forbidding loitering in the halls were made for the  
benefit of students who are in recitations. Those who violate  
these rules are hindering their fellow students. Please show con-  
sideration by moving promptly through the halls.

Martha M. Pittenger

## Anglo-Saxon Family Names Not Prevalent in South Side Files; Most, However, Teutonic

Smith and Miller are Most Pop-  
ular Titles, With Twenty-  
Three Followers.

Latest statistics compiled from the  
enrollment lists in the office show that  
Smiths and Millers have most places  
in South Side classes. There are  
twelve pupils in school whose last  
name is Smith, while eleven Millers  
are represented. Wilson, Meyer, and  
Scott also prove popular, as twenty-  
four persons in school have these  
names.

But in spite of this, there are still

some who are the sole bearers of their  
title. Bray, Idle, Ansara, Eickhoff,  
Zahrt, Lighthill, Astrom, Obenour,  
Schuelke, and Eickmeyer are a few  
examples of the odd names.  
As Smith and Miller both come  
from the Anglo-Saxon, it would seem  
that English names predominate, but  
a glance at the files disproves this, as  
such names appear as, Schmidt,  
Baumgartner, VanTorchine, Azar,  
Foellinger, Wiebek, and Hoffman.  
Most of the names seem to be Ger-  
man or related to the German, while  
a few are French, Italian, Russian,  
Assyrian, Spanish, or something  
closely related.

Reconstruction Acts—The new bulletin board in Room 20, painting of  
door windows opening to gym.  
Independent Treasury System—The "Times" office.  
Underground Railway—Exit through bicycle room.  
Squatter Sovereignty—Indefinite parking under "Move On" signs.  
The Big Four—Jerry DuWan, Bud Freiburger, "Dick" Wiener, Paul  
Kniffen.  
Copper Heads—Mary Pocock, Dorthea Johnson, Hilda Sellers.

## Do You Know

—That every room should be 100 per  
cent. in subscriptions for the  
Times?  
—That Central's and South Side's  
Glee clubs are going to give an op-  
era in March?  
—There are 180 students in the sen-  
ior class?  
—There are thirteen silver trophies in  
the case at the north entrance?  
—That we have one of the best  
equipped chemistry laboratories in  
the country?  
—That South Side and Central will  
have another basketball game Feb-  
ruary 12?  
—That you might find your lost ar-  
ticle in the "Lost and Found" box  
in the office?

## Read A Bit

"As a sky that has no constellations  
As a country unwatered by brooks,  
As a house that is empty of kindred,  
Unilluminated by loving looks,  
So dull is the life of the people  
Who know not the blessing of books"

Girls who are having the opportu-  
nity of a college education will be in-  
terested in the "Life of Mary Lyon,"  
founder of Mt. Holyoke College, to  
contrast pioneer education for women  
with progress of today.

## Open Letters

"Move" Means Move

To the Editor:  
I have often wondered just what  
function the "Move On" signs in the  
hall perform. Every morning before  
school about fifty students stand  
around talking or just looking. If  
these signs have been put up, should  
they not be observed? Pupils who  
want to talk can surely carry on  
conversation just as well in the gym,  
and not cause such confusion and in-  
convenience in the hall.

YOURS FOR BETTER ORDER.

## In the Stone Age

Feb. 12—Parent-Teacher Meeting.  
Mass meeting in gym in honor of  
Lincoln, Mr. Murphy chairman.  
Recitations given by Jack Lighthill  
and Orlean Patch, grade school pu-  
pils.  
Bible classes began.  
Feb. 14—South Side was completed  
with the exception of "a few minor  
touches."  
Junior Hi-Yers hold Father-and-  
Son banquet.  
Feb. 15—Hi-Y Father-and-Son ban-  
quet.  
Feb. 16—Central-South Side. Score,  
42 to 13 in South Side's favor.  
Boys' roster cards organized.  
Feb. 18—Sunday Forum—Washing-  
ton's life discussed by Mr. Robert  
Cordiner, Arthur Pawlson, chair-  
man.

## Week's Anniversaries

Feb. 12—Abraham Lincoln was born,  
1809.  
First newspaper transmitted by  
telephone by Henry Batchelder,  
from Salem to Boston Globe, 1897.  
Charles Darwin, author, 1809-1882.  
Feb. 14—St. Valentine's Day.  
Oregon admitted to the union, 1859.  
Arizona admitted to the union, 1912.  
Alexander Graham Bell and Eliza-  
beth Gray filed in Washington ap-  
plications for a patent on a telephone,  
1876.  
Feb. 16—The Republic of Texas be-  
came State of Texas, 1846.  
Feb. 17—First telephone exchange in  
California, at San Francisco, 1876.  
Feb. 18—Jefferson Davis was inau-  
gurated president of the Confederate  
States, 1861.  
Feb. 18—Treaty of Ghent ratified,  
1815. (The Treaty of peace be-  
tween United States and Great Brit-  
ain, which ended the war of 1812).

## Abraham Lincoln

Abraham Lincoln was born in the  
poorest kind of a shack in the wildest  
part of Kentucky, February 12, 1809.  
He was so poor that he did not have  
what we consider the necessities of  
life; but he was a fortunate boy, be-  
cause he had a strong body, was  
afraid of nothing, could make a joke  
and take one, and was always ready  
to see fair play and practice it for  
himself and others.  
His mother, Nancy Hanks Lincoln,  
taught him how to read and write and  
taught him to hate slavery. To Abe  
she gave that rich inheritance of hu-  
manity and pity, that became his mar-  
tyrdom years later. He owned five  
books, and used a wooden fire shovel  
and a charcoal stick for paper and  
pencil.

He moved to Pigeon Creek, Indiana,  
where his mother died, a victim of a  
pestilence, when Abe was nine years  
old.

His father moved to Macon County,  
Illinois in 1830, where Abe worked as  
clerk in a store. When the Black Hawk  
war broke out he volunteered to fight  
for his country. He became candi-  
date for the Illinois legislature but  
was defeated. Lincoln was soon ap-  
pointed postmaster at New Salem and  
took up surveying in his spare time.  
Lincoln began the study of law, and  
in 1836 obtained a license to practice  
law. He moved from New Salem to  
Springfield, the capital of Illinois.  
Lincoln was a strong and eloquent  
speaker in the presidential campaign  
for Henry Clay. He ran for senator  
but was defeated by the Hon. Lyman  
Trumbull. The debates between Lin-  
coln and Douglas in 1858 also won  
fame for him and paved his way for  
the next presidential campaign.

May 18, 1860, Lincoln was nomi-  
nated president by the Republican Na-  
tional Convention at Chicago.

November 6, he was elected presi-  
dent and arrived in Washington Feb-  
ruary 23. Lincoln was inaugurated as  
the sixteenth president of the United  
States at the age of fifty-two, on  
March 4. He was re-elected president  
in 1865.

Lincoln was assassinated by John  
Wilkes Booth in Ford's theatre on  
April 4, 1865. He was buried at Oak  
Ridge, Springfield, Ill., on April 21.

# SOUTHERN SPICE

They have every kind of a week but Laugh Week.  
When that is to be held, the Southern Spice column will  
temporarily suspend publication.

## YOU KNOW, TINAH

Blue eyes mean you're true;  
Grey means you're gracious;  
But black eyes merely mean you're blue  
In several other places.

THOMAS

The school has long been clamoring for a picture of  
Tom Ward, the famous Times feature story writer. This  
is a picture of the famous author while he was compos-  
ing one of his masterpieces. You'll agree that the pho-  
tograph bears close resemblance to the original.

Historic Note—Paul Reverse was the first radio fan.  
He broadcasted with one plug—Radio Raff.

## FAMOUS EDDYS

Sherwood .....

Currents.

R. U. R. ....?

Hey, .....

My st. .... ket.

## "TAKES TIME"

Teacher: "Are you getting ready to go home; it's a  
half hour before quitting time?"  
Pupil: "Yes, it took me half an hour to get ready  
before I came."

My girl's a keen girl—she cut me dead yesterday.

## GEOMETRICAL LOVE

I love the oval of your face,  
The arcs above your eyes;  
The circles which your soul looks through  
With tenderest surprise.

I love the angles of your mouth,  
Your cheek's convexities;  
The whole sweet sphere of that fair head  
So far from plans it is.

Like a right-angle I shall kneel,  
And ask you to be mine;  
And round one finger then circumscribe,  
A diamond circle fine.

I call my pup Sandwich because it is only half-bred.

## QUANTITY MEANS QUALITY

Virginia Bourns: "That band assembly was a good  
one, wasn't it?"  
Mildred McCune: "Yes, but what makes you think  
so?"  
Virginia: "It took longer than a period."

## WHO'S BACK!

The more than usual lack of intelligence among the  
students that morning had got under the teacher's skin.  
"Class is dismissed," he said exasperatedly, "Please  
don't flap your ears as you pass out."

Our heart is sad for Clarence Goop,  
He shot the ball but missed the hoop.

## AN HONEST MAN AT LAST

Diogenes (meeting a South Side freshman): "Well,  
sir, whaddya know?"  
S. S. F.: "Oh, nothing much."  
And Diogenes blew out his lantern and went to bed.

## BEN SEZ—

If you want your account to be healthy,  
If you want yourself to be wealthy,  
This is the way:  
Save a penny a day;  
And when banking your dough, don't be stealthy.

## MORNING PRAYER

## PESSIMIST

Now I get me up to cram,  
I pray the Lord I pass exam.  
If I should fail to get the junk  
I pray the Lord I will not funk.

## OPTIMIST

Now I get me up to play,  
I hope there'll be no tests today.  
If notebook work is due tomorrow  
I know there's one that I can borrow.

## HE'LL SURE NEED IT

"Thug: "Stick 'em up, kid. Where do you think you  
are going?"  
"Home," murmured the student.

"Where from?"  
"Date."  
"Who with?"  
"Co-ed."

"Here, friend, take this five dollar bill!"

## APPLIED MATHEMATICS

"My daughter," and his voice was stern,  
"You must set this matter right:  
What time did the Sophomore leave,  
Who sent in his card last night?"

"His work was pressing, father dear,  
And his love for it was great.  
He took his leave and went away  
Before a quarter of eight."

A twinkle in her bright eyes shone  
And her dimple deeper grew.  
"Twas no sin to tell that, for—  
A quarter of eight is two!"

"I don't mind a student looking at his watch while I'm  
speaking," said the teacher, "but what gets me is to  
have a student take out his watch, look at it, and then  
put it up to his ear and shake it to see if it is still run-  
ning."

## TEN COMMANDMENTS OF A FLUNKER

1. Thou shalt leave thy books in thy lockers at all  
times.
2. Thou shalt talk continually to thy neighbor.
3. Thou shalt pay no attention to thy assignments  
and make no effort to get them.
4. Thou shalt not study except by moonlight and be  
sure to note the color of her eyes.
5. Thou shalt chew gum incessantly, keeping time to  
the swing of thy neighbor's foot ahead of thee.
6. The only paper thou shalt bring to class shalt be  
that which is used to wrap gum.
7. Thou shalt tend to everyone's business but thine  
own.
8. Thou shalt covet thy neighbor's girl (even though  
she has red hair).
9. Thou shalt not come to school until after the  
first period class.
10. When weary of a recitation thou shalt yawn,  
stretch, and

## GIRL SCOUT HEAD ORGANIZES TROOPS IN CITY SCHOOLS

Miss Ruth Hedlund Holds Daily Classes for the Prospective Captains

## SOUTH SIDERS ENTERTAIN

Series of Luncheons and Banquets Given in Honor of National Executive

Miss Ruth Hedlund, a national Girl Scout executive, has been in Fort Wayne during the past week to organize the nine troops now existing here. The Girl Scout movement has grown to such proportions here that it will be necessary in the near future to appoint a leader who can give all her time to this work. Miss Hedlund has been holding classes every day for prospective girl scout captains. She was assisted by Miss Weston, an Eagle Scout from New York, who expects to remain here for some time.

Miss Hedlund arrived Tuesday noon, February 2, at which time a luncheon was given for the council members in honor of her. After the luncheon she outlined plans for the girl scouts during this year. One of the first things will be to establish a Court of Honor where the girls will be awarded the merit badges they have earned.

**Visits South Side Troop**

Wednesday afternoon Miss Hedlund visited South Side troop. Each patrol gave a charade and several plays. The patrols and their leaders are: Oriole, Dorothea Davenport; Coyote, Ruth Stroebel; Eagle, Alice Elder; Pussy Willow, Dale Miller.

Friday noon a luncheon was served for the executives, by Mrs. Fitch, captain of Forest Park troop.

**Scouts Attend Banquet**

Friday evening a banquet for all troops was given at the Wayne Street M. E. church. The scouts in uniform were in full attendance. The troops gave their yells and songs. Troop I presented a parody in pantomime on "The Village Blacksmith" and a scene in a witch's cave.

The girls who appeared in "The Village Blacksmith" were Marcell Baals, Ruth Stroebel, Betty Hackney, Mary Jane McMillen, Francis Fitch, Ruth Eldred, Virginia Kinckley, Leona Goodrich, Louise Lehenberger, Dorothea Davenport, Betty Ward, Dorothy Likins, Thelma Lare, and Margaret Scheumann.

The girls who were in the other stunt are Maxine Rahe, Laura Heaton, Hester Meek, Dale Miller, Frances Fitch, Dorothy Likins, Mary J. McMillen, Rita Higgins, Mary Graham, Margaret Scheumann, Mildred Burt, and Catherine Koerber.

A piano solo was given by Barbara Beall. Readings were given by Betty Fitch and Anna Joseph.

Saturday evening, Mrs. Hackney, a member of the scout council, gave a dinner for several executives, including Miss Hedlund and Miss Weston. The decorations were charmingly carried out in yellow and white.

**Attend Church in Group**

Sunday morning the Girl Scouts, in a body, attended the Plymouth Congregational church. The Rev. Arthur J. Folsom gave a special scout sermon on the subject "Power to Become." The scout oath and laws were repeated.

Sunday afternoon a tea was given at the home of Mrs. Eric H. Bradley, captain of Troop I. Some of the scouts acted as waitresses. They are Laura Heaton, Thelma Lare, Carol Koerber, Margaret Scheumann, Dale Miller, Rita Higgins, Betty Hackney, Dorothy Likins, and Betty Ward. Fort Wayne is looking forward to a very prosperous Girl Scout year. Many plans have been made and it is hoped that by next year the scouts will have become established here upon a large scale and firm basis.

## Lathes Always Busy In Wood-turning Class

There are five 9A wood-turning classes this semester. Each class has two periods. The lathes are kept busy from 8:20 a. m. until 4:30 p. m.

Lathe work is very interesting and all the boys like it. They are getting a good start in this semester and are doing good work. This is individual work. The kind of work and the amount that a boy can do is dependent upon this boy. It is seldom that one can find two boys working on the same problem at the same time. No boys are held back because of another but each one is permitted to advance as fast as he can. The boys who minds his own business and sticks to what he is doing is the one who succeeds.

**Music Pupils Broadcast**

The members of the Morton's Junior Violin Choir, Morton high school, Cicero, Ill., broadcasted a delightful musical program from Station WMAZ Friday, January 16.

## Have Leading Roles

Pauline Baumgartner, Maynard Patterson, Thelma Gasser, Chris Branning  
Pauline Baumgartner, Maynard Patterson, Thelma Gasser, and Chris Branning are the leading characters in the two farces to be given by the Wagoners club. These persons were selected by Mr. Mahey to take part in "The Traitor" and "The Turtledove", to be presented at the Harrison Hill auditorium, March 26.

## SOCIETY

Miss Pauline Hilbush pleasantly entertained a number of her most intimate friends at an informal dinner recently. The evening was spent in playing games and dancing. Those who were present are Dorothy Einsidel, Evelyn Jacobs, Virginia Kinckley, Madeline White, Virginia Wobbe, Velma Rolf, Vera Bruns, Irene Paul, and Lenora Nachtigall.

Greta Astrom entertained several friends Saturday evening.

Miss Demaree and Miss Esarey spent the week-end in Chicago.

Several girls who enjoyed a recent theatre party are Dalma Anderson, Dorothy Oren, Rosana Haven, Jeanette Blough, Evangeline Switzer, and Margaret McCreary.

Macyle Kelsey entertained, at her home on Packard avenue, a few of her friends Wednesday evening. Games were enjoyed during the evening. At a late hour a luncheon was served to Mary Jane Florence, Lucille Clappatt, Lucille Henkel, Blanche Wickliffe, Neola Miller, Evelyn Miller, Mable Markley, Grace Cheney, Rebecca Smith, and Emma Hinton.

Kathryn Sellers entertained her club at her home Thursday evening. Prizes were won in the games by Virginia Kinckley, and DeNeal Pfeiffer. Those who were present are Kathryn Wescher, Hilja Sellers, Hazel Sloan, DeNeal Pfeiffer and Virginia Kinckley.

Berthyl Merrill, former student of South Side, gave a bridge party last Thursday evening when she entertained several of her intimate friends. Those present were Florence Phelps, Flora Baer, Mabel Fell, Ruth Brown, and Gerva Davenport.

A delightful theater party was recently enjoyed by Rosemary Spore, Esther Ballard and Katherine Blackwell, after which a delightful luncheon was served at the home of Rosemary Spore.

Kathryn Sellers entertained a number of her friends at her home on Clinton street, Thursday evening. Those who were present are DeNeal Pfeiffer, Hazel Sloan, Virginia Kinckley, and Kathryn Wescher.

Representatives of the Girls' Athletic association enjoyed a pot-luck supper in Miss Patterson's office last Tuesday evening at 6 o'clock. Those who enjoyed the affair are, Elvah Miller, Gertrude Brouwer, Wilma Kronmiller, Winifred Englehart, Elsie Hart, Ruth Bannhoff, Violet Fell, Miss Patterson, and Miss Pittenger.

Miss Marie Rudolphson entertained with a lovely bridge party Friday evening at her home on East Suttentfield street. At a late hour a dainty two-course luncheon was served to Emma Riggs, Ethel McMillen, Anna Henry, Marcella Conners, and LaVon Blue.

Marion Miller entertained a number of her most intimate girl friends at her home Friday evening. The evening was spent in playing games and dancing. Those who enjoyed the affair are Marcella Conners, Anna Henry, Agnes and Alice Wehmeyer, LaVon Blue, Emma Riggs, Ethel McMillen, Paynell Filler, Louise Krill, Bertel Bennett, and Marie Rudolphson.

Christine Burdick, of Defiance, Ohio, spent the week-end as the guest of Betty Augspurger.

Miss Crowe recently entertained her sister, who is attending Indiana university.

The members of the S. S. S. society were entertained at the home of Gladys Clemmer, Tuesday evening. Games were played and prizes were awarded to Marguerite Lew and Florence Hazlett. A dainty lunch was served. Appointments were carried out in keeping with the Valentine season.

Esther Roush was hostess to the members of her club at her home on Warsaw street, recently. After a short business session a social time was enjoyed. Those who participated in the affair are Betty Henselman, Florence Clemmer, Pauline Stickner, Florence Hansen, Frances Kelsey, Thelma Kern, and Mrs. H. D. Pawlisch.

Don Currie, of Garden street, left Thursday on an extended southern trip. He will stop at Orlando, Tampa, West Palm Beach, and Miami. He expects to return the first of May by way of Washington and Richmond.

June Ford and Mildred Slater united in entertaining a number of the cast of "Patricia" at the home of the former on St. Joe boulevard, following the final performance. Dancing was enjoyed during the evening until a dainty luncheon was served at a late hour. Those who were present are Carrie Belter, Ruth McGuire, Margaret Mackels, Helen Rodewald, Mary Cook, Vivian Davis, Betty Arney, Eileen Heuer, Doris Slater, Deane Metzner, Robert Noss, Joe Little, Freddy Steffan, Clausen McKim, Don Walters, Roy Ford, Harold Southern, and Lee Ford.

Marguerite Howard was hostess to a number of her most intimate friends Thursday evening, at her home on South Clinton street. Prizes at hearts were awarded Mabel Burgener, Florence Hazlett, Gerald Ammerman, and Stanley Cutshall. A delicious luncheon was served to Dorothy Grice, Madge Roush, Florence Hazlett, Gladys Clemmer, Marguerite Lew, Florence Worden, Esther Roush, Agnes Bauserman, Mabel Burgener, Kathryn Gauder, Melvon Lew, Stanley Cutshall, Virgil Montgomery, John Hendricks, Gerald Ammerman, Maynard Patterson, Noble Miller, Claude Bauserman, Orso Burgener, Kenneth Flaig, Louis DeWitt, and Mr. and Mrs. Claude Alford.

Grace Hart entertained a number of her friends at a pot-luck dinner at her home on Cottage avenue Saturday evening. Those who enjoyed the supper are Jeanette Bank, Gertrude Brouwer, Lee Foster, Ruth Wilson, and Winifred Englehart.

The members of the H. D. S. club were delightfully entertained by Charlotte Baron at her home on Monitor street. The evening was spent in playing buncos. Prizes were awarded to Mary Scotton and Elvah Fashbaugh. At a late hour a dainty two-course luncheon was served. The appointments were carried out in keeping with the Valentine season. Those who enjoyed the affair are Mary Scotton, Elvah Fashbaugh, Geraldine Grover, Iva Riley and Ferdona Wilson.

## WINIFRED BEETH IS NOW MOST EFFICIENT TYPIST

Accuracy Tests Prove Supremacy; Three of Mr. Murch's Classes Compete

Winifred Beeth proved herself to be the most efficient typist when she typed 78 words per minute in the accuracy tests held last week by Mr. Murch. The tests were given to the second (12-A), fourth (12-B) and seventh (11-A) typewriting classes. The tests included five minutes of typing from copy.

Following are the individual results:

	Words a Minute
Gertrude Grimes	64
Florence Hansen	55
Elizabeth Schmidt	57
Lucille Ball	44
Winifred Beeth	78
Charlotte Baron	57
Marjorie Miller	42
Mildred Bahde	46
Winifred Englehart	50
Jean Herd	41
Esther Reynolds	49
Kathleen Grier	42
Margery Burres	39
Iola Wilkinson	41
Amelia Kruckeberg	45

Margaret Mailand	30
Catherine Childers	29

## Changed Programs Give Much Trouble

Students Have Difficulty in Rearranging Studies; Variety of Excuses Are Given.

"I must have two periods for lunch."

"I want the first period for study."

"I don't want her for Latin."

These and many like statements why programs just "must" be changed have been heard in the office. When pupils could not get what they wanted, even fond papas and mammas came to try and melt the hard hearts of Mr. Virts, Deane McAfee, Miss Pittenger, or even Mr. Harris.

When asked by a reporter about how many had had programs changed, Deane replied with a sigh, "About 99 per cent of the school."

In some cases it was even necessary to change the period of an entire class. It was hoped that by having the pupils make out their own programs they would be satisfied but this does not seem to have been the case.

One of the chief difficulties is that pupils insist on signing up for classes for which they are not eligible on account of class.

(Ed. Note.—The writer of this article had her election of subjects and programs changed three times.)

**Colonel HOUSE**  
During the seven years in which he was President Wilson's closest friend, Colonel House kept a diary. In it he wrote each day's events—while they were vivid and fresh in his mind—and with astounding frankness.

From this diary and from his personal correspondence have been compiled "The Intimate Papers of Colonel House," which appeared for the first time on Sunday, January 31, and will appear every day and Sunday thereafter, in the Fort Wayne Journal-Gazette.

**SCORES OF QUESTIONS SETTLED**  
Here Colonel House tells many secrets which he alone knew and which Americans have argued about for years. He settles questions which have been the subject of conjecture and dispute. He tells how he came to support Wilson for the nomination—how their incomparable friendship started and developed—how Wilson was kept from having

## The Value of Botany to Man

"Agriculture is the foundational occupation of the human race; therefore it deserves a great deal of study," Mr. Gould, botany teacher, said this week.

"Botany is the foundation of scientific agriculture. The successful farmers of today are those farmers that are following along the scientific agricultural line. By studying the methods of modern farming, it makes them more efficient to earn money. Money is an essential article in successful farming."

**Mr. Noll Explains Change of Eighth Term English and History of English Literature**

**Reorganization Gives Seniors Opportunity for Better Freshman English in College.**

"The chief purpose in reorganizing English VII is to bridge more effectively the very wide gap between high school senior English and college freshman English," Mr. Noll, head of this department, said yesterday, in explaining the changes in composition and the history of English Literature.

These changes went into effect at the beginning of this semester. The work in literature is still based upon the college entrance requirements, however.

"In composition considerable time is given to themes of about college freshman length. This work," he added, "gives the students training in accumulating thought material from a variety of sources and making it his own, and in expressing this thought in the proper form."

"One short story," Mr. Noll continued "is written, partly for the sake of interesting variation, but chiefly because it is sure to bring up many problems in form that might not appear in the other forms of written work."

"In the history of English literature the student does reading assignments, listens to the teacher's discussion and takes notes upon it and takes tests upon the work."

"This plan of handling the history work," Mr. Noll said in conclusion, "covers the subject as thoroughly as it needs to be, and it introduces the student somewhat to college methods."

"The modern farmers are learning to make two blades of grass grow where only one grew before the farmers began to make a study of farming. Every day, farmers are beginning to realize more and more that it is a great saving of time and labor to know how to do a thing and then do it," Mr. Gould added.

"The study of agriculture by botany increases the student's enjoyment in life, because by understanding a thing better he enjoys it more," he explained.

"The study of a science makes him appreciate the things of nature more. It does this by making him understand the great and important work nature does in providing food, clothing and shelter for man, and it gives him a legitimate way to spend his leisure time."

During the month of September 1029 books were loaned; in October there were 3390; in November, 2803; in December, 2593, and up until the time when grades were issued in January, 717 books were loaned.

**MANY BOOKS LOANED STUDENTS LAST YEAR**

Library Circulates 11,232 Copies; Most Drawn Out in October

Exactly 11,232 books were loaned to South Side students during last term. The majority of these books were for reference work. Magazines and reference books which are not loaned were also used by many of the pupils.

## WEST LAFAYETTE CRUMPLES UNDER GREEN'S OFFENSE

**Kelly Klads Score Over-  
whelming Victory of 45  
to 14 Over Visitors  
Friday**

### DUWAN PLAYS GOOD GAME

**South Side Holds Visitors to One  
Field and One Foul Goal  
During Second Period**

Displaying an offense that could not be stopped, the Fightin' Green had little trouble in dropping the West Lafayette cagers by a score of 45 to 14 last Friday on the local hardwood.

Kellys in Lead Throughout  
The Green and White started with a drive at the basket and was in front throughout the game. The visitors never threatened to take the lead. At the half-way mark the Kellys, Klads were leading by a score of 22 to 11. In the second period the Green came back with a much better defense and held the West Siders to a lone field goal and one toss from the foul line. The Green continued their fast offense and piled the score up to 45 points before the gun ended the battle.

**DuWan Follows Shots**  
Captain DuWan again displayed a great game, not only covering the floor in great style but also leading the scoring with six baskets. His clever follow-up shots were a feature. Wamby, the Kelly's flashy forward, was again delivering the goods as usual. He came a close second in scoring, as he got five markers from the field. He seemed to be able to toss the ball in from all angles, and covered the floor in great style. Wiener at the guard position was a veritable stone wall. He stopped many of the visitors' passes and was able to get the ball off the back stop in good shape.

**Substitute Team Plays**  
In the final minutes of the game, Coach Wamby sent a fresh five into the game. They continued the good work by getting a total of five baskets in less than two minutes, three of which were made by Rahe, who played a fine brand of ball during this short time.

The inaccurate shooting of the West Lafayette five in the first period slowed the game up a trifle. The second period, however, was an entirely South Side affair for the Red and Gray cagers got only fourteen chances at the basket.  
Line-up and summary:  
South Side (45) W. Lafayette (14)  
Simon F. Reddish  
Wambsganss F. Reiser  
DuWan C. Mann  
Wellman G. Schwab  
Wiener G. Gregory  
Substitutions—Branning for Simon  
Rahe for Wambsganss, Carto for DuWan, Willson for Wellman, McCormick for Willson, Grodrian for Wiener.  
Field Goals—Simon 3, Branning Wambsganss 5, Rahe 3, DuWan 6, McCormick 2, Willson 2, Wiener, Reiser 2, Mann 2, Deinhart, Free Throws—Simon, Reiser, Gregory. Referee—Thorn (Wabash).

## SECOND ROUND STARTS IN CLASS TOURNAMENT

**Faculty, Seniors, Juniors Win Opening  
Games; Both Freshman Teams  
Are Defeated**

STANDINGS SECOND HALF INTER-CLASS LEAGUE			
	Won	Lost	Pct.
Faculty	1	0	1.000
Seniors	1	0	1.000
Juniors	1	0	1.000
Sophomores	0	1	.000
Freshman 1	0	1	.000
Freshman 2	0	1	.000

The first games of the second round of the inter-class league, played Tuesday, were won by the Faculty, Junior, and Senior quintets.

The light, inexperienced Freshman 1 team was no match for the Faculty and was defeated, 32 to 10. The basket shooting of Gilbert, who counted six times from the field, featured the playing of the teachers, and Hazlett, with six points, led the Frosh's attack.

**Seniors Beat Sophomores**  
The Senior-Sophomore game was more closely contested, but the accurate basket shooting of Baker, senior captain, enabled the Seniors to come out on the top end of a 13 to 10 score. Baker scored seven of his team's thirteen points. Duli played the best game for the underclassmen, getting three points.

**Juniors Win From Freshmen**  
The Juniors were not forced to extend themselves in defeating the Freshman 2 by the score of 16 to 13. Dissinger led the Juniors' scoring, and Dickie, with two field goals and one free throw, was best for the Freshmen.

## Tip Offs By Willie Gettitt

Has Our Team basket eyes? YES! They have basket eyes!

Again the dopesters had their proverbial bucket upset. South Side 50, Rushville 27.

Guess it was too much DuWan, Simon, Wamby, Wiener and—well, the whole team.

Since Rushville held Bloomington to an overtime and since Bloomington beat Marion, things look rosy for the Green and White.

It looks as if the Green will be some hunters after killing the Lions last week and tackling the Tigers tomorrow night and, after that, stalking the Thomcats.

Our Weakly Bedtime Prevarication: Leroy Shine, famous South Side athlete, announced recently that he would not accept Tex Rickard's offer of \$1,000,000,000 to play fullback on his tiddly-winks team.

South Side! North Side! All around the town! This is the song we will be singing next year at this time.

Tomorrow night South Side will enter the Central game with one battle chalked up on the win column. May Our Team fight its hardest and again bring the title and trophies back to South Side.

Central will be on deck with its full strength for the first time. With the Fightin' Green at their best, it is expected that many people will again be afflicted with heart trouble.

**YOU can help.**  
Three ways to make Our Team the best in this state (Patented, all rights reserved).

1. Get in your seats early and YELL! (If you are late, yell any time.)  
2. If Our Team is behind, get thee behind the team and YELL!  
3. About the same as above only more so, only YELL harder!

Some old-time high school favorites were in town Saturday when Kraining, Wine, and Deardorff were here with the state champion Manchester College crew. This trio might be remembered as the ones who damped South Side's hopes three years ago when they starred on the North Manchester high quintet.

## G. A. A. EXECUTIVE BOARD DISCUSSES AMENDMENT

**Skating Merits To Be Added to Point  
System; First Honors  
Awarded**

An important meeting of the executive board of the Girls' Athletic association was held in the girls' gym office, Tuesday, February 2, in the form of a potluck supper. An amendment to the constitution concerning skating was voted upon and will be proposed to the members at the next meeting.

The provisions of this clause, if it is added to the constitution, will give skaters one point for each hour of practice on the ice. Girls who wish to earn these points must be in the company of an approved class leader, who will be appointed by Miss Patterson. The board also voted upon the points to be awarded to the girls who played tennis, hockey, and volleyball. Plans for a party are being discussed but nothing definite has been decided.

The office was decorated in green and white, and plenty of eats were on hand. The executives of the organization who were present are: Elvah Miller, president; Violet Fell, vice-president; Gertrude Brouwer, secretary; Winifred Englehart, manager of sports; Wilma Kronmiller, sophomore representative; Ruth Bennhoff, freshman representative; and Miss Patterson, girls' gym instructor.

## Nine Women of Faculty Sign up For Volleyball

Nine women faculty members besides Miss Patterson have signed up for volleyball ball practice. Tonight and every Thursday night after this during the school session these faculty members will practice hitting the ball over the net in the handball court until they can form a league with the Green and White girls' teams.

The beginners in women's faculty volleyball who will have their first meeting tonight are Miss Pittenger, Miss McAfee, Miss Thorne, Miss Esary, Miss Harvey, Miss Crowe, Miss Bert, Miss Hemmer, and Miss Oppelt.

## WARDOITES DOWN RUSHVILLE LIONS IN GREAT BATTLE

**Driving Offense Put Up by  
Kelly Klads Is Too Much  
for the Southern  
Team**

### DUWAN GETS 15 POINTS

**Sensational Team Work Display-  
ed by Fighting Green, Who  
Play Best Game of Season**

Though with predictions of an overwhelming defeat against them, the Kelly Klads cagers astonished the state last Saturday night by defeating the Rushville Lions 50 to 27 at Rushville in a furious game.

**Take Early Lead**  
The Fightin' Green started with a whirlwind attack and dumped the ball through the net from every conceivable angle. The Kellys obtained a lead from the starting whistle. This lead was never threatened. The great passing game which the Green and White cagers put up was not to be stopped.

They took the ball under the basket for short shots and also tossed the ball through the net from a range. They were holding a 25 to 13 edge on the Lions at the rest period.

**Hot Attack Continues**  
The second half again found the Kellys driving forcefully at the Lions' goal and the sensational forward attack led by Captain DuWan, Simon and Wamby kept the score well ahead of the opponents.

Wamby found the net for six markers from the field, and DuWan and Simon divided ten baskets evenly. McCormick played a great game at the floor guard position, and Wellman put up a good defense. Moreover, Wellman managed to dump the ball through the net for two markers.  
During the final minutes of the game Coach Gilbert used an entirely different line-up, which kept up the fast game until the gun ended hostilities.

**DuWan Scores Most**  
DuWan was high point man with 15 markers, as he got five field goals and five points from the foul line. This game displayed the best team work of the Fightin' Green this season. The brilliant passing game put up was a feature in the victory.

Line-up and summary:  
South Side (50) Rushville (27)  
Wambsganss F. Arbuckle

## FOOTBALL PROSPECTS ARE BRIGHT FOR 1926

**Nine Letter Men Form Nucleus for  
Another Strong Team; Welborn  
Has Good Pick**

Prospects for a successful football team next year loom brighter than for this year's grid performance at the beginning of the season.

With the return of nine letter men, Coach Lundy Welborn will have a nucleus around which he can develop another strong team. The line will be hit harder than the backfield with the loss of eight men by graduation, but Coach Welborn has a wealth of material in such men as Captain Schopf, Kingsley, Barbier, DeHaven, Luke, Diekey, Laubenstein, Reaser and Miner.

## Basketball Crowds Large at Frankfort

**More People Turn Out for the  
Frankfort - Kokomo Game  
Than for the South Side-  
Central Fray.**

South Side isn't the only school which has big crowds. The mob that swarms around the door trying to get into one of the Central and South Side games is small compared to the crowd at Frankfort last Thursday night and Friday morning. The crowd was trying to get tickets for the Frankfort-Kokomo basketball game.

A line started Thursday at 10:00 p. m. and had increased to 200 by midnight. At 4:00 a. m. several hundred persons were milling about the entrance like cattle. When the door were opened at 8:00 a. m. five policemen were unable to stem the rush to ward the box office.

Glass was broken from the doors and several persons were injured slightly. Women fainted and several required the attention of physicians, according to Chief of Police Haffner. Countless persons were unable to obtain tickets after being in line for hours. Many persons from Kokomo were in the jam, but were disappointed.

Kokomo won from Frankfort, 50 to 44.

# TENSION IS HIGH AS SISTER SCHOOLS PREPARE FOR FRAY

## KELLYS AND TIGERS TO CLASH IN SECOND HARDWOOD CLASSIC

Both Teams Are in Tip-Top Condition for Fray; Services of Diehl Add Great Strength to Tigers Offensive Attack

## RECORD CROWD EXPECTED TO FILL GYM

Players On Both Teams Have Developed Considerably Since Former Game; South Side Offense Shows Great Improvement in Recent Games

Tomorrow night is the night of nights. The Tigers and the Fightin' Green, hardwood gladiators, meet at 8:30 p. m. on the South Side court for the second time this season.

Who will win? This is the question of the day. To pick or even to imagine the winner is practically impossible. Of course, South Side is counting on a win, but Central holds a decidedly different opinion. However, Friday night at 8:30 o'clock the solution of the question will be begun.

### Both Teams Are Stronger

Since the last mix, many changes have occurred. The Tiger machine has been greatly strengthened by the services of Diehl, who has recovered from his injury and has been appearing in the recent Tiger games.

The South Side team has been strengthened by Wellman, a clever forward, but the loss of Sprunger is a blow to the Fightin' Green. Sprunger has been ordered from the South Side lineup until a definite decision can be determined by the state board in regard to certain eligibility rules.

### Tigers Have Good Record

The Tigers have continued their good work since the last battle with the Green and their teamwork has been greatly improved. They have obtained victories over Auburn and Kendallville, who have also played the Kelly Klads. Auburn defeated South Side, but the Green later defeated Kendallville, who, in turn, obtained a victory over Auburn.

Central, however, defeated Kendallville by a larger margin than did South Side, but the Kellys scored more points against the Kendallville cagers than the Tigers did. But this time, because of its complicated nature, does not reveal much in regard to the outcome of the encounter.

### DuWan Has Improved

Captain DuWan, the husky Kelly center, has been improving in leaps and bounds since the last Tiger-Green game and is in good shape to appear in the game tomorrow. Wamby is still delivering the goods in large bundles and the opponents will have their hands full to keep him down. Simon also possesses a keen basket eye and is out to give a good account of himself. Wiener has been playing unusually good ball at the backguard position. He has kept all from getting under the basket. His ability at doing this was plainly noticeable in both the West Lafayette and Rushville games. At the floor guard position several players have been showing well. The playing of Rahe, Branning, Wellman, McCormick, and Grodrian, can be relied upon.

### Baker Is Tiger Ace

For Central, Baker has given the most outstanding account of himself in recent games. He has been hitting the basket with regularity, and when he gets hitting he is a hard man to stop. Diehl has also been connecting with the basket consistently since he has been playing. Jasper has been keeping up his record at the center position, while Troyer has been playing at the backguard position regularly. He is a hard man to get through for under-the-basket shots and will deserve watching. The Tigers report all players in fine condition for the fray, and a hot time is expected for tomorrow night.

### Reserve Teams Will Play

The reserve teams of Central and South Side will battle in a preliminary game that will begin at 7:30 p. m.

Both South Side and Central's bands will play. A record crowd will fill the gym, as all tickets have been sold.

### Olsen, of Gary, Will Be in Charge of the Game, it is Certain. Whether he will have a helper has not as yet been decided.

### Kingsley Goes To Chicago

Bill Kingsley has left school. He is going to Chicago, where he will work for his uncle. He also expects to go to night school, where he will continue his school work.

### Leaves School

Charlie Fetters has left school. He plans to go to Detroit, Mich., where he will work.

### Broadcast Game

The South Side-West Lafayette basketball game was broadcasted by Station WHBJ, the Lauer Auto company, on South Calhoun street.

## Five Kelly Klads Who Meet Central

Wambsgans

Wiener

DuWan

Branning

Simon

The above picture shows five of Coach Gilbert's mainstays who have been going good all season. They are Wambsgans, forward, who is high point man on the team; Wiener, backguard, who is a stone-wall on defense; Branning; Simon, forward, who also is going at a fast rate. All five are expected to see a lot of action.

## GREEN SECOND-YEAR MEN DEFEAT TIGERS

Feustel and Bell Star in Fast and Hard Fought Game; Final Score Is 25 to 21

In a fast and interesting game the South Side sophomores downed the Central sophomores last week by the score of 25 to 21. Both teams played fast ball and the score at the half was 18 to 10 in favor of the Green.

Benn led the attack of the Kelly Klads with five field goals, while Penrod and Weber played best for the Tigers. Penrod, playing at guard, sank four baskets from long range and also played a good defensive game.

### Green Are Good at First

The South Side quintet had good team work at the start of the game but let up near the end when Central crept within one point of tying the score.

The game started out slow and the Green's second-year men gradually piled up a comfortable lead of eight points at the half-way mark.

### Central Closes Gap

In the second half came out with renewed fight and sent a scare into the South Siders. The last twelve minutes of the second half were fast and furious and both teams struggled to put the game on ice. Finally the Kelly Klads broke through the defense in the last minute to win, 25 to 21.

### Line-up and summary:

South Side (25) Central (21)  
Feustel F Pausot  
McLucas F Weber  
Fay C Penro  
Bell G Rovers  
North G Emmerick  
Substitutions—Michelle for Feustel, Belds for Pausot, Blanton for Weber, Henry for Penrod, Penrod for Rovers, Zwick for Emmerick. Field Goals—Feustel 4, Bell 4, Penrod 4, Weber 2, Pausot 2, McLucas 2, Fay 2. Free Throws—Rovers 2, Weber, Fay. Referee—Schmalzriedt.

## TRACKMEN TO REPORT FOR PRACTICE MONDAY

Equipment Will Be Ordered; Many Hard Meets on Schedule; Team To Compete at Chicago

Candidates for track reported to Coach Welborn last Monday and are to report for equipment next week. About forty boys are now out for track. Anyone who did not attend the meeting and wishes to come out for track can do so by reporting as soon as possible to Coach Welborn.

The first meet on the schedule is the Chicago meet, where all high school in the United States compete for national honors. South Side will be slightly handicapped because of not having an indoor training this past winter. Many schools entering this meet have been having daily try-out all year. The first meet in which South Side and Central will clash is the Y. M. C. A. meet in the latter part of March.

## MARION TAKES CLOSE GAME FROM MUNCIE

Expert Foul Shooting of Thomas-men Causes Bearcats to Lose Their Victory Brick

The Marion Giants' expert foul-shooting was the reason for the 40 to 39 victory over the Bearcats of Muncie, last Friday. The game was played in the college gym, which was packed to capacity and approximately 1,000 fans were turned away an hour before game time.

The Giants tossed twelve free throws through the net, but the Bearcats were able to count only three charity markers. However, Muncie held the lead, 39 to 38, with but three minutes to go. Then Kilgore knotted the count with a free toss and E. Chapman secured the game by putting a free toss through the net one minute before the final gun.

### Line-up and summary:

Muncie (39) Marion (40)  
Burgess F Overman  
Burgess F Chapman  
Joris C Murphy  
Wedmore G R. Chapman  
Howell G Kilgore

Field Goals—Murphy 6, R. Chapman 5, Kilgore 2, Ricker, Joris 5, Burgess 5, Wedmore 4, Mace 2, George 1. Foul Goals—Murphy 4, Kilgore 3, E. Chapman 3, Ricker, R. Chapman, Burgess 2, Joris. Substitutions—Ricker for Overman, Waltemann for Muncie, Mace for George, Bratton for Burgess. Referee—Parker. Umpire—Babb.

## Scoring Record

	G.	F.G.	F.T.	Tot.
Wambsgans	14	51	13	115
Simon	14	39	8	86
DuWan	14	36	11	83
Willson	11	22	7	51

## SOUTH SIDE RESERVES BEAT COUNTY CHAMPS

Clever Attack, Led by Fleming and Nulf, Defeats Monroeville, 31 to 27

The South Side Reserves defeated the Monroeville high cagers, who won the Allen county basketball championship two weeks ago by a 31 to 27 score in the local gymnasium in a preliminary to the West Lafayette game Friday evening.

The Green and White cagers nabbed the lead at the opening whistle, never to be overtaken throughout the game. Although the Monroeville five did threaten toward the end of the second half, they could not stop the Kelly Klads, who were able to make baskets seemingly at will.

The Green offense was led by Nulf and Fleming, who sank the ball from all angles. Each secured seven markers from the field. Nulf made a marker from the foul line and Fleming dropped two from the charity line. All the Green players put up a good defensive game.

### Line-up and summary:

South Side (31) Monroeville (27)  
Nulf F Lenington  
Distel F Spieth  
Fleming C Purman  
Rastetter G Sheehan  
Schopf G Taylor

Substitutions—Feustel for Distel, White for Lenington, Livenberger for White. Field Goals—Nulf 7, Fleming 7, Distel, Lenington 2, Spieth 4, Purman 3, Sheehan 2, Livenberger 2. Foul throws—Nulf, Fleming 2, Rastetter, Furman.

### Game Ends With Tie

The basketball game between El-dora (Ind.) and Hampton (Ind.) high schools ended in a 29 to 29 tie after five extra periods had been played. The excitement was so intense that the fans became groggy as well as the players, and the game ended without a winner.

### Orchestra Plays at Noon

The students of Morton high school, Cicero, Ill., have adopted a new plan of having the high school orchestra play in the cafeteria during the noon lunch hours.

### Play in Tourney

Charles Brubaker, Orle Nobles, "Monk" Wilson, William Thiele, and "Red" Paulson, former high school stars, are entered in the state amateur basketball tournament at Warren, Indiana, this week. They are representing the Bass Foundry.

## Read what the Coaches say about the Spalding "M" Basket Ball

Gentlemen:  
In answer to your letter will say that we have used the Spalding "M" Basket Ball for six years and it has given excellent service in every respect. We are using this ball both for practice and games.  
Yours truly,  
E. J. MATHEW,  
Basketball Coach  
University of Michigan

Gentlemen:  
You can certainly quote me in respect to your basket balls. They "stood up" wonderfully well. Keep their shape and life better than any ball I ever saw.  
Yours truly,  
M. A. KENT,  
Basketball Coach  
Northwestern University

Gentlemen:  
In regard to your inquiry concerning the Spalding "M" Basket Ball, I have used it for the past five years and find it more than satisfactory.  
Respectfully yours,  
H. T. TAYLOR,  
University of Minnesota.

Gentlemen:  
I am very glad to testify as to the wearing qualities of your Spalding Official M Basket Ball.  
For years as a player and later as manager and coach, I have used the M Basket Ball with much pleasure and success. For many years we have felt that there was no firm superior to A. G. Spalding & Bros. in the marketing of leather goods. It has always been my notion that the trade mark of Spalding stood for the best in athletic equipment.  
I sincerely trust that you will continue to market the same high quality of ball as you have in the past.  
Very cordially yours,  
FOREST CARRY,  
Director University of Kansas

Gentlemen:  
I would like to say a few words of praise for your Spalding No. M Basket Ball. I have used it almost exclusively with my teams for the past five years and I find it to be a ball of excellent qualities in every way.  
Very truly yours,  
J. M. HARRY,  
Basketball Coach  
The State University of Iowa

Gentlemen:  
The Spalding ball has given us excellent service. I believe a good ball should give satisfaction in the following things: Uniformity in weight; roundness; high grade leather which makes for lasting quality, and equal to any of the above requisites, it should be a lively ball. The Spalding ball has all of the above qualifications.  
Sincerely yours,  
E. P. DEAN,  
Indiana University

Gentlemen:  
For fourteen years the Spalding Ball has been my choice for speed and durability.  
Yours truly,  
WARD L. LAMBERT,  
Basketball Coach  
Purdue University

Gentlemen:  
We have found your Spalding M Basket Ball very "true" as regards weight and shape and very satisfactory in every other respect. The fact that we use the M Ball exclusively in all our practice work and for game play as well, tells you in a word that we believe it to be the best ball on the market.  
Very sincerely yours,  
HAROLD G. OLSEN,  
Director of Basketball  
Ohio State University

Gentlemen:  
I am replying to your request for a testimonial for the No. M Spalding Basket Ball.  
The University of Missouri has used the Spalding No. M Basket Ball for the past ten years. We have always found it satisfactory in every way.  
Cordially yours,  
C. L. BREWER,  
Director of Athletics  
University of Missouri

Gentlemen:  
I am in receipt of your letter asking about the success of your No. M Basket Ball during the past season. I have just asked our equipment manager concerning these balls. He tells me that during the 1925 season not a single ball was rejected because of it not being round or because it was over or under weight. In fact, practically every ball was of excellent shape and weighed approximately 21 ounces.  
In the practical use of the No. M Basket Ball, I have found it to be very satisfactory. Our players like it very much. I wish to say that our success with this ball has been as near 100% as possible.  
Sincerely,  
J. CRAIG RUBY,  
Basketball Coach  
University of Illinois

Gentlemen:  
Michigan State College, formerly Michigan Agricultural College, has used your M Basket Ball for the past ten or twelve years with excellent satisfaction. During this time we have experimented with other makes without success. I believe it is the best ball on the market today. It wears well, holds its shape, and is full of life.  
Very truly yours,  
RALPH H. YOUNG,  
Director of Athletics  
Michigan State College

Gentlemen:  
Having handled the SPALDING Official Basket Ball for the past twenty years as player and coach, it gives me pleasure in stating for the benefit of the great interest that there is none like it for "service and handling." It makes for accurate passing, dribbling, and shooting.  
Sincerely,  
H. O. (Pat) PAGE,  
Director of Athletics  
Butler University of Indianapolis

Gentlemen:  
I am replying to your request for a testimonial for the No. M Spalding Basket Ball.  
The University of Missouri has used the Spalding No. M Basket Ball for the past ten years. We have always found it satisfactory in every way.  
Cordially yours,  
C. L. BREWER,  
Director of Athletics  
University of Missouri

WRITE FIRST TEST OF CONTEST SERIES FRIDAY AFTERNOON

All Latin Students Invited To Take Part in the Local Meet Tomorrow During 4 8th and 9th Periods

TEN TO REPRESENT SCHOOL

Two of Each Division in County Competition, Feb. 27; District March 27; Finals April 9

Tomorrow, the eighth and ninth periods, will mark the beginning of the 1926 series of Latin contests when all students in the department are invited to write the tests for the South Side meet.

"We hope that there will be a good response at South Side," says Mr. Kott, head of the Latin department. Two of each of the five classes, I, II, III, IV, and V, that win at South Side will take the county examination February 27. Ten from the county division will be representatives in the district competition, March 27, and one in each division will go to Bloomington April 9 for the finals.

Miss Edith Burton, teacher at Central High School, is chairman of the twenty district proceedings. Mrs. Adele Bittner, of Indiana University, has the charge of the contest.

If the state Latin tournament reaches the proportion it did last year approximately 12,000 schools will take part.

To increase uniformity and interest in the study of the Latin language is the purpose of the contest according to officials in charge of it.

Tests are the same for all schools in the state as they are prepared at Bloomington.

With the addition of questions on mythology, background, and comprehensive reading, students have a greater variety. The new list of questions is:

1. Translate parts of five verbs.
2. Translate parts of five nouns or verbs found in II.
3. Declaration of two nouns.
4. Synopsis of a verb.
5. Comprehensive translation.
6. Questions on background.
7. Sight translation.
8. Questions on mythology.
9. Two derivatives from each of five Latin words, each to be used in a sentence.

GIRL GRADUATES TO ATTEND MEET OF COLLEGE CLUB

Senior Girls and Mothers Invited to Meeting at the Little Art Theatre

FIRST TIME PLAN TRIED

Four Members of Club to Give Short Talks; Miss Wilbur in Charge

Invitations have been issued to all senior girls of the city and their mothers to attend a meeting of the College Club to be held in their honor February 18 at 4 o'clock at the Little Art Theatre. Admission will be by invitation only.

Social Department in Charge Miss Flora Wilbur, president of the College club, will probably have charge of the meeting, which is being planned by the social department under Mrs. Guy Mahurin.

Miss Edith Garrett, Mrs. Ben Pirley Weaver, Mrs. H. C. Storr, and Mrs. W. Page Yarnelle, members of the club, will give short talks.

First Time For Plan This is the first time that the club has given a party for the senior girls and a successful meeting is expected.

Give Concert A concert was given by the Dallen (Or.) high school band for the benefit of their grandstand fund.

BIG PRIZES AWAIT WINNING ORATORS IN FOSENSIC MEET

(Continued from page 1)

the capitals of European countries and to the various points of interest. During the summer, the winners of independent the conducted national contests in France, England, Germany, Mexico, and possibly in some other countries will have a number of meetings. Then at the grand climax to the whole contest, which will come in Washington on October 26, these national champions will deliver orations about the particular governmental contributions of their respective countries. The winner will be hailed as the youthful oratorical champion of the world. This is what any South Side with sufficient ability can be.

Corbett Wins \$500

Last year, in the 1925 contest, Frances E. Corbett, of Central Catholic high school of Fort Wayne, won first place in the state finals but was defeated in the territorial contest. As the winner of the state eliminations, he received the \$500 award supplied by the Indianapolis News. South Side's representative, Power W. Karr, was defeated by him in the county eliminations. In all \$7,000 was distributed to the winners in the county, district, and territorial contests in Indiana last year. The amount for this year has not been announced.

Purposes of Contest The objects of the 1926 contest, as given in the Indianapolis News for January 25, 1926, sponsor of the contest in Indiana, are:

First. To increase interest in and respect for the basic principles of government in each of the participating countries.

Second. To promote a better understanding among nations by means of a frank and friendly exchange of national viewpoints.

Third. To stimulate scholastic enthusiasm for intellectual, as contrasted with purely athletic pursuits.

The orations in the United States will be about these subjects: "The Constitution of the United States," "Washington, Hamilton, Jefferson, Franklin, Marshall, Madison, Webster, or Lincoln and the Constitution," and "America's Contribution to Constitutional government."

Contests Are Liked

Everywhere the contests are hailed with enthusiasm. President Coolidge, in his speech at the final meeting of the 1925 contest in Washington last May, described the movement as "the greatest competition of its kind ever held in the world."

The Indiana State Bar association, through its committee on constitutional education, speaks of the contest as "a means of creating interest in those things that are so essential in the preservation of our free institutions, and in training for a more enlightened and loyal American citizenship."

Large Increases In 1924, 10,000 pupils in Indiana prepared orations for the first National Oratorical contest on the Constitution. Last year, Frances Corbett won the championship in the contest in which 3,200 boys and girls took part. The increase of participants was about 120 per cent.

PHILO AND ART CLUBS PLAN JOINT MEETING

Washington's Birthday Will Be Main Feature of Program; Each Organization Arranging a Surprise

George Washington's birthday will be observed at the joint meeting of the Philaethian literary society and the Art club which will be held Monday, February 22, at 3 o'clock, in Room 86.

Each club is planning a very clever program which will be presented as a surprise to the other.

Instead of holding a regular business meeting this week, Philaethian members enjoyed a theatre party at the Palace Monday evening.

LAST OF FORUMS OF FIRST SERIES IS NEXT SUNDAY

"War or Peace" To Be Discussed at Final Meet; Mrs. Lane To Lead

SECOND GROUP TO BE HELD

Rev. James Strachan Leads Last Debate on "Ideal Boy and Ideal Girl"

"War or Peace" is the topic to be discussed at the fifth meeting of the Forum series, to be held next Sunday afternoon at 3 o'clock in the boys' lobby of the Y. M. C. A. Mrs. C. T. Lane is the scheduled leader, and John McMean, of Central, is the chairman. Mrs. Lane is particularly well qualified to lead in this discussion because of her trip last summer through Continental Europe and the Balkan states. This is a big topic about which young people the world over are thinking a great deal.

Health Is Essential

The subject discussed last Sunday under the leadership of Rev. James Strachan, pastor of the South Wayne Baptist church, was "The Ideal Boy and the Ideal Girl." Rev. Mr. Strachan in his part of the program brought out as essentials of the ideal boy or girl physical health, mentality, sociability, and religious life. One of the questions which arose was, "Should the ideal boy and the ideal girl have the same standard?" The opinion of the majority was that they do not.

The modern girl was discussed with reference to her trying to change the standard for girls.

Cornelia Bade, of South Side, presided.

Music Followed Discussion

Virginia Hackney, a student at South Side, played a piano selection, and Gerald Ammerman, also a pupil at South Side, entertained with a saxophone solo. Harry Williams directed the singing, and Mr. Hamilton led in the devotions.

One hundred and seventy-four boys and girls attended the meeting. South Side again had the majority of those present.

Another Series of Forums

Another series of Forums will be started beginning Sunday, February 28. The schedule has not yet been made out.

LIBRARY TO CONDUCT SHIP MODEL EXHIBIT

Indianapolis Exhibit Successful; Manual Training Boys May Make Copies

Ship models will be exhibited at the public library probably some time in March. Anyone who has a ship model is asked to loan it to the library for this exhibit.

An exhibition was recently held in Indianapolis, at which miniature copies of Hudson's "Half Moon," the "Mayflower," "Santa Maria," a Viking ship, the clipper and sloop formerly so popular, and many other models were shown. Many other cities have also had ship exhibits.

These boats may be made by boys in the manual training department, as was done in other exhibits.

## CENTRAL TEACHER CHOSEN HEAD OF NORTH SIDE HIGH

**M. H. Northrup Named as  
Principal of New High  
School by School  
Board**

## APPOINTEE IS WELL LIKED

**Teachers of South Side Believe  
Mr. Northrup Will Fill Po-  
sition With Ability**

Milton H. Northrup, head of the commercial department at Central, was appointed principal of the North Side High School by the school board, upon recommendation of Superintendent L. C. Ward, at a meeting held Friday evening, February 12.

Mr. Ward selected Mr. Northrup as principal because he has been teaching at Central about eleven years and has shown that he can carry all the responsibilities of high school duties. He has also demonstrated that he can handle the students of a high school.

### Is Popular at Central

Mr. Northrup has been a very popular member of the faculty at Central High School during his term there. He has acted as treasurer for many student organizations in the school.

He is a graduate of the University of Michigan, where he received his bachelor's degree in the School of Business Administration. He entered the public school system of Fort Wayne after he had completed a course in economics.

### Mr. Harris Approves Selection

"I believe that the school board has made an excellent selection in choosing Mr. Northrup principal of North Side High School," said Mr. Harris. "Mr. Northrup has filled the position of business manager of athletics for Central High School for the last four years."

(Continued on page 8)

## D. C. WATSON ADDRESSES PUPILS OF SOUTH SIDE

**Speaker Discusses "Greatest Fun In  
World"; Urges Study and Ap-  
preciation of Art**

Dudley Crafts Watson, one of the best speakers in the United States, gave a very interesting talk on "The Greatest Fun in the World," Monday during the fourth period.

He was introduced by Mr. Carl S. Bolander, head of the Little Art Theatre, who obtained him as speaker.

Mr. Watson, who comes from the Art Institute of Chicago, has lectured in seventeen different states during the month of January.

### Tells of Early Experiences

Mr. Watson gave the pupils a glimpse of his early boyhood and some of the happy incidents in his boyhood days. He also told how and why he came to take up the study of art. He said that his teachers ask him what he was going to take up when he went to college. He told that he was going to take the mechanical engineering course, as was the wish of his father. His teachers told him that he would never make good at this kind of course which he took it two years to please his father.

He said that happiness is really the making or producing of things by ourselves. He gave statistics to show that the American people are spending their time foolishly. He said that the American people spend 70,000,000 hours a day attending shows. This time could be really used to a better advantage. If they were to spend only 15 minutes a day in the practice of some kind of art they could soon see a great improvement in their work.

### Urges Self-Expression

He urged all students, no matter what line of work they may take up, to show self-expression in their work, as it is the only way to fame.

He said that one kind of fun is the participation in the fine arts or in the appreciation of them. This he illustrated by showing how some people go through an art theatre. He said that he would rather people would never go near them at all than to go through and not make any comments on the paintings and drawings. He said he believed that every one is a He begged the students to try and become amateurs in all things.

## HEALTH DISCUSSION TO FEATURE U. S. A.

**Miss Katherine Jackson To Give Talk;  
Five New Members  
Sign Up**

"Health" is the topic to be discussed by Miss Katherine Jackson, assistant health education director at the U. S. A. club, at the meeting of the U. S. A. club to be held tonight in Room 86, at 3:00 p. m. Besides this the program will consist of music and some readings. Refreshments will be served at the close of the meeting.

As a result of the membership drive the following girls signed up: Jeanette Blough, Helen Hawkins, Thelma Smith, Alberta Shearer, and Rosanna Haven.

### Has Tonsils Removed

Dorothy Johnson has returned to school, after a week's absence. She had her tonsils removed.

## Honor Students of South Side are Leaders In Extra-Curricular Activities of School

**Principal is Chosen  
For New High School**

**M. H. Northrup**  
Milton H. Northrup has been appointed principal of the North Side High School. This appointment was made by the school board upon the recommendation of Mr. Ward.

## MRS. LANE LEADS FORUM DISCUSSION ON "WAR OR PEACE"

**One Hundred and Forty-  
three Persons Attend  
Last Meeting of  
First Series**

## JOHN McNEAN CHAIRMAN

**Second Group of Forums Ar-  
ranged To Begin on Sun-  
day, February 28**

"War or Peace" was the topic for discussion at the last Forum meeting of the first series, held at the Y. M. C. A., Sunday, February 14. Mrs. C. T. Lane was the speaker and was introduced by John McNeen, the chairman, who is president of Central Junior Hi-Y. One hundred and forty-three persons were present.

### Songs Sung

The meeting was opened with a prayer by Mr. Hamilton, Y. M. C. A. boys' secretary. Several songs were sung: "America the Beautiful" and "A Firmer Foundation." Mrs. Lane opened the Forum by discussing what war is. "War means the destruction of life and property," was the conclusion reached on this question. A number of questions in regard to the method of settling disputes, the causes of war, and the avoiding of the next war, were discussed.

### Plan New Series

After the discussion it was decided that the next series of forums will begin February 28, having an intermission of one Sunday. Ice cream lollipops were served at the close of the Forum.

## PHILO AND ART CLUBS TO HAVE JOINT MEET

**George Washington's Birthday Is To  
Feature Event; Special Programs  
Planned by Both Clubs**

"So delightful is the program which will be carried out at the joint meeting of the Philaethian Literary society and Art club Monday afternoon, George Washington's birthday anniversary, that members who attend this meeting will almost be able to imagine themselves living during the time of Washington himself," said Wilda Bowser, chairman of the Philo program committee.

Both the clubs have planned special programs, and each will be a surprise for the other club. All the members of both the clubs are invited to attend.

The program will be somewhat as follows:  
Richard Moores  
Solo  
Thelma Birley  
Readings  
Elvah Miller  
Solo  
Miss Perkins  
Sketch of George Washington  
Virginia King  
Anecdotes of Washington  
Kathryn Chapman  
Stunt  
Martha and Geo. Washington

## Math Teachers Instruct Miss Fiedler's Classes

Other members of the mathematics department are taking Miss Fiedler's five classes during her absence because of illness, which has lasted nearly two weeks.

Mr. Virt teaches her algebra 1 class, period one; Miss Hodgson her geometry 2 class, period two; Miss Thorne her algebra 4 class, period four, and Mr. Welborn her arithmetic 1 class the eighth period. Because of this help, Miss Fiedler will not have to rush her classes through to make up missed work.

### Class Has Speed Test

Mr. Morris' first period typing class had a speed test last Wednesday.

**Many Hold Important Offices In  
Organizations; Spend Time  
Other Than in Study.**

Few of the South Side students who made the last honor roll spent all their time in studying. Most all of them participated in the activities of the school.

Besides qualifying for the honor roll, Pauline Baumgartner was general manager of the Times, a member of the So-Si-Y, the Math-Science, and the Wrangler clubs.

### Debater Gets Honors

The president of the So-Si-Y, Cornelia Bade, was also a member of the Wranglers and the Math-Science clubs and was on the Totem staff. Besides these activities, Cornelia was a member of the championship debate team, and the winner of the extemporaneous contest.

Maurice Felger, president of the Math-Science club, qualified for the honor roll.

Dorothy Somers, who also made the honor roll, was president of the Philaethian club, and secretary of the So-Si-Y club.

Elizabeth Suter, who received five A's, was president of the U. S. A. club and a member of the Math-Science club.

### Editor Gets on Roll

Ruth Eickmeyer was president of the Wranglers, a member of the So-Si-Y and Math-Science clubs, a participant of the extemporaneous contest, a member of the debate team, and editor of the Times. She also started work on the Totem as senior editor.

Kathryn Chapman, secretary of the Philaethian club, was also secretary of the Math-Science club, and a member of the So-Si-Y club.

The treasurer of the Philaethians, Beatrice Riecke, also made the honor roll.

Gertrude Schuelke, managing editor of the Times, was a member of the debate team, vice-president of the Wranglers, and was prominent in the So-Si-Y and Math-Science clubs.

## TEN SOUTH SIDERS WILL PARTICIPATE IN COUNTY TEST

**To Compete with Surround-  
ing Towns in Second of  
Series of Latin Con-  
tests, February 27**

## TWO TIES OCCUR HERE

**All Who Make Equal Grades for  
First or Second Place Will  
Enter Competition**

From the original 171 who took the local test last Friday, ten South Side Latin students will take the county contest at Central High School, February 27.

The names and the grades of the winners are:  
Division 1B: Barlett Ewell, 92.2; Winford Horn, 88.4; Albert Semminger, 86.4.  
Division 1A: Harold Morris, 91.3; Richard Kent, 91.3; Ann Barrett, 86.8.  
Division II: Olive Prine, 94.5; Margaret Pocock, 82.  
Division III: Dorothea Davenport, 91; William Dimeier, 88.9.  
Division IV: Mary Pocock, 90; Pauline Baumgartner, 82.

In the case of the ties in the 1B and 1A divisions, both persons will write the next test, plus the other who is first or second.  
After the county examinations come the district on March 27 and the state on April 9.

Franklin Smith, who won the state gold medal in the Caesar division last year, is out of the running. Pauline (Continued on page 8)

## TEACHERS' ANNUAL SOCIAL FEBRUARY 22

**Faculty Get-Together Will Be En-  
livened by Play, Music and  
Refreshments**

The second annual social affair of the Fort Wayne Teachers' association will be given February 22, in the club rooms of the Plymouth Congregational church at 7:30 p. m.

"This affair promises to be the best ever given," said Mr. Gould, president of the association.

Miss Suter, who is in charge of the dramatics at Central High School, will give a play, assisted by some of the students.

Special music will also be a feature of the program.

The program will then conclude with games and eats.

The purpose of the affair is to aid the teaching corps of Fort Wayne in becoming better acquainted.

### Freshmen Given Tests

All incoming 9B's in North Central high school, Spokane, Wash., are required to take an intelligence test. The purpose is to find out the standing of the freshmen.

### Pupils Test Cloth

To find the defects of cloth the sewing classes of San Antonio (Texas) high school apply certain chemical tests; in this way defects and substitutions in cloth are quickly discovered.

## P-T. CLUB TO HAVE SOCIAL GATHERING NEXT WEDNESDAY

**Parent-Teacher Association  
To Meet in Room 86  
for First Meeting  
of Term**

## MR. SCHAFER IN CHARGE

**South Siders To Furnish Enter-  
tainment; Refreshments  
To Be Served**

The first Parent-Teacher meeting of this semester will be held Wednesday, February 24, in Room 86.

Mrs. William C. Rastetter, president of the organization, announced

**Mrs. Wm. C. Rastetter**

that this will be a social gathering. The program will be furnished by South Side pupils and teachers. At the close of the meeting refreshments will be served.

The program will be in charge of Mr. Schafer, who will have some South Side musical organization appear. Another number will be given by the Girl Scouts. A dance, given by Dorothy Niebergall, Dorothy Underwood, Florence Kendrick, Mildred Chenoweth, Katherine Pepper, Ruth Stroebel, Jeanette Durvey, Ruth Egan and Betty Ray, will conclude the program. The music for the dance will be played by Virginia Hackney.

Several announcements will be made after the social hour is over.

Other officers of the club are: Mrs. Henry Beadell, treasurer, and Mrs. A. G. Barry, secretary. Mrs. George Gillie is chairman of the program committee, Mrs. Byron Somers, chairman of the ways and means committee, and Mrs. Oscar G. Foellinger, chairman of the publicity committee.

## NEUTRAL DIVISION LINE TO SEPARATE SCHOOLS

**Pupils Living Nearer South Side May  
Attend Here; Cards Are Being Di-  
vided for Central and S. S.**

"There is talk of a neutral division line between South Side and Central next fall; that is, that anyone living closer to Central may go to Central, if they choose, and the same with South Side," said Mr. Harris, "but this will not affect the enrollment of South Side, I think."

The new divisional lines have been drawn between Central and North Side High Schools at the St. Mary's and Maumee rivers east of Wells street and the Nickel Plate tracks, west of Wells street.

The pupils' cards at Central are now being divided, according to this division, by Mr. Northrup, principal of North Side High School, and Fred H. Croninger, principal of Central High School.

The plan is that the student body of Central of about 1,300, shall be divided so that approximately 700 pupils will attend North Side High School and 600 Central. L. C. Ward, superintendent of public schools, said the division line may be changed after the cards have been divided.

After the territory is divided, the Bloomingdale and Forest Park eighth grade graduates will go to North Side, the Harman and Jefferson will attend Central, and the James H. Smart, Hoagland, and Harrison Hill will enter South Side.

## Business Girls to Air Views at Conference

A conference of the young business girls will be held next Saturday and Sunday, February 20 and 21, at the Y. W. C. A. The towns represented will be Indianapolis, Muncie, Marion, South Bend, Anderson, Shelbyville, Elkhart, and Fort Wayne.

Two national secretaries, Miss Ethel Cutler and Miss Reynolds, from New York, will be present.

The chairmen of the committees are: Mary Forker, general arrangements; Iantha Weinland, housing committee; Nora Muny, Saturday evening banquet; Doris Conn, Sunday dinner; and Ethel Masterson, Sunday ceremonial.

The hostess clubs are Gracchi club, Triangle club, Puellae Comites, Wolf & Dessauer Girls' club and I. Y. G. C. (International Business College Girls).

### Make Dovetail Joints

The 9B woodwork classes are making dovetail joints. They will soon decide which piece of furniture they will make later on in the term.

## Heterogeneous Mixture of People, Animals, Furniture and Scenery Found in School

**Names of Students in South  
Side High School Furnish  
Ample Material for Story.**

Gr-r-r! Two Baers, a Fox, a Wolf, a Crane, and a whole Herd besides, are roaming around the halls of South Side. And then the variety of industries represented!

There are five Bakers, two Barbers, two Cooks, a Copp, a Butcher, a Butler (and his Kises), two Carpenters, three Miners, a Goldsmith, a Gardner, a Fisher, eleven Millers and two Mills, two Merchants, a Raker and two Hays (loads, d'ye s'pose?), a Speaker, and two Sellers.

### Courty Society Is Here

Then, there's a whole court wandering around, with two Kings, one being a Bachelor, with two Brothers, a Knight, Nobles, Lords, a Gaylord, a Joker, a Baron, three Harpers with only two Harps, and a Dancer who wears two Roses and a Rubey.

It would seem as though South Side was not observing the Volstead Act, as there are a Stein and some Grogg still to be found.

There is also a Church and a Chapel, and two Halls, a Gable, and a Frame to help them. Then the building is literally flooded with Brooks, two Cricks, a Pond and a Lake. There is a Ferry to help the students get to class.

### Plenty of Furniture Found

Besides this variety of creatures and buildings and scenery, furniture, such as, two Davenport and a Cott, are also found. Two Horns and two Balls furnish playthings and Pepper and Spice live things up.

A Hood, a Mitten, and a Hankie are accessories, and two Marvels, a Dancer, and a bare-back Rider provide excitement and amusement.

There are just three Miles in the building; three Rays (not X-rays) provide light. Two Flaigs wander through the halls instead of floating from the flag-pole, and even a Patch wanders at large.

## TO FINISH TAKING TOTEM PORTRAITS DURING NEXT WEEK

**Class Editors Are Busy  
Cutting Down Finished  
Pictures for Class  
Panels**

## SNAPSHOT CONTEST BEGUN

**Prizes of One Dollar Are Being  
Offered for Most, Best and  
Funniest Snaps**

Although the taking of individual pictures for the class sections of the Totem will be continued until next Friday, work on the class panels is already under way; and the various class editors are busy cutting down portraits and getting them ready to be sent to the engraver.

By bringing one dollar, which partly covers the cost of making the cut for the year book, to Miss Harvey in Room 29, any student can have his picture in his class section. The receipt which she issues upon the payment of this money authorizes the Jefferson Studio to take the picture.

### Prizes Given For Snaps

In an attempt to get interesting pictures for the snapshot section of the annual, Mildred Scott, snapshot editor, is staging a snapshot contest. As a special stimulus three prizes of one dollar each are being offered for the most, the best, and the funniest snaps. The pictures should be of South Side students and teachers, the games, the school, familiar places around school, and any hike or spree in which (Continued on page 8)

## TALKS TO FEATURE MATH-SCIENCE MEET

**Mr. Whelan and Walter Zahrt To  
Speak; Committees To Be  
Elected**

"The Origin of Life" and "Fables Connected with the Early History of Mathematics," are the topics to be discussed by Mr. Whelan and Walter Zahrt at the next Math-Science meeting to be held in Room 86, on Friday, February 19, at 7:30 o'clock.

Beginning with this date, Walter Hallstein, president; Dorothy Enrich, vice-president; Walter Zahrt, secretary, and Wesley Feilmee, treasurer, will assume their duties.

Following a plan suggested by Walter Hallstein, president, the chairmen of the social, program, and entertainment committees are to be elected by the members. The chairmen may then select their assistants.

## Room 86 Repainted; Ready For Use Soon

Room 86 has just been repainted by the order of Mr. Collier, business manager of the public schools. The color is cream, the same as that of the other rooms of the school.

Mrs. Lang, of the Parent-Teachers' association, said in two more weeks the room will be completely furnished and ready for use as a club room.

**Vernon Sheldon Chosen  
Director of Senior Play**

**Vernon C. Sheldon**

Vernon C. Sheldon, director of the Sheldon School of Speech, and also a member of several civic clubs, has been again selected to coach South Side's senior class play.

## JOINT GRADUATION PLAN ABANDONED BY BOTH SCHOOLS

**Opposition to the Scheme  
Given as Reason for Dis-  
carding Double  
Commencement**

## MR. RYAN IS SPEAKER

**Anderson Man To Address South  
Side Graduates; Diplomas to  
Be Presented as Usual**

Since the idea of having a joint commencement for South Side and Central has been definitely abandoned, South Side's graduating class will be addressed on June 9 in the South Side gymnasium by Oswald Ryan, the speaker who had been obtained to deliver the address at the proposed joint commencement of South Side and Central.

Mr. Ryan, of Anderson, Indiana, is an able speaker and competent lawyer and South Side is fortunate in securing him for the commencement program.

### Ryan Is Able Speaker

Mr. Ward said, "I believe that Mr. Ryan will deliver the finest commencement address that has been given in Fort Wayne for ten years."

The address to be delivered this year will probably be on a patriotic theme.

### No Definite Plans Made

"The exercises this year will be similar to those of a year ago," Mr. Harris said, "but no definite plan has been made yet regarding them." Contrary to the general opinion that the diplomas will not be presented individual, Mr. Harris said that he thought it (Continued on page 8)

## DISCUSSION IS FEATURE FOR WRANGLER'S MEET

**County Unit Plan Will Be Explained  
Tomorrow in Room 86, at 3  
o'Clock**

A discussion of the county unit plan will be the main feature of the "Wranglers' meeting" which will be held tomorrow at 3:00 p. m. in Room 86. Cornelia Bade, who is representing South Side in the county discussion contest, the question being the county unit plan, will tell about this system. The discussion will then follow as to whether or not Allen county or Indiana should adopt this plan.

Thelma Gasser will give several readings and then the club will have about fifteen minutes of parliamentary drill.

Gertrude Schuelke, the new president, urges all students, especially the underclassmen, who are interested in public speaking or "wrangling," or who enjoy hearing other people, to come to the meeting.

## Col. D. N. Foster Talks To Junior Hi-Y Club

Colonel D. N. Foster gave a very interesting talk on "Personal Reminiscences of Abraham Lincoln" at the meeting of the Junior Hi-Y yesterday evening. Before the address, a swimming contest was held between the members of the Junior Hi-Y clubs of Central and South Side.

Tom Church, Kenneth Lyttle, and Andrew Shalley were voted upon favorably by the executive committee, and after receiving initiatory work, will become members of the South Side club.

### Comes From Huntington

William Stults has entered South Side High School as a freshman. He formerly attended Huntington high school.

### Radiators Changed

The radiators have been taken from the north wall on the cafeteria incline and have been placed in the cafeteria along the north wall.

## 1926 CLASS PLAY WILL BE STAGED APRIL 9 AND 10

**Vernon C. Sheldon Again  
Is Chosen to Coach  
South Side Senior  
Production**

## TRY-OUT DATES ARE SET

**Presentation To Be Given at the  
Harrison Hill Auditorium Has  
Not Yet Been Selected**

The 1926 senior class play will be presented Friday and Saturday nights, April 9 and 10, in the Harrison Hill auditorium. Vernon C. Sheldon, who has coached the three former South Side senior productions with great success, will be in charge of this year's performances.

### Play Not Chosen

"The play has not yet been decided upon," says Mr. Harris. Miss Pittenger and Mr. Harris are now reading various plays and will make their decision in a few days as to the best play for the class to present.

### Try-Outs Set for March

Try-outs will be held some time within the week of March 15. All 12A's making passing grades will be eligible. Those carrying not more than four subjects are preferred.

The play will be held in the Harrison Hill auditorium so as to save money, since it would cost a great deal more to present the play in one of the large theatres.

The class of 1923 cleared \$200 on the play "Clarence." About \$300 was made on the production of the 1924 senior class, "Come Out of the Kitchen." The last year's senior class received a profit of \$301 from the presentation of "The Lottery Man." The 1925 play was given at the Harrison Hill auditorium, which was found quite satisfactory for this purpose.

## MISS JACKSON LEADS DISCUSSION ON HEALTH

**"Happy's Natural Beauty Parlor" Is  
Playlet Given by Dramatic  
Group To Aid Talk**

Wear things most suitable for the occasion, eat that which you need, and exercise discretion in habits that will give a most efficient body machine, was the advice given by Miss Jackson, assistant athletic director of the Y. W. C. A., at the health discussion of the So-Si-Y club, Tuesday, February 16.

"Happy's Natural Beauty Parlor," a short playlet, was then given by the dramatic group to aid Miss Jackson in her talk. Those who took part in this are:

Happy Burres  
Maggery Burres  
Byss Annis Thomas  
Rouge for Cheeks (Carrots)  
Jean Herd  
Complexion Cream (Oat Meal)  
Florence Hansen  
Water of Cleanliness (Wash Cloth and Soap)  
Martha Sherman  
Water of Life  
Virginia Danuser  
Skin Softener (Apple)  
Elizabeth Schmidt  
Mary Hale

### Decide On Picture

Preceding the talk, Cornelia Bade led the devotions. There was also a short business meeting pertaining to the Totem picture of So-Si-Y members.

It was decided that only members who had paid their dues would be permitted to have their pictures

## TIMES CAMPAIGN NEARS 900 MARK IN SECOND WEEK

Two Prizes Offered Room Agents Aid in Bringing in More Subscriptions to Paper

## EIGHT ROOMS REACH GOAL

Twenty-Seven First Period Classes Are Yet Below Seventy-Five Per Cent

Over eight hundred and fifty subscriptions for the Times have been turned in to date. This leaves about four hundred students who have not signed up for the coming issues.

As an added incentive for working, a first prize of five dollars in cash and a second prize of five pounds of Aurenz's chocolates will be given to the room agent who has turned in the most subscriptions of these four hundred by 2 o'clock on Friday, February 26. The agents have the liberty of the whole school in which to get their subscriptions, while many outside subscribers have been turned in by ambitious agents.

It is hoped that all of the students will have subscribed by the end of February.

### Eight Have 100 Per Cent

So far eight agents have turned their rooms up to a hundred per cent: Virginia Danuser in Room 4, Harry Wedler in Room 10, Robert Hickey in Room 18, Winifred Beeth in Room 28, Jack Clayton in Room 74, Richard Balmer in Room 96, and Marjorie Crick and Mildred Obenour in Rows F and J-K respectively in the study hall.

Fifty-three teachers out of fifty-nine have responded with their subscriptions. The remaining are expected to be signed up by the agents.

### Seventy on Mailing List

There are about seventy people now on the mailing list. The farthest distant of these is Andre Wehrle in Paris.

The following is the list of the room agents and their percentages:

No.	Teacher	Agent	Pct.
4	Suter	Virginia Danuser	100
6	Smeltz	Kathryn Wescher	99
8	Miller	Margaret Pocock	90
10	Murphy	Harry Wedler	100
12	Schmalzried	Betty Hutchens	72
14	Whelan	Alice Collier	93
16	Gordy	Eileen Heuer	53
18	Harvey	Robert Hickey	100
22	Huddleston	Dorothy Pollock	87
24	Parks	Clara Baumgartner	58
26	Morris	Virginia Kierke	88
28	Murch	Winifred Beeth	100
32	Work	Betty Ward	67
34	Fish	Martha Ruple	87
36	Woodward	Bernice Jenkins	75
42	Chappell	Don Connors	59
44	Arnold	John Kern	62
46	Spaulding	Richard Powell	43
50	Schellschmidt	Lloyd Roe	50
54	Fiedler	Marie Brown	55
56	Oppelt	Barrett Fletcher	91
58	Kiefer	Lavelle Stephens	42
60	Esarey	Doneta Jenkins	47
62	Kelly	John Agnew	53
66	Rinehart	Helen Crosby	80
68	Demaree	Martha Sherman	81
70	Rehorst	Amelia Kruckeberg	70
74	Null	Jack Clayton	100
76	Mott	Marcell Baals	94
77	Pape	Lucille Dutton	52
79	Spake	Dorothy Steiner	44
80	Hodgson	Earl Bolyard	68

N-O	Chapin	Tom Ward	76

If any mistakes occurred in the above list, the agent concerned should see Robert Thompson.

## EDITOR, SPORTS WRITER TAKE TIMES CONTESTS

Gertrude Schuelke and Frank Robertson Write Best Story and Headlines in the Last Issue

To Gertrude Schuelke, editor, and Frank Robertson, sports editor, the judges of the Times story and headline contests awarded first places last week. The winning article was the lengthy but complete story on the National Oratorical contest, for which the head was second and written by the same person.

Frank compiled the head for the Central-South Side game and also was the author of the Central advance, which was considered third among the stories. He wrote the third best head, too.

Harry Wedler took second with his article on the Boy Scouts, and also won honorable mention.

Others who deserve honorable mention are Elsie Crane, Frank Bernhard, Ruth Eickmeyer, Mary Pocock, Mildred Scott, Richard Balmer, Heine Foellinger, Elizabeth Schmidt, and Margery Bures.

"Interest is increasing," says Pauline Baumgartner, who is in charge, "and the contests are gaining their purpose. A scribble was dealt a few dishonorable mentions last week, but this week he profited by the corrections given him and won high honors."

### Good Spelling Emphasized

Each student of Kansas City (Mo.) high school receives lists of difficult words to learn to spell. In these lists are from 250 to 300 words, the freshmen's being the easiest and the seniors' the hardest.

## South Side Has Good Typists

Gertrude Grimes Helen Goette Winifred Gunter Mercedes Nossett Martha Meyers

The pupils shown above are the speediest typists in the advanced typing classes. Mercedes Nossett and Gertrude Grimes type sixty words per minute. Martha Meyers, Winifred Gunter, and Helen Goette are only five words a minute slower.

When they were asked how their speed was acquired, Mercedes Nossett and Winifred Gunter said they owed their speed to piano playing, as the muscular control they obtained in playing the piano helped them in their typing. The other three girls' speed seems to come to them naturally.

## South Side Teachers Relate Varied Stories About Their First Experience in Profession

Instructors Pass Apprenticeships in Mountain, Country, and City Schools.

### Experience Found Interesting

(By Margaret Pocock)

Who would have thought that our South Side teachers could have had such early teaching experiences as I am about to relate? One even taught in the mountain district of Oregon; another in a country school; a third right here in Fort Wayne; a fourth taught swimming, and a fifth had experiences in a city school.

### School Was In Mountains

"My first year of teaching was certainly uneventful but my fourth year made up for that," said Miss Hodgson. "I taught in a country school in the mountains of Oregon," she continued, "and I had thirteen pupils in good weather, and sometimes only one in stormy weather. I rode horseback to school, which was three miles away, and I was not the only one who traveled in that way, because many of the children who lived more than three or four miles rode horseback to school. Those who traveled over the pasture lands of the wild cattle came on foot and always brought dogs with them to protect them from the cattle."

"We all carried our lunch to school and also our water in desert water bags."

### Postoffice Far Away

"The nearest postoffice was thirty-two miles away and we got our mail three times a week if the weather was not rainy. It was sometimes brought in an automobile and sometimes in a stage or in a wagon."

"I boarded at a house which was the center for all the stage coaches and I met many interesting people. It was during the World War and many buyers came west for the purpose of buying horses for the United States cavalry. I certainly enjoyed my teaching that year," Miss Hodgson concluded.

### Had Ten-Minute Recitations

Mr. Null says that he taught seven grades in a country school. The recitations were ten minutes in length. He received \$9.75 per week while teaching there.

He said that he was told by all the parents of the children to "thrash the kids without mercy," and he did it.

Miss Kiefer gives an interesting account of her first experiences, which happened right here in Fort Wayne. "My first teaching experience was of the kind for which any young teacher starting out in the profession may well be grateful," began Miss Kiefer. "It was such an interesting if not delightful surprise," she went on. "After being graduated from high school, I had entered the Fort Wayne Normal school rather unwillingly. My ambition had been to take a four-year college course and prepare to be well, anything but a teacher."

### Miss Kiefer Had Full Program

"I fully expected to act as a substitute teacher for the first semester after graduation and then teach in a second or third grade. However, there happened to be just at that time, an opening for a teacher of German in two of the city schools, Harnar and Bloomingdale. I was given the place and liked it from the first, although the work was not easy."

"I taught twelve or fourteen classes in German in each of the two schools every day. My pupils ranged in age from 6 to 17 years. I had little time to get from school to school, and no time between classes. None of my recitation periods was more than twenty minutes long. My program was something like this: 8:30 to 12, Harnar; 1:00 to 2:30, Bloomingdale; 2:50 to 4:30, Old High School."

## AID IN CHOOSING COLLEGE PLANNED FOR SENIOR GIRLS

College Club to Discuss Advanced Schools at Meeting With Girls of Graduating Class

## CLUB TO MAKE LOANS

Fund Available for Graduates Who Wish to Enter College But Lack Money

"Colleges" will be the subject for discussion at the social meeting which will be held at the Little Art theatre this afternoon by the College club in honor of the senior girls in this city. All girls of the graduating class and their mothers are invited to attend the meeting which will be at 4:00 o'clock. Admission will be by invitation only.

Miss Flora Wilbur, president of the College club, will probably preside at the meeting which is being planned by the social committee under the direction of Mrs. Guy Mahurin.

### Advice Will Be Offered

Several members of the club will give short talks concerning the different kinds of colleges, and will give suggestions to the girls as to the proper schools to attend.

Mrs. Ben Pirely Weaver will talk about the technical colleges and the professions which are open for girls. "Objectives and Life at a Large Eastern College" will be Mrs. Parnell's subject for discussion.

Mrs. H. C. Story will tell of the small colleges and denominational schools in the middle west. State universities will be discussed by Miss Edith Garrett, who is secretary at the Y. W. C. A.

### Loan Fund To Be Explained

The loan fund which has been instituted recently by the College club will be explained to the girls by Mrs. Walter Kent who is chairman of the Loan fund committee. This fund which is being supported by the members of the club will be for the benefit of any senior girl, providing that she can get recommendations. This money will be available for girls only who do not have sufficient funds to attend school.

Girls may borrow this money without interest until three years after they have graduated. If by this time they are not able to pay it back, interest will be charged.

with velvet trousers and ruffled blouse, decided upon his career and began his training as a coal man. That was the year that John broke in to the school on the Sabbath, helped himself to the most valuable possessions, banged the piano into eternal silence, and poured ink on the stair steps. The other forty-five pupils? Some were good; some were bad; they were all the most exceptional children I ever taught.

"My lessons were more valuable and lasting than those of the children. I learned the joy of responsibility for others, the thrill of eager work, the satisfaction of measuring results. I learned to protect my health and not to worry," Miss Rinehart said in summing up the benefits of that first year. "Best of all, I made great progress in understanding and enjoying boys and girls."

## Lois Rousseau Wins Four-Year Scholarship To Purdue University and Trip to Capital

Central Student Is Awarded the State Championship for Club Work.

A four year scholarship to Purdue University and a trip to Washington, D. C., with the privilege of meeting President Coolidge, were the awards made to Lois Rousseau, Central High School freshman, by Purdue University for the club work she did last summer.

Lois Rousseau

Lois was given the state championship honor when the judges found that her interest in the work, shown by attendance at meetings, observance of health rules, her originality in creating sick room equipment, and her written reports, was best in Indiana.

Lois is a member of the Anthony Wayne Nightingale club which is led by Mrs. Henry Kinner. This club is a part of the rural extension authorized by Purdue University. Several townships in Allen county carry out this club work. The members of the clubs were instructed by the local leaders and the Red Cross nursing staff last summer.

"If the university starts a third year health project, I will enroll and work as hard as I did last summer," Lois said.

She plays on the Central basketball team. She also has other high school interests for she says, "Some of these days I hope to be a member of the Central High School orchestra."

Lois is looking forward with interest to the privilege of meeting the President.

## POSITIONS ARE NOW FILLED ON TIMES

Suitable Persons Found for Different Jobs; Much Work To Be Done By Entire Staff

The positions on the Times staff are almost filled. Willis Klein has been chosen make-up editor. He has had the job of assistant sports editor for the first part of the term but, because of his ability, he has been advanced to his present position.

Robert Thompson has been selected for circulation manager. Bob has been doing some very good work at this job and should advance far as he is only a sophomore. Maxine Bennett will take over the exchange editor ship.

Frank Robertson will be sports editor while Mary Hale, Edith Kyles, Elsie Crane, Margery Bures, and Elizabeth Schmidt will retain their former positions. Richard Moores will continue to be cartoonist, while Lotie Dignan is alumni editor.

## MR. VIRTS WILL LEAD HI-Y MEETING TONIGHT

New Officers Were Installed at Last Gathering Held by Clubs of Both Schools

The weekly meeting of the Hi-Y will be held at the Y. M. C. A. this evening at 6:00 p. m. Mr. Virts, instructor of mathematics at South Side, will lead the discussion. A large crowd is expected tonight.

The new officers were installed at the last meeting held Thursday evening by both the Central and South Side clubs.

Each organization reported a very interesting meeting. The South Side Hi-Y discussed, under the leadership of Mr. Harris, the topic, "What is Cheating?" The Central boys enjoyed a talk by Mr. Aldred on parliamentary law.

Day's Visit in Office of the Principal Shows Head of School to be Busy at All Times

Agents, Times Reporters, and Telephone Calls Keep Mr. Harris on the Jump.

(By Tom Ward)

Not long ago an article appeared in the Times concerning a remark that a visiting teacher made about the session room. This remark was, "Of all the jobs in a high school, I would hate to be in charge of the session room." Evidently she had not been in the office or her opinion would more than likely have been very different.

Robert C. Harris

For one day's observation revealed the fact that not only has the principal all his regular duties to attend to, but he also has a whole host of worries and distractions that take his time and attention.

Just one day's visit at the office brought out the following program:

7:30 a. m.—Checks senior grade cards to see that seniors have proper amount of subjects and the right credits for graduation.

8:00 a. m.—Interviews pupils and teachers in regard to programs.

8:30 a. m.—Pupil comes in for conference on change of program. The pupil explains now there are seven children in the family and how they all come at different times for lunch. Mr. Harris finally plans so that they can change periods and still keep the same teachers. At the end the pupil says, "Just let me see it as before."

8:40 a. m.—Telephone rings—basketball fan wants reserved seats for the South Side Central game. He is informed that they are all gone. He wants to know how that is. He says that he is a taxpayer and that he has as much a right as anyone to come to the game and that he will see Mr. Ward; if Mr. Ward won't do anything, he will see the mayor.

8:50 a. m.—Custodian Stahl arrives. He wishes to draw Mr. Harris' attention to the condition of some lockers in the locker room. Explains how he has a new method of fixing them and would like to try it out. Mr. Harris consents to try it out.

9:00 a. m.—Pupil comes in and says that his automobile had two blowouts on the way, and wants to know if he can be excused from making up the time. Mr. Harris allows him to make up part of the time and advises him to get a real automobile or walk.

9:10 a. m.—Opens and reads correspondence; dictates replies for the same.

9:45 a. m.—Dr. Kane and the nurse arrive to examine pupils. Miss Pittenger is assigned to take care of them.

10:00 a. m.—Book agent arrives. He wants to interview the English teachers on a new text that has just come out. It is just taking the country by storm. Mr. Harris furnishes him with a map and program of the teachers and allows him to see the teacher between periods.

10:05 a. m.—Prepares a bulletin for the third period. Contains announcements concerning Hi-Y, basketball, Times, Totem, and a lecture that will be given the following week; also a report from teachers as to number in classes. Some of the notices are written out and fill half a page. Mr. Harris succeeds in cutting each down to one line.

10:15 a. m.—Times reporter brings in eight pages of proof and wants to know if he can have it all read and the part that should not go in cut out and if he can have the report in ten minutes. Mr. Harris plans to take five minutes for lunch and forty minutes to read proof.

10:30 a. m.—Mr. Harris takes a walk through the building, visits two or three class rooms, returns to the office and finds a representative of the

Humane Society waiting for him. He says he came to get those three dogs that have been bothering in the halls. 11:00 a. m.—Mr. Harris takes five minutes for lunch.

11:05 a. m.—Uses forty minutes to read proof. Everything is O. K. except a few personal remarks which are to be omitted.

11:45 a. m.—The nervous wreck from the American Seating company arrives to inspect the floors in Room 140. Reports that it is impossible to do anything.

12:00 m.—Stranger appears and asks to be shown into the office. Reaches into his pockets, pulls out three or four peanuts, and throws them out to Mr. Harris. "Don't say anything; try them first," Mr. Harris, somewhat suspiciously, nibbles at one of the peanuts. "Aren't they wonderful? Peanuts salted through the shell! Sanitary. Wholesome. Best in the land!" He explains how a profit of 100 per cent can be made by selling them in the schools. Mr. Harris replies that he is sorry he cannot use them, that he is busy running a school, and that if he should try to handle them, for every 10 cents of profit it would require 50 cents worth of janitor service to clean up the mess. For the same reason there is a rule against pop corn and lollypops with sticks being brought into the building.

1:00 p. m.—Telephone rings—long distance, Indianapolis on the line. High school there wants to know if we expect to bring South Side's band to the basketball game so that they can make provisions for seating the same.

1:30 p. m.—Insurance agent wishes to interview Mr. Harris. (Note—Mr. Harris is solicited for insurance on an average of about once a week.)

2:00 p. m.—Mr. Harris helps Deane McAfee check the cards in the office to see that they are properly filled out and numbered in order to save time later on.

3:00 p. m.—Parent comes in for interview concerning pupil who has been absent from school without leave.

5:00 p. m.—Telephone rings—Mrs. Harris on the line. "Do you figure on coming home today or tomorrow?" She wants to go to the hair dresser's and there is no one there to take care of Ben Alan.

Five Instructors Reared on Farms

Teachers Are Drawn To the Bright Lights of City to Seek Fortunes.

"How can you keep them down on the farm?" can be sung by some members of the faculty—from experience. Mr. Makey, Mr. Null, Mr. Murphy, Mr. Schmalzried, and Miss Woodward have all spent a part of their life upon the farm.

Mr. Makey lived on the farm from the time he was nine years old until he was eighteen, and he has worked occasionally on the farm since. He now raises strawberries and vegetables on his lot here in town.

"I prefer the city to the country, except that there is not enough room for children to play," Mr. Makey said when interviewed.

His lot has plenty of room for his children and, therefore, they are not "cooped" in as are many other city children.

Miss Woodward prefers the city to the country, although she was raised on a farm and her home is now in Uniondale.

Mr. Null farms during the summer months and likes the work very much, but evidently he prefers the city to the rustic life.

Mr. Schmalzried and Mr. Murphy spent their boyhood days on the farm, but, instead of staying "down on the farm," they have gone the way of the bright lights—to the city, to hunt their fortunes.

Thirty-Three South Siders Are Employed In Cafeteria During Three Lunch Periods

Thirty-three Dollars' Worth of Food Is Consumed Weekly by Help.

Thirty-three pupils are now employed in the cafeteria during the fourth, fifth and sixth periods, an increase of six pupils, over the number last semester. Eight are busy during the fourth period, and eighteen during the fifth period, and seven, the sixth.

Approximately thirty-three dollars are paid out in food for the helpers each week, being one dollar per week or twenty cents per day for each helper.

The number of students eating in the cafeteria is not as large this semester as last. "Central has more students eating in its cafeteria than has South Side, and this is the first time this has ever happened," Mrs. Hoham, head of the cafeteria, said yesterday.

The pupils now employed and the work which they are doing are as follows:

Fourth Period Paul Berlien, candy counter. Howard Morton, cleans trays. Russel Breneman, cleans trays. Marie Auer, wipes dishes. Roland Thompson, washes dishes. Burl Bennett, serves ice cream. Garland Breneman, cashier. Gladys Crick, cleans trays.

Fifth Period Mildred Brooks, hot food counter. Hazel Bridgman, hot food counter. Dorothy Pollack, salad counter. Marjorie Mossman, washes trays. Edith Kies, cleans trays. Richard Palmer, cleans trays. Philip Palmer, cleans trays. Cecil Kies, dish wiper. Brice Smith, tray washer.

Teachers Tell What Pupils Should Not Do; Gum Chewing Common Dislike of Instructors

Miss McCloskey Warns Bluffers; Miss Kiefer Does Not Favor Excuses.

(By Mildred Scott)

"What do I wish students wouldn't do? Don't ask me such a silly question. Why, I like them just as they are," flashed back Mr. Voorhees the other day when he was asked that question.

What did other teachers think about students? Well, they were all of about the same opinion as Mr. Voorhees. Everyone of them likes the students as a whole (if they didn't they wouldn't be teaching, they said.) Several of them, however, had some very good advice to give the pupils.

Fewer Excuses Wanted Miss Kiefer said that students would get along better in their school work if they would spend more time getting their lessons than making up excuses for not having them.

"Students should remember that they are getting their lessons for themselves and not for us," many of the teachers said.

"What riles my nerves more than anything else, is a bluffer," Miss McCloskey said. Miss McCloskey said that students don't get very far with it, because any teacher with common sense can tell a bluffer at first sight.

"Rooms Aren't Beauty Parlors" Some teachers suggested that the girls comb their hair and powder their noses before coming to class, instead of during it.

When Mr. Gilbert was asked what he wished students wouldn't do, he didn't take two seconds to say he wished they wouldn't chew gum in class.

Miss Rinehart said, "If they must chew gum, I wish they would empty their mouths before they come to class."

Has No Complaint "I cannot complain," was Miss Ley's sole comment.

"One suggestion I have for students is that they recite loud enough for everyone in the class to understand," said Mr. Makey.

Visit Industries The science classes of the Shelbyville high school, Shelbyville, Ind., have been making many visits to industrial plants. Very much interesting material has been obtained.

Form Latin Club The pupils of Richmond (Ind.) high school have formed a Latin club. Many pupils believe it to be a help to them in their study of Latin.

Plan Popularity Contest The students of the East Chicago high school are planning on holding a popularity contest. They are all eager to know who is the most popular boy and girl in their high school.

Learn Pasteurizing Steps The agriculture class of the Clinton high school, Clinton, Iowa, has been making very interesting visits at local dairies. This shows the students the different steps in pasteurizing milk.

Making History The history class of the Wayne high school, Wayne Township, are making a complete history of Wayne township. This history will cost about ten dollars.

## CHIEF WRANGLER OF DEBATE CLUB PICKED RECENTLY

Gertrude Schuelke Chosen  
Leader of Wranglers at  
Meeting Held Last  
Thursday

## SPELLING MATCH HELD

Elsbeth Crane, Willis Klein, and  
Alvah Corey Also Hold  
Offices

Gertrude Schuelke was elected chief wrangler at a recent meeting of the Wranglers in Room 86, while Elsbeth Crane was elected vice-president and chairman of the program committee; Willis Klein, secretary-treasurer; and Alvah Corey, sergeant-at-arms. After the election the new officers assumed their duties immediately.

A publicity committee composed of Thelma Gasser and Ruth Eickmeyer was appointed to get new members for the club, and to post notices of the meetings.

The main feature of the program consisted of an old-fashioned spelling match. Sides were chosen by captains, Chester Wyncken and Alvah Corey. Each person spelled some word beginning with the last letter of the previous word given. Captain Corey's team proved to be the better spellers, thus winning the match.

## FROSH ENGLISH PUPILS TOUR SCHOOL LIBRARY

Learn How to Use Files, Catalogs,  
Reference Books; Answer  
Questions

All freshman English classes made a tour of the library last Tuesday. After instruction was given by Miss Schulze, assisted by Mrs. Thompson, on "How to Use the Library," mimeographed questions were handed out to each pupil. These were assigned as a problem to make sure each student understood the method of using the library catalog, and reference books. One week is to be allowed for these questions to be answered and handed into the English teachers for grading.

This is the first time that a test of this kind has been carried out in the South Side High School. It is thought that it will be very successful as it will be a great aid to the students to know the resources of their library. If the students learn how to use the school library, they will know how to use any public library wherever it may be, Miss Schulze says.

The test consisted of questions about how to use the catalog, books, pictures, encyclopedias, and other reference books, and the way to find books by their listing or classification.

All up-to-date and well-equipped school libraries are giving this instruction to the students.

## EWELL AND AZAR NAMED PURDUE HONOR STUDENTS

Raymond Ewell Only Freshman Tak-  
ing Chemical Engineering  
To Get All A's

Raymond Ewell, '25, and Albert Azar, '25, have both been named on the mid-year honor roll of Purdue University. Raymond received A's in seven subjects while Azar made six A's and one B.

In order to get on the honor roll at Purdue, a student must make A's in 75 per cent of the semester's hours. These South Side alumni were two of six to make the freshman honor roll in chemical engineering.

Besides Ewell and Azar, several other former South Side students made a creditable showing at the mid-year. Among those who also made A grades are Ralph Dorantes, '24, King Sherman, '24, and Carl Rohrer, '24, all sophomores.

## New High School is Under Construction

Above is pictured the architect's prospective drawing of the North Side High School, which is now under construction. The plan consists of five wings extending out from the main circle of the structure.

It is hoped to have the school completed in time for classes next fall. Mr. Northrup, head of the commercial department and manager of athletics of Central High School, has been appointed principal.

Many outstanding features are included in the plans. There will be two gymnasiums, one of which will be for the girls. Above the girls' gymnasium is to be built the cafeteria. The main gymnasium will have a playing space of 90 by 55 feet, and will seat about four thousand. The swimming pool, 25 feet wide and 60 feet long, will be located in the second wing to the right of the main entrance. The library and a study hall will be above the pool on the second and third floors, respectively.

In the circle will be the auditorium, which will seat 1,140 on the main floor and 500 in the balcony.

The main entrance of the building faces the intersection of State boulevard and Spy Run avenue, and a drive along the St. Joseph river will also encircle the entire structure.

Work will begin on the stadium in time to have it finished for next fall's football season. The field is located to the north of the building.

### A.M. Degrees Owned By Twelve Teachers

Four Are Members of Mathe-  
matics Department; Others  
Instruct in English, His-  
tory, and Science.

Twelve South Side teachers have Master Degrees. This is about one fifth of the entire staff. Those reaching this height of learning are Miss Thorne, Mr. Murphy, Miss Paxton, Mr. Voorhees, Miss Fiedler, Mr. Rothert, Miss Demaree, Miss McCloskey, Miss Harvey, Mr. Virts, Miss Kelly, and Mr. Suter.

Seven of the degrees were obtained at Indiana University; two at Illinois University; and one each at Belmont College, Michigan University, and Columbia University.

Those receiving their advanced degrees at Indiana University and the years of award are: Miss Paxton 1911; Mr. Rothert, 1904; Miss Demaree, 1917; Miss McCloskey, 1913; Miss Harvey, 1923, and Mr. Virts, 1923. The degrees which were earned from Illinois University were obtained by Miss Thorne in 1914 and Mr. Murphy in 1916. Belmont's representative to South Side is Mr. Voorhees, who got his degree in 1880. Columbia sends to us Miss Kelly of the class of 1925 and Michigan University sends Miss Fiedler, who also received her degree in 1925.

The mathematics department with four has the most learned members; the English department is second with three; science and history come third with two each, and Latin comes last with one.

### Pictures Shown

Pictures were shown in the Parkersburg (W. Va.) auditorium last Monday to the chemistry, physics, and manual art classes.

### "His Brother's Keeper" To be Shown at Allen

The famous painting by Dollman, "Am I My Brother's Keeper," supplied the inspiration for the recently released motion picture, "His Brother's Keeper," produced by the International Typographical Union, which will appear on the screen at the Allen theater, one day only, Friday, February 19, and will be an added feature to the regular program. Dash and vigor, unusual in an educational film, characterizes "His Brother's Keeper," according to critics before whom it has been shown.

### Prepare For Contest

The Latin students of Crawfordsville, Ind., are busily preparing for the local Latin contest which will be held February 12. The representatives will be chosen to represent the school in further contests with other schools.

### Alumni Banquet Held

The 1924 class of the Columbia high school, South Orange, N. J., held a reunion in the lunch room of the school. There were about fifty alumni present, grouped according to the colleges they now represent.

### Study Art Costumes

The gym classes of Kansas City (Mo.) high school visited the art institute to get suggestions for costumes to be used in bym show.

### Honor Code Started

An honor code has been started by the pupils of the Renton (Wash.) high school. This code is to govern the actions and the behavior of the pupils while they are in school.

### Girls Exhibit Dresses

A dress exhibit was given by the members of the domestic science class of Clinton (Iowa) high school last month.

## MANY PUPILS ENJOY CURRENT MAGAZINES

Literary Digest and Review of Re-  
views Circulated for His-  
tory Students

Two hundred twenty-six Literary Digests are being used by the students at South Side. Eighty-eight are circulating copies, six copies are for the teachers, and one hundred thirty-two are individual copies. The net cost of the Literary Digest is \$193.

The Review of Reviews will be used by some of the history classes. Thirty-four copies of it were subscribed for. Thirty-three copies are now in the library and one is a teacher's copy. The total cost for the Review of Reviews was \$29.04.

The total amount collected for the magazine was \$227.61. The balance on hand is \$3.57.

The teachers will have separate days for their classes to use these copies. Mr. Murphy and Miss Harvey will use them on Monday, Miss Miller on Tuesday, Mr. Schmalzried on Wednesday, Miss Crowe on Thursday, and Mr. Schmalzried again on Friday.

The regular library rules apply to the taking out of the magazines and the rules must be carried out in full if the students wish to make use of these copies.

## School Has One Less Because of Exchanges

South Side has one pupil less as the result of exchanges. The school has opened her doors to eight new pupils but has closed them to nine.

Three pupils have entered South Side from the local schools, while the other five have come from out of town. Elmer Hoerner, from the Lutheran Institute, and Esther Kramer and Philip Feick, both from Central are the new pupils from Fort Wayne. Lucille Hoenes, from Benton Harbor, Mich.; Burdett Fox, from Defiance, Ohio; Mildred Fraylich, from Decatur, Ind.; Crystal Graham, from Omaha, Neb., and Billy Stults, from Clear Creek Township, Huntington, Ind., are the new members of the student body from out of town.

Some of those who left school are working, while others have gone to other cities. Arthur Beldoes has gone to Toledo, Ohio; Malvin Richen-Jollar has traveled upstate to South Bend, and Pauline Mowry left for Chicago. Charles Waltemath, Tom Brothers, Auburn Haggard, Wava Haggard, Allan Briant and Grace Gaskill have also left school. Charles Waltemath is now employed at the General Electric company.

## Former South Sider Accepts Art Position

Violet Prine, who was graduated  
from South Side High School in Feb-  
ruary, 1924, has accepted the position

Violet Prine

as assistant art supervisor in the public schools of Jacksonville, Florida. Miss Prine carried a two-year normal course at the Fort Wayne Art School in preparation for the position which she will hold.

### Hear Interesting Lecture

Students of the Central high school, Kalamazoo, Mich., were addressed by Earl Russell, American consul to Morocco. He explained the Moroccan French trouble and many interesting customs of Morocco.

### Boys Build House

A very attractive house was built by the boys of the Stockton (Cal.) high school. This house is a bungalow type.

### Classes To Judge Cattle

The agriculture classes of the Holston (Kan.) high school are going to start judging horses and cattle. The students will also test corn for the farmers for the spring planting.

### Form Discussion Club

Students of the Central high school, Kalamazoo, Mich., formed a discussion club, the first of its kind in the school. All twelfth grade history students are entitled to join it.

## 19 ISSUES OF TIMES CONTAIN MUCH NEWS

153,510 Inches of Printed Matter  
Published During Last  
Semester

Each person who subscribed to the Times has received 153,510 inches of printed matter this year. This, if cut in columns and laid column to column, would go around the main hall twelve times.

This year the Times has published nineteen issues, nine of which contained six pages, six had four pages, and four had eight pages. These make a total of 102 pages for the year.

Four of these issues were entered in the C. I. P. A. contest and one has been entered in the Columbia University contest. There will be about fifteen more issues published this year. Included in this number are two tournament issues, the faculty issue, the April Fool issue, and the Commencement issue.

### Win Pennant

Students of the freshman class of Geneva (Neb.) high school have won a pennant for the highest standing in scholarship, punctuality, regularity, and deportment.

### Weave Cane Seats

Two students of Kansas City (Mo.) high school wove a cane seat in an office chair. This was an unusual and difficult achievement to accomplish.

## BLUE AND WHITE WALLOPS GREEN TO EVEN SERIES

Second Half Bombardment  
of Basket Gives Tigers  
Big Lead Never To  
Be Overcome

## BAKER IS KELLYS' NEMESIS

South Side Holds Central Even  
In First Half But Is Unable  
to Find Basket in Second

Coming back in the second half with a bombardment of baskets, the Central Tigers "ate up" the Fighting Green cagers with a 38 to 24 score in the second game of the city series played last Friday night in the South Side gymnasium.

In the first half the game was a typical Green-Blue battle with both teams fighting to maintain a comfortable lead and with neither of them succeeding in doing so. The score at the halfway mark was 17 to 15 in favor of Central. South Side seemed to be badly off form and missed many easy shots.

### Baker Stars In Game

The work of Baker, floor guard for the Blue and White, stood out above that of all the rest. He played one of his best games, keeping Central in the running in the first half with two long heaves from near the center of the floor. Mutt Jasper also played a good game, that put him on even terms with Captain DuWan.

DuWan performed the best for South Side, making four baskets and two free throws in the first half. He was underneath the basket most of the time and registered most of his shots in that vicinity. Wambsgans and Simon had tough luck finding the basket as many of their shots would hit the rim, only to roll disappointingly on the outside. South Side was held to two field goals in the final period. Wiener was the proverbial stone wall on defense, keeping the basket guarded continually. In the last half he put the leather through the net from the center of the floor.

### Troyer Scores First

At the whistle both centers leaped for the ball and Central immediately started passing, but South Side recovered and Troyer was fouled. He made the first point of the game. DuWan came back with two free markers when he was fouled while shooting. Captain Diehl then put Central in the lead with a pretty shot from the side of the floor. Jasper increased the lead two more points with a long shot. Wambsgans made the score 4 to 5 with a long marker and also Wellman tied the score on a free throw.

Successful baskets by Wamb and DuWan gave South Side a four-point lead. Scott caged one from the side, but DuWan evened the count when he tapped the ball through the net again. Baker brought the Central rooters to their feet with a pretty long shot and Jasper tied the score, shooting from underneath the basket. Baker was "red hot" and sent the ball spinning through the hoop again from a long distance. Jasper sifted through the defense for a short two-marker and a moment later caged another on a long shot. DuWan made the score 15 to 17 by caging a duet of field goals just before the mid-time gun.

### Second Half

In the final period the Tigers kept up their attack on the basket while South Side shot desperately at the rim but could not make their ball stick inside the hoop. Baker broke the ice with another long shot and Scott increased the lead with a long heave, also. Wiener was fouled and he made the free throw good but Baker had his eye on the basket and again made a long shot count.

Scott put Central still farther in the lead but McCormick came back with a free throw. Scott again broke away to make the score 27 to 17, while Jasper and Simon each made a free throw. Morrill dribbled under the basket for a short shot, but Wiener retaliated with his only two-marker in the game.

Scott made another shot count and Wamb put one through from the charity line.

### Central Gets Safe Lead

With the score 37 to 21 in their favor, it was all over but the shouting for Central, and they took the ball back in their territory and passed it among themselves. Wellman broke it up and caged a long basket. Ramsey made the score 38 to 23 with a free throw and immediately fouled Rahe, who made the last good. When the smoke of battle had cleared away it was found that Central had won by a 38 to 24 count.

Line-up and summary:  
Central (38) South Side (24)  
Diehl (Capt.) F Wambsgans  
Morrill F Wellman  
Jasper C DuWan (Capt.)  
Stiegler G Simon  
Troyer G Wiener

Substitutions—South Side, Willson for Wambsgans, Rahe for Wellman, McCormick for Rahe, Carto for DuWan. Wambsgans for Willson, Branning for Wambsgans, Wellman for McCormick; Central: Scott for Diehl, Baker for Stiegler, Ramsey for Troyer, Stiegler for Baker. Field Goals—DuWan 4, Jasper 4, Baker 4, Wambsgans 2, Scott 5, Wiener, Wellman, Diehl, Stiegler, Morrill. Free Throws—Wambsgans, Wellman, Rahe, DuWan 2, Simon, Wiener, McCormick, Jasper 3, Troyer, Ramsey.

## Paul Staight Plays On Basketball Team

—Courtesy of Journal-Gazette.

### Paul Staight

Paul "Peanuts" Staight during the season has been playing guard on the Patterson-Fletcher basketball team, which has been making a most enviable record. Before becoming a member of the Patterson-Fletcher five, Paul distinguished himself as a proficient athlete on the various South Side teams. He has been a mainstay on the basketball nine ever since a freshman, getting a letter each year. He has also played basketball and football for the Green and White.

## TRACKMEN INVITED TO TECH TOURNEY

Thinly-Clad Are Considering Entering  
Relay Meet at Indianapolis;  
Track Practice in Full Swing

Track practice was started in real earnest last Monday in preparation for a busy season. Equipment was issued to all men out and the squad limbered up their muscles by doing exercises for that purpose. The landing around the gym will be used for running until the cinder track is in fit condition to practice on.

South Side has been invited to compete in the invitational relay meet to be held at the Technical high school athletic field at Indianapolis on April 24. A dinner will be provided by Tech before the contest. The prizes will be medals for first, second, and third places and cups for the winning relay teams. Medals also will be given to members of each relay for first three places.

The events which are on the program are as follows:

Quarter mile relay—  
(110-110-110-110 yds.)  
Half mile relay—  
(220-220-220-220 yds.)  
Mile relay—  
(440-440-440-440 yds.)  
Double Medley relay—  
(220-440-880—mile).  
Sprint Medley relay—  
(110-220-110-440).  
Distance Medley relay—  
(440-880-440—mile).  
Broad Jump.  
Shot-Put.  
High Hurdles.  
Low Hurdles.

## CENTRAL CAGERS FACE HARD WEEK-END TESTS

Wiley of Terre Haute, and Warren  
To Meet Tigers; Both Are  
Strong Teams

Central plays two strong teams this week-end. Friday night they take on Wiley of Terre Haute, and on the following night the Tigers will journey to Warren where they will stack up against Warren high school.

Wiley has always turned out a strong team, sending its five to the state tournament three years ago.

Little is known of the Warren team but Central is practicing hard this week and intends to take no chances on losing the game.

## REGIONAL TOURNAMENT SCHEDULES DRAWN UP

Sectional Arrangements To Be Made  
February 27; Financial Hand-  
ling Slightly Changed

Drawings and arrangements for the regional and state final basketball tournaments were made at a recent meeting of the I. H. S. A. A. Eight centers for the regional meets which will be played March 13 were selected. The final tournament will be staged at Indianapolis March 19 and 20. Sectionals will be played in sixty-four cities throughout the state on March 5 and 6. The drawing for the sectional games will be made February 27.

### Tournament Plans Made

The schedule for the final at Indianapolis was drawn so that only first round games will be played on the first day and night. In the past, one team has had to play two games, thereby placing that team in a physical disadvantage in the games following.

The usual custom of having the winners of the sixty-four sectionals meet play at the eight regional centers will be followed. These centers are Rush Wayne, Bedford, Martinsville, Rushville, Muncie, Greencastle, Kokomo, and South Bend. The two teams surviving each regional will compete at the state finals.

### Financial System Revised

The financial conditions concerning the tournaments have been slightly revised. The rates paid to teams competing have been changed. The actual cost of transportation for ten men by shortest route will be given each team. Each team will be allowed \$15 a night for lodging, with \$7.00 for each meal during the time the team is away from home.

Thirty per cent of the gross receipts will go to the school conducting the tournament. The expenses of the teams are paid next. If any money remains, the state athletic association takes this up to ten per cent of the gross receipts. If there remains any more than ten per cent, it is again divided, the state association taking 40 per cent, and the school in charge of the tourney getting 20 per cent, and the remainder being divided evenly among the teams which take part in the tourney. The officials and their assignment to the various tournaments have not yet been decided upon.

### Schedule for Local Regional

This year the winner of the Fort Wayne sectional will meet the winner of the Decatur sectional. The same sectional winners will compete at the Fort Wayne regional as were assigned to this center last year.

The Fort Wayne regional schedule is as follows:

10:00 a. m.—Winner at Bluffton vs. winner at Kendallville.  
11:00 a. m.—Winner at Decatur vs. winner at Fort Wayne.  
2:30 p. m.—Winner at LaGrange vs. winner at Warsaw.  
3:30 p. m.—Winner at Columbia City vs. winner at Auburn.  
7:30 p. m.—Winner of 10:00 a. m. game vs. winner of 11:00 a. m. game.  
8:30 p. m.—Winner of 2:30 game vs. winner of 3:30 game.

## Ship Model Exhibition To be Held by Library

That the ship model exhibition to be held by the public library will be conducted some time in March was announced Wednesday by Miss Weston, the children's librarian. The library is collecting a number of blueprints and instructions which anyone wishing to make a model may use. It is hoped that a large number of models which have been bought or made will be loaned for exhibition. A number have been already promised.

**Honor Study Hall Established**

## Former South Side Stars Represents Bass Foundry

"Chuck" Brubaker and Bill Thiele, former South Side players, played with the Bass Foundry team in the Independent tournament at Warren, Indiana. They were defeated in the semi-final round by the Huntington Athletics. The Bass quintet was leading at the half, 19 to 12, but a great rally in the second half brought victory to the Athletics by a 36 to 28 score.

The Huntington Athletics defeated the Fort Wayne Kips in the finals 32 to 31.

## JUNIOR GIRLS CAPTURE TOURNEY CHAMPIONSHIP

Defeat Sophs in Scrappy Contest;  
Brouwer and Merica Star  
For the Winners

STANDING			
	Won	Lost	Pct.
Juniors	3	0	1.000
Sophomores	2	1	.666
Seniors	1	2	.333
Freshmen	0	3	.000

The girls' junior class team won the title of class champs by winning a scrappy game over the sophs last Friday. They were able to pile up 44 points while the sophs made 13.

Brouwer and Merica were the stars for the juniors and sent the ball through for many counts. Azar and D. Miller on the soph team did most of the shooting for their sextet.

Englehart, Merica, Bauer, forwards, and M. Koster, Guebard, Augspurger, guards, began the conflict for the upperclassmen. Brouwer substituted for Merica, Merica for Bauer, and Bauer for Englehart.

Azar, D. Miller, Mossman, Ward, Foster, and Hart composed the soph line-up for the first half. Krommiller substituted for Azar, Foster for Mossman, Wilson for Ward, Mossman for Foster, and Rank for Hart.

**Has Scholarship Fund**  
The students of the North high school, Minneapolis, Minn., are to be aided by a new scholarship fund. This fund is to be raised by the Central Council of Parents and Teachers' association. This is to assist pupils who would otherwise be obliged to leave school before completing their courses.

**Conduct Literary Contest**  
The graduating staff of the Greenville high school, Greenville, Ill., are conducting a literary contest. Original stories, essays, and poems may be entered.

**Form Cow Testing Club**  
The agriculture students of Oshkosh (Wisc.) high school formed a cow testing club. There are sixteen herds under the supervision of the association. Their milk is tested for butter fat, and in this way they are able to estimate the profit made by farmers in keeping cows.

**Test Face Powders**  
Pupils of the chemistry classes of San Antonio (Texas) high school tested face powders to find out which ones contained white lead. Five different powders were found to contain no white lead.

## FACULTY STILL LEADS IN CLASS NET LEAGUE

Seniors Win Second Place; Seniors  
Get Close Game From Third  
Year Men

LEAGUE STANDING			
	Won	Lost	Pct.
Faculty	2	0	1.000
Juniors	2	0	1.000
Seniors	1	1	.500
Freshmen I.	1	1	.500
Sophomores	0	2	.000
Freshmen II.	0	7	.000

The seniors downed the juniors 25 to 23 last week in one of the best-played games ever staged in the class league. The juniors led throughout the game until the last half-minute when a basket and two free throws gave the seniors a hard-earned victory. The faculty sailed through its tilt in easy fashion, defeating the sophomores 46 to 14. The freshmen I five gave their fellow-classmen a bad beating for the class supremacy, 21 to 6.

The senior-junior game was a thriller. The seniors did not score a field goal in the first half, the score at rest time being 7 to 5 in favor of the juniors. The teams fought with renewed vigor and scored consistently from the field. The juniors led 21 to 17 with five minutes to go, when the seniors staged a last-minute rally, caging them from all angles. Garwood led the scoring with nine points. The faculty-sophomore game was slow and uninteresting with Ward Gilbert starring, scoring 18 points.

The freshman mixup was a one-sided game with Statler making seven points to lead the scoring.

Lineups and summaries:

**Seniors (25)**  
Baker F Yaggy  
Clayton F Harper  
Klein C Dissinger  
Garwood C Folsom  
Christian G Fricke  
Substitutions—Feustel, Zurmuehlen, Switzer, Wedler and Braden. Field goals—Garwood 3, Yaggy 3, Wedler 2, Clayton 2, Folsom 2, Harper, Christian 2, Zurmuehlen, Baker, Feustel. Free throws—Feustel 3, Garwood 3, Dissinger, Folsom, Harper, Baker, Clayton, Christian.

**Faculty (46)**  
Suter F Shimer  
Gilbert F Van Ness  
Warnock C Dull  
Schmalzried G Briggs  
Field goals—Gilbert 8, Suter 1, Warnock 5, Welborn, Van Ness 3, Dull, Shimer, North. Free throws—Gilbert 2, Welborn, Shimer 2.

**Freshmen I (21)**

## S P O R T G U S H

Better get your seat early for the next Central-South Side game.

With both the city and the tourney title at stake, we'll just bet it will be some fight.

Too bad an addition to the gym cannot be built to accommodate the overflow.

Hurrah! The girls' varsity is really going to play its Tiger rival.

Put a ring around March 4 and March 15 in your memo' book, so you'll be sure to see these games.

Twenty stars picked from the class teams will prepare for these two battles.

And the Juniors won the tourney honors just as we expected.

Although the score was lop-sided it was a scrappy game.

After a few weeks of practice the women's volley-ball team ought to be hitting good.

Better snap it up, girls, or they'll beatcha.

We heard the swimmers had a gay time at the splash party.

With all this spring weather it looks as if we can grease the old skates and pack them away.

We advise all who want to perform on the ice to go north.

**THIS TERM**  
I've shut the door on last term, its sorrows and mistakes; I'm locking within its gloomy walls Past failures and heartaches; And now I've thrown the keys away, And have found other rooms; And furnished them with hopes and smiles

And some "Top Ten" blooms. W. S. HISER, Teacher, Manual Training H. S., Indianapolis.

**NEVER A SHIP**  
—sails out of port without being insured.

Can you afford to take a chance when Life is even more uncertain?

To everyone there comes adversity's gales. But a harbor and safety is assured if the course is charted with the Lincoln National Life.

# SOUTH SIDE TACKLES TWO STRONG TEAMS THIS WEEK-END

## MANUAL TRAINING, MUNCIE BEARCATS TO MEET KELLYS

Green and White Meets the Capital City Lads There In Net Battle Friday

## MUNCIE HERE SATURDAY

Purple and White Five Comes With Envious Record; Victors Over Best in State

Tomorrow night finds the Kellys on the road again. They travel to Indianapolis to meet the strong Manual Training High School team.

Manual is strong. Manual has been making a most impressive record this season. Of their recent acquisitions is the Indianapolis high school title, as they have defeated the public schools in the Capital City. The Red and White have some excellent men in Martin and Marshall, who play the forward position. Harmsen is considered the best center in the capital, being exceptionally adept at under-the-basket shots. Rhodes and Williams are regulars at the guard position and, as records reveal, are a constant threat on offense.

**Kellys In Good Condition**  
Coach Gilbert last night said all his players are in good shape and they are looking forward to a victory over the Capital City lads.

Manual has been practicing hard for their game with the Kellys, according to Indianapolis papers, and a large crowd is intending to witness the Kelly Klads' first visit to Manual's hardwood court.

**Bearcats Are Next**  
After the Manual affair the Kellys will remain in Indianapolis over night, and board the rattler early in the morning and return for the Muncie game Saturday evening. Careful treatment and plenty of sleep should leave the team in good shape for their game with Coach Murray's men.

Coach Murray claims all his men in the best of condition, and they are going to invade the South Side camp with a victory expected. George and Burrell will probably be the starters at the forward position, with "Mort" Joris at center, and Wedmore and Howell at the guard positions.

**Hold Victory Brick**  
Muncie has been defeating some of the best teams in the state this season. They hold victories over Vincennes, Frankfort, and Tech of Indianapolis. They regained their victory brick which was lost to Marion by the forfeit which Marion had to make to them.

The invasion of the Muncie team promises to bring forth one of the best games of the year and there should, no doubt, be a full house when the teams take the floor.

A fast preliminary has been booked for the Reserves, whose game will start promptly at 7:30 o'clock.

Smith will officiate at the main game, which is scheduled to start at 8:30 sharp. The game will be broadcasted by the Lauer Auto company, station

## South Siders Entered In Independent Tourney

The Scorpions and the Federal Juniors basketball teams, composed of South Siders, will be entered in the 15-round tournament to be held at Muncie the latter part of this month. The Muncie "Y" Midgents, who won the tournament in 1925, will be entered again this year. Harry Wedler, James Harper, John Yaggy, Tom Switzer, and Norman Christen are the South Siders who play with the Scorpions and Ralph Klein, Bob Campbell, Mike Vuchres, and "Ty" Cook play with the Federal Juniors.

## Scoring Record

	G.	F.G.	F.T.	Tot.
Wambsganss	16	54	16	123
Simon	16	42	19	94
Wilkens	16	40	13	93
Wamb	13	22	7	51
Springer	6	15	3	33
Rabe	12	13	6	32
Branning	12	14	2	30
Wiener	16	8	9	25
McCormick	10	4	4	12
Wellman	7	3	2	8
Grodrian	8	2	1	5
Carto	6	2	1	5
Distel	5	2	0	4
Nulf	1	1	0	2
Total				517

## Basketball Results Of Teams We Battle

South Side 34, Central 38.  
South Side 34, Wabash 33.  
Emerson 24, Froebel 22.  
Shelbyville 34, Anderson 40.  
Huntington 43, Tipton 25.  
Hartford City 22, Jefferson (Lafayette) 38.  
Muncie 20, Vincennes 18.  
Hartford City 24, Cathedral (Ind.) 19.  
Rushville 26, Connersville 35.  
Garrett 27, Berne 36.  
West Lafayette 40, Thornmont 27.  
Emmerson (Gary) 50, South Bend 21.  
North Manchester 33, South Whitley 17.  
Huntington 31, Peru 20.

**Spring Football On Schedule**  
Spring football practice has been planned at the Fort Collins high school of Fort Collins, Colorado. About forty men are expected to turn out.

## Manual Has Husky Warriors

At Indianapolis tomorrow night, South Side will play the above team, that of Manual Training High School. This group of net warriors makes up a husky crew and the Kellys will have to put up as good defense as well as strong offense to overcome the Red and Whites. Left to right, they are (Bottom row): Marshall Marshall, captain, forward; Kenneth Rhodes, Leslie Brandt, guard; Glen Harmsen, center; Albert Rubush, center; Glen Shaw, forward. (Top row): Hugh F. Bannen, athletic director; Fred Martin, forward; William Woerner, forward; Lester Cruse, forward; Wayne Williams, guard; R. H. Clunie, manager.

## FIGHTING GREEN BEAT THOMCATS IN FINAL MINUTE

Lead Held by South Side In First Half Overcome by Thomcats' Terrific Attack

## WELLMAN SAVES GAME

Wabash Outscores Kelly Klads In Last Half of Game But Fail to Gain Victory

The foul goal tossed by Wellman in the final minute of play turned a near defeat in the game with Wabash to a 34 to 33 victory for the Fighting Green at the local gym last Saturday. The game was one of the best exhibitions of a stubborn fight and a final drive that the Kellys have ever put up. Both teams were pushed to the limit before the victor could be decided.

During the last ten minutes of the game the score was tied and broken five times with neither team holding a margin of more than two points.

**Kellys Are Strengthened**  
After the Thomcats had staged a successful bombardment at the goal, Coach Wardo sent renewed strength to the scene of battle with ten minutes of play remaining and the score standing 25 to 21 in favor of Wabash. With a desperate attack being led by Simon, DuWan, Wiener and Wamby, the remainder of the game proved to be a hair-raising affair. The fans went wild and the cheering put up by the fans continued until the final gun.

After the "four horsemen" had been sent into the fray, field goals by Wiener and Wamby tied the score at 25 all. Vice, the clever Wabash forward, put his team ahead with a field goal. Simon came back and sank two pretty ones to put the Kellys in the lead. Ross soon tied the score but Wamby sank one to hold the lead for South Side. Ross tied it again, and Bellock put Wabash in the lead with a pretty one from the field. Simon came back with another marker to tie the score at 33 all. With but a minute to go, Ross fouled Wellman, and Wellman tossed the ball through the net from the foul line just before the gun ended the game.

**South Side Gets Lead**  
The first half was a decidedly South Side affair with South Side holding a 22 to 12 advantage at the rest period. Branning and Carto led the Green's scoring during that period, getting three markers each.

The second half proved to be Wabash's own. They scored twenty-one points against South Side's twelve during this period.

**Line-up and summary:**  
South Side (34) Wabash (33)  
Rahe F Ross  
Branning F Vice  
Carto C Bowly  
McCormick G Bellock  
Grodrian G Bahlor  
Substitutions—Wellman for Rahe, Willson for Branning, Simon for Willson, DuWan for Carto, Wambsganss for McCormick, Wiener for Grodrian, Austin for Bowly. Field Goals—Branning 3, Simon 3, Carto 3, McCormick 1, Wambsganss 1, Wiener 1, Rahe 1, Ross 6, Vice 4, Bellock 2, Bowly 1, Austin 1. Foul Goals—McCormick 2, Branning 2, Rahe 1, Wellman 1, Carto 1, Wambsganss 1, Bowly 2, Vice 1, Austin 1, Bellock 1. Referee—Smith.

## STATE FAVORITES PLAY IN FORM DURING WEEK

Martinsville and Frankfort Take Victories To Further Bolster Their Claims For Supremacy

Martinsville and Frankfort have driven more hails to clinch their standing as the bright lights of Indiana high school basketball this season.

Both teams took to the road last week to engage in battles with quintets that had been primed for surprise victories.

**Frankfort Downs Columbus**

Of the contests Frankfort seemed to have drawn the easiest assignment in opposing Columbus. The Red Dogs were unequal to the task of stopping the smooth running Case machine and the Dobbin's scorers could not gather enough markers. Frankfort took the fray, 61 to 39, from Columbus.

**Martinsville Beats Bedford**

Martinsville found out the best balanced outfit in the state, Bedford Glen Curtis' outfit, which is in the running to find its star player.

The team that defeated Bedford and defeated Frankfort a few weeks ago, proved unequal to the task of adding another win to its collection and the Artesian City lads emerged victorious, 27 to 22.

Martinsville got away without a win and was never headed, although Bedford made a valiant effort in the closing minutes of play.

**Indians Surprise Marion**

Marion got the surprise of her life when she was held to a 40 to 38 score by Anderson. It is just possible that Marion's poise was the least bit upset by the unfortunate occurrence connecting with the intelligibility of a player that cost the team the victory brick.

**Hatchets Are Defeated**

Washington, after handing a defeat to Vincennes two weeks ago, came in to the central part of the state and dropped before Frankfort by a score of 27 to 26. The game happened to be played on the same floor that Burl Friddle, Washington coach, made a name for himself as a Franklin high school and college star.

Muncie started out a heavy week-end schedule by winning from Tech, 37 to 29, and the following night dropped Vincennes, 20 to 19.

**Rushville Dropped**

Connersville won from Rushville by a last minute rally and North Vernon trimmed Greensburg.

At Gary both teams came through with victories. Emerson, jumping South Bend, 50 to 21, while Froebel defeated Michigan City, 34 to 25.

Crawfordsville proved unequal to the task of stopping Bloomington and the Panthers had easy sailing in dropping Crawfordsville, 30 to 27.

**No Car to be Chartered For Huntington Net Tilt**

No special car will be chartered for the basketball game at Huntington. The size of the gymnasium makes it impossible for a large number of people to attend.

**Athletic Course Offered**

The coach at Oklahoma City (Okla.) high school has offered a one-term course on the "History of Athletics." No text-books will be used but the work will consist of lectures on great athletes.

## Tip Offs

By Willie Gattit

The way the Tigers played in the second half, someone must have fed them raw meat at the rest period.

One chance of getting the city series still remains—TAKE THEM IN THE TOURNAMENT, TEAM! (If we get that far?)

Oh, sad is the tale of Sylvester McLane. He shot the wrong basket in an overtime game.

Jerry DuWan played hang-up ball and the "fight" between him and Matt Disper came out as we expected—both sides even.

Jerry made four field goals as did Jasper, although the big Tiger center got one more free throw than our captain did.

Wellman, playing his first Central game, showed up well.

Wamby and Simon had some very much luck with their shooting in the final period.

And did you see our new sweat shirt (sweatshirt?) Quite mblly sh, what?

Izzy Good came into the office with his eyes full of tears lamenting over the game. He said if he did we should put the following on his tombstone:

Tis the morning after the night before.  
My heart is full of gloom;  
I didn't get to set at the Central game.  
'Cause they didn't have any room.

Don't try and tell him Dick Wiener isn't a guard! He saw only a part of the game but that was enough.

**Ora M. Davis Referees Two Basketball Games**

An excellent game was played Saturday night, February 13, at Kendallville by Kendallville and Mishawaka. The game was refereed by Mr. Davis. Mishawaka won by a score of 31 to 25. Mr. Davis also refereed a game Friday, February 12, between Columbus City and Warsaw. The game was played at Columbus City.

**Spalding "M" Basketball**

Gentlemen:

In your letter will say that we have used the Spalding "M" Basketball for six years and have given excellent service in every respect. We are using this ball for practice and games.

Yours truly,

E. J. MATHEW,

Basketball Coach,

University of Michigan

Gentlemen:

I can certainly quote me in respect to your Spalding "M" Basketball. I have used it for the past five years and find it more than satisfactory.

Yours truly,

M. A. KENT,

Basketball Coach,

Northwestern University

Gentlemen:

In regard to your inquiry concerning the Spalding "M" Basketball, I have used it for the past five years and find it more than satisfactory.

Respectfully yours,

H. T. TAYLOR,

University of Minnesota.

Gentlemen:

The Spalding No. M Basketball which we used in our Conference games last season gave us complete satisfaction. Its uniformity in weight and its lasting resilience makes it an ideal ball for competitive play.

Yours very truly,

N. H. NORRGEN,

Basketball Coach,

University of Chicago

Gentlemen:

I am very glad to testify as to the wear and tear of your Spalding Official M Basketball.

For years as a player and later as manager and coach, I have used the M Basketball with much pleasure and success. For many years we have felt that there was no firm superior to A. G. Spalding & Bros. in the marketing of leather goods. It has always been my opinion that the trade mark of Spalding stood for the best in athletic equipment.

I sincerely trust that you will continue to market the same high quality of ball as you have in the past.

Very cordially yours,

FOREST CAREY,

Director, University of Kansas

McCormick played a good game, although he probably would have played better if he hadn't shaved—that's what ruined Samson.

And don't forget, Saturday, we DO play the hardest team on the schedule.

They have walloped almost everything that comes their way and have already won over Central.

The team which is being hinted about is none other than the MUNCIE BEARCATS.

Although having one of the best quintets in the state they, nevertheless, CAN BE BEATEN.

Both teams will have hard games the night before.

But with our team fighting its hardest it can win against greater odds than will be met next Saturday.

Ye Weakly Insomnia Soother: Mike Gruenert, famous wrestler from South Side, is said to be out of the hospital now after his hard battle with Zybyzko, world's champ.

Another hard battle comes Friday when our Team plays Manual of Indianapolis, on their own floor.

Slippery McGrew is an unlucky guy; He smacked the "ref" right in the eye. The "ref" got sore and smacked him, too.

Now both his eyes are black and blue.

SOUTH SIDE PUT ON PROBATION BY I.H.S.A.A. BOARD

Noble Sprunger Ruled Ineligible by Permanent Secretary A. L. Trester

SIX NET WINS ARE LOST

Decision Based on Board's Interpretation of What Constitutes Enrollment in School

The question of the eligibility of Noble Sprunger was definitely decided last Saturday by Arthur L. Trester, permanent secretary of the Indiana High School Athletic association.

Sprunger was declared ineligible and the six games which he played this season were forfeited. The decision was based on the fact that Sprunger's name appeared on the Central enrollment list in 1921.

However, South Side maintains that Sprunger should not have been placed on the enrollment books. At the meeting last Saturday South Side had affidavits to show he had not entered a single class during the semester beginning September, 1921.

The board ruled him ineligible on the fact that his name was on the registration card which constituted enrollment.

In the letter of decision, South Side was placed on probation until June 1, 1927. In addition South Side must forfeit all its games won in which Sprunger took part.

The games to be forfeited are to Hartford City, the Alumni, North Manchester, Montpelier, and Central.

Sprunger was eligible during the football season, so the grid games were not affected.

The letter from Mr. Trester containing the decision is as follows:

Dear Mr. Harris: The Board of Control at its meeting Saturday, February 13th, 1926, considered and decided a case which concerns you as follows:

FORT WAYNE (South Side High School)—Noble Sprunger enrolled in Central High School, Fort Wayne, in September, 1921, for the first time. He has been playing basketball during the present season.

DECISION: Noble Sprunger ineligible for basketball for the present season. The South Side High School placed on probation in the I. H. S. A. A. until June 1, 1927.

Prizes in buncos were won by Alice Wehmeyer and Opal Kesterson. The guests were Juanita Tulley, Rosemary Spore, Virgil Lee Munson, Gladys Rohrer, Versal Mullens, Marie Brown, Garnet Smith, Alice and Agnes Wehmeyer, Katherine Blackwell, and Opal Kesterson.

Alumni News

Arthur Bireley, '24, spent the mid-term vacation visiting with his parents. Arthur is attending Purdue.

Vivian Crates and Miriam Yoder, '24, visited school during their vacation from studies at Indiana University.

"Bob" Jurgensen and Ed Rahe, of Purdue, spent the week-end visiting their parents.

Dorothy Bennett, of Indiana University, spent the week-end with her parents of this city. Dorothy also visited South Side.

Dorothy Martin, '25, who now attends Rockford University, spent a few days here visiting her parents.

Dorothy Brown, a former student of South Side, is now employed in the blue print department at the General Electric company.

Genevieve Pelz, formerly of South Side, now works at the General Electric company.

Donna Snyder, a former South Side student, is employed at the Dudlo Manufacturing company.

Louise Spackman, who quit school this semester, works at the Knitting Mills.

Frances Cozik is now employed as a bookkeeper in the Farmers Trust company.

Margaret Iler, '23, is employed by the Fort Wayne Gas company.

Mildred Kesterson, '25, will have as her guest over the week-end, Mildred Binkley, of Huntington, Indiana.

Edna Henderson, '24, and Doris Baxter, '24, have been pledged to the Lambda Chi Omega sorority of this city.

Jack Gilliom, '22, a student of Northwestern University, spent the week-end with his parents.

William Thiele, '25, has returned to Fort Wayne from Liverpool, Indiana, where he was working.

SOCIETY

Greta Astrom entertained several of her friends at her home Saturday afternoon. The persons who enjoyed the affair are: Mary Hughes, Betty Hutchens, Elinor Williams, Manthana Brothers, Mary Brothers, Phyllis Toothill, Ann Barrett, Dorothy Troendle, Hildegard Siebel, Devona Kaehr, Margie Horstmeier, and Louisa Fredrick.

Junior Groth entertained a few friends after the Central game Friday evening. The guests were Mary Hughes, Mary Brothers, Phyllis Toothill, Hildegard Siebel, Devona Kaehr, Margie Horstmeier, and Louisa Fredrick.

Greta Astrom entertained a number of her friends with a bridge party at her home on Wildwood avenue, Saturday afternoon. Prizes were won by Betty Hutchens and Helen Hilgeman. Those who participated in this delightful affair are Betty Hutchens, Hildegard Siebel, Helen Hilgeman, Lura Webb, Mary Brothers, Betty Granger, Bernice Centlivre, Ann Barrett, Margaret Metzner, Manthana Brothers, Davona Kaehr, Edna Van Tilbury, Mary Hughes, Mary Hillis Miles, Florence Kendrick, Margie Horstmeier, and Eleanor Williams. The hostess was assisted by Dorothy Troendle.

Virginia Thieme was recently hostess to a number of her friends at a bridge party at her home on West Drive. Prizes were awarded Charlotte Stier and Virginia Trier. Those who were present are Charlotte Stier, Helen Gaskins, Margaret Luecke, Margaret Pocock, Virginia Trier, Margaret Schwier, Mervyn Welch, Catherine Fries, Martha Harris, Marjorie Hobrock, Virginia Curdes, Virginia Hackney, Virginia Traxler, and Marie Rieber.

Greta Astrom recently entertained a number of her most intimate friends at a dinner party at her home on Wildwood avenue.

Betty Granger, of Nuttman avenue, was recently the hostess to a few of her friends at a dinner party at her home.

Esther Ballard entertained a number of her friends at her home on Lillie street Monday evening. The evening was spent playing buncos and at a late hour refreshments were served.

Prizes in buncos were won by Alice Wehmeyer and Opal Kesterson. The guests were Juanita Tulley, Rosemary Spore, Virgil Lee Munson, Gladys Rohrer, Versal Mullens, Marie Brown, Garnet Smith, Alice and Agnes Wehmeyer, Katherine Blackwell, and Opal Kesterson.

Greta Astrom entertained a number of her friends with a party at her home last Saturday afternoon.

Marie Rudolphson will entertain the members of the Keam Maj society at her home on East Suttentfield street Friday evening.

Thyra Jurgenson will entertain some of her friends at her home 4017 South Harrison street tonight. The guests will be Bertryl Merrill, Ruth Hazel Sloan, Virginia Kinerk, Kathryn Sellers, DeNeal Pfeiffer, and Kathryn Wescher, enjoyed a theater party recently at the Palace.

With The Classes

Students of physical geography no longer have to wonder what benefit they are supposed to get out of the course. Mr. Whelan has worked out a concise statement of the physical geography as taught at South Side, and this term dictated it to his beginning classes on the first day of the term.

The advanced botany classes are studying cells under the microscope. Just now they are using the epidermis of an onion leaf; later they will view the cells of a leaf of ditch moss. This experiment shows the protoplasm moving about the cell.

"The beginning botany classes this semester are much larger than usual," Mr. Gould says. In one class there are nineteen enrolled, and in the other are thirty.

The beginning botany classes are studying seeds. In the greenhouse several kinds of seeds are germinating so that the pupils may observe the different methods of germination.

The best drawings made in the beginning botany classes on the first laboratory exercise were made by John Simmers.

Dexter Haven entered school Monday for the first time this semester. Dexter has been very ill with pneumonia.

Burns Schechty has been absent from school for a week because of illness.

Mr. Murphy gave his Economics classes a test Tuesday. The test was in the form of an outline.

Several students of the 9A Spanish classes are making maps of Spain.

Paul Scotton has made a booklet in which he pasted pictures illustrating the various rooms of a house, and gave the Spanish names of the rooms and objects pictured.

Special maps have been started in Miss Smeltz's United States history and general European classes.

Miss Fiedler has been absent since the first week of school. The other mathematics teachers are taking her classes.

Martha Bouthers has returned to school after having been absent on account of illness.

Dexter Haven entered school Monday for the first time this semester. Dexter has been very ill with pneumonia.

"1500" Enjoys First Meet in Room 20

Pins Awarded and Much Food Consumed by Members of New Organization.

"Pass those olives."

"Is there any salad left?"

"Where's the cake?"

Such were the exclamations which anyone passing Room 20 last Friday evening before the Central game could have heard. The Fifteen Hundred club was holding its first meeting and the members were satisfying their pangs of hunger with the many good things that filled the tables.

The most important event of the meeting, after most of the food had disappeared, was the presentation of awards by Miss Harvey. The advertising cup which was given to the person obtaining the most Times advertising from October to the end of the term was awarded to Pauline Hilbish.

A jeweled pin which is given to the Times general manager or to one who has obtained 10,000 points, was presented to Pauline Baumgartner. Gold pins, the reward for 5,000 points, were given to Helene Foellinger, Elsie Hilbish, and Mildred Obenour. Silver pins, awarded for earning 3,000 points, were given to Mary Pocock, Margaret Pocock, Ruth Eickmeyer, Edith Hylar, Mary Hale and Thelma Gasser. Bronze pins, given for obtaining 1,500 points, were presented to Harry Wedler and Margery Burres.

It was decided that, instead of electing the usual president, vice-president, secretary, and treasurer, officers corresponding to the club numbers be chosen. Pauline Baumgartner was elected number 1, Harry Wedler, number 5, and Ruth Eickmeyer and Frank Robertson the 9's.

Those who were present are Miss Harvey, Cornelia Bade, Ruth Eickmeyer, Chester Wyneken, Thelma Buirley, Margaret Pocock, Mary Hale, Mildred McCune, Harry Wedler, Olive Grine, Helen Crosby, Edith Hylar, Gertrude Schuelke, Elsiebeth Crane, Pauline Baumgartner, Pauline Hilbish, Mary Pocock, Thelma Gasser, Elizabeth Schmidt, Frank Robertson, Margery Burres, Helene Foellinger, and Mildred Obenour.

TO FINISH TAKING TOTEM PICTURES NEXT WEEK

(Continued from page 1)

South Siders participated. The contest is open to all pupils, and a box in which snaps are to be placed can be found at the west entrance to Room 5. The name of the pupil who is submitting the pictures should accompany all entries.

Individual pictures of the teachers are being taken as rapidly as possible with the Graflex camera which the Totem purchased last fall.

The layout of the athletic section has been planned, and individual pictures of the basketball men will be taken soon.

CENTRAL TEACHER CHOSEN HEAD OF NORTH SIDE HIGH

(Continued from page 1)

"South Side recognizes in Mr. Northrup a great sense of fairness, courtesy, and an attitude of helpfulness. We believe that a great favor has been done North Side High School in his selection."

Mr. Gould said nothing could suit him better than to have Mr. Northrup principal of North Side High School, for he is well qualified for it. "He is a very tactful man and knows how to handle the people," Mr. Gould said. "He is well prepared along the educational line. A most important thing is to meet the strange people well, and Mr. Northrup is well suited for this."

"Has Pleasing Personality"

Mr. Huddleston said Mr. Northrup's appointment was wise. "There is not a man in Fort Wayne that has a more pleasing personality and better ability than he. He is the right person for the place and probably the best qualified. He also has experience and university work to back him up."

"Mr. Northrup's training, personality, and master of details makes him very fit for his principality," said Mr. Rother.

"His broad experience as commercial teacher," Mr. Parks said, "and his pleasing personality and practical business experience he has had in athletics make Mr. Northrup a very excellent man for principal of North Side High School."

TEN SOUTH SIDERS WILL PARTICIPATE IN COUNTY TEST

(Continued from page 1)

Baumgartner, silver award winner last spring, has the distinction of taking a county test for the third time since the contests were originated in 1924.

Because the questions on mythology, comprehensive reading and background which were in most cases quite trivial, were put on the same basis with the complex and more important ones on conjugation, declension and derivatives in grading, it is said that the grades were so low. If a pupil did not happen to know the answer to one of those minor questions, ten points were deducted even though he had everything else correct.

"Central did not enter the contest at all because the teachers thought there were too many other things to look after right now," says Miss Harrah, who is the chairman of the twelfth district.

Prizes Awarded For Grades

Students of the junior class of Mangum (Okla.) high school received prizes for highest grades. It was almost a tie between two girls; one-half a point determined the victor.

Have Unique Plan

"Hello Week" is being observed by the students of the Kokomo (Ind.) high school. The idea is to have each student get acquainted with as many fellow-students as possible.

## TIMES EDITORIAL GETS FIRST PLACE IN STATE CONTEST

Article by Ruth Eickmeyer,  
Editor Last Semester,  
Wins Over Entries  
From 60 Schools

### LETTER OF PRAISE SENT

Deputy Superintendent R. E.  
Blackwell Informs Writer of  
Opinions of Judges

First place for the week of February 1, in the weekly editorial contest conducted by the state department of public instruction for Indiana high school newspapers, was awarded to Ruth Eickmeyer for her editorial "Education and a Rainy Day" in the February 4 issue of the Times.

Editorial writers for sixty high school newspapers entered the contest which is being conducted in connection with the Indiana High School Press association. The contest will continue until the second week in April.

The winner of second honors is a student in the Shelbyville high school. The judge whose name will be announced at the conclusion of the ten weeks' contest said in speaking of the winning editorials: "They are chosen principally because they have more originality than the others and the writers give evidence that they know what they want to say. They have local application that should make them especially interesting and valuable to the readers of the school papers in which they appeared."

Mr. R. E. Blackwell, deputy state superintendent, said in his letter to Ruth, in which he informed her that she had won the first week's contest: "Dear Miss Eickmeyer:

I am happy to inform you that your editorial, "Education and a Rainy Day," was awarded first place in the Indiana High School Newspaper editorial contest for the week beginning Monday, February 1. Your editorial will be broadcasted from Station WLS, Chicago, sometime during the coming week.

I congratulate you upon this honor you have brought to your city, your school and yourself. I think the decision was well made. Your editorial was a timely one. It was interesting. It was expressive. It was well.

The judge, whose name will be announced at the conclusion of the ten weeks' contest, called in four editorial writers to help him judge the editorials submitted. In speaking of your editorial and that of a Shelbyville high school student, winner of second honors, the judge said: "They are chosen principally because they have more originality than the others and the writers give evidence that they know what they want to say. They have local application that should make them especially interesting and valuable to the readers of the school papers in which they appeared."

## CHOICE OF 1926 PLAY HAS NOT BEEN MADE

Officials Have Hope of Decision Before Week of Try-Outs Beginning March 15

The senior play has not yet been decided upon although Mr. Harris and Miss Pittenger have read quite a few plays recently.

Mr. Sheldon, who is coach of the play, has sent away for copies of different plays. It is hoped that a satisfactory one will soon be found as tryouts are to be held the week of March 15-19.

In previous years the plays, "Clarence," "Come Out of the Kitchen," and "The Lottery Man" have been presented.

Those eligible for parts are those who are passing in all their subjects and preferably not taking more than four subjects. The reason for this plan is that it is thought that otherwise the people will not be able to devote as much time as would be wished to the production.

## Issues for Tournays Will Be Very Large

"The Times is planning on putting out an eight and ten-page issue for the Sectional and Regional tournaments, respectively," Harry Wedler, general manager of the Times, said yesterday.

"Green ink on white glazed paper will probably be used for both specials," he continued.

"Picture of all teams entered and 'dope' on each will be in these issues. About 2,500 or 3,000 papers will be printed. Each subscriber will receive his paper as usual."

### Pupils to Beautify Campus

The Sand Springs (Okla.) high school intends to use the funds from a program given in the high school recently to purchase shrubbery for beautifying the campus.

### Bireley Accompanies "Smally"

Paul Bireley accompanied Mr. Schmaltz to Kendallville last Friday night, where "Smally" refereed the Kendallville-Angola game.

## To Send Warning Notices To Failing Pupils, Mar. 6

Warning notices will be sent out Friday, March 5, to all pupils who are making failing grades. Two more weeks are left in which to improve grades before the notices go out. After they are sent there will still be three weeks left in which to improve and bring grades up to the passing mark. The grades for the first half will be issued on March 26.

## "Greely Room" Set Aside As Memorial to Teacher

As a memorial to Philip M. Greely, former business manager of athletics for the school and instructor in mathematics, Room 86 has been set aside and designated as the "Greely room." It will be used largely for social purposes and meetings of school societies and Parent-Teacher clubs.

## DATE OF OPERA HAS BEEN PLACED ONE WEEK LATER

Mr. Shafer Announces  
March 24 Instead of  
March 17; Choruses  
Picked

STUDENT TICKETS ARE 50c

Evening Performance is \$1.00;  
No Seats To Be Reserved;  
On Sale March 10

The date for the opera, "The Mikado," has been changed to Wednesday, March 24, instead of March 17, as previously announced by Mr. Shafer, music instructor of South Side. The opera will be presented at the Shrine auditorium.

Tickets for the opera will be put on sale on or about March 10 which is three weeks before the opera will be presented. The special student matinee tickets will be priced at fifty cents and those for the evening performance will be one dollar. There will be no reserved seats at either show.

The cast, which includes Frank E. Stouder, Roland Schafer, Bert Griswold, Ferd Urbahn, Mark Bills, Edith Bullie, Thelma Buirley, and Virginia Kinnaird, has been practicing at regular intervals during the past three weeks. The people who are to be in the different choruses were definitely selected from musical clubs of both schools, Tuesday afternoon, when a rehearsal of both Central and South Side glee clubs took place at the Central auditorium under the direction of Mr. Schafer.

Up to the present time, the boys' chorus and girls' chorus have been practicing each day the sixth period with Mr. Schafer directing, while the clubs of Central have been directed by Miss Suter.

In a short time some of the more elaborate costumes for the characters are expected to arrive and then regular dress rehearsals will be held with all persons taking part.

Since actors of professional ability will take part and touches of comedy, in addition to a very interesting plot, are included in the opera it is certain to be the best of its kind ever presented in Fort Wayne.

## MISS JACKSON SPEAKS AT U.S.A. CLUB MEETING

"Health" Is Subject of Discussion Led By Y. W. C. A. Education Director

Miss Katherine Jackson, of the Health Education department of the Y. W. C. A., gave a talk on "Health" at the U. S. A. Club meeting held last Thursday in Room 86. The devotions were read by Dorothy Likins.

A business meeting followed at which Harriet Wynken gave the secretary's report and the committee chairman made reports. After the talk games were played and the meeting ended by the singing of Girl Reserve songs.

Many of the last year's members have not paid their dues as yet and are requested to pay either Catherine Suter, chairman of the membership committee, or Claire Staley, treasurer of the club.

## Debate Team Members Will Receive Awards

Pins for the members of the debate teams have been ordered, according to an announcement made recently by Mr. Makey, debate coach.

Pins will be given to Cornelia Bade and Thelma Gasser this year. All other members of the debate squad received their pins last year. These persons, Ruth Eickmeyer, Gertrude Schuelke, Elsiebeth Crane, Dorothy Emrich, and Louise Platt, will be awarded for their second year's debate work by having an emerald set in their last year's pins.

### Lockers Inspected

All the lockers of the students of Richmond (Ind.) high school were inspected last week by inspectors appointed by the teachers. There is a school law against pasting pictures, and other things on the lockers. A great many lockers were shorn of their adornments.

## FORUM SCHEDULE TO BEGIN SUNDAY WITH "ATHLETICS"

Thelma Gasser Will Preside  
at Opening of New Series  
in Y. M. C. A.  
Lobby

### MADDOX TO LEAD SUBJECT

Interesting and Profitable Meeting Anticipated; Use and Abuse To Be Shown

"Athletics—Are Some of Us Getting Too Much and Some of Us Not Enough?" is the topic for the first of the second series of Forum meetings. This meeting will begin next Sunday afternoon, February 28, at 3 o'clock. Mr. W. B. Maddox, physical director at the Y. M. C. A., will be leader of the discussion.

Gasser To Preside  
Thelma Gasser will preside at the meeting, and Miss Ikenberry, of the Y. W. C. A., will direct the singing.

Topics Announced  
The topics for the second series are as follows: "Athletics," "Is Religion Worth Exporting?" "What Makes a Happy Home?" "What Is Sunday For?" "What Good Are the Church and Sunday Schools?"

### Easter Services Continued

The Forum committee has decided to continue the Good Friday service and they voted to suggest to the whole Forum group, an Easter morning service, and an Easter breakfast, as a fitting close for the Forum activities for this year. The matter will be presented to the Forum group at one of the regular Sunday afternoon meetings.

### First Series Ended

The first series ended with a discussion on "War or Peace," led by Mrs. Lane, of Central High School. One hundred and forty-three persons were present at this meeting and it was voted to arrange a second series. At this Forum the singing was directed by Mr. C. M. Wilson. John McNeen, of Central, was chairman.

## 1926 TOTEM HEADS PLAN TO DEDICATE BOOK TO PARENTS

Practically All Individual  
Pictures for Class Sections Ready for  
Mounting

### GRAFLEX BEING REPAIRED

Individual Pictures of Football  
Men and Action Pictures of  
Games Sent to Engravers

That the 1926 Totem will be dedicated to the parents of the graduates was the decision reached by the annual staff recently. Former Totems have been dedicated to Mr. Harris, Mr. Voorhees, and last year's book, in keeping with the historic theme carried out by the pioneers of the West, who established the schools.

While the taking of individual pictures will continue until Saturday, the class editors have for some time been hard at work on the finished portraits; and practically all of the pictures have been cut down to the correct size for mounting. The panels for the class sections have been drawn, and, as soon as the dies are approved by the Indianapolis Engraving Company, the actual mounting of individual pictures will be started.

The Graflex camera which the Totem purchased early last fall has been sent to the Eastman Kodak Company, Rochester, New York, for repairs. The taking of faculty pictures and pictures for the feature section will be resumed as soon as it is returned. Group club pictures and individuals of the basketball men will probably be taken within the next week.

Individual pictures of the football squad and action pictures of several of the football games have already been mounted and sent to the engravers.

At the present time about five hundred subscriptions to the year book have been received; and, according to Thelma Gasser, circulation manager, a few are being turned in every day. The final clean-up drive will not be staged until after the tournaments.

The box into which snapshots for the Totem contest can be dropped has been placed at the west entrance to Room 8. As a special incentive, three prizes of one dollar each are being offered for the best, the most, and the funniest snaps. Pictures entered in the contest must be of interest to South Siders, and should be accompanied by the name of the individual submitting them.

## Cornelia A. Bade Enters State Discussion Contest

South Side is to be represented in the 1926 State Discussion contest by Cornelia Bade, one of the speakers on this year's debate team. County eliminations are to take place in Central's auditorium, March 26. All speeches will be about the County Unit plan. Cornelia is now working on her speech.

## Beatrice Rosher Dies Of Leakage of Heart

Beatrice Rosher, a sophomore, died of leakage of the heart, Thursday morning at 9 o'clock. She was a favorite among her classmates and was well liked by all.

Miss Crowe, upon being interviewed, stated that Beatrice was shy, but was a good student. Miss Oppelt said: "She was very shy, but this brought out her personality. She was a fine student, and everybody that knew her felt the power of her personality."

Miss Kiefer found an autobiography written by Beatrice for a theme shortly before her death. It is as follows: "I was born in Fort Wayne, 1909, and have always lived here. My Dad and I have been over the United States and at this time my parents are on their way home from California. My greatest ambition is to travel. When I have graduated from high school, I hope that I may at least see the United States. I enjoy reading books about girls at college and would like to go, but I would be so old when I finished. I like outdoor sports especially football and swimming and I usually manage to go to as many of South Side's games as I can. I have heart trouble so long and haven't been able to take gym work since I was in the fourth grade. This has spoiled a lot of good times for me."

## CAMPAIGN FALLS SHORT OF GOAL; 925 SUBSCRIBE

Approximately Four Hundred Pupils Have Not  
Given Subscription to  
South Side Times

### CONTEST TO END FRIDAY

Subscription Campaign Will Continue Until School Has Considerably Higher Total

About 925 subscriptions for the South Side Times have been received, the count on Tuesday showed. This leaves about 175 yet to be brought in. The agents are working hard to get not less than 1,100 subscribers. The mark reached last fall was about 1,050, and this term's workers are determined to surpass that.

Twelve rooms so far have reached or passed the 100 per cent mark. Three of these have over 100 per cent: Margaret Pocock, with 103; Ross Waterman, with 103; and Richard Balmer, with 105 per cent. These three are also leading in the contest for most subscriptions, which will close on February 26. Although the agents have over an average of seventy per cent, the present campaign will continue until as many as possible are signed up.

The standings of the agents, with their respective rooms and teachers, are as follows:

Room	Teacher	Agent	Pct.
4	Suter	Vivian Danuser	68
6	Smeltz	Kathryn Wescher	100
8	Miller	Margaret Pocock	103
10	St. John	Harry Wedler	97
12	Schmalzried	Betty Hutcheson	87
16	Gordy	Eileen Heuer	94
18	Harvey	Robert Hekey	100
20	Ruddleton	Earl Bolvans	87
22	Parks	C. Baumgartner	100
24	Morris	Virginia Kinnaird	100
26	Woodward	John Kern	62
28	Work	Betty Ward	100
30	Fish	Martha Rupley	92
32	Woodward	Bernice Jenkins	80
34	Chapman	Van Cuyne	81
36	Arnold	John Kern	62
38	Schmalzried	Richard Powell	43
40	Schmalzried	John Kern	62
42	Fiedler	Marie Brown	75
44	Oppelt	Bartlett Fletcher	95
46	Perkins	Lavelle Stephens	47
48	Eassey	Danica Jenkins	35
50	Ley	Thelma Buirley	80
52	Richtert	John Agnew	53
54	Demaree	Martha Sherman	86
56	Roberts	Annela Krueckberg	74
58	Nurr	Jack Clayton	100
60	Mott	Marcell Bostine	100
62	Pape	Lucille Dutton	62
64	Stinke	Dorothy Steiner	44
66	Hodson	Van Cuyne	81
68	Bent	Greta Astron	61
70	Mendenhall	Frances Blosser	56
72	Brigham	Isabelle Collins	103
74	Davis	Dorothy Parker	95
76	Huffman	Richard Bulmer	105
78	Crowe	Geraldine McLeellan	80
80	Chmidt	Paul Birely	92
82	Chapin	Helen Hockley	35
84	Patterson	Helen Hockley	35
86	Gym	Robert Bradley	50
88	E-Chapin	Gertrude Bradley	78
90	Chapin	Ruth Barber	71
92	Chapin	Mildred Obenour	100
94	M-Chapin	Chire Staley	82
96	N-O-Chapin	Tom Ward	76

## Date of Junior Prom Is Made for May 14

The date for this year's Junior Prom has been set for Friday, May 14, according to an announcement made recently by Dale Shimer, president of the junior class.

Whether a banquet will be given or not has not yet been decided. A dance, however, will be the main attraction. The orchestras which are being considered are Spiegel's Melody Men, Gillie Meyers', and Franklin's.

"The class of '27 is determined to give as good if not better, from what was given by the class of '26," said Dale Shimer.

The juniors lost one of their faculty advisors, Miss Burns, and it is probable that another will be chosen soon.

### Ammerman Joins Penny Play

Gerald Ammerman is now playing the saxophone in the Pennsylvania orchestra. He played every night last week in a program given by the Foreign War Veterans at the site of the old Plymouth Congregational church.

## SOUTH SIDE TIMES IS OUT TO RETAIN LAST YEAR'S TITLE

Is Entered in Second Annual  
Contest of Columbia  
Scholastic Press  
Association

### WINS CUP FOR FIRST

Judged Best East of Mississippi  
In 1925; Convention Also To  
Be Conducted at New York

The Times has been entered in the second annual contest of the Columbia Scholastic Press association of Columbia University at New York City. The issues of February 4, February 11 and February 18 will be judged.

Class A, consisting of papers or magazines of senior high schools or enrollment of 1,000 pupils or more, is the division for South Side's publication. Junior high schools and normal schools and teachers' colleges are in different classes.

### Won First in 1925

In the first contest sponsored by the association last year, the Times won the distinction of being awarded "First, east of the Mississippi," which was the boundary for entries. The competition has been extended and now includes the entire country.

For winning the honor the Times was the recipient of a large silver trophy. It was given by the Van Am club of the university.

Convention Will Be Held  
In co-ordination with the contest a convention will be held March 12 and March 13 at Columbia University, at which time the winners will be announced and prizes awarded.

Sectional and mass meetings, conducted by prominent and able newspaper men and women, tours of the university and New York, a banquet, show, and a business meeting will feature the 1926 convention.

## W. GUSTENSLAGER ENTERS CONTEST AS LOCAL ORATOR

To Represent Schools on  
April 2 in County Eliminations of National  
Forensic Meet

### AWARDS ARE ANNOUNCED

Judging To Be On Basis of Composition and Delivery; Ballots Not To Be Shown

South Side is having no local eliminations for the National Oratorical contests. Wayne Gustenslager, a junior who is now taking public speaking, will represent the school in the county contest on April 2, with his oration, "Franklin and the Constitution." The contest will probably be held in Central's auditorium.

At this meet, the News-Sentinel will award \$25 for first place, \$12 for second, \$8 for third, and \$5 for fourth. The winner will speak in the district contest, in which the four best orators will receive \$50, \$25, \$15, and \$8 in the order in which they rank. In the state finals, the prizes total \$1,000. Whoever gets first place wins \$500; second place, \$250; third, \$100; and fourth, three awards of \$50 each.

### Judges' Vote Is Secret

The judges, according to the rules sent out from the contest headquarters, are to confine themselves to passing upon the composition and delivery of the orations—allowing fifty per cent for each. In reaching their decisions, they are not to study the orations in written form, but are to judge both composition and delivery as the orations are delivered.

Rules say that it should be remembered that this is an oratorical and not an essay contest. The judges chosen are supposed to be competent. They are to receive instructions after that, no questions may be asked as to why they made their decisions as they did. Under no circumstances are their ballots to be shown to any person other than a contest official.

### Barriers Endorse Contest

The American Bar association, which is sponsoring the contest, together with the leading newspapers of the United States, heartily endorse this contest. Through its president and executive committee, it says: "The association urges continuation of the contest to the end that the boys and girls in our schools—the hope of America—thoroughly grounded in the principles of American government, intelligently informed as to the provisions of its Constitution, appreciating their heritage, may become not only its valiant defenders, but missionaries bringing to all our people a better conception of American ideals and American institutions."

### About 14,000 Competed

Last year over one million pupils in approximately 14,000 secondary schools took part in the oratorical contest, all discussing some phase of the United States Constitution. Robert Sessions, of Birmingham, Alabama, won first place in the national finals.

### Is Absent From School

Dexter Haven has been absent from school due to illness.

## CO-OPERATION

It is a rule of the South Side High School that pupils who take part in outside activities must be passing in their work.

Outside organizations that use high school students should consult with the office before selecting these pupils, for the pupils who are selected without the consent or advice of the office may be failing in their work. Sometimes pupils who would normally pass spend so much time on outside activities that their whole semester's work is jeopardized by such action.

We are sure that when organizations have a proper understanding of these points they will be just as anxious to co-operate with us as we are to co-operate with them.

ROBT. C. HARRIS.

## KELLY NETTERS PLAY TWO GAMES THIS WEEK END

Fightin' Green Travel to  
Huntington Friday;  
Emmerson Plays Here  
Saturday

### BOTH TEAMS ARE STRONG

Games To Wind Up Regular Season's Net Schedule Before  
Tournaments

This week finds the Kelly Kiads finishing their season's basketball schedule.

Friday the Green cagers travel to Huntington to give battle to Coach Kinsey's Vikings.

The Red and Black cagers have made quite an improvement since their last meeting with the Kelly Kiads, although they have recently suffered the loss of their star player, Hummer, who was ruled ineligible due to the approaching age of twenty-one. His loss will no doubt handicap the Huntington cagers in their offense. The Huntington cagers are as usual looking forward to the South Side fray with much anxiety and are planning on giving the Green cagers a defeat.

Saturday brings to us a team of no mean calibre from the north, Emmerson. The Gary five have been setting a fast pace with teams in the northwestern part of the state. They hold a victory over Froebel, which is considered one of the best teams in the state.

Not much can be obtained as to the ability of the individual members of the team but they no doubt have some clever players comprising the team. This will be Emmerson's first meeting with a South Side athletic team.

From all indications it should be a game worth while, and a battle royal. Coach Gilbert has been sending his squad through a strenuous week of practice in preparation for the ending of the regular season's schedule of games, and hopes to make a good ending.

All members of the Kelly squad are in fine condition and in the final contest every member of the Green squad will no doubt find a way into the game.

A fast preliminary has been booked for the Reserve game, which will start at 7:30 o'clock.

The main go will start promptly at 8:30 o'clock.

## WRANGLERS DISCUSS COUNTY UNIT PLAN

Cornelia Bade Gives Constructive  
Speech; Thelma Gasser Gives  
Two Humorous Readings

That the County Unit Plan should be adopted in Indiana was the subject discussed at the Wranglers meeting last Friday in Room 86. Cornelia Bade, who will be South Side's representative in the State Discussion contest, gave a constructive speech, while other members of the club discussed the plan and her speech.

Thelma Gasser gave two humorous readings "How Mose Counted Eggs" and "Nora and the Twins." Fifteen minutes of parliamentary drill was conducted by Pauline Baumgartner, who was appointed temporary chairman for the drill. In a few words, Mr. Makey, faculty advisor of the Wranglers, explained about the tickets for the two plays to be given by the club at the Harrison Hill school, March 26. Tickets will go on sale the first of March at twenty-five cents each.

Five new members, Margery Burres, Mildred McCune, Maurice Pelger, Fred Smith, and Wayne Gustenslager, were voted into the organization.

## TIMES EDITORIAL PLATFORM

1. To further scholastic activities.
2. To promote extra-curricular activities.
3. To give well-written accounts of high school happenings.
4. To offer high standards of school spirit.
5. To aid school officials.
6. To let parents and public know what South Side is doing.
7. To keep in touch with other schools.

## Hurry Up

Have you started studying yet? It isn't too late to begin.

## Necessary Brain Food

You can't keep yourself alive by letting the other fellow do your eating and you can't keep your brains alive by letting him do your work.

## That's All Right

Although South Side has been forced to forfeit six of its previous basketball games at the order of I. H. S. A. A., she hopes to redeem them in the tournaments.

## On To the State Finals

Here's hoping that the South Side Latin contestants make the best grades Saturday and in the district contest four weeks from now. We surely would like to see them go to Bloomington for the finals.

## Buy Now

Tickets for the two plays, "The Turtle Dove," and "The Traitor," will go on sale March 1. These farces will be given by the Wranglers' Club at Harrison Hill, March 26. Everyone can see them for twenty-five cents. Buy yours early!

## Missed Your Chance

Later on, when you hear of the different boys and girls winning large awards in the National Oratorical contest, just remember that you, too, had the chance to win them but did not even enter the contest. As things now stand, Wayne Gustenslager, the only one to enter, will represent the school in the county meet.

## A Decided Advantage

At the present time, the 9B's are the only ones in this high school, who, as a class, have been instructed as to the correct use of the library. This knowledge will help them get those of their lessons that require reference work more quickly and better than otherwise. Now they will no longer be afraid to use the library since they know how to find the various books, magazines, pamphlets, and papers. Because of this, they will get much more out of their years at high school than the rest of the student body will.

## Advanced College Credit

It has been discovered that by taking in high school such subjects as chemistry, college algebra, and trigonometry and as much Latin, French and German as is taught, many students when entering college can either get credit in these subjects toward college graduation or can be placed in an advanced class.

Students from this school have received from two and one-half to five hours credit in chemistry at both Purdue and Indiana Universities. Of course, they had to pass exams, but many others who did not take any tests for advanced credits were either excused from laboratory work or put in a higher class. Different amounts of credits have been given for college algebra and trigonometry, but Purdue usually gave three hours credit for each. In Latin, French, and German, everyone who passed the exam received some credits, and a few colleges allowed them to skip the entire first year's work. In this way, they saved a lot of money and were able to take many special subjects besides. Members of the faculty have expressed the opinion that anyone getting good grades in high school can pass the exams given for advanced credit.

It would be advisable then for students at high school to study harder, get their subjects down more thoroughly and, if possible, take some extra subjects. If they did this their college as well as high school life would be much more worthwhile.

—Gertrude Schuelke.

## HAVE ONE!

## A Mite of Verse

## MEMORY LAKE

I want to write a poem;  
I know what I want to say,  
I want to write about the sun  
On a forest just at day;  
The silvery swiftness of a skiff;  
A mountain sunset's perfect bliss;  
Those little things the cities miss.  
I want to tell some one I know  
Just why the river hurries so.  
A dainty verse I want to write  
About the moon on a pool at night;  
The splash of waves on a rocky shore;  
The mystery of a padlocked door;  
The endless rise and fall of tides;  
And happy, reckless, all-night rides.  
But things I want to say the most  
Come to me once and then are lost  
In a lake of dreams and memories.  
Each scented, fluttering mountain breeze;  
The awful thrill of the high seas;  
Each sweet and painful little act;  
Each promise, and each broken pact  
Are in that lake of blue and gold,  
And won't come out to be retold.  
—The Wigwag.

## And Werse

Come, Bacillus, let us wander,  
Wander ever hand in hand,  
Down that capillary yonder,  
Down that yonder shady gland.  
Countless cousins will not miss you,  
Happy in their own disease;  
Tripping through the tender tissue  
We shall work what ills we please.

Camping in the mountain muscles,  
Bathing in a quiet vein,  
Dodging vicious white corpuscles,  
Summering at Aches-le-Brain;  
Gliding in a light gondola  
On abdominal canals,  
Only fancy can control a  
Pair of perfect poison pals.

Slipping past epiglottis,  
By the tonsils and the tongue,  
Traveling till the days have caught us  
When we are no longer young.  
When our tastes become domestic,  
We shall search a quiet home,  
Safe and snug from antiseptic,  
There to live and not to roam.

Come, Bacillus, my infection  
Grows too potent to suppress,  
Quick! here comes your Auntie Toxin,  
Fly with me, and tell me, "Yes."  
—Tired California U. Student.

## WERST

To All South Side Students  
You are to be laborers, not loiterers,  
Workers, not shirkers,  
Gatherers, not scatterers.  
Constructive, not obstructive and  
destructive.  
Pullers and pushers, not drags,  
clogs, and brakes.  
How much work would your school  
do if all members worked like you?  
by Frank Robertson.  
Alias Mr. M. T. Head.

## Read A Bit

The library will take reserves on "The Carolinian" now. It is Mr. Sabatini's latest novel and relates the adventures in love and war of Harry Latimer, a young planter of sunny Carolina during the dark days of the Revolution.

Pupils Celebrate Health Week  
The pupils of Sabetha (Kan.) high school celebrated health week. Posters were displayed and unique programs carried out to get the spirit of the drive.

## The Dean Says

Some one has wisely said that we must ever bear in mind that labor is not a curse but a blessing, and that it is not the purpose of education to free us from the necessity of labor when we are grown, but its aim is to fit each individual so that he can do to perfection the work in the world that he undertakes or is set to perform.

Martha McMillen.

## ODE TO FAILURE

Remember failure's just a mill-stone  
To a town that's called success,  
That lies across a river  
Called misery and distress.  
To cross these angry waters  
A sturdy craft we need;  
Steadfast toil and each day a gentle deed.  
These will swiftly bear us  
To the opposite shore of happiness  
And peace for evermore.  
—Maxine Bennett.

## Open Letters

## Hail, You Charlestoners

To the Editor:  
All this talk about the Charleston has caused much friction, not only in school but in the different homes, which is entirely unnecessary. If one stops to think, is the Charleston any worse than the old-fashioned "hoe-down" which our parents and grandparents attended? No, it is not. In these old-fashioned quadrilles and square dances most staid elders danced and used as much exertion and physical strain as the Charlestoners do. The old men would jig, and the women would kick up their heels in the most fantastic fashion which looked as bad, if not worse, than the kicking done in the Charleston. The only difference is that now the older people leave the Charlestoning to the younger generation and do not lower their dignity to dance this dance which is unquestionably a dance for young people alone.  
As for the physical side of it, many doctors say that dancing the Charleston is entirely healthful, and is an aid to making one more graceful.  
—M. B.

## DISCIPLINE

We students of the high school consider ourselves well past the age which requires discipline. When we graduated from grammar school we thought we also graduated from the regime of discipline—for the very word "discipline" either conjures up in our minds the picture of a teacher with upraised hand holding the strap, or the memory of an uncomfortable scolding. "Discipline" seems to us always to preface some unpleasantness; we place it in the same category of disagreeable remarks with "it hurts me worse than it does you."

Yet, were we to examine its derivation we would find that the original and literal translation of "discipline" is the instruction or training of learners. Therefore, when we make our bodies accomplish certain difficult physical tasks regularly do we not discipline them? When our minds are accustomed to solving mathematical problems, are they not being disciplined in alertness? As we concentrate on our lessons in the midst of the distracting study hall noise are not our minds undergoing the discipline of concentration?

We do not need to be told that discipline will benefit us. Yet we have an unaccountable aversion for practicing anything that will do us good. There is no legitimate reason why, for instance, we should not discipline our minds in concentration in the study hall. Not only would we derive untold benefit from the process, but the study hall teachers would at the same time be disciplined in expecting the improbable. Why not try it?  
—Blue and White.

## Offers Reduced Rates

The students of the Scroll staff of Boone (Iowa) high school have offered reduced rates to the students paying cash for the school annual, the Scroll. Many have taken advantage of this.

## SOUTHERN SPICE

## TOO HOARSE TO SPEAK

Teacher: "Jean, what country was Shakespeare born in?"  
Jean: "Why Miss—, I explained to you before class that I am very hoarse and it hurts my throat to speak."  
Teacher: "Poor Shakespeare, he had the misfortune to come from a country whose name consisted of over twenty-one words."

## An economical guy

Is L. Mar Gaw  
He drinks his milk  
Through just one straw.  
But extravagance is shown  
By dear Glen Hupp,  
He must have three  
To suck his hip.

Mr. Makey: "Where do you have the most trouble in making a speech?"  
Dorothy Emrich: "In my knees."

## SHORT RUN

Teacher: "How much time did you spend on your lessons?"  
Student: "One hour railroad time."  
Teacher: "What do you mean 'railroad time'?"  
Student: "One hour, counting stops and delays."

## WIMMEN

"Aren't they lovely? You look too cute for anything. I just don't see how you take such good pictures; I always look so funny in mine. May I have one to keep?"  
Then a short while later: "My word! Aren't her pictures terrible? I just don't see how she has the face to show them to anyone. Imagine her offering one to me!" etc.  
The seniors are displaying their pictures.

## WE WONDER

What becomes of all lost books?  
Who puts the paper on the floor?  
What the teachers would do with—out us?  
Who gets the notes we lose?  
How many contribute to the snapshot box?  
Why there are so many cases in school?

## ODD FACTS

1. Fish usually expire if left out of water for an extended period.
2. Contrary to public belief, research has shown that there is no Santa Claus.
3. It is exceedingly difficult to drive nails with an egg.
4. New Year's Day fell on January 1 in 1896.
5. A mallet, applied vigorously to the skull, usually cures a headache.

## BONEHEAD DICTIONARY

An optimist is one who doesn't care what happens so long as it does not happen to him.  
A riding habit is something which a person gets when he rises late in the morning and has to get to school by 8 o'clock.  
A synonym is a word you use when you can't spell the other one.  
A straphanger is a man with a complaint of long standing.  
Sound travels at the rate of 400 yards per second.  
Exceptions to the rule:  
Scandal—1,000 yards.  
Flattery—500 yards.  
Truth—2½ yards.  
Alarm Clock—? ? ?

## DID YOU EVER—

- See a waffle iron?
- See a bank roll?
- See a chimney sweep?
- See a side walk?
- See a coathanger?
- See a bed spring?

John White: "I see scientists have found a new insect, thought to be a third cousin to the snow flea, who lives by eating tin."  
John McMeen (seriously): "Undoubtedly it is an evolution of the horse-fly."

Foster Newell: "Who invented the hole in the doughnut?"  
Clayton Matlack: "Oh, I suppose some fresh air fiend."

## A RECIPE FOR A TEST

- 2 oz. study, concentrated.
- 3 oz. crystallized knowledge.
- 1 tsp. common sense.
- 1 tsp. rapidity.
1. Mix the study and knowledge and be sure they are well combined.
2. Stir in the sense and beat well.
3. Fold in the rapidity. Do not stir.
4. Bake in a hot classroom one period.
5. Serve cold with red ink. Note: The Crystallized knowledge may be obtained at any drugstore for the price of a few hours' study. (If the preceding recipe should fail, that is, if a "D" should result instead of an "A," serve with Lettuce sauce.

## Lecture Sauce

- 1 c. slams, chopped fine.
- ¾ c. scowls.
- 1 tsp. threats cut in cubes.
- 3 c. hot air.
1. Combine the slams, hot air and scowls. Beat in the threats and set aside to cool.
2. This is to be served with a "D" test.

D. Kohlmeier: "Where are you going in such a hurry Scotty?"  
M. Scott: "I heard that Margery Burres is a Times head-righter and I'm going down to see what she can do for mine."

Bob Crill to Chris Branning: "Mr. Gordy flunked me."  
Chris: "What did he give you, an F?"

Miss McCloskey to Students: "You need somebody to wind you up! I'm wound up all the time! Good machinery doesn't run down!"

Art Distel: Dog gone! I was planning on sleeping this morning but the dog barked and woke up my mother twenty minutes to eight this morning. And I got up in the night to shut off the alarm so it wouldn't go off, too."

Miss Miller: "Edward, tell what you can about the Jordan river."  
Edward F.: "Well, it's hilly and—"

Miss Work, in Latin: "Louis, please translate this sentence."  
Bright Louis: "Caesar's army killed the enemy and pursued them for many miles."

HOW DOES IT FEEL, LEAH?  
Leah Blume (speaking about 12A English): "I am going through the age of romanticism now."

OH! IT HAIN'T GONNA RAIN NO MORE!  
Mr. Murphy (on seeing LeRoy Shine coming into class late): "I wondered what made the room so dark, but now I know—Shine wasn't here."

Mr. Makey (speaking of sentence construction): "Gerald, if it takes all the parts to run an automobile, what do you call the automobile?"  
Gerald DuWan: "Independent!"

## FREEDOM AND INDEPENDENCE

February is a lesson month. America's greatest exponents of FREEDOM and INDEPENDENCE were born with Lincoln and Washington. Both believed in thrift. They saved.

Freedom and Independence in your own life can be assured by saving NOW some of the pennies which you so needlessly waste. All our greatest men believed in is incorporated in a Lincoln Life Savings policy; a systematic plan for putting by small amounts.

## SCOUT DEMONSTRATION FEATURES P.T.A. MEET

Girls Give Exhibition Consisting of Stunts and Songs, Followed by Playlet

A meeting of the Parent Teachers' association was held in Room 86, last evening at 7:30 p. m.

The program of this meeting was very enjoyable. Mr. Schafer furnished the music which was followed by a Girl Scout demonstration. This was given as an ideal scout meeting. They had contests among patrols in knot tying besides many drills, funny troop songs, and the concluding numbers of their demonstration was a playlet which they gave at camp last summer.

Mr. Schafer again gave another music selection after which ten girls from Miss Patterson's gym class gave a dance. The girls in this class were Dorothy Neibergall, Dorothy Underwood, Florence Kendrick, Mildred Chenoweth, Katherine Pepper, Ruth Strobel, Jeannette Duray, Ruth Egan and Betty Ray. This concluded the program.

Later several important announcements were made.

## I'm Not A Nut

The other day I was walking down the hall with a girl and, all of a sudden, she pointed to a fellow we were just passing and said, "Just look at the poor nut. He's lost his hat on."

I can tell you, I was glad I didn't have my hat on; so that she could call me a nut. And I'm not going to be that kind of a nut either. I want to observe the rules of common courtesy. No gentleman would keep on his hat or cup in the presence of ladies, and neither will I. The funny part of it is that most of these guys that do keep them on think they are showing how manly they are. In reality, they are little more than infants in arms. They simply haven't grown up yet. Not a one would think of wearing his hat in his home, and yet he wears it in school. Sorta dumb, isn't he? But I'm not that kind of a nut; so don't mix us up.

## I'm A Nut

I know a lot of nuts disappeared during the Christmas season, but I'm still here, nuttier than ever. If the girl in front of me gets an "A," I say that the teacher has certain favorites. If the boy in back of me gets a good grade, I call him "teacher's pet." And if it's anyone else that gets high marks, I say that he is lucky or "just naturally bright."

I'm so batty, I just can't realize that the day and age of the teacher's pet are gone or that a member of the faculty can be friends with certain students and still deal with all impartially. When my friends get good grades and I don't, I do not give them any credit for studying or for knowing more than I do. That shows that I'm a nut, for I know that while I'm at a show or something like that, they are at home, studying as hard as they can. Of course, there is a difference in our work the next day, so when the other fellow hails in a lot of "A's," I wrongly call him "teacher's pet" and he rightly calls me a nut.

## Quizzzy Quizz

Question: What is your favorite amusement, and why?

"My favorite amusement is sports because I like to play the games and enjoy the recreation," said Elizabeth Augspurger.

Elizabeth Phelps receives her favorite amusement from ice-skating. She did not state her reason why except that she enjoys it and likes the cold air.

"The basketball games between South Side and Central are my favorite amusements because they are so exciting and the rivalry is so great between them that I am always anxious to see who wins them," said Catherine Childers.

"Reading," said Geraldine Joker, "is my favorite amusement because of the knowledge and interest I receive from it."

Craig Laubenstein said it depends upon the season of the year. "In the summer, I think the best way to spend an afternoon is swimming or playing tennis. In the fall I like football, and in the winter, basket ball."

"My favorite amusement is to play the piano because I intend to make this my occupation after I have been graduated from high school," said Louise Ryberg.

Fred Seiman claims his favorite amusement as pinchbeck, because it requires brains. (My, he must be a smart person).

"Swimming is mine," said Margaret McLintic. "It is good exercise and very healthful."

"After sitting in classes all day I enjoy dancing and skating as my favorite amusement," said Dale Shimer.

## In the Stone Age

Feb. 20—Science laboratories were finished. The school was gradually nearing completion!!!

March 1—Mary Forker won the discussion contest by defeating Josephine Dinklage and Paul Oliver. Mary thereupon prepared to engage in the county battle, March 23.

March 2—The first sectional basketball tournament ever held in Fort Wayne got under way with five games: Chubbuck vs. New Haven, Huntington vs. South Side, Central vs. Etna Township, South Whitley vs. Monroeville, and Leo vs. Maumee Township.

March 3—South Side defeated Central in the final game of the sectional tournament, 17 to 15. Wyss and Fromuth starred for the Green. The followers of the winning team hoped it to win the regional and enter the state tournament.

# Society

Alice Miller spent the week-end visiting with friends at Wabash, Ind.

Charlotte Scott will spend the week-end visiting with relatives at Crestline, Ohio.

Marie Rudolphson entertained a number of her most intimate girl friends at her home on East Suttell street Friday evening. Bridge and dancing were the most interesting features of the evening. Those who enjoyed the affair are Ethel Miller, Marcella Connors, Marion Miller, LaVon Blue, Emma Riggs, Anna Henry, Bertie Bennett, Louise Krill, Agnes and Alice Wehmeyer, and Faynell Filler.

Esther Ballard entertained a number of her most intimate girl friends at a Valentine party Sunday afternoon at her home on Lillie street. The afternoon was spent playing progressive bunco. Prizes were won by Alice Wehmeyer and Opal Kesterson. Late in the afternoon a delightful luncheon was served. Those who enjoyed the affair are Agnes and Alice Wehmeyer, Garnet Smith, Versal Mullen, Kathryn Blackwell, Juanita Tulley, Opal Kesterson, Rosemary Spore, Marie Brown and Ruth Ballard.

Bernice Allen spent the week-end visiting friends in Cleveland.

DeNeal Pfeiffer entertained her club at her home Friday evening. Those who were present are Kathryn Wescher, Kathryn Sellers, Hazel Sloan, Margaret McLintic, Virginia Kinnerk, and Bernice Dens.

Lucille Henkle entertained Sunday evening with a party. Those who were present are Mary Jane Florance, Georgia Fienstein, and Harold Broxton, Clarence Gruenert, and Ralph Schafer.

A party was given at the home of Mildred Allmon on Greene street. During the evening a mock wedding took place. Those participating were Dorothy Swadner, bride; Waneta Barber, groom; Mildred Allmon, ring-bearer; Edna Dean, preacher. At the beginning of the ceremony a solo song was sung entitled "Show Me the Way to Go Home." At a late hour a wedding breakfast was served to the newly married couple and their guests.

Dorothy Einsiedel pleasantly entertained a number of her most intimate friends Sunday evening. Games and dancing were enjoyed during the evening. A dainty luncheon was served to Vera Bruns, Pauline Hilbush, Marie Einsiedel, Tom Switzer, Walter McComb, Wayne Young, and Clyde Briggs.

Evelyn Jacobs delightfully entertained with an informal party at her home on Elmwood avenue recently. The evening was spent in playing games and dancing. A two-course luncheon was served to Dorothy Einsiedel, Vera Bruns, Pauline Hilbush, Virginia Woebeking, Madeline White, Lenora Nachtagall, Harold Baker, Gale Long, Walter McComb, Carl Johnson, Charley Brubaker, Erwin Weber, and Walter Krull.

Cardinal Michelle visited friends in Anderson, Indiana, this week-end.

A party given in honor of Miss Esther Dermody was enjoyed by a few friends of Ned Perkins at his home on Boltz street Wednesday evening. Bunco and dancing were the main features of the evening. At a late hour lunch was served to Marjorie Baals, Betty Augspurger, Gertrude Bradley, Bob Reaser, Draker Lombard, Paul Staigt, and the honor guest.

Marjorie Miller entertained Bertly Bennett, Betty Augspurger and Gertrude Bradley at her home on Huestis avenue last Friday evening.

Betty Augspurger entertained with a radio party after the South Side-Muncie game. At a late hour "Ge-dunk" sundaes were enjoyed by Marge Miller, Bertly Bennett, Gertrude Bradley, Ray Warnock, Chuck Fleming, Fritz Godfrey, Ernest Berg, and Earl Augspurger.

A theatre party was recently enjoyed by Marge Miller, Bertly Bennett, Betty Augspurger, and Gertrude Bradley.

Kathryn Sellers will leave Friday for Bloomington where she will attend the Zeta Tau Alpha dance. She will be the guest of Helen Crawford, '25.

## Week's Anniversaries

Feb. 27—Henry W. Longfellow, poet, born at Portland, Maine, 1807. Congress takes jurisdiction of District of Columbia, 1801.

March 1—Nebraska admitted to Union, 1867. Adoption of Articles of Confederation, announced, 1778.

March 2—Washington Territory organized, 1853. Mt. Rainier National Park created, 1899.

March 3—Florida admitted to Union, 1845. Congress authorized establishment of Santa Fe Trail, 1825.

March 4—President Harding's inaugural address, 1921.

Henry Wadsworth Longfellow  
Longfellow was born at Portland, Maine, February 27, 1807. The first of his American ancestors was born in Hampshire, England. His father was Stephen Longfellow, a lawyer of ability and a man of much influence throughout the state. Longfellow's mother was Zephia Wadsworth.

When fourteen years of age, Longfellow entered the freshman class in Bowdoin College, Brunswick. One of his classmates was Nathaniel Hawthorne. Before finishing college, he was accorded a place among the greatest writers of the day. Longfellow was chosen the poet of his class. He graduated in 1825, and once he was appointed tutor. He studied law in his father's office at Portland, but he was not suited to law. He visited Europe, which caused much excitement there. He was very true to the national spirit. In 1829 he assumed the professorship at Bowdoin College. In 1831 he married Miss Mary S. Potter, whom he had loved in earlier days. In 1833 he published many translations from the Spanish. He also translated from the French. Longfellow's wife died at Rotterdam November 20, 1855.

In 1836 Longfellow became professor at Cambridge. He was very successful and in 1843 he married Miss Frances E. Appleton. He wrote many poems, some of the greatest ever written. In 1882, March 24, he died, and on the twenty-sixth he was buried in Mount Auburn cemetery.

Longfellow had a very attractive personal appearance. He had a high forehead, bright eyes, straight nose, thin lips and a small chin. He had a low but attractive voice, and sang many of the poems he wrote.

## Commercial Department Makes \$14.37 from Sale

The net proceeds of the candy sale conducted by the commercial department at the Central-South Side game amounted to \$14.37.

This money will be used toward defraying the expense of sending contestants to the state commercial contest at Muncie in case South Side has students winning in the local contest.

## KIND OF SCHOOLS DISCUSSED FULLY AT COLLEGE CLUB

"My Own Type of College"  
Subject of Talks by  
Members of the  
Club

### FOUR TYPES EXPLAINED

State University, Small College,  
Girls' School, and Technical  
School Discussed

About one hundred senior girls and their mothers enjoyed the meeting of the College club held for their benefit last Thursday afternoon, February 18, at the Little Art theatre.

Talks on "My Own Type of College" were given by Miss Edith Garrett, Mrs. H. C. Storr, Mrs. W. Page Yarnelle, and Mrs. Ben Pirley Weaver.

Discusses State University  
Miss Garrett, who is a recent graduate of Indiana University, talked on the state university, discussing its aims, purposes, number of students, and approximate cost. She also told of the good supervision of girls and girls' dormitories by the university.

Mrs. Storr, a graduate of Olivet College, Olivet, Michigan, talked on the small co-educational colleges of the middlewest. She said, "Although these schools were founded by certain denominations, they are almost wholly non-denominational now. Their purpose is to educate the common people, and not just teach a certain religious faith." Mrs. Storr also discussed the small college as compared with the state university, which is much larger.

Talks on Girls' Schools  
Mrs. Yarnelle, a graduate of Bryn Mawr, talked on girls' schools of the east. She described social life, supervision, and approximate cost of an education at any of these schools. She named several scholarships which are offered to attendants at these schools to help them earn their way through. One of these is a fund of \$100,000 offered by Smith College, to be distributed between the freshmen of the school who need financial aid.

Mrs. Ben Pirley Weaver discussed the technical school, such as the kindergarten school, library school, school for nurses, and other schools teaching a profession.

#### SOUTH SIDE ALPHABET

- A—is for Absences,  
One thing we all like;  
Especially when spring comes,  
Then we all like.
- B—is for Behavior  
For which some can boast,  
Others don't care because  
They like ridicule most.
- C—is for Classes  
Of all kinds;  
For the purpose of teaching  
And training our minds.
- D—is for Demaree,  
A teacher we all know,  
She teaches us English  
From head to the toe.
- E—is for Education  
That most of us are getting,  
It takes a lot of studying,  
And makes a lot of fretting.
- F—is for Failure,  
To many it falls,  
Though others are lucky,  
Too many it calls.
- G—is for Glee Club,  
Fine honors they're taken,  
They are going to give "Mikado,"  
And bring home the bacon.
- H—is for Harvey,  
She's not very tall,  
But we couldn't print this paper  
Without her at all.
- I—is for Idleness,  
A practice of us all,  
We do it in the class rooms,  
But not in the hall.
- J—is for Jestors,  
We have quite a few,  
Some jest in their classes,  
That's all they can do.
- K—is for Kicking,  
Not only in football,  
But done by the pessimists  
In class rooms and hall.
- L—is for Lockers  
Where books we do keep,  
And their bangs keep the students  
In Room S from their sleep.
- M—is for Money  
Spent daily for gum,  
Don't chew too much,  
It's hard on the "tum."
- N—is for Null,  
A teacher we all like,  
For him we all work  
With all our might.
- O—is for Office,  
Where excuses are given,  
When we are called there  
We wish we weren't livin'.
- P—is for Pupils,  
A funny bunch we are;  
To our school colors  
We stick like tar.
- Q—is for Quarter,  
One-fourth of a dollar, they say  
Get seven and one more and  
Subscribe for the Totem, today.
- R—is for Reasoning,  
With it seniors are blessed;  
We'll see how much they have  
When it comes to the test.
- S—is for Senior,  
The dignified bunch;  
Razzing the freshmen  
And serving the punch.
- T—is for Trophies,  
Of which we have plenty,  
We keep right on winning 'em,  
We'll never have too many.
- U—is for Urchins,  
Freshmen in their teens,  
They sit in the class rooms  
And paint the scenery green.
- V—is for Vanity,  
A word of great renown,  
The girls hitch it to a powder can,  
And carry it around.

## Alumni News

Bill Thiele, '25, assistant signalman for the Pennsylvania Railroad, has been transferred from Fort Wayne to North Manchester, Indiana.

Don Currie is very successful in Orlando, Florida. Although he has only been in Florida one week, Don is established and has a job.

Ruth Switzer, '25, entertained the members of the B. M. C. Musical club at her home Friday evening.

Azenath Rodebaugh, '25, is now employed at Wolf & Dessauer's.

Annetta Yaggy, '23, is working at W. T. Grant's department store.

Alma Busche, '23, is working at the S. F. Bowser company.

Bertrill Merrill, '25, has been pledged to the Sigma Alpha Gamma sorority of this city.

Evelyn Lewis, '23, is employed at the Art Mosaic & Tile Co.

Mary Meek, '24, is working at S. F. Bowser & Co.

Mrs. Dorothy Cline-Williams, '25, is employed at the Journal-Gazette.

George Wyss, '25, a student of Northwestern University, spent the week-end with his parents.

Mildred Kesterson, '25, will spend the week-end at Huntington.

Zoe Marahrens, '24, is employed by the Medical Arts Protective company.

Miss Mary McCurdy, '25, spent the week-end visiting her parents, Dr. and Mrs. McCurdy, of South Webster street. Mary is now attending Muncie Normal.

Clara Sherbondy, '25, is employed at the General Electric.

The Anoma club, of the First Baptist church, was recently entertained at the home of Dorothy Schiefer, '24.

Lottie Dignan, '25, will have as her guest over the week-end, Art Brand, of Indiana University.

Harold Bridge, who started to the University of Illinois at the beginning of this semester, has been pledged a member of the Pi Kappa Phi fraternity. Harold is also a member of the third division of the Illinois band and is an advertising solicitor of the Illini, the university daily paper. Harold was business manager of the 1925 Totem.

The marriage of Virginia Homsher, '24, and Edgar Gusler, of Grover Hill, Ohio, on October 2, 1925, came as a surprise to the many friends of the couple when announcement of it was made Thursday night at a party given by the bride's parents. Virginia is a graduate of the class of 1924, and is well known in musical circles of the city, being an accomplished pianist and organist. Mr. Gusler is a graduate of Ohio Northern University and Bowling Green State Normal. He is now employed by the Prudential Life Insurance company.

Dick Porterfield, '25, is a pledge of the Phi Kappa Psi fraternity at the University of Illinois and is a reporter on the Illini staff. Dick was advertising manager of the 1925 Totem.

W—is for Worry,  
It comes to all of us,  
Especially at the end of the term,  
We study even in the hall.

X—is for Xmas,  
A vacation we adore,  
The trouble with us  
Is we always want some more.

Y—is for Yelling,  
It's done at the games;  
A few sit back and yawn,  
We're not mentioning names.

Z—is for Zero,  
Of which we get many,  
A few we deserve,  
Others not any.

—D. D. Johnson.

Make Bird Books  
All the 9B English classes of the Stockton (Cal.) high school have made bird note books. This has created interest among the students of nature studies.

Posters Made  
The art classes of the Sabetha (Kansas) high school illustrated the effects of wearing the wrong kind of shoes and eating the wrong kind of food by posters made by the art students.

Classes Write Themes  
The commercial classes of Jefferson high school, Lafayette, Ind., wrote a theme on a trip through a laundry establishment. The girl who wrote the best was given five dollars.

Visits Printing Plant  
The journalism class of Morton high school, Cicero, Ill., recently visited the Chicago Tribune's printing plant.

Vera Stevens, '24, and Veda Stevens, '25, spent the week-end visiting their parents. Both girls are attending Muncie Normal.

Frances Alger, '25, will spend the week-end at North Manchester.

Harold Wager, '25, is employed at the Pennsylvania company.

Mildred Morgan, '24, is employed at Wolf and Dessauer's.

Clara Sherbondy, '25, spent the week-end in Huntington.

Eugene Englehart, '23, is employed at the Pennsylvania.

Velma Puff, '24, entertained the members of her bridge club, last Friday evening.

Mary McCurdy, '25, has returned to Muncie State Normal, after spending the week-end with her parents.

Helen Crawford, '25, and Elizabeth Cline, '25, of Indiana University, are among one hundred students of Indiana University who will present the university's musical comedy, "The Jordan Revue," next month at Indiana University.

Helen Willie, '24, Velma Puff, '24, and Lottie Dignan, '25, are members of the S. F. Bowser's bowling team.

Maurice Miller, '25, is employed at the Lauer Auto company.

Prelina Fletcher, '25, a student of Lake Forest University, is spending the week-end with her parents.

Doris Baxter, '24, has been pledged to the Lambda Chi Omega sorority of this city.

Marjorie Matlack, '25, and Edna VanTilbury, '25, have returned to Muncie State Normal, after spending the week-end with their parents.

Helen Crawford and Elizabeth Cline, both of the 1925 class, are among the one hundred students of Indiana University who will present the university musical comedy next month at Bloomington and Indianapolis.

Thyra Jurgenson entertained Bertie Merrill, Marcella Shalley, Florence Phelps, and Flora Baer Thursday evening at her home on South Harrison street.

The engagement of LaVon Fletcher, daughter of Mr. and Mrs. Harry Fletcher, to Dwight Shirley, son of Rev. C. O. Shirley, was announced at a farewell dinner in her honor given by her sister, Prelina, at Lake Forest College Inn. LaVon was a member of the class of '23. She had membership in both the So-Si-Y and the Phi-Ialpha clubs of South Side and the Friendship club and Sorosis of Central. LaVon was in her second year at Lake Forest. Dwight Shirley and Sam Fletcher were the former owners of "The Campus Shop" of Lake Forest College. Their business was nearly \$40,000 in volume during their four years. Dwight and Sam are now in charge of "The College Shop" at Patterson-Fletcher's.

Dorothy Eymen lives in Urbana, Ill., and now attends the University of Illinois. Ann Weaver is also attending the University of Illinois.

Raymond Shaffer, '26, is employed at Thine's shoe store.

### Eight Indiana Cities Represented at Meet

A conference was held last Saturday and Sunday, February 20 and 21, at the Y. W. C. A., by the young business girls. About forty girls were present—Indianapolis, Muncie, Marion, South Bend, Anderson, Shelbyville, Elkhart, and Fort Wayne were represented. The conference was held in order to make preparations for the large conference to be held in Milwaukee in April.

The Fort Wayne clubs represented at the conference were Gracchi, Blue Triangle, Puellae Comitae, Wolf & Dessauer's Girls, and International Business College Girls.

## RADIO RECEPTIONS MADE BY PHYSICS INSTRUCTOR

Army Conducts Tests To Determine  
Value, Stability, and Advantages  
of Using Short Waves

Very interesting radio receptions on waves below 50 meters have been made by Mr. Hull, physics instructor of South Side High school.

On Friday, Saturday and Sunday, February 5, 6, and 7, the Ninth United States Signal Corps experimental station WVY, located at Presidio, California, transmitted a test schedule on a wave length of 35 meters at regular intervals beginning at 2:00 a. m. P. S. T. (Pacific Standard Time) and ending at 7:00 p. m. P. S. T., each of these days. On Tuesday, February 9, transmission was made on 23.2 meters beginning at 2:00 a. m. P. S. T. and continuing until 7:30 p. m. P. S. T.

A number of amateur radio operators located throughout the United States, Cuba, Hawaii, and European countries were furnished with a transmission schedule of WVY and were requested to tabulate their reception of signals and report to the office of the Ninth U. S. Signal Corps.

A greater part of the transmitted signals were received and reported on by Mr. Hull. He used a short wave receiver which he has built and has been experimenting on for some time.

The purpose of these tests by the army is to determine the stability, value, and advantages of short wave transmission and reception which is still in the experimental stage. It is only by methods such as tests and schedules that this can be determined with the help of people who operate receiving sets only.

"Short wave work is very interesting since it is not fully developed and has different characteristics than higher waves," said Mr. Hull.

## In Other Schools

### To Aid Historical Fund

A short assembly was held by the history department of the Northwest Junior high school, Kansas, Nebraska. The purpose of the meeting was to acquaint the student body with the plan to free the home of Thomas Jefferson from the debt which it carries. The class is sending a contribution so the Northwest may have a part in the movement.

### Class Makes Visit

The civics class of Northwest high school, Kansas City, Kansas, visited the police and fire departments to get information about the protection and safety of their city.

### Journalism Class Formed

For the first time in the history of Elkhart (Ind.) high school a journalism class has been organized. This class meets three times a week.

### Entertain Freshmen

The upper classmen of the Senior high school, Anderson, Ind., entertained the freshmen for the purpose of getting them better acquainted with the school and students.

### Serve Lunches To Pupils

The cooking classes of Eaton (Ind.) high school have been serving hot lunches to the students.

### Movies Shown

The psychology classes of Normal College, Terre Haute, Ind., enjoyed an educational movie in their classrooms. Three reels were shown: "How We Hear," "How We See," "The Human Voice."

## With the Classes

In a chemistry test given by Mr. Voorhees last Wednesday the grades averaged all the way from three per cent to one hundred per cent.

Mr. Schafer's music history class will start taking a series of tests on the biographies of the six great musical masters next Monday.

Mr. Makey has started a "Queries and Answers" space on the blackboard in his room. Students may ask questions and Mr. Makey will write the answer on the board. One question asked was, "How can a student make A's on his themes?"

Mr. Makey has been giving lectures in his 12A English classes on Literature. The students take notes on what he says.

Miss Crowe gave examinations to her general history classes Tuesday over the work covered in the last three weeks.

Mr. Gould gave all his botany students tests last Friday. The grades were unusually high for the average class examinations.

Miss Demaree read to her 12A English classes Tuesday some very interesting themes, written by pupils of Oak Park high school, Chicago, Ill.

The students in Miss Brigham's French 4 class will draw maps of France, showing the route of travel of the principal characters in the story, "Sans Famille."

Miss Miller's general history class 1 had a test Monday over the first two divisions of the term's work.

Howard Welsh was absent several days the first part of the week because of illness.

Esther Speelman was absent Monday and Tuesday of this week because of illness.

Mr. Schafer's music history class spent one period last week on the study of rhythm. Records were played, discussed and contrasted. Records of Bach, Schumann and Schubert and then more modern composers were studied.

Mr. Null's English VIII class has completed and taken a test on the Four Ages of Elizabethan Literature.

Mr. Murphy spent two periods last week teaching and timing his economics classes in outlining.

Marcelle Rohrbach has returned after a week's absence due to illness.

Mr. Whelan's 10-B physical geography classes are becoming acquainted with some of the more important stars and constellations, such as Orion, the Pleiades, the Heavenly Twins, and others.

A Comstock Company's star map, for February, has been given to every member of the classes with instructions as to how to use it.

## NEW THEORY EXPLAINED TO MATH-SCIENCE CLUB

Mr. Whelan Talks on Origin of the  
Earth; Walter Zahrt Also Ad-  
dresses Organization

Mr. Whelan explained the "New Theory as to the Origin of the Earth," to the members of the Math-Science club last Friday evening at 7:30 o'clock in room 86.

As an introduction to his talk, he told about some of the early astronomers and what they accomplished. He next took up the theory as presented in the October issue of the Forum Magazine. This article represents the earth as a development from a fragment of the sun. This fragment was pulled away from the sun by the gravitational attraction of a passing star. The earth then cooled and condensed to its present condition.

The topic on "Fables Connected with the Early History of the Mathematics" was discussed by Walter Zahrt. He also explained facts about Roman and Greek mathematicians, how cubic equation was formed and solved in telling.

"Mathematics at the beginning was a continual process of making equations, solving them, and then being challenged as to the correctness of the solving," said Walter Zahrt.

Committee chairmen were elected. Mary Alice Tannehill was made the head of the entertainment committee. Ralph Frank was elected chairman of the program committee; Ruth Eickmeyer was elected head of the social committee; and Morris Felger was chosen head of the membership committee.

The games were directed by Ruth Eickmeyer and Margery Burres. The members were divided into teams to play ball. Each team had to see how hard they could bowl. Mary Alice Tannehill's and Walter Hallstein's team tied for first place. Whip-cream puffs were served after the other games were completed.

### Style Show Given

A style show was given by the members of the sewing classes of the Brazil (Ind.) high school.

## MUNCIE BEARCATS NOSE OUT KELLYS IN CLOSE BATTLE

Fighting Green Plays Great Game, But the Purple Men Win, 33 to 31

### DUWAN STARS FOR GREEN

Defensive Ability of Wardoites Keep Bearcats From Getting Short Shots at Basket

Although being doped to lose by a top-heavy score, the Kelly Klads displayed an offensive attack against the Bearcats which almost spelled defeat for the Purple and White warriors at the Kelly's hardwood court last Saturday. Although the Bearcats won out 33 to 31, the game was a nip and tuck affair from start to finish with the victor never being definitely decided until the last minute.

Both teams entered the fray with a defeat on the previous night fresh in their minds, and both teams entered the fray with a determination to win.

The game was one of the fastest and most cleverly played games staged here this season. Time after time DuWan would follow up shots to threaten the lead held by the Bearcats but always the Bearcats would force their way to another marker to hold the lead.

At the beginning of the game, George broke the ice with a field goal and from then on the battle raged. Although Muncie held the advantage throughout the first half, the Kellys were constantly threatening the visitor's goal.

The second half brought the Kellys into the fray with greater determination. Simon put the Kellys into the lead for the only time during the contest, but Muncie caged another to take the lead again.

As the battle drew near the finish, Muncie was leading by one point and South Side started at a shower at the basket but had hard luck getting the sphere to stick. Muncie pulled away from the Kellys, but another basket put the Green within one point of the Purple. The Bearcats managed to hold the lead when the gun cracked to end the battle.

DuWan proved to be the star for the Kellys, getting his lucky number of five field goals and five fouls for a total of fifteen points.

As superb guarding of both teams made baskets hard to get, both teams relied considerably on getting markers from a range.

**SOUTH SIDE (31) MUNCIE (33)**  
Wambsganss F. George  
Wellman F. Burgess  
Branning C. Joris  
Simon G. Wedmore

## RESERVES SWAMP LEO; WIN BY LARGE SCORE

Distel and Fleming Are Stars for South Side; Neuenschwander Leads the Scoring for Losers

The South Side Reserves had an easy time Saturday, swamping the Leo high school quintet by a 43 to 21 count. Led by Distel and Fleming, who scored sixteen and ten points respectively, the Reserves crashed through the Leo defense for shot after shot. Coach Gilbert used two different teams, and each gave a good account of itself. Nulf and Rastetter also broke into the scoring column, getting three counters apiece.

Neuenschwander was the big gun of Leo's offense with six field goals and two free throws. Sevits was the only other Leo player to score. He managed to toss the ball through the net for a total of five points.

**Summary:**  
**South Side Reserves** Leo  
Distel F. Neuenschwander  
Nulf F. Sevits  
Fleming C. Kryder  
Rastetter G. V. Van Zile  
Schopf G. Tonkel  
Substitutions: Feustal for Distel, Lighthill for Nulf, McLucas for Fleming, Bell for Rastetter, DeHaven for Schopf, A. Van Zile for Kryder, Klopfensteil for V. Van Zile. Field goals: Distel 7, Nulf 3, Lighthill 2, Fleming 5, McLucas, Rastetter 3, Bell, Neuenschwander 6, Sevits 2. Free throws: Distel 2, Lighthill, Neuenschwander 2, Sevits.

## SENIOR BASKETEERS LEADING CLASS LOOP

Juniors and Faculty Tie for Second Place; Each Team Has Played Three Games

	WON.	LOST.	Pct.
Seniors	3	0	1.000
Faculty	2	1	.666
Juniors	2	1	.666
Sophomores	1	2	.333
Freshmen I.	1	2	.333
Freshmen II.	0	3	.000

The seniors took undisputed lead in the class loop this week by virtue of their victory over the Freshmen I. and the defeat of the Faculty five by the Juniors. This makes the Juniors and Faculty tied for second place with two games won and one lost. The Sophomores and Freshmen I. are tied for third position, while the Freshmen II. occupy the cellar. The Sophomores defeated the Freshmen II. last Tuesday.

The Faculty-Junior game developed into a thrilling tilt in the final period. The Juniors held a 10 to 5 lead at the halfway mark. The Faculty came out in the last half with a rally which put them one point in the lead just before the gun, but Referee Fleming called a foul on the mentors and the Juniors missed both free throws. On the second free throw Dissinger tapped the ball in to give the third year men the game, 17 to 16. Time was called as the ball was taken back to center. Heine was high point man for the Faculty, while Dissinger held the same honor for the Juniors.

In the second game the Seniors downed the Freshmen I., 18 to 11, in an interesting game. The Seniors held the Rhinies to one point in the last half. The score at the rest period was 13 to 10. Clayton led the scorers with seven points.

In the last game the Sophomores had a hard time defeating the Freshmen I., who put up a good fight. The score was 19 to 8. The Sophs were leading, 6 to 5, at the half.

**Line-ups and summaries:**  
**Juniors (17)** F. Suter  
Feustal F. Davis  
Dissinger C. Heine  
Folsom G. Schmalzried  
Erick G. Welborn  
Substitutions—West, Seiman. Field Goals—Dissinger 5, Heine 4, Schmalzried, Welborn, Harper 2. Free Throws—Suter 3, Feustal, Folsom, Fricke.

**Seniors (18)** F. Shively  
Baker F. Tompkinson  
Wedler C. Stalcher  
Switzer G. Brokaw  
Klein G. Dicky  
Substitutions—Waterman. Field Goals—Clayton 3, Wedler 2, Baker, Switzer, Klein, Shively, Stalcher, Brokaw, Dicky.

**Sophomores (19)** F. Ormerod  
Talmadge F. Dull  
Hazelett C. North  
Stover G. Briggs  
Gargett G. Turner  
Kessler G. Turner  
Substitutions—Rurode, Bulmahn, Fleming. Field Goals—Talmadge, Gargett, North 3, Briggs 4, Bonar. Free Throws—Talmadge 3, Hazelett, Stover, Briggs 3. Referee—Fleming.

### Miss Patterson Offers Advanced Work in Gym

An advanced gym class has been organized by Miss Patterson for the benefit of those girls in the upper classes who take an interest in the work. The class will meet several times a week. At first they will do tumbling and other work on the mats, and later they will include apparatus work in their schedule.

### Football Men Awarded

The seventeen lettermen of the 1925 football season at Central high school, Muskogee, Oklahoma, were awarded sweaters and small gold footballs last week. The footballs have engraved "1925" in one section. "State Champions" in another section, the position of the player in the third section, and the name of the player in the fourth section.

GLASSES Preserve the Youthful Appearance. Eye Strain help to cause wrinkles and "Crow Feet" that give a tired and worn look.

### Tip Offs By Willie Gettit

Score: Muncie 33, South Side 31. The contest was enjoyed by all.

Where are the old fogies that said that South Side never FOUGHT?

A prominent student told us after the game that he would have to stop smoking as the games were getting too fast and were hard on the heart. We don't blame him much ourselves.

Does it seem possible that there are only two more games left on the regular schedule?

The games referred to are the Emerson and Huntington battles.

What's been bothering us is that we would like to know where Joris learned to shoot baskets??

With the Emerson fracas, Our Team will sing their swan song and then—THE TOURNAMENTS!!!

We were just wondering how the dopesters are feeling by this time.

Anyway, it's a cool, cool world to those unfortunate beings.

**OUR WEAKLY ROCKABYE:**  
Wardo Gilbert and Lundy Welborn have refused to announce the line-up for their new ballet to be given this spring in the stadium. It is hinted that the boys will wear little white dresses trimmed in baby blue. Nobs Schopf will play the leading part.

### S<sup>P</sup>O<sup>R</sup>T GUSH

Seeing that Muncie game was almost enough to give us gray hair.

It's a good thing that Indianapolis is so far away so we couldn't see that see-sawing score or we'd be on our way to State street sure.

And for once they couldn't say "caused by Charlestoning."

It must have resembled a Boy Scout rally with the eleven tying contests. Not knots, either.

Girls, do be sure to get your memory books and fountain pens in shape for the sectional tourney.

All the varsity girls are so busy practicing basketball and volleyball that they just live in the gym.

One more week till they play Central.

Then we'll have something else to scribble about for a change.

The girls' squad has been working hard and hopes to furnish some keen competition for the Tigerettes.

They're even so kind as to furnish some amusement for the idle people at noon.

Let's end the season with a win, everybody.

### Bubaker Goes Big

Charley Brubaker, former prominent South Side athlete, was high point man in the Y. M. C. A. Industrial league this season. Charley played with the Bass Foundry quintet. Orlie Nobles and Red Paulsen, former Central stars, were teammates of Charley.

## GREEN AND WHITE CAGERS DROPPED BY MANUAL FIVE

Harmeson, Star Center of Capital City Lads, Leads Scorers With Twenty Points

### SIMON STARS FOR KELLY

Score Is Tied Eleven Times in Last Few Minutes of Thrilling Contest

The super playing of Harmeson and his keen eye for the basket were the main causes of the Kellys 37 to 33 defeat at the hands of Manual at Indianapolis last Friday.

Harmeson, the Red and White's flashy center, set a pace that was not to be overcome. He was going at top speed from start to finish and before the game ended had gamered nine baskets from the field and had tossed the ball through the hoop twice from the free-throw line.

At the start of the game the Fightin' Green grabbed the lead. After a continual give and take period, Harmeson put his Red and White basketballers in the lead and at the half way mark were leading 17 to 14.

The second half opened with the Manual warriors starting a rush at the hoop and brought the score to 23 before South Side started to open up. Here the Kellys started up an offensive drive which brought the score to a tie. With but a few minutes remaining, the teams battled on practically even terms, the score being brought to a tie eleven times before the game ended. With a minute and a half to go South Side's cagers were leading by one point, but in the final seconds of the games Rhodes scored a field goal and as he missed a free throw Harmeson tipped the ball through the net to score a field goal just as the gun sounded.

Simon was high point man for the Kelly cagers, getting three field markers and five foul shots to his credit.

## HI-Y TO BE ADDRESSED BY SAMUEL D. JACKSON

New Brunswick Pantaphone Will Be Demonstrated; Program for the Spring Semester Announced

Samuel D. Jackson, prosecuting attorney, will speak at the Hi-Y meeting this evening at the Y. M. C. A. His talk will deal with a subject of local interest. Mr. Jackson has already addressed this organization on several occasions.

As another part of the program, R. J. Duesler, of the Duesler Music Shop, will demonstrate the new Brunswick Pantaphone.

Both the Central and South Side clubs held very interesting meetings last Thursday.

The South Side Hi-Y discussed "Faults—How May We Overcome Them?" Mr. Virts and Mr. Schmalzried led in the discussion.

Judge W. N. Ballou gave a very interesting talk at the Central club meeting. He discussed the crime wave, its cause and some things that might prevent it. He referred to the conscience and the police, and asked the boys which they thought the better preventive.

The entire Hi-Y program of the South Side organization for the spring semester is as follows:

February 25—Speaker.

March 4—"How to Spend Our Sundays." Bible Study: Missing the Right Way.

March 11—"Dancing." Bible Study: A Leader's Qualifications.

March 18—"Health and Recreation What?" Bible Study: A Call to Personal Service.

March 25—Speaker.

April 1—Vacation.

April 8—"Playing Square with Tomorrow." Bible Study: A Call to a Heroic Life.

April 15—"Associates and Their Influence." Bible Study: A Call to Life of Broad Learning.

April 22—"Should High School Boys Have a Steady?" Bible Study: A Call into the World Family.

April 29—Speaker.

May 6—"What Do We Owe to Our School?" Bible Study: A Call to Social Prayer.

May 13—"High School Frats." Bible Study: A Call to a World Enterprise.

May 20—Speaker.

## GIRLS' VARSITY PLAYS CENTRAL NEXT WEEK

First Game at Central; Return Match Is at South Side Gym.

March 15

"The girls' varsity squad has been practicing regularly and will be in fine shape to play their first game with Central, March 15," stated Miss Patterson, girls' coach. This match will be played in the Central gym, while the return game, March 15, will be at South Side.

The line-ups for this tilt have not been announced yet by the coaches; however, most of the twenty who have turned out for varsity work at South Side will probably get a chance to play in one or the other of these games.

Those eligible to play in these two contests are: Elizabeth Augspurger, Velda Nobles, Beatrice Huguenard, Linda Foster, Gene Hart, Adeline Ward, Mildred Koster, Gladys Guebard, Violet Fell, Elviah Miller, Cornelia Bole, Margaret Mossman, Wilma Kronmiller, Dale Miller, Doris Bauer, Nellie Mueen, Gertrude Brouwer, Winifred Lindbergh, Ruth Watkins, and Mary Tannehill.

## TIMES EDITORIAL GETS FIRST PLACE IN STATE CONTEST

(Continued from page 1)

Sixty high school newspapers in the state are entered in the contest.

I sincerely hope that this journalistic honor may only serve as an incentive for further efforts along this line.

State Superintendent Sherwood has asked me to extend to you, his congratulations. He was highly pleased with the spirit and style of your contribution.

With best wishes for continued success, I am,

Sincerely yours,  
(Signed) R. E. BLACKWELL,  
Deputy State Superintendent.

Ruth has worked on the Times staff three terms and has held various positions. At the time the editorial was written Ruth was editor, but she is now managing editor.

The editorial which was in the Times, February 4, follows:

Education and "Rainy Day"

Statistics have been compiled by national banking associations showing the relative status of our financial means during various stages of our future life.

We find that only 75 out of our 1,230 enrollment at South Side will be self-supporting at the age of 65, in comparison with the astonishing number who are predicted to be dependent on others for their financial well-being. But why should we, who are living in an age of rapid advancement in the social, political, and other sciences, be forced to such deplorable conditions when advantages in all phases of life are open to us for advancement and, consequently, financial independence? This may seem puzzling, but we may at least partially avoid these undesirable figures by a clear understanding of the situation.

There are four factors which tend to keep us in suppression and when these four are remedied, we will rise from the present state of affairs. These four are lack of sufficient education, lack of the spirit of thrift, lack of wise management of affairs, and lack of fitness for one's work. The greatest of these four is the first—lack of sufficient education. When we have once acquired an adequate education, the other remaining three will disappear and we will at last be freed from financial dependence in later years.—Ruth Eickmeyer.

Start a Voters' League

Co-eds of Olivet (Mich.) College have formed a voters' league. The purpose of the league is to make the members more familiar with public officers.

## Teachers Relate Interesting Experiences Which They Had Early in Their Profession

Most of Them Started in Small Schools; Some Have Experience in Country.

Teacher's first experiences in their profession are certainly varied. This time we have a small high school, a country school, and a grade school represented. Miss Oppelt started her teaching in a small high school, Miss Thorne in a very small country school, and Miss Crowe in a grade school as a special teacher.

"The fall of 1920 found me in a small town in northern Wisconsin, in a community made up almost entirely of people of Norwegian descent," began Miss Oppelt. "It seemed to me that all the Johns, Gundersons, Thorsens, Olsons, and Hansons in the world had collected into that one spot."

"In that small high school, which had an enrollment of two hundred students with nine teachers, including the principal, I was ready to practice the theory I had been taught during my four years of University work. During that first year I learned, only of course, through experience, that the greater number of pupils are sincere in their work and are more willing to work hard for success in a subject than most persons would suppose. That year, too, I found out that boys and girls above all else expect (and have that right to expect) a 'square deal'."

"And oh, yes! that winter was so delightful because of our enjoyment in skiing and coasting. Surely the memory of it will always be sweet," concluded Miss Oppelt.

Miss Thorne says in regard to her first teaching experience, "Two points about my first years of school stand out in my mind. First, the absolutely interminable first day—it seems to me that it was a very good definition of infinity. I had planned work to do, but it was four hours before my watch said that I might dismiss the children for recess. The second point is the following incident."

"The school house was a little frame building in the corn-belt in Illinois. It had only thirteen when they were all there and the attendance record was far from perfect. I wasn't seventeen yet and was much afraid that I couldn't impress the patrons with my dignity and teaching ability. One night the bank in the little town some twenty miles away was robbed. The next morning when I arrived at the schoolhouse, the trap-door over the opening that led to the attic of the building was not in the same position it had been in when I left the night before. I was as badly frightened as anyone could be."

"I was absolutely sure that the bank robbers were hiding in the attic, but I wouldn't go to any of the neighbors for two reasons. One, for fear that I would be laughed at for always watching the trap-door and secondly, because I was afraid they would think that the teacher whom they already called 'kid' would be called a coward as well. So I stayed in the front door until Stevie came to school. He was the only one that day and had walked nearly three miles to get there. Stevie had some kind of spasms occasionally, and ordinarily I would have been in constant dread thinking that he might have a fit, but that day Stevie was a great source of comfort. The next day the trap-door had shifted again, and I concluded that the robbers had gone. They were captured a few days later, but I never knew whether or not they had heard Stevie's recitation that day," ended Miss Thorne.

"I did my first teaching in Champaign, Illinois," said Miss Crowe. "My title was a 'special teacher,' she went on to remember that I took considerable pleasure in signing the contract, and I looked forward to fall and the opening of school. I still think that I was fortunate to get the position in the town of Champaign. But I am heartily glad that my first year is over and done with."

"There were eight grade schools in the public school system. I went to three six-room buildings. Two other teachers went to the five eight-room schools. Our job was to help the dull pupils think, to help the helpless make up back-work, and to help especially bright children to do two term's work in one. In a year I had only one of the last group, few of the absentees, and I believe hundreds of the dullards. We were allowed to give mental tests to the very slowest ones. That phase of the work was interesting. Finding that an apparently dull child tested high we had to search for the cause of his lack of response in the school room. The search involved physical examinations and sometimes investigations of the home conditions. But discovering even an average child in my group had its disadvantages for me, because almost as soon as I got interested in a particular individual he left me. The great majority of the children sent to special class, however, tested about as low as the room teacher had estimated."

"The only child whose name I still remember was a negro boy eight years old. His name was Mellon. He was one who was tested and very shortly returned to his room to work without help. These classes of mine—never more than seven strong but generally the same seven for weeks at a time—were apt to become very tiresome. I was quite aware of an effort to resist sleep-somberness times."

"I do not believe I could have done anything for a year that would have made me appreciate normal people more than this teaching did. It had its other advantages of course, but they were not sufficient to keep me in that work a second year. I was glad to teach a large group all day long and day after day, in the same building always, and to give up the title of 'special' teacher," finished Miss Crowe.

Classes Serve Lunches

The cooking classes of Central high school, Kansas City, Kansas, have been studying menus. Serving hot lunches to the students is the result of their study.

## PHILO AND ART CLUBS HAVE SOCIAL AFFAIR

Excellent Program Furnished by Both Organizations; Celebrate Washington's Birthday

With a program which furnished amusement and education for everyone, the Philaethian Literary society and Art club joined in celebrating the birthday anniversary of George Washington, Monday, February 22.

The meeting was strictly social, since both clubs decided to dispense with all business. Wilda Bowser, a member of Philo, was chairman at the affair. Both clubs contributed toward the very interesting program, which is as follows:

Piano Solo Eric Laseh

Life of George Washington

Vocal Solo Virginia King

Chalk Talk Miss Perkins

Vocal Solo Richard Moores

Stunts by Martha and George Washington

Martha and Mary Sherman

## Mercury Loses

By Thelma Buirley

Harry Raider stood gazing at the row of aeroplanes with a carefree smile on his face, for this was the day of the Aeroplane Race which was the main event of the year in the town of Pendleton, and Harry had a good chance to win over the other competitors.

He glanced with pride at his own plane, then remarked to a pair of legs that extended from under the plane, "Only one more bolt to put in, and we'll be ready to go. I think we'll have an easy time getting the cup, Jim. Mr. Henderson might just as well give me the cup now, don't you think?"

A long-drawn-out grunt was the only reply from the busy mechanic.

Ruth Ellen Spath, who had just arrived, came running up to Harry at this moment.

"Oh Harry," she exclaimed, "I hope you will win the cup. May the best man win."

"Thanks for the compliment, Ruth," gloated Harry, as he buckled on his flying cap.

"But, Harry," pouted Ruth, as she was carried away by a group of girls, "I didn't say you were the best man. I said may the best man win, who ever he may be."

"Only fifteen more minutes," remarked Harry, smiling his confident smile as he watched Ruth disappear with the girls.

Suddenly his smile disappeared, and his countenance changed from that of an over-confident man, to one of dismay, doubt, and fear; for over the horizon came another plane which would undoubtedly compete in the races. His look changed again to unmistakable horror as he recognized an old college acquaintance and rival jumping from the plane. Here was George Marlowe, one of the best-liked fellows in college, who he thought had been killed in France during an air raid in which he took part. He also remembered that Ruth Ellen had always favored George rather than himself. A very mean expression appeared on his face as he planned to play George up as a fool or else get rid of him before Mary Ellen could recognize George. While busy with these thoughts, he strolled over to George, putting the bolt in his pocket as he went. George was very glad to see him.

"But, Raider, can you tell me where Mary Ellen is? I haven't seen her since I left for France in Nineteen Seventeen," remarked George with a troubled look.

"And I haven't seen her since we left college," lied Harry lightly.

"Well, Raider, I hope to be in the lead on the homeward path today," remarked George in a joking manner. "And now I must look over the old boat in the next five minutes."

Harry watched Marlowe as he went around to the rear of the plane, and then, drawing a monkey wrench from his pocket, he proceeded to loosen several screws and bolts. Then he took a hasty glance around to see if he was detected and hurried to his own plane. Forgetting entirely about the bolt that should have been put in his machine, he jumped into his place and started the engine, ready to be off in a few minutes.

In his eagerness to injure George's plane, he had failed to notice the part that a small newsboy was playing. As soon as he had left George's plane, the newsboy picked up a wrench and tightened the loosened parts of the machine before George emerged from under the back of the plane.

By this time the planes were all in line making tremendous noise with the whirring of their engines. Three shots were fired; and the planes were off, each struggling to gain on the other. Soon the planes took the size of birds and finally disappeared from

## Students Believe That Various Methods Employed by Their Teachers are Faulty

Some Think Assignments Could Be Improved; Others Suggest Harking Back to Youth.

Approximately 250 Members of Association Attend; Music and Play-let Prove Very Entertaining

About two hundred and fifty teachers and members of the school board attended the second annual social affair of the Fort Wayne Teachers' association last Monday in the club rooms of the Plymouth Congregational church.

"The affair was a big success, in fact the best ever given," said Mr. Gould, president of the association.

The program consisted of several violin selections by Miss Vera Ewig of the European School of Music, accompanied by Miss Irene Parvin, and a playlet entitled "On-O-Me Thumb," presented by Miss Suter, director of dramatics at Central High School.

The Central High School orchestra then furnished music while they ate and had a social time.

## Mercury Loses

By Thelma Buirley

Harry Raider stood gazing at the row of aeroplanes with a carefree smile on his face, for this was the day of the Aeroplane Race which was the main event of the year in the town of Pendleton, and Harry had a good chance to win over the other competitors.

He glanced with pride at his own plane, then remarked to a pair of legs that extended from under the plane, "Only one more bolt to put in, and we'll be ready to go. I think we'll have an easy time getting the cup, Jim. Mr. Henderson might just as well give me the cup now, don't you think?"

Only one week will elapse between  
the end of the Fort Wayne section-  
al and the beginning of the  
Fort Wayne regional tournament.  
The local regional meet, with eight  
teams entered, will begin Saturday  
morning, March 13, at 10 o'clock with  
the winners of the Bluffton and Ken-  
dallville sectionals competing.

Two games will be played Saturday  
morning, Saturday afternoon, and  
Saturday night. Eliminations will  
proceed until all but six of the teams  
have been put out of the running. The  
two survivors will go to the final meet  
at Indianapolis, where, with the four-  
teen winners from the seven other re-  
gionals, they will battle it out for the  
championship of the state of Indiana.

### Fort Wayne Winner Plays

The winner of the Fort Wayne section-  
al will play the winner of the De-  
catur sectional at 11 o'clock Saturday  
morning. The winner will then play  
the winner of either the Bluffton or  
Kendallville sectionals. A victory in  
the second round will qualify the  
team for the state finals.

The referees will not be named un-  
til this Saturday. The school officials  
for the regional meet will be prac-  
tically the same as for the sectional.  
Mr. Harris will be in general charge  
of the tournament.

The South Side Parent-Teachers' as-  
sociation will be in charge of the  
cafeteria for the public and will as-  
sist the seniors in the sale of candy  
in the gymnasium. The Times will  
have charge of the paper sales in the  
gymnasium.

The outcome of the sectionals that  
will send winners to the Fort Wayne  
regional are hard to dope, because few  
have only one team of outstanding  
merit.

**Regional Schedule**  
The schedule of the sectionals that  
will send teams to the regional here  
are as follows:

### COLUMBIA CITY SECTIONAL

#### Friday Evening

7:30—Etna township and Wash-  
ton Center, official 1.  
8:30—Chubbuck and Columbia  
City, official 2.

#### Saturday Morning

10:00—Coesse and South Whitley  
official 1.  
10:00—Larwill and Jefferson Cen-  
ter, official 2.

#### Saturday Afternoon

2:00—Winner 7:30 p. m. and winner  
8:30 p. m., official 1.  
3:00—Winner 9:00 a. m. and winner  
10:00 a. m., official 2.

#### Saturday Evening

8:00—Winner 2:00 p. m. and winner  
3:00 p. m., official 1.  
Official (1) John Bowman, official  
(2) Almon Gerard.

### AUBURN SECTIONAL

#### Friday Afternoon

2:00—Arland and Corunna, official  
1.  
3:00—Waterloo and Spencerville,  
official 2.

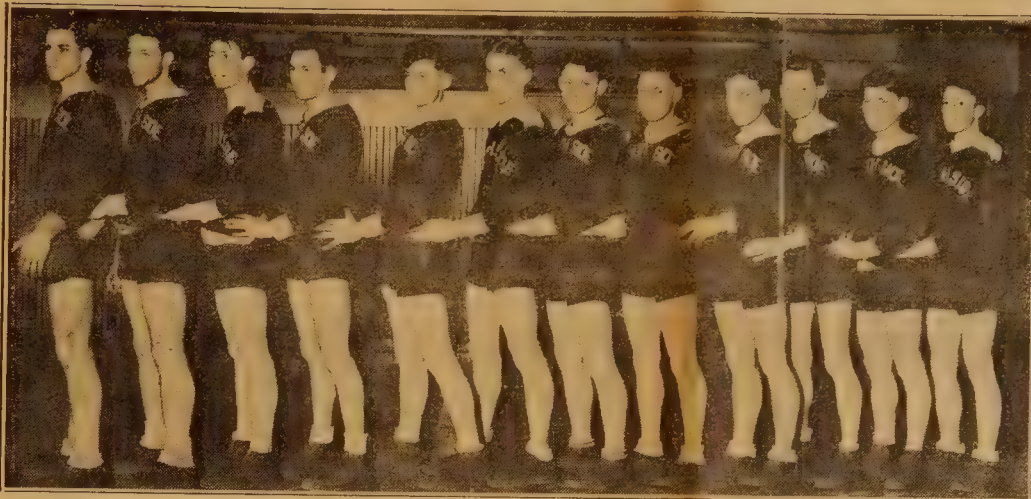

#### Friday Evening

7:30—Ashley and Garrett, official 2.  
8:30—Auburn and Butler, official 1.

#### Saturday Morning

9:00—Pleasant Lake and winner  
(Continued on Page 8)

### South Side Has High Hopes

The Green and White basketball team hope to come over the top in all the games played in the tournament and bring the championship of city and sectional once more to South Side. They are, left to right: Captain DuWan, Wiener, Carto, McCormick, Grodrian, Branning, Rahe, Wellman, Ras-  
tetter, Wambgans, and Willson.

### SOUTH SIDE MEETS LAFAYETTE CENTER IN FIRST CONTEST

**Coach Johnson's Crew Has  
Had Very Successful  
Season; Bent on Up-  
setting Dope**

### HAS FORMIDABLE QUINTET

**Green's First Sectional Oppo-  
nents Are Exceptionally  
Light But Speedy**

Lafayette Center high school will  
enter the sectional tourney Saturday  
determined to reach the finals, al-  
though they meet South Side, who is  
rated to be in the finals also, in their  
first game.

### Win Eleven Games

They have had a very successful  
season, winning eleven games out of  
eighteen played when the paper went  
to press. They have a very light  
team averaging about 135 pounds, but  
it is a speedy outfit and boasts of  
victories over many of its heavier op-  
ponents. The advantage which South  
Side holds in weight the Lafayette  
Center lads will try to match with  
their speed.

### Forward Is Star

Clark and Captain Platt have been  
carrying the brunt of their attack all  
season and Clark, by displaying some  
of the best basketball of the county  
tournament, won a forward berth on  
the mythical team picked from the  
tournament. He is a natural player, hav-  
ing a good shot from long distance  
and is a tricky and fast dribbler. The  
team as a whole is a hard-working  
outfit.

### Coach Is Experienced

Coach Johnson has had many years'  
experience coaching basketball. For  
the last two years he coached at  
Union Center and put out some good  
teams. Coach Johnson is a graduate  
of Hanover College.

### Underclassmen on Team

The team is composed mostly of un-  
derclassmen, with Clark and John-  
son graduating this year.  
The seasonal record of Lafayette  
Center is as follows:  
Lafayette Center 45, Roanoke 5.  
Lafayette Center 28, Roanoke 17.  
Lafayette Center 32, Leo 16.  
(Continued on page 8)

### Ogle, Arbuckle Picked To Referee Sectional

The referees for the sectional bas-  
ketball tournament have been chosen.  
Don Arbuckle, from Kokomo, Indiana,  
will referee the Central-South Side  
game at 3 o'clock Saturday afternoon.  
Guy Ogle, from Muncie, Indiana, is  
the other referee. Mr. Ogle was a  
referee in the regional tournament  
last year.

### SECTIONAL TICKETS ON SALE IN OFFICE

**\$1.50 To Be Charged for Games; \$4.00  
Is Price of Single Admission;  
Receipts To Be Divided**

The tickets for the Sectional Bas-  
ketball tournament are on sale now  
at the office. The price is \$1.50. The  
single admission ticket for each ses-  
sion will be \$4.00. By buying a tour-  
nament ticket, one will save \$5.00.

The money taken in from the tour-  
nament tickets, will be divided as fol-  
lows:

All legitimate expenses except for  
transportation shall be paid from the  
gross receipts.

South Side shall next receive one  
hundred dollars (\$100).

The I. H. S. A. A. shall next re-  
ceive five per cent of the balance.

One-half of the balance shall be  
divided among the participating  
schools, South Side sharing.

### Meals to be Served During Tournaments

The Parent-Teachers' association of  
Central high school will serve meals  
during the sectional tournament to  
the public in the domestic science  
rooms in South Side. The meals will  
be served Friday night, and dinner  
and supper on Saturday.

At the regional tourney the South  
Side P. T. A. will have charge of serv-  
ing dinner and supper on Saturday in  
the domestic science rooms. The P.  
T. A. will also have charge of the  
candy sales. The money from the  
candy sales will be given to the senior  
class.

### South Side Contributes to Fund

South Side teachers and students  
have contributed \$5.00 to the Art  
Smith Memorial Fund. This fund is  
being raised by the city in honor of  
Art Smith, who lost his life a few  
weeks ago. This memorial will cost  
between \$2,000 and \$4,000.

### Public Check Room Will be in Room 20

During the sectional tournament  
Room 20 will be turned into a check  
room for the convenience of the play-  
ers and spectators. This room will be  
open during all the games and it will  
be possible to check in or check out  
your packages, coats, or colashes at  
any time. Ten cents will be charged  
for each checking privilege.

### SECTIONAL TEAMS DUPLICATE COLORS

Three Teams to Wear Green in Tour-  
nament; Blue and White Repre-  
sented in Two Games

Three schools at the sectional tour-  
nament will be represented by green  
and white. The ones having these  
popular colors are Arcola, Maumee  
Township and South Side.

Two Blue and White teams will  
play, Harlan and Central High. La-  
fayette Center and Leo will wear  
their purple and white while Hun-  
dertown is the only school that will  
flaunt the orange and black.

Purple and gold will have only one  
follower and that is New Haven, Mon-  
roeville will be the lone supporter of  
the blue and gold.

### Philo Club to Hold Social Meet, Mar. 8

A social meeting of special interest  
will be given for the Philanthropic Li-  
terary society on Monday, March 8, in  
Room 86. Wilda Fowler, chairman of  
the program committee, has succeeded  
in getting some special outside help  
on the program, and it is expected to  
be very interesting.

### Bands of Sister Schools To Play at Tournament

The honor of furnishing music at  
the tournaments will be divided be-  
tween the bands of Central and of  
South Side.

Members of the South Side band  
will usher at the sectional tourna-  
ment. Central's band is scheduled to  
play at this tournament. At the re-  
gional tournament the South Side  
band will be heard while the mem-  
bers of Central's band will do the ush-  
ering.

### COUNTY CHAMPS DOPED TO REACH FINALS OF MEET

**Monroeville Five Has Good  
Record; Have Won Nine  
Games This  
Season**

### LEO IS FIRST OPPONENT

**Team Scores an Exceptionally  
Large Number of Points for  
Regular Season**

One of the strongest teams to en-  
ter the sectional tournament is the  
quintet from Monroeville.

This team won the Allen county  
tournament this year sweeping all  
their opponents before them with a  
barrage of field goals. They have  
won nine games and lost seven games  
in the regular season. They have  
scored a total of 525 points to their  
opponents 415.

### Purman Best

Captain Purman has been the shin-  
ing star throughout the entire season.  
He has scored a grand total of 337  
points, over half of the number of  
points scored by the entire team.

He has been chosen the best player  
in the Allen county tournament and  
is one of the fastest pivot men en-  
tered in the sectional. He has jump-  
ed center for Monroeville all season  
and has been the main factor in their  
many victories.

### Doped to Finals

Coach Pierce's men are doped to  
go through to the finals and if there  
are not any drastic upsets probably  
will get to the coveted position.

The record of the team and the in-  
dividual records are as follows:

### Monroeville High School Record

**Regular Season**  
Monroeville 49 Leo 32  
Monroeville 56 Arcola 24  
(Continued on page 8)

### SECTIONAL TITLE IS AT STAKE AS TOURNEY GETS UNDER WAY

**Central and Maumee Township Contest Marks  
Beginning of Annual Fracas; Dopesters Would  
Have Decisive Battle for City Championship  
Played at 3 P. M. Saturday**

### KEEN RIVALRY EXPECTED IN ALL BATTLES

**Mr. Harris Is General Manager of Local Classic; Cafe-  
teria for Public and Candy Booths to Be Operated  
by Central; Mrs. Hoham Plans Meals for Players**

### FORT WAYNE SECTIONAL

#### Friday Afternoon

2:00—Central and Maumee  
township, official 1.  
3:00—Arcola and New Haven,  
official 2.

#### Friday Evening

7:30—Harlan and Huntertown,  
official 1.  
8:30—Leo and Monroeville, of-  
ficial 2.

#### Saturday Morning

9:00—South Side and Lafayette  
township, official 1.  
10:00—Winner 2:00 p. m. and  
winner 3:00 p. m., official 2.

#### Saturday Afternoon

2:00—Winner, 7:30 p. m. and  
winner 8:30 p. m., official 1.  
3:00—Winner 9:00 a. m. and  
winner 10:00 a. m., official 2.

#### Saturday Evening

8:00—Winner 2:00 p. m. and  
winner 3:00 p. m., official 1.  
Official (1) Guy Ogle; (2) Don  
Arbuckle.

### FORT WAYNE REGIONAL

This year the winner of the Fort  
Wayne sectional will meet the win-  
ner of the Decatur sectional. The  
same sectional winners will com-  
pete at the Fort Wayne regional as  
were assigned to this center last  
year.

The Fort Wayne regional sched-  
ule is as follows:

#### Saturday Morning

10:00 a. m.—Winner at Bluffton  
vs. winner at Kendallville.  
11:00 a. m.—Winner at Decatur  
vs. winner at Fort Wayne.

#### Saturday Afternoon

2:30 p. m.—Winner at LaGrange  
vs. winner at Warsaw.  
3:30 p. m.—Winner at Columbia  
City vs. winner at Auburn.

#### Saturday Night

7:30 p. m.—Winner of 10:00  
a. m. game vs. winner of 11:00  
a. m. game.  
8:30 p. m.—Winner of 2:30 game  
vs. winner of 3:30 game.

Officials have not yet been se-  
lected by the I. H. S. A. A.

With the sectional title and chances  
for regional honors at stake; with  
dope favoring the Fort Wayne net  
aggregations; but with each of the  
ten schools entered in the district  
meet, the fourth of its kind to be  
awarded the South Side High School  
officials, aspiring in some measure to  
cop the championship, enthusiasm will  
be at its height when at two o'clock  
this afternoon Central and Maumee  
township will open play in the first  
round of the local tourney.

To the students of the Fort Wayne  
schools the net classic also means the  
deciding of the city championship;  
for, unless even the most authentic  
dope is upset, the Blue and Green  
will meet at 3 o'clock on Saturday  
afternoon in the semi-finals of tour-  
nament play to determine which of  
the schools will be acclaimed the 1926  
city champ. Each school has chalked  
up one win so far in the city cham-  
pionship series, and both schools are  
confident that their team will annex  
the title.

**Play Doped Out**  
Unless an unheralded black steed of  
no mean prowess prances to victory  
in the early rounds of play, either  
Harlan, Monroeville, Leo, or Hun-  
dertown will vie for honors with the  
winner of the South Side-Central fray in  
the final round tomorrow evening.  
Dope has it that Central will dis-  
pose of Maumee township and the  
winner of the Arcola-New Haven game  
with little difficulty. Keen rivalry is  
anticipated when Harlan and Hun-  
dertown, teams of relatively equal merit,  
clash in the first game Friday eve-  
ning. Leo and Monroeville, another  
evenly matched pair, open hostilities  
at 8:30 o'clock; and the winner of this  
contest gives promise of putting up  
a strong fight against the Hun-  
tert-

### South Side-Tiger Game

South Side should have little trouble  
in annexing a win in the tilt with  
Lafayette township and will advance  
to the semi-finals on a bye. To fore-  
cast the result of the South Side-  
Central affair is next to impossible.  
In an overtime game on January 19  
the Green overcame the Tigers by a  
37 to 35 count, but the uptown school  
turned the tables on February 12,  
when they chalked up a 38 to 24 win.  
Improved form and greater accuracy  
in shooting, acquired by both teams  
since the last tilt, promise to make  
this year's city championship game  
the rival of those of 1923. Each  
school has everything at stake, and  
every ounce of energy and strength  
will be mustered up—and undoubtedly  
needed—by the school that is to win.

### Cafeteria for Public

A cafeteria for the general public  
will be conducted by the Central Par-  
ent-Teachers' association. Mrs. S.  
Harris is in general charge, while  
Mrs. W. White and Mrs. Dornte will  
take care of the dining room and  
kitchen respectively. A regular cafe-  
teria meal, except that potatoes will  
not appear on the menu, will be  
served in the domestic science rooms.  
The South Side Parent-Teachers will  
manage the cafeteria during the re-  
gional meet next week.

The candy stands for this week-end  
are in charge of the Central seniors  
under the supervision of the Parent-  
Teachers of that school. The candy  
stand, too, will be taken over by the  
South Side people next week.  
(Continued on page 8)

Lafayette Center Team

The sturdy looking quintet pictured above represents the team from Lafayette Center. They are from left to right: Back row—Coach Johnson, Young, Nicholson, E. McClure, Earl, T. McClure. Front row—Gordon, Johnson, Captain Platt, Christlied, Clark.

PLAYERS ANNOUNCED FOR SECTIONAL MEET

Ten Men Certified for Each Team Entered in Tournament, Two to Be Withdrawn

Ten men have been certified for each high school entered in the sectional tournament to be held Friday and Saturday of this week at South Side High School gymnasium. Two players from each team will be withdrawn by their coaches on the day of the tournament and each school will be represented by eight men.

The certified players for the tournament are as follows:

Central—Milton Diehl, Wayne Scott, Lyall Morrill, Carl Bayer, Hubert Billingsley, Paul Jasper, Herman Stiegler, James Baker, Ralph Troyer, and Robert Ramsey.

South Side—Christ Branning, Gerald DuWan, Adison Gredrian, Wilson McCormick, Philip Rahe, George Simon, Fred Wambsganss, Walter Wellman, Richard Wiener, and James Willson.

Arcola—Clarence Felger, John Castor, Douglas Blessing, Wayne Miller, Clement Ritenour, Kermit McCoy, Earl Caston, and Robert Schnieder.

Harlan—Virgil Peters, David Munma, Thomas Hood, Everett Hutker, Carl Lake, William Foote, Clifford Gorrell, Walter Niewlandt, Wilbur Koch, and Richard Stauffer.

Huntertown—Clifford Emrich, Fred Dicks, Alfred Foote, George Byerley, Parker Luckey, Walter Runyan, Darwin Frech, Richard Witham, Donald Guillaume, and Merle Smith.

Lafayette Center—Arlo Platt, Ralph Young, Harry Christlieb, Denner Clark, Adam Nicholson, Edward McClure, Brice Earl, Cleters Johnson, and John Gordon.

Leo—Melvin Sebits, Earl Tonkel, Glenn Klopfenstein, Herman Neuen-schwander, Argyl VanZile, Harold Amstutz, Robert Egley, Morris Ream, DeVann Kryder, and Virgil VanZile.

Woodburn—Dewald Minder, Herbert Waltke, Raymond Higgins, Roland Hammond, Norman Moser, Walter Gerig, Lawrence Ort, Wilbur Koch, Earl Ransome, and Glenn Klopfenstein.

Monroeville—Paul Purnman, Dale Speith, Russell White, Willard Bitner, Walter Luenberger, Roy Taylor, Kenneth Sheehan, Michael Powelson, Frederick Zuimlare, and Ray Lemington.

New Haven—Lloyd Arnold, Norbert Tustison, Clement Blaising, Thomas Kundred, Russell Grover, Raymond Young, Joseph Brouwer, Clifford Null, Raymond Schuckle, and Ross Snyder.

INTERESTING PROGRAM IS IN STORE FOR U.S.A.

Girls Will Be Entertained with Piano Selections, Reading of Poems, and Discussion

A very interesting program will feature the U. S. A. meeting this afternoon at 3 o'clock in Room 86. Bernice Stein will give several piano solos; Miss Pape will lead a discussion on courtesy; and Maxine Bennett will read several poems.

The program for the rest of the semester is as follows:

March 4—Blue Gingham Patch

March 18—Patch of Gold

April 15—Blue and Green Patches

April 29—Lining the Quilt

May 13—Quilting Party

May 27—Quilt completed.

Calendar

March 4—Hi-Y Meeting, Y. M. C. A., 6:00 p. m.

March 5—Sectional tournament, here, South Side gym.

March 6—Sectional tournament, here, South Side gym.

March 9—So-Si-Y Meeting, Room 86, 3:00 p. m.

March 10—Junior Hi-Y Meeting, Y. M. C. A., 6:00 p. m.

March 11—U. S. A. Meeting, Room 86, 3:00 p. m.

March 11—Hi-Y Meeting, Y. M. C. A., 6:00 p. m.

Two Faculty Members To Referee Sectionals

While the teams entered in the Fort Wayne sectional are battling for tourney honors, two of our faculty members, Mr. Davis and Mr. Welborn, will referee at other tournament centers. Mr. Davis will officiate at Goshen and Mr. Welborn at Kendallville.

Shortridge Holds Practice

Spring football practice was started last Monday at Shortridge high school of Indianapolis. About thirty men reported for practice.

Football Men Awarded

Fifteen grid men of the Chickasha high school of Chickasha, Okla., were given letter sweaters at an assembly last Thursday.

LET US TELL YOU THIS---

It takes more than a good playing basket ball, football, or baseball team to win games consistently—You must have the School Spirit behind the physical efforts of the players—the moral support of the student body wholeheartedly given is the stimulant to increased efforts, from your teams, that wins games.

No war has ever been won by an army that did not have the moral support of the nation or country which the army represented.

SHOW YOUR TEAMS YOU ARE BEHIND THEM!!

Give them your enthusiastic support—let the school spirit be so pronounced that your antagonists are overwhelmed by the moral support behind your players.

THIS GREAT NEWSPAPER WANTS YOU TO KNOW

that it is interested in the welfare of the Fort Wayne High Schools and the players representing the schools—We want you all to get behind your teams and push them on to the victories they deserve.

## CENTRAL CAGERS TAKE FINAL NET GAMES OF SEASON

**Tigers Emerge Victorious  
Over Monticello and  
Wabash Net Men  
in Hard Battles**

### JASPER UNABLE TO PLAY

**Clever Passing Attack Put Up  
by Tigers Is Main Factor  
In Wins**

The Blue and White cagers finished their regular season's schedule last Friday and Saturday by dropping the Monticello quintet, 33 to 27, at Monticello and the following night defeating Wabash to the count of 39 to 32.

#### Monticello Is Defeated

The Blue cagers, after getting a late start, came from behind to drop the fast Monticello quintet to the tune of 33 to 27. At the start of the game Monticello took the lead but the Tigers soon started an offensive attack which could not be stopped. At the half time period the Tigers were holding a one-point advantage of a 11 to 10 score.

The last half was fast. The passing and floor work of both teams was exceptionally good which added a great deal of interest to the contest. The second half was a reproduction of the first on Central's part, but Monticello's offensive attack was considerably weakened. This enabled the Tigers to outclass the opponents in the last half.

#### Baker Stars

Jim Baker was the star for the Blue. He led the scoring with six field goals and two foul tosses. Morrill, who was filling the pivot position in Jasper's place, gave a good account of himself. During the contest he managed to gather four markers from the field and two from the foul line.

For Monticello Dyer and Crannon were the scoring aces with five and three field goals respectively. The lineup and summary:

Monticello (27)	Central (33)
Billing	F
Krutz	F
Dyer	C
Crannon	G
Ryan	G
	Troyer

Substitutions—Fimmoms for Krutz, Stiegler for Scott. Field goals—Billing, Krutz, Dyer 5, Crannon 3, Diehl 2, Stiegler, Morrill 4, Baker 6. Free throws—Billing 2, Krutz 2, Dyer 2, Ryan, Diehl, Scott 2, Morrill 2, Baker 2.

#### Tigers Down Wabash

On the following night the Tigers travelled to Wabash to meet the Thomcats. Although the Thomcats put up a good battle, the attack of the Tigers was not to be stopped and the Blue and White cagers had little trouble in annexing a 39 to 32 victory. The game, however, was close throughout and was hard-fought from start to finish.

At the start Central took the lead but the Thomcats forged ahead to hold a 5 to 1 advantage over the Tigers for the only time during the contest. Central started another spurt and nabbed the lead, never to be threatened again. At the half-way mark the Tigers were leading 18 to 15.

The fast and clever passing attack of the Tigers, which carried the ball through the defense of Wabash, and the Tigers' accurate eye for the basket were outstanding features of the game.

#### Defense Is Tight

The defensive game of the Tigers was also well executed. The Wabash five were forced to do the greater part of their scoring from a distance as the defense put up by the Blue kept them from coming under the basket.

The flashy work of Bowly, the Wabash center, was the main factor in keeping the Thomcats in the running. He led the scoring with six field goals to his credit. Scott led for Central with six markers from the field. The remainder of Central's scoring was fairly well divided among the team. Morrill pleasingly filled the position left vacant by Jasper, who was unable to play due to illness.

The lineup and summary:

Wabash (32)	Central (39)
Bice	F
Bundy	F
Bowly	C
Bellock	G
Baylor	G
	Troyer

Substitutions—Austin for Bundy, Stiegler for Diehl, Ramsey for Troyer. Field goals—Bice 2, Bundy 2, Scott 6, Bellock 2, Austin 4, Diehl 2, Bowly 6, Morrill 3, Baker 3, Stiegler 4, Ramsey. Free throws—Bellock, Baker. Referee—Klink (Logansport).

## Leo Brings Good Quintet

—Times Photo

Leo High School Team

—Courtesy News-Sentinel

Having survived in the Allen county tournament to the semi-finals, Leo is coming to the sectional meet full of confidence and fight. They will be pitted against Monroeville in the last game Friday night.

The battle between Neuenschwander, Leo captain and forward, and Purman, Monroeville leader and scoring ace, will be one of the features of the game.

The Leo five has played the Central and South Side reserves recently and thereby gained a knowledge of how to play on the South Side gym floor, a handicap to the smaller fives of this county.

The players in the picture are from left to right: Back row, A. Van Zile, Kryder, Beam, Zent, coach and manager, Egle, Tonkel, Amstutz; front row, Sevits, Neuenschwander, captain, V. Van Zile, Klopfenstein.

### FORT WAYNE SCHOOLS HAVE BIG ADVANTAGE

**Survey Shows That Visiting Teams  
Have Only About Five Percent as  
Many Boys as S. S. and Central**

One of the various arguments which the smaller towns have in defense of the theory that a larger town has more advantages for a better team is the fact that the larger towns have a greater number of boys from which to choose the varsity.

This is undoubtedly true and undoubtedly is one of the reasons why the bigger schools in this sectional are doped to have the best teams.

#### Survey Is Made

In a recent survey taken by a Times reporter it was found that the teams which enter the sectional tourney from outside of Fort Wayne have about 5.3 percent of the number of boys enrolled at South Side and Central. It was found that an average of about 30 boys went to the high schools in the sectional tourney outside of Fort Wayne while about 500 attended South Side and Central respectively.

#### Arcola Is Smallest

Of the small schools entered in the sectional, Arcola has the smallest number of boys from which a team is chosen, the boys from this small village numbering only nineteen. New Haven, Monroeville and Huntstown are the three largest towns which will be represented and which have the largest number of boys.

The schools and the number of boys in them are as follows:

School	Boys
Arcola	19
Central	570
Harlan	
Huntstown	45
Lafayette Center	22
Leo	40
New Haven	50
Monroeville	50
South Side	560
Woodburn	25

## LEO QUINTET ALSO IS WITHOUT HARDWOOD

**Travels Once During Week to Spencerville to Hold Practice Sessions;  
Fine Team Despite Handicaps**

Another team which is badly handicapped is Leo. They also suffer the disadvantage of not having a home floor to play on.

The team travels once in the middle of the week to Spencerville for a practice session and the team plays all of its games on foreign floors.

The team is coached by K. R. Zent Purdue, '24, and it has a fairly successful season despite the fact that they lack a floor to practice on.

With this disadvantage all net fans of the school are forced to be on the road for all games.

Although Leo is on the road throughout the season, there have been many loyal fans who have travelled with the team and gave it their wholehearted support all year.

### Library Is Conducting Ship Model Exhibition

The ship model exhibition which is being conducted by the children's department of the public library began this week. On Monday about ten or eleven models had been promised, most of which are those of old ships, but one is a model of a modern ocean liner and is lighted by electricity.

Everyone who has a model is asked to lend it to the library as they wish to have a large exhibit. The exhibition is to last about three weeks.

### South Siders Take Part in "Minstrel Chuckles"

Seventeen South Side students participated in the "Minstrel Chuckles," which was presented by the Lions Club, for the benefit of the Fort Wayne Settlement at the Shrine Auditorium, February 22 and 23. Those who took part are: Margaret Luecke, Diddy Dildine, Margaret Ellen Nichols, Cappy Twining, Neenah Knight, Phyllis Toothill, Mary Hughes, Bonnie Bennett, Don McLucas, Bob Scheumann, Dale Shimer, Chasteen Plasket, Jack Clayton, Noble Sprunger, and Howard Crise.

### ARCOLA NETTERS LACK FLOOR FOR PRACTICE

**Little Village Has Fighting Team  
Composed of Lower Classmen; Outlook Bright for Next Few Years**

One of the teams which comes here tomorrow to play in the sectional has one of the greatest handicaps a team can have. This team is the quintet from Arcola.

The Arcola cagers are so unfortunate as not to have a floor to practice on, but must go to a school twelve miles distant to sharpen their basket eyes.

#### Practice Once a Week

The Arcola basketballers practice only once a week and at this time journey to the Lincoln school gym three miles from Fort Wayne on the Lincoln highway. At the Lincoln school gym the lights are very bad and it is very difficult to get a good aim for the basket.

#### Team Is Young

With only nineteen boys in the entire school, Arcola has had a season filled with many disappointments but with a good outlook for years to come, as the team is composed mostly of freshmen and sophomores.

The Arcolists, although having lost all games played this season, have shown a determination and fight which eventually will bring them out on top.

## ALL-COUNTY TEAM PICKED AT CLOSE OF NET TOURNEY

Mythical Team Picked by  
Officials and Sports  
Writers of Fort  
Wayne

### MINDER IS BEST PLAYER

Three Forwards, Two Centers,  
and Three Guards Placed  
On Mythical Team

With Monroeville defeating Woodburn to claim the Allen county basketball championship came the question as to who would be on the mythical all-tourney team. Many players who showed promise were seen in only one game and consequently were not picked on the mythical squad.

In selecting the team, which was picked by George J. Yarnall and John Bowman, referee, James Doss, sports editor of the News-Sentinel, and Park Williams, assistant sports editor of the Journal-Gazette, eight players were given berths. Three forwards, two centers, and three guards were picked by the committee.

Minder, the flashy floor guard of the Woodburn team, was selected by this committee as the best player from the standpoint of mental attitude. The Woodburn guard was selected as the most valuable to his team and one of the outstanding players in the tournament. He fought hard in every game and played unusually clean basketball. It is no doubt that it was through the playing of Minder that Woodburn reached the finals.

The all-county team as selected is as follows:  
Neuenschwander, Leo—forward.  
Clark, Lafayette—center—forward.  
Geric, Woodburn—forward.  
Purman, Monroeville—center.  
Wolke, Woodburn—center.  
Minder, Woodburn—guard.  
Sheehan, Monroeville—guard.  
Taylor, Monroeville—guard.

### Who Zoo

Have you noticed that smiling little dark-haired girl lately? She can be seen almost any time studying industriously or walking down the hall arm in arm with another girl, engaged in earnest conversation, and greeting one of her many friends.

Of course, that's Dorothy Troendle. She is a good student, too, making the honor roll regularly although she carries five subjects—English, United States history, plane geometry, Latin, and art. That she is both popular and capable is proved by the fact that she has been elected secretary of the sophomore class. She is interested in music, and is an exceptionally good piano player.

#### THE ORIGIN OF BASKETBALL

Now that the basketball season is at hand, it has occurred to the editor after questioning sundry so-called athletes, that comparatively few people know very much about the origin and characteristics of the great cage game. That more of the high school people may be better informed on these important facts is the purpose of this editorial.

Basketball, which is distinctly an American game, had its beginning in 1891, when a lecturer in psychology at the Y. M. C. A. Training School in Springfield, Massachusetts, suggested as an exercise for inactivity, a game that would comply with certain conditions as to number of players, time of playing, court on which it would be played, etc. One of his pupils, James Naismith, took note of these conditions, applied his mind to the problem and invented basketball, practically as it is played today. It at once became very popular and now is played in practically all of the colleges and high schools throughout the United States.

Basketball is played on a marked rectangular court, by two teams, of five each if boys, and six if girls. The rules for boys' and girls' basketball differ materially. A new set of rules for each comes out annually, and these must be followed throughout the year.

The only rule that remains as it was at first is that no kicking of the ball with the feet is permitted. More players were used at first than at the present time.

Naismith was later a coach at the University of Kansas, where he did much in the way of developing the cage game.

#### To Instruct Bible Class

The Girl Reserves of the Kansas City (Mo.) high school are going to instruct the Bible class of that school this year.

## New Haven Is Well Represented

—Times Photo

New Haen Team

—Courtesy News-Sentinel

New Haven has a good team this year. Coach Chew's men met Arcola in the second game. They are, back row, left to right: Girardo, manager; Grover, Snyder, Chew, coach. Middle row: Brouwer, Kundred, Young, Arnold, Tutison, Blasing. Front row: Null, and Schukle.

## WARDOITES DROP KINSEYMEN AFTER TERRIFIC BATTLE

Captain DuWan, Wamby,  
Wiener and Simon Un-  
able to Take Part  
in Game

### WILLSON IS KELLY'S STAR

Loss of Glen Hummer Is Greatly  
Felt By the Viking  
Quintet

After trailing throughout the greater part of the game, the Kelly Klads managed to down the Kinsymen at Huntington by a 21 to 17 score.

Jimmy Willson proved to be the star for the Kelly Klads by sinking four pretty field goals during the short time he was in the game to put the Kelly's score ahead of the Vikings.

South Side played without the services of Captain DuWan, Simon, Wamby, and Wiener who were held out because of the rule which prohibits any player from taking part in more than twenty games during the season.

Huntington started the game with a rush and held the Kelly scorers at bay throughout the first half. The Vikings were holding a 13 to 7 advantage when the gun sounded the rest period.

The second half started with the Kellys putting up a more determined fight. After the addition of Willson to the lineup the Green started an offense which carried the Vikings off their feet and gave them the lead throughout the remainder of the game.

The loss of Glen Hummer, the Huntington crack center, is apparently greatly felt by the Viking quintet.

Lineup and summary:  
**Huntington (17)** South Side (21)

## Mr. Null Expresses Opinions Concerning Today's Jazz and Bobbed-Haired Women

Fair Sex Must Admire Men or  
They Wouldn't Follow Suit,  
Thinks Instructor.

Mr. Null expressed a few personal views of jazz music and bobbed hair in his first hour English class last week.

"I am beginning to feel differently toward jazz music," said Mr. Null.

He believes it expressed the exact feelings of the American people. The American people do things and live in a hop-and-skip way, and jazz music seems to express their feelings better than anything else. The people seem to be so full of emotion that at times it must just burst out. It is purely the American type of music. It is suited to and liked by the people.

In regard to bobbed hair, he said he was beginning to feel differently about that, too.

"Women have always been looked up to, admired, and cherished," he said. "Poets use them as a source of beautiful thoughts. How many poems do you read of the description of men? Not many. How often do poets describe milk maids? A milk man can take the same milk and walk the same path to milk the same cow, but that does not appeal to a poet as does the milk maid."

"Regardless of all this the women of today think they have been held down by the opposite sex. They now say that they intend to maintain their own rights."

Mr. Null said that when women started to bob their hair, he thought it was awful. And when they started to have the "mannish bob" it was still worse. But if women wish to dress, cut their hair, hold positions, and do as men do, they must believe we are worth following. So Mr. Null thinks that women could not help but admire men or they would not wish to pattern after them.

To Have Safety Patrol  
The students of the Central high school, Omaha, Neb., are planning to have a safety patrol for the purpose of regulating the traffic outside the school.

### Quizzly Quizz

Question: What is your most interesting subject and why?

"My most interesting subject," said Martha Meyer, "is botany because of the various studies of plants. I especially enjoy looking at specimens through a microscope."

"I choose history as my most interesting subject," said Marcell Baals, "because I like to study ancient times."

Catherine Fries likes shorthand because it is so fascinating to write and read from just lines and also because she has such a good teacher.

"German is my most interesting subject because it is easy and my teacher is jolly," said Paul Bireley.

Virginia Bell said, "Chemistry, because Mr. Voorhees is always in a good humor and he does not believe in assignments over vacation."

"Because art is to be my future occupation, I like it best," said Thelma Price.

"Civics is my most interesting subject because I have always had a desire to see further into the management of our government," said Orin Patch.

"Since Latin is the foundation of our language and a clear understanding of it is helpful in all subjects, I like Latin best," said Addison Grodrian.

Companies Are In Race for  
Cover Contract

With the taking of individual class pictures at an end with mounting and the preparation of panels for the engravers well under way, and with work on the class and athletic sections begun, the 1926 Totem heads have, during the past month, been concerning themselves with the letting of the printing and typesetting contracts and with the selection of a cover design for this year's book.

That the D. S. Harker company of Chicago again be awarded the contract for printing the annual was the decision reached by the staff recently. The printing of last year's Totem, which was awarded first place in the United States by both the Arts Craft Guild and the Central Interscholastic press Association, was done by this company.

A Fort Wayne firm, the Superior Typesetting company, which for the past three years has been setting type for and making up the Times, will be given the same work to do on this year's Totem.

Although no final decision as to the cover design has been reached, designs submitted by the Bechhold company of St. Louis and by Malloy and S. K. Smith Cover companies, both of Chicago, are being considered.

Early in the winter the engraving contract was let to the Indianapolis Engraving company; and, during the last few weeks, actual work on the engraving of panels has been started.

A steady but slow influx of subscriptions for this year's book is reported by Thelma Gasser, circulation manager.

"Although we have only a few more than five hundred subscriptions now, we're not going to hold our final drive until after the tournaments," she said.

# HUNTERTOWN HAS FORMIDABLE TEAM FOR TOURNAMENT

Quintet Which Won Allen County Tournament Last Year Graduated, But New Team Improving

## PLAY HARLAN FRIDAY EVE

Coach Odle's Men Have Won Half of Games Played; Might Prove to Be Dark Horse

When Harlan and Huntertown mixes in the first game Friday evening, there will be the same condition of affairs as in the Central-South Side mix-up as both teams have won a game from the other and it is very fitting that these two should fight it out in the sectional.

### Has Good Record

The Huntertown five has a record of which they can well be proud, considering the fact that they have not a man this year who played on the varsity last year. Last year they took the Allen county championship, but this year they haven't been so fortunate.

Starting with brand new material Coach Odle has built up a team which is improving with each game played.

### Center Is Dangerous

They have a center who is well over six feet and, by advance reports, will get the tip-off against all teams in the sectional. In all games played, he has the exceptional record of not having the opposing center outjump him. He is said to be a fast floor man and a "bear" underneath the basket.

Captain Dickens is a stocky, well-built forward who can keep the pace up with the best of them.

### Coach Is Experienced

Coach Odle has had much experience in coaching teams and is a star player himself. He played center for the Jefferson Center team for four years and had an important part in their winning the district championship for two years. He is a graduate of Purdue.

### Season's Record

Huntertown	Opponents
Lafayette	42
New Haven	33

# KELLY NETMEN BOW TO EMERSON IN FINAL BATTLE

Gary Team's Ability to Break Through Green's Defense Proves Source of Victory

## WAMBY AND DUWAN STAR

Clever Passing Attack Staged By Visitors Too Much for the Wardoites

After a fast hard-fought battle the Emerson cagers emerged victorious over the Kelly cagers 35 to 31 on the local court. Last Saturday's game was the last net game for both teams before the opening of the tournaments.

The Gray and Gold netmen seemed to find the weak spot in the Kelly defense and through the brilliant passing attack of DeLong, Sotock, and Link they managed to carry the sphere through the Green's defense to get short shots from under the basket.

### Gary Has Tight Defense

The Gary men's defense managed to hold the Kelly chargers at bay, and the Kelly Klads resorted to long range to keep in the scoring.

The first half was a nip and tuck affair with Emerson holding a slight advantage at the half-way mark, which ended 19 to 17.

The second half started with Emerson continuing their fast pace, but the Kellys seemed to falter somewhat in their ability to connect with the loop. The Kelly netters scored only four markers from the field during the last half.

Wamby and DuWan proved to be the stars for the Green. Between them they scored twenty-seven of South Side's thirty-one points.

South Side (31)	Emerson (35)
Rahe	F
Wamby	F
DuWan	C
Simon	G
Wiener	G

Substitutions: Wellman for Rahe, Willson for Wamby, Wamby for Rahe, Rastetter for Simon, Simon for Rastetter, DeLong for Shay, Elser for Wood, Wood for Elser. Field goals: Wamby 5, DuWan 4, Simon, Sotock 5, Link 4, DeLong 2, Allenhoff 2, Shay. Foul goals: Wamby 8, DuWan, Rastetter, Wiener, Link 4, Sotock, Allenhoff, Wood. Referee, Nancy.

Aurentz's Milk Chocolates are the latest word in candy. The gift that is appreciated. Remember your Mother, Sister and Sweetheart when leaving the city.

# TIMES CAMPAIGN FOR SUBSCRIBERS ENDS WITH 1000

Total Number of Subscriptions Swelled by Contest for New Buyers

## MARGARET POCKOCK WINS

Gets Most Subscriptions in Two Weeks; Receives Five Dollars

The Times subscription contest came to an end Friday, February 26, at 3 o'clock, with Margaret Pockock in the lead with nineteen subscriptions to her credit. Ross Waterman was second and Kathryn Wescher was third with fifteen and six subscribers each. Because of this contest the total of subscriptions has swelled to approximately one thousand. Margaret received five dollars as first prize, and Ross was awarded three dollars and fifty cents as second prize.

All of the teachers of South Side are now subscribers, while many outside teachers have signed up. The agents have worked hard, and have rounded out a successful campaign. Twelve of the agents have reached or passed the one hundred per cent mark: the agents in Rooms 4, 8, 10, 18, 26, 28, 74, 75, 90, 96 and Rows F and J-K in Room S.

The following is the record of the percentages:

Room	Teacher	Pct.	Agent
90	Parkinson	130	Ross Waterman
8	Miller	123	Margaret Pockock
96	Hull	105	Richard Bolmer
12	Murphy	103	Harry Wedler
4	Suter	100	Virginia Danuser
18	Harvey	100	Robert Hickey
28	Morris	100	Virginia Kiner
26	Murch	100	Winifred Beech
74	Null	100	Jack Clayton
75	Mott	100	Marcel Bails

## Girl Scouts

A meeting of the Girl Scouts was held yesterday in Room 86 at 11 o'clock. The girls learned to make rope-stretchers.

### To Regulate Traffic

The Boys' Student Council of Rockford, Ill., are to manage the halls. It is hoped that by stationing members of the club in the halls the running will be stopped.

# Tip Offs By Willie Gettitt

Howdy, folks! Welcome to Our School and may you have the best of luck and the best kind of a time while you're here!

Who is going to win the tournament? (Of course, WE know.)

With the teams from out-of-town as our guests we should put up our best manners and make them feel at home.

By the way, have you got your ticket yet??

Happy days! We get out early for wonst.

Let's have the best courtesy ever shown by any school at the tournament this week-end with no razzing of officials or teams.

Although our Reserves have defeated some of the teams entered in the sectional, there have been bigger upsets than those which might happen within the next few days.

We wonder if schools in other states have the good times that the Hoosier high schools do around this time?

All we can think of to write is tournaments!

That reminds us also that the pictures you see in this weekly today were procured through some of the hardest efforts of the staff.

May Our Team be at its best tomorrow.

## Additional Quintets To Enter Sectionals

Total of 719 Teams Will Compete in Initial Tournaments Over State.

Forty-five more teams are entered in this year's sectionals, making the total 719 teams playing in 65 sectional tournaments. The first high school tournament in 1911 had only 13 entries.

Out of the sectionals there will be 64 winners who will play in eight regional tournaments on March 12 and 13. The winners and runners-up are eligible for the finals at Indianapolis, March 19 and 20. Out of 7,190 athletes entered in the sectionals, only 640 may be entered in the regional and only 160 can make the trip to Indianapolis.

Ten boys are eligible to play on each team, but coaches must select eight who will play the day the sectionals open. One hundred and twenty-eight officials, two to a section, will be required. As each receives \$50 for his two days' work, the total outlay for referees and umpires is \$8,400.

### New Club Formed

The students of Enid, Oklahoma high school, who possess red hair have formed a new club called "The Ancient and Deigned Order of Fiery Domes." The motto is "spit fire." The club is divided into four sections: Scarlet, Burnt Orange, Brick, and Sorrell.

# OVER ONE HUNDRED TEACHERS AT MEET

Mr. Parks Reports Record Attendance at State Commercial Conference at Muncie

Mr. D. F. Parks reports that over one hundred commercial teachers attended the state conference, held February 26 and 27 at Muncie, Indiana.

"Teachers were present from practically all sections of the state," states Mr. Parks, president of the conference.

One special feature of the meeting was a demonstration of the use of the victrola in the teaching of shorthand, by Miss Helen Evans, who is an instructor in the Court Reporting Department of the Gregg Shorthand School of Chicago. Miss Evans also gave a speed demonstration in which she wrote at the rate of nearly 300 words per minute on the black-board.

At a business session, Mr. W. S. Barnhart of the Emmerich Manual Training high school of Indianapolis, was elected president for the following year.

# ART CLUB TO MEET WITH CENTRAL SOON

Masked Ball to Be Given for Members and Their Friends on Monday, March 15

The members of the Pen and Pencil club of Central High School have cordially invited the members of the Art club to attend a social meeting which will be held in the club rooms at Central on Monday, March 8. A special program has been planned by them for this event.

At the last meeting of the Art club, which was last Monday, the dates were set for all the meetings during the rest of the semester. Programs have not been planned for the meetings, but the dates will be as follows: March 15 and 29, April 12 and 26, and May 3, 10, and 24.

Arrangements are being made for a masked ball which will be given by the Art club on April 16. An orchestra, which will furnish the music for dancing, will be chosen soon, and tickets for the affair will be on sale in a short time. All the students in school are invited to attend this dance.

Celebrates 34th Anniversary  
The Rockford (Ill.) high school "Owl" celebrated its 34th anniversary. The first annual was published in 1892.

Hold Habit Contest  
The psychology classes of Central high school, Sioux City, Iowa, are holding a contest for habits. Everyone is trying to break himself of a bad habit.

Club Formed  
A hiking club has been formed by the students of Rockford (Ill.) high school.

## NORTHWESTERN U. INVITES KELLYS TO ENTER MEET

National Interscholastic  
Track and Swimming  
Tournaments Will Be  
Held March 19 and 20

### MANY TEAMS TO ENTER

Special Features and Entertainment  
Planned; National Swimming  
Champs to Compete

Evanston, Ill., March 2—Invitations to Northwestern University's annual track interscholastic were sent out this week to every leading high school in the country. The prep classic is to be held March 19 and 20 this spring and is expected to bring together the cream of the country's track performers.

A number of schools have already signified their intention of sending teams to the meet. Cedar Rapids will be represented by its star track team and Atlantic City will send its championship swimming aggregation. High schools from the state of Wisconsin will be entered. Heretofore these schools have been barred due to a ruling of the state athletic association.

Every Chicago high school will enter its track and swimming team. These schools send a large number of able performers each year. With the addition of the Wisconsin schools the largest entry list in the history of the event is expected.

A number of entertainment features are being planned by the committee in charge of the meet. Immediately following the meet there will be a banquet at the gymnasium at which the entire coaching staff of the university will be present.

Athletic Director Kenneth L. "Tug" Wilson, who has had considerable experience in staging track carnivals of this nature, will add his knowledge to making the event the most successful in the history of the school.

One of the added features of the interscholastic this year will be a special race against time by Swimming Coach Tom Robinson's medley relay team. This team at the present time holds the national intercollegiate record.

Howard Davidson, a senior in the school of liberal arts, is manager of the meet this year, and he is assisted by French Eason, Frank Reynolds, Gordon Rahr, and Phil Platt.

### Library Is Swarmed Three Periods Daily

Third, Seventh, and Eighth  
Hours Are Favorites With  
Students, Says Librarian.

The third, seventh, and eighth periods are those in which pupils use the library most, was the statement made by Mrs. Thompson, librarian. During these periods, pupils are often sent to the session hall because of lack of room, and many times all the seats are filled the first and second periods.

The reference books are used mostly by the students in the English, history, and biology departments. The foreign language pupils use the grammars and dictionaries a great deal. The Latin students poured very diligently over the mythology books before the contest.

Because of the large number of students and the small number of books, a system of reserves has been installed. In this way students can reserve a book for a certain evening or period.

### Seventeen Days Left Before Next Vacation

Freshmen Are Anxious for  
Five Days of Grace; Seniors  
Not So Eager.

Only seventeen days until the next vacation! How time does fly! There will be five days of grace from March 29 to April 2. Without doubt the freshmen are highly elated, and are longing for the little "span of liberty."

The seniors, however, regard it with a different aspect, realizing that it is the last vacation of their high school career. To them it is a period of time which comes only once in a lifetime, (or at least is supposed to). After April 2, fifty days remain until June 11, the end of the term.

Only sixty-seven school days remain.

## Hold County Basketball Title

—Courtesy of News-Sentinel.

### Monroeville High School Five

One of the two teams doped to play in the sectional finals Saturday night is that of Monroeville High School, possessors of the Allen county net championship.

Purman, center and captain, is one of the best players in Allen county, having been picked on the All-county team, and is expected to give plenty of worry to opposing guards.

Those in the picture, left to right, front row: Powelson, guard; Peirce, coach; Purman, center and captain; Taylor, guard; Rear row: Bitner, forward; Speith, forward; Lenington, center; Sheehan, guard; White, forward; Luenberger, forward; Quinlan, guard.

### WOODBURN HIGH FIVE CAN NOT PRACTICE

School Has No Gymnasium or Coach;  
Team Is Drilled In Open When  
the Weather Permits

A fine example of the advantage that Central and South Side have over most of the teams which enter the sectional tournament, is shown at Woodburn.

This little village has a consolidated school with about 52 pupils in it. It is a combined high and grade school. The Woodburn quintet has won ten and lost five games in the regular playing season and went to the final round in the county tournament. They were defeated by Monroeville in the final game of the tourney.

The surprising thing about this "small-town" quintet is that it hasn't a coach to drill the team and not even a gym to practice in. They practice in the open when the weather permits and the only practice that they get is just shooting baskets before each game.

The few boys in the high school have, by their own efforts, organized a team and, using the last year's team's suits, have surprised some of the teams which have paid coaches.

They have only one basketball and get to use it only the few minutes before the games which they play.

The school is situated on the outskirts of Woodburn and the pupils have to come to school in hacks.

### Schedule Announced For Room S Teachers

The teachers in charge of checking the attendance in Room S until March 22 are:

First period—Miss Thorne and Mr. Virts.  
Second period—Miss Kiefer.  
Third period—Miss Fiedler.  
Fourth period—Mr. Heine.  
Fifth period—Miss Miller.  
Sixth period—Mr. Suter.  
Seventh period—Mr. Schmalzried.  
Eighth period—Miss McCloskey.  
Each month the teachers' schedule is changed.

### Model of Pupils' Excuse Written by Miss Thorne

Miss Thorne wishes the students of South Side to tell their parents how to write an ideal absent excuse. Many of the excuses are in the hand writing of parents, but they do not state how long the students have been absent or why they have been absent. It then is necessary to look up the telephone number of the parents and call them to find out this necessary information before an O. K. excuse can be issued. An ideal excuse would contain the following data:

1. The date on which the student returns to school.
2. "Dear Miss Chapin:"
3. "Please excuse (pupil's full name) absence from school (the exact date and number of days and half days the student has been absent from school) as he or she was (then the reason for the absence)."
4. The complimentary close. Name of parents or guardian.
5. The telephone number of the parents or guardian.

### ATHLETIC CREED

I believe it is a privilege to fight for Lincoln high school, and I will never abuse that privilege by casting dishonor or shame upon my school.

I will never take an unfair advantage of my opponent.  
I will honor my opponent.  
I will accord sportsman-like courtesy to all visitors.

I will not resort to alibis.  
I will not quit.  
I will be a game loser and a generous winner.

I believe the greatest honor to be attained is in defending the Red and Black and I hold myself ready to grasp the gauge, fight hard, fight long, and fight squarely, when duty calls.—Lincoln High School, Lincoln, Nebraska.

## G. SCHUELKE AVERAGES HIGH IN STORY CONTEST

Awarded Most Points in Times Competition; Frank Robertson Excels  
In Head Writing

Gertrude Schuelke and Frank Robertson are now leading in the news story and headline writing contests of the Times. Gertrude has tallied eight and one-half points. Her closest rival is Edith Kyler, with six and one-half.

Frank has won ten markers, and Pauline Baumgartner with six and one-half is second in the headline writing contest.

Others who are close behind in either are Harry Wedler, Mary Pocock, and Margery Burres.

Three points are awarded for first place, two for second, one for third, and one-half for honorable mention.

Edith Kyler and Pauline Baumgartner topped the list of winners for the issue of February 25.

In story writing Cornelia Bade and Margaret Pocock were second and third best. Frank Robertson, Pauline Baumgartner, Gertrude Schuelke, Kenneth Hart, Ruth Eickmeyer, Harry Wedler, Dorotha Johnson, and Margery Burres received honorable mention.

Frank Robertson and Cornelia Bade came next in heads. Margery Burres, Mary Pocock, and Helene Foellinger were given honorable mention.

### SPORTSMANSHIP

S—is for spirit in playing the game.

P—perseverance, which is always our aim.

O—is for order in which we must play.

R—is for rules which we must use every day.

T—is for team-work—we use that quite well.

S—is for sympathy for others who fell.

M—is for manners we use just the same.

A—is for ability to play a good game.

N—is for the nerve—have courage in working.

S—is for service we lend without shirking.

H—is for honesty—that's the main rule—

I—is for ideals which we work for in school.

P—is for pride—let that never fail.

If all strive for these motives they have conquered all.—Ye Chronicle.

### WRANGLERS TO HEAR ORATORICAL ENTRANT

Wayne Gustenslager Will Address the  
Club on "Franklin and the Constitution" at Meeting Today

"Franklin and the Constitution" is the subject of the oration which Wayne Gustenslager will give at the Wranglers' meeting today in Room 86. Wayne will represent South Side in the National Educational contest which will be held in the near future.

Other features of the program will be nonsense rhymes by each member of the club; a discussion of three current topics, led by Mr. Makey; parliamentary drill, and popular music by Maynard Patterson.

### Promoters Are Delayed By Absence of Members

Due to the illness of Miss Work and the time required for the supervision of "Mikado" by Mr. Schafer, the Promoters club has not held any meetings. The organization will probably meet after the opera has been presented.

## SECTIONAL CONTRACT TERMS ARE ANNOUNCED

Terms Show Distribution of Proceeds and Duties of Center Conducting Meet

The terms under which South Side assumes the responsibility of conducting the sectional tourney are outlined in the contract outlined below. This is a reproduction of the contract entered into between A. L. Trester, permanent secretary of the Indiana High School Athletic Association, and Mr. Harris, principal of the center conducting the meet.

### SECTIONAL

#### I. H. S. A. A. BASKETBALL TOURNAMENT CONTRACT

ARTICLES OF CONTRACT  
The following Articles of Agreement are subscribed to by the Board of Control of the Indiana High School Athletic Association through Arthur L. Trester, permanent secretary, and Principal Rob't. C. Harris, representing South Side High School.

#### Section I.

The dates of the Indiana Sectional High School Basketball tourneys shall be Friday and Saturday, March 5 and 6, 1926.

#### Section II.

The State High School Board of Control, through Arthur L. Trester, permanent secretary, shall furnish the high school representatives with lists of qualified teams and the names of the men on the respective teams, on or before Monday, March 1, 1926.

#### Section III.

The high school representative shall provide free entertainment for the respective teams of nine men, each, which shall include one faculty manager for each team, between the hours of 7 a. m. Friday, March 5 and 8 a. m. Sunday, March 6. If possible this period of entertainment shall be shortened by the board of control. All competing teams are entitled to entertainment throughout the tourney.

#### Section IV.

The high school representatives shall provide tickets, door-men, ushers, announcers, scorers, timekeepers, basketballs and all necessary equipment for the games. No prizes whatever are to be given.

#### Section V.

The matter of complimentary tickets shall be in the hands of the high school representative who shall issue them to the press, the officials, and to the helping students. All men of the competing teams, one attendant and one faculty manager for each team, are to be admitted to the tourney. A list of persons to whom complimentary tickets are given shall be furnished the permanent secretary.

#### Section VI.

The I. H. S. A. A. Board of Control shall select and assign the officials for the games not included in Section 4.

#### Section VII.

The admission fee to all tourney games shall be forty (40) cents for single session tickets and one dollar fifty cents (\$1.50) for season tickets.

#### Section VIII.

The high school representative shall pay to each referee at the close of his work the sum of fifty dollars (\$50.00) only. There shall be two referees assigned to each tourney. Officials shall work in alternate games unless it seems advisable by the center principal to use both in some games and upon his request they shall work as referees and umpires. Entertainment, traveling and hotel expenses are to be paid by the officials. No one connected with the tourney shall offer or give entertainment to the officials. Their contract forbids the acceptance of such.

#### Section IX.

The financial settlement of all tourneys shall be made as follows:

First. All legitimate expenses except for transportation shall be paid from the gross receipts.

Second. The center high school shall receive one hundred dollars (\$100).

Third. The transportation shall be paid. (Four cents per mile per round trip).

Fourth. The center high school shall receive one hundred dollars (\$100).

Fifth. The I. H. S. A. A. shall receive five per cent (5%) of the fourth balance.

Sixth. One-half of the balance shall be divided pro rata among the participating schools, the center school sharing.

Seventh. One-half of the balance shall be divided on the basis of season ticket sales in the local communities on or before Thursday, March 4.

Eighth. The board of control shall pass on all reports by the center school and all reports by the participating schools.

Ninth. The center school shall furnish a complete financial report to the I. H. S. A. A. and to each participating school soon after the tourney.

#### Section X.

The high school under whose auspices the tourney is held promises hearty co-operation with the state board of control and the state board of control promises as much to the high school conducting the tourney.

#### Section XI.

The details of all tourneys, such as protests, eligibility lists, schedules, etc., are to be cared for by the state board of control through the permanent secretary.

#### Section XII.

The state board of control shall manage all tourneys and the high schools are to work under this direction.

#### Section XIII.

The high school representative shall send the following to Arthur L. Trester, Anderson, Indiana, according to schedule:

1. Saturday evening, March 6—

a. Name of winning school by telegram.

b. All entry blanks by special delivery mail.

2. Thursday, March 11—

a. Scores of all games.

b. Complete financial report.

c. Check per Part Five, Section IX of this contract.

d. List of persons to whom complimentary tickets were given and number of tickets to each.

Arthur L. Trester,  
For Board of Control.

Rob't C. Harris,  
For High School.

## Has Strong Aggregation

—Courtesy News-Sentinel

### Huntertown High School Cagers

The above is the likeness of the Huntertown five. Although having a new team this year, they expect to go far in the tournament. They are from left to right: Back row—Coach Odle, Emerich, guard; Witham, guard; Foote, center; Byerly, forward; Captain Dickens, guard. Front row: Runyan, forward; Smith, forward; DeBolt, forward; Lackey, forward; Guillaume, guard.

## LEOITES TO PLAY MONROEVILLE FIVE IN FRIDAY'S FINAL

Leo Cagers in Semi-Finals of County Tournament at Central High Gymnasium

### NEUENSCHWANDER GOOD

Monroeville Has Already Won Two Games From Leo This Season

Leo will play Monroeville the final game on Friday night in the sectional tournament.

The Leoites have also a strong five and went to the semi-finals in the Allen county tournament held recently at the Central gym. The team does not have the advantage of a home hardwood to play on, but must play on a foreign floor all the time.

#### Upperclassmen on Team

The team is composed of three seniors, five juniors, one sophomore and one freshman.

In the games played recently against the South Side and Central Reserves, Neuenschwander has proven to be the star of the Leo five. He is a fast floor man and is a dead shot from the side of the floor.

#### Season Record

The season's record of Leo is as follows:  
Leo 16, Lafayette Center 32.  
Leo 34, Harlan 46.  
Leo 30, Monroeville 49.  
Leo 26, Woodburn 16.  
Leo 26, New Haven 32.  
Leo 39, Harlan 37.  
Leo 18, Spencerville 22.  
Leo 39, Huntertown 31.  
Leo 31, Woodburn 27.  
Leo 23, Huntertown 51.  
Leo 26, Spencerville 33.  
Leo 27, Monroeville 53.  
Leo 34, Arcola 6.  
Leo 23, Woodburn 24.  
Leo 22, New Haven 45.  
Leo 17, Central Reserves 55.  
Leo 21, South Side Reserves 43.

## "HAPPY HOME" IS TOPIC FOR NEXT FORUM MEET

Mr. O. M. Brunson, Religious Work Secretary, Will Be Leader; Nell Gunn Is Chairman

"What Makes a Happy Home?" is the subject for discussion at Forum next Sunday, March 14, in the Y. M. C. A. boys' lobby. Mr. O. M. Brunson, religious work secretary of the "Y," will lead the topic. Miss Nell Gunn will be chairman.

This is the second meeting of the second series of Forums. It is expected to be very interesting since Mr. Brunson has experience regarding the topic.

Last Sunday's topic, "Athletics, Are Some of Us Getting Too Much and Others Not Enough?" was led by Mr. W. B. Maddox with a great deal of ability. The questions he asked were followed by quite general discussions.

The remark was made that "not quantity but quality of coaches was needed."

Page Robinson summarized the meeting by stating that it was the opinion of the group that representative teams in the various forms of athletics should be maintained, but not at the cost of a lack of physical education for the entire student body. The students here agreed that the needs were not being met in any of the high schools at the present time and with the present system.

The topics for the rest of the year are: "What Makes a Happy Home?" "Is Our Religion Worth Exporting?" "What Good Are the Church and the Sunday School?" "What Is Sunday For?"

## With the Classes

Lucille Reagan, of Kansas City, has entered Miss Denaree's English class.

On February 24, the pupils of Miss Paxton were present in all classes, or in other words, the attendance for the day was 100 per cent.

In Miss Thorne's classes it was observed by the students with field glasses that there are names on the bricks in this school. These names are names which are common in school.

## SECTIONAL TITLE IS AT STAKE AS TOURNEY GETS UNDER WAY

(Continued from page 1)

### Information Desk

An information desk where players' passes will be distributed, time tables can be consulted, and every sort of information given will be in charge of Miss Harvey, Deane McAfee, and Pauline Baumgartner.

Meals for the players and coaches are being planned by Mrs. Hoham, manager of the South Side cafeteria, with the help of Ward O. Gilbert, South Side coach. The teams will eat in the cafeteria Friday evening and Saturday noon and evening. If any of the coaches desire light meals for their teams, such arrangements will be made.

### Officials Appointed

Mr. Harris, who is general manager of the local classic, has appointed the following people to assist him in the conduct of the meet. L. C. Schmalzried and Lloyd Whelala have been named scorekeeper and timekeeper respectively. R. O. Virts, H. O. Makey, and E. H. Murch, of South Side, will have charge of ticket sales at the meet.

L. Hull, E. S. Gould and A. W. Suter have been appointed as doorkeepers. At the sectional tourney the members of the South Side band will act as ushers, while the Central Centralites will usher, and the South Side band play.

## SOUTH SIDE MEETS LAFAYETTE CENTER IN FIRST CONTEST

(Continued from page 1)

Lafayette Center 42, Huntertown 13.

Saturday Morning  
Winners 1 and 2, winners 3 and 4, winners 5 and 6.  
Saturday Afternoon  
Winners 7 and 8, winners 9 and 10.  
Saturday Evening  
Finals.  
Officials, Byron Deakney and Walter Geiler.

Miss Thorne suggests to students putting on notices on the boards that they use a corner of the blackboard instead of the center. She says that in her room she uses every inch of board space, but that if the notices are placed in the corner it is easier to arrange the board space.

Jack Clayton did yeoman service as monitor in chemistry II. He fixed up boxes and checked lists. Mr. Voorhees said that it was good work.

Robert Fleming tested baking soda, which is pure sodium-bicarbonate, instead of baking powder. He reported alum, tartrates and sulphates present. "Such chemists do we make," states Mr. Voorhees.

The boys in 9A woodturning are making their exercises in preparation to making their pieces of furniture the last half of the term. The purpose of making exercises on the lathe is to learn the different cuts made in woodturning and to acquaint a pupil with the use of tools.

# SOCIETY

Miss Parson, of Teacher's College, DeKalb, Illinois, was the guest of Miss Crowe over the week-end.

Miss Esarey and Miss Demaree spent the week-end in Indianapolis.

Mervyn Welch entertained several of her friends at her home on Oliver street Friday. Bridge was enjoyed during the evening, after which delightful refreshments were served. Those who were present are Catherine Fries, Marguerite Schwieler, Mary Hale, and the hostess.

Loretta Eicks recently entertained a number of her friends at the home of her sister, Mrs. J. M. Gordon, of Rudisill boulevard, at a party in celebration of her birthday anniversary. Prizes in progressive bunco were awarded Hilda Sellers, Dorothy Schultz, and LaVon Schulz. At a late hour a delicious two-course luncheon was served. Covers were laid for Dorothy Schulz, Hilda Sellers, Melba Finner, LaVon Schulz, Loretta Ackerman, Lora Dowty, Albertina Horn, Billy Schultz, Margaret Linkage, Mary Hills Miles, Helene Foellinger, Gertrude Allen, and Ann Haberstrope.

Noirean Burnheimer was the hostess to a number of her friends at her home on Nuttman avenue recently. Prizes in progressive "flea" were won by Evelyn Baker, Jane Wass, James Allen, and Dudley Wass. Following the game a delicious luncheon was served to the guests.

Marguerite Schwieler was hostess to several of her friends at her home on Pontiac street Sunday evening. Bridge was enjoyed, after which delicious refreshments were served to Mervyn Welch, Hilda Schwieler, Mary Hale, and the hostess.

Marie Williams, of West Wayne street, will entertain a number of her friends at a dinner party at her home on Friday.

Dorothea Kohlmeier entertained with a party Monday evening.

Jeanette Stults, of Home avenue, recently entertained at a dinner party at her home. Covers were laid for Betty Granger, Alice Elder, Mary Hills Miles, Florence Kendrick, Ann Barrett, Mary Granger, Dorothy Troendle, Hildegarde Seibel, Greta Astrom, Marguerite Lucke, Louisa Fredericks, Wilda Bowser, Neenah Knight, Cappy Twining, and Amelia Dildine.

Nadyne Verweire spent the week-end at South Bend and Elkhart.

Madalin White entertained her club with an informal dinner recently. The evening was spent in playing games and dancing. Those present were the Misses Vera Evans, Evelyn Jacobs, Virginia Weebeking, Velma Rolf, Lenora Nachtigall, Pauline Hilbish.

Jeanette Stults entertained several friends with a dinner party Friday evening. The guests were Dorothy Troendle, Greta Astrom, Kathryn Twining, Neenah Knight, Marguerite Lucke, Marjorie Reeves, Mary Hughes, Marjorie Horstmeier, Louisa Fredericks, Betty Hutchens, Phyllis Toothill, Wilda Bowser, Dorothy Niebergall, Dorothy Underwood, Leona Kochar, Ann Barker, Mary Hills Miles, Florence Kendrick, and Bernadette Bennett.

Francis C. Blosser entertained a few friends with a radio party at her home Thursday evening.

Doris Jackson entertained a few of her friends at a dinner party Wednesday evening. The persons who enjoyed the affair are Mildred Tons, Mildred Scott, Vera Mueller, Louise Spackman, and Kenneth Williams. George Wright, James Miles, Elroy Ramsey, and Bertram Fultz.

Maxine Idle celebrated her seventeenth birthday by entertaining a few of her most intimate friends at a six o'clock dinner Wednesday evening. The guests were Doris Bauer, Janet Bauer, Beulah Chapel and Virginia Idle.

## Strong Offense is Best Defence is Belief of Hoosier Basket Coaches

Scores Turned In by the Various High School Teams Indicate Keen Eye for Basket.

That the best defense is a strong offense is the belief of high school coaches in Indiana. This is shown by the scores run up by the leading quintets. In few games are less than thirty points scored. In no other section of the country are such high powered scoring machines developed. Neither are there representative sectional teams that devote less time to guarding their own goal.

Despite the fact that they scored over thirty points in each encounter, the Kellys lost to Manus of Indianapolis by slight margins. Muncie piled up 42 points in losing to Marion, one of the leading quintets in the state.

Although Central rolled up 35 points, Warren dropped them by an eleven point margin.

Basketball has become so popular in Indiana that boys play it all year around, and many through sheer perseverance develop remarkable accuracy. Each school has several accurate shots who can lob them in from all angles. The coaches rely on one of these marksmen being open often enough to give them a margin of victory.

The Indiana public, too, has been a great influence in developing these basket tossing aggregations. The spectators like to see the ball swish swish through the net, and the more remarkable the shot the more they applaud. Coaches and players have been indirectly influenced by this desire. Indiana teams combine the short pass with long throws, and use both long and short shots at the basket.

Typewriter Thefts Are Hard to Cover

In a conversation with the branch manager of one of the typewriter companies, some interesting facts were developed relative to the recovery of missing typewriters. It seems that less than one-half of one per cent of stolen machines are successfully kept under cover, due to a system which naturally cannot be revealed.

The typewriter is about the last thing in the world that a professional criminal will take, as it is a well-known fact that it is almost impossible to escape detection sooner or later. This perhaps explains the reason why typewriters are left unguarded in business offices, schools, and other places as the only person who would attempt to get away with the machine is the amateur who is not aware of the difficulty of disposing of a machine in any way without it being traced directly back to him.

He might have an idea to alter the serial number, which is easily done. But this would merely attract attention to that particular machine and would result in an immediate investigation which would definitely establish the true ownership.

### Make Notebooks

Students of the advanced geometry class of the Enid (Okla.) high school have made notebooks which contain the lives and pictures of great mathematicians.

### Award Trophy

The students of Central high school, Evansville, Ind., are having an old-fashioned spelling bee. The prize for the winner is to be a trophy cup, and a certificate for all of the runners-up in the match.

### Find Relics

Exploration of old Indian mounds is being carried on by a physics instructor and several boys of Central high school, Muskogee, Okla. Arrowheads, Indian pottery, beads, dishes and bones have been found.

Unlimited Cold Water Supply

**You have this**

Unlimited HOT Water Supply

**You also need this**

**No home is modern without Self-Action Gas Hot Water Service**

There was a time when even cold water was a problem. Pumps supplied home needs, and pumping was hard work. Now we merely turn a faucet. Running water in the home does cost money—taxes, piping, equipment—but no one any longer thinks of the cost of such convenience.

Now, for a small additional sum, you can enjoy unlimited hot water supply. By installing **Self-Action Gas Hot Water Service** you can give your family one of the greatest comforts of modern life. Day and night, summer and winter, you can draw hot water as easily as you can now draw cold. Your bath ready when you are. Hot water instantly for sick room emergencies. Plenty of it in kitchen and laundry.

The heater is almost human. Needs no attention. Starts and stops itself. Heats only when needed. Heavy insulation keeps the heat up and the cost down.

Many homes in this community now have this modern service. Your home *should* have it. Call at our store and see how it works. Or telephone and ask for Hot Water Service Department. Full information will be promptly sent.

**Northern Indiana Gas and Electric Company**

"Efficient Public Service"

## BASKETBALL FANS WILD AS REGIONAL BATTLES BEGIN

### NEXT WEEK ENDS STATE WIDE FIGHT FOR CAGING TITLE

Two Winners to Go From  
Each Regional Meet to  
Contest at State's  
Capital

STADIUM SEATS 14,000

Largest Basketball Gymnasium  
In World; Sixteen Teams to  
Enter State Fracas

In just one more week the agony will be over, the pulse of thousands of school pupils and adults will slow down and the world will once more assume its mundane atmosphere. In just one more week the annual state basketball tournament will be over. Of the 119 teams that originally entered the three-weeks' grind, only one will remain unbeaten.

Two winners will go from the local regional; each of the seven other centers will contribute two teams, and these sixteen will battle it out in a finish fight next Friday and Saturday on the specially constructed playing floor in the Livestock Exposition building at the Fair Grounds, Indianapolis.

This is the largest basketball stadium in the world, as it accommodates more than 14,000 spectators. The basketball stadium will occupy less than one-fourth of the building, one of the largest of its kind in the world.

A maple playing floor, 30 inches above the concrete pave of the pavilion, has been laid. Bleachers will be at the ends and sides. The standing platform of last year's tournament has been eliminated and in its place will be a bleacher. The entrance to the bleachers will be downward this year instead of upward as last year. This is considered safer and provides a quicker egress in event of fire.

A press box, accommodating 90 persons, is being built at the top of one of the bleachers. Last year it was on a level with the playing floor.

Tickets to the tournament are to be in two classes. One dollar tickets will admit the bearer to day and night games, providing he does not leave the building. Fifty-cent tickets will go on sale at 5 p. m. each day for admission to the night games. Should 14,000 day and night tickets be sold before 5 p. m. no night tickets will be offered for sale. Contending schools will have choice of tickets up to a certain date several days in advance of the tournament.

The schedule of the final tournament and the schedules at the other regionals are given below so that fans can do up the possible opponents of their team at Indianapolis. "Winner 1" South Bend and winner 5 Kokomo means that the winner of the fifth game at South Bend will meet the winner of the fifth game from Kokomo. In all cases the fifth game comes at 7:30 p. m. between the winners of the two morning games. "Winner 6" means the winner of the sixth game at any regional, which in all cases comes at 8:30 p. m. between the two winners of the afternoon games.

#### State Finals Schedule

- Friday Morning—  
1. 9:00 Winner 5 South Bend and winner 5 Kokomo.  
2. 10:00 Winner 6 Martinsville and winner 5 Muncie.  
3. 11:00 Winner 6 Fort Wayne and winner 5 Bedford.  
Friday Afternoon—  
4. 2:00 Winner 5 Rushville and winner 5 Greencastle.  
5. 3:00 Winner 6 Rushville and winner 6 Greencastle.  
6. 4:00 Winner 6 Muncie and winner 6 Bedford.  
Friday Evening—  
7. 7:30 Winner 5 Fort Wayne and winner 5 Martinsville.  
8. 8:30 Winner 6 South Bend and winner 6 Kokomo.  
Saturday Morning—  
9. 8:30 Winner game 1 and winner game 2.  
10. 9:30 Winner game 3 and winner game 4.  
11. 10:30 Winner game 5 and winner game 6.  
12. 11:30 Winner game 7 and winner game 8.  
Saturday Afternoon—  
13. 2:30 Winner game 9 and winner game 10.  
14. 3:30 Winner game 11 and winner game 12.  
Saturday Evening—  
15. 8:00 Winner game 13 and winner game 14.

#### Other Regional Schedules

- At South Bend—  
10:00 a. m.—Laporte vs. Valparaiso  
11:00 a. m.—East Chicago vs. Rochester.  
2:30 p. m.—South Bend vs. Plymouth.  
3:30 p. m.—Brook vs. Nappanee.  
At Bedford—  
10:00 a. m.—New Albany vs. Bedford.  
11:00 a. m.—Bristown vs. Huntingburg.  
2:30 p. m.—Washington vs. Vincennes.  
3:30 p. m.—Central of Evansville vs. Owensville.  
At Martinsville—  
10:00 a. m.—Franklin vs. Garfield of Terre Haute.  
11:00 a. m.—Brazil vs. Duggers.  
2:30 p. m.—Rosedale vs. Seymour.  
3:30 p. m.—Linton vs. Martinsville.

#### An Added Tournament Service

The South Side Times today is emulating the example set by the whole school in endeavoring to be of service to the basketball enthusiasts of northeastern Indiana. In this issue it is presenting pictures and information which it went to considerable expense and unlimited efforts to obtain.

Every effort was made to be fair to all participants; the absence of South Side from the tourney made this task easier. The amount of space given each team depended upon the information available; no team was purposely stilted.

The Times hopes that you will approve of its efforts.

The South Side Times  
Of Service Always

### K'VILLE CAGERS ENTER TOURNEY WITH GOOD TEAM

Coach Guyman's Quintet  
Open Local Regional  
Against Bluffton  
Tigers

#### FOUR SOPH'S ON SQUAD

Guyman Has Been Successful In  
All Sports While Head of  
Crimson Athletics

Robert Thompson, Special Correspondent to  
Columbia City

After having cast aside some stiff opposition in the sectional, Kendallville comes here with high hopes of going through a successful regional grind. Coach Guyman's "band of roving demons" pry the lid off the Fort Wayne regional in the first game of the tourney against the Bluffton Tigers.

After going through the sectional successfully, the Kendallville cagers after a week of hard practice have been primed to the height of perfection to enter the second round of fight for the state supremacy.

Although the Kendallville cagers did not win all of the games on their regular season's card, they have turned in a very creditable record for the past season despite various difficulties. They won eleven games out of nineteen, played during the regular season.

They entered the tourney doped to win, but in their first game Ligonier came close to upsetting the dope. Kendallville, after trailing throughout the greater part of the game, came through in the final minutes of the game and dropped the Ligonier cagers by a score of 19 to 16. In the other two games played by Kendallville, they had comparatively easy sailing, winning over Wawaka, last year's sectional champs, by the one-sided score of 30 to 13. In the final game the Crimson and Gold sailed through Albion with colors flying high, by dropping Albion to the count of 23 to 12.

Coach Guyman, who has successfully coached his team to sectional honors this year, was formerly a student at Indiana University where he also took part in athletics. Upon leaving Indiana he went to Tipton where he has remained since. For the rector of athletics. Leaving Tipton, he took up coaching at Kendallville where he has remained since. For the past four years Guyman has coached successful teams in basketball, football, and track. His football teams have been known for their fighting "never die" spirit and, above all, for their fine sportsmanship, winning or losing. His basketball teams have thrice capped the sectional titles and at one time narrowly missed going to the state tourney as a promising candidate for state honors. Unfortunately, Muncie beat them after a thrilling overtime had been played, but Kendallville's name was spread all over the state because of the narrow margin by which they were forced out. Muncie, however, continued its pace up to the final game of the fight for state supremacy and was nosed out by Vincennes in the finals. As for track, Coach Guyman's cinder glad-

(Continued on Page Ten)

### Pry Off Tournament Lid

BLUFFTON HIGH SCHOOL TEAM

Front row, left to right—Rudy, Knoble, Carnall, Frauhiger, Shannon. Second row—Swigert, Earhart, Crosbie, Baxter, Rix, High, and Gerber. Top row—Assistant Coach Glen Coolman, Dr. Worley, trainer; L. E. Templin, manager; Oscar Rippe, coach; Ralph Sparks, student manager.

Although these Tigers did not get a good start at the beginning of the season, during the last month they have played many good games. They have scored 924 points against their opponents' 867. Since they will only lose five men of the thirteen on the squad by graduation, Coach Rippe will have a good start for next season's games. All of the first team players with the exception of the back guard, Earhart, will be in high school next year.

### STRONG BLUFFTON NETMEN TO PLAY IN TOURNEY HERE

Forced to Play Part of One  
Game in Sectional  
With Only  
Four Men

#### MAKE 106 POINTS IN ALL

Newspapers There Place Two of  
Champions on Mythical All-  
District Five

Ruth Eickmeyer, Special Correspondent to  
Bluffton

By defeating the strong Liberty Center five in the final round of their sectional tourney, Bluffton shot its way into the regional meet here this week-end.

Although Bluffton scored a total of 106 points against their opponents' 55 during the entire tourney, not all the games were one-sided. In their game with Union Center, the Bluffton Tigers were forced to play with only four men during the later part of the game. Carnall, who had a temperature of 103, was unable to play, three players were sent out on personals, having had 17 fouls called on them, and yet the Tigers won by a 27-26 count.

In the final game Bluffton met the Liberty Center five, who had already defeated Lancaster Center, the team which won the sectional at Decatur last year. After a hard struggle the Tigers finally capped the championship when the game ended 25-22.

Bluffton's first game was with the Petroleum Zippers, who were required to play with substitutes since four of their first-string men were ill. An all-district five of the Bluffton tourney has been picked by the local newspaper there. It is as follows: Forwards, Markley, Liberty Center; Crows, Union Center; Gerber, Bluffton; centers, Bowman, Lancaster Center; Roe, Union Center; guards, Knoble, Bluffton; Bolin, Liberty Center; Kasler, Liberty Center. Bluffton also had two men placed on the second all-district mythical squad.

Captain Gerber and Crosbie played good ball during the entire tournament. Baxter was especially good as a running guard in the last game Saturday night. For the second time Knoble, backguard, has gained a position on a mythical team. He has

(Continued on Page Ten)

#### Club Room Dedicated As Greely Memorial

P. M. Greely

Room 86, club room for the various organizations at South Side and the Parent-Teacher association, has been dedicated to Philip M. Greely, former South Side faculty member and athletic business manager.

The following dedication was drawn up by the Parent-Teachers' association, which has charge of decorating the room:

"In memory of Philip Michael Greely, 1889-1925, our beloved faculty member and athletic business manager, we, the members of the Parent-Teachers' association of South Side High School, dedicate this club room to be known as the Philip Greely Memorial.

"Visitors and Fort Wayne people are cordially invited to rest in this Room 86. It is in the southwest corner of the building."

MRS. FRED LANG,  
Chairman of Committee in  
Charge of Room 86.

#### Proceeds From Tourney Same For Four Years

For the four years in which South Side has had a sectional tourney, the receipts from the tournaments have been about the same. For the year 1923, the receipts totalled \$2,638.90; for 1924, \$2,651.70; for 1925, \$2,605.50; and for this year's tourney \$2,348.10.

### CENTRAL TIGERS TAKE SECTIONAL FOR SECOND TIME

Little Difficulty Experienced  
in Disposing of Harlan  
in Finals by 62 to 24  
Count

#### KELLYS LOSE TO BLUE

South Side's Inefficiency to Con-  
nect with Hoop in Semi-Final  
Round Proves Costly

In a game which was featured by brilliant offensive play throughout, the Central Tigers walked away with the local sectional by defeating Harlan in the final game of the tourney by a score of 62 to 24. From the start of the final game, Central was in the fore, and it was only a question of how many points the Tigers would garner before the gun cracked to close the tourney and proclaim Central the victor.

As this was the final contest of three stiff games played in one day, the Tigers found it necessary to take it comparatively easy in the final contest.

No doubt the hardest game of the lay was the game with South Side, in which the Tigers emerged victorious by a 32 to 23 count. By winning this game, the Tigers not only assured themselves of the sectional title but also clinched the public high school championship for the second consecutive year.

However, the Kelly Klads started off with a bang and after the first five minutes of play were leading the Tigers by a 5 to 1 count. Central started a drive and soon tied the score. The teams battled on even terms for a few minutes, after which the Tigers forced their scoring column ahead of the Fightin' Greens and maintained the lead throughout the rest of the half, which ended 16 to 13 in Central's favor.

(Continued on Page Ten)

### FORT WAYNE ROOTERS ANXIOUS THAT CENTRAL WIN LOCAL TITLE

Down-town School to Enter Tilt With Ample Support; Central, South Bend, Bedford, Martinsville, Rushville, Muncie, Greencastle, Kokomo to Be in City's Contest

### PARENT-TEACHERS ARE TO SERVE MEALS

Out-of-Town Fans to Eat in Domestic Science Rooms;  
Seniors to Sell Candy; Section in Gym to Be  
Reserved for Each Team's Rooters

All Indiana is divided into just eight parts today, and these parts correspond to the regional tournament districts laid out by the Indiana High School Athletic association. The centers of these parts are Fort Wayne, South Bend, Bedford, Martinsville, Rushville, Muncie, Greencastle, and Kokomo, but the greatest of these is Fort Wayne. For one reason, it is the home center, and for another it has eight teams of almost equal merit entered that promise a series of battles that should interest the most casual of observers and should set the hordes of home-town rooters absolutely wild.

#### THE FORT WAYNE REGIONAL SCHEDULE

- 10:00 a. m.—Bluffton vs. Kendallville.  
11:00 a. m.—Berne vs. Central of Fort Wayne.  
2:30 p. m.—LaGrange vs. Syracuse.  
3:30 p. m.—Columbia City vs. Angola.  
7:30 p. m.—Winner 10:00 a. m. vs. winner at 11:00 a. m.  
8:30 p. m.—Winner 2:30 p. m. vs. winner at 3:30 p. m.

The eight teams that will enter the local regional are Bluffton, Kendallville, Berne, Central of Fort Wayne, LaGrange, Syracuse, Columbia City, and Angola. It would take a wise man indeed or else an awfully lucky guesser to pick from this octet the two teams that will get a chance to disport themselves on the hardwood floor in the cattle barn, called the Livestock Exposition building, at Indianapolis during the week-end of the state finals.

All eight, whether destined to be winners or losers, will be given good accommodations and the best of treatment at the local regional. Their accompanying fans will also be made to feel at home.

It is expected that most of the teams will come and go by bus. Those who must stay over night will be lodged at the Anthony hotel.

Two meals for the teams will be served at the South Side high school cafeteria. These will be served at 11:30 a. m. and 5 p. m. on Saturday. These were planned by Mrs. Hoham, manager of the cafeteria, assisted by Coach Ward O. Gilbert. If any of the coaches desire light meals for their teams, such arrangements will be made.

A section on each side of the gymnasium will be reserved for the rooters of the teams during the session in which their teams play.

A cafeteria for the public, in charge of the South Side Parent-Teachers' association, will be open from 11:00 o'clock to 2:00 o'clock and from 5:00 o'clock to 7:00 o'clock. The meals will be served in the domestic science room, which will be in charge of Mrs. Byron Somers. Mrs. Fred Lang will take care of the kitchen while Mrs. Wm. C. Rastetter will have general charge of both.

The South Side seniors will sell candy at the meet and will have charge of the candy stands under the supervision of Mrs. Henry Beadell of the Parent-Teachers' association.

Room 20 will be converted into an information and check room. Players passes will be distributed and any information may be obtained from Pauline Baumgartner and Deane McAfee who will be in charge.

The same people who officiated in the sectional have been appointed by Mr. Harris to assist him in the conduct of this tourney. L. C. Schmalzried and Lloyd Whelan have been named scorekeeper and timekeeper, respectively. Those in charge of the ticket sales at the meet are R. O. Virts, H. O. Makey, and E. H. Murch. L. Hull, E. S. Gould, and A. W. Suter have been appointed as doorkeepers. Central's band will act as ushers while South Side's musicians will furnish music.

#### Tryouts For Senior Play To Be Held Next Week

"Tryouts for the senior play, 'The Four-Flusher,' by Caesar Dunn, will be held next Tuesday and Wednesday," announced Mr. Sheldon, coach of this year's production, at a meeting of the seniors Monday in Room 146.

"Each person will be given the opportunity to display his talent privately," he continued.

The cast will be chosen according to the students' ability. Height, color of hair, speech, carriage, and deportment will also be taken into consideration.

Those eligible for parts are the students who are passing in all their subjects and preferably not taking more than four subjects.

#### Variety of Colors Worn By Tournament Entrants

The colors for the teams participating in the regional tournament are as follows:

Bluffton	Black and Crimson
Kendallville	Red and Gold
Berne	Blue and White
Central	Blue and White
LaGrange	Red and White
Syracuse	
Angola	Orange and Black
Columbia City	Red and White

### Kendallville Represented By Well Balanced Team

The Crimson and Gold of Kendallville will once more be seen on the local hardwood when the Fort Wayne regional gets under way. This will be the third appearance of these colors within four years. Kendallville meets Bluffton in her first tilt. The players are, left to right: Schreiber, forward; Teders, forward; Becker, guard; McCalley, forward; Prentice, forward; Heign, center; Lybarger, center; Barnes, guard; Captain Libey, guard; Schemk, forward.

## TIMES EDITORIAL PLATFORM

1. To further scholastic activities.
2. To promote extra-curricular activities.
3. To give well-written accounts of high school happenings.
4. To offer high standards of school spirit.
5. To aid school officials.
6. To let parents and public know what South Side is doing.
7. To keep in touch with other schools.

## Next On the Program!

Well, the sectional's over.

## Howdy-do

Glad to see you, regional entries!

## Wearing of the Green

Got your green ribbons for—St. Patrick's Day?

## Don't Forget

To criticize is easy, but to play basketball is difficult.

## Will You Live Long?

A college professor recently made the statement that hard work shortens life. This may explain why the span of life is so steadily increasing.

## The Glad Line

We may kick about the weather; but, at any rate, we can be glad that we don't live in Iceland. There they have their thunderstorms in winter instead of in summer.

## Columbia Convention

Friday and Saturday, Miss Harvey and several members of the Times staff will attend the Columbia University Press convention in New York City. Last year the Times was judged first in the United States by the Columbia Press association. It has been entered again this year, and it is hoped that the paper will again receive honors. Here's hoping!

## Depends On Floor

Are the visiting teams at a disadvantage when they play on our basketball floor? That is something many of us would like to know. Opinions usually vary from ten points extra for the home team to no points at all. South Side's record this year works both ways. Looking at the scores for the Huntington games, we find that on our own floor we beat them by seven more points than we did on theirs. But, in the case of the Wabash games, the facts are altogether different. We won from Wabash at Wabash by twenty-eight more points than we did on our own floor. Comparative scores show that sometimes there is and sometimes there isn't an advantage to playing on the home floor. Generally speaking, it all depends on the floor. In this tournament, if all the teams are used to a large one, none will be at a disadvantage.

## Clearing Away the Cobwebs

At a time when much interest is being aroused as a result of the American Bar Association sponsoring of the National Oratorical contest on the Constitution, it is proper and timely that we, as high school students and future citizens, should stop and find out the true value of such a contest.

Most of us know what is meant by "Our Constitution," but the citizens of the United States today are wont to look upon our National Constitution with scant respect. Although all swear by it and believe in it, many have not seen copies of it while comparatively few have studied it. The majority have a vague idea of its provisions. It is queer to think that while the law-abiding instinct is strong in the American people yet they are unacquainted with their most important document.

Although the Oratorical contest itself gives directly to only the contestants a better understanding of our supreme law of the land, yet the contest inspires many others by hearing or reading the participants' orations to feel that additional respect and loyalty for the Constitution is essential. The knowledge of its provisions will tend to make better citizens and for this alone we should stand and give three cheers that there is a contest of national scope which is really educationally worth while.

—Ruth Eickmeyer.

## Pride Goeth Before Destruction

## A Mite of Verse

## OFFER NO EXCUSE

By Edgar A. Guest

Do your best and let it go,  
Take the failure and the blow,  
Fight to win, but bear the cost,  
Say you struggled hard and lost;  
Do not whimper or complain,  
Do not bitterly explain  
Why your battle went astray—  
You may win some other day.  
What if hard luck hits at you?  
It shall hit your rival, too;  
What if all your strength and skill  
Seem to fail you? Just keep still,  
Shrug your shoulders and keep on  
Fighting till all hope is gone;  
Stick and see the struggle through,  
Luck may turn and favor you.  
Breaks against you? Now and then  
That's the common fate of men;  
Things won't always go your way,  
Best of plans have gone astray,  
Best of men have met defeat,  
Someone failure has to meet.  
Only petty natures wail  
When it comes their day to fail.  
Do your best and play the game,  
Take the loss and bear the blame,  
Don't recall the tricks of fate,  
You can lose and still be great;  
Play the man and not the boy,  
Do not spoil the victor's joy.  
When defeat is yours to face—  
Fight to win, but lose with grace.

## And Werser

## "LOST"

Yumpin Yimminy  
But aye fael sore,  
Maye legs don't work yust right.  
Aye yumped around  
Till half past eight,  
Yust Charlesburg last night.  
Aye wore may shoes  
All full of holes,  
Und wore maye patience out.  
That gol durn dance  
Ain't for a man,  
If he bane have the gout.  
Aye joined a race  
With tow more Swades,  
Which bane fenny as it sounds.  
Aye didn't win  
Aye only lost,  
Yust forty-two more pounds.  
—Senn News.

## Open Letters

## Thanks To Officials

To the Editor:  
In behalf of the Parent-Teachers Association of Central High School, I wish to extend my thanks to Mr. Harris and those who gave us such kindly and generous treatment during the recent tournament.

(Signed)  
MRS. S. BAILEY HARRIS,  
President of P. T. A.,  
Central High School.

## Week's Anniversaries

- March 13, 1901—Benjamin Harrison, twenty-third president of the United States, died at the age of 68.  
March 15, 1767—Andrew Jackson, seventh president of the United States, was born in the border region of North and South Carolina.  
March 15, 1820—Maine admitted to the Union according to the provisions of the famous Missouri Compromise.  
March 16, 1751—James Madison, fourth president of the United States, was born in Virginia.  
March 17—St. Patrick's Day.  
March 18, 1837—Grover Cleveland, twenty-second and twenty-fourth president of the United States, was born at Caldwell, New Jersey.

## The Principal Says---

South Side extends a welcome hand to the visiting teams of the regional. We hope the best teams will win and that your visit will be enjoyed by all.

*Robt C. Harris*

## TOO MUCH NOISE

Mr. Parks: "We will have a test on the chapter on cereals."

Student: "We recited on that the day the plumbers were pounding in the cafeteria."

Mr. Parks: "Well, it ought to be pretty well pounded in then."

Carl Dissinger: "I saw the show seven times."

George Gable: "I wouldn't do that."

Carl: "Why?"

George: "If I can't understand it after seeing it twice I give it up."

Simon plays at forward;

Rahe is at the same.

DuWan, he plays at center.

And has often saved the game.

Dick Wiener guards the basket.

Guards it with cunning care;

So does Dutch—but then Wambsganss—

He plays always, everywhere.

## OUR COMIC STRIP

E. H.: "Say, Jim, what bone do we use most in our body?"

Clever Jim: "Why, our wish bone of course."

Workibus foreveras,  
No restorium,  
Terrabus hairamus,  
Markum lowerorium,  
Teacher callonus,  
Nons preparadum,  
Markum zorous,  
And killum all joyum.

## MANY USES FOR THE CHARLESTON

1. Use it instead of your daily dozen.
2. To keep warm while waiting on the street car.
3. Good way to get in the hospital for a vacation.
4. Good exercise after a heavy meal.
5. Fine way to get your name in the paper.
6. Fine way to stay thirty-two ninth periods.

## NO USE

Mr. Voorhees (giving an oral test in class): "I'll give a stick of candy to the first person that can answer this question correctly."

Bill Baer: "We're all in training."

Mr. Morris (giving shorthand rule): "The curve goes on the inside of the curve when the curve curves in the same direction as the curve curves."

John Morton: "I wonder why Miss Burns went back to college?"

Paul Kniffen: "Why, she had me for English last year."

Mr. Voorhees: "Harry Wedler, turn your face to the front of the room. When you have your face turned toward those people in the back of the room they are inclined to laugh."

## HOW MAY YOU BE SUCCESSFUL?

"Take pains," said the window.  
"Push," said the door bell.  
"Keep cool," said the ice.  
"Find a good thing and stick to it," said the glue.  
"Be up to date," said the calendar.

## WHAT COULD BE WORSE?

A snake with the stomach ache,  
A giraffe with the sore throat,  
A centiped with corns or  
A lightning-bug with a fuse blown out?

## POPULAR SONG

"They Call Me Baby Coffee, 'Cause I Keep Them Awake at Night."

## I'M CALLING YOU—

Weep, and you're called a baby,  
Laugh, and you're called a fool,  
Yield, and you're called a coward,  
Stand, and you're called a mule,  
Smile, and you're called silly,  
Frown, and they call you gruff,  
Put on a front like a millionaire  
And somebody'll call your bluff.

He was only a waiter's son but he served time.

## SOCIETY NOTE

The evening male usually arrives about eight o'clock.

## JUST HATE TO LEAVE

A sad sobbing senior,  
No sign of elation,  
What's wrong, little senior?  
Oh, I see—Graduation.

Mr. Murphy (discussing good and poor ads): "Now how many of you noticed the girl in the Kelly Tire ad, and didn't see the tire?"

Latin Teacher: "When did Cicero die?"  
Pupil: "43 A. B."  
Latin Teacher: "Don't you mean B. C.?"  
Pupil: "No, ma'am, 43 A. B. Forty-three years after birth."

Mike Gruenert: "Say Boy, I'm so tough all the tin cans tips their lids to me."

## JOKE NO. 10,452

As the 5 o'clock whistle blew, Pat demanded: "Have any of you fellows seen my cat?"  
Mike: "You've got it on."  
Pat: "Sure enough. And lucky ye noticed it, or I'd have gone home without it."

Mr. Null: "K-i-n on the end of a word usually means small. For example, lambkin means a small lamb. Give me another example."  
J. Clayton: "Pumpkin means a small pump."

## PUNCTUATION REMARKS

The punctuation marks have personality. The period is imperative. It says "Stop here!" The comma is a free and easy little chap. He says, "Slow up a bit, get your breath, and then trot along." The colon calls, "Oh, look what's coming—get ready." Quotation marks give notice that the writer is letting some one else do the talking for awhile. Parentheses mark the side paths when we leave the main line for a detour. Apostrophes flash the message: "We're skipping something." The hyphen is a notice of partnership: sort of a typographical wedding ring.—Inland Printer.

## CONGRATULATIONS, SOUTH SIDE

For the fighting spirit displayed in the face of impending reverses; for the loyalty of the team whose members gave their best and whose supporters rooted for victory for the Green and White; for all which stands for sportsmanship in the traits best described as "a good loser" instead of a good winner, when all hope of winning was gone, *Lincoln National Life* congratulates you.

The FIRST  
ALL AMERICAN

May that same spirit which never counts the odds too great, redound to your advantage through life, as it did for the immortal Lincoln.

His policy is a good one to follow. Another good policy to have and to hold, is one in the Lincoln National Life.

## SOUTH SIDE GIRLS TO PLAY CENTRAL FOR CITY HONORS

Second Game to Be Played  
on Home Floor, March  
15 at 3:30 o'Clock;  
Evenly Matched

### FIRST CONTEST IS CLOSE

Green and White Players Win by  
One Point in Overtime  
Battle at Central

The second South Side-Central girls' basketball game of this season will be played in South Side's gym at 3:30 p. m. next Monday, March 15. This will be a much harder game, since the Central team has been practicing in our gym, and the Blue and White players wish to tie for city championship, while South Side wants that title for her own.

"This is one of the few chances that the students have to back the girls in athletic events; and we would like to have a record-breaking crowd at the game," stated Miss Patterson, coach of the Green and White sextet.

Central was well represented at the first game, and greatly encouraged their team by rooting. Ten cents admission will be charged at this game.

South Side's varsity made their first claim for the city championship title when they defeated their Blue and White sisters in an overtime battle, which was played in the Central gym Thursday, March 4. This was a typical South Side-Central affair, with the final score at 25 to 24.

Both teams were fighting hard to gain a lead, and several times it looked as if Central would be victorious. When the score was tied at 22 all, the 250 Central rooters and the fifty South Side fans cheered to keep up the fighting spirit of the players.

Near the end of the first quarter the Tigerettes were ahead by five points, which was the greatest lead they were able to gain during the whole game. Winifred Englehart substituted for Nellie Merica at the beginning of the second quarter and during the remainder of the first half the scrappy South Siders cut down Central's lead to two points. The score at the half was 13 to 11 in favor of Central.

South Side made another substitution, Violet Fell for Adeline Ward, and Central sent in Margaret Phipps, Margaret Roberts, and Phyllis Long. During the second half the score saw-sawed back and forth until it was tied at 22 all when time was called. In the extra period both Central and South Side scored a field goal, but the one point gained on a foul in the last few minutes determined the game for South Side.

Gertrude Brouwer, the star player for the Green and White, scored ten times from the field, but the points for Central were more evenly divided among their forwards. The line-up was as follows:

South Side	Central
D. Bauer	F. M. Phipps
G. Brouwer	F. D. Miller
N. Merica	F. V. Davis
A. Ward	G. H. Fletcher
L. Foster	G. P. Long
G. Guebard	G. T. Scoles
Referee—Helen Bitner.	

## EDITORIAL WORK ON '26 YEAR BOOK IS SPEEDED ALONG

Editor Issues Assignments  
During Last Week; Boys'  
Athletic Section Round-  
ing Into Shape

### BASKETBALL MEN "SHOT"

D. F. Keller Company Given Con-  
tract for Printing; Pictures  
Ready for Engravers

Editorial work on the Totem was speeded along this week when assignments for practically all sections of the year book were given out by Chester Wynneken, editor.

"The boys' athletic section is well under way," Wynneken announced. "All football pictures and copy are in shape, and Frank Robertson, boys' athletics editor, is now hard at work on the basketball division. Pictures of the net men were taken at the Jefferson studio last Monday," he continued.

Individual pictures for the class sections will soon be sent to the Indianapolis Engraving company, where they will be cut down to the correct size for mounting. Up until this time the class editors have been busy checking up on the people who have had their pictures taken and cutting the finished portraits down to the size necessary for being sent to the engravers. As soon as the pictures are returned from Indianapolis, the panels will be planned and "cementing" begun.

The D. F. Keller company, of Chicago, rather than the D. S. Harker company, as announced in last week's paper, has been awarded the printing contract.

### Shop Instructors Meet To Talk Over Methods

The monthly meeting of the Manual Arts club, consisting of manual training teachers of Fort Wayne and Allen county, was held at the Chamber of Commerce building last Friday night. After a discussion of topics concerning the teaching of manual training, lunch was served.

Mr. William Bagley, of the General Printing Corporation, entertained with a chalk talk, and his cartoons were very interesting.

### SPORT GUSH

Goody, goody, we beat Central!  
+ + +  
That is, the girls did.  
+ + +  
Was it exciting? Say, overtime an' everything.  
+ + +  
Why, some of us almost fell through the bleachers at critical moments.  
+ + +  
We heard someone remark at the game that Leola Foster looked like a windmill when guarding. Tee, Hee, we wonder how that feels.  
+ + +  
Even Central's varsity and their pretty black hats were there besides about 240 other Centralites.  
+ + +  
Gentle hint, all ye South Siders, it's your turn next Monday.  
+ + +  
Bring your dimes and root for us.  
+ + +  
If only that ball wouldn't have rolled around the hoop and out again so many times, maybe we could have had two helpings of Tiger meat.  
+ + +  
We'll be still more hungry by next year and then maybe we can get a bigger slice.  
+ + +  
Did you know that the girls have a tumbling class?  
+ + +  
Someday they'll show you how they can turn all kinds of cartwheels, and all those other fancy things.  
+ + +  
In the meantime don't forget to come Monday!

### Cheer Leaders To Pep Up Crowd

Friend

Miller

When the Kendallville players trot out onto the playing floor today, they will not lack leadership, for two of her pep instillers will be on hand. Friend and Miller, junior and senior, respectively, will be Kendallville's cheer leaders.

#### Girls Form Booster Club

The girls of the Colorado Springs (Colo.) high school have organized a "Girls' Booster Club." It will give the girls a decided interest in school affairs.

#### Library Completed

The library of Martinsville (Ind.) high school has just been completed. Many new books have been secured.

#### Visit Newspaper Plant

The journalism classes of Piedmont (Cal.) high school visited the plant of a newspaper of that city. This helped the students to see how the larger papers are made up.

### DEBATE TO FEATURE WRANGLERS' MEETING

Teams To Be Represented by Agatha White, Jeanette Duryee, Virginia Danuser, and Ruth Egan

A debate will feature the next meeting of the Wranglers which will be held March 18 at 3 o'clock in Room 86. As yet the subject has not been chosen. However, the teams will be represented by Agatha White, Jeanette Duryee, Virginia Danuser, and Ruth Egan. After the debate about fifteen minutes will be spent in parliamentary drill, with Maynard Patterson presiding.

At the last meeting of the club, Wayne Gustenslager delivered his oration on "Franklin and the Constitution," which as South Side's representative, he will give in the National Oratorical contest.

Pins were then awarded by Mr. Makey to Thelma Gasser and Cornelia Bade for their debate work. The other members of this year's debate teams, Gertrude Schuelke, Elsbeth Crane, Ruth Eickmeyer, Dorothy Emrick, and Louise Platt were given emeralds which had been set in the pins they received last year.

The rest of the program consisted of a discussion of the World Court and the League of Nations by Mr. Makey, and parliamentary drill conducted by Mildred McCune.

#### Cooking Classes Have Party

Cooking classes of McMinnville (Oregon) high school enjoyed a party recently as a reward for their excellent work.

### Kendallville Coach Travels Here Again

Coach Guyman

Coach Guyman, of Kendallville, can always be depended upon to produce a good team. This year will be the third time in four years that his quintet has been in the Fort Wayne regional. Two years ago, his team lost by only one point to Muncie, a team that went far in the state meet.

### Former South Sider Wins Fame in Omaha

Frederick Peirce, a former South Side student, has won a wide recognition at the North High School, Omaha, Neb. The following is an article taken from the "North Star," the publication of North high school: "Students of North, meet Frederick Peirce (P-e-i-r-c-e, rather unusual way of spelling a name, isn't it?) He not only has an unusual way of spelling his name, but he is also an unusual boy. Since coming to North last September from South Side High School, Fort Wayne, Ind., he has become one of the most active members of the student body. He is president of no less than three organizations. They are: the Junior Class, the Masque and Dagger club, and one of the North Chapters of the Hi-Y.

"These are by no means all the organizations that he belongs to, for he is a member of the Student Council, the Speaker's Bureau, the B. S. O., and he is on the annual staff, and won in the oratorical division of the declamatory contest.

"While at Fort Wayne, he was president of the Junior Hi-Y, played in the orchestra, and worked on the school paper.

"When asked how he liked North, he replied, 'I think that North is certainly a fine school, and has a good chance of becoming the best school in Omaha. I am glad that I can have a chance to help make it so.'"

#### Form Wrestling Class

The boys of Sheboygan (Wis.) high school have formed a wrestling class. It is under the direction of an athletic director.

## Tigers Rip Way To Regional Meet

CENTRAL HIGH SCHOOL TEAM

—Courtesy News-Sentinel.

Displaying teeth and claws, the Tigers from Central High School, Fort Wayne, slashed their way to victory in the local sectional tournament last Saturday. After playing ragged ball in their first two games, they came back against South Side and Harlan and played true championship ball. The game at 11 o'clock Saturday morning will show who will be crowned by tournament fire. The Tigers are, from left to right: Troyer, Jasper, Morrill, Stiegler, Ramsey, Marshall, Bayer, Captain Diehl, Baker, Scott.

### STREETS OF BLUFFTON SHOW TEAM'S SUPPORT

Downtown Thoroughfares and Stores Display School Colors; Novel Exhibits

That holding a district tournament in their home town is a gala event of the year, is the opinion that is implied when one sees a place such as Bluffton the day after their team had captured the honors in the sectional tournament.

Throughout the entire business section, stores and streets were arrayed in all colors, especially crimson and black, which are the colors of Bluffton high school. On every block flags were waving at regular intervals.

In Linn & Saucer's furniture store eight floor lamps were displayed. Each lamp represented one of the teams which entered the tourney at Bluffton, for on each base was fastened a mounted picture of one of the squads. On the floor was a card which had this inscription:

"The lamp that burns the longest, stands for the team that is the strongest."

Needless to say, since the Bluffton Tigers won, their lamp was still lighted at 4 o'clock the next afternoon after their victory.

The McFarren Clothing company, which sponsored the home team in the tournament, had their entire display space decorated in honor of the meet. One side had "The Brick," the trophy of Wells county, displayed on a purple pillow around which were cards of congratulations and mounted pictures of the winning teams. In the other window was a radio from which four wires were strung across the full length of the window. On these wires the scores of the games were "broadcasted" by hanging on them the names of the teams and their respective scores.

Besides these two outstanding displays numerous other business houses had devoted almost their entire displays to welcoming visiting teams and spurring their own team on to victory.

### High Schools Keep Brick In Circulation

Wells County Teams Strive to Hold Trophy Presented by Bluffton Newspaper.

Ruth Eickmeyer, Special Correspondent to Bluffton. With a marble brick, symbolic of basketball victory, circulating among Wells county high schools, much interest is aroused during the basketball season.

"The Brick" is a trophy, presented by the Banner, the evening newspaper of Bluffton, Indiana, and is handed over to any team of Wells county when the current possessor is defeated either during the regular basketball season or in the county tournament. Bluffton started the brick into circulation but lost it to Lancaster Center last year during the county tournament.

This year the tourney started with the brick in Bluffton's possession again and since she has won her district honors, the brick was not lost. "Not so much because of its intrinsic value, but because of the honor it implies, the brick is coveted above all other trophies in the county," is the statement of the Banner in speaking of the brick.

Lancaster, winner of their district tourney last year, Rockcreek, and Bluffton have had the brick in their possession. Besides this victory brick, several other coveted trophies are circulating in the same county. The second teams have a pint milk bottle filled with plaster-paris for their trophy. This is used with the idea that if these men drink more milk they will make the first team next year. The girls also have their honors to seek. They keep a rolling pin in circulation. A brown jug is used by the junior boys.

#### Contest Held

A flag creed contest is being held by the Sand Springs (Okla.) high school. The winner will receive a trip to the Rocky Mountains and the second prize is a trip to the Ozarks.

### "RELIGION" IS TOPIC FOR FORUM MEETING

Miss Florence Taylor, of Y. W. C. A., To Lead Discussion Sunday; Page Robinson, Central, Chairman

"Is Our Religion Worth Exporting?" is the topic which will be discussed at Forum next Sunday afternoon, March 14, at the Y. W. C. A. The discussion should prove very interesting under the leadership of Miss Florence Taylor, Secretary of Religious Education of the Y. W. C. A. Page Robinson, of Central, will be the chairman.

A new scheme of dividing the students into groups was tried last Sunday with success. It afforded a better opportunity for each one to have some part in the discussion.

Mr. Brunson led the subject on "What Makes a Happy Home?" Nell Gunn, of Central, presided during the meeting.

### GIRL REPORTER SCOURS TOWN FOR NEWS, PHOTO

Edith Kyler Explores LaGrange, Interviewing All Possible News Sources for Times Stories

"I'd be glad to go back to LaGrange tomorrow," said Edith Kyler when she returned from there after getting the done on the LaGrange sectional. "Every one was courteous and willing to help me all he could," continued Edith.

Arriving in a strange town even if it is a small one, gives a person a lost feeling, especially if she is a high school student on her first trip as correspondent.

Her reception in LaGrange was exceptionally cool. She was met by a biting, stinging gust of wind and snow as she left the train.

The intense cold forced her to enter the railroad station. By talking to the ticket agent, who called one of the high school students, Edith was able to find out who the coach was and where he lived, who the newspaper editors were and where to find them.

With this knowledge Edith braved the fierce elements and walked several squares to the coach's home.

"The coach was anxious to do all in his power to give me the dope on his team and to help me secure a picture," Edith said when telling of her experience in LaGrange.

The season's schedule and record were in the gymnasium but no one seemed to have enough keys to get in the building and then into the gymnasium, so it was necessary to climb up into a window and jump about five feet into the gymnasium.

After getting the season's record, the next thing was to get hold of a picture of the team. After a trip to the photographer's and to a general store the picture was obtained and the players were identified.

Then Edith ruthlessly took the editor away from his Sunday dinner to interview him about the team and the town.

LaGrange, a town of probably 1800, has about 150 enrolled in high school. About one-half of the students are boys. Of these twenty-two answered the call for basketball men last fall.

It was possible for LaGrange to have the tournament this year because they have a fine new combination gymnasium and auditorium that seats between 800 and 1,000 people.

The new gymnasium is well equipped with locker and shower rooms, and has a playing floor 70x40 feet.

LaGrange is not well known in local basketball circles although she has made a name for herself in and near LaGrange county.

The editor of the newspaper and the coach of the team were unwilling to make any statements about the team, so it is possible that this team may prove to be the dark horse of the tournament.

After extracting from the editor as much news as was possible, Edith looked the town over, at the same time hunting for some place to eat. After partaking of a chicken dinner, Edith returned to the station and took the 3 o'clock car home, arriving here about ten hours after she left.

## SYRACUSE RECORD IS UNBLEMISHED THROUGHOUT YEAR

**Upstaters Have Four Men on All-Sectional Team; Fifth Player Given Honorable Mention**

### MEETS LAGRANGE FIRST

Lost Sectional Title Last Year to Milford by One Point In Overtime Contest

Harry Wedler, Special Correspondent to Syracuse

One of the strongest teams entered in the regional this year is the mighty quintet from Syracuse. This bunch of basketballers has an excellent record for the past season not losing a single game throughout the regular playing period. They have met such teams as Milford, Warsaw, and Wawaka, and have always come out of the fray on top.

The team is coached by Mr. Salbaugh, who has been coaching at this school for the last eight years. He formerly coached at Cromwell, where he had several good seasons.

Always putting up a fight in their tournaments, the Syracuse five generally goes to the final round of play. Last year they went to the finals and lost an overtime game 17 to 16 to Milford.

Milford can be remembered as the dark horse in the Fort Wayne regional last year and it was the team which upset the Central Tigers' aspirations for the state finals, going there itself. So it looks as if the LAGRANGE team is in for a tough battle.

The team itself is one of the most well-balanced fives in their section. They average about one hundred forty-five pounds and are adept at handling the ball. Having no gymnasium in which to play, they practice passing in an empty storeroom. There were four men on the coveted all-sectional team. Shoch, floor guard, was adjudged the most valuable player in the tournament to his team. Snelvel, back-guard, was another Syracuse man to be picked for the district team. He is a big man and is a stone-wall on defense.

Auer, forward, was also chosen for the district team. He is a fast floor-dribbler and is a tricky dribbler. Riddle, Coach Salbaugh's husky pivot man, played good enough basketball to get the center position on the all-district crew.

Syracuse has no other sports except basketball and therefore devotes its entire time to the net game. There are three seniors on the squad this year and they, especially, will do their utmost to win their way to Indianapolis.

## SPEEDY TYPISTS MERIT AWARDS FOR FEBRUARY

No Royal Writers Successful; Three Students Qualify In Two Tests On Different Machines

Twenty-six students in the South Side commercial department qualified for certificates and pins, according to the tests given for February. These accuracy and speed tests were written on the Underwood, Remington, and L. C. Smith machines. No one earned a Royal award for this month.

Two students, Martha Grote and Florence Clements, succeeded in winning two certificates apiece, and Edna Dean merited both a Remington silver pin and an L. C. certificate. The complete list of successful writers and their rate of speed is as follows:

Underwood Certificate:

## Unbeaten Basketeers From Syracuse

SYRACUSE BASKETBALL TEAM

The dark horse of the tournament, Syracuse, will be represented by these men in their first game at 2:30 today. They are, standing from left to right: C. Salbaugh (Coach), Auer, Riddle, Snavely, Schock; sitting, Crow, Hoelcher, Connolly, and Bachman.

## SYRACUSE ONLY TEAM THAT HAS NO FLOOR

Large Number of Fans Expected to Come to Regional; One of Teams to Occupy Dark-Horse Stable

Harry Wedler, Special Correspondent to Syracuse

From a little town of less than 1300, a team will enter the tournament as one of the best. As was the case of three teams in the sectional here, this team has not had a gym to practice in this year.

The team which has all these disadvantages has not lost a game throughout the regular playing season. They will come into the tournament, not only feared by all of its opponents, but also, with an eye for the state championship. This quintet is from Syracuse.

They practice twice a week, five miles distant from the town. There are about seventy-five pupils in the consolidated high school with an enrollment of thirty-five boys. By playing all their games on foreign floors, the followers of the team have traveled far and wide to root for their favorites. They expect to bring one of the largest delegations of fans that will come to the regional.

They have been arguing for the last few years for a new gymnasium, but there are evidently no hopes. They have been passing the ball a lot in an empty storeroom but cannot play as the ceiling is too low. The Syracuse five has waded through all sectional contenders with little opposition and hope to go to the state finals.

## PHILOS MAKING PLANS FOR IRISH-DAY BANQUET

Mrs. Miller's New Tea Rooms To Be Scene of the St. Patrick's Entertainment

The program committee of the Philanthropic Literary society is making arrangements for the annual Philo St. Patrick's banquet which will be given at Mrs. Miller's new tea rooms on the evening of March 17.

The banquet will be different from the ones which were held in the school cafeteria in former years. Mrs. Miller will serve a three-course chicken dinner which will be carried out in Irish fashion. Members of the club are urged to pay their dues immediately in order that they might attend the banquet. Reservations may be made with Miss Demaree in Room 68.

At the last meeting, which was held on Monday, March 8, the Philos were honored a great deal by having as their entertainers little Miss Evelyn Swartz and Mrs. Robert Swartz. Miss Swartz, who is a student of elocution at the European School of Music, gave several very interesting and humorous readings. Mrs. Swartz entertained with two piano solos.

## To Win Games and Make Men

Athletics at their best help against one of the worst dangers in American life—the belief that successful life can be easy. Life in the American college is made too easy for and by too many men. The chief thing which such men get in college is the habit of idleness. Such men are on the swift way to failure, perhaps to worse.

The athlete at his best learns something different. Not comfortable ease. Not idleness. Not self-indulgence. Not jaunty contempt for all authority. These never win any game. Instead, these: obedience, self-denial, clean life, team play and always the inner cry, I must, I must, I MUST and I CAN. These at their best win games and make men.

—WILLIAM LOWE BRYAN,  
President Indiana University.

## The Fan's Creed

Believing as I do, in a high standard of sportsmanship, for Fort Wayne's regional tournament.

I will acquaint myself with all the players;  
I will be a booster—and not a knocker;  
I will insist on fair play, honest dealings, clean athletics, and real sportsmanship;  
I will abstain from making any noises whatsoever while an opponent is in the act of making a free throw;  
I will never heckle an official nor "crab" about his decisions;  
I will be courteous to visitors, visiting teams and officials;  
I will be a sportsman and not a "sport."  
"For when the One Great Scorer comes, to write against our name, He writes not that we won or lost—but how we played the game."

## Parents of B. Roshor Acknowledge Flowers

Dear Mr. Harris:  
One of the many flower offerings we received recently at the time of the death of our only child, our dear Beatrice, had a card marked "Sympathy—Classmates South Side High."

Not knowing to whom to acknowledge receipt, I am taking the liberty of writing you and asking you to kindly express our appreciation to Beatrice's classmates for their sympathy shown.

Sincerely yours,  
Mr. and Mrs. Harry E. Roshor.

## The Player's Creed

I believe that athletics, rightly conducted, develop organic vigor, physical fitness, intellectual efficiency, moral qualities, and social habits. Therefore, that I may gain these advantages for myself, and uphold the honors of my school,  
I will conduct myself at all times, so that I shall be a credit and not a handicap to my school;  
I will obey all training rules faithfully;  
I will play the game to the end with all my mind, strength, and courage;  
I will play to win—to win with honor and the knowledge that my opponent has had a square deal;  
I will be a gentleman at all times—winning or losing.  
When the game is on and your friends about,  
And you could put your rival out By a trick that's mean, but wouldn't be seen,  
COME CLEAN, my lads, COME CLEAN!

**Get Special Credit**  
Students of Piedmont (Cal.) high school who take music in school and also take music lessons outside of school, are to be given special credit.

**Study Interior Decorating**  
The students of the advanced sewing classes of the Enid (Okla.) high school have taken up interior decorating.

**Salesmanship Class Started**  
Students of the Enid (Okla.) high school have started a salesmanship class. Advertising is now being started.

## Question as to Whether Home Hardwood Is Advantage For Home Team is Discussed

Most of the Coaches Agree That Players' Own Court Is Worth a Few Points.

One of the most discussed questions in basketball is the advantage of the home floor. Most coaches claim the visiting team is spotting the foe from eight to ten points. Results seem to bear out the assertion to a great extent.

The first year South Side had a team that lost all of their road games. Practically all of Central's defeats this season were on foreign floors.

The floor question, while still a big item, is not so important as it was a few years ago. In those days there were no two courts alike. Some were of the band box type with low ceilings; others had pillars along the side lines, balcony supports, or overhead braces. Lighting systems also varied.

Today most of the larger schools have regulation courts, and almost identical backboards and baskets. Better lighting systems are in vogue. Still there's enough difference. In old days many teams that never won a game away from home were practically unbeatable on their home floor, as they were used to its peculiarities. Now teams are often beaten on their home court.

## Three Are Attending National Press Meet

Three South Siders will be far away today from the hubbub of the regional tournament—about 1,500 miles away, in fact.

These three are Miss Harvey, director of publications, Ruth Eickmeyer, managing editor of the Times, and Edith Kyler, business manager of the weekly. All have gone to attend the second annual convention of the Columbia Scholastic Press association which is being held at Columbia University, New York City.

Meetings began Friday morning and will continue until the middle of Saturday afternoon. Trips through New York, a varsity show, and a banquet will relieve the sessions of lectures and conferences.

Announcement of the prize winning paper will be made at 1 o'clock Saturday afternoon. Papers from every state in the Union are entered.

**Have Indian Exhibition**  
An Indian exhibit was given by the students of Fremont (Neb.) high school. The exhibit proved to be very interesting. Indian moccasins, hammocks, tomahawks, rugs, and beaded bags were shown.

**Studying Temperatures**  
The First Aid club of Morton high school, Richmond, Indiana, has been studying the temperature of the body.

## COLUMBIA CITY TEAM COMPOSED OF REAL ATHLETES

All But One Are Two-Sport  
Men; One Is Track Star:  
All But One Played  
Football

### WINS EIGHTEEN GAMES

Quintet Has Piled Up 607 Points  
During Season to Their  
Opponents' 481

Frank Robertson, Special Correspondent to  
Kendallville

The Columbia City high school trossers, having held the Coesse squad without a field goal in the Columbia City sectional finals, will enter a strong team in the regional tourney here Saturday. It has a light but speedy team, with an average of not over 130 pounds to a man.

Although hindered by sickness throughout the season, they have annexed 607 points to their opponents' total of 481 points. Coached by Rollo Chambers, a graduate of Indiana and Cincinnati Universities, they have rounded out a successful season, winning eighteen out of twenty-three games.

Columbia City will be remembered by this playing in the overtime game of the sectional finals two years ago, which South Side won. They are determined to be one of the teams to win through the regional and go to the state finals.

Most of the squad are stars in other sports. Cummins, the 115-pound back guard, has an enviable record, holding the district record in the high and broad jumps and the quarter-back position on the football varsity. All but one are football men.

Season's Record  
The scores of the games in the regular schedule are:

Columbia City	23	Wash. Center	20
Columbia City	32	Warsaw	16
Columbia City	35	Albion	18
Columbia City	33	Wolf Lake	18
Columbia City	33	Kendallville	24
Columbia City	23	Huntington	43
Columbia City	39	Decatur	18
Columbia City	26	Plymouth	41
Columbia City	50	Churubusco	12
Columbia City	43	S. Whitley	23
Columbia City	63	Wolf Lake	15
Columbia City	39	Wash. Center	41
Columbia City	24	N. Manchester	32
Columbia City	39	Warsaw	20
Columbia City	22	Auburn	31
Columbia City	39	Decatur	31
Columbia City	44	Ligonier	34

County Tournament  
The results of the county tournament are as follows:

Columbia City	29	Coesse	25
Columbia City	38	Larwill	14
Columbia City	31	S. Whitley	27

Sectional Tournament  
The following are the scores of the sectional tournament:

Columbia City	49	Churubusco	8
Columbia City	28	Wash. Center	21
Columbia City	39	Coesse	4

### "Bluffton Good Town" Is Reporters' Verdict

Ruth Eickmeyer, Times Correspondent, Changes Opinion Regarding Small Town.

Although Bluffton may not occupy a high position in some of our minds, it is not a place to be laughed at. After spending several hours interviewing the principal and a few other men, one of our struggling journalists has an altogether different conception of this town, which won its sectional tourney last week.

Dean McAfee, who was already acquainted with the town, and Ruth Eickmeyer, arrived in Bluffton shortly after noon last Sunday while the victors were busily engaged with their Sunday dinners and were not on the streets to stare at Deane and Ruth as they sauntered along the streets, gazing at all the decorations which proved that the place must have been "red-hot" for the tournament.

The girls walked about six blocks in the cold to a house where the principal of the high school was supposed to live, according to the answer given when inquiries were made. But after battling against wind and snow they arrived at the place only to learn that he had moved but the present occupant of the house did not know where to.

When the principal, Mr. John French, was finally located in his new home, Deane and Ruth received a warm reception after the cool reception the weather had afforded. They then learned to know all about the town. A few of the statistics are interesting. Bluffton has a population of about 6,000. There are 412 enrolled in the high school there of which 190 are boys.

Through the entire basketball season, Bluffton high had four teams; and, at the end of the season, 30 boys were out for basketball.

In order that Bluffton might hold their district tourney, the Elks and the Psi Iota Xi sorority willingly donated enough money to build an addition to the gymnasium.

Having thus become further acquainted with the town, the girls set out to see the town for themselves. They had anticipated before they left Fort Wayne to go to a little delicatessen which Deane had learned was the only place open except churches on Sunday. But to their surprise the place was torn down and only a heap of wood remained.

"We were just about frost!" said Deane, and Ruth concluded, "And we wanted some hot chocolate so badly." But the two were not entirely disappointed after all when Deane spied a candy shop which looked very inviting. Naturally the girls hurried in, sat down by the stove, and ordered two hot chocolates—"real hot."

"After we had soaked up a lot of heat and consumed the chocolate and wafers we walked out and saw an interurban headed for home. It looked so good we just hopped on and came to Fort Wayne.

## Columbia City Cagers Cop Crown

NET MEN OF COLUMBIA CITY HIGH SCHOOL

The picture shown above is that of the Columbia City high school netmen. They won their way to the regional by defeating the Coesse team, conquerors of South Whitley. Although hindered by sickness and injuries throughout the season, Columbia City has finished one of their hardest schedules in good form. Columbia City will begin its first game at 3:30, when it meets the Angola tossers, winners of the Auburn meet.

Those in the picture are: Top row, left to right—Gail Tracey, John Gallivan, Robert Anderson, R. P. Chambers, coach; Lee Dare, manager; Tom Johnston, John Trembley, Seth Cummins. Bottom row—John Washburn, Harold Hay, James Oman, captain; Jack Hancock, Lowell Grant, Carl Killian.

### CUB REPORTER FINDS EXPERIENCES UNIQUE

Bob Thompson Makes Trip to Columbia City in Quest of Tournament News

The experiences of a newspaper correspondent are engaging enough in one's own town, but when he is required to jump on a train and ride to an unfamiliar town in search of news, the experience is interesting to one who is uninitiated.

When asked about his trip to Columbia City for tournament dope, Bob Thompson said that he found his journey a novel one. Leaving Fort Wayne on the noon train, he arrived at Columbia City about 1 o'clock. He walked through the wind and snow to what he knew was the center of town on Sunday, the soda fountain, and he there inquired where the principal lived.

After he had been directed to the third yellow house on Van Buren, the square house opposite the garage, and the red brick house around the corner from the bakery in search of the principal, he remembered that a friend he had in the town was manager of the team. With but a shady idea of the location of the friend's house, he set out in search of this bit of aid. He luckily found the house and was given help in the quest for Principal Sweigert.

Bob found Coach Chambers visiting Mr. Sweigert, who promptly welcomed him and gave him all the necessary information. Bob found that everyone seemed willing to help and to answer questions, of which he had plenty.

After the interview with Coach Chambers, he spent the remaining time with some of the players in the drug store. Then followed an uneventful ride home, after which he went out to South Side to write his story.

The total time in the making of the Columbia City story was about eight hours.

### Oscar Rippe Coaches Bluffton To Victory

Oscar Rippe

Coach Rippe is one of the sixty-four out of over 700 mentors whose team has survived the first series of games for the state title. He comes here with his ten Tigers this week-end with hopes of gaining further victories in the regional meet.

### EFFICIENCY PLUS

The above picture has a history.

When a Times correspondent visited Columbia City Sunday, no picture of the team had been taken, but the principal of the high school promised results.

Results were forthcoming. The picture was taken Monday morning, was sent by a boy via bus Tuesday morning, and was rushed through by the engraving company.

And here it is.

### COLUMBIA CITY HOPES TO SURVIVE REGIONAL

Success of Whitley County Team in  
Sectional Makes Fans Aspire  
for Higher Honors

"Columbia City Team is Basketball Champions."

Such is the headline that the Columbia City fans can already visualize in the leading newspapers of the state. Indiana is known for its basketball craze, but Columbia City is one of the towns that is hit the hardest. Everyone is rooting for the team and backing it to the last inch.

Even though the team has been handicapped in almost every game by sickness, the fans have helped pull the team through a successful season. Much credit goes to Coach Chambers for he has picked a winning team out of 160 boys.

With the acquisition of the new state type gym, and considering this year's success, the prospects for a winning team next year are big. The team from Columbia City will probably be watched for in Fort Wayne sport circles next season, as it appears on the schedules of both South Side and North Side.

### COACH GUYMAN ENTERS TEN MEN IN REGIONAL

Much Difficulty Faced in Selecting  
Ten Out of the Eighteen  
Candidates

Coach Guyman of Kendallville has chosen ten men who will possibly be entered in the regional meet. Guyman states that his selection is subject to change before the first game if it is necessary. In making his selection, he has chosen five forwards, three guards and two centers.

The selection finally determined is as follows: Prentice, forward; Schriber, forward; McCally, forward; Schmenk, forward; Teders, forward; Heign, center; Lybarger, center; Barnes, guard; Libey, guard; and Becker, guard.

### Rival Back Guards Have Good Records

Cummins of Columbia City  
and Douglass of Angola  
Furnish Contrast.

"The bigger they are, the harder they fall" will be the motto of Seth Cummins, 115-pound backguard of the Columbia City team, when he meets Douglass of Angola, 250-pound backguard in Columbia's first game at the Fort Wayne regional. These two represent the extremes in backguards at the regional.

This is Seth's second year with Coach Chamber's men. He has made a good name in Whitley county sport circles, having starred on both the track and gridiron.

"The harder they're hit, the harder they fall" is probably Douglass' response to Cummins' motto. Douglass showed up exceptionally well in his defense against Auburn, runners-up of the Auburn sectional. Douglass also stars in other sports, as he holds down first base on the baseball team and heaves the shot on the track squad.

Although Douglass and Cummins will probably never personally clash on the basketball court because of their positions, keen rivalry is expected in their playing when Angola meets Columbia City.

## The Popular Dress at Eton

Eton is one of the famous aristocratic prep schools of England.

Eton men have always been known for their stylish clothes.

One of their favorite styles is the blue double breasted jacket worn with grey or tan flannel trousers.

American college and high school fellows will soon fall in line with this favorite style.

Our College Shop has made up an attractive combination of a four-piece suit; coat, vest and trousers of blue worsted and Eton flannel trousers of either gray or tan.

You will want to wear the light trousers for school and sport—the blue for evening and more formal occasions.

Especially priced at Patterson-Fletcher College Shop, 4-piece Eton double breasted suit.

\$27.50 and \$37.50

## PATTERSON-FLETCHER Co.

The Store That Does Things

## ANGOLA SPRINGS SURPRISE TO WIN AUBURN TOURNEY

Downs Auburn in Final  
Game; Has Hard Time  
Eliminating Strong  
Fremont Team

### TEAM GREATLY IMPROVED

Had Long Losing Streak Earlier  
In Season; Won Eight of  
Twenty Games

Willie Klein, Special Correspondent to Angola  
Pauline Baumgartner

By virtue of their 29 to 19 defeat of Auburn in the finals of the Auburn tournament, Angola looms as the dark horse of the Fort Wayne regional. Worn out by a terrific battle with Garrett in one of the semi-final games, the Auburn team was no match for the clever passing and defensive game of the Angola cagers. Angola took a commanding lead during the first half, the score at the rest period being 17 to 7.

In the second half each team scored ten points, and the final gun found Angola ahead 29 to 19.

To Dayhoff, with six field goals to his credit, go the scoring honors of the victorious invasion of Auburn territory. Grimes and German, who scored seven and six points respectively, also deserve much credit for their contribution toward victory. Douglass was a tower of strength on defense, seldom allowing the Auburn sharpshooters an open shot at the basket.

For Auburn, Snyder, with five points, was the outstanding star. Funk, Walter, Sprott, and Crutcher, each scored once from the field, and Hodelmeier and Walter added two points each from the free throw line.

Considered a dark horse throughout the tourney, the defeat which Angola handed Auburn was not altogether a surprise. Entering an inexperienced team, which, with the exception of Douglass, is exceptionally light, the Angola quintet was an unknown quantity, but quickly proved their mettle by disposing of Fremont, Spencer, and Pleasant Lake, in the elimination rounds of the tourney.

Lineups and summary of the final game:

Angola (29)	Auburn (19)
Dayhoff	F
Grimes	F
Cramer	C
German	G
Douglass	G
Substitutions: Baker for Hodelmeier, Crutcher for Sprott, Field goals—Dayhoff 6, Grimes 3, German 2, Cramer 1, Snyder 1, Free throws—Grimes 2, German 2, Walter 2, Snyder 2, Hodelmeier 2, Walter 2, Funk 1. Referee—Heller. Umpire—Stephenson.	

**Win Semi-Final**  
Although playing listless ball in the first half, and trailing 10 to 7, Angola came back strong in the second half, and by scoring nineteen points, and holding Pleasant Lake scoreless, emerged victor by the top-heavy score of 26 to 10.

Grimes, diminutive forward, led the scoring attack with seven double markers from the field. Dayhoff, Douglass, and German accounted for twelve points among them to complete the scoring.

Lineups and summary:

Angola (26)	Pleasant Lake (10)
Dayhoff	F
Grimes	F
Cramer	C
German	G
Douglass	G
Substitutions: Walter for Dayhoff, West for German, Sanders for Cramer, DeLong for Van Auker. Field goals: Ransburg 2, Huffman, DeLong, Dayhoff, Grimes 7, German, Douglass 2. Free throws: Huffman, DeLong, Dayhoff 3, German. Referee—Stephenson.	

**Second Round**  
Without exerting themselves to any great extent the Angola quintet defeated the Spencerville five 21 to 12. Angola was never threatened and was leading at the half-way mark, 12 to 3. Waller scored six times from the field to lead Angola's attack, while Beans with six points looked best for Spencerville.

Lineups and summary:

Angola (21)	Spencerville (12)
Waller	F
Dayhoff	F
Cramer	C
German	G
Douglass	G
Substitutions: Hollibough for Bon-sir, Wert for Dayhoff, Grimes for Cramer, Sanders for Douglass. Field goals: Beans 2, Bon-sir, Waller 6, West 2, Dayhoff. Free throws: Beans 2, Wilmont, Hollibough, Bon-sir, Rhoades, West, Dayhoff, Douglass.	

**First Game Hardest**  
Probably the greatest test of the caliber of Angola's fighting fire, was the first round game with Fremont. Although defeated by Fremont twice during the regular season, once 38 to 30, and 36 to 34 the second time, Angola was undaunted, and after being on the short end of a 12 to 6 score at the half, let loose a barrage of shots at the basket, which was good for fifteen points. Three points on free throws were all that Fremont could score in the second period. Cramer, German, and Dayhoff with ten, five, and four points, respectively, bore the brunt of the scoring attack, and Douglass balked the Fremont basketesters in many of their attempts to score.

Dutton, with five points, and Sidel and Bailey with four points each, carried off the scoring honors for Fremont.

Lineups and summary:

Angola (21)	Fremont (15)
Dayhoff	F
Grimes	F
Cramer	C
German	G
Douglass	G
Substitutions: Waller for Dayhoff, West for Grimes, Dalley for Sidel. Field goals: Dayhoff 2, Grimes, Cramer 4, German 2, Button 2, Sidel	

## Dark Horse Comes From Angola

—Courtesy Journal-Gazette.

### ANGOLA HIGH SCHOOL CAGERS

Angola proved to be the dusky equines at the Auburn tourney, coming through with a victory over Auburn despite the fact that the team is composed of new material. The team showed much improvement during the last few weeks of playing. Those pictured in the top and bottom row in the picture above are members of the reserve team. The varsity squad is in the second and third rows. The team is as follows: Third row, left to right: Coach McClure, Dayhoff, Wilder, Douglas, Clark, Lowther; second row, Buck, Grimes, Herman, Cramer, Waller and Sanders. Douglass, the stellar back guard for Angola, weighs over 250 pounds and has been one of the mainstays of the team this season.

2, Bailey. Free throws: Cramer 2, German, Button, Dunnavan 2, Bailey 2.

#### Hold County Title

In addition to being district champions, Angola also possesses the championship for their county. In the first game Angola defeated Pleasant Lake, 25 to 10, and in the second had little trouble disposing of Orland, 35 to 10. The final game proved to be a real battle, Angola defeating Fremont 24 to 18.

#### Mostly Underclassmen on Team

Three of the team are juniors, two are sophomores, and three are seniors. Grimes, the star forward of the team, is a sophomore. He is sixteen years old, and is the highest man on the team. He weighs 130 pounds. In addition to being high point man for the regular season and the county tournament, he shares the high scoring honors of the sectional with a total twenty-three points in the four games. Grimes is also a star pitcher on the baseball team.

West, a guard, is the youngest member of the team. He is 15 years old. He weighs 140 pounds. He is a sophomore. Dayhoff suffered a wrenched knee in the early part of the season, but this did not affect his playing in the tournament, as he tied with Grimes for high-point man, scoring twenty-three points. He also stars at baseball, holding down the first base position.

Cramer, acting captain of the squad, is a junior, and weighs about 170 pounds. He holds down the pivot position on the basketball team, and holds the district record in the high jump. He has another year on the team, being a junior at the present time.

German and Dayhoff are both juniors, and both are 17 years old. German holds down a guard position on the basketball team, and plays outfield on the baseball team. Douglass is the hefty backguard, and weighs 250 pounds. He probably is the heaviest backguard in the state. The forwards on opposing teams have found him almost impossible to pass, and have been forced to take long shots at the basket. He specializes in weight throwing during the track season.

Sanders and Waller are each 17 years old, and both are seniors. Sanders weighs 135 pounds and Waller 150 pounds. Sanders holds down the shortstop berth on the baseball team, and Waller plays in the outfield.

#### Good Record for Season

During the regular season Angola had a losing streak of seven games, but managed to win eight out of the regular twenty-game schedule. They scored 524 points in the regular season and county tournament games, and 97 points in the sectional for a total of 621 points to their opponents' 650. Their season's record is as follows:

Season's Record			
Angola	23	Ashley	14

Coach McClure  
Coach J. McClure, or "Mac," as he is called, is a graduate of Vernon high school, Vernon, Indiana. He attended Indiana University for three and a half years. While there, he played on the freshman basketball team, and on the tennis team. He coached one year at Garrett, and has coached at Angola for the last five years.

## Tears for the Dumb

"A minute to go," the crowd said so;  
But he stirred not from his place.  
What did he care? He could stand there  
Till whiskers grew on his face.

He held the sphere just west of an ear,  
That bloomed on the side of his head.  
A minute to go; he refused to throw;  
Held his ground did our hero Ned.

The fans were groaning; it turned to moaning  
But he replied with only a grunt.  
He juggled the pill to give 'em a thrill,  
For his team was three points in front.

They could sit and weep for a day or week;  
Let 'em sob or even scream.  
Such tears couldn't win sympathy from him—  
He was guard on the other team.

—Swan in Princeton Clarion-News.

## 'WILLIE' GETS 'CHILLIE' MAKING TRIP TO ANGOLA

But Intrepid Times Reporter Gets His  
Assignment Through Kindly  
Co-operation

"Oh! for the life of a reporter!" said Willie Klein upon his return from Angola where he had journeyed to get the dope on the Angola high school cagers, winners of the Auburn sectional.

"The forty odd miles to Angola in the bus seemed like forty miles in a Swift & Company refrigerator car," he continued. "After thawing out in the nearest delicatessen, I inquired the way to the coach's home. No one seemed to know how to get there, but they all agreed that it was quite a ways out of town, so I called a taxi. The driver did not know the exact location of the residence but undertook to find it. This he did very satisfactorily, and 2 o'clock found me at Coach McClure's home.

"From 2 to 4 o'clock I worked on the score book which 'Mac' kindly furnished me. All the persons of whom I sought aid gave it willingly, and I received none but the most courteous of treatment. I arrived at the delicatessen store about five minutes before the bus was due to arrive. "Coming back the bus was like two refrigerators cars, and, due to a half hour holdup at Garrett, when we waited for a freight train to pass, the bus arrived in Fort Wayne about an hour late. After going through the process of thawing out again, I went to school, where I started to write my story. The whole trip took about nine hours.

#### Start Electricity Class

An electricity class has been started at the Hilliard high school, Spokane, Washington. A number of students have enrolled.

## A. Wehrle Radiograms Gable From Mid-Ocean

George Gable received a radiogram last week from Andre Wehrle, a February graduate of South Side, who sailed for France to take up the study of the pipe-organ. The message, which was sent from the middle of the Atlantic Ocean, states that everything is fine and that he hopes to land soon.

## BASKETBALL STRIKES ANGOLA ROOTERS HARD

Every Symptom Shown Following  
Sectional Victory; Only Ninety  
Boys In School

Angola is basketball wild! Doped as the dark horse of the Auburn sectional, and allowed only an outside chance to win, the plucky Angola quintet refused to be beaten, and finally emerged victorious in a thrilling game with Auburn.

The belief that a small high school has a better chance to turn out a good basketball team was clearly demonstrated in this case. With total population of 2,600 and with but 200 pupils attending high school, 90 of whom are boys, Angola, under the guidance of Coach McClure, has produced a great team out of green material.

Of the ten boys certified for the tournament, only three had been on the team last year, and then only as substitutes. Three of the team are sophomores, three are seniors, and two are juniors. This leaves Coach McClure with five veterans upon which to build next year's team.

According to all indications, at least two or three hundred fans will accompany the team when they come to Fort Wayne. When the team trots out on the floor to battle Columbia City at 3:30 Saturday, these rooters will be there to urge their team to victory.

The Angola high school gymnasium has a seating capacity of about 11,800 and was built in 1922. The playing floor is almost the same size as the South Side floor, which is 45 by 84 feet.

All this year Angola has been followed by a jinx in the form of sickness and wrenched knees and various other sorts of injuries. Scarcely a week-end arrived that did not find one or more of the star players on the sick and injured list. All had sufficiently recovered to cover themselves with glory in the sectional tournament.

The majority of the players are light-weights with the exception of Douglass, husky backguard, who tips the beams at 250 pounds. He claims the distinction of being the heaviest backguard in the state. This great weight in the defensive department of the game is offset by the lightness of the scoring combination. Grimes, who was the leading scorer for the regular season and both county and district tournaments, weighs but 130 pounds. Sanders weighs 135 pounds and the rest of the team average from 140 to 170 pounds.

Angola does not boast of a football team, but most of the men on the basketball squad are proficient in both track and baseball.

## LET US TELL YOU THIS--

It takes more than a good playing basketball, football, or baseball team to win games consistently--You must have the School Spirit behind the physical efforts of the players--the moral support of the student body wholeheartedly given is the stimulant to increased efforts, from your teams, that wins games.

No war has ever been won by an army that did not have the moral support of the nation or country which the army represented.

## SHOW YOUR TEAMS YOU ARE BEHIND THEM!!

Give them your enthusiastic support--let the school spirit be so pronounced that your antagonists are overwhelmed by the moral support behind your players.

## THIS GREAT NEWSPAPER WANTS YOU TO KNOW

that it is interested in the welfare of the Northern Indiana High Schools and the players representing the schools--We want you all to get behind your teams and push them on to the victories they deserve.

## LOCAL METHODS OF MANAGEMENT ARE WELL LIKED

Officials, Coaches, and Participants Believe Fourth Sectional Tournament Was Success

### SERVICE IS APPRECIATED

Dressing Rooms and Showers Are Commended by Visiting Teams; No Hitches Arise

That the management of the fourth sectional tournament held at South Side high school was a complete success, is the opinion of officials, coaches, and participants of the tourney.

C. T. Oile, coach of Huntertown, stated, "The treatment accorded us during our short stay at South Side was surely the most courteous and kind we could expect. Nothing seemed to have been left undone to make the players feel at home. Their wants and needs were attended to in a most admirable fashion and especially were we well pleased with the treatment given us in the locker rooms.

"The meals served in the cafeteria were undoubtedly the best.

"To offer any suggestion for the betterment of the tourney is out of the question.

"The players join in with me in expressing our appreciation of the fine and courteous treatment given us."

#### New Haven Approves

"I have no suggestion to make and I believe the fellows were well pleased," is the opinion of Blaising, one of New Haven's star players.

During an interview with Mr. Pierce, coach of the Monroeville five that won the county title, he said, "The tournament was handled in a very commendable way. I appreciate the service of South Side High School and those responsible for carrying on the tournament."

#### Woodburn Praises Meet

Lewald Minder, of Woodburn high school, had this statement to make: "We thank you very much for the way in which the tournament was supervised. We all think it was carried through in the most delightful way, although we think very little of 'No. 4' on Central High School team. But we will have to drop this question for this time, and I wish you many more thanks for the kindness of the directors."

"In my opinion the tournament held at the South Side gymnasium could not have been improved in any way," stated Charles Johnson of Lafayette Center.

#### Arcola Satisfied

The management of the tourney was further praised when Maurice Cook, coach of the Arcola team, said, "This was certainly a well managed tournament. It was very efficiently handled."

Gorrell, of Harlan, stated, "We have enjoyed ourselves very much and liked the crowds. In my opinion the officials were satisfactory."

#### Referees Pleased

Besides the coaches and players, the referees were also pleased. Both Guy Ogle, of Muncie and Don Arbuckle, of Kokomo, are of the opinion that this was one of the finest tournaments they have ever worked in. Mr. Arbuckle further stated, "But more games like the South Side-Central battle would have been more interesting to us."

#### No Complaints at Home

Both of Central coaches were well pleased with the management. Coach Mendenhall especially stressed the fact that the comforts afforded could not have been better for "the dressing rooms, showers and cafeteria service was mighty fine," he concluded.

Coach Bills said, "Everything ran off smoothly. The officials were satisfactory."

Ward O. Gilbert, basketball coach of south Side, said, "I think that the tournament was the best ever conducted here. Teams were quickly taken care of—no hitches or delays. I did not hear a complaint.

"The meals were the best we have ever had. Service was superb.

"There was only one drawback—South Side lost. I trust that her conqueror goes far into the state tournament."

### Society

Charlene Snider, Marjory Surface, and Catherine Thompson visited friends in South Bend last week-end.

Gertrude Linnemeier recently entertained at her home on John street. Prizes were won in the games played by Margaret Henrick and Enno Franke. Those who were present are Carolyn Ryberg, Dorothy Meyer, Margaret Henrick, Hazel Wonderly, and Herbert Schoen, Walter Daseler, Bob Meyers, Enno Franke, and Paul Cook.

Hazel Sloan entertained her club Friday evening. Those who were present are Kathryn Wescher, DeNeal Pfeiffer, Virginia Kinerk, Kathryn Sellers, and Margaret McClintic.

Florence Phelps will entertain a few friends at her home on Oakdale Drive, Thursday evening, with a bridge party in honor of Mabel Felh.

Ruth McQuire entertained a few of her most intimate friends Saturday evening. Dancing was the main feature of the evening. Those who were present are Charlotte Scott, Alice Miller, Virginia Drage, Mildred Slater, June Ford, Donna Bemmer, Clayton Matlock, Clifford Matlock, Jimmy Easter, John Koebel, and John Adams.

Charlotte Sedt has as a guest over the week-end Miss Mildred Thompson, of Dayton, Ohio.

#### Staff Takes Pictures

The staff of the Devil's Pi paper from Superior (Wis.) high school hiked five miles to Minnesota Point to get snap-shots for their annual.

## Berne Is All Set

BERNE HIGH SCHOOL CAGERS

Berne has been little known to Fort Wayne fans until this year, when she produced the best team in her history. She has made an unusual record and has won all her scheduled games besides defeating four Decatur sectional opponents. The personnel of the team is: Left to right, back row—G. Smith, E. Winterregg, Coach Jerome J. Diltz, K. Baumgartner, Dale Ellenberger. Lower row—L. Sprunger, E. Thompson, A. Bagley, N. Winterregg.

## BERNE THREATENS TO GO TO FINALS FROM FT. WAYNE

Has Twenty-one Wins, No Losses to Credit for 1925-26; Team Is All-Star

### MEETS CENTRAL FIRST

Downs Four Teams at Decatur Sectional to Come to Local Regional; Scores 106 Points

Coming with a most formidable record and a clean slate, Berne high school's basketball team is determined to be one of the two to go to Indianapolis from the Fort Wayne regional. To do this she must defeat Central in the second game Saturday morning and the winner of the Bluffton-Kendallville match at night.

Berne won all of her seventeen games during the season and defeated four teams in the Decatur sectional. To win the Decatur sectional, Berne eliminated Monmouth, 18 to 13; Decatur, 22 to 17; Hartford Township, 31 to 20; and Kirkland, 35 to 18.

She claims victories over the fast Garrett five, 36 to 27; South Side reserves, 43 to 35; Decatur, 34 to 24; New Haven, 32 to 23; Kirkland, 34 to 24; Pleasant Mills, Hartford Township, Petroleum and Geneva. The scoring record for the season was 697 to 345 for her opponents.

#### Diltz Is Coach

Jerome J. Diltz has been coaching the Berne squad for two years. "He has had about fourteen years of coaching experience. All but three of the certified players will be graduated in June. The average weight of the team is 156 pounds."

Harmon Bagley, center; Kenneth Baumgartner, guard; Earl Winterregg, forward, have been playing on the varsity for two years and are all seniors. Dale Ellenberger, sophomore forward, has held a berth on the squad for two seasons and has two more years ahead of him. Grant Smith, forward, has had two years' experience and will have 1926-27 to again show his skill. Norman Winterregg, Ivan Sprunger, and Earl Thompson have been on the team at least a year and of these Sprunger alone will be graduated.

#### Team Is All-Star

There are no outstanding luminaries on the Berne aggregation. It is an all-star team and the scoring has been quite evenly distributed.

This is the first time a team from Adams county has won a sectional meet.

Berne played on a Fort Wayne hardwood once before. That was when she stacked up against Central two years ago and came within one point of winning.

### Berne To Introduce Itself At Tourney

Not Much Heard of Town Before This; Population Is About 2,100.

Although a town is small, that is no reason that it cannot have a good basketball team. Berne is not an exception to the rule. This town is only about 2,100 strong. One-fourteenth or about 150 of that population go to high school and half of that amount are boys. One-ninth of the Berne high school boys are on the basketball team and those eight will be seen on the South Side hardwood floor competing for regional honors.

Berne has had regular floor for only about two years when a community building was put up. The main auditorium serves the purpose now. The playing space in the auditorium is 35x70, and the room holds about 200 people. Before, much of their practicing, at least when weather permitted, was done on Mother Earth.

The Berne fellows and their coach will not be lonesome while they stay at Fort Wayne for as their names indicate they have relatives at South Side. Coach Diltz is a brother to Mr. Diltz who teaches chemistry at Central.

If as many come to Fort Wayne as went to Decatur to back their team, a delegation of about 150 will see Berne scrap it out with Central.

#### Two New Pupils Enrolled

During the past week two new pupils have entered South Side. Harold Withey came from St. Mary's school at Jackson, Mich. Harold is a Junior. Dorothy Traylor, who is a sophomore, came from Fort Lauderdale, Florida.

#### Give Credits and Letters

The music department of North high school, Columbus, Ohio, are offering a half credit a year and a letter to all students who play in the band.

#### License Tags Honor Team

The 1926 license tags of Kansas were made in blue and white to honor the Wichita high school National Championship team.

### Three To Referee Tournament Games

The referees for the regional tournament are: Paul Williams, athletic director at Muncie Normal; Bennie Evans, who comes from Indianapolis, and Benjamin DuBois, who lives in South Bend.

Paul Williams will referee the game between Bluffton and Kendallville while Bennie Evans umpires the game and the latter will referee the next game between Berne and Central while Benjamin DuBois umpires.

In the afternoon Benjamin DuBois will referee the game between LaGrange and Syracuse and Paul Williams will umpire and the latter will referee the Angola game against Columbia City and Bennie Evans will umpire it. In the evening Bennie Evans will referee the game between the winner of the Bluffton-Kendallville battle and the winner of the Peru-Central game and Benjamin DuBois will umpire this game. The latter will have the difficult task of refereeing the last game which will be between the winner of the LaGrange-Syracuse game and the winner of the game between Angola and Columbia City and Paul Williams will umpire this.

Each referee receives \$50 for the day.

## EARLY APPLICATIONS NECESSARY FOR C.M.T.C.

Quota For This Section of Country Is Cut to Six Thousand; Many Requests Already On File

Columbus, Ohio, March 9.—To the Citizens' Military Training Camp slogan, "Let's Go," must be added the admonition "But Hurry," according to Lt. Col. Farnes W. Glover, C. M. T. C. Officer of the Fifth Corps Area who yesterday announced that the quota for the states of Ohio, Indiana, Kentucky and West Virginia had been cut to 6,000.

Instead of the allotment being increased this year as in years past, two hundred less men will be accepted despite the fact that this year an additional camp will be opened in the corps area and there is a corresponding increase in the number desiring training.

Pointing out the necessity for early applications, Colonel Glover cited the fact that nearly a thousand applications are already on file, and as many more young men whose applications came too late to be accepted last year were promised first consideration for the 1926 camps.

The corps area quota has been sub-allotted by states as follows: Ohio, 2,457; Indiana, 1,396; Kentucky, 1,166, and West Virginia, 981. Camps will be held at Camp Knox, Ky., July 7 to August 5, and at Fort Benjamin Harrison, Ind., and a third camp to be established at Fort Thomas, Ky., July 15 to August 13.

Candidates, generally, will be sent to the camp nearest their home this year in order to economize on transportation, which is paid both ways by the government. The government also provides food, clothing, and other necessary expenses connected with the month's training, which is open to young men 17 to 24 years of age who are mentally, morally and physically qualified.

#### Andre Wehrle Sends Greetings

Miss Smeltzly received a wireless on Saturday morning from Andre Wehrle, who is on his way to France to study music. He sent the greetings from mid-ocean and so far he reports a bon-voyage.

## LAGRANGE DOWNS MONGO IN FINAL SECTIONAL GAME

Piles Up 37 to 21 Score to Win Way to Regional Tournament Here

## MILFORD GIVES SCARE

Last Year's Sectional Winner Makes LaGrange Step Lively In the Semi-Finals

Edith Kyles, Special Correspondent to LaGrange

LaGrange won the right to play in the regional tournament here today when she defeated the Mongo team, 37 to 21 in the final game of the LaGrange sectional tourney last Saturday night. Mongo put up a stiff fight but she was unable to stop the basket shooting LaGrange quintet. Mongo started strong but during the first five minutes of play, Wilson, the right forward who is a plucky little one-handed player, received an injury to his right knee cap and was forced to leave the game. With the mainstay of Mongo's team off the floor, LaGrange romped away with the game. Every man on the LaGrange team counted for at least one field goal. Lewis and Babcock each made one while Kennedy dropped in seven. Schrock three, and Lytle three.

Although LaGrange was picked as the winner, South Milford nearly upset the dope bucket in the semi-finals. The entire South Milford-LaGrange game was a see-saw affair with the score tied most of the time. The gun went off when LaGrange had a two point lead, the score being 16 to 14.

In the first game Scott lost to South Milford, 7 to 29, which was according to dope. In the second game Lima was defeated by LaGrange, 28 to 13. This score shows that LaGrange has improved greatly since the first of the season when LaGrange lost to Lima by one point and later when she won from Lima by one point. Interest was running high over this game and the crowd was disappointed because it did not turn out to be the thriller they expected.

Topeka upset the dope bucket when she defeated Shipshewanna with a 15 to 13 score, as Shipshewanna was expected to go to the finals.

The entire tournament record:  
South Milford 29, Scott 7.  
Lima 13, LaGrange 15.  
Shipshewanna 13, Topeka 15.  
Brighton 11, Mongo (Springfield) 14.  
LaGrange 16, South Milford 14.  
Mongo 22, Topeka 18.  
Mongo 21, LaGrange 37.

South Siders Victorious in All Divisions Over Other County Contestants

## W. DAMMEIER IS HIGHEST

Albert Simminger Also Has a Good Grade; Winners to Enter District Contest March 27

South Siders took every place in the county Latin contest held Saturday, February 27, at Central High School in which representatives from Harlan, New Haven, Leo, and South Side competed. The winners will enter the district contest held at Central on March 27. One person from each division will then go to the state meet at Bloomington sometime in April.

Miss Work and Miss Woodward teach three each of the contestants, while Mr. Rothert and Miss Fish each have two. Albert Simminger, Winfred Horn, and Margaret Pocock are pupils of Miss Woodward; Richard Kent, Pauline Baumgartner, and Mary Pocock, Miss Work; Harold Morris and Olive Prine, Miss Fish; and William Dammeier and Dorothea Davenport, Mr. Rothert.

The highest grade was made in Division III, William Dammeier making an average of 98 percent. Albert Simminger was next highest with 96 percent.

The winners and their grades are as follows:

- Division 1B—Albert Simminger, 96.25.  
Winfred Horn, 94.3.
- Division 1A—Richard Kent, 91.6.  
Harold Morris, 89.12.
- Division II—Olive Prine, 96.  
Margaret Pocock, 95.
- Division III—William Dammeier, 98.25.  
Dorothea Davenport, 95.25.
- Division IV—Pauline Baumgartner, 91.5.  
Mary Pocock, 90.5.

In the county contest, the tables were almost reversed. Those who came first in the school contest came second in the county, and in one case, the one who got first dropped out entirely. Bartlett Ewell, who won first in the 1B division in the school meet, dropped out in the county. William Dammeier and Dorothea Davenport, and Pauline Baumgartner and Mary Pocock exchanged places. Albert Simminger, who tied with Winfred Horn in the school contest, won over Winfred in the county, while the same thing occurred in division 1A, Richard Kent defeating Harold Morris in the county contest. This fact does not make predictions at all sure for the district, as to who will win out and go to the state.

Start Club Paper  
The members of the Hi-Y club of the McKeesport (Pa.) high school are organizing a Hi-Y paper.

## Upstate Team Makes Local Bow

LAGRANGE HIGH SCHOOL TEAM

Although LaGrange is a small place and not well known by the fans here because she has never played on the local hardwood, she is bringing to Fort Wayne a strong team that has developed rapidly since the middle of the season. The men who are carrying the hopes of LaGrange are: First row, left to right—Frurip, Lytle, Schrock (Capt.), Elderkin, Lewis. Second row—Kennedy, Babcock, Hostettler, and Coach Kilpatrick.

## EVENLY BALANCED FIVE REPRESENTS LAGRANGE

Team Has Improved Recently; Wins County Tournament By Good Scores

Edith Kyles, Special Correspondent to LaGrange

The five men who will carry the Red and White of LaGrange into battle with Syracuse here today at 2:30 p. m., are Schrock, Lytle, Kennedy, Lewis, and Babcock. These men seem to have an equal share of ability. Schrock and Lytle are forwards. Schrock is an unusually good shot and captain of the team. Lytle, a junior, is probably the fastest man on the team. Kennedy, who fills the position of center, is good on the long shots.

Babcock, a guard, is the only senior on the team and his fellow-guard, Lewis, is only a freshman. The substitutes are Elderkin, Frurip and Miller.

Although LaGrange did not have a particularly good season, they have shown up well lately. Last month they won the LaGrange county championship.

Their scores in the county tourney were:

- LaGrange 29, Topeka 20.
- LaGrange 30, Shipshewanna 20.
- LaGrange 33, Lima 17.
- The LaGrange record for the entire year was:  
LaGrange 14, Ligonier 21.  
LaGrange 5, Angola 22.  
LaGrange 16, Wolf Lake 26.  
LaGrange 7, Bristol 44.  
LaGrange 39, Shipshewanna 36.  
LaGrange 45, Middlebury 35.  
LaGrange 28, Fremont 46.  
LaGrange 22, Lima 23.  
LaGrange 25, Shipshewanna 20.  
LaGrange 23, Ligonier 26.  
LaGrange 15, Howe (Military School) 13.  
LaGrange 30, Middlebury 40.  
LaGrange 21, Lima 20.  
LaGrange 32, Angola 47.  
LaGrange 19, Fremont 46.  
LaGrange 21, Wolf Lake 28.  
LaGrange 8, Howe 21.  
LaGrange 44, Rome City 39.  
LaGrange 38, Topeka 25.  
Total—LaGrange 452.  
Opponents—575.

## South Side Captain Is Efficient Leader

In a recent edition of the Valpo Vindicator, the paper of the Valparaiso (Ind.) University, the following write-up was printed in a column devoted to cage captains of Indiana high schools:

"Gerald DuWan, a quiet and unassuming veteran of two years, is leading Ward O. Gilbert's South Side High School net team of Fort Wayne through the winter campaign. DuWan, who is of giant build, holds down the pivot position on the Fort Wayne quintet, and has been one of the leading all-around athletic stars at South Side for the past three years. DuWan's height and reach make him a valuable man for 'stool pigeon' under the basket, and the majority of his points are garnered close to his opponent's goal. The South Side leader is a hard and tireless worker and his offensive play is above the average, while he is very valuable on the defense. DuWan is a favorite with South Side fans and is a senior in school, and it will be difficult next season to plug the breach left by his graduation."

## LAGRANGE ENTERS REGIONAL TOURNEY WITH GOOD TEAM

Squad Composed of Men Playing Their First Season of Basketball

## MR. KILPATRICK IS COACH

Tossers Were Not Able To Begin Real Practice Until Middle of December

Edith Kyles, Special Correspondent to LaGrange

LaGrange, winner of the LaGrange sectional tournament, comes to the regional tourney here with a team composed of men who are all playing their first season of basketball this year. The team and their coach, Mr. Kilpatrick, both deserve a lot of credit for the work they have done.

Although Mr. Kilpatrick had never played basketball, coached a team, or refereed a game before, when LaGrange needed a man to coach the high school team, he was willing to do his part. Twenty-two men came out for basketball this fall. Kilpatrick began work with all new players, and with no gymnasium. The team practiced in an old church with a playing floor about the size of a large living room, but overcame these difficulties and sailed through the sectional tourney without lowering its red and white colors.

About the middle of December the new LaGrange high school gymnasium was finished and the team began real practice. The new gymnasium playing floor is 70x40 feet.

Besides coaching the boys' quintet, Mr. Kilpatrick also coached the girls' team. The girls had a very successful season. They won thirteen of their sixteen games and are girls' champions of LaGrange county. Miss Schwehn, girls' coach at Central high school, refereed this tourney.

## Hold Round-Up Day

The students of the Great Falls (Mont.) high school held a round-up day recently. It started at 8 o'clock in the morning and continued until school was dismissed. Two plays and an old-fashioned dance were features of the entertainment.

## Staff Gives Plays

The Optimist staff of Atchison (Kans.) high school gave a series of plays recently to finance the paper.

## NINETY PERSONS FED IN CAFE AT TOURNEY

Players and Coaches Served by Parent-Teacher Club During the Sectional Meet

During the sectional tournament ninety people; that is, players and coaches, were served in the South Side cafeteria.

The menu for Friday night was roast beef, baked potatoes, green beans, whole wheat and raisin bread, butter, milk, weak tea, and jello.

The menu for Saturday noon was vegetable soup, baked beans, cabbage salad, whole wheat and raisin bread, butter, milk, weak tea, and jello. The last menu, which was served Saturday evening, was: fricassee chicken, mashed potatoes, buttered peas, whole wheat and raisin bread, milk, tea, ice cream, and cake.

The South Side and Central players were served T-bone steak, as that was their special order.

## Compete In Rifle Match

The boys' rifle team of Central high school, Washington, D. C., is now shooting in the National Inter-scholastic match to determine the best high school team in the United States. During the last eight years this school has won the trophy presented by the National Rifle Association, sponsor of this match, five times.

## Speed Ball Played By Lagrange High

Before the basketball season began the LaGrange (Ind.) high school played speed ball, winning five of the six games they played.

Speed ball is a modified game of soccer ball and is somewhat similar to football. Eleven men compose a team for speed ball.

## Do You Know

That South Side will send ten students to the district Latin contest, March 27?

That South Siders took every place in the county Latin test?

That the Times has been entered in the Columbia University Press contest, and that the winner of the contest will be announced at the convention to be held at New York, Friday and Saturday?

That eight teams will be entered in Fort Wayne's regional tournament? That Mr. Davis and Coach Welborn refereed games in sectionals at other places?

That the Times will run an information bureau during the regional? That a check room will be conducted by the Times at the regional tourney?

## Calendar

- March 15—The Art club will meet in Room 86 at 3:00 p. m.
- March 16—So-Si-Y will meet in Room 86 at 3:00 p. m.
- March 17—Junior Hi-Y will meet at the Y. M. C. A. at 6:00 p. m.
- March 18—Wranglers will meet in Room 86 at 3:00 p. m.
- The Hi-Y will meet at the Y. M. C. A. at 6:00 p. m.
- March 19-20—The state tournament at Indianapolis.

First Paper Printed  
The Culvert high school, Tiffin, Ohio, has made its first appearance in the journalistic field. The paper, edited by the students, is called "Culvert News." It boasts a 100 per cent student subscription.

Hold Contest  
The Northwest high school, Philadelphia, Pa., are having a Limerick contest. The student who writes the cleverest and wittiest last line to the limerick printed in the last edition of their school paper, will receive one dollar.

## Basketball Scores of Present Day Show Decided Increase Over Games in Past Years

Strong Offensive Attack Used by Indiana High Teams Seems To Be Main Source.

Basketball scores are mounting. A few years ago twenty points was usually a sufficient score to win. Now a team invariably has to hit well above the thirty mark to have a chance. And even then it's no sure bet.

For instance, consider the scores being turned in by the leading high school teams. Many of them have chalked up a combined total of more than seventy points for an evening's work.

South Side, for example, has scored over thirty points in practically every game played this season, but has not always pulled out a victory.

Strict enforcement of the playing rules has also tended to boost the scores.

Not so far back, a total of ten free tosses was a good average. Foul shooting didn't play a very big part in the game.

But it is different now. About as

many fouls are being converted into points as there are held goals chalked up. In a recent high school game there were twenty personal fouls called. Just fifteen of them were turned into points.

Are the officials watching fouls too closely? Some referees do, while others don't watch closely enough. Basketball is necessarily a rough game. There is plenty of personal contact.

Any intentionally rough play should bring a penalty, of course. But those in charge should not draw too fine a line. Blowing the whistle for some infraction of the playing code takes away action, one of the main things in basketball. Needless to say, when thirty or more fouls are called, the game loses much of its luster for the fans, who enjoy it for the thrill it gives them.

In one of the professional league contests thirty-eight fouls were called. There were twenty-seven points acquired from the free throw line. But few field goals were thrown. The field goal is the big thrill—a long toss from mid-court, or a clever shot from underneath the hoop after a pretty pass, is what the crowd wants to see.

## CONTRACT FOR REGIONAL IS PUBLISHED IN FULL

Duties of Center School and Distribution of Tourney Proceeds Are Set Forth

The contract between South Side, regional center, and the Indiana High School Athletic Association, in regard to the management of the regional tournament and the distribution of receipts is printed in full below. This contract shows that the terms are the same as those of last year and that the Times was in error three weeks ago when it stated that the money would be distributed in a different way this year.

### REGIONAL

#### I. H. S. A. A. BASKETBALL SEMI-FINAL SERIES CONTRACT

Anderson, Ind., Jan. 16, 1926.  
The following articles of agreement are subscribed to by the Board of Control of the Indiana High School Athletic Association through Arthur L. Trester, permanent secretary and Rob't C. Harris, representing South Side High School, Fort Wayne, Indiana.

##### Section I.

The date of the Indiana High School Semi-Final Basketball Series shall be Saturday, March 13, 1926.

##### Section II.

The State High School Board of Control through Arthur L. Trester, permanent secretary, shall furnish the high school representatives with lists of qualified teams and the names of the men on the respective teams on or before Monday, March 8.

##### Section III.

The high school representatives shall provide free entertainment for the respective teams of eleven men, which shall include one faculty manager, for each team between the hours of 6 p. m. Friday, March 12 and 8 a. m. Sunday, March 14. If possible this period of entertainment will be shortened by the board of control. All teams are entitled to entertainment throughout the series, however.

##### Section IV.

The high school representative shall provide tickets, door-men, ushers, announcers, scorers, timekeepers, basket balls and all necessary equipment for the game. No prizes whatever are to be given by any one.

##### Section V.

The matter of complimentary tickets shall be in the hands of the high school representative, who shall issue them to the press, the officials, and to the helping students. All men of the competing teams and one faculty manager for each team are to be admitted to the series. A list of persons to whom complimentary tickets are given shall be furnished the permanent secretary.

##### Section VI.

The I. H. S. A. A. Board of Control shall select and assign the officials for the games not included in Section IV.

##### Section VII.

The admission fee to all tourney games shall be forty (40) cents for single session tickets and one dollar (\$1.00) for season tickets.

##### Section VIII.

The high school representative shall pay to each referee at the close of his work the sum of fifty dollars (\$50.00) only. There will be three referees and their entertainment is to be paid by the officials. Their contract forbids the acceptance of entertainment.

##### Section IX.

The financial settlement of all tourneys shall be made as follows:  
1st—All legitimate expenses except for travel shall be paid from the gross receipts.

2nd—The center high school shall receive two hundred fifty dollars (\$250.00).

3rd—The I. H. S. A. A. shall receive ten per cent (10%).

4th—The transportation shall be paid. (Four cents per man per mile for the round trip.)

5th—The center high school shall receive two hundred fifty dollars (\$250.00).

6th—The I. H. S. A. A. shall receive fifty per cent of the balance.

7th—The remainder shall be divided equally among the competing schools.

8th—Ticket sellers, ticket takers, ushers, janitors and water carriers to be furnished by the local school and such remuneration as they receive to come from the treasury of the local school and not charged to the association as tourney expense.

9th—The board shall pass on all reports by the center school and all reports by the participating schools.

10th—The center school shall furnish a complete financial report to the I. H. S. A. A. and to each participating school the next week after the tourney.

##### Section X.

The high school under whose auspices the series is held promises hearty co-operation with the state board of control and the state board of control promises as much to the high school conducting the tourney.

##### Section XI.

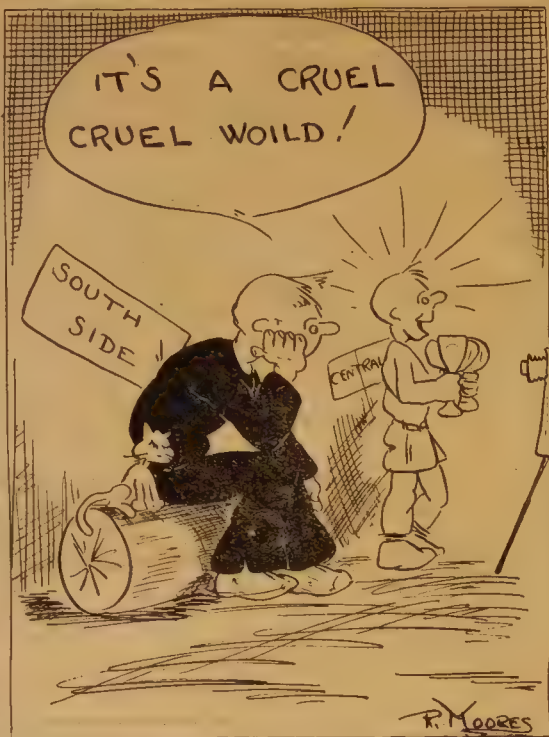

The details of the series, such as protests, eligibility lists, schedules, etc., are to be cared for by the state board of control.

##### Section XII.

The high school representative shall send the following to Arthur L. Trester, Anderson, Indiana, according to schedule:

1. Saturday evening, March 13—
  - a. Name of winning schools by telegram.
  - b. All entry blanks by special delivery mail.
2. Wednesday, March 17
  - a. Scores of all games.
  - b. Complete financial report.
  - c. Check as per Parts Three and Six of Section IX of this contract.
  - d. List of persons to whom complimentary tickets were given and number of tickets.
  - e. Statement that reports have been sent to all participating schools.

Arthur L. Trester,  
For Board of Control.  
Rob't C. Harris,  
For South Side High School,  
Fort Wayne, Indiana.

#### STRONG BLUFFTON NETMEN TO PLAY IN TOURNEY HERE

(Continued from Page 1)

played basketball for three years. Only three players will be lost by graduation this year: High, Carnall, and Earhart, who has played for three years. Seven first-string men are juniors and will prove very valuable to the Tigers next year. These men are Rudy, Knoble, Shannon, Swigert, Crosbie, Baxter, and Captain Gerber.

Oscar Rippe, who has been the mentor of the Bluffton high school teams for two years, is a graduate of LaCrosse, Wisconsin Normal. While attending there, he made the freshman squad in basketball and football. Prior to coming to Bluffton, Coach Rippe was at Fairmount, Indiana.

Season's Record  
On the whole the Tigers have had a good season of basketball. Their record is as follows:

Bluffton	37	Portland	21
Bluffton	24	Montpelier	42
Bluffton	27	Portland	43
Bluffton	26	Garrett	29
Bluffton	25	Liberty Center	31

#### K'VILLE CAGERS ENTER TOURNAY WITH GOOD TEAM

(Continued from page 1)

iators are always well to the fore. each year sending at least one or two candidates to the state track and field meet at Indianapolis. Baseball has not as yet taken a hold on the Kendallville fans due to the fact that their time is taken up with track, and the difficulties encountered by carrying two sports at the same time.

As for this year's basketball squad, it is composed of four sophomores, three juniors and three seniors. All the members of the squad have received at least one year's training under the direction of Coach Guyman.

The team, although averaging about 147 pounds, is not composed of tall members, however. The tallest does not quite touch the six-foot mark. All the members are rather short and stocky. As to individual ability, the work is very evenly divided. However, Prentice and Becker have distinguished themselves as a constant threat to opponents throughout the season. Fortunately both these players are now only sophomores.

As for difficulties the Kendallville cagers have had their share. Probably the most unfortunate happening was the illness of their regular center during the sectional tourney which prevented him from taking part. On several occasions throughout the season sickness has handicapped the team. At one time during the season their team was broken up for a period of more than four weeks due to illness of members of their team.

##### Season's Record

The record of the Kendallville cagers is as follows:

Kendallville	25	LaOtto	18
Kendallville	30	Laporte	21
Kendallville	22	Wawaka	17
Kendallville	26	Columbia City	33
Kendallville	29	Elkhart	31

## "MIKADO" TO BE PRESENTED AT SHRINE TEMPLE WEDNESDAY

SOUTH SIDE TIMES  
AWARDED HONORS  
IN PRESS CONTESTPaper Rated One of Six Best  
in Country; 438 Publi-  
cations Entered

## THREE REPRESENT SCHOOL

Miss Harvey, Edith Kyler, and  
Ruth Eickmeyer See Many  
Sights in New York

With 438 high school publications entered in the national press contest conducted by the Columbia Scholastic Press Association of Columbia University, the South Side Times was rated one of the best six papers in the country.

Periodicals from 43 states, Canada, and the canal zone competed. The three consecutive issues of February were required for the contest. Those of February 11, 18, 25 were sent in for the Times.

Over 600 delegates attended the meet. Miss Harvey, faculty advisor of South Side publications; Edith Kyler, business manager of the Times, and Ruth Eickmeyer, managing editor, represented South Side at the convention. Besides attending the meetings, the local delegates took in the sights of the great metropolis. The Statue of Liberty was visited, and, of course, Miss Harvey and Ruth climbed to the top after the elevator would take them no farther. The aquarium was also visited Friday morning.

Following the convention banquet at the Prince George hotel, where the delegates lodged, the entire party was divided into four groups. One-fourth went to the New York Times and one-fourth to the Herald-Tribune buildings. The remaining groups toured the city in sight-seeing busses with guides. After the tour the latter two groups visited either the Times or the Tribune while the first two toured the city.

Miss Harvey, Edith, and Ruth went through the Tribune. The tour of the building began on the sixth floor in the lecture room. From here the spectators were taken down to the fifth floor to the city room where the various editors were found. Later the mechanical end was viewed when the trip led through the typesetters, printing, and circulation department.

Saturday afternoon the Varsity show, "His Majesty, The Queen," was presented in the Waldorf-Astoria ballroom.

Both sectional and group meetings were held both days of the convention on March 12 and 13. Leading metropolitan newspaper men and high school advisors of school publications were the speakers and led discussions of the problem of young journalists.

The Polaris Weekly, the newspaper of North Side high school, Minneapolis, Minnesota, was awarded first place; the Commerce Budget, of Commerce high school, Cleveland, took second honors, while the High Manilla of Manual Training high school, Kansas City, won third place. South Side was one of three schools to get "Honorable Mention."

Judges for the contest were, Edith Penny, Bronxville high school teacher; Marion O'Neill, Central high school, Paterson, New Jersey; Antoinette Smith, Teachers' College, Columbia University; Royal J. Davis, New York Evening Post, and Cecelia Shiveley, New York city.

In its short existence, the Times has gained many honors. In 1922-23 it was awarded first place in Indiana at the Central Interscholastic Press association. In 1923-24 four prizes were captured. Those are, first place in the United States, C. I. P. A.; first place in Indiana by Sigma Delta Chi, Purdue University; first place in C. I. P. A. national feature story contest; fourth place in C. I. P. A. national front page make-up contest. The following honors were won during 1924-25: All-American rating, C. I. P. A.; first in Indiana, Indiana High School Press association; best east of the Mississippi river, Columbia University Press association; second place in C. I. P. A. national news story contest; third place in C. I. P. A. national sports story writing contest. First place in Indiana, I. H. S. P. A., and first place in Indiana department of education, was gained in 1925-26 together with the most recent award given by Columbia University.

The following editorial appeared in the columns of the Journal-Gazette for March 15:

**New Honors Bestowed**

"There has been a steady procession of honors for the South Side Times ever since that weekly publication of the South Side High School of Fort Wayne was established and there has ceased to be any element of surprise when new honors come to that excellent newspaper. It is none the less a matter of gratified pride to Fort Wayne to learn that in a recent competition conducted by the Columbia University Scholastic Press association the South Side Times was rated among the six best publications entered in that national contest. In this competition there were 436 newspapers representing 43 states and Canada.

"The South Side Times is a fine example of sustained merit, of progressive excellence. The significance of this will be appreciated when it is understood that other school publications also make progress and more appreciated if it be considered that the

TIGERETTES LOSE  
TO SOUTH SIDERS  
IN SECOND GAMEGreen and White Players  
Gain Early Lead and  
Take the City  
Title

## 325 WITNESS CONTEST

Gert Brouwer and Mary Pratt  
Star; Miss Chandler of  
Y. W. C. A. Referee

Central's girls' varsity received their second defeat at the hands of the Kelly-clad girls last Monday, March 16; and South Side thereby won the girls' city championship. The South Side players gained a lead early in the game and by the final gun had scored 30 points to Central's 13.

About 325 students from both high schools witnessed the contest. Both sections of rosters yelled for their players, and although the score was long-sided the Tigerettes put up a good fight to the end. They had hard luck with most of their shots which often rolled around the rim and out again. Central got the tap-off and immediately threatened to score. Dorothy Miller of Central put in the first shot, but Gert Brouwer sent the ball through the net and after that the Central sextet could not gain the lead. The score at the half was 17-6. During the second half the Centralists added seven points and the Green thirteen to this score making the final count 30-13.

Gertrude Brouwer was high point getter for South Side, and put in nine field goals and two shots from the foul line. Winifred Englehart came second with one field goal and five free throws. Mary Pratt and Dorothy Miller of Central secured two field markers apiece. The former made four foul shots and the latter one. Leola Foster, Gladys Guebard, and Violet Fell many times kept the Tiger forwards from scoring, and did much to help the Green keep their margin.

**Lineups and summary:**  
**South Side (30)** F. Brouwer, W. Englehart, D. Bauer, L. Foster, G. Guebard, V. Fell.  
**Central (13)** D. Miller, V. Davis, M. Pratt, H. Fletcher, P. Long, M. Roberts.

**Substitutions:** M. Phipps for V. Davis; M. Phipps for D. Miller; P. Long for H. Fletcher; T. Scoles for P. Long; D. Miller for M. Phipps; M. Tannehill for W. Englehart; N. Merica for M. Tannehill; M. Koster for V. Fell; V. Nobles for M. Koster. Field goals: M. Pratt 2, D. Miller 2, Brouwer 9, Englehart 1, Bauer 1. Free throws: M. Pratt 4, D. Miller 1, G. Brouwer 2, W. Englehart 5, M. Tannehill 1. Referee—Miss Chandler of the Y. W. C. A.

PLAY TO BE GIVEN  
EXTEMPORANEOUSLY**"The Knave of Hearts" Will Be Presented at the Next Meeting of Wranglers**

A unique feature of the Wranglers' meeting today will be a playlet, "The Knave of Hearts," instead of the debate which was previously announced. This play will be given extemporaneously; that is, the cast has had two days in which to read the play, familiarize themselves with it, and then to present it from memory. If their memories should fail them, they will have to use their own ingenuity, so that there will not be a lull in the play.

The cast which has been chosen is as follows:

Manager.....Gertrude Schuelke  
Lady Violetta.....Ruth Eickmeyer  
The Knave of Hearts.....Mr. Makey  
King Pompadour VIII.....Chester Wynken  
Chancellor.....Willis Klein  
Herald.....Winifred Horn  
Pastry Cook.....Louise Platt  
Pastry Cook.....Elisbeth Crane  
Ursula.....Mary Pocock

After the play The Knave of Hearts will distribute the tarts which he stole.

A collection will be taken to defray the expenses of the tarts.

Members of Art Club  
Entertained at Central

Members of the Art club were the guests of the Pen and Pencil club of Central at a meeting of that organization on Monday, March 8. Mrs. Lang gave a very interesting talk on "Art Abroad."

No plans have been made for the next meeting of the Art club according to an announcement by Miss Ley.

DRIVE FOR SNAPS  
IS BEING STAGED  
BY TOTEM STAFFWant Clever, Informal Pic-  
tures of Students, the  
Games and Places  
Around Schools

## THREE PRIZES OFFERED

One Dollar to Be Given to Stu-  
dents Submitting the Most,  
Best, and Funniest Snaps

The campaign for Totem snapshots is occupying the paramount position in the minds of the annual staff members this week, for every effort is being made to secure a host of informal and clever pictures for the snapshot section of the year book.

"It's great weather for taking pictures," Mildred Scott, snapshot editor, suggested. "We want pictures of South Side people, the games, scenes around school and any events in which South Siders took part," she continued.

As a special incentive for the snapshot contest now being conducted, prizes of one dollar each are being offered for the most, the best, and the funniest pictures submitted. A box in which snaps can be placed will be found at the west entrance to Room S.

"The Totem will pay for the film and development of any picture which is accepted," says Chester Wynken, editor. "We want funny, informal snapshots and not the stiff, 'posed' kind," he added.

Activity lists will be given to the seniors soon according to Ruth Eickmeyer, senior editor. The lists are to be filled out and turned in at the office, Room 20, or the Totem office. Such activities as club membership, golf, offices, class offices, boys' or girls' athletics, Latin contests, public speaking events, orchestras, band and Times or Totem staff are included.

825 WARNING NOTICES  
SENT BY SOUTH SIDEEnglish Department Issues Most  
Gentle Reminders; Language and  
Mathematics Also Claim Many

A total of 825 warning notices entered the homes of South Side pupils this week. To some homes the postmen carried two or three gentle reminders to get to work.

Since the English department claims the most pupils in school, it therefore sends out a great many of these much-feared documents. This it again headed the list with 297. The other departments classify as follows: Language, 153; mathematics, 155; history, 65; science, 62; commerce, 59; domestic science, 17; manual training, 6; art, 1; and music, none.

Last October, 862 warning notices were sent out, showing a decrease of 37 this year. The English department led, and the other departments followed in the same order as this time although the number is slightly different. The English and mathematics teachers have issued more than last year, while the language, history, science, commercial, domestic science, and art departments have decreased the number. Manual training remains the same.

The music department, having sent none of the dreaded documents since 1924, is the only one having a perfect record for the last two years.

Although all of the teachers have not yet turned in their lists, it is probable that there will be only a few more entering South Side homes.

"WHAT IS SUNDAY FOR?"  
TO BE FORUM SUBJECTMr. F. M. Price Will Lead Discussion,  
and Virginia Bourns Will Pre-  
side as Chairman

"What Is Sunday For?" will be discussed at the Forum next Friday, March 21, at the Y. M. C. A. The leader is Mr. F. M. Price, assistant superintendent of schools, and the chairman is Virginia Bourns of South Side. It should prove to be a very interesting topic.

Last Sunday the topic "Is Our Religion Worth Exporting?" was very ably presented by Miss Taylor, secretary of Religious Education Work of the Y. W. C. A. Small groups were led by Miss Taylor, Mr. Schmalzried, and Mr. Hamilton.

Summarizing the opinion of all the groups, it seemed to be the opinion that Christianity really is a life to be lived by one who believes the teachings of Jesus. Christianity is unique in that it places the highest challenge upon the individual soul.

The Y. M. C. A. Quartette, of Chicago, under the leadership of Mr. Campbell, sang four numbers. They were most enthusiastically received by those attending the Forum.

## To Give Spanish Opera

The Girls' Glee club of West Commerce high school, Cleveland, Ohio, will give a Spanish operetta entitled "The Lost Necklace."

WRANGLERS GIVE  
TWO PRODUCTIONS  
AT HARRISON HILLMaynard Patterson and  
Pauline Baumgartner  
Have the Leading  
Roles

## TICKETS NOW ON SALE

Thelma Gasser and Chris Bran-  
ning Also Have Important  
Parts in Plays

Two one-act plays, "The Traitor" and "The Turtle Dove" will be presented by the Wranglers club at the Harrison Hill auditorium March 26. The first play will start at 8:30. Tickets are now on sale and may be obtained from Mr. Makey in room 72 or members of the debate club. Admission for both plays is twenty-five cents.

The cast for the tragedy "The Traitor" is as follows:

Colonel Sir Robert Anstruther.....Maynard Patterson  
Lieutenant Edwards.....Chris Branning  
Major MacLaurin.....Noble Sprunger  
Captain Willoughby.....Willis Klein  
Captain Bates.....Wesley Felmeie  
Captain Parker.....Robert Feustel  
Grantham.....Alva Corey  
Orderly.....Oren Flaugh

This farce takes place in South Africa during the Boer war. The plot is to discover the traitor who has been giving information to the Boer's army.

The cast of the comedy, "The Turtle Dove," is composed of:

Kwenlen.....Pauline Baumgartner  
Chang Sut Yen.....Thelma Gasser  
Mandarin.....Margery Burres  
Chorus.....Dorothy Emrich  
Gong-bearer.....Louise Platt  
God-of-Fate.....Cornelia Bade  
Property Manager.....Mary Alice Tannehill

"The Turtle Dove" is a Chinese production and promises much amusement.

MUSIC DEPARTMENT  
NOT TO ENTER MEETMr. Schafer Has Announced That  
South Side Will Not Enter  
State Contest

"South Side will not enter the state music contest for Indiana schools," was the positive statement made by Mr. Schafer, music director of South Side, when asked about the possibility of South Side musical organizations being represented in this year's contest at Indianapolis, May 8, during National Music Week.

In such musical contests a great deal depends on the variety of instruments used by the organizations entered, since the judges are very much influenced by the instrumentation of the orchestra. Naturally, then, the musical organization with the greater amount of instrumentation in it would be placed in a class from which the winner is to be picked.

**School Lacks Instruments**

The orchestra of South Side does not have enough instruments in comparison with other organizations which will enter the music contest, and therefore it would be an effort in vain for the musical department to send members of the orchestra to Indianapolis to compete in the contest, according to Mr. Schafer's explanation of the affair.

**Over 3,000 Entered**

Last year more than 3,000 boys and girls in forty-two musical organizations, representing sixteen cities, were entered. This year the Chamber of Commerce of Indianapolis, sponsor of the contest, expects more than 5,000, according to J. I. Holcomb, who is chairman of the fine arts committee of the civic body, arranging for the affair this year.

The entry lists will be closed April 1, when all entry blanks, which have been forwarded to the music supervisors of all high schools in Indiana, are expected to be in from all those intending to enter the contest this year.

ART CLUB TO PRESENT  
DANCE LATE IN APRILMasked Ball to Be Given to Which  
All South Side Students Are In-  
vited; Committees Chosen

Tickets will soon be on sale for the masked ball which the Art club will give on the evening of April 30. The admission will be 25 cents for each couple, and the entire school body is invited to attend.

At the last meeting of the Art club, which was Monday, March 15, Iva Riley, president of the club, appointed the committees which will have charge of the ball. Thelma Price is chairman of the program committee, Dudley Wass will have charge of the tickets, and the decorations committee is composed of Beulah Corwin, Dorothea Kohlmeier, and Richard Moores. Dixie Buchanan and Thelma Bireley have charge of the publicity.

SENIOR PLAY TRY-OUT  
DRAWS GOOD CROWDProduction Expected to Measure Up  
to High Standard of Previous  
South Side Dramas

Try-outs for the senior play were held Tuesday and Wednesday of this week. Mr. Sheldon expressed the opinion that with the material available this year that the play will be one of the snappiest and most enjoyable ever produced.

Mr. Sheldon gave the following summary of the play: "This is a typical American play, having to do with the adventures of a young shoe clerk who thought that he was about to inherit a million dollars. If you can imagine how any red-blooded American would do under these conditions, you have a good idea of the plot of the play, for he does the natural thing. Yes, he falls in love, drives a Packard roadster, gets engaged, and then it all changes for the millions have vanished. How he comes out in a truly American fashion and shows the real metal in his composition forms the conclusion of this delightful play. There are three acts, some delightful characters, splendid party scenes, wholesome comedy in every line."

This play is expected to measure up to the high quality of previous South Side plays.

COUNTY CONTEST  
TO BE MARCH 26  
AT CENTRAL HIGHCornelia A. Bade Is South  
Side's Entry in the  
State Discussion  
Meet

## FIVE SCHOOLS ENTERED

Professor Fred Conkling, M. Mc-  
Cabe Day, and O. R. Bangs  
Will Determine Winner

Cornelia A. Bade, representing South Side in the State Discussion contest, will speak in the county meet next week, in competition with representatives from Central, Leo, New Haven, and Woodburn. For ten cents, anyone can hear this contest in Central's auditorium at 3:15 on March 26. According to the rules of the event, all entries will give speeches about the county unit plan.

The three judges are Professor Fred Conkling, professor of English and debate coach at Manchester College, of North Manchester; Mr. McCabe Day, an English teacher at Huntington high school who was coach of debating and chairman of the North-eastern Indiana Debate League for several years; and O. R. Bangs, principal of the Salomon township consolidated school of Warren. Professor Conkling and Mr. Day were judges last year, too, in the county elimination of the state discussion contest.

Of South Side's entry this year, Herman O. Makey, who is in charge of all public speaking work here, says "I have never had a contestant in the event who worked as hard, and faithfully, and intelligently as has Cornelia."

There is a possibility that the high schools in Huntertown, Zanesville, Arden, and Harlan will still let Mr. Makey, the county chairman, know that they wish to enter the contest.

Constructive speeches will again be eight minutes long this year, but each contestant will be allowed four minutes for rebuttal instead of the former three. The speakers may approach the subject, the County Unit Plan, from any angle. Rebuttals must meet the arguments presented.

Benjamin Null, supervisor of English in the Fort Wayne schools, will preside as chairman. The winner of the county meet will speak in the district contest at Auburn, April 9. The winner of this, in turn, will take part in the state finals at Bloomington, April 23.

Last year, Virgil M. Horn of South Side, won his way to the state meet. In 1924, Dorothy Benner of Central high school took second place in the finals at Bloomington and, in 1923, Mary Forker of South Side spoke in the finals too.

Mrs. J. Adams Talks  
To Gracchi Members

Mrs. J. R. Adams was the principal speaker of the meeting held by the Gracchi club in their club rooms at the Y. W. C. A. last Monday evening. Her topic was "Charm." She discussed the different types of girls and their personalities.

A business meeting was held first, for the purpose of making plans for a party to be given in honor of the Tri-angel club, March 29. They also planned to send a delegate to the national conference at Milwaukee in April.

About forty girls were present.

## School Has Young Pupil

The youngest pupil of the Garfield high school, Seattle, Wash., is 10 years old. He has already spoken at assemblies and has gone out for athletics.

FAMOUS OPERA BY SULLIVAN  
TO BE GIVEN BY GLEE CLUBSCentral and South Side to Unite in Offering Best  
Performance of Its Kind Which Has  
Ever Occurred in City; Prices  
Are \$1.00 and \$.50

## SINGERS WELL SUITED FOR THEIR ROLES

Competent Cast Picked by Directors, Miss Suter and Mr.  
Schafer; Thelma Buirely and Rosalia Pollak Have  
Leading Student Parts; Scenery by Sidney Peers

To present an opera of merit and fineness in addition to making it the best of its kind ever presented to the people of Fort Wayne is the aim of all those taking part in and those directing "The Mikado," which is to be given in two performances, afternoon and evening, Wednesday, March 24, at the Mizpah Shrine auditorium.

Tickets for the opera are on sale and obtainable in this school from Mr. Virts. South Side's share of profits will go for band uniforms. The ticket sale for Central High School is in charge of the Booster club of Central, assisted by Miss Hazel Hawkins and B. E. Moser. The proceeds from their share of the receipts will be used to purchase uniforms for the band and to assist the Caldron.

Tickets are priced fifty cents for the special student matinee and one dollar for the evening performance. Providing enough tickets are sold for the special matinee, students will be dismissed from afternoon classes in order to attend.

Music of "The Mikado" is by an English composer, Arthur S. Sullivan, born in London, May 13, 1842, who, at the age of thirteen, published his first composition. Later he won a fellowship at the Royal Academy of Music, Leipzig, England, where he was a prolific composer of songs, oratorios, incidental music, and operas. In his operas he was greatly aided for many years by a librettist, William S. Gilbert, who wrote this opera.

The opera was first produced at the Savoy Theatre, London, March 14, 1885. It has been presented by several of the large opera companies many times throughout the United States. Audiences received it with much ovation.

Story of "Mikado" is a comic opera in two acts; the scene is laid in Titipu, Japan, and takes place during the Middle Ages. It may be called a sprightly travesty upon Japan, as it yet contains little beyond its costumery to identify it with that country. The music does not pretend to be Oriental, but is pleasingly English. This opera, and "Pinafore" have remained the most popular of the Gilbert and Sullivan operas.

**Leading Characters**

The nine characters of the opera are represented by persons who are well known for their talent in music and dramatic work. The Mikado of Japan is played by Frank E. Stouder. Mr. Stouder was formerly owner of the Palace Theatre of this city and is now manager of the Mizpah Shrine Auditorium. Nanki-Poo, who is the son of the Mikado of Japan, will be very well portrayed by Archie Spice, who has a very pleasing tenor voice. Mr. Schafer several years ago took the part of Nanki-Poor when the Chicago Opera Company produced "The Mikado" in Chicago. He will have the part of Ko-Ko, the Lord High Executive, when the opera is given here.

Pooh-Bah, Lord of Everything Else, is the comical stout of Ferd Urbahn's part. Mr. Urbahn is a member of the male quartette at the First Presbyterian church.

The girl who causes Ko-Ko and Nanki-Poo to become rivals is Yum-Yum, who will be Mrs. George Bailhe. Mrs. Bailhe is well known in local musical organizations and is a teacher of voice at the European School of Music.

**Two Students Have Parts**

A student from South Side and one from Central will be included in the cast of the opera. These are Thelma Buirely of South Side and Rosalia Pollak from Central. Thelma graduated in January. Both girls have exceptional soprano voices. Thelma, who is a pupil of Mr. Schafer, has taken part in all of South Side's musical presentations. In the opera, Rosalia and Thelma will be Pitti-Sing and Peep-Bo respectively.

**Miss Kinnaird Has Part**

Since she has had considerable experience in dramatics and musical affairs, Virginia Kinnaird will be well fitted for the part of Katisha, who is a lady at court in the opera. Miss Kinnaird is a teacher in the South Wayne school. She has a pleasing contralto voice and sings at the Third Presbyterian church.

The courtier, Pish-Tush, is Jess Klopfenstein, whose fine baritone voice has been heard in many local musical concerts. Two Japanese servants who have important parts are Jack Bailhe and Ed Lou Bailhe.

**Choruses Include Many**

The people who are in the different choruses of the opera have been selected from musical clubs of both schools. The boys' chorus includes: Dean Metzner, Howard Crise, Jack Clayton, Dale Shiner, Joe Little, Robert Nosselt, Ross Werman, Clinton

(Continued on Page Six)

"HEALTH-RECREATION"  
TOPIC FOR DISCUSSIONHi-Y Clubs Planning Joint Party;  
Co-ed Event to Be Given by  
Junior Organization

"Health and Recreation" will be the topic for discussion at the Hi-Y meeting this evening at the Y. M. C. A.

The Bible study for the meeting will be "A Call to Personal Service."

Last Thursday both Hi-Y clubs held enthusiastic meetings with a total attendance of sixty-three. Mr. Virts was the most interesting discussion in the South Side meeting on "Dancing."

After the meetings, the presidents of the two clubs met with the social committees in the boys' work office, and plans were made for a joint Hi-Y party, to be held on Tuesday, March 30. Committees are working hard on this party and promise it will be one of the outstanding events of the season.

The Junior Hi-Y co-ed party is scheduled for Friday, March 26, at the Y. M. C. A. club rooms at 7:45 p. m.

"Some Deeds of the Master" was the topic discussed at the last meeting of this organization.

Hic, Haec, Hoc

Students who will enter the district Latin Contest, March 27, are working hard to win all the honors in that contest for South Side. They are ably seconded by the Latin teachers. Hope you win, Latini!

Yea, bo!

We're for You, Central!

This Friday Central will enter the state tournament, having won the regional meet last Saturday. Since South Side can not win the state; why let's boost Fort Wayne's only chance, Central. Good luck, Tigers!

'Bout Time

At last we are beginning to realize how really important our girls' varsity is! Before this we'd know, in a vague sort of way, that there was such a team but we never felt particularly enthusiastic about it. But now we all thing that the girls have SOME TEAM.

Another Victory

Last Saturday twelve South Side students took the county Latin test at Central. Out of these, ten South Siders took every place in the contest, and will therefore enter the district contest March 27. These people have spent much time studying for these contests, and deserve what honor they receive. It looks as though South Side might again take high honors in the state contest.

Grow Tall

Are you going to Boston university, boys? In the regular course there, they are now teaching men students how to grow tall. It might be worth-while to go there. As much as one inch has already been added to the height of some of the young men according to Dr. Emerson, head of the department of physical education. But then he says, too, that the secret is in correct posture. Considering this, you small boys needn't go to Boston to grow tall after all. You just have to sit and stand straight.

The "Mikado"

One of the best operettas ever given by a Fort Wayne high school will be presented next Wednesday by the South Side and Central Glee clubs at the Shrine auditorium. This performance should hardly be called an operetta, since it is really light opera, something you would pay a lot to hear anywhere else. You can see it presented here for fifty cents in the afternoon and one dollar in the evening. The story of the opera is intensely interesting as well as amusing. Besides the Glee clubs, leading singers of the city will have prominent parts, so that it will be not only a school affair, but one of civic interest also. If you have not yet purchased your ticket, get it now or they may be sold out.

For Fat and Thin Alike

We hear a lot about special exercise for fat people and special exercise for thin people, but there is a set of daily dozen for both the fat and the thin. It will not help much in the elimination of copious waist-lines and double-chins, it will not help to develop a thin person's arms or legs, but it will help to make life sweeter.

The daily dozen are: a little patience, at least once; a minute of selfishness; a kind word, or two or three; a bit of self control; a flash of generosity; a prompt excuse, for someone else; a noble thought; a good deed, not left undone; a brief prayer, for a friend in trouble; a moment of thankfulness; a kind smile, where it may brighten another's day; and a snatch of song.

We have our special exercises to make us physically fit, so why not adopt these exercises to make us mentally fit? While the faithful performance of the one kind keeps us alive and full of pep, strict adherence to the other will make our life much more worth-while.

—Gertrude Schuelke.

## SOUTHERN SPICE

The sophomores saw a patch of green,  
They thought it was the freshman class;  
But when they to it nearer drew,  
They saw it was a looking glass.

JOKE NO. 10,453

A son of Erin once described his first day's shooting in the following way: "The first bird I ever shot was a squirrel, and the first time I hit him I missed him altogether, and the next time I hit him in the same place. After that I took a stone and dropped him from the tree, and he fell into the water and was drowned, and that was the first bird I ever shot."

BITTER TRUTHS

I stood in the cafeteria  
While the clocks were striking the hour,  
And fought like a gentle chimpanzee  
For a little food to devour.

And I thought of the many thousands  
Of tray-encumbered students  
Each forgetting entirely that I, too,  
Have need of nourishing foods.

How often, Oh, how often,  
In the days that have gone by,  
I have stood in the cafeteria  
And longed for some distant pie.

How often, Oh, how often,  
I have wished that I might be first  
And get the cream of the good things,  
Instead of only the worst.

—Not by Hazel Menefee.

TAPS

The motorist was a stranger in Boston. It was evening. A man approached:  
"Sir," said he, "your beacon has ceased its functions."  
"What?" gasped the astonished driver.  
"Your illuminator, I say, is shrouded in unmitigated oblivion."

"I don't quite—"  
"The effulgence of your irradiator has evanesced."  
"My dear fellow, I—"  
"The transversal oscillations in your incandescer have discontinued."

Just then, a small newsboy came up and said, "Say, mister, yer lamp's out."

FAMOUS GREENS

Bowling.....as Grass.  
Wardo's.....Team.  
Paris.....  
St. Patrick.....  
Long.....  
Gan.....  
FRESHMEN.

V. L. (translating Latin): "Caesar had forbidden each single man to leave each single legion."  
Miss Work: "Well, Vivian, what about the married men."

Mr. Whelan: "Well, C. J., what is the Solar System composed of?"  
Bright C. J.: "It is composed of the sun and its family."

Dale: "What time did you go home last night, 1 o'clock?"  
George: "No."  
Dale: "12:30?"  
George: "No."

Dale: "Well, I know you didn't take the street car home."

THE SMOCK

The Pen rolled over  
To the Well of Ink;  
Said the Pen to the Well—  
"Now what do you think?"

Now what do you say,  
To this latest frock  
The girls are wearing,  
They call it a smock.

Nifty, say I;  
Now what say you  
To the latest idea  
Of this excellent crew?

Said the Well to the Pen  
"I certainly agree,  
A nifty idea,  
And as neat as can be.

The choice of color  
Is a credit to all;  
For those cute little pockets,  
I certainly fall.

The neat little collar,  
The general design,  
In fact the whole garment  
Is certainly fine.

"You're right," said the Pen,  
"We mutually agree  
And what's more, I am sure  
You can plainly see—"

How well they protect  
Each gossamer gown  
From the soot and the dust  
That comes filtering down.

From the ceiling above,  
Through the windows and door;  
It's a wonder the thought  
Haden't entered before—

The mind of these maids,  
To thus shelter their clothes;  
An excellent idea,  
As everyone knows."

The Pen and the Well  
Then loudly acclaim,  
And consign the Maiden  
To the Hall of Fame—

Who gave birth to the thought  
Of this excellent scheme  
For keeping the dresses  
So dainty and clean.

—Contributed by a Mother.

Poor little freshman,  
Trying hard to learn,  
Needn't learn the fire drill,  
You're too green to burn.

We wonder why all during the basketball season, Central had one of its sections reserved for "Central Boys" and all the rest for "Central Students." Of course, there are no insinuations!

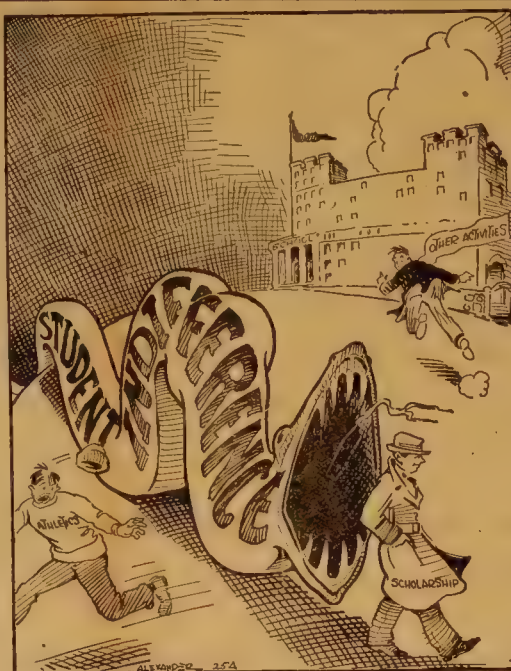

Jim: "Bill's a born musician."  
Jams: "How's that?"  
Jim: "He was born with drums in his ears."

Mary: "Track, unlike basketball, gives one a wonderful carriage."  
Oscar: "Yes, and a couple of 'Charley horses' to draw it."

I shall now tickle the ivories, said the Duke, as he fingered a tooth pick.

C. P.: "I don't think I deserve an absolute zero."  
Miss S.: "Neither do I, but it's the lowest grade I can give you."

## Page St. Patrick!

## The Dean Says

Our school life is built on a business of mutual trust. Any one who violates that spirit in any degree goes just so far toward breaking down the confidence which makes the system possible. He commits not only a personal but a social wrong.

Martha McMillen

## A Mite of Verse

WHAT IS LIFE TO YOU?  
To the preacher life's a sermon;  
To the joker life's a jest;  
To the miser life is money;  
To the loafer life is rest;  
To the poet life's a song;  
To the lawyer life's a trial;  
To the doctor life's a patient  
That needs treatment right along.  
To the soldier life's a battle;  
To the teacher life's a school;  
To the man upon the grafter,  
It's a failure to the fool.  
To the man upon the engine  
Life's a long and heavy grade;  
It's a gamble to the gambler;  
To the merchant life is trade.  
Life's a picture to an artist,  
To the rascal life's a fraud.  
Life perhaps is but a burden  
To the man beneath the hod.  
Life is lovely to the lover,  
To the player life's a play;  
Life may be a load of trouble  
To the man upon the drey.  
Life is but a long vacation  
To the man who loves his work;  
Life's an everlasting effort  
To shun duty, to the shirk.  
To the earnest Christian worker  
Life is a story ever new;  
Life is what we try to make it—  
Comrade, what is life to you?  
—A reproduction.

## And Werse

A NEW PSALM OF LIFE  
Tell me not in mournful numbers  
ADVERTISING is a dream,  
For the business man who slumbers  
Has no chance to skim the cream.  
Life is real! Life is earnest!  
Competition's something fierce,  
If for dividends thou yearnest,  
Learn to parry, thrust and pierce.  
In the business field of battle  
Mollycoddles have no place;  
Be not like dumb, driven cattle  
Be a live one in the race.  
Lives of great men all remind us.  
We can bring the bacon home,  
And departing leave behind us,  
Footprints on another's dome.  
Let us then be up and doing,  
Otherwise we may be doing;  
Still achieving, still pursuing,  
ADVERTISE  
And get the MON.  
(With apologies to Longfellow) M. S.

## Who Zoo

Yes, he's just a little fellow, but he surely "knows his stuff." He's the youngest Eagle Scout in the country (and he has two brothers who are both Eagle Scouts). He's good in school work, too. He was in the county Latin contest and was first in the one at school.  
Of course, you know by this time that Bartlett Ewell is the boy described. He is taking Latin, English, algebra, biology, and gym with Miss Woodward, Miss Esagey, Mr. Davis, Mr. Heine, and Mr. Welborn respectively. He was on the honor roll last term at mid-term and at the end of the semester. He also has the distinction of being one of the youngest boys in school. So you see that although he is only a freshman, he has already made a name for himself in South Side.

## Calendar

March 18—Hi-Y meeting, Y. M. C. A. 6 P. M.  
March 18—Wranglers, Room 76, 3:00 P. M.  
March 19—State tournament at Indianapolis.  
March 20—Boy Scouts meeting.  
March 22—Philo meeting, Room 86 3 P. M.  
March 23—So-Si-Y meeting, Room 86, 3 P. M.  
March 24—Opera—"Mikado," Shrine auditorium, 8:15 P. M.  
March 24—Junior Hi-Y meeting, Y. M. C. A. 6 P. M.

## ASK YOURSELF?—

The First All American

If you can afford to make no plan for the future.  
If you watch the passing crowds you will see thousands who never save a cent, do not know where their next dollar is coming from and invariably come to want.

A thrift plan that saves the pennies is the most "cents-ible horse sense." How easy it becomes with its additional virtue of protection through a Lincoln National Life Savings Policy.

## Coaches of Visiting Teams Like Management Of Regional Tournament Held at South Side

### One Improvement Is Suggested By the Mentor of the Angola Tossers.

"How did I like the management of the regional tourney? There's not much use to ask that; however, I thought it was mighty fine. We appreciate the services of the South Side teachers and, also, the write-up given us in the Times," was the opinion of Mr. Kilpatrick, coach of the LaGrange team.

The other coaches of the teams which played were practically of the same opinion. Coach Guyman, of the Kendallville cagers, said when interviewed, "I greatly liked the way the tournament was conducted. Do I have any suggestions as to improvements? No, I don't. It couldn't have been managed better."

Coach McClure and Coach Chambers, of the Angola and Columbia City teams respectively, also added praises to the way the tournament was handled and said they hoped that South Side would have the tournament next year.

"There is one thing, though, I wish South Side had," said Coach McClure, "and that is beds, so that the players might rest between the games in which they play."

"The tournament was very well conducted. I haven't anything to suggest as improvements," said Coach Mills of Central in giving his opinion. Bluffton's coach, Mr. Rippe, and Mr. Hiltz, of Berne, also liked the management of the tournament.

Coach Mills said upon an interview, "The Berne school management, team, and myself express our appreciation to Principal R. C. Harris for the splendid entertainment provided for by South Side."

## Alumni News

Mr. and Mrs. W. Zahrt have returned home after spending the week-end with their son, Joe, '24, who is a student at Purdue University.

Alice Keesberry, '23, is teaching at the Harrison Hill school.

Art Sprandel, '25, is enrolled at the Indianapolis Pharmacy school.

Annetta Yaggy, '23, is employed at Grant's Department store.

LaVon Fletcher, '23, will leave for Lake Forest College, where she was formerly a student. While there, LaVon will attend the initiation of the Theta Psi sorority, of which she is a member.

Kathryn Sellers was the guest of Helen Crawford, '25, a student at Indiana University, for the week-end. Kathryn and Helen attended the Zeta Tau Alpha formal dance.

Mary Meek, '24, is employed in the drafting department at S. F. Bowser Co., Inc.

Lucile Countryman, '24, will leave the city for Defiance, Ohio, where she will make her future home with her parents, who moved there several months ago.

Edna Powlisch, '23, recently entertained the Dorcas girls at her home on South Webster street.

Helen Hobrock, '24, has been plighted to the Delta Tau sorority of this city.

Martha Cress, C. H. S., '23, has returned to the city after a few days' visit with Helen White, S. S. H. S., '24, a student of DePauw University.

Prelina Fletcher, '25, a student of Lake Forest, spent the week-end with her parents.

Dorothy Dix, '24, is enrolled at Oxford University.

Mildred Kesterson, '25, has been plighted to the Sigma Phi Gamma sorority of this city.

Esther Palmer, '24, is enrolled at the University of Wisconsin.

Rose Marie Kronmiller, '25, spent the week-end with her parents. Rose attends Muncie Normal.

Dorothy Verweire, '23, is working at the public library. She is taking a library course.

Charley Brubaker and Paul Staigh played with the Bass Foundry quintet against the Dudio five at the South Side High School gymnasium last Thursday evening. The Bass team won by an overwhelming score of 38 to 18. "Chuck" Brubaker starred with 11 baskets and a free throw.

Helen Rastetter and Prelina Fletcher, '25, of Lake Forest College, spent the week-end visiting their parents in this city.

## THERE MAY COME A TIME IN YOUR LIFE

For it comes to all of us sooner or later, when the endorsement or recommendation of a good bank will mean a great deal to you.

Credit and confidence once established constitute a valuable asset.

This Bank invites you to confer with its officers relative to the facilities it offers for the transaction of financial business.

We believe a call will be advantageous to you.

## With The Classes

Harry Wedler contributed greatly to the research department of chemistry when he donated a nickel's worth of cranberries.

The 9B woodworking classes are working on their pieces of furniture.

The 9A wood-turning classes have about finished spindle turning and will take up face plate work.

The manual training department received some new tools this week, among them being two new shoot boards. These are used in very accurate planning of mitres.

Examinations over the first part of the text of economics were given by Mr. Murphy last week. He reports an unusually large number of A's for this examination.

Harold Withey, formerly of St. Joseph's high school at Kalamazoo, Mich., has entered South Side. He is a junior.

Fossils, estimated by geologists to be many millions of years old, have recently been exhibited in the 10B P. G. classes. Most of these fossils have been found in the vicinity of Fort Wayne.

Mr. Arnold was absent last week on account of the illness and death of his father in Cleveland, Ohio.

Mr. Arnold was absent last week because of the illness of a relative living in Cleveland, Ohio.

The 10A cooking girls are completing the serving of lunches this week.

Mary Lucille Otten has returned to school after being absent for three weeks.

Miss Esther Dermody, of Hagers-town, Maryland, visited school with Gertrude Bradley recently.

Miss Miller, Miss Schmidt and Miss Mott were absent Monday.

Catherine Miller, Alice Parr, Nellie Buchan, and Charles Gruenert are captains of diagramming teams in Miss Esarey's second period class in English II.

Dorothy Reed, who has been ill for a week with influenza, has returned to school.

Howard Craig has been ill with the influenza.

Mr. Murch is conducting a typewriting tournament in his typewriting 2, 3 and 4 classes, beginning this week. The contests are being conducted simultaneously to a basketball tourney. The object is to decide the winner in each of his classes. Mr. Morris' classes are not included.

Ruth Doenges has been absent several days on account of her mother's illness.

The girls in the 9A cooking classes have brought milk caps from home. It is interesting to note the qualifications of the milk used in the home.

Miss Rinehart's junior literature classes have begun to study "The Autocrat of the Breakfast Table."

Students in Miss Ley's art classes are decorating the forty kimonoas which will be worn in "The Mikado." A cherry blossom design is being used and the girls are painting them with oil paints.

Mr. Chappell was absent several days last week because of illness.

Mr. Schellschmidt was a very busy man last week. Besides teaching his classes in Manual Training, he taught Mr. Arnold's and Mr. Chappell's classes when these two teachers were absent.

## In the Stone Age

March 18—Maurice Murphy, our history teacher's hopeful, took his first automobile ride.

March 18—St. Patrick's banquet held by members of Philalethian society.

March 18—Arthur Martin and Ralph Dornte win high honors in Y. M. swimming meet.

March 20—South Side-Central goat placed on sale because it was causing too much damage and eating too many tin cans.

March 21—So-Si-Y members gave a faculty spree in the cafeteria. Miss Pittenger and Mr. Burden win chocolate pigs.

March 23—Mary Forker won the county discussion contest at Central.

March 23—South Side's band was organized by Mr. Schaffer.

March 23—Basketball sweaters were awarded eight members of the team.

## Do You Know

That the speed limit of the snail is one-half mile per week?

That the trackmen practiced in the snow last week?

That there are eighty different kinds of rocks and minerals in the P. G. display case?

That the distance around the boundary of the United States is 13,156 miles.

That the basketball season is over.

That the Times printed 2,200 ten-page papers last week.

That you can see the "Mikado" next Wednesday for fifty cents.

That members of South Side's senior class were the only ones who sold candy at the regional.

That a bird in the hand is vulgar. One should use his knife and fork.

## LEHMAN'S

926 Calhoun—at Washington

It's a good thing there wasn't much night life back in 1776.

Otherwise Washington could never have found time to occupy all the beds he is supposed to have slept in.

Not that we've got any of these early American antiques—but we have got some reproductions that are just as beautiful and a whole lot more practical.

And, joking aside, this tendency toward the best in old American design is producing some mighty attractive furniture.

Come in—you'll think so, too.

## FOSTER-RAHE CO.

## Tip Offs

By Willie Gettitt

Congrats, Tigers! May you go as far as we hoped to!

Now, with basketball out of the way, young man's fancy turns to thoughts of track and baseball (not mentioning dates, proms, etc., etc.).

Captain DuWan, Wiener, Rahe, Branning, Simon, and Willson played their last basketball for South Side in the sectional.

Well done, fellows! May the future athletes of South Side keep up our traditions as you have.

Syracuse has the unique record of not having lost a game throughout the season, the sectional and the regional tournaments. We wonder if they will keep up their good record down at Indianapolis???

Speaking of "all" teams, this Syracuse gang takes the cake! They have four all-sectional players on their team and the fifth player got first place in the honorable mention.

An athlete smart is James Michael McFold. On the hardwood and sofa he surely can hold.

We don't know whether she heard this or not but our "colored" wash lady answered up right purty when we asked her where Kusters, her husband, was.

"He's done Passaic," she ejaculated.

"Why, what do you mean?" we asked.

"Well, you all don't hear of him anymore." (!)

At the end of the season Izzy Good pops up with the question: Why doe the basket bawl?

Can you imagine the trackmen working outside on a day like last Monday?

They surely must have a love for their sport.

The time will soon be here, also when the horsehide slingers will be cavorting around the stadium.

Last year the Green and White baseballers played South Bend for the state title and lost after a hard battle.

The prospects in spring sports in general are very bright and all loyal Green rooters should turn out for track and baseball as well as football and basketball. SO COME OUT!

CHAS. D. SMITH,  
Author and Producer

## Why All Should Be Interested in the Success of the DeMolay Minstrelsy

By CHAS. D. SMITH

On the educational program, of any organization for young men, should, and is generally found the heading:—CHARACTER-DEVELOPMENT, and under this, the sub-heading, RESPONSIBILITY. Having in line the development of the characters of our young men, the heads of these various organizations have builded on this sub-heading (RESPONSIBILITY) for the inculcation in the minds of them much that this character-essential implies by delegating to every individual member certain responsibilities which must be discharged to the best of their juvenile and adolescent abilities.

To bring out this essential, those in charge of the DeMolay, Ft. Wayne Chapter have hit upon the plan of placing such responsibility with all DeMolays and at the same time giving the young men a chance for physical and dramatic expression by the promotion of an affair which is dear to the hearts of all boys and girls and which every boy and girl loves—A MAMMOTH MINSTRELSY.

This Minstrelsy is now in the process of development by the boys themselves, the entire responsibility for the arrangement being shouldered by them, with the directors, myself and my assistance, standing in the background as much as possible in this way encouraging INITIATIVE and SELF-RELIANCE, the directors offering only constructive suggestions wherever necessary.

In order that this RESPONSIBILITY is assumed by all the boys I have entered upon a system whereby the cast will furnish the greater part of the minor ideas by suggestion, enabling me to arrange a Minstrelsy of vast proportions, by inserting their suggestive, farcical and fantastical numbers between the higher type of professional, dramatical, and educational numbers, drills, etc.

Such a magnificent program necessarily means that the largest theatre obtainable would be the only appropriate place to enact this array of talent, brought to perfection, by the untiring endeavor of each young men and young ladies will participate in this colossal affair, each having their own little responsibility going in to make the big concerted juvenile RESPONSIBILITY an enormous success. In short, it is to be the biggest day in the history of the Fort Wayne chapter of DeMolay.

It is expected, and in my mind a certainty that some hundred and fifty to a hundred and seventy-five individual in mastering his or her responsibility to the ultimate degree. Therefore we have chosen the new beautiful Mizpah Temple.

In consideration of these facts we take this means of impressing upon the minds of the cast the importance of their undivided attention to the arrangement of the programme in order that we may exhibit for the benefit of the general public an exclusive masterpiece.

I personally vouch, that by the dates already set, which are March 26th and 27th, with a matinee on the 27th, that the cast will have reached a climax of perfection, and to show their gratitude, to all who have in any way co-operated in making this production, the success, we are positive it will be, we will put forth every effort, to prove to the masses, that collective (RESPONSIBILITY) when properly programmed will produce the desired end.

## Therefore the DeMolay Minstrelsy

## Winners All

By Brooks Smith

### Chapter I.

At half-past nine o'clock on the night of January fifteenth, a boy was just going to bed in a certain rather poor and rambling residence on North Walnut street. If the house was poor, the boy and his aunt, his only living relative, were poorer. But to make matters worse, the boy was crippled in such a way that he could not hope to indulge in the sports and amusements of other boys. Fourteen years before, a terrible scourge of scarlet fever had visited the town of West-hampton and wiped out over two score of the inhabitants. Of this number were Mr. and Mrs. Joseph Thompson, the father and mother of Franklin, the boy with whose life we are now concerned. Franklin also suffered an attack of the disease and was left, by the Fates, with a leg so twisted that he had to go about on crutches ever afterwards. As he prepared for his night's repose, his heart was heavy with many sorrows, and he prayed that he might be aided in his trouble.

"Oh, God, please help me find something to do to help my aunt in our difficulties; to regain the use of my leg; and, oh God, may I not have a part in the tournament, no matter how small?"

Having invoked these blessings, he climbed into bed and soon passed into a troubled sleep.

Early the next morning, Franklin, after eating a frugal breakfast, took his books, and set off for Lincoln High on his crutches. As he neared the building, he was greeted by shouts of friendliness on all sides. Everyone liked Franklin, for he was always a friendly, good-natured boy and the brightest student at Lincoln High, even though he was a reserved but heady cripple. On account of his cool-headedness he had been elected to a post on the Student Council.

As he entered the door, he heard everywhere many students discussing the good fortune of the Lincoln hard-wood team and the possibility, or more likely the probability, of the team's entering the state contest; but he was more interested, at the moment, by the approach of Mr. Carton, the principal. Mr. Carton informed him that he was to go at once to the council room, as an important matter was up for discussion. Franklin knew, by the look on the principal's face that some greatly disliked duty must be performed. When he entered the room, he saw the rest of the council already seated about a committee table. The four boys already assembled were Phillip Parker, president, and captain of the basketball team; James Belton, Richard Smythe, and Henry Smollet.

When all had given their attention, Phil Parker arose and said, "Boys, we have been called here to settle a matter of vital importance to the school. For quite a while, we have been troubled with several students who have been sneaking into the games without paying the admission price. In the fall they climb over the fence around the football field, and in the spring they push through the gym doors before the ushers can stop them. These thieves have been ferreted out and must now be punished. What do you propose?"

Belton was on his feet at once and exclaimed, "Mr. President!"

"James Belton."

"I move that each boy be required to pay for all games seen and then be expelled from Lincoln High for five days."

"I second the motion," cried Henry Smollet.

"The motion has been moved and seconded, are there any questions or discussions?" asked Phil. "Let us hear from you, Franklin; you are always level-headed in questions of this nature."

"Thank you, Phil, I will say a few words. I do not like to be contrary, but I don't believe that you perceive the consequences of this act. If the boys are put out, each one will miss those twenty recitations; the admirable school spirit of the student body may be very much broken down; and public opinion will be excited, probably contrary to the school. We would therefore have the bad will of the teachers, students, and the public. This we cannot afford, for we need the good will of everyone if we are to win this state championship."

All were silent for several seconds. "I withdraw my motion, for I believe Franklin is right, again," said James Belton rising.

"Frank, will you put your views into the form of a motion?" asked the president.

"I move that these boys be taken before a meeting of this council in joint session with the faculty, that charges be placed against them, and finally that they be thoroughly lectured by Mr. Carton on the evils of dishonesty."

"Is there a second to this motion?" "I second the motion," said Richard Smythe; "for I also, believe these boys' future education might be ruined by their being expelled."

The president called for a vote; and, when the ballots were counted, it was found that all of the members were in favor of Franklin's plan.

School went along smoothly for the next few days, bringing its share of work and play to all the student body. During this time, however, Franklin was continually called upon to show another of his abilities. In all of his spare moments he was constantly addressed with such entreaties as "Oh, Franklin, show me how to do this twenty-third trigonometry problem," or, "Frank, explain Boyle's Law to me." It seemed that Franklin was one of the most popular boys in school, even if he couldn't take part in sports, his dearest ambition.

He always took up his post in the gymnasium, after school, where he would watch the team go through its "stuff." When the practice was over, he was usually invited into the coach's office and asked if he had any suggestions to offer on the advisability of certain new plays which were tried out. This will probably seem queer to us, with our mammoth gymnasiums and high-salaried coaches; but in Lincoln High there were but small facilities for athletics, and the coach taught history on the side. The fate of the team hung more upon the ability of the players than upon the aid of the coach, but the coach was constantly trying to increase his ability; hence he considered the suggestions of a person who saw the play from the sideline.

On this evening in the early part of February, Franklin was in the coach's office where he had been conversing with the boys about the prospects of the team.

He was addressing Mr. Langston, the coach, thus: "Yes, sir, I believe that Parker is depended upon a little too much. He is so much like the key-stone of the old Roman arch; if he gives way, the whole team is gone."

"Thompson, you have acted the part of an excellent assistant coach this winter; and, for that reason, I am going to tell you something. That is our chief weakness," slowly declared the coach. "I have had to build on the material available, and Parker is the only man able to fill the position. He is a little bit headstrong; and, for that reason, he got out of my control a little last fall. The boys learned to depend upon him, and I haven't been able to break them of it since. Oh, if something should happen to him, our team is gone like a ship up the fingers."

"Yes, but then what's the use of worrying? We have gotten along so far with a straight slate of victories. Only one more game, and then, the state tournament. We have simply got to win. Ninety-five percent of the students are expecting us to bring home the bacon. Why, out of the three hundred and fifty students, three hundred and twenty-five have bought tickets to the tournament."

"Oh, I am confident that our team will make a good showing. But the boys have all been gone now for quite a while, and so I move that we close up shop and go home. You want to get a good night's rest, Franklin, because tomorrow is the day for first quarter exams," said the coach.

"Yes I know that. Well, good night, Mr. Langston."

"Good night, Franklin."

### Chapter II.

The day following the one upon which Franklin and the coach had had the foregoing discussion ushered in the examinations for the students of Lincoln High. The plan of examining the students was very much like that used in the private preparatory schools; that is, at certain specified hours examinations were held in English, at other hours in mathematics, and so on until all subjects had been presented. When the papers had all been graded, the averages of the students were posted on the bulletin board in the library. The tests went along very smoothly for Franklin and for most of the student body. There were, however, a few who would not take much pleasure out of seeing their averages posted.

When the janitor opened the doors on the morning after the tests, a great throng of students rushed to the board in the library to find out their standing. There were many exclamations of joy showing that the majority of the students had done well in the tests and were satisfied with their grades. Phillip Parker did not raise his voice in exultation, but, instead, slipped away from the board and hurried to the dressing room. Here he sat with his head in his hands and the blackest sort of a scowl on his face. He had failed in physics.

"I don't believe that I did so terribly bad in that test; I think Woodburn was trying to take his spite out on me. He was sore because we didn't get over as much ground this quarter as we should have. He thinks the students are more interested in basketball than in getting their lessons, and he blames me for it."

Such thoughts as these coursed through Philip's mind as he sat in the corner.

Phil was a headstrong and quick-tempered boy; and, since these were his first thoughts, he did not bother to consider how little he had done in physics.

There had been another notice on the bulletin board announcing a chapel session for three o'clock, which all students were requested to attend. Of course, there were classes as usual throughout the day; but they might just as well have been called off for all the good that the pupils got out of them. The students moved as under a black cloud, oppressed by the blasted hopes of the team. At three o'clock Mr. Carton stepped out onto the platform as the auditorium.

"Students," he said, "I find it my sad duty, but nevertheless necessary, to give the captain of the basketball team a failing grade in physics and as a consequence destroy the hopes of the team for the coming tourney. You all know that our team this year has been a one-man team; and, with the one-man gone, we can not hope to get anywhere; so Mr. Langston and I have decided that we will ask to be withdrawn from the contestants for the state title."

Cries of "No! No! That's not fair," and "Can't we do something to have

the captain made eligible again?" were heard from all parts of the room.

"Well, I had expected some opposition, but not as much as this, to my plan," said Mr. Carton. "I'll tell you what we might do, though; I won't send in the request until after the student council holds a meeting. They are your true representatives, and I will consider any proposition which they might offer. Is that all right? Good. They will please meet in the committee-room at once."

When the members of the council came together in the specified room, Captain Parker was absent. Henry Smollet, the vice-president, called the meeting to order and stated the purpose of the committee's coming together.

"Boys," said Henry, "you know as much about this as I do. So let us hear any suggestions which you may have to offer. I confess that I don't know what we can do."

"Oh, if we only had not depended upon Parker so much, we might— but what's the use of supposing?" lamented Belton.

"Why not let Harvey Adams fill Parker's position? He is just about as tall as Parker, and he has almost his speed," Smythe declared.

"No!" and Smollet was quick in his reply, "that will not do. We have no business trying to arrange the team to suit ourselves. Mr. Langston did not want the team arranged that way, or he would have done so and refused Mr. Carton's proposition."

"I agree with Smollet," Franklin said. "We can not change the lineup, and Phil must be on the team, or we are licked before we begin. The only thing I can see to do is to have Phil take another exam in physics. It is not exactly proper for him to have another chance, but I believe that Mr. Carton will find a way out of the difficulty."

"I don't believe that plan will work. In the first place, Mr. Woodburn won't give him another test; and, in the second place, Mr. Carton won't permit it; and, third, Phil doesn't know any more about physics now than he did before. So what would be the use of a second exam?" James Belton vehemently declared.

"Well, we can't hurt the cause by getting Mr. Carton's opinion. I suggest that we have him come in and express himself. I will go myself and ask him to come."

Franklin went off in search of the principal, whom he found in his office staring vacantly out of the window. He explained the situation to him and asked that he come to the committee room and say a few words to the boys.

"Now, boys, here is the condition of affairs," said Mr. Carton, when he had come before the meeting. "We have the state tourney starting us in the face a week from this Friday. This is Wednesday evening, and we have until a week from tonight to withdraw from the tourney. Phil Parker is necessary to our team, and he has failed in the examinations, making himself ineligible to play. I can fix it up all right with Woodburn so that he may take another test, providing he shows enough improvement to justify it. I am afraid that he will not try to study for another examination, for he is positive that Mr. Woodburn refused to pass him because he played on the team. He hasn't been to class all day; and, if he doesn't go to class tomorrow, I shall be compelled to excuse him from the team, even though he does pass another examination."

"I think that we are up against a stone wall but that we can work out all right if we all help," Franklin said. "Suppose Henry and Richard see Mr. Woodburn and talk him into giving Phil another test. I myself will be responsible for Phil's attendance and passing grade in the new test, which will be up to you fellows to procure."

"Hurrah for Franklin!" shouted the boys in unison. "If we can do this, we still have a chance in the tournament."

The meeting broke up; and, as the boys were close to supper-time, the boys started for their respective homes.

As Franklin was passing out, Mr. Carton laid his hand on his shoulder and drew him over to one side.

"Franklin, my boy," he said, "you have taken a great responsibility upon yourself; and, if you make good, you will be the hero of Lincoln High."

As Franklin walked homeward in the fast-gathering dusk, he revolved over and over in his mind the promise he had made to the council. He knew that he could easily coach Phil in his physics so that he could pass the examination; but the question was, how was he going to approach Phil so that he could get him to listen to reason and accept some aid?

"Oh! I have it. Nothing is gained by delaying; I'll stop at his house on the way home."

"Good evening, Mrs. Parker. Is Phil at home? That's good—in his room—thanks; I'll go right up," said Frank as he entered the large Parker home. "That you Phil? Now listen to me, and don't commence to see red until I am through talking. You oughtn't to be here pouting like this; you ought to be down in the gym keeping fit for the tournament. You failed in that test fair and square, and you know it. Now wait until I finish talking. Mr. Woodburn isn't down on you or the team either one. Why, he even went down to Huston a couple of weeks ago to help arrange for us to enter the tourney. You didn't know that, did you? Well, now be a man, and let me give you a few pointers on those physics questions. You can pass that test easily if you will only put a couple of hours of hard study on them. An' here the whole school has bought tickets to the tournament. You aren't going back on them, are you?"

"Franklin, I never saw the situation in exactly that light; but, if you will give me a little help, I will pass that test and help get the state pennant, or I am a poor prophet."

"Good for you, old man, we will start in right after supper on the problems, and day after tomorrow you can be back in practice."

And as Franklin continued homeward, his heart was light, even if he did walk on crutches and have to forego his dearest pleasure.

### Chapter III.

Ten crouching figures sprang to galvanic life as the ball shot into the air. Philip touched it first, but it fell into the waiting hands of Cummings, the Kenwell forward. Quick as a flash Cummings whirled and hurled the ball to his companion. Phil was quicker still, for he perceived the intentions of his adversary and intercepted the ball in its flight. A clear path loomed up, and he dashed towards the goal dribbling the ball before him. A brilliant toss, and the amazing feat ended with two points to the credit of Lincoln High.

The cheerleaders were on the floor at once, and four hundred loyal Lincoln supporters shouted forth their prowess to the opposition.

"Team! Team! Team!" echoed the vaulted gymnasium as the cheers faded away, and the second play began.

On the second tap-off the ball dropped into a clinch and had to be tossed up again. This time it went to Adams,

one of the Lincoln team, who tossed to Lee and then ran forward to receive the ball in a return throw. Lee missed, and the ball went to Calhoun, who rushed madly down the floor, dodged three Lincoln players and threw at the basket. "Round and round on the rim of the basket rolled the ball and after what seemed an age, it rolled off of the outside of the rim.

"Oh!" shrieked the crowd and then settled down once more to view the battle, for battle it was growing to be.

For several minutes the teams fought, racing first to one end of the floor and then to the other. Fouls were made thick and fast; but, when the ball was thrown at the basket, it always seemed to miss the mark. Adams in his excitement brushed against Egleson, whom he was guarding, and threw him to the floor. A double-foul was called, and Egleson received two free-throws. He aimed with the greatest precision; and, as if it was a reward for his care, the ball went through the basket both times. A rest period was called amidst the shouts of joy from the Kenwell supporters and the exclamations of sorrow from the Lincoln boys.

The Lincoln team hurried over to their side of the gymnasium, where they refreshed themselves by wiping their faces with a damp rag and then dropped to the floor for a brief rest. Owing to Franklin's position of assistant coach, he sat on a chair, in front of the student body, with Mr. Langston and the substitutes.

"You're even now," thought Franklin. "Make believe that this next period of play is a new game. Start off like you did at first, and hold your lead when you get it. This is the final game; and, if you fellows can hold out, we can cap the title. I know that you are tired from the other two games, but play like you never played before."

"We'll do our best, even if we are a little heavy on our feet right now," declared Philip.

The umpire's whistle sounded, and the boys trotted out to their places again. Up shot the ball, and up shot the two players who were jumping center. Each side tried to seize the

No Home is Modern  
Without Self-Action  
Gas Hot Water  
Service.

One shovelful out of every 5  
goes to heat the furnace water coil

Hot water from the furnace coil is far from "free." It's costly! It takes the heat from a fifth of all the fuel fed to your furnace; heat which should be conserved for heating the house.

The coil is out of date—a big waste in these days of high fuel costs. Why not discard it, and make your house modern by installing Self-Action Gas Hot Water Service?

Our Hot Water Service Department would be glad to show you how you can enjoy unlimited hot water service at all hours, all year 'round, at a cost surprisingly small. Installing this service in your home is an investment that will pay dividends in comfort, convenience and health. The heater operates itself. Turns the heat on when needed; turns it off when water is hot enough. Heavy insulation holds the heat in, keeps the cost down.

Give your family the benefits of this modern service. Learn of its many advantages. Call at our store and see it—or telephone, asking for Hot Water Service Department, and you will receive full information.

## UPSETS FEATURE REGIONAL GAMES LAST WEEK END

Kokomo, Muncie, and Vincennes Losses Daze Indiana High School Basketball Followers

## MARION IS OUTSTANDING

Bedford, Central of Fort Wayne, Logansport, Franklin, Martinsville Are Favorites That Won

The sixteen teams which will play in the final rounds of the 1926 Indiana high school basketball championship at Indianapolis next week were determined in the eight regionals played last Saturday which proved to be a series of startling upsets. The teams, which but two weeks ago numbered 719, now has been reduced to 16 lone survivors.

Although most of the favorites came through according to hope, the regional round proved to reveal many upsets.

Frankfort, a decided favorite, came through according to form having little trouble disposing of West Point or Bainbridge.

Kokomo's overwhelming defeat handed them by Marion left last year's runner-up stunned. Until the game with Marion, the Kokomo veterans had dashed through the tourney without being forced. As a result of its showing, Marion's stock took a decided jump.

Another upset was the defeat of Vincennes at the hands of Central of Evansville. Evansville barely won its first game of the tourney. A basket in the final minutes of the game gave them a victory over Owensville. Hillsboro came in for a share of glory by downing Monon 27 to 23 after Monon had defeated Crawfordsville earlier in the day. Newcastle won some additional followers by a victory over Greenfield after Greenfield had eliminated the Muncie Bearcats in one of the biggest upsets of the tourneys.

The Rushville followers were dazed to see the North Vernon cagers put the Lions out of the running after a furious battle had been staged.

Aurora, another five which did not receive much consideration before the tourney, put their team on the map by eliminating both Morton of Richmond and Connersville. Nappanee surprised Plymouth by the 26 to 24 victory turned in by Nappanee in an overtime tilt.

Central of Fort Wayne, Logansport, Franklin, and Martinsville, all favorites, came through according to true form. The results for the eight regionals are as follows:

At Bedford—Bedford, Central, of Evansville.

At Greencastle—Hillsboro, Frankfort.

At Rushville—North Vernon, Aurora.

At Martinsville—Franklin, Martinsville.

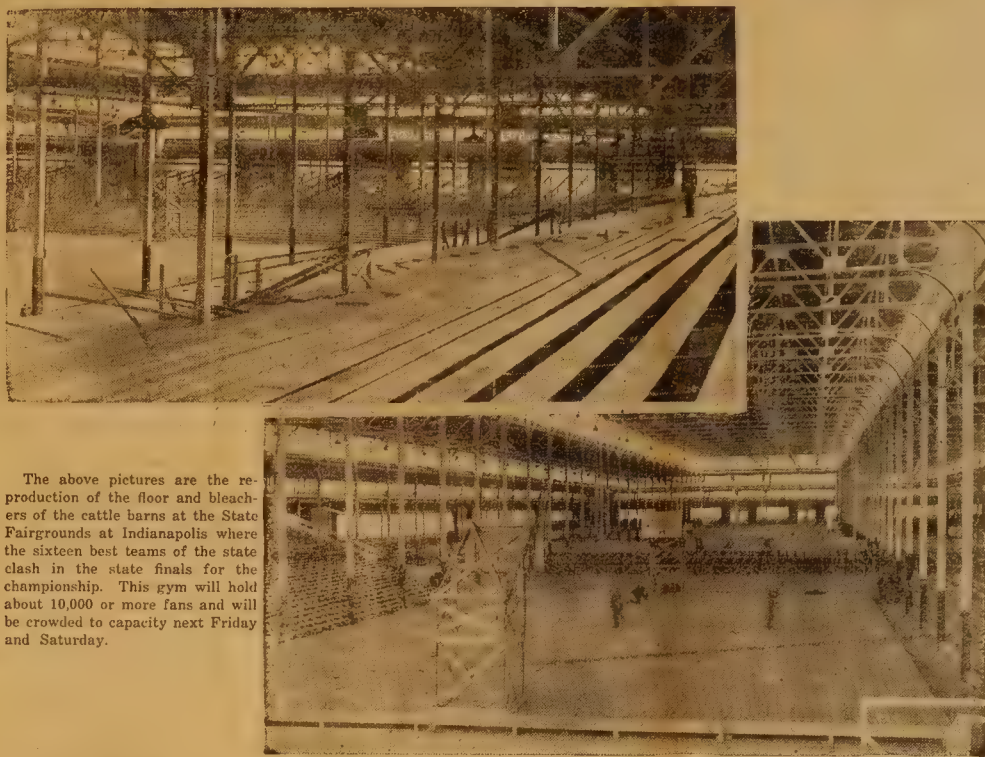

At South Bend—Laporte, Nappanee.

At Fort Wayne—Central, of Fort Wayne, Syracuse.

At Kokomo—Logansport, Marion.

At Muncie—Summitville, Newcastle.

## Basketball Stadium at State Fair Grounds

The above pictures are the reproduction of the floor and bleachers of the cattle barns at the State Fairgrounds at Indianapolis where the sixteen best teams of the state clash in the state finals for the championship. This gym will hold about 10,000 or more fans and will be crowded to capacity next Friday and Saturday.

## BIG TEN EXPLANATION GIVEN TO WABASH HIGH

Coach Veenker, of Emerson, Reveals Situation Before Principal M. C. Darnall

Coach George J. Veenker, of Emerson high school of Gary, in a letter to M. C. Darnall, Wabash high school principal, explained the situation under which the supposed Big Ten high school conference of this state was drawn up without Wabash being placed on the list. Veenker's letter came as an answer to statements of Mr. Darnall and Coach Thom, published in the Wabash papers.

In the letter Veenker stated that the schools named in the Big Ten were not according to his idea of the best in the state, and he also said that the United Press, or whoever handled the story, instigated the idea of the Big Ten, and that it had not originated in Gary. The Emerson coach went on to say that the selection of the schools in the mythical Big Ten were chosen partially due to territorial division and the schools chosen were not intended to be the strongest high schools in the state.

In conclusion Coach Veenker gave his excuse for the drawing up of the Big Ten. "It has always been a pet dream of mine to formulate a conference of this type in Indiana's football realm," or words to that effect.

In case of a conference of the ten best schools in the state should be formed the Gary mentor assured the Wabash principal that his school would surely have one of the teams enrolled.

Mr. Harris says that Wabash has one of the best football teams in the state. South Side had nothing to do with the selection of the Big Ten. South Side considers the Wabash Valley Football Conference a very strong organization.

## Regional Ticket Sales Bring Total of \$2,341.80

A grand total of \$2,341.80 was taken in from the sale of tickets at the regional tournament this year. This amount is greater than in 1925 but is less than in 1923 and 1924, when more teams were entered. The results of the ticket sales for the regional tourneys held at south Side are as follows:

1923—\$2,712.70.  
1924—\$3,093.70.  
1925—\$2,279.00.  
1926—\$2,341.80.

## TRYOUTS FOR TRACK HELD NEXT TUESDAY

Thinly-Clad Will Be Busy Rest of Year; Many Meets Are Scheduled

The trackmen are now going through their daily workouts at full blast. They have been working out for the past two weeks.

Tryouts for the various positions will be held next Tuesday and Wednesday and all members of the squad are trying their utmost to get permanent positions on the team. These tryouts will determine who will be entered from South Side in the Young Men's Christian association's indoor meet and also the Northwestern Indoor Track meet at Chicago.

The South Side cinder pounders are also invited to the Emerson relays on April 24, the same day that the Tech relays are to be held, so Coach Lundy Welborn will probably send some men to Indianapolis and other trackmen to Gary.

## \$60 Cleared by P.-T. at Regional Tourney

The Parent-Teachers' Association cleared about \$60 at the cafeteria at the regional tournament last Saturday. With the cash donations which were promised at the last Parent-Teachers' meeting it is hoped that the total will be brought up to about \$85.

All the money made will be used to help pay for the furnishing of the "Philip Greely Room."

Mrs. W. C. Rastetter was in charge of the entire sale, while Mrs. Fred Lange had charge of the kitchen and Mrs. Byron Somers was in charge of the dining room.

**Students Tour Newspaper Plant**  
Students of the junior journalism class of Roosevelt high school, Dayton, Ohio, took a trip through the Dayton Daily News building.

## SPORT GUSH

Hail, the city girls' champs!

They surely deserve that title.

Now if there would only be a sectional, regional and state tourney we're sure they'd beat 'em all.

Oh boy, did you see the crowd that was there?

They all yelled an' yelled, even those nice little boys way down at the end of the gym.

The G. A. A. girls say "Thank you."

Oh, what sighs of relief we heard as the team made their first rush for freedom from training rules.

Now we'll hear some more of volleyball.

And as soon as Old Sol favors us with more frequent visits we can be going on spring sports.

Did you march in the parade yesterday?

Here's to the Blue and White, let's hope they take the state.

## Presents Play

The history classes of Elkhart high school, Elkhart, Ind., presented a historic pageant during assembly last week. The name of the play was "The Contributions of Early Countries to Civilization."

## Winners All

(Continued from Page 4)

offensive, and the result was a rapid-fire running and throwing which kept the spectators in a constant frenzy of excitement.

"Oh," thought Franklin, "they are going off on a spurt and will tire themselves out before they can get anything done. Kenwell only had one other game today, and they are in the pink of condition. We can't beat them with furious playing; we've got to use our heads; that's all."

Now Kenwell had the ball and was again under the Lincoln goal. There, it was through; and the tie was broken with two more points for Kenwell. The ball was returned to the center. Cummings got the best of the tap-off and sent the ball sailing through the air to Calhoun, who was near the basket. Calhoun caught it, whirled around facing the basket, and dropped it through the ring, as neatly as any expert. Again the ball went to the center, and again the miraculous deed was performed.

"Bang," went the gun. The half was over. Pandemonium broke loose in the Kenwell stand. They had a lead of six points over the opponents. The teams trotted to the dressing rooms amidst yells and cheers.

"Why must this fate fall upon us?" thought Franklin. "Here I worked so hard getting Phil Parker past that examination. Why, I sat up until twelve o'clock one night helping him get those physics problems, and here he disregards our advice and plays like a lunatic. He doesn't care how much work I put in. He gets the credit for the success of the team. Here I saved and saved for weeks in order to come to this game, and now the team is going down in defeat. Those two previous games tired the boys out a great deal though, I guess. I hope Mr. Langston can cheer them up enough to do something; I can't face them now without letting my temper get away."

"Oh! What is it, Mr. Carton? I guess my thoughts were rambling; I didn't see you come up."

"Franklin, I want you to meet Dr. Thomas Swift. He is a famous surgeon here at Huston, and I was telling him about your wonderful work with the team. He wanted to meet you; so I brought him over."

"I am very glad to meet you," stammered Franklin, for he was greatly excited in the doctor's presence.

"Franklin," said Dr. Swift, "I have a proposition to put before you, but I might as well tell you some history before I begin to lay out the plan. When the newspapers started to tell about a crippled boy by the name of Franklin Thompson, I started to do some detective work. I had a friend away back in New York by the name of Joseph Thompson who had a crippled son by the name of Franklin. I moved west, and it seems Thompson came here soon after I did, but he and I never met. Now, when I found out that you were his son, I just had to see if I couldn't do something for you. Since I left the east, I have done a lot of work with crippled children; and I can straighten your leg out all right. Will you come to my private hospital, and let me try my hand on you?"

"Doctor," said Franklin, as tears flowed from his eyes, "I can't begin to thank you for this help; and I will come as soon as this term of school is over."

The players were again on the floor, but Franklin could hardly see them for the joy which was surging through his breast. The whistle blew, and the boys shot off with the ball. Up and down the floor sped the ball. The players were off form, and their efforts were not co-ordinated.

"Easy, boys," prayed the coach; and, as if in answer to Mr. Langston's plea, the Lincoln players worked together and made a basket.

"They are showing better form," thought Franklin. "If they only keep their actions together, they will make another basket. There! I knew it. Hurrah for Lincoln!"

The Lincoln crowd now was yelling at the top of its voices. The clock showed that there was only about two minutes of playing time left.

The umpire brought the ball to the center. His whistle blew. The centers jumped; and Cummings, missing his aim, drove the ball directly into Parker's arms. Parker shot the ball to Adams, who dribbled to the Kenwell basket with uncanny quickness. From just below the basket, the ball rose into the air, struck the glass backstop, and lazily dropped into the net. With only one-half a minute remaining, another tap-off was made. Eggleston, a Kenwell man, received the ball but tripped Lee in going so. A free-throw was hence given to Lincoln.

"Will Lee make it? Will he make it?" asked Franklin of himself. "Oh! He did it. We've won the game, but, believe me, it took all of us to do it."

Pent-up emotion burst from three thousand throats, but Franklin did not hear it. His mind was on a greater and more important deed.

## FAMOUS OPERA BY SULLIVAN TO BE GIVEN BY GLEE CLUBS

(Continued from Page 1)

Newmann, Tennis Mahoney, Noble Sprunger, Robert Epple, Ivan Osterman, Gerald Botteron, Don Hiron, Harold McMahon, Vaud Bray, Earl Romey, Darrell Mann, Dean Shaffer, Arthur Nickerson, Paul Berlien, Fred Lebrecht, Herbert Snyder, Harold Kern, Lloyd Roe, Robert Scheumann, and James Wilson.

The girls' chorus is composed of Dorothy Somers, Neenah Knight, Iva Riley, Geraldine Baker, Geraldine Jaker, Ruth Barber, Elinor Wilson, Dortha Kohlmeier, Ruth Watkins, Beatrice Huguenard, Catherine Thompson, Thelma Price, Lillian Springer, Jean Gillie, Wilhelmina Rapp, Diana Cox, Dorothy Underwood, Violet Fell, Clare Stephani, Gertrude Snyder, eJanette Duryee, Dorothy Augspurger, and Evelyn Goddard.

### Selected Orchestra

The orchestra is made up of members from the South Side orchestra and that of Central in addition to several outside professional musicians. The orchestra is under the direction of Mr. Sur, music instructor of Central.

### Art Departments Aiding

The art departments of both schools are doing a great deal to make the opera a big success. Very attractive posters that have been placed in the windows of downtown stores and put up in both schools is the work of students in the art departments.

The scenery, which is a "big drop" forty by twenty feet, is a painting of Mt. Fujiyama of Japan. It is the work of art done by Sidney Peers, art student of South Side, under the direction of Miss Ley. The "big drop" was so large that it was hung and painted on the stage of the Majestic Theatre. It has been completed and moved to the stage of the auditorium where it will add to the atmosphere of Titipu, Japan, where the story takes place.

### Costumes Being Made

Costumes for members of the choruses are being decorated by the art departments, while the more elaborate ones of the main characters are being furnished by Seanev and Anderson of South Calhoun street.

Members of Central and South Side hands will be selected to usher at the performances and to have charge of the check rooms.

### Suter, Schafer Direct

The entire company of "The Mikado" has been rehearsing at regular intervals for the past five weeks under the supervision of Miss Suter, of Central, and Mr. Schafer. The dramatic art, acting, dancing, and stage effects, which greatly determine the fitness and success of any production, have been worked out by these two people. Miss Suter, who is an English teacher at Central, and a very capable director, has staged many successful plays. She has charge of the Dramatic Art club of Central. Mr. Schafer has directed all the musical presentations of South Side.

With the presentation of "The Mikado," the people of Fort Wayne will have the opportunity of seeing an opera with a very interesting plot with touches of comedy throughout, and a company of rare ability, which is certain to make the opera the best of its kind ever presented on a local stage.

## HUNTINGTON HIGH BOYS TO HOLD TOURNAMENT

Inter-Class Basketball Meet to Be Staged This Week; Is Similar to That of South Side

Coch Kinsey, of the Huntington high school, has announced that the annual inter-class basketball tournament will be held this week in the Huntington high gym. This is an annual affair of the Red and Black and the Line City cagers follow somewhat after the manner of South Side as a faculty member is chosen to coach each class. In former years the junior and senior teams usually divided the honors for the championship, but the freshmen and sophomores will probably take first and second places, as there are many reserve players eligible for these two teams. I. H. S. A. A. rules will be strictly enforced.

## Girl Scouts

Miss Weston, an eaglet scout of New York, gave a demonstration and talk on semaphoring at the meeting of the Girl Scouts last Wednesday in room 86. The program for the next meeting has not yet been made out.

The Girl Scout meeting of March 10 was conducted by Miss Bertine Weston, an eaglet scout, and the head of the movement in Fort Wayne. She taught the girls the Morse code, and a signalling contest between troops was planned. An observation test was given, and several girls passed tests for merit badges. Court of Honor is to be held the last week in March and many of the South Side girls will receive awards. During the meeting inspection of the girls for neatness of appearance was held, and charades were given on the laws by each patrol. The girls sang several troop songs, and closed the meeting with "Taps," a favorite at camp.

## SOUTH SIDE TIMES AWARDED HONORS AT PRESS MEET

(Continued from page 1)

same pupils do not continue in charge of the South Side Times. The business and editorial staffs change with the mutations of classes in the school. It is not vouchsafed any pupil long to maintain a connection with the newspaper. To sustain this merit and to make progress in excellence means, therefore, that the South Side Times already has a fine tradition which successive classes in journalism in the South Side High School are striving with most signal success to uphold. It would be stupid no less than unfair to ignore recognition of Miss Rowena Harvey, faculty advisor for the Times, in bestowing credit for the merits of that newspaper. Miss Harvey has done a wonderful work in her newspaper classes at South Side.

"Each year since the South Side Times was established—and South Side High School is just closing its fourth year—that newspaper has won signal honors among school publications in national contests. The school deserves all the congratulations which may be offered and this newspaper herewith tenders its own hearty."

### Team Receives Trophy

The Sabetha (Kansas) high school football team has been presented with a trophy by the boosters of Sabetha for winning the Northeastern Kansas championship for 1925. Each letter man of the team was presented with a small sterling silver football.

## DEBATERS TO GIVE DUO PRESENTATION AT HARRISON HILL

"Traitor" and "Turtle Dove"  
To Be Played at Harrison Hill School Auditorium

### TICKETS FOR BOTH 2 BITS

Pauline Baumgartner and Maynard Patterson Have the Leading Roles

In order to arise money for the needs of the public speaking department two one-act plays, "The Traitor" and "The Turtle Dove," will be presented tomorrow evening at 8:30 at the Harrison Hill auditorium. The plays are being given by the Wranglers' club.

Tickets for both productions are 25 cents. They are now on sale in Room 72 or may be obtained from members of the club.

The cast for the tragedy, "The Traitor," is as follows:

Colonel Sir Robert Anstruther..... Maynard Patterson  
Lieutenant Edwards..... Chris Branning  
Major MacLaurin..... Noble Sprunger  
Captain Willoughby..... Willis Klein  
Captain Parker..... Robert Feustel  
Grantham..... Alvah Corey  
Orderly..... Oren Flaugh

This tragedy takes place in South Africa during the Boer War between the British and the Boers. Someone has been giving information to the Boers about the British strength, position, and plans. Colonel Anstruther and Lieutenant Edwards of the British army form a plan to discover the traitor. Lieutenant Edwards pretends that he is the real traitor; that he was captured, and because of the awful torture inflicted by the enemy, he told all of the plans of the British. A vote is taken by the captains of the British army to determine the punishment. All are in favor of the death penalty except one. Just when everything is blackest for Lieutenant Edwards a ray of light is seen. The real traitor is discovered.

The cast for the comedy, "The Turtle Dove," is composed of:

Kwelin..... Pauline Baumgartner  
Chang Sut Yen..... Thelma Gasser  
Mandarin..... Margaret Burres  
Chorus..... Dorothy Emrich  
Gong-Bearer..... Louise Platt  
God-of-Fate..... Cornelia Bade  
Property Manager..... Mary Alice Tannehill

This play is a Chinese production. The gods have decreed that Chang Sut Yen, son of Chang Won Yin, the Great, shall be emblazoned upon a willow plate. To escape this decree he disguises himself as the servant of the Mandarin. However, the decrees of the gods are immutable. Kwelin, the daughter of the Mandarin, falls in love with Chang Sut Yen. As the plot unravels much amusement is afforded, and finally all ends well.

## MR. NULL LECTURES ON MODERN POETRY

English Teacher Says Studying Old Poetry Ridiculous; Would Change Course to More Modern One

Mr. Hull gave a whole period lecture on Modern American Poetry to his English 7 class last Tuesday. Mr. Null claims that most every student thinks the studying of such old poetry as is in Palgrave's "Golden Treasury" is ridiculous and the course should be changed to a more modern one. To contrast the difference between the old substantial poetry and the modern, Mr. Null read some modern poetry. He mentioned some popular music which he read and showed the inconsistency of it.

"The old poetry that we are reading now has stood hundreds of years," said Mr. Null. "I believe in getting into the modern drift of the times, but be sure you have something substantial to lean on. The current gets pretty fast sometimes. Don't let it carry you away."

"Most of the modern American poetry has perfect rhythm, metre, and jingle, but it lacks the deeply hidden beauty which arouses our feelings and emotions. Poetry should put your imaginations to working and stimulate sense of feeling. Our more modern poetry lacks these characteristics."

Speaking of the words of our popular songs, take the practical form. There is no basic thought shown in them at all. To have the words rhyme seems to be the main thought.

"Although both the modern song and verse are catchy and entertaining, when a person examines them, they show no particular characteristics of good poetry. And in years to come they will not be studied and prized as the old poems are now."

"I do not worship old poetry," says Mr. Null. But he went on to explain how it has passed through all these ages and has been criticized, but is still existing with as much thought behind it as ever.

### Easter Morning Service To be Held at Y.W.C.A.

Early Easter morning at the Y. W. C. A. club room there will be a service held for the high school students. This service will be short and between 6:30 and 7:00 there will be a breakfast served in the dining room. The tickets are 40 cents and they will be on sale at the Sunday afternoon Forum at the Y. M. C. A. Everyone is urged to attend this service.

## Nine-Day Vacation Begins Tomorrow

Some Pupils Will Leave the City; Others Will Indulge In Spring Cleaning.

Spring vacation will open with a bang this year, giving the students a chance for some recreation, and the janitors time for the annual spring cleaning.

Spring vacation will start Friday afternoon, March 26, at 2:55 and will last until Monday, April 5, giving us exactly 233 hours and 25 minutes of glorious vacation. Just think! 14,000 minutes of freedom!

This looks like a great amount of time, but when the fatal Monday arrives there will be the same old groans and moans that vacation had just started and it is all over already.

Many students will go to other cities or to the country to spend the week, while some will stay at home and enjoy themselves, or help with the spring cleaning.

## CLASS SCHEDULE FOR NEXT TERM HAS BEEN MADE

Published in Today's Times  
So That Students May  
Plan Tentative  
Programs

### REPORT ANY CONFLICTS

Corrected List Will Be Printed in  
Following Issue of Paper;  
Some Elections Restricted

The program for next term has been announced by Mr. Harris. This year students are being permitted to make out their own programs and elections. Seniors are asked to look it over carefully and report any conflicts to the office immediately, so that it may be changed.

The elections, periods, and rooms should be placed on the back of the grade cards which will be given out the week after vacation.

In making out programs students are asked to observe these things:

biology and office practice are for freshmen only; physical geography can be elected by sophomores only; no one but juniors can take business English or commercial geography; and journalism can not be taken by second-term seniors.

The next issue of the Times will contain a corrected program.

### PROGRAM FOR SEPTEMBER, 1926

## What Locker is For Is Serious Question

Students Use It For Everything;  
Suggestions Offered on Best  
Way to Fill.

The correct definition of a locker, according to authorities, should be "one of those places where one parks everything one is not using for the moment."

If this version is correct, then South Siders are surely carrying it out. Everything from last fall's hat to tomorrow's chewing gum finds a place in the locker or else makes one. As soon as a student opens his locker a regular avalanche of books, powder boxes, combs, pens and pencils, hats, ink bottles, erasers, globes, rubbers, and other accessories descend.

Authorities on order of arrangement of articles in lockers say that everything should be piled on the lower shelf if possible to avoid the students' getting hit on the head by articles falling off the top shelf and perhaps sustaining personal injury. In June, it will no doubt be quite enjoyable to watch the drays of personal property departing from the school. Some one could probably make a fortune by running a system of moving vans.

## BEN CHAPMAN TO TALK AT HI-Y CLUB MEETING

"What Is Recreation?" Discussed by Boys at Last Gathering; Forty-Five Members Present

Ben Chapman, state boys' secretary of the Y. M. C. A., will be the speaker at the meeting of the Hi-Y club tonight at 6 o'clock at the Y. M. C. A.

Mr. Chapman spoke before the Hi-Y club last January. His talk was very interesting.

Attendance at the Hi-Y meetings last Wednesday night was somewhat affected by those who had gone to Indianapolis, and only about 45 were present. The South Side club discussed the topic "What Is Recreation?" It is their conclusion that anything is recreation which tends to divert and, at the same time, to build one up spiritually, mentally, and physically.

## ADEPTS AT LATIN TO TRY FOR FIVE PLACES AT MEET

Ten South Siders Will Compete with Noble, Steuben and Whitley Counties in District Contest

### FIVE WILL GO TO FINALS

Local Contestants Have Taken All Divisions in Other Years; Are Out to Repeat

With two representatives in each division South Side has high hopes of taking the district Latin contest to be held at Central High School, Saturday morning, March 27, and going to the state meet, April 9, hundred per cent for the Twelfth congressional district, a record she has set every year since the contest has been started in 1923. Only one person of each division will go to Bloomington, April 9, for the finals.

All the counties will have entries in Division I; only Noble and Allen in IA; all in II; Whitley, Noble, and Allen in III; and Noble and Allen in IV. DeKalb and LaGrange counties may compete but they have not been heard from yet.

Mr. Rothert, head of the Latin department, Miss Work, Miss Woodward, and Miss Fish all have pupils who will take the tests Saturday and theirs has been the task of training them.

Philalethians held their annual St. Patrick's banquet on Wednesday, March 17 at Mrs. Miller's tea rooms on Harrison street. A lovely two-course chicken dinner was served, and the affair was carried out in the season's colors.

After dinner, Dorothy Somers, president of Philo, gave a short talk on the history of the Philalethian Literary society. After this, Virginia Hackney played a few selections on the piano.

A few of the members presented a short playlet entitled "The Bachelor." The cast for the play was as follows: The Suffragette, George Anne Gilliom; A Country Girl, Margaret Burres; The Hunting Girl, Hildegarde Siebel; The Bachelor, Mildred Berlien; A Widow, Neenah Knight; Skating Girl, Amelia Dildine; The Vamp, Betty Hutchens; Belle of the Ball, Eileen Heuer; A Nurse, Margaret Metzner; Irish Girl, Margaret Ellen Nichols.

Mrs. Kendle entertained the girls by singing some Irish songs and Neenah Knight played several popular selections on the piano.

"Radio" was the subject of the last meeting of Philo which was held Monday, March 22. The entire program was cleverly carried out as if it were by radio. Virginia Hackney who impersonated Paderewski, played several piano solos. Governor Al Smith who was impersonated by Marguerite Schiwer gave a talk on the history of the radio. Mary Hale, who played the part of Mrs. Silver Smith entertained with several readings and Dorothea Kohlmeier, who was the impersonator of Galli Curci, sang two selections.

Philalethians held their annual St. Patrick's banquet on Wednesday, March 17 at Mrs. Miller's tea rooms on Harrison street. A lovely two-course chicken dinner was served, and the affair was carried out in the season's colors.

## Freshman and Teachers Are Benefited By Private Tour of Library Recently

Pupils Given Week to Answer List of Questions Testing Knowledge Received by Trip.

Do you remember when recently the library was closed to all students except the 9B's? Well, that was the day the freshmen were being initiated into the secrets of the library; that is, they were informed by our librarian, Miss Shulze, how to use the library, how to find books, how to find references, and where to look for quotations.

Not only were the students benefited by the lecture given by Miss Shulze, but also the teachers learned about the library. As Miss Kiefer said, "I found that there were books on the library shelves which I had no idea were there. The lecture was very profitable and I only wish that all the students, even the seniors, could have the same opportunity of library instruction."

Miss McCloskey and Miss Huffman also confirmed her statement that it was very worth while and added that it was very necessary for incoming students.

Each 9B pupil was given a list of questions to test his knowledge which he had acquired. The questions were typed and each one had a week to answer all. Even these were nearly as difficult as an examination on any other subject. If you are skeptical, how many of the following can you answer?

## CORNELIA A. BADE WILL TAKE PART IN COUNTY MEET

State Discussion Contest To Be Held Tomorrow at Central High School Auditorium

### SIX SCHOOLS ARE ENTERED

Mr. Null To Be Chairman of the Event; Three Men Appointed To Determine Winners

In the county discussion contest at 3:15 tomorrow, in Central auditorium, Cornelia A. Bade, of South Side, will speak about the County Unit Plan.

The other speakers are from Woodburn, Leo, Central, New Haven and Arcola.

The three men who are to determine the winner are O. R. Bangs, principal of the Sulamonia Township Consolidated School; Professor Fred Conking, debate coach and

professor of English at Manchester College, of North Manchester, Ind.; and Mr. McCabe Day, a teacher of English at Huntington high school, who was coach of debating and chairman of the Northeastern Indiana Debate League for several years.

James Sutton is to represent Central; and Selma Flory, Leo. The other schools have not yet sent the names of their entries in to Mr. Makey, county chairman. Each speaker will be allowed eight minutes for a constructive speech and four minutes for rebuttal.

Benjamin Null, who is supervisor of English in the Fort Wayne schools and instructor at South Side, will be chairman of the event. Admission is to be ten cents.

Whoever wins the county contest will speak at Auburn April 9, in the district meet. State finals will be at Bloomington on April 23.

## DE MOLAY MINSTREL TO BE GIVEN IN APRIL

Mr. Charles D. Smith Is in Charge of Production; 156 Boys and Girls to Take Part

"The DeMolay Minstrel is to be given at the Mizpah temple, April 14 and 15, under the auspices of the Fort Wayne chapter, Order of DeMolay, with a matinee on April 14."

Mr. Charles D. Smith, author and producer of the DeMolay minstrels. "The cast has 156 in it, comprised of boys and girls, and is being rapidly brought to perfection. The rehearsals are proving that Fort Wayne has some wonderful talent, which with a little coaching and directing can produce a very good entertainment. With an amateur cast several old professional numbers are incorporated and they are sure of a big success," continued Mr. Smith.

Mr. Smith is directing the minstrel with the assistance of Madame Mae, costume and designer; Mrs. Royce R. Ford, ballet coach; Charles F. Hess, end man coach, and June Smith at the piano.

"The word minstrel really means a musician, especially one who sings or recites to the accompaniment of a musical instrument."

In the middle ages the word minstrel, brought into England by the Normans was used to designate a musician who devoted himself to the service of entertaining the nobility. He went from castle to castle, singing ballads, often his own compositions to the music of harp or lute. The ballads always told stories, which were sometimes accompanied by songs and stories with gesture and mimicry," said Mr. Smith.

## Freshman and Teachers Are Benefited By Private Tour of Library Recently

Pupils Given Week to Answer List of Questions Testing Knowledge Received by Trip.

Do you remember when recently the library was closed to all students except the 9B's? Well, that was the day the freshmen were being initiated into the secrets of the library; that is, they were informed by our librarian, Miss Shulze, how to use the library, how to find books, how to find references, and where to look for quotations.

Not only were the students benefited by the lecture given by Miss Shulze, but also the teachers learned about the library. As Miss Kiefer said, "I found that there were books on the library shelves which I had no idea were there. The lecture was very profitable and I only wish that all the students, even the seniors, could have the same opportunity of library instruction."

Miss McCloskey and Miss Huffman also confirmed her statement that it was very worth while and added that it was very necessary for incoming students.

Each 9B pupil was given a list of questions to test his knowledge which he had acquired. The questions were typed and each one had a week to answer all. Even these were nearly as difficult as an examination on any other subject. If you are skeptical, how many of the following can you answer?

What is the index to our library book collection?  
What is the title of the index you would use to find the very latest material on Aeronautics in our library?  
Find such an article giving:  
(a) Name of magazine.  
(b) Volume.  
(c) Date.  
(d) Page.  
Is there any book that might give you data on recent events?  
Go to the shelves and choose a book from the 973 group. Give:  
(a) Author.  
(b) Title.  
(c) Subject.  
Name a book about Theodore Roosevelt and give author.  
Have we a book written by him in our library?  
Arrange the following classification numbers in the order in which you would arrange the books on the shelves:  
347.2 B 221  
173 220.01 030  
425 920  
347.3 917.2  
Find the books on the shelves having these numbers. Give the author of each.  
170 292 304 465 613  
E14 G25c R67 R14 B62  
551 930 B 920.07  
Shelf W39 P181 W38  
Do we have Pride and Prejudice by Jane Austen in our library?  
Arrange the following in order in

(Continued on Page 6)

### PLEASE READ CAREFULLY

The program for September, 1926, is printed in this issue of the Times. In order that we may have the criticism and corrections from the whole school, every teacher and every pupil should check the program carefully. In case any irregularities or errors are discovered, they should be reported to the office before Tuesday, April 6. The program with the corrections will be printed April 8.

R. C. HARRIS.

## FORENSIC ARTISTS OF ALLEN COUNTY TO BE IN CONTEST

Wayne Gustenslager, With Oration on "Franklin and Constitution" South Side's Entry

### CASH PRIZES TOTAL \$50

Awards for Winners Supplied by News-Sentinel; Samuel D. Jackson is Chairman

Wayne Gustenslager will give his oration on "Franklin and the Constitution" in the county eliminations of the National Oratorical contest soon after spring vacation in Central's auditorium.

The News-Sentinel will award prizes in this event totalling \$50. The winner of first place will receive \$25; second place, \$12; third place, \$8; and fourth place, \$5. The contest is open to representatives of the high schools and preparatory schools of Allen county. In addition to getting the \$25 prize, the winner is to enter the district meet, where he may win a still larger amount of money. The News-Sentinel is furnishing the cash awards for this too. First prize will be \$50; second, \$25; third, \$15; and fourth, \$8.

The district contests will be held in Fort Wayne April 16. Then will come the territorial contest on April 23. The winner of this will speak in the state finals at Indianapolis May 7.

Judge William N. Ballou is district chairman. Samuel D. Jackson will be in charge of the county meet. The orations, according to the contest rules, must be original and not longer than ten minutes. The contest is being held with the purpose of emphasizing the fundamentals of the American government, and increasing knowledge of, and interest in, the constitution of our country.

While the contest other years was of a national scope, this year it is of international scope. The winner of the national finals of the United States contest will compete with youthful orators of England, France, Germany, and Mexico.

Following the county, district, territorial, and state meets there will be a contest at Louisville, Kentucky, May 14, in which the Indiana champion will compete. The winner of this will speak in the finals at Washington and will be taken on a summer tour of Europe along with the other national finalists.

## Rule of Parting Hair Is Not Always Kept

Girls Often Follow Boys' Method of Dividing Locks on Left Side.

On which side do people part their hair? Do they go according to the rule of left side for boys and right side for girls? If the pupils and faculty of South Side were to be observed, it would be found that the rule is sometimes lived up to, but that in many cases it is not followed through-out.

In a census taken of seventy-five pupils, it was found that twenty-one boys part their hair on the left; eleven, in the middle, and one on the right. The girls seem to think that the rule of left side for boys should be changed to left side for girls, for out of forty-two girls observed, twenty-seven part theirs on the left; eleven, on the right; and four, in the middle.

Of the faculty eight men teachers part theirs on the right side; six, on the left side; two, in the middle; and four chose to wear their hair straight back. Seven women teachers stroked the comb through their hair on the left side; five, on the right side; three, in the middle; and two are content to wear theirs straight back.

## MR. HULL GIVES TALK AT MATH-SCIENCE MEET

Sound and Ether Waves Is Subject of Instructor's Speech; Business Is Cut Short

The Math-Science meeting was cut short Friday evening due to the fact that the faculty advisors and members of the club listened over the radio for the reports of the Central game at Indianapolis.

A short business meeting was held. Elsie Crane and Eleanor Colson were appointed on the pin committee. After the business meeting the program chairman took charge of the club.

Mr. Hull gave a very interesting talk on sound waves, and ether waves. He demonstrated the sound wave.

## "FOUR-FLUSHER" TENTATIVE CAST IS CHOSEN BY VERNON SHELDON

Thirty Girls and Ten Boys Were Present at Try-Outs Held Early Last Week; Thirteen People Have Parts in This Interesting Comedy

## HUMOROUS DRAMA PROMISES MUCH LIFE

It Is the Story of a Hustling American Youth Who Finally Becomes a Millionaire in Spite of Many Difficulties; Conclusion Wholly Satisfactory

The 1926 senior play, "The Four-Flusher," written by Caesar Dunn, will be directed by Vernon S. Sheldon. It will be presented at the Harrison Hill school, April 9 and 10.

"The Four-Flusher" is a story of a hustling American youth. It is clean and bright and reveals the most appealing characteristics of our native type. It is an amusing story of the rise of a

young shoe clerk who, "through cleverness, personality, and plenty of wholesome faith in himself, becomes a millionaire."

The play was first produced at the Apollo Theatre, April 13, 1925, and has only recently been released for amateur use. The scenery is novel, the situations humorous and catchy, and the conclusion wholly satisfactory. Those who have read the play feel that it equals, if not excels, in smartness, any senior play formerly used.

The tentative cast is as follows: Jerry Dean..... Rebecca Andrews  
Avangelina Gay..... Mildred Scott  
Mrs. Dwight Allen..... Mildred Berlien  
June Allen..... Dorothy Somers  
Maid..... Bernadene Bennett

The cast will be selected from the following boys who tried out: Willson, Bickel, Sprunger, Wass, Wiener, Balmer, Schmidt, Clayton, and Baker.

The executive committee of the senior class will have complete charge of the play.

The tickets for the play will no doubt be on sale immediately after spring vacation. A seat in the balcony will sell for 75 cents, the main floor seats for \$1.00.

Thirty girls and ten boys were present at the try-outs last week.

Mr. Sheldon says "The Four-Flusher" is the hardest play he has ever cast. He counted largely upon the ability of the students who tried out.

"Certainly the girls of South Side should be congratulated for their poise and lady-like qualities. Among the splendid group of girls who tried out for the senior play I noticed a conspicuous absence of flapperish ideas either in dress or behavior. I think I have never found a finer or more wholesome spirited group than the group this year," remarked Mr. Sheldon.

For the purpose of giving out receipt books and discussing plans for the campaign, a short meeting of all room agents will be held in Room 18 at three o'clock tomorrow.

At present about five hundred and fifty subscriptions for the year book have been received. Practically all the seniors have subscribed; but the lower classmen, especially the juniors, are far below par. The subscription goal has been set at 1075, almost double the number of those who have already signed up.

A first payment of twenty-five cents may be made, but the remainder must be paid before April 16. While it is desirable that students subscribe with their first period agents, it is not absolutely necessary.

The room agents, who were appointed early this week, are as follows:

Room	Agent
4.....	R. Azar
6.....	N. Perkins
8.....	M. Pocock
10.....	V. Bell
12.....	H. Sellers
14.....	V. Fell
16.....	E. Heuer
18.....	M. Lee
20.....	D. Pollock
22.....	C. Baumgartner
24.....	D. Kohlmeier
26.....	W. Beech
28.....	E. Kurode
30.....	V. Bowser
32.....	B. Jenkins
34.....	D. Van Voorhis
36.....	P. Sigrist
38.....	H. Palston
40.....	L. Roe
42.....	E. Dennis
44.....	B. Fletcher

(Continued on Page Six)

## U.S.A. PLANS TO CHEER CHILDREN AT HOSPITAL

Paper Baskets and Colored Postal Cards Will Be Taken to Irene Byron for Easter

A service meeting was held last Friday, March 19, by the U. S. A. club. The purpose of the meeting was to make small baskets out of colored paper. The baskets will be filled with candy and sent out to the Irene Byron Hospital for the children there.

There are twenty-one children to whom baskets will be given; and in addition to the baskets, a colored postal card will be sent to each child. Some of the girls of the U. S. A. will take the baskets out to the hospital the day before Easter.

The cast of the play is as follows: Manager..... Gertrude Schuelke  
Lady Violetta..... Ruth Eickmeyer  
The Knave of Hearts..... Mr. Makey  
King Pompadour..... Vili

Chancellor..... Willis Klein  
Herald..... Winfred Horn  
Pastry Cook..... Elizabeth Schmidt  
Pastry Cook..... Elsie Crane  
Ursula..... Mary Pocock

Parliamentary drill, conducted by Margery Burres, was then held.

## Grades to be Received Week After Vacation

There are only two more weeks until the mid-term grades will be given out. The fatal day will be Monday, April 12. As in previous years, the cards will be distributed in the gymnasium. Regular forty-five minute periods will be conducted.

## Visit Indianapolis

The members of the Sketch club and the Columbus Art League of the Columbus (Ind.) high school went to Indianapolis to see the American exhibition which was shown in the Heron Art Galleries.

Privilege Cards Given Honor Students  
The honor roll students of North high school, Minneapolis, Minn., have been given special permission to leave class rooms when not in recitation without securing the usual permits.

2. To promote extra-curricular activities.

3. To give well-written accounts of high school happenings.

4. To offer high standards of school spirit.

5. To aid school officials.

6. To let parents and public know what South Side is doing.

7. To keep in touch with other schools.

"Following the line of least resistance is what makes rivers and men crooked."

## Start Counting Your Pennies

Tryouts for the senior play "The Four-Flushers," have already begun. If you don't have to spend all your allowance for the "Mikado," and the "Traitor" and the "Turtledove," reserve April 9 for the seniors.

## Loyal Students

"The faith of America is so deep-rooted in the public school that citizens of all races, nationalities, and creeds support it."

This is what a commissioner of education says. Surely if every citizen is willing and even eager to support the schools, we can at least show our appreciation by making good use of the schools.

## How About It?

The school wants public speaking. If it were put to a vote, most of the students would want us to keep debating and things like that in the curriculum. They wouldn't want us to drop out of all inter-school public speaking events. Now, if they want these things, they ought to be willing to support them. It takes money to enter public speaking contests just as it does to keep up a team in any sport.

Every student is being given the chance to do his bit this week. Two plays, "The Traitor" and "The Turtledove," are being presented tomorrow night at the Harrison Hill auditorium to raise money for the public speaking departments. Get your ticket now. You can combine your efforts toward keeping public speaking in South Side with an evening of real pleasure. Those plays are going to be good.

## Think

Just two weeks of grace are left before the day when both "A's" and "F's" will be handed out to those that deserve them. But, though the final day is near, there is still time for betterment. If those of us who usually get low grades would really study for the next few weeks, we could make high ones. All we have to do is to get certain things in our heads and then to think. The human brain, according to a French physician, will discharge 12.3 thoughts per second. Taking this statement to be true, one could have 738 thoughts a minute, 44,280 an hour, and 354,240 in an eight hour day. Considering only the ten school days before grades come out, each of our brains will discharge 3,542,400 thoughts before March 26.

Getting high grades, then, will be just a question of about fun.

## Which?

Two boys, possibly seniors in high school, were walking home from school. Both looked fairly intelligent, strong and full of "pep." They were engaged in conversation.

The first boy spoke enthusiastically about vital things of school life, his studies, his teachers, and classmates. When one looked at him, one could tell at once that here was a boy who was as capable of work as of having a good time. The other boy talked in a thoughtless, carefree way. He was easily swayed by the other's opinions. He seemed to be the sort that indulged in amusements of the wrong sort. He wasn't taking any books home, and when the first asked him about this he replied, "Aw, what's the use of studyin', anyway." His entire attitude toward school was wrong.

Let us look some years ahead. The two boys apply for the same job. Outwardly, there does not seem to be much difference between them. But the first boy, through his interest in his studies, his contact with efficient teachers, really knows something. He is ready for work. The employer, a keen man, tries out each boy.

Which will he choose? —Gertrude Schuelke.

## Ring Out The Old, Ring In The New

### A Mite of Verse

## VICTORY

The ship has sailed into the port, and all her holds are stored  
With relics of the pirate ships that we have been aboard;  
With guns (our ink), and cannon (pens), we conquer pirate ships  
And now we must get into port before a cable slips.

The good ship Education came steaming up the bay,  
And we were busy priming guns, and all in war array,  
For the look out on the masthead saw the pirate flag afar,  
And when we knew the ship Exam we all prepared for war.

So we let out a broadside of knowledge learned from books,  
And I am sure the poor Exam could scarce have liked our looks.  
For high upon her masthead she ran a flag of white,  
And she was fast a captive before the fall of night.  
—The Western Breeze.

### And Werse

It has always been a puzzle to me  
What sailors sow when they plow the sea.  
Does coffee go with the roll of the drum?  
And why is a speaking likeness dumb?

What was it that made a window blind?  
Whose picture is put in a frame of mind?  
When a storm is brewing, what does it brew?  
Does a foot of a mountain wear a shoe?

How long does it take to hatch a plot?  
Has a school of herring a tutor or not?  
Have you ever perused a volume of smoke?  
Can butter be made from the cream of a joke?

Can you fasten a door with a lock of hair?  
Did a bitter wind ever bite — and where?  
Who is it that points the signs of times?  
Does the moon change quarters for nickles and dimes?

Can money be tight when change is loose?  
Now, what in the thunder's the use, Of going through college and taking degrees,  
When we're 'posed by problems such as these?  
—The Aegis, Houston, Texas.

### Girl Scouts

The Girl Scout meeting of March 17 was conducted in Room 86. Mrs. Bradley, the captain, acted as a visitor, while Betty Ward took charge of the meeting, which opened with the Scouts in patrol formation. The pledge of allegiance, the Scout laws, and the promise were given and then several games were played. The patrols gave charades, the Coyote patrol winning. The girls practiced signaling with flags after the meeting. A signalling contest in Morse code is to be held in April and the girls are working hard to make a good showing.

Saturday the entire eleven troops in this city went on a trip through the Perfection Biscuit company plant. They were shown all the machinery and how they make cookies and bread. They went in by groups and each group had a man to pilot them around the building. After this the troops were photographed by the News-Sentinel photographer.

### The Principal Says---

"Experience keeps a dear school, but fools will learn in no other."

Robt C. Harney

### Calendar

March 26—"The Turtle Dove" and "The Traitor" at Harrison Hill school at 8:30 p. m.

March 26—County Discussion Contest at Central High School, at 3:15 p. m.

April 1—Philo Picnic.

April 6—So-Si-Y Meeting, Room 86, 3:00 p. m.

April 8—Art Club Meeting, Room 86, 3:00 p. m.

April 8—U. S. A. Meeting, Room 86, 3:00 p. m.

March 25—Miss Harvey fell off her playmate's kiddie kar. No bones were broken because she lit on her head.

March 26—Vacation cancelled at the request of all the students and faculty.

March 27—The study hall was abolished since all the students were so bright they didn't need it.

March 28—Miss Dixon resigned as manager of the cafeteria because of matrimonial entanglements. Cornelia Bade was made her successor.

March 29—The Glee clubs started on an eastern tour. Brain storms caused a great deal of damage at South Side.

March 30—The monthly junior prom was held in the stadium.

March 31—Mr. Virts was arrested for beating his wife. He confessed his guilt.

April 1—The April Fool issue of the Times was published, furnishing the information given above.

### Week's Anniversaries

March 28—Raphael Sanzo, 1843-1920.

March 29—John Tyler, tenth United States president, born at Greenway, Virginia, in 1790.

March 31—Joseph Hayden, 1732-1809.

April 1—Prince Von Bismarck, 1815-1898.

April 2—Thomas Jefferson, 1743-1826.

April 2—Hans Christian Anderson, 1805-1875.

April 3—Washington Irving, 1783-1859.

April 3—Edward Everett Hale, 1822.

April 3—John Burroughs, 1837.

April 7—William Wardsworth, 1770-1850.

## John Tyler

John Tyler was born March 29, 1790, in Charles City, Charles County, Virginia. His activities were: 1806, graduated from William and Mary's; 1811-16, member of legislature; 1816-21, member of congress; 1823-25, member of legislature; 1825-27, governor of Virginia; 1827-36, United States senator; 1840, elected vice-president; 1841, April 6, made president of the United States at the age of fifty-one.

Mr. Tyler was playing marbles with a group of small boys when he received word that Mr. Harrison had died and he was now president. He was very poor and had to borrow money to pay his way to the White House.

John Tyler is classed as a third or fourth rate president. He was a strong Jacksonian democrat. His name would have been buried with his dust had not William Harrison died.

He was nominated to the vice-presidency by the Whig National convention, of which he was a delegate. Clay, who was a member of Harrison's cabinet, looked upon Tyler as an accidental president. Clay roused a feeling against Tyler and because of this Tyler was not very popular.

## SOUTHERN SPICE

ARK! ARK!!  
Mr. Hull: "Give me a definition of density."  
So-called Stude: (Silence).  
Mr. Hull: "I said a definition, not an illustration."

## REMEMBER THIS, GIRLS

Bashful lovers and kernels of corn usually turn white when they pop.

## MARCHIONESS OF QUEENSBERRY

Claribel, aged 8, engaged in a quarrel during recess removed her belt from her dress and wound it around her head.  
"Why have you taken your belt off your dress and put it around your head?" the play instructor asked.  
"Toe I won't dit hit!" was the laconic answer.  
"But how is that going to help you?"  
"Ma pa told me dat it's da rule of da game not to hit beilow da belt, and we're 'ticken' to rules."

## EXPERIENCE

Walter: "Did you ever lose control of your car?"  
Bill: "Yes, but I paid cash for this one."

## FROM SLEEPY-TOWN

There are some compensations even for teaching school, as witness the following authentic excuse sent the other day to a Philadelphia teacher:  
"Dear Miss Witherspoon: Will you please excuse my boy, Willie, for two and half daze absence from school—we overslept."—F. Hall.

## HERE'S A REAL MARTYR

Kind Lady: "And what are you in for, my poor man?"  
Poor man: "Ninety-nine years. I was a high school teacher and I told my classes there wasn't any Easter Bunny."

## HE KNOWS HIS STUFF

Interurban Conductor: "How old are you, little boy?"  
Tiny, but Wise Freshie: "If the corporation doesn't object, I'd prefer to keep my own statistics and pay full fare."

## WHO?

Thelma Gasser, in Virgil class, was translating Latin the other day, and came to the word "veicissim" (pronounced "we kiss him") which means "on the other hand."  
She didn't know exactly how to read it and said, "Veicissim!" "On the other hand." Hand doesn't make sense there."

## LULLABY

Py, Bobby Punting, (Slip, or Momma smeck!)  
Poppa iss from hunting gone,  
And son he vill be beck.  
Go to slip, my dollink;  
Slip like off a rock.  
If Poppa hears you bollink—  
So! Den Poppa sock!

Now that a new tomb, even greater than King Tut's, has been discovered, we suppose all the girls will haul out their old King Tut duds and try to pass them off as Cheop's mother's clothes. I guess most of us wouldn't know the diff anyway.

Gee, we pity the poor fish who thought the seat of learning was a davenport.

## WHAT SHE'S FORCED TO SAY

Yes, the music is nice, isn't it?—The floor is good, too. There certainly is a big crowd. Why, don't be silly, of course I enjoy dancing with you. Pardon me, that was my fault. No, let's not Charleston. I think it's awfully vulgar. Why, was that the last encore already? I'm awfully sorry I can't give you another dance, but my program's full.

## WHAT SHE'S SAYING TO HERSELF

Oh, my feet! Does he have to bump into every one? Why doesn't someone cut in? My feet! He wants to Charleston. He'd tackle anything. Why do I always get roped in? Why doesn't someone cut in? It's really over. Oh, now to get these shoes off!

## ETIQUETTE

Be frank at all times. That is the true test of good breeding. If you do not enjoy yourself, step bravely up to your hostess and tell her that you were never so bored in your life. She will admire you for your straight-forwardness.

Remember the 10 per cent tipping rule. If you and your girl buy lemon coches, leave one cent. You can never go wrong by following this plan.

If something annoys you exceedingly, do not stick out your tongue or make faces. Be sweet and polite to your antagonist. It will make him feel cheap.

## NOT SANDWICHED IN

There is one kind of sandwich—  
Which they should not vend—  
The kind, when you bite the beginning,  
The meat slides out the end.

## OF COURSE

Johnny: "History's awful hard."  
Willie: "Ya, but, if ye flunk, it'll be still harder next year."

A proverb is but another name for an undisputed fact with whiskers on it.

J. H. Diggs, a barber in Knoxville, Tenn., has notified the public that he will not bob women's or girls' hair, as the Scriptures are against it.

This is one form of voluntary bankruptcy.—G. L. S.

One night as I lay thinking  
Of the pleasant days of yore,  
I heard a swishing, swishing,  
Just outside my bedroom door,  
Up the hall a funny clicking,  
And some shuffling on the floor;  
'Twas my sister in goloshes—  
Only that and nothing more.  
—The Otaknam.

## IF—

If I were teacher:  
—I would never call the roll.  
—I would send to the office those that studied their lessons.  
—I would discuss the latest books and movies the first 30 minutes of the class.  
—I would give passes to students that wanted to go anywhere during class.  
—I would let the students dance, sing, or anything the last 30 minutes.  
—I would furnish a victrola.  
—I would never give a test.  
—I would never give a grade below 95.

If I were a student:  
—I would love my teachers as myself.  
—I would study my lesson three times over for every day.  
—I would never be absent or tardy.  
—I would beg my teachers to assign long, hard lessons.  
—I would implore my teacher not to explain any lessons or talk in any way except to ask questions, so that I could do all the reciting.  
—I would be a marvel of brains, behavior, and attention.  
—I would never sass my darling, dear teachers.  
—I would try to impress upon my teachers how much I am indebted to them for wasting any time on a wretch like me.

## Your Education---And Dad

Your education is costing Dad a good bit of money. Perhaps it is squeezing him to finance your advanced courses and there is the college work still to come. And perhaps he is keeping this from you. You tell yourself you appreciate what your parents are doing for you and what a fine Dad you've got. But there's a way you can help that will make him mighty proud of you.

You could not in any better way show your appreciation and your understanding of what he calls "the value of money" than by using a part of your allowance even at the sacrifice of some pleasure or comfort, to do a thing which would make your father proud of your attitude toward his expenditure and proud of your display of financial wisdom.

A few pennies saved from your allowance each week will start you. Never again will you be able to secure a policy at as low a rate as now.—each year because of increase in age, the rate increases. Apply now—have the policy made payable to your father or mother, and earn their proud praise. Let us show you how easily it may be done, and at how small an outlay. And always remember this, That a LIFE INSURANCE deposit is an actual cash saving and not an expense which makes no return.

# COMMERCIAL COURSES OFFERED AT CINCINNATI

Mr. Burns, Assistant Dean at University, Gives Information About General Electric Company

Mr. Harris has received a letter from Mr. Georgen Burns, assistant dean of the College of Engineering and Commerce at the University of Cincinnati, stating the courses offered for graduates completing high school and describing the method of study at the college. Mr. Burns also wrote about the opportunities given by the General Electric company of Fort Wayne to students. He tells the wage scale and the advances that can be made.

His letter is as follows: "You will recall that when I was in your office last week, you suggested that I write you a letter outlining the proposition which the General Electric company of Fort Wayne, Indiana, and the College of Engineering and Commerce of this university have to offer to your high school graduates who are interested in an engineering education.

"The College of Engineering and Commerce of the University of Cincinnati, offers courses in civil, chemical, commercial, geological, electrical, mechanical, and architectural engineering. All of the students are on the co-operative basis. One section is in school while the other is at work and every four weeks they rotate; the boys who have been at work return to school and the boys who have been at school go back to their jobs.

"The General Electric company can provide practical training in mechanical, electrical, and commercial engineering for graduates of the Fort Wayne high schools. The General Electric company is particularly interested in getting students who take the co-operative course in commercial engineering. This course is a combination of production and commerce, and contemplates, as far as outside work is concerned, having the students spend the first three years in the factory learning the manufacturing side of business, and the last two years in the various departments in the office. The mechanical and electrical students will spend their first three years in the factory and their last two years on the test floor and in the engineering department. For further information about the work which the General Electric company can give your boys, I refer you to Mr. W. J. Hockett, who is in charge of the personnel work, and whose office is at 1600 Broadway.

"The students will be paid for their work at the General Electric company in accordance with the following wage scale:

1st six months.....	34c
2nd six months.....	35c
3d six months.....	36c
4th six months.....	37c
5th six months.....	38c
6th six months.....	41c
7th six months.....	44c
8th six months.....	47c
9th six months.....	50c
10th six months.....	50c

"Some of the advantages of the co-operative arrangements from the point of view of the student are: First—The young man can live in Fort Wayne with his parents during the alternate periods when he will be working at the General Electric company.

Second—He will earn while he is learning. Third—The practical training which he will get at the General Electric company will exemplify and vitalize the theory taught at the university.

Fourth—As a result of this combination of theory and practice, the young man will, in all probability, have found by the time he graduates, the kind of job which his talents will enable him to fill best.

Fifth—It will give him better life discipline as to hours, costs, obedience, and criticism, as well as more opportunities for original investigation and thought.

"As I indicated in my conversation, our course is as rigorous as any engineering course in the country, and for that reason, only such students as have made good records in their high school mathematics should apply for admission. This university will accept for admission such of your graduates as you recommend and who are acceptable to Mr. W. J. Hockett of the General Electric company. I shall be glad to visit Fort Wayne at some later date and interview those graduates who are interested in this proposition. At that time I shall be happy to give them any information which they may desire and to answer any questions which they may care to raise.

"I am sending to you, under separate cover, an announcement of the courses in engineering and commerce, and shall greatly appreciate your having this letter printed in the excellent paper which is published by your students."

Very cordially yours,  
GEORGEN BURNS,  
Assistant Dean,  
College of Engineering and Commerce.

**Form Hiking Club**  
The girls of Port Huron (Mich.) high school have organized a hiking club. They call the club the Trippers, because they like to study nature.

**History Class Publishes Paper**  
The history classes of Fort Collins (Colo.) high school are publishing a paper called "The Roman Forum." This paper brings past time up to present. One article appeared: "Wanted—Wild animals for circus maxims. Must be fierce. See Antony."

**Pictures Shown**  
Pictures of different types of trees were shown to the biology classes of Hammond (Ind.) high school. While the pictures were flashed on the screen, different students told interesting facts about them.

**Has New Way of Teaching**  
The teacher of the bookkeeping classes of Proviso high school, near Chicago, Ill., have devised a new way to interest students in stocks and bonds. The students select a certain stock on the market, and with the teacher acting as a broker, they carry on their stock market.

# SOCIETY

Esther Spreen entertained a few of her most intimate friends at her home Thursday evening. Bunco was played, prizes being awarded Virginia Bender, Mildred Roubush, and Mildred Wimmer. Music and dancing were also enjoyed, after which a dainty luncheon was served. Those who were present are Virginia Bender, Virginia Asher, Mildred Roubush, Edna Ross, and Mildred Wimmer.

Mary Hale, of Bowser avenue, recently entertained several of her friends at her home. Bridge was enjoyed during the evening and at a late hour delightful refreshments were served to Mervyn Welch, Catherine Fries, and Marguerite Schwieler.

Stanley Cutchall was host to a number of his friends at his home on LaSalle street, Tuesday evening. Prizes at bunco and other games were won by Thelma Newhouse, Gladys Clemmer, Katherine Gunder, Mrs. Claude Alford, Kenneth Flaig, Noble Miller, Harold Young, and Clarence Alford. Later in the evening a dainty luncheon was served at the card tables. Covers were laid for Elinor Williams, Esther Roush, Marguerite Lew, Florence Hazlett, Gladys Clemmer, Thelma Newhouse, Marguerite Howard, Dorothy Grice, Katherine Gunder, Madge Roush, Florence Worden, John Hendricks, Harold Young, Gerald Ammerman, Virgil Montgomery, Paul Bireley, Kenneth Flaig, Louis DeWitt, Melvin Lew, Nobb Miller, Mr. and Mrs. Claude Alford, and the Rev. E. G. Johnson.

Maria Williams was the hostess to a dinner party at her home Friday evening. Covers were laid for Maxine Rahe, Ann Barrett, Marguerite Luecke, Peggy Nichols, Dorothy Somers, Jane Stouder, Susanne Ivens, Mary Shields, Jean Hayden, Alice Yarnelle, Mary Eggeman, Anne Hayden, Mary Thayer, Dorothy Niebergall, and Dorothea Wilkins.

The members of the H. D. S. club were recently entertained by Elvah Fashbaugh at her home on Packard avenue. The evening was spent in playing bunco. Prizes were won by Geraldine Grover and Ferdona Wilson. 9 dainty luncheon was later served with the appointments carried out in keeping with St. Patrick's Day.

Miss Lucille Lapp entertained recently with a bridge party at her home on Clinton street. After the games a dainty luncheon was served to Dorothy Wiegman, Maxine Schmieder, Louise Miller, Phyllis Long, and Dorothy Miller.

Mervyn Welch entertained a number of his friends at her home on Oliver street Saturday. Bridge was played, after which delightful refreshments were served to Catherine Fries, Marguerite Schwieler, and Jean Herd.

A theatre party was enjoyed recently by Marguerite Schwieler, Mervyn Welch, Jean Herd, Marguerite Rahe, and Mary Hale.

Marguerite Schwieler, of East Pontiac street, recently entertained Catherine Fries, Mervyn Welch, and Mary Hale at her home.

Dorothy Steiner entertained a number of her friends at her home on Rose Lane. The evening was spent in playing bunco and dancing. Prizes were awarded to Marie Brown, Luella Steger and Virginia Henrick. A dainty luncheon was served at a late hour. Covers were laid for Ruth Bolerjack, Virginia Henrick, Gladys Crick, Ella Marie Brown, Margaret Crosbie, Lucille Lapp, Luella Steger, Dorothy Smith, Virginia Cunningham, Wilma Plummer, and Dorothy Steiner.

Alice Miller entertained with a bridge party Wednesday evening at her home. Those present were: Charlotte Scott, Eleanor Algier, Marie Mollerling, Ruth McGuire and the hostess. At a late hour a delicious two-course luncheon was served. Prizes were won by Ruth McGuire and Charlotte Scott.

Katherine Blackwell entertained the members of her club at her home on South Hanna street with a delightful St. Patrick's party. Decorations were very prettily carried out in green and white. Covers were laid for Rosemary Spore, Versal Mullen, Jeanette Tulley, Marie Brown, Esther Ballard, Gladys Kliver, Virgil Lee Munsen, and Opal Kesterson.

Jack Stephenson, of Anderson, Ind., is spending a few days with Max Frame.

Marjorie Homsher recently entertained a number of her friends at her home on Hoagland avenue. The prize in bunco was won by Eldora Colson. At a late hour a delightful luncheon was served to Betty Rider, Mary Sherman, Dorothea Davenport, Virginia Bourns, Katherine Homsher, Martha Sherman, and Eldora Colson.

Wilda Bowser, of East Pontiac street, spent several days in Chicago recently.

Betty Hutchens was hostess to a number of her friends at a dinner party at her home in the Sheridan apartments Friday evening. Covers were laid for Mary Hughes, Hildegarde Seibel, Marguerite Luecke, Alice Elder, Dorothy Niebergall, Phyllis Toothill, Davona Koehr, Dorothy Trayler, Florence Kendrick, Dorothy Wilkins, Margie Horstmeier, Mary Granger, Dorothy Underwood, Diddy Dildine, Neenah Knight, Betty Granger, Cappy Twining, Mary Billis Miles, Lura Webb, Bonnie Bennett, Marjorie Reeves, Harriet Heister, Louisa Fredricks, and Jeanette Stults.

Charlotte Scott recently entertained at her home on Hamilton avenue. The evening was spent in playing bridge and the prize was won by Ruth McGuire. At a late hour a dainty two-course luncheon was served to the following guests: Maxine Charters, Evelyn Zern, Mildred Krick, Maxine Canada, Alice Miller, Ruth McGuire, Mrs. Corinne Geake, Mrs. Scott, and the hostess.

A theatre party was recently enjoyed by Mary Scotten, Ferdona Wilson, Elvah Fashbaugh, Charlotte Baron, Geraldine Groves, Iva Riley, and Beulah Fashbaugh.

A shower was given Wednesday evening at the home of Mrs. Foist on Kinnaird avenue for Neola Miller, a former student of South Side. Games were enjoyed during the evening. Late in the evening a luncheon was served to Neola Miller, Mary Jane Florence, Lucille Henkle, Marcy Kelsey, Blanche Wickliff, Evelyn Miller, Erma Hinton, Mabel Markley, and the hostess.

Neola Miller, a former student of South Side, was recently married to Charles Redding, an employee of the Federal Bakery.

Garland Brenneman entertained some of his friends at a birthday party Monday evening at his home on Oliver street. The features of the evening were bunco and other games. Prizes were won by Irene Brenneman, Bernice Allen, Joe Parson, and Glen Magnar. A dainty luncheon was served at a late hour. Those who were present are: Ethel Raney, Bernice Allen, Gwendolyn Copp, Irene Brenneman, Virginia Ashure, Mable Pio, Burl Bennett, Robert Bell, Ralph Meyers, Joe Parson, and Glen and Russell Magnar.

Kathryn Wescher entertained with a party Friday evening. Prizes were won by Virginia Kinerk and Margaret McCintic. Those who were present are: Mabel Kelsey, Kathryn Sellers, DeNeal Pfeiffer, Margaret McCintic, Hazel Sloan, and Virginia Kinerk.

A delightful theatre party was recently enjoyed by Versal Mullen, Rosemary Spore, Katherine Blackwell, Esther Ballard, Garnet Smith, and Opal Kesterson.

Ruth McGuire delightfully entertained with a bridge party last week. The following girls were present: Charlotte Scott, Vera Young, Alice Miller and the hostess. The prize was awarded to Charlotte Scott.

# JUNIORS DROP SENIORS IN FAST OVERTIME GAME

Dissinger Is High Point Man for the Under-Classmen; Switzer Leads Scoring for the 26'ers

The juniors won the first game of the three game series to decide the inter-class league championship Tuesday evening, March 23, in an overtime battle by the score of 31 to 29.

The game was hotly contested in the second half, but the juniors held the advantage, 17 to 11, at the rest period. At one time in the first half the juniors led 17 to 5, but the seniors staged a comeback to bring the score within six points of the juniors' at the half.

In the second half, the seniors scored seven points before the juniors managed to drop the ball through the net. From this point on, the lead changed hands frequently, and the regular playing time ended with the score tied at 24 all. The juniors scored seven points in the overtime period, and held the seniors to five.

Dissinger was the high-point man for the underclassmen with nine points, on three baskets and three free throws. Feustel was next with eight points on four field goals. Switzer led the seniors' scoring with five field goals. Christen and Garwood were next with eight and five points respectively. Braden and Garwood played good defensive games.

Line-ups and summary:

JUNIORS.	SENIORS.
Yaggy.....F.....	Christen.....
Feustel.....F.....	Clayton.....
Dissinger.....C.....	Klein.....
Fricke.....C.....	Garwood.....
Zur Muehlen.....G.....	Braden.....
Substitutions—Fleming for Yaggy; Reaser for ZurMuehlen; Switzer for Christen; Baker for Garwood; Wedler for Braden; Garwood for Christen.	
Field Goals—Feustel 4, Dissinger 3, Fricke 3, ZurMuehlen, Fleming, Christen 2, Clayton, Garwood 2, Switzer 5, Baker. Free Throws—Yaggy 2, Dissinger 3, Fricke 2, Christen 4, Garwood, Baker 2, Wedler. Referee—R. Fleming. Scorer—Schmalzried. Timekeeper—Gilbert.

## South Side Instructors Have Interesting Experiences During First Years of Teaching

Positions of Janitor, Principal, Superintendent, and "Whole Science Department" Filled by Faculty Members.

Wouldn't it be wonderful to have some of the experiences our South Side teachers had during their first years of teaching? It certainly would be interesting to be "the whole science department" or to teach in your own community and feel like a "kid," or to play janitor and teacher both in a one-room country school or to be "principal, superintendent, and teacher" at the same time. It is not impossible to have one of these experiences for four of our South Side teachers can tell about such things.

### Mr. Gould Learned

"My first experience in teaching was in a high school where I was the whole science department," says Mr. Gould. "The subjects which I was expected to teach were physics, chemistry, botany, zoology, physical geography, and physiology. I thought when I was in college that I had to study hard, but during my first year of teaching I decided that I hadn't known much about hard study. I felt when I graduated from college that I had a fair knowledge of the sciences, but I knew after the first year of teaching that I had learned more science that year than during all my previous preparation."

"When I first began my teaching, I thought that I knew my subjects pretty well, but after doing my best to explain some difficult points on several occasions I happened to look at the blank expression on the faces of the students. This took all the conceit out of the green teacher."

"I suppose I had the usual experiences of a young teacher of being chagrined when experiments did not 'work'. One day I set up a demonstration in chemistry and expected to astonish the pupils with its results; when, just at the climax, it exploded. I learned more from that experiment than the pupils," finished Mr. Gould.

### Teacher Turns Poetess

Our sewing and cooking teacher, Miss Mendenhall, is not only a domestic science teacher but she is also a poetess. She turned the expression of her first teaching experience into poetry. She wrote:

"It seems a long, long time since that first day  
When Dad hitched the horse and I drove away.  
Five miles I drove down the country road,  
To shoulder the burden, a teacher's load.  
To me, I was quite grown up, you bet,  
But the neighbors knew me, a youngster yet.  
Day after day I jogged along,  
Forgetting my worries, just singing a song.

"Twas a country school with its Tom, Dick, and Harry,  
Where everyone came with his lunch to carry.  
I learned a lot that very first year,  
Lessons of life that are really dear.  
But I'll have to tell you who earned my pay  
(I only kept school, I'll have to say).  
'Twas the ones who were up 'fore the sun did shine,  
That dear old Dad and Mother of mine."

### Stove Was Bother

Miss Perkins taught her first three months near Fort Wayne. "My very first experience in teaching was gained as a supply teacher in a one-room country school near Berne, Indiana," Miss Perkins began. "All the grades, excepting the fifth and eighth were represented in this school, and the total enrollment was twenty," she continued. "I enjoyed my work with the primary group, especially, and for some time I had an ambition to become a kindergarten teacher."

"The greatest hardship I had was that of being janitor as well as teacher. I learned more about stoves and making fires in the three months I was there than I had ever known before. The teacher who started in such a school can truly appreciate a school like South Side."

"My first whole year of teaching was done in a centralized township high school in Ashtabula County, Ohio. My classes were small (a class of twelve was considered large) and I thoroughly enjoyed my work. It was a delightful community in which to teach, and the students I had, and the people I met during my two years there, I still count among my best friends."

### Prefers South Side

"I was fortunate or unfortunate enough not to begin teaching in a one-room school house, but I began in a township grade school at Tocsin, Indiana," said Miss Woodward. "For two years I endeavored to teach the fourth and fifth grades there. Forty-five pupils were under my jurisdiction from 8:00 until 4:00, yes, and then all night because a novice school teacher always teaches school in her sleep. I was only practicing the art of instruction on these pupils and no doubt they reaped the benefit accordingly. I recall the incessant restlessness of the forty odd boys and girls and am glad that I now have pupils who are a little nearer the grow-up stage."

"The next school at which I contracted to teach was a two-year accredited high school at Murray. There I had an excellent chance to become acquainted with all the subjects because I taught eight classes a day, which meant that I taught continuously from the time the last bell rang in the morning until the first bell rang at night. I was superintendent, principal, and teacher at this school; in fact, I was everything except janitor. I attempted to teach history, Latin, English, algebra, geometry, and general science. The only reason I wasn't teaching manual training was because I couldn't drive a nail."

"After being at Murray two years, I went to Liberty Center to teach English and Latin and have as side issues the junior and senior class play to coach each year, a girl's basketball team to manage, and various other duties."

"As the nautilus considers each new temple nobler than the last, I always think my last position superior to the preceding one. At Liberty Center I thought I was content and very much in love with my work, but not so, for when Mr. Ward sent word to me that there was a vacancy in the Latin department at South Side, I left Liberty Center at the end of the first semester after having been there two and a half years. Now all the other positions I have tried to fill have passed into oblivion in the two years I have been at South Side. I have forgotten the pupils, good and bad, who formerly occupied my mind and I am working wholly for South Side," ended Miss Woodward.

## Alumni News

Mr. and Mrs. Edgar K. Gusler, who were recently married, are now at home in the Windsor apartments. Mrs. Gusler was formerly Virginia Homsher, '24.

Maxine Schmieder, '26, is employed at S. F. Bowser, Inc.

Clara Sherbondy, '25, is a member of the Adelpian society of the Redeemer Lutheran church.

Kathryn Ross, '23, is teaching at the Oxford grade school.

Dorothy McCurdy, '25, and Kathryn Wenzel, '25, are enrolled at the Anthony Wayne Institute.

Mary Meek, '24, is employed in the drafting department at S. F. Bowser, Inc.

Mary Forker, '23, is employed at the Lincoln National Life.

Paul Knapp, '24, is working for the Oakland Auto company.

Dorothy Tucker, '25, is employed at S. F. Bowser's in the treasurer department.

Rose Kronmiller, '25, is enrolled at Muncie State Normal.

Esther Palmer, '24, has been pledged to Caranto professional journalism sorority at the University of Wisconsin.

Robert Hanna, '25, a student at Butler University, spent the week-end with his parents.

Victor Leakey, '25, is enrolled at Purdue University.

Mrs. J. R. Matlack spent the week-end with her daughter Marjorie, '25, a student at Muncie Normal.

Lottie Dignan, '25, had as her guest over the week-end Miss Goldie Brand, of Wolcottville, Ind.

Helen Underwood, '24, of Indiana University, has been pledged to the Sigma Sigma Kappa sorority.

Paul Rothert, '23, who is a student at Northwestern University, is visiting his parents.

Mr. and Mrs. William Rastetter are spending several days in Chicago, where they are visiting their daughter Helen, '25, who is a student at Lake Forest College.

Allen Fromuth, '24, a student at Butler College, spent the week-end with his parents.

Dorothy Dix, '24, a student at Indiana University, has been pledged to the Delta Gamma sorority.

Prellina Fletcher, '25, and Helen Rastetter, '25, students at Lake Forest College, have been initiated into the Theta Phi sorority.

Dorothy Dungan, '25, is employed at the General Electric Co.

## South Siders Not Heavy Candy Eaters

Only \$.006 Spent by Student Each Day; Omaha Spends \$.18 Daily.

Students of an Omaha, Nebraska, high school which has an enrollment of 2,200 pupils, have spent about \$2,700 on candy since January 1. Selling of candy in the school has been prohibited.

South Side has an enrollment of 1,200 students. The Times has sold about \$13.00 worth of candy a week. This makes the amount sold since January 1 about \$117. According to enrollment, the average amount spent by each South Side student is \$.006 each day, not even a whole cent, but the average amount for each student in the Omaha high school is \$.18 a day. No wonder no candy is permitted to be sold there!

This all goes to show that South Side students are not as bad about eating candy as many seem to believe.

## Reporter Shows That Rubber Shortage Of Today Affects Pupils of South Side

Student Uses Product in Various Poems in and Out of School.

We students often wonder what the current news has to do with us. Today, the much-talked-of rubber shortage caused by England, who has the monopoly in rubber, even affects the students of South Side. You may wonder how it does.

Well, the first thing a pupil does when he arises in the morning is to turn on the light. Rubber is found in the electric light bulb, being used as a packing just inside the metal. He then dresses, putting on shoes with rubber heels. Next, two pencils with rubber erasers are thrust into his pocket. After breakfast he goes into the garage and starts the car, which has loads of rubber belting, and rubber tires and tubes.

Reaching school, he goes to a type-writing class. Here rubber is found on the carriage of the typewriter, and in other various parts of the machine. He then proceeds to the mathematics department. Rubber is also exceedingly popular in this department, as erasers are constantly being used for keeping mistakes from becoming visible.

The student next proceeds to the science department. He puts on a rubber apron which protects his clothes from the acids and other chemicals which an amateur chemist is likely to spill. A great many rubber tubes and corks are used by him in performing various experiments. From there he goes to the gymnasium, where rubber is used in many articles including tennis shoes and bladders for the balls.

Just north of the gym in the journalism room a great many rubber stamps, erasers and rubber bands are used. Rubber cement is also used by

the editors of the annual in making up the panels for the year book. The fountain pen is another article containing rubber.

The more mischievous students are also great loyal supporters of the rubber product. They use rubber bands to shoot paper wads at one another. The teachers put rubber bands around papers to hold them securely, thus proving themselves true helpers of the rubber cause.

Now in fads, we find the prevailing rubber fad to be golashes and zippers for the girls. While we are speaking of rubber fads of today we may as well mention the slickers, which have become so popular in rainy weather. The popular but very useful slickers are really raincoats in disguise.

No home is modern without Self-Action Gas Hot Water Service

**Your furnace water coil takes 20% of your fuel money**

Engineers' tests have proved it—the average furnace with a water coil consumes a fifth more fuel than the furnace without a coil. Heat which *should* go into warming the house warms the water instead. So you need extra fuel and extra firing to make up the loss. The fire-chilling, fuel-wasting coil is out of date. As a matter of economy, you should discard it!

Learn about Self-Action Gas Hot Water Service. Heats water and keeps it hot. Turns itself on and off, heating only when needed. Thick insulation holds the heat in.

Hot water anytime. The daily bath for health. Comfort in sickness. Easy house-cleaning. Labor-saving in kitchen or laundry. Here you have real hot water economy and convenience!

Call at our store and learn about this service. See how it works. Or telephone, ask for Hot Water Service Department, and receive full information.

## GREEN AND WHITE THINLIES TO RUN IN Y.M.C.A. MEET

South Side's Track Team Is Entered in Annual City-wide Races; to Compete With Central

## TITLE HOPES ARE HIGH

Two Teams for Each Event Will Be Entered; No Charge Made for Admission

Next Friday and Saturday will mark the opening of the 1926 track season for South Side, when the Green and White thinlied clubs will compete in the Y. M. C. A. city-wide meet to be held at the "Y" on the above dates.

Prospects are bright for a successful season and Coach Welborn will probably enter the entire squad in the meet. He will most likely enter two relay teams in both of the relays held and will also have a strong bid in the dashes and high jump.

In this meet the Green and White cinder-powers will be competing against the cream of the city's industrial teams and will have a hard fight winning the city title. It is also probable that Central will enter her track team also and this will be the first time this year that the Green meets the Blue on the track and great rivalry is expected to be shown between the two schools.

### Big Crowd Expected

No admission will be charged for entrance to the meet and a good number of rooters from both schools, besides supporters of the various industrial teams, will be on hand. The preliminaries will be run off Friday evening with the finals coming the following night.

### Northwestern Meet

It is highly probable that Coach Lundy Welborn will enter a relay team in the 356-yard relay at Northwestern University on Friday and Saturday also. Last year men entered, but were not experienced with the inside clay track and were unable to place in the meet. This year with experienced men on the team, better results can be expected.

### Five Hundred Enter (Special to the Times)

Evanston, Ill., March 24.—Five hundred high school athletes representing fifty schools, will participate in the annual Northwestern University Track and Swimming Interscholastic at Patten gymnasium, Friday and Saturday, March 26 and 27.

At least six states will be represented in the largest entry which has ever been obtained for the big prep school classic. Teams from Illinois, Indiana, Michigan, Iowa, Wisconsin, and Delaware will be in competition. The team traveling the farthest distance is the swimming team from Wilmington, Delaware. Cedar Rapids high school from Cedar Rapids, Iowa, is another entry which will travel a long distance.

Forty-two track teams and thirteen swimming teams will compete for the large number of trophies that are offered for the victorious athletes. The entry list this year has attracted fifteen more schools than last year.

Illinois, with thirty-two schools, will be the leading state represented. Indiana has five schools and Michigan four. Four schools will represent Detroit. They are Northern, Superior, Detroit, and Northwestern.

Walter Eckersall, well-known sport expert of the Chicago Tribune, will referee the track meet, and E. C. Delaporte, director of physical education of the Chicago public schools, will be in charge of the swimming contests. Cedar Rapids high school will be back again this year to defend its track championship. The Iowa athletes have carried away first honors in the meet for the last two years and they are anxious to make it three in a row.

Atlantic City high school, last year's winners of the swimming contest, has sent in its entry. Wilmington, Delaware, looms as a potential winner of the swimming meet, judging from the great records which the team has made in eastern meets this season. Lane high school and Lindbloom high school will be strong contenders in the water sport, while Cleveland high school is given an outside chance of coping first place.

A big free "feed" to all the visiting athletes will close the two days of striving. This is scheduled for Saturday night in the gymnasium. Kenneth L. "Tug" Wilson, athletic director at Northwestern, who won considerable fame for his work as director of the relays at Drake University, will be master of ceremonies. Medals, statuettes, shields and similar prizes will be awarded the winners, following the dinner. French Eason, of Detroit, a well-known student at Northwestern, and Howard Davidson, another student of prominence, who hails from Oak Park, Illinois, are helping to promote the big event.

### Latin Classes Make Posters

The Latin classes of Fort Collins (Colo.) high school have recently made colored posters. These posters are to show the English words which are derived from Latin. There are sixty-one in all.

### Library Gets New Books

The library of North high school, Omaha, Neb., has received a donation of fifty-one new books. These books are of great value to the pupils.

### Celebrate Baseball Anniversary

The students of LaGrange high school, LaGrange, Illinois, are celebrating their fiftieth successful year of baseball.

### Hold Art Appreciation Contest

An art appreciation contest will be conducted in the grade schools at Madison, Wisconsin. Mr. Dudley Crafts Watson has been secured to lecture to the children, teachers, and parents. The Wisconsin State Journal and The Capital Times will publish reviews of the pictures.

### GIRL DIAMONDEERS!

All girls who are interested in baseball are asked to sign up this week so that practice can be begun immediately after vacation. It is quite probable that a class tourney and games with Central will be played.

## LOGANBERRIES TAKE FREE THROW TOURNEY

Individual Honors Go to Albert Etter of Oxford High; Scores Perfect Record

The boys basketball team of Logansport high school, Logansport, Indiana, for the third consecutive year won the annual state high school basketball free throw contest conducted by Indiana University.

In the girls' division the team from Greencastle took first honors. Individual honors go to Albert Etter of Oxford high school who made a perfect record of fifty goals out of fifty free throws. Dorothy Kellams of Sullivan high school copped the individual honors in the girls' division, making forty-three goals in fifty attempts.

Plainville high school boys' team took second place honors. The Michigan City girls' team took second in their division.

## COMMERCIAL CONTEST TO BE HELD APRIL 24

Shorthand, Typewriting, Bookkeeping and Penmanship Will Be Included in Contest

The Fort Wayne District Commercial contest, with Mr. Parks as manager, will be held at South Side High School, Saturday, April 24.

It is a state affair, and is fostered by the commercial department of the Muncie Normal College, with Mr. M. E. Studebaker in charge.

The contest includes the subjects of shorthand, typewriting, bookkeeping and penmanship.

Last year contestants from the high schools of Angola, Auburn, Bluffton, Columbia City, Decatur, Kendallville, Ligonier, Central and South Side took part. From all indications there will be a larger number of schools entering this year. The winners from this local contest will participate in the state meet at Muncie.

## FOUR STATES DECIDED CHAMPS LAST WEEK

Illinois, Missouri, Ohio, and Iowa Hold Final Net Games to Proclaim State Championship

Freeport high school won the high school basketball championship of Illinois last Saturday by defeating Canton high, 24 to 13 in the final game of the annual state tournament. There were seven hundred teams entered in the state tourney which started three weeks before.

Westport high of Kansas City won the Missouri state basketball title by defeating Central high school of St. Joseph by a score of 28 to 7. This is the second consecutive year that the state honors of Missouri go to the Westport five.

Zanesville defeated Akron by the score of 40 to 27 to gain the state honors of Ohio in the class A division. In the class B division Oberlin high won the championship.

In Iowa the Newton high school copped the state honors by defeating Boone high 23 to 21.

### Visit Craft Cheese Company

The cooking classes of Antigo (Wis.) high school visited the Kraft Cheese Company. Mr. Kraft led the party through the factory and explained the processes through which the cheese goes.

### Adopt Point System

Students of Northeastern high school, Detroit, Mich., have adopted a point system. It was adopted in order that no students might be overburdened by too many outside activities.

### Classes Study Stock

The agriculture class of Fort Collins (Colo.) high school are studying different kinds of stock including sheep, horses, hogs, dairy cattle, and beef cattle. They usually go on field trips three periods a week.

### To Give Concert

The band of Fort Collins (Colo.) high school will give a large band concert. The purpose of this band concert is to raise money to buy suits for the boys in the band.

### Honor Pins Awarded

Honor pins are awarded to students of Central high school, Madison, Wisconsin, for excelling in activities other than athletics. Points may be obtained by punctuality, scholarship, dramatics, debating, and holding class offices. The honor pin is the highest scholastic honor attained at Central.

### Visit Industrial Units

The Girl Reserves of Central high school, St. Paul, Minn., recently visited the food factory and the telephone offices of St. Paul. The girls had just finished studying about the telephone and the trip was of interest to them because of this.

## BASEBALL BRINGS GREAT TEAM FOR COMING SEASON

Pitching Staff Most Important Problem Confronting Coach Gilbert This Season

## NEWCOMERS LOOK GOOD

Arrangements Are Being Made for Twenty Games To Be Booked

Twenty-five candidates reported for the first baseball meeting held by Coach Ward O. Gilbert, who is in charge of the diamond aspirants.

The meeting was held in order to get a line on the new players. There will not be any outdoor practice until the weather permits playing on the stadium.

The prospects show up as exceptionally bright for the coming season. There are only three places to be filled on this season's squad. An outfielder, an infielder, and one pitcher was lost by graduation last June.

This year the pitching staff seems at present to be the most important problem confronting Coach Gilbert. Chet Plaskett is the only regular pitcher who remains on the staff this year. However, Gilbert is confident that as soon as they get to working outside this problem will take care of itself.

The catching department will be possibly the same as last year if Paul Staigh is given permission to work behind the bat. Paul Marrs will no doubt share in the work as he did last year.

The infield seems to be greatly strengthened by the addition of Wambly and Wellman to the prospective list. Ralph Schroeder will no doubt make a strong bid for the third base position, which was left vacant by Joe Currie. George Nulf will give anyone a run for the short stop position which he held down last spring. Art Distel is out to cover the bag at second as usual, and Carl Dissinger intends to take care of things at first.

The outfield players who are back are Welch, McAfee, and DeHaven.

A schedule of from fifteen to twenty games is being booked, which will make it necessary for the Kelly Klads to be on their toes all the time to have a good average when the season closes.

## BOYS GIVEN CHANCE TO LEARN TO SWIM

Y. M. C. A. Will Conduct Campaign During Week of Spring Vacation; Annual Water Carnival

The seventh annual learn-to-swim campaign, conducted by the Y. M. C. A. for the boys of the public schools, will be held during the week of spring vacation, March 29 to April 4.

Boys over 10 years of age who cannot swim will be given three lessons each. They then will have a chance to take part in the water carnival on Saturday, April 3.

Boys who wished to register have had their enrollment cards signed by parents and returned them to school before last Tuesday, March 23.

These cards were sent to the Y. M. C. A. Boys' Division, and an admission card was made out for each boy, telling him just when he is to come for his lessons.

### New Rule Proposed

It has been proposed at the Central high school at Muskogee, Okla., that no letters except the official letters presented by the high school can be worn in and around the school building during school hours. Most students are in favor of the rule.

### Form "Fiction Club"

The students of Shortridge high school, Indianapolis, Ind., have organized a "Fiction club." The meetings consist of talks by English teachers upon the subject of "Modern Writers."

### Club Has Tournaments

The Hi-Y club of North high school, Omaha, Neb., are having tournaments. The games are: cue-roquet, ping-pong, checkers, and chess. A great many are trying out for these.

## Tip Offs By Willie Gattit

Tough luck, Tigers!

One consolation remains in the fact that they were beaten by the state champs.

We have been wondering all the time why they called this Murphy "Long John." Since the games at the state we heartily agree with the author of that saying and also would add a few more "handles" which would describe his elongation.

The Central-Marion game could be termed "Up in the Clouds" with so many Giants in the line-up.

It seems that each year a Fort Wayne team goes to the state finals, they go one more step farther toward the state championship.

Here's hoping they keep up the good work and continue to go farther.

The way we got it figured Fort Wayne is then supposed to win the state title the second time they play in the "cow barns."

Secretly, between you 'n me, we really had Marion picked to win.

Dame Rumor has it that South Side might play some of the state finalists next year (during the regular season).

And there were peoples and peoples.

One thing noticeable was the different kind and different colors of letter sweaters. Green, red and blue were the predominant colors.

And again Mr. Ihnsaa announces that the Indiana team dare not enter the national meet at Chicago next week.

Proof that Fort Wayne is coming up the ladder in state basketball is further shown by the fact that Mutt Jasper got on the all-state second team and Baker got honorable mention.

Ye Weakly Bedtime Storie: (A. P. report) South Side high was again suspended from the I. H. S. A. A. because "Tinah" DeHaven was charged with playing marbles after the regular season.

Wardo: "Were you down at Indianapolis, DeHaven?"

Tinah: "No, why?"

Wardo: "Well, there was a bunch of good backguards down there."

And again the ol' faithful cinder-powers were on the track in rain or shine.

Repay their efforts by attending the meets this spring!

We advise all Tiger supporters to drown their sorrows in a mammoth gedunk.

With April also comes showers and baseball (here's hopin' they come interchangeably instead of both at the same time).

Izzy Good has announced that he is laid up with a charley horse of the brain trying to figure out the most valuable player of the tourney.

In explanation of the notice that was circulated that no South Side boy was allowed to play on independent teams after the regular season, we would like to comment that all boys please abide by the notice since an infraction in this rule would probably mean that South Side might be suspended.

## BROUWER, AUGSPURGER UP FOR HEAD POSITION

Girls' Athletic Association to Elect Officers at Meeting Tomorrow

At a recent meeting of the executive committee of the Girls' Athletic association, Gertrude Brouwer and Elizabeth Augspurger were nominated for president of the association. The election will be held at the meeting tomorrow. Nominations may also be made at this meeting for president, secretary, manager of sports, and sophomore representative.

A list of active members has been posted on Miss Patterson's bulletin board and only these are to be allowed to vote.

Basketball points were awarded at the meeting and will be announced tomorrow. Plans are being made for a basketball banquet to be given April 9.

## Several South Side Boys Attend State Tourney

Several pupils of South Side, principally boys, attended the state basketball tournament at Indianapolis last week. Various means of transportation were used in reaching the "big town," including the well known "hoofing it." Most all of the students were quartered at hotels or fraternity houses, while the remainder took to private homes.

Among those who besieged the Capital City were Noble Sprunger, Dick Wiener, George Simon, LeRoy Shine, Bob Carto, Bill Rastetter, Ad Grodrian, Bob Fleming, Walter Wellman, Jim Wilson, Bill Baer, Bob VanNess, Willis Klein, and Dick Zurmuehlen.

## MARION DEFEATS ARTESIAN QUINTET FOR STATE TITLE

**Giants Come Through True  
to Form and Win from  
Martinsville in  
Finals**

## BLUE LOSES SECOND GAME

**Tigers Put Up Fight Against the  
State Champs; Overwhelmed  
in the Last Half**

The Marion High School "Giants" are the Indiana high school basketball champions for 1926.

Before a crowd estimated at 17,000, the "Stringbeans" defeated the Artesians from Martinsville, 30 to 23, last Saturday night.

Of the 719 teams which started the battle for the supremacy three weeks ago, Marion is the only undefeated team.

Marion won the right to enter the final round by defeating Central of Evansville, 29, to 22, in the second Saturday afternoon game. In their second round game, Marion drubbed Central of Fort Wayne, 50 to 26, and in the opening round had little trouble disposing of Nappanee, 49 to 26.

Martinsville entered the final fight by defeating Bedford, 28 to 25, in the only overtime battle of the tourney. The second round brought troubles to the Artesians, and they emerged victorious only by virtue of their superior basket shooting. Summitville fell before Martinsville in the first round to the tune of 50 to 24.

In the final game Marion took a commanding lead at the start of the game, and held the lead at the rest period. Score at the half was Marion 19, Martinsville 11.

The second half proved to be a real battle, the Artesians at one time coming within three points of victory. Marion pulled out of the hole in time, and the final gun found them seven points to the good.

Line-ups and summary:

Marion (30)

## Defeats Franklin Five in First

The fighting spirit of the Tigers enabled them to defeat the Franklin five, 33 to 26, in the first Friday evening game. The great work of Scott, Jasper and Baker were the outstanding factors in the victory. Ramsey played a good game on defense.

## Central Defeated in Second Round

Although Central's Fighting Tigers fell before the slashing attack of the champions in the second round, they won the respect and admiration of the thousands of basketball fans who witnessed the game, by fighting gamely all the time, even after the game was hopelessly lost. In the first half Central gave the Giants a scare by bringing the score to 19 to 16 at the halfway mark. In the second period the Marion squad opened up with a barrage of baskets that bewildered Central and soon had taken a commanding lead. Substitutes then finished the game. Near the end of the game Central started a fierce rally to cut down the great lead of Marion but it was a hopeless task and the gun cracked with Marion on the long end of a 50 to 26 score.

## Williams Gets Gimbel Prize

Richard Williams, floor guard of the Central of Evansville team, was awarded the Gimbel prize for the best mental attitude during the tournament. The prize is given each year to the player who shows the best sportsmanship.

## Give Popular Operetta

The Phoenix high school, Phoenix, Arizona, gave the musical comedy, "Once in a Blue Moon." It was given for the benefit of the new stadium fund. This play was given by the South Side Glee club last year.

## Pupils Hear Alaskan

Students of LaPorte (Ind.) high school were addressed by Mr. Thelin, an Alaskan government worker. Moving pictures of the customs, the dress, and the people of Alaska were shown.

## Freshmen to Publish Paper

The freshmen of Central Catholic high school, Toledo, Ohio, will take an active part in school activities by publishing "Centric," which is the school paper. The Easter number of the "Centric" is to be the freshman issue.

## Do You Know

- That owls have two pairs of eyelids?
- That 750 copies of the tournament issue were sold at the regional?
- That some group pictures for the Totem have been taken already?
- That dimethylaminobenzenodimethyl-ethylcarbinol is an anaesthetic recently discovered?
- That there are 45 more school days for the seniors after vacation, and 47 for the other students?
- That "The Traitor" and "The Turtle Dove" come off tomorrow night?
- That Totem subscriptions must be in by April 15?
- That April Fool's Day is on April 1?

## KEEN COMPETITION SEEN IN PRIMARY TYPING CONTESTS

**Several Entrants Are Eliminated in Contest by Difference of Only a Few Words**

## 27 GO TO SECOND ROUND

**E. Schmidt, R. May, and N. Swartz Are Most Efficient in Respective Classes**

The first round of the typewriting contest was featured by keen competition and several typists were eliminated by a difference of only a few words.

The contest is being held by Mr. Murch in his typewriting II, III, and IV classes. In typing IV Elizabeth Schmidt had the highest accuracy grade. Ronald May and Naomi Swartz proved to be the most efficient in typing III and II classes respectively.

The following are the individual results in the contest.

## Typewriting IV Winners

Lucile Ball	32.5
Helen Goette	48.4
Mary Jane Florence	42.
Mary L. Otten	37.3
Mary Jane Florence	
Elizabeth Schmidt	54.8
Florence Hansen	48.6

## Typewriting III

## Junior Hi-Y to Conduct Swimming Meet Today

The Junior Hi-Y clubs of both Central and South Side are sponsoring a swimming meet, which will be held at the Y. M. C. A. pool this evening.

The meet is not limited to Junior Hi-Y members, and anybody going to either school can enter. Visitors are invited to attend the event.

The winner will receive a small silver cup presented by Mr. Charles Davis, swimming instructor at the Y. M. C. A.

## Wins Contest

The Lewis and Clark High School Journal, of Washington, won first place in the national contest for high school newspapers conducted recently by the Youth's Companion.

## Seniors Choose Class Play

The senior class of West high school, Minneapolis, Minn., have chosen the "Gypsy Trail" as their class play.

## MISS IDA JONES TO BE LEADER OF LAST FORUM

**"What Good Are Churches and Sunday Schools?" Is the Topic for Next Discussion**

## CHES. WYNEKEN LEADER

**"What Is Sunday For?" Is Subject of Meeting Held Last Sunday**

"What Good Are Churches and Sunday Schools?" is the topic for discussion at the last Forum of the year to be held Sunday at 3:00 p. m. Miss Ida Jones, general secretary of the Y. W. C. A., will lead the meeting. Chester Wyneken, of South Side, will be chairman.

This should be one of the best attended meetings of the whole year, because of the interest of the topic, the leadership and the fact that it is the last chance to attend the Forum for several months.

At next Sunday's Forum meeting, details for the Good Friday service and the Easter morning service and breakfast will be announced.

Ninety-nine were present at the last Forum. Mr. F. M. Price, assistant superintendent of schools, was the speaker and gave an interesting talk on "What Is Sunday For?" A spirited discussion on the subject was held in two groups led by Mr. Price and Mr. Hamilton. Virginia Bourns, of South Side, had charge of the meeting, and Miss Ikenberry, of the Y. W. C. A., led the singing.

It was the conclusion of the whole group that it is a greater sin to deprecate and neglect one's religious duties on the Sabbath than to take part in some form of amusement, the greater sin being omission. It was also their conclusion that it is a matter which can not be solved by legislation.

## With the Classes

Mary Badertscher has been out of school for several days with pink-eye.

Mr. Chappell was absent last week because of illness.

The members of Miss Schmidt's German 4 class have finished "Immensee" and are now writing a short composition on each of the eight parts of the narrative. When they finish, each will have one long composition covering the entire story.

The following pupils in Miss Kiefer's classes made 100 per cent in tests last week: Giles Zwahlen, Richard Powell, Franklin Tookey, Samuel Fay, Mildred Holzwarth, Dalma Anderson, Thelma Bachellor, Josephine Dutton, Rosanna Haven, Edith Hilgemann, Herbert Martin, Mary Hillis Miles, Dorothy Oren, Dorothy Rinehart, Dorothy Roombke, Dean Shaffer, Clara Von Gunten, Loretta Acker, Gladys Gerber.

Miss Huffman's first and fourth period classes gave special reports on the "Tempest" Tuesday. Friday these classes will have their mid-semester tests over this book.

## "THE FOUR-FLUSHER" IS SUPREME ACTIVITY OF 1926 CLASS

### DE MOLAY TO GIVE 1926 MINSTRELSY AT SHRINE TEMPLE

Song Fest Will Be Presented Under Auspices of the Fort Wayne Chapter of Order

### MR. C. D. SMITH TO DIRECT

Cast of 156 To Take Part In Musical; Many Laughs In Store

The DeMolay Minstrelsy of 1926 will be given at the new Mizpah Temple on April 14 and 15 with a matinee on the 14th under the auspices of the Fort Wayne Chapter, Order DeMolay. Charles D. Smith, author and producer of the minstrelsy, feels very confident that it will be a big success. Madame Mae, costumer and designer of the minstrelsy, has promised the people of Fort Wayne that the costumes worn by the cast will be the most elaborate ever seen in this city.

Charles F. Hess, interlocutor and end-men coach, has had much experience in this work, and he emphatically expressed his opinion that wonderful talent has been selected for this production.

Mrs. Royce R. Ford, formerly Miss Merland Lorraine, well known Fort Wayne girl, who has had charge of coaching the dance and ballet numbers in the minstrelsy, has brought to perfection a number of unique features in stage dancing.

June Smith, pianist at rehearsals, has been faithful in her work, and can see nothing but success ahead for the minstrelsy.

The following cast of 156 boys and girls has promised to show Fort Wayne theater goers the best amateur production, by giving a professional show with an amateur cast.

Interlocutor—Chas. F. Hess.

End Men—Travers Chandler, Ronald Roux, Blair Bushong, Wallace McKay, Carl Wilkins, Richard Zurmuehlen, Clinton Newman, Eugene Martz, Carl Johnson, Paul Griffith, Eugene Crance, Anthony King, Cecil Harrod, J. C. Fager, Elmer Rost, Russell Crum, Paul Ridenour.

Tuxedos—Morris Rose, Noel Smith, Hubert Roe, Eugene Mitten, Howard Koechlinger, Lester Uhl, Clayton Merillat, George O. Thain.

Professionals—Cleon Keypley

Juvenile Entertainers—Wilda and Leah Barr

Cornet Soloist—George O. Thain

The Singing Wolfe—Ralph Wolf

The Character Reader—Sarah Bassett

The Charlestonian—Pearl Shearer

Scotch Dancer—Ruth McQuire

Cake Walkers—Madam Mae and Lois Duesler

Valse Variety (dancer)—Mrs. Royce R. Ford

Old Black Joe—Chas. D. Smith

Lampshade Ballet—Alberta Shearer, Margaret Reinwald, Margaret Crosbie, Charlotte Hodell, Estella Blakely, Evelyn Maass, Helen Evans, Margaret Evans, Thelma Merillat, Wilma Duddleson, Mary Elizabeth Crosbie, Pearl Shearer.

Topsy Ballet—Harriet Mercer, Hazel Krebs, Dorothy Johnston, Ruth Waldrop, Frances Saunders, Bertha Belle Johnston, Marie Kronk.

Minuet Ballet—Florence Koberly, Alberta Appenzeller, Mary Smenner, Florence Koch.

Ebony Ballet—Ruth Waldrop, Frances Saunders, Hazel Krebs, Dorothy Johnston, Harriet Mercer, Bertha Belle Johnston, Marie Kronk.

Rainbow Ballet—Mary Smenner, Marcolla Hiltz, Marie Reiber, Alberta Appenzeller, Florence Koch, Mildred Hersberger, Louise Simminger, Elveretta Smith, Tural Ulrey, Dorothy Haneline, Helen Murrich, Charlotte Evans, Virginia Woebeking, Grace Keefer.

Old-Fashioned Ballet—Marcella Hiltz, Tural Ulrey, Mildred Hersberger, Grace Keefer.

Pajama Ballet—Pearl Shearer, Margaret Reinwald, Helen Evans, Elveretta Smith.

Apron Ballet—Evelyn Maass, Estella Blakely, Lillian Hans, Jeanette Pitts.

Miscellaneous Ballet—Harriet Mercer, Hazel Krebs, Pearl Shearer, Margaret Reinwald, Alberta Appenzeller, Mary Sminner.

DeMolay Orchestra—Morris Rose, violin and saxophone; Noel Smith, saxophone; Hubert Roe, violin; Eugene Mitten, saxophone; Lester Uhl, piano; Howard Koechlinger, cornet; Clayton Merillat, drums; Maynard Patterson, trombone.

Prelude Cast—Topsy, Dorothy Johnston, Lize, Lois Duesler; Pickannies, Hazel Krebs, Harriet Mercer, Frances Saunders, Ruth Waldrop, Bertha Belle Johnston, Marie Kronk.

That Mysterious Gent—George O. Thain.

Watermelon Ballet—Arlene Heckler, Ruth Shearer, DeWayne Shearer, Bernadette Shearer, Arline Sarman, Edna May York, Jeanette Fuller, Martha Morgan, Betty Waldrop.

Vocal Numbers—Hubert Roe, Howard Koechlinger, Byron Proctor, Clayton Merillat, Mr. Reichelderfer, Wilda Barr, Leah Barr, Florence Wooley, Wayne Johnston, Travers Chandler, Margaret Evans, Helen Evans, Maynard Patterson, Veri Patterson, Clem Meyers, George O. Thain, Esther May, Chas. F. Hess, Chas. D. Smith.

Instrumental Numbers—Cleon Keypley, violin; Maynard Patterson, mandolin; Veri Patterson, banjo; Clem Meyers, guitar; George O. Thain, cornet.

### Calendar

April 8—U. S. A. club meeting in room 86 at 3 o'clock.

April 9—Senior play at Harrison Hill School at 8:15 o'clock.

April 10—Senior play in auditorium of Harrison Hill School at 8:15 o'clock.

April 12—Art club meeting in room 86 at 3 o'clock.

Grades to be issued.

April 14—P. T. H. at 3:15 in room 86.

April 15—Wranglers meeting in room 86 at 3 o'clock.

### SHARKS IN LATIN WIN THREE FIRSTS IN DISTRICT MEET

Harold Morris, Olive Prine, and Pauline Baumgartner Have High Grades

### STATE CONTEST IS FRIDAY

District Champions Go to Bloomington for Further Honors; Winners Announced

Three South Siders emerged triumphant in the district Latin contest held Saturday, March 27, at Central. These three, winners in Division I A, I, and IV, who will go to the state finals at Bloomington Friday, are Harold Morris, Olive Prine, and Pauline Baumgartner. Olive and Pauline were state runners-up last year, and Pauline won the silver medal in Division III.

The winners will leave for Bloomington today, and the contest will be held tomorrow morning. The winners of this test will be announced Friday night at a banquet for the participants in the test.

The winners in the other two district divisions were entrants from Columbia City and Wawaka.

The recipients of first and second places in the district contests and their percentages are as follows:

Division I B—

1. Contestant from Wawaka.....97.5

2. Albert Simminger (S. S.).....96.5

3. Winfred Horn (S. S.).....94.5

Division I A—

1. Harold Morris (S. S.).....95.18

2. Richard Kent (S. S.).....86.2

Division II—

1. Olive Prine.....94.91

2. Margaret Pocock.....91.75

Division III—

1. Contestant from Columbia City.....96.5

2. William Dammeier.....96.33

3. Dorothy Davenport.....95.25

Division IV—

1. Pauline Baumgartner.....90.25

2. Mary Pocock.....89

In Division III, according to the first grading, William Dammeier had 97.5, but when the grading was checked his grade was lowered so that he lost first place by one-sixth of one percent. The divisions which South Side lost had the highest grades. Albert Simminger and William Dammeier had the highest percentages of any of South Side's contestants.

### Sophomores to Give Party Here April 16

Plans for the sophomore party, which will be given April 16, have been completed. It will be held in this building at 8 p. m. The evening will be spent playing games and dancing. Music will be furnished by Wilson's Aces. Later in the evening refreshments will be served.

Previous to Saturday Harold had his doubts as to whether or not the Easter Bunny was entitled to the credit given him but after one look at the nest any doubts that were in his mind vanished immediately.

That is why so many of Harold's friends have noticed the last few days a look as of a "new faith" in his eyes. For he says, "There is an Easter Bunny."

### Girl Scouts

The Girl Scouts took a hike on Saturday, March 27 to Sylvan beach on the St. Joe River. The younger troops went in the morning and the South Side troop in the afternoon. Miss Weston, Mrs. Fomora, and Mrs. Hipkins, scout captains, went with the girls. They spent the afternoon in the woods and hiked home by moonlight.

A short meeting was held on Wednesday, March 31, at the home of Margaret Scheumann on Harrison street. Miss Weston was there and plans were made for a mock trial to be held at the next hour court.

Yesterday's meeting was held in room 86 with Miss Weston. The girls practiced signalling and worked on merit badges.

### CORNELIA A. BADE WINS FIRST PLACE IN COUNTY MEET

To Speak Next In District Eliminations of the State Discussion Contest

### SIX SCHOOLS REPRESENTED

Event To Take Place at Auburn Tomorrow Night; Silver Cup To Be Awarded

Tomorrow night at Auburn, Cornelia A. Bade will speak for South Side and Allen county in the district eliminations of the State Discussion contest. She won this night by defeating all opponents in the county meet, which was held at Central just before spring vacation. All speeches in the district contest will again be about the County Unit Plan.

There will be five speakers besides Cornelia. They are: Edward Mayfield, the boy from McIntosh high school of Auburn, DeKalb county, who took third place in last year's contest; Perry G. Miller, of Shipshewanna high school, LaGrange county; Herald Milks, of Kendallville high school of Noble county; Hugh Sanders, of Angola, which is in Steuben county; and Lester Kellogg, of Columbia City high school of Whitley county. All of these are from Indiana's Twelfth congressional district.

The Indiana University Extension Division is in charge of the meet and will award a silver trophy cup to the winner. Music for the event, which will start at 7:30, is to be furnished by the Butler Ladies' Band.

County Meet

James Sutton, of Central, was awarded second place and Ruth Hoetzer, of New Haven, third place in the county contest which Cornelia won on March 26. Selma Flory, of Len, Katherine Aufsbuerger, of Woodburn, and Mary Boeuf of Arcola were the other contestants.

The judges were Mr. McCabe Day, an English teacher at Hamilton high school, who was debate coach there for several years; Professor Fred Conkling, coach of debating and professor of English at Manchester College; and O. R. Bangs, principal of the consolidated school at Warren.

The contest, according to Benjamin Null, who acted as chairman, was very spirited and the finest of any of the county discussion meets that he has heard in Allen county.

### U. S. A. and U. P. D. Clubs To Have Joint Meeting

The U. S. A. club will hold a joint meeting with the U. P. D. club of Central at the Y. W. C. A. club rooms at 3:30 on April 15.

The program will be in charge of the South Side girls. The social committee is now working on the program to be given for the U. P. D. club. The meeting promises to be a very interesting one, and all the members are urged to attend.

Conduct Unique Campaign

The Hi-Y club of West high school, Minneapolis, Minn., are conducting a "Find Yourself" campaign.

Visit Newspaper Offices

Journalism classes of Central high school, St. Paul, Minn., visited a newspaper building recently.

### Girls Sell Flowers

Girls of Morton high school, Cicero, Ill., sold flowers to finance their annual this year.

### CLUBS ARE URGED TO GET IN MONEY FOR ALL PHOTOS

Philo Is Only Club Which Has Paid Up So Far; All Organization Pictures Are Taken

### TAG DAY TO BE APRIL 16

"All Books Must Be Paid In Full By April 16," Says Circulation Head

Although the pictures of the various organizations were to be paid for by February, only the Philatheians have made their remittance to the Totem staff so far. Group pictures of the So-Si-Y, Art, U. S. A. Wranglers, Hi-Y, Junior Hi-Y, Debaters, and the Math-Science clubs have all been taken, and "we'd like to have the money," commented Chester Wynne, editor of the year book.

Since all subscribers must have their annuals paid for by April 16, a special clean-up campaign is being staged. Posters have been placed in the halls and meetings of the room agents have been held to arouse enthusiasm and procure subscriptions. The subscription goal has been set at 1075, but only a little more than half of that number has been handed in up to this time.

"Tag Day, when all students who have paid in full for their books will be 'tagged,' will be held on April 16 as a grand finale of the subscription campaign," announced Thelma Gasser, circulation manager.

### Junior Hi-Y Club Has Interesting Meeting

The Junior Hi-Y club members were entertained with a very interesting program last Wednesday, April 7. The theme was "The Meaning of Jesus' Mastery." This is the last of a series of lectures on "The Master."

The Junior Hi-Y has only three more talks before the end of the school term. They are as follows:

April 14—"How to Profitably Use My Summer Vacation."

April 21—"Some Alaskan Hair Raisers," by Rev. Strachan.

April 28—"Keeping Physically Fit," by Warren Maddox.

### G. SCHUELKE AWARDED HONORS FOR EDITORIAL

Article on Charleston Wins Second Place in Contest for Indiana High School Publications

Second place in the state editorial contest for the week of February 11, was awarded to Gertrude Schuelke by the state department for instruction for her editorial on the "Charleston." April 21—"Some Alaskan Hair Raisers," by Rev. Strachan.

Sixty other schools have submitted editorials in this contest, which ends with this issue.

Ruth Eickmeyer was awarded first place for the editorial on "Education and a Rainy Day" in the issue of February 4.

News Editor Is Ill

Elsbeth Crane has been absent from school this week because of illness. Elizabeth Schmidt, girls' sports editor, assumed Elsbeth's work as news editor of the Times this week.

### PROGRAM CHANGES

Please notice the following change in next semester's program:

Latin 8	Room
Period	
7	36
Latin 3	
1	32
2	36
4	34
6	34
8	32

### CONTEST PRIZES TO BE AWARDED BY LOCAL PAPER

Wayne Gustenslager South Side's Representative In National Forensic Battle

### CONSTITUTION IS SUBJECT

Schools of Allen County To Take Part; Samuel D. Jackson Is In Charge of Event

Together with the other orators of the preparatory and high schools of Allen county, Wayne Gustenslager, of South Side, will speak at Central tomorrow night in the county eliminations of the National Oratorical contest. "Franklin and the Constitution" is the subject of his oration.

The News-Sentinel will award \$25 to the winner of first place, \$12 for second place, \$8 for third place, and \$5 for fourth. Samuel D. Jackson is in charge of the event.

For this year's contest the orations may be on America's contribution to constitutional government, on the constitution itself, or on the relationship thereto of Washington, Hamilton, Jefferson, Franklin, Marshall, Madison, Webster, or Lincoln.

The district contest, of which Judge William N. Ballou is chairman, will be held in Fort Wayne April 16. For this the News-Sentinel is offering a total of \$100. First prizes is to be \$50; second, \$25; third, \$15; and fourth, \$8.

Whoever is declared winner of this congressional district will then compete with the victors of the eighth and eleventh districts for the right to speak in the state finals, in which the Indianapolis News will award a total of \$1,000. This amount is divided as follows: First, \$500; second, \$250; third, \$100; and fourth, three awards of \$50 each. Everyone in the state finals will receive an award.

The state champion will speak next at Louisville, Kentucky, on May 14 and then, if still victorious, in the national finals at Washington.

### Art Club Will Have Important Meeting

The Art club will have a meeting Monday, April 12. This is to be an important business meeting and all members are expected to be present in Room 86 at 8 o'clock.

### Lecture by Mr. Null Features Philo Meet

"Literature, Old and New" Is Subject of Talk by English Teacher; D. Kohlmeier Sings

The Philos held their regular meeting Monday afternoon in the Greely Room at 3:00 p. m. Ruth Barber, substituting as chairman for Dorothy Somers, opened the meeting. The minutes were read and approved by Catherine Chapman.

Mr. Null gave a very interesting talk on "Literature, Old and New," and told about the superficial changes in poetry.

Dorothea Kohlmeier sang a beautiful selection called "Boats of Mine." Ruth Barber accompanied her at the piano.

Miss Demaree urged the members to pay their dues. Those who failed to pay them the first four meetings were charged 50c. This was done as a penalty.

The plans for the next meeting have not been definitely decided upon.

### Janitors Give School Good Spring Cleaning

It was very evident last Monday morning that Mr. Stahl and his force of helpers had been busy during spring vacation. Every square inch of floor in the building was not only bright and shining but slippery because it had its regular oil bath with mops. Every window in the building said good-bye to every streak of dirt on them, because they, too, received a good cleaning.

The dirt and dust in the corners in the gym simply could not resist the attraction of the vacuum cleaner which went through it and all the rooms adjoining.

### New Candy Counter Made By Mr. Stahl

A portable candy counter has been designed and constructed by Mr. Stahl during spring vacation.

The counter is to be used by the various clubs and organizations of the school. Application for its use must be made to Miss Harvey.

The counter will prove to be a very handy arrangement since it is very easily pushed about on wheels. It has shelves underneath for the storing of candy or other goods to be sold.

### THREE-ACT COMEDY PROMISES MANY LAUGHS AND THRILLS

Production to Be Presented at Harrison Hill Auditorium Friday and Saturday of This Week at 8:15; Tickets Are Seventy-five Cents and One Dollar

### ALL SEATS ARE RESERVED AT OFFICE

Rebecca Andrews and James Willson Have the Leading Roles as Cashier and Clerk in Shoe Store; Seven Boys and Four Girls Have Other Roles

The rising of the curtain on "The Four-Flusher" at 8:15 o'clock tomorrow night at the Harrison Hill school auditorium marks the peak of activities of the 1926 Senior class.

"The Four-Flusher," a three-act comedy dealing with a young shoe clerk who inherits a million dollars and suddenly loses it, was written by Caesar Dunn and is being directed by Vernon C. Sheldon of the Sheldon school of speech. The comedy is a true portrayal of young American life.

That the play will be a decided success is the opinion of those in charge. Characterized by humorous and catchy situations as well as good acting "The Four-Flusher" should excel any senior play given in the past.

"The play is fast rounding into shape," was the statement made by Mr. Sheldon early this week. "And," he continued, "it gives promise of being very amusing as well as interesting."

Three practices a day during spring vacation with rehearsals twice a day during this week should do much toward making this year's senior production the most successful one yet. Full dress rehearsal will be held tomorrow just before the first performance of the play.

The play will be featured by the acting of Rebecca Andrews and James Willson who have the leading parts. The members of the cast are:

Jerry Dean — Rebecca Andrews  
Andy Whittaker — James Willson  
Ira Whittaker — Walter Schmidt  
Mrs. Dwight Allen — Mildred Berlein  
June Allen — Dorothy Somers  
Dr. Faraday — Richard Bainer  
Evangelina Fay — Mildred Scott  
Maid — Bernadette Bennett  
Robert Riggs — Noble Sprunger  
Mr. Riggs — Richard Bickel  
P. J. Hamerton — Richard Wiener  
Mr. Gateson — Harold Baker  
Mr. Rogers — Dudley Wass

The play will be presented at the Harrison Hill school auditorium tomorrow and Saturday at 8:15 o'clock. The tickets were put on sale last Monday and by the rapid way in which the ticket sale has progressed a full house is promised for both Friday and Saturday nights. The tickets are on sale in the office and by members of the senior class. Seats can be reserved only in the office. Every seat in the house will be reserved. The prices of the tickets are seventy-five cents and one dollar.

Synopsis of Play

Andy Whittaker, a shoe clerk and inventor, is invited to June Allen's birthday party. Before the party Andy's uncle who is not expected to live returns from California and Andy expecting to be his heir spends his legacy by buying a car and present for June Allen, with whom he is in love.

The uncle recovers and, angered by Andy's actions, disinherits him. The people from whom Andy bought his car, jewels, and so forth come to the party to claim their goods and an embarrassing time ensues for Andy. Mrs. Allen orders Andy to leave the party.

In the following scene Andy returns to the shoe store to work and to be with Jerry Dean, cashier at the store, and his former lover. An intention of Andy's proves successful and it nets him a large fortune Jerry Dean consents to become Andy's wife and the conclusion is satisfactory to all.

Sidney Peers, a South Side student has been chosen stage manager because of his ability as well as his experience with work of that kind. Recently Sidney was stage manager for the two plays put on by the Wranglers club, "The Turtle Dove" and "The Traitor." He has also had experience with plays performed in the new Shrine auditorium.

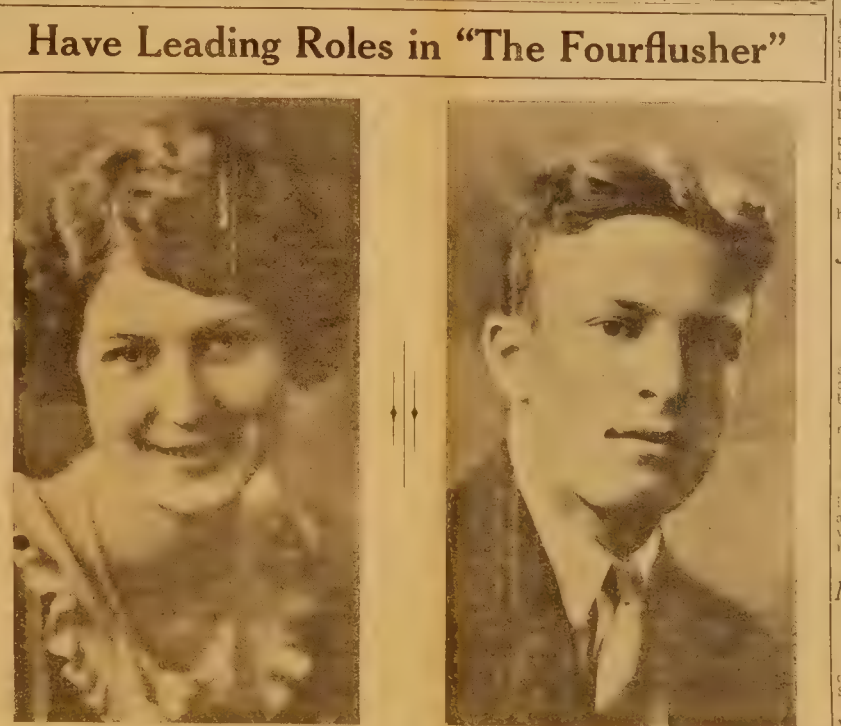

Jack Clayton was appointed advertising manager. By card display in store windows, press stories and general advertising by members of the senior class the general public is being informed about "The Four-Flusher."

That every member of the senior class will buy two tickets for the Friday night performance was the decision the members of the senior class came to at a meeting held the fourth period last Monday. These tickets may be sold to friends or used by the family but by doing this it insures the senior class of having a full house Friday as well as Saturday night. It is expected that the general public will for the most part see "The Four-Flusher" Saturday night.

The seating capacity of the Harrison Hill school auditorium is about 700.

The proceeds of the play will be used by the 1926 class to pay a pledge made to the Totem last fall. Any other money in the class treasury will be used to purchase a gift for the school as it has always been the custom for graduating classes to do.

The shoes and stage settings are being furnished by the Lehman Shoe store.

Rebecca Andrews and James Willson, both active members of the senior class, take the leading parts in "The Fourflusher" to be presented at Harrison Hill, Friday and Saturday of this week. As a young and struggling shoe clerk, Jimmy takes the part well, while his leading lady, Rebecca, is a valuable asset to the production.

## TIMES EDITORIAL PLATFORM

1. To further scholastic activities.
2. To promote extra-curricular activities.
3. To give well-written accounts of high school happenings.
4. To offer high standards of school spirit.
5. To aid school officials.
6. To let parents and public know what South Side is doing.
7. To keep in touch with other schools.

There's a big difference between satisfaction and contentment. A satisfied man might think he was contented, but a contented man is never so foolish as to be satisfied.

## An Enlightening

In a few weeks, the seniors will again be swamped with mail. College catalogues will begin to come, each exalting its own particular school. When they begin to study them, even the lofty seniors will understand the "why" of some of the things that they swallowed while in their high school career.

## 'N A Little Bit More

It looks as if our high school "sheiks" will soon be affecting all of the fads that the gay young Oxford undergraduate has taken up. All the Fort Wayne boys need yet are "brollies" (umbrellas) and horn glasses, for the Oxford man, according to the Chicago Tribune, wears "bag" trousers, no hat, a rainbow colored jumper, horn glasses, a sports coat, golf hose, a turn-down collar, and a "broolly."

## Brains

"The attitude of too many students is to just 'get by'," a noted professor says. We know this to be true of some South Siders. Do we want to hear this said of us?

School is the place to learn, not how to "get by," but how to train ourselves for a well-rounded life. As some one has said, "Only the very brilliant students can successfully 'bluff' a teacher. But why should not they use their intellects in accomplishing something worth while?"

## Something New

We have contests and contests. Some call brawn and some call brain into use. We have the different sports, the public-speaking events, and the Latin and commercial meets; but we have never been in any inter-school event where general championship in the "3 R's" was determined.

Four high schools in Maine took part in such an event just a short time ago. Each school entered a team of five. The contest started early in the afternoon and finished late at night. In the afternoon, the entries took tests in the different studies; and, in the evening they ended the meet with a spelling bee and a speaking contest. Five boys and fifteen girls took part. The winning team was made up of three boys and two girls. All were enthusiastic about it and, it is said, the event created almost as much excitement as a championship football match.

If we should enter a contest of this kind, would we win?

## Why the Criticism?

People always criticise schools for their extra-curricular activities. They say that boys and girls are sent to school to study and that they should not go in for sports, should not work on the student publications, should not take part in debating and other public speaking contests, and should join no clubs.

However, if the people who talk like this would look around at life outside of school, they would soon find out that the persons who are admired the most are the very ones who are active in things that, in school, would be classed as extra-curricular. In our community, at any rate, the most respected and best known men are the ones who belong either to the Kiwanis, Rotary, or One Hundred Per Cent club, or to some other civic organization of the same class.

If we want to be the kind of person who is respected, why should we not start being that kind while we are still at high school? Surely this would justify extra-curricular activities even in the eyes of the men and women who criticise the schools most because of them.

—Gertrude Schuelke.

# SOUTHERN SPICE

Mr. Voorhees: "Mr. Mahan did the flash test for coal oil. He also broke a thermometer that's going to cost him a dollar."

Mr. Voorhees: "Is anyone else absent besides McMahon and Jett?"  
Several pupils answered, "Branning is absent."  
Mr. Voorhees: "I thought I saw his white head back there."  
"It must have been Wardo," said Tina DeHaven.

Mr. Voorhees to class: "You know there's one person in this room that I think I'll flunk and I hate to flunk anybody, too. It's a young lady. In laboratory this morning she handed me a heated piece of glass and after I had it in my hand said, 'Look out, it's hot!' Now don't you think I ought to flunk her? See, here's the blister on my finger."

## THEY DO

Did you ever notice that even baldheaded barbers insist on telling hair-raising stories?

## THIS IS NEW

Adoring Boy: "There is nothing smaller than your foot."  
Girl with Foot: "There is too!"  
Boy: "What is it?"  
Girl: "My shoe."

## I'D LIKE TO KNOW

What's the use of learning  
An ancient history date,  
When I can make a modern one  
At a quarter after eight?

## IN BIOLOGY CLASS

Frosh: "What is the cat's paw?"  
'Nother One: "Why, it must be the cat's father."

## SORTA NUTTY

Dealer: "This dining-room set in walnut finish is \$400."  
Walter Barber: "That's rather high. What have you in—er—a peanut finish?"

Mr. Whelan: "What's the matter with you, Schopf? You haven't made a grade since the basketball season. You'd better go out for track and raise your grade."

Miss McCloskey: "To learn English you must keep yourself mentally on the stretch." Looking at Oren Flaugh: "No, not physically on the stretch, Oren. That's an indication of laziness."

Some people are so dumb that they think the Mikado is a species of Japanese night-owls.

All saps know spring is coming.

She was only a milk man's daughter, but she turned a little pale.

Hiram's acquiring a moustache  
Beneath his Roman beak;  
He's getting it on the installment plan,  
A little down per week.

Mr. Davis: "If 180 lb. and 90 lb. weights were placed respectively on a stick, what would happen?"  
C. P. (waking up): "The stick would break."

## SENIOR TRY-OUT

Mr. Sheldon: "How tall are you?"  
Walter Schmidt: "Oh, about five feet eleven or twelve."

How often, oh how often!  
Your symptoms of the flu  
My elongated frame have gripped  
And pierced it through and through!  
I get those chills and fevers  
When "Southern Spice" I scan,  
To see if my last brain-child  
Has died—or is a man.

The Japanese house of representatives has a bill before it to prohibit western dances, especially the Charleston. Evidently the Japanese houses, though built to resist earthquakes, are not Charleston-proof.

The rain is raining all around  
But not on one old fella  
Who came to see us yesterday  
And took my pa's umbrella.

A good head prevents a pin and a wise man from going too far.

## Punctuation

Punctuation bothers me?  
I cannot seem to get it!  
I learn it: frequently; you see,  
And: frequently forget-it,  
In English I try!  
To learn when and where  
To put, a comma;  
But I find? a semi: colon there.  
The comma-period fault; I find;  
Comes popping up, and then  
I cure it but, it soon  
Comes, back again,  
This; punctuation certainly  
Gives me, an: awful-fright  
The only cure that, I can see—  
Is not to, write?

AT LAST IT HAS BEEN DISCOVERED WHY THE WORM TURNS. IT WANTS TO MAKE BOTH ENDS MEET.

## By All Means

Mrs. Carrington—"Yes, we've decided to send our Letter to Oxford."  
Aunt Martha—"Isn't that fine! I must get him one of those Oxford bags to carry his books in."

"Sport is indispensable for health!"  
"But our forefathers didn't go in for sport."  
"No—and they are all dead!"

"Where is the sponge I asked you to buy?"  
"I couldn't see a good one. They all had holes in them!"

## Pretty Soft

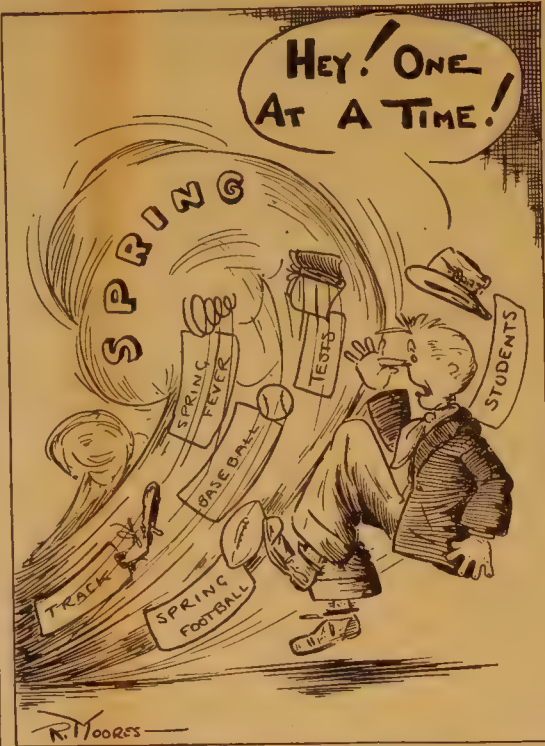

I wish I had an identical twin,  
As like to me as another pin!  
The same in looks, and the same in looks,  
According to all the twinnery books;  
Alike in sex and alike in soul,  
The other half of a sundered whole,  
Just as a pea in two is cleft,  
I'm righthanded, so she'd be left.  
My hair curls this way and hers would that;  
Beans-porridge-hot-and-cold, tit for tat,  
I toe outward, and she'd toe in;  
If I only had an identical twin,  
Myself in a mirror, face to face,  
I'd never need carry a vanity case!

A boy is such a nuisance if  
A person has some candy,  
But with a dime or two to spend  
A brother comes in handy.

According to a physician a teakettle is an excellent thing for boils.

## The Student's Prayer

I sit me down in class to sleep,  
I hope my chum my notes will keep  
If I should be called on before I wake—  
Poke my ribs, for pity's sake.

## Quizzzy Quizz

Question: Why do you want to see the senior play?

"Each year the senior class donates something to the school and this is bought with the senior play money. Everyone should go and see the play and this way they will help the seniors make their money," said Macy Kelsey.

Jeanette Durye said, "I want to go and see the senior play because they are always interesting. It is a representation of the senior class."

"I should like to see the senior play," said Mary Stover, "because I think it is every loyal South Sider's duty to help out anything connected with the school. I'm sure, also, that the duty will not be irksome as the play is interesting."

"I can hardly wait until the senior play is presented. I thoroughly enjoy seeing my fellow students on the stage and I know the only way I can show my appreciation is to go and see this play," said Alice Mason.

"I like to see the senior plays because home talent is always more amusing than professionals whom you don't know," said Marcella Shalley.

Cleta Hixon said, "I shall like to see the senior play because it is a representation of the students' talent and also because the plays are always interesting."

## Open Letters

### Easy Enough

Dear Editor:  
Can't something be done to clean up the desks in South Side? Pupils tear up paper and then leave it on the desks. Miss Chapin has repeatedly requested the pupils not to put paper on the desks and floor in the session hall but they persist in doing it. It would be so little trouble for each student to put his or her paper in the waste-paper basket and save the janitors and teachers a great deal of work. It would also greatly improve the looks of the school. Of course, we all want to make South Side the best ever, so let's clean up.

Yours truly,  
H. C.

## SCHOOLS NEED CO-OPERATION.

In a certain town there is a man who lives across the street from the county courthouse. This man has two dogs—one being a very large Collie and the other is small. These two are very good friends and stick together through all their troubles.

The courthouse has a very large lawn and many walks. When one of the dogs sees a strange dog on the courthouse lawn, he and his partners go over and challenge the stranger to a fight. As the larger one of the two is a good fighter, he attacks the stranger from the front. While the newcomer is thus engaged, the smaller one attacks from the rear and annoys him very much. In this way there are very few strange dogs who come out victorious in a fight with this partnership. This is co-operation. These two partners can accomplish what neither could do alone.

There are many problems in high school that would be hard for any one of us to overcome individually, but if we all get together we can accomplish many things. No school can be a success without the co-operation of the students and faculty. Let us be able to say that our school is a success.—The Buzz.

### Class Sees Movie

The physical geography classes of Auburn (Ind.) high school were entertained by a three-reel movie in their class rooms. They were "The Earth and World Beyond," "The Moon as it Looks from the Earth," and the "Yosemite Valley in California."

## I'm A Nut

I'm the strong guy of this school. I'm always showing you how hard my grip is. I don't mind at all if it hurts your hand a bit. I like to scuffle, too. Sometimes I go about trying out my favorite wrestling holds. I know that I'm a pest and a more, but I do love to show how strong I am. I don't get much of my school work done; I disturb others too when they're trying to do theirs. But, of course, when some one who is really strong comes along, I fade away.

## I'm Not A Nut

I'm not the gink who learns all the popular songs and then inflicts them on you. I'm no back number, and yet I'm not that sort of a fellow either. You know the kind I mean. He is always ready with the latest hits. At home and at school he talks about them. He asks if you've heard the very latest. "Boy, it's hot." Whether you have or not, he hums it for you. If you don't take notice, he sings it softly and usually shakes his shoulders a bit and thinks he's almost as good as the actress he heard sing it. Well, I just want you to remember that I'm not that nut.

I don't make my recitations in class little individual affairs for the teacher's ear alone; I believe in letting the whole class know what I'm saying. At any rate, I don't let anyone go to sleep while I'm talking, I let my voice boom out so that even the person sitting farthest away can understand me. My teachers never have to say to me, "Please repeat. I don't believe Mary sitting way back there could hear you."

In nearly every class, there are a few nuts who either mumble or talk in a very modest, lady-like way according to their sex. I suppose they have special little secrets for "Teacher."

## Read A Bit

We have put several new books of drama on our library shelves. The following is the complete collection:

Cohen—One-Act Plays.  
Clark—Representative One-Act Plays by British and Irish Authors.  
Mayorga—Representative One-Act Plays by American Authors.  
Tatlock & Martin—Representative English Plays.  
And the following single plays:  
Parker—Disraeli.  
Parker—Pomander Walk.  
Fitch—Nathan Hale.  
Fitch—Beau Brummel.  
Barrie—What Every Woman Knows.  
Barrie—Dear Brutus.  
Galsworthy—Loyalties.  
Galsworthy—Old English.

## Week's Anniversaries

April 6, 1909—Robert E. Peary discovered the North Pole.  
April 6, 1917—The United States entered the World War.  
April 7, 1770—William Wordsworth was born. He died 1850.  
April 8, 1513—Ponce de Leon first landed in Florida.  
April 9, 1865—General Lee surrendered to General Grant at Appomattox Court House.  
April 10, 1865—The Black Hawk and Indian War started in Utah.  
April 11, 1921—The world's longest cable, connecting Key West, Florida, and Cuba was opened by President Harding.

### Shakespeare Theatre Destroyed

The Shakespeare Memorial theatre at Stratford-on-Avon, known to all American visitors to the great poet's birthplace, was practically destroyed by fire March 6.

## The Dean Says

To be able to approach people easily, impress them favorably, and talk with the mpleasantry is a resource of the highest importance to any person who would live a happy, useful life in our social world.

Martha McIntenger

## BY THE STREETS OF BY—AND—BY—

One arrives at the house of NEVER. Youth, now your greatest possession, spells opportunity. It is time of preparation. Whatever the future may hold for you, must be planned for now. And no matter how small your allowance, you could save a few pennies each week and would if you were forced to. Why not stop thinking in terms of BY-and-BY.

True thrift does not mean miserliness but the habit of systematically saving even the smallest sums against the time of your urgent need. Cultivate that habit now. You can start with your name on the dotted line of a Lincoln National Life Savings policy.

# SOUTH SIDE ONE OF TEN TEAMS IN NEW GRID LEAGUE

## Constitution Drawn Up by Members Who Attended First Meeting of the Organization

## VEENKER IS PRESIDENT

### League Goes Into Operation In 1927; Agreement Reached to Cover 1926 Season

A new football league, which is to be known as the Indiana High School Football League, was formed at a meeting held at Indianapolis last Thursday. The meeting was attended by representatives from ten of the largest high schools in Indiana. The new league will have its own rules, but will be under the Indiana High School Athletic Association control.

The schools who were included in the league are: Technical of Indianapolis, South Bend, Emerson of Gary, Muncie, Elwood, Mishawaka, Central of Evansville, South Side of Fort Wayne, and Germeyer of Terre Haute. Marion is also a member but was not represented at the meeting, giving assent to the proposed terms of association by letter.

Mr. Harris was the representative from South Side.

The officers elected are George Veenker of Gary, president; Martin of Muncie, vice-president, and Fred Foreman, of Tech, secretary-treasurer.

The league will go into effect in 1927, operating during the 1926 season under a gentleman's agreement reached at the meeting.

Mr. Harris stated he was well pleased with the attitude taken in forming of the new league and the rules and constitution which was adopted.

There is no doubt that the new league will be a good step toward the determining of a state champion, as the schools included in the league have had good teams consistently year in and year out.

This year South Side plays Muncie, Tech and Mishawaka, all of which are in the league.

The following constitution was drawn up by the members present at the meeting last Thursday:

### Constitution and By-Laws—Indiana High School Football Conference

#### Article I.—Name.

This conference shall be known as the Indiana High School Football Conference.

#### Article II.—Object.

The object of this conference shall be:

- To promote good fellowship and sportsmanship among its members.
- To promote better football teams in the state.
- To facilitate making out of schedules.
- To determine a champion of the conference.

#### Article III.—Charter Membership.

Section 1.—This conference shall be composed of the high schools of Elwood, Central of Evansville, South Side of Fort Wayne, Emerson of Gary, Technical of Indianapolis, Marion, Mishawaka, Muncie, South Bend, Germeyer of Terre Haute, and such other schools as shall be admitted by two-thirds vote of members.

Section 2.—Any school may forfeit membership by failure to have representative at regular annual meeting.

Section 3.—Schools finishing ninth or tenth in the standings of the league for two years shall consider their membership automatically forfeited. Their application for re-entrance, however, shall be considered with any other schools on the waiting list.

Section 4.—New schools shall be admitted only on vote of two-thirds of members.

Section 5.—The membership of this conference shall not exceed 10 schools.

Section 6.—Any school may be expelled for gross misconduct by vote of 9-10 of members.

Section 7.—All members must play four or more games with members of conference.

#### Article IV.—Administration.

Section 1.—The I. H. S. A. A. rules and regulations shall govern all activities of the conference.

Section 2.—Management of this conference shall be vested in a board of control.

Section 3.—The board of control shall consist of the principal or his regularly appointed faculty representative of each participating school at the regular annual meeting.

Section 4.—The regular annual meeting shall be held the second Saturday of December.

Section 5.—Special meetings may be called by the president and shall be called by the secretary upon request of six members.

Section 6.—The officers shall be: president, vice-president, and secretary-treasurer, and shall be elected at the annual meeting of the board of control.

#### Article V.—Protests.

Section 1.—Protests covered by I. H. S. A. A. rules shall be filed and decided by the I. H. S. A. A.

#### Article VI.—Funds.

Section 1.—Each school shall pay to the treasurer of the conference an annual fee of \$5.00 on or before the regular annual meeting.

Section 2.—The secretary-treasurer shall pay funds of the conference only upon order of the president of the conference.

Section 3.—Special levies may be made to provide for trophies, etc.

#### Article VII.—Trophy.

Section 1.—A suitable trophy shall be awarded to the champion of the conference at the regular annual meeting. The secretary-treasurer shall be responsible for its presentation.

Section 2.—In case of a tie for the championship there shall be similar trophies awarded to the schools so tied, provided there are no more than two.

#### Article VIII.—Schedules.

Section 1.—Schedules shall be made

# SOCIETY

Miss Hilda Sellers spent the week-end at the home of Mr. and Mrs. Paul Cairns, of Detroit, Mich.

Mr. and Mrs. Ward O. Gilbert and their sons spent the week-end in Rushville as the guests of relatives.

A theatre party was enjoyed at the Palace recently by Agnes Wehmeyer, Emma Riggs, LaVon Blue, and Charles Padson, Wayne Gaylord, and Lee Williamson.

Virginia Kinerk entertained at her home Wednesday evening. Those who were present were DeNeal Pfeiffer, Macyl Kelsey, Hazel Sloan, Margaret McClintic, Kathryn Wescher. Buncu was enjoyed by the guests, and at a late hour a dainty luncheon was served.

Marjorie Miller, Bertel Bennett, Betty Augspurger, and Gertrude Bradley enjoyed a theatre party recently.

Betty Augspurger entertained a few friends Saturday evening at her home on Hanna street. Those present were Bertel Bennett, Marjorie Miller, Gertrude Bradley, Ray Warlock, and Ralph and Earl Augspurger.

Virginia Woebeking pleasantly entertained her club recently. The evening was spent in playing games and dancing. A dainty luncheon was served to Mrs. Irene Brown, Madeleine White, Dorothy Einseide, Velma Rolf, Vera Bruns, Marian Woebeking, and Pauline Hilbish.

Ruth Buist spent part of the spring vacation visiting in Chicago.

Marcella Shalley spent the spring vacation in Lafayette, Indiana.

LaVon Blue entertained a number of her most intimate girl friends last Friday evening. The evening was spent in playing bridge and dancing. At a late hour a dainty two-course luncheon was served in carrying out the Easter season. Those present were Agnes and Alice Wehmeyer, Marcella Connors, Anna Henry, Marian Miller, Emma Riggs, Marie Rudolphson, Faynell Filler, Ethel McMillen, Ethel Moore, and Louise Krill.

George Simon entertained a number of his friends at dinner at his home on Oakdale drive recently. Covers were laid for Ward O. Gilbert, James Willson, Jerry DuWan, Dick Wiener, Fritz Wambegans, Phil Rahe, Noble Sprunger, Addison Grodrian, William Rastetter, Chris Branning, Walter Wellman, Wilson McCormick, and Bob Carto.

## SOUTH SIDE PREPARING FOR Y.M. SWIM MEET

Pearl Foster-Rahe Cup To Be Awarded Again; Central Girls Received Honors Last Year

Six South Side girls are preparing to enter the annual swimming meet at the Y. W. C. A. pool on May 1. Central girls and other swimmers who are interested in this sport will take part.

At this meet the Pearl Foster-Rahe swimming cup will be awarded to the person winning the most points. Last year this cup was given to Phyllis Bales, a graduate of Central. This year the South Side swimmers hope to claim the cup and are practicing faithfully for this event.

The dip period at 3:45 o'clock on Tuesday has been assigned to the South Side competitors, Maxine Rahe, Mary Frances Goodrich, Gertrude Brouwer, Leola Foster, Ruth McGuire, and Esther Speelman. A record sheet has been placed in the pool where a record is kept of the form, strokes, and dives which the entrants use.

out at the regular annual meeting: (1) by managers present arranging as they see fit.

#### Article IX.—Selection of Champion.

Section 1.—The champion of the conference shall be determined on a percentage basis. Tie games not to count.

#### Article X.—Amendments.

Section 1.—The constitution of this conference may be amended by a two-thirds vote at the regular annual meeting, provided the proposed amendment has been submitted to the secretary not less than two weeks before the annual meeting. The secretary shall submit all proposed amendments to the members of the association at least 10 days before the annual meeting.

Note: This year each school must play not less than three games in conference to figure in standing. Percentage to be determined on basis of total number of conference games played.

Jean Herd spent the spring vacation in Detroit.

Virginia Woebeking recently entertained with a shower in honor of Mrs. Gordon Brown, formerly Miss Irene Paul, a bride of recent date. The highest prize at bridge was won by Velma Rolf, who in turn presented it to the guest of honor. Late in the evening a dainty luncheon was served by the hostess. Those who were present are: Madolin White, Vera Bruns, Mrs. Gordon Brown, Pauline Hilbish, Marian Woebeking, Dorothy Einseide and Velma Rolf.

Catherine Childers visited relatives in Columbus, Ohio, during the vacation.

Dorothy Davis of East Pontiac street, visited relatives in Lima, Ohio, last week.

Bertryl Merrill, of Oakdale drive, entertained a number of her friends at her home Thursday evening, in honor of Mabel Fell, who will enter the Lutheran hospital training school in the near future. Games were played, following which a delightful luncheon was served to Mabel Fell, Gertrude Davenport, Florence Phelps, Ruth Brown, Wyona Welch, Florence Hess, Tyra Jurgensen, and Marcella Shalley.

Marguerite Luecke will entertain with a bridge party at her home on West Woodland avenue, Saturday.

Erich Lasch, of Lexington drive, was recently host to a number of his friends at his home. A program was presented, consisting of a vocal solo by Norrean Burnheimer, a dialogue by Gertrude and James Allen, and novelty piano duets by Erich Lasch and Warren Weddle.

Dancing and progressive "flea" were also enjoyed, prizes being awarded Margaret Ehrmann, Gertrude Allen, Warren Weddle, and James Allen. A delicious luncheon concluded the evening's entertainment.

Mary Hale visited relatives in Alliance, Ohio, during the spring vacation.

#### LaVon Blue recently entertained a number of her friends at her home on Smith street Friday evening. Bridge was played, and dancing and radio music were enjoyed. At a late hour the hostess served a delightful two-course luncheon to Emma Riggs, Ethel McMillen, Marie Rudolphson, Marcella Connors, Alice Wehmeyer, Louise Krill, Marian Miller, Agnes Wehmeyer, Ann Henry, Faynelle Filler, and Ethel More.

## CORNELIA A. BADE WINS STATE ESSAY CONTEST

Writes On "Relation of Chemistry to the Home"; Theme To Be Featured in National Finals

By winning first place in the section of the Indiana State Chemistry Essay contest, in which her essay, "Relation of Chemistry to the Home," was entered, Cornelia A. Bade becomes a participant in the National Chemistry Essay contest which is being sponsored by the American Chemical society.

An award of twenty dollars as well as a first prize certificate will be given to Cornelia as a reward at the graduation exercises in June.

Six essays from Indiana will be entered in the national contest, as there are six divisions in the contest. The subjects from which the choice of essays could be made are: The Relation of Chemistry to Health and Disease, The Relation of Chemistry to the Enrichment of Life, the Relation of Chemistry to Agriculture or Forestry, The Relation of Chemistry to National Defense, The Relation of Chemistry to the Home, and The Relation of Chemistry to the Development of an Industry or a Resource of the United States.

The winner in each division in the national contest will be awarded a scholarship, including \$500 annually for four years besides the tuition fee. The announcement that Cornelia's essay had won first place in its division was received by Mr. Harris in a letter from Paul Smith, secretary of the committee on prize essays of the American Chemical society.

Public notice of this honor was first given at the Wranglers' play at the Harrison Hill school last Friday night.

## IMMIGRATION IS TOPIC OF WRANGLER DEBATE

Agatha White, Ruth Egan, Jeanette Duryea, and Virginia Danuser to Discuss Question Today

A debate on "Immigration" will be the feature of the Wranglers' meeting to be held in the Greely Room this afternoon at 2 o'clock.

The teams will be composed of the following members of the public speaking class: Jeanette Duryea, Ruth Egan, Virginia Danuser, and Agatha White.

Eight minutes for constructive speeches and five minutes for rebuttal will be allowed. The club will judge the contest.

After the debate parliamentary drill will be held. Mary Pocock will preside.

## Wrangler's Plays Are Great Success

"The Wranglers' plays were a great success," was the statement of Mr. Mackey, their faculty adviser. About \$54 was taken in at the play. A goal of 200 tickets was set by the members of the cast but money for 250 has been turned in already.

The plays, "The Turtle Dove" and "The Trail," were given Friday, March 26, in the Harrison Hill auditorium. It was given to earn money for the debate and discussion people.

The cast wishes to express its thanks to Miss Pape and Sidney Peers for their help. Miss Pape "made up" the players and Sidney Peers arranged the scenery.

## Hi-Y Club to Discuss Interesting Subject

"Playing Square with Tomorrow" will be the topic for discussion at the Hi-Y club Thursday evening at the Y. M. C. A. The Bible study is "A Call to a Heroic Life." No meeting was held during the recent vacation.

## Alumni News

Meredith Jones and Howard McCurdy, '25, have returned to their studies in Indianapolis after spending the week-end with relatives in the city.

Agnes Watkins, '23, is enrolled at Muncie State Normal.

# GREEN AND WHITE TRACK TEAM PRIES OFF LID APRIL 10th

## SOUTH SIDE CINDER POUNDERS OPEN HARD SEASON THIS WEEK

Two Picked Teams to Clash in Season Opener at Stadium; Meet with Columbia City Postponed; Team Practices in Snow

## REMAINDER OF SCHEDULE IS ANNOUNCED

Thinly Clads Have Meet Every Week; Go Out of Town for Three Meets; Entered in Tech Relays

Next Saturday the South Side track team opens the present outdoor season when two picked teams will compete against each other in a dual meet.

A meet with Columbia City, which was to be held Saturday, was postponed due to the inclement weather which prevented the Columbia City team from holding practice. This was to have been one of the best meets on the schedule and will probably be held sometime later in the season.

South Side has a strong team on the cinder paths with experienced men in many events. There are about five lettermen back again this year. They are Baker, R. Fleming, P. Fleming, Lighthill, and Lombard. It is rather peculiar that all runners left from last year are dash men and many men have been trying out for long distance runs and the outlook is very promising. The two teams which will be pitted against each other will be captained by Baker and R. Fleming.

On the week following the Columbia City meet the South Side team will pack up their track spikes and travel down to Portland where they will be entered in a triangular meet with Portland and Richmond. Last year Coach Welborn's proteges lost an exciting meet to the Portland team here after leading most of the time.

On April 24 the South Side team again goes south when they trek down to Indianapolis, the longest trip on the schedule to compete in the Tech relays. These are purely relay races as the name indicates and South Side will be travelling in fast company.

Central Meet May 1  
On the first of May the Blue and White team of Central will compete in a dual meet at the stadium. This will probably be a typical South Side-Central affair as both teams appear to be evenly matched according to advance indications shown in the Y. M. C. A. indoor meet where South Side needed out the Tigers in a thrilling battle.

The Wabash Valley High School association is sponsoring a meet which is to be held at Logansport on May 8 in which South Side, Peru, Wabash, Kokomo, Huntington, Logansport, and Rochester will take part. On the week following, the sectional meet will be held in the stadium and on May 22 the state finals will be fought out at Indianapolis.

The complete schedule is as follows:  
April 17—Richmond, South Side and Portland at Portland.  
April 24—Tech relays, at Indianapolis.

May 1—Central, South Side, here.  
May 8—W. V. C., Logansport, Wabash, South Side, Peru, Kokomo, Huntington, Rochester, at Logansport.  
May 15—Sectional meet here.  
May 22—State meet at Indianapolis.

## CENTRAL IS WINNER IN SWIMMING MEET

Dobler of South Side and Popp of Central Were the High Individual Stars

The first annual swimming meet between South Side and Central, which was held under the auspices of the Ili-Y clubs last Thursday in the "Y" pool, was won by Central, 30 to 28. About 125 loyal supporters of the teams crowded around the pool to watch the meet.

Although the South Side splashers won five firsts out of seven events, they were unable to overcome the lead which Central had piled up in the plunge and the 220 yard swim. In these two events Central won both first and second places with a total of sixteen points.

Dobler was the high individual point man, winning first place in the 100 yard free style, the 40 yard free style, and the fancy diving. He was also on the relay team, which won its race. Wiener, Bradley, and Hafert were the other members of the relay team.

Summary:  
Relay—First, South Side (Dobler, Wiener, Bradley, Hafert). Time—4:15.

40 yard free style—First, Dobler (SS); second, Popp (C); third, Bradley (SS). Time—0:22.1.

Fancy diving—First, Dobler (SS), 81.8 points; second, Braden (C), 64 points; third, Bradley (SS), 59.4 points.

60 yard back stroke—First, Bradley (SS); second, Meeker (C); third, Porter (C). Time—4:45.

Plunge—First, Cook (C); second, Popp (C); third, Hafert (SS). Distance—44 feet, 6 inches.

100 yard free style—First, Dobler (SS); second, Steel (C); third, Popp (C). Time—1:17.

Starter—Davis.

Timer—Schmalzried.

Clerk of Course—VanNess.

## GIRLS FORM SQUARE FOR CLASS BASEBALL

Thirty-five Freshmen and Sophomores Out; Will Have Two Round Tourney

Practice for girls' baseball began last Monday when thirty-five freshmen and sophomores answered Miss Patterson's call for players. This night will be reserved for these classes every week and the upper-classmen will take their turn at the bat on Friday.

A round-robin inter-class tournament consisting of two rounds will be played off in about two weeks after the squads have been organized. In this way the class champs will be determined just as in the basketball tourney. Near the end of the season a varsity will be selected, and this team will probably schedule games with Central.

Up to this time the squads include: Freshmen, Ruth Benhoff, Isabelle Collins, Carol Koerber, Enid Stillwell, Mildred Hoy, Frances Koster, Beulah Patterson, Catherine Suter, Dorothy Thomas, Gladys Englehart, Margaret Scheumann, Dorothy Gollmer, Marguerite Meyer, Clara Meyer, Helen Tieman, Virginia Cowan, Bernice Stein, Jeanette Crosby, and Dorothy Reed; sophomores, Renges Azar, Jennette Rank, Dale Miller, Grace Hart, Ruth Wilson, Bernice Jenkins, Leola Foster, Irene Davis, Wilma Kronmiller, Helen Smith, Marjorie Swannman, Adeline Word, Dorothy Swannman, Gwendolyn Harter, Evelyn Goddard, and Vivian Lower.

The upper classmen who have signed up for this sport are: Juniors, Velda Nobles, Elizabeth Shaner, Gertrude Bradley, Gertrude Brouwer, Winifred Englehart, Nellie Merica, and Betty Auesburger; seniors, Mary Alice Tannehill, Lillian Springer, Ruth Watkins, and Violet Fell.

Form Typing Team  
A typing team was chosen from the high school of Council Bluffs, Iowa, to compete with a team of another school. Teachers say it was rather difficult to pick as there were a great many who were very good.

## FIRST GRID CALL ISSUED BY COACH FOR THIS WEEK

Record Breaking Squad Is Expected To Take Part In Spring Football Practice

## FUNDAMENTALS STRESSED

Uniforms To Be Issued as Soon as Squad Starts Working Out of Doors

Now that the vacation is over and everyone is back to the old grind, the first call for gridiron aspirants has been issued this week. As the weather has not been favorable the practice has been postponed until Coach Welborn sees fit to start working out on the field. All those who are contemplating on reporting for spring football practice are urged to keep in touch with Coach Welborn for the announcement of the outside practice.

The spring practice is being held in order to get a line on the new members and to give fundamental instruction so that work on plays can start immediately next fall.

Coach Welborn expects about one hundred to report as the squads have been increasing greatly in number each year.

Freshmen Given "Big Sisters"  
All freshmen girls entering the Boise (Idaho) high school this semester have been given "big sisters." These older girls are either juniors or seniors and are supposed to give necessary help to their little sisters, such as answering questions and showing them about.

## TRACK TEAM WINS CITY-WIDE MEET HELD AT Y.M.C.A.

South Side Thinly Clads Take First Place by Defeating Best Teams in Home Town

### DEFEATS BLUE AND WHITE

Kelly Klad Cinder Pounders Appear To Be Strong in Running Events; Relays Score Most

The South Side track team won the first meet entered this year when they recently took first place in the indoor city-wide meet, winning with a total of 32 points. Pennsylvania A. A. was second with 31 points, and Central won third place with 30 1/2 points.

At the termination of the meet on Saturday night the score stood Central 30 1/2, South Side 30, and Pennsylvania 30, but the Green and White thinly-clads were entered in the tug-of-war and had not yet competed in this event. Pennsy also had not yet entered a team in the 240-yard relay. Last Thursday evening these events were decided with South Side winning third place in the tug-of-war and Pennsy fourth place in the 240-yard relay.

#### Closest Meet in Years

This, was the closest meet in the last few years and the rivalry was keen, not only between the two high schools, but also the industrial teams put up a good fight. Bob Juday, former Olympic high jumper, was high point man with 15 points. Nobles former Blue and White athlete, and Kepler, of Central, were tied with 12 points each.

South Side showed up exceptionally strong in the relays, taking first and second in the two-mile event, first in the mile relay, and first and third in the 240-yard relay. Lighthill was individual high-point man with 7 points.

In the relays the Green thinly-clads would establish a big lead at the start and never were overtaken in any relay. These were the most interesting events of the meet and the crowd was kept cheering the teams all the time. Pennsylvania scored most of their points in the field events with Bob Juday starring, winning first place in the high jump, three broad jumps and the pole vault. Central also showed up strong, with Bass getting nine points in the field events.

Summary:  
20-yard dash—First, Lighthill (SS); second, Nobles (B); third, Kepler (C). Time—.02.8.

100-yard dash—First, Kepler (C); second, Brubaker (B); third, Lighthill (SS). Time—.12.2.

High jump—First, Juday (P); second, Nobles (B); third, Roy (C). Distance—5 feet 10 inches.

Shotput—First, Graf (IMC); second, Nobles (B); third, Sullivan (P). Distance—41 feet 5 1/2 inches.

One mile relay—First, South Side (R. Fleming, Bell, Wedler, Lake); second, Central No. 1; third, Central No. 2. Time—4:41.2.

Tug-of-war—First, Pennsy No. 1; second, Pennsy No. 2; third, South Side.

220-yard dash—First, Kepler (C); second, Felger (C); third, Brubaker (B). Time—.29.

Two mile relay—First, South Side (Feustel, Carey, Gouty, Birely); second, South Side, No. 2; third, Central No. 2. Time—9:40.4.

Pole vault—First, Juday (P); second, Nobles (B); third, Felger (C). Distance—9 feet, 4 inches.

Three broad jumps—First, Juday (P); second, Nobles (B); third, Carey (P). Distance—30 feet.

240 yard relay—First, South Side, No. 2 (Lombard, Lighthill, Tucker, Baker); second, Central; third, South Side, No. 1; fourth, Pennsy. Time—3:51.

The team scoring is as follows:  
Team. Points.  
South Side. 32  
Pennsylvania. 31  
Central. 30 1/2  
Bass Foundry. 17 1/2  
International Motors. 5  
Y Dorm City. 1

### With the Classes

Gerald DuWan has been absent from school because of illness.

Power W. Karr, South Side's representative in the National Oratorical Contest in 1925, visited the public speaking class recently.

The advanced botany classes have been studying bacteria the past weeks. As the bacteria move about under the microscope they look like small animals. Some were viewed under a compound microscope which magnifies 1425 times and even then they look small.

Seeds of tomato, cabbage, celery, aster, and pansy have been planted in the greenhouse in the botany lab. When they have grown to the right size to transplant, pupils who are interested may take them home to plant in the garden.

The Civics II. classes were given their mid-term examination Wednesday.

Mr. Arnold's 9B woodworking classes are designing and constructing their masterpieces. Some of the projects that are being made are end tables, cedar chests, telephone stands, stools, tables, desks, magazine racks, etc. The wood used in these articles of furniture are cherry, walnut, oak, and poplar. The boys are making their pieces to match the furniture in their homes. The staining and varnishing of the furniture is done in the shop and is a part of the work.

#### Pupils Play Speedball

Stadium high school, Tacoma, Washington, has adopted the new game called speedball. It is a combination of basketball, football and hockey. It is very exciting to watch.

## Interesting Vacation Pastimes Are Related By South Side Instructors After Long Rest

Some Visit Other Cities During the Week, While Many Stay at Home.

South Side teachers certainly have varied ideas of spending a spring vacation. Some were so fatigued after all these months of strenuous work that a long rest at home was most welcome to them. Others went racing away to other cities as though they didn't need a rest at all. Note below how they spent their time.

Mr. Gould spent his week of frolic in lil' ol' Fort Wayne and at home. His restful moments were well occupied as his physical welfare was benefited by shoveling snow and keeping the home fires burning.

Mr. Voorhees likewise spent his vacation at home. His daily routine consisted of washing dishes, cooking, and vacuum cleaning.

Mr. Chappell spent his time at home in the pleasant game of shoveling coal and snow.

Mr. Parks spent the first three days of his vacation with his parents near Jackson, Michigan. "On Thursday and Friday, I attended the Commercial Section of the Michigan Schoolmasters' convention, which was held on the University of Michigan campus at Ann Arbor, Michigan," said Mr. Parks.

"I spent a part of my vacation at Hammond where I visited Leona Hoover, the high school librarian. Later, I went to Chicago, and saw 'The Miracle' and the photoplay 'Ben Hur,'" said Miss Woodward.

Mr. Harris was in Chicago for a few days of the spring vacation. Miss Rinehart said, "I spent my vacation at home, sewing, cooking, reading, and resting."

Indianapolis called Miss McCloskey for several days of her vacation. "I spent my vacation in Indianapolis and Bloomington," said Miss Denaree.

Mr. Murphy was at home doing odd jobs.

Miss Oppelt visited in Eau Claire, Wisconsin, St. Paul, and Minneapolis, Minnesota, during spring vacation.

Miss Fiedler spent the vacation in town.

Miss Crowe stayed at home. Miss Zelma Stinebarger, Latin teacher in Frankfort high school visited with Miss Hemmer on Tuesday and Wednesday of the week before vacation. Miss Stinebarger highly complimented South Side and the work done here.

Miss Hemmer whiled away the rest of her time in Fort Wayne, eating, sleeping, and reading.

Miss Smeltzly spent the vacation at her home on East Washington boulevard.

Mr. Schellschmidt was ill during spring vacation. Mr. Virts worked part of the time during his vacation and took a trip into Ohio during the storm period.

Miss Hodgson spent her vacation at her home in Lynn, Indiana. Her time was spent in work entirely different from school.

Miss Perkins remained in Fort Wayne.

Miss Brigham visited relatives in Toledo.

Mr. Hull was in the city and at home most of the time. He states that plenty of time was spent in shoveling snow and coal. Sleep was always welcome and dreamland brought thoughts of how the bass would strike when the weather warmed up and the real vacation come.

Mr. Suter said, "Ahem! Reading proved to be part of my recreation. I also acted as chief assistant to Mr. Schmalzried and Eddie Dobler, the splashing instructors at the Y. M. C. A."

Miss Bert spent her vacation visiting her parents at their home in Tipton, Indiana.

Mr. Makey's vacation was spent at his home on Annie street.

"My time was spent in the country south of Tipton sitting by the stove looking out at the bad weather," said Mr. Null.

Last week Miss Shultz catalogued at the public library.

Mrs. Thompson stayed at home during vacation.

Miss Kiefer was at her home in Fort Wayne during spring vacation.

Miss Huffman visited friends in Chicago and vicinity during her spring vacation.

## Garrick Players Are Experienced Actors

The leading role in "The Siren," a New York play, would be hers if she won the wager! No wonder the "Misleading Lady" used all her wiles to induce Jack Craigan to propose to her during a house party at the Cannell's on the upper Hudson.

What Jack did and how Helen reacted makes the interesting three-act comedy called "The Misleading Lady" which will be presented at the Central High School auditorium on April 8 by the Garrick Players of Lake Forest university.

An Unusual Company  
This group of amateur actors from one of the leading small universities of the middle west, is an unusual "stock company." Every one of the members is a leader on the campus as well as in dramatics.

And they are not inexperienced in the matter of stock tours, for such an event is an annual occurrence on the Garrick calendar. Last year the players traveled by motor, carrying all their necessary scenery and full stage equipment under the direction of a producing staff, through a string of western Illinois and eastern Iowa cities.

Enthusiastic Press Comment  
Press comment from the various newspapers enroute showed that the college young people had won the right to be ranked with any "Little Theatre" group then producing plays. The Sterling Gazette has this to say of "Adam and Eva," the play taken on tour last year:

"Natural and Convincing"  
Another comment says: "Naturalness and convincings marked the acting of the players, and the whole production gave evidence of most careful training."

The company feels that in "The Misleading Lady" it has found a play much superior to last year's, and one which will invariably please every audience. It has not yet been released for stock or amateur production and was obtained in manuscript form by Director Garrett H. Leverton while he was searching New York city recently for new and interesting plays for his group of actors.

Tickets for the Fort Wayne presentation may be had at Central auditorium at the night of the play. Tickets for students are 50 cents.

## Attractive New Patterns in "Quaint American" Furniture

The above group of Quaint American Furniture indicates the distinctive character of this popular style. Simplicity of design is accompanied by the most pleasing shapes and proportions, and by a charm of detail that is especially fascinating. And yet there is a subtle difference in the design of the individual pieces which makes it possible to obtain almost any type of room desired. For instance, in selecting a Quaint American group for the bed room one can choose delicately colored small pieces for a girl's room, or deep toned heavier pieces for the regular type of bed room. The possibilities of assembling groups that meet individual requirements are absolutely unlimited with this nationally favored furniture.

"There is a Group of 'Quaint American' Furniture for a Room in Every Home"

Every Girl Should Have a Beautiful Bed Room Suite—all her own

## Alumni News

The following Indiana students who have been visiting in the city with friends and relatives during the last several days have returned to their studies: The Misses Helen Crawford, '25, Elizabeth Kline, '25, Lillian Roff, '25, Lorna Frauenfelder, '25, Geraldine Lower, '25, and Robert Miles, '25, Ward Dildine, '25, Edwin Clapham, '25, and Foster Pepper, '23.

Dorothy Martin, '25, Margaret Rose, '25, and Priscilla Wilkinson, C. H. S., '23, returned to their studies at Rockford College, Rockford, Ill.

The following students of Muncie State Normal have returned to their studies: Mary McCurdy, '25, Doris Speaker, '25, Veda Stevens, '25, and Helen Mitchell, '25.

Hilda Schwiier, '23, has returned from Chicago, where she attended the "Miracle" and a piano recital given by Guiomar Novaes.

Dwight Myers, '24, and Helen White, '24, have returned to DePauw University after spending several days with their parents.

Bovore Potts, '25, has returned to her studies at Hamilton College, Lexington, Ky.

Robert Stager, '24, and James Newell, '24, are spending several days in the city as the guests of their parents during the between semester vacation of Ferris Institute, Big Rapids, Mich.

Dorothy Horstmeier, '24, has returned from Chicago, where she has been visiting an aunt.

Harold Bridge, '25, and Dick Porterfield, '25, have returned to Illinois University.

Mildred Heintz, '23, entertained in a charming manner the members of the Ka Ka Mo society at her home recently.

Art Martin, '24, and Paul Agnew, '24, have returned to Oberlin College.

Cozette Garwood, '24, who is a student at Hillsdale College, spent the spring vacation with her parents.

Tail Lights Wanted By All For Horses;  
Straw Vote Shows Worth of Movement

The great movement to put tail lights on horses has at last commenced. At first thought it would be horse-laughed to death but at a recent meeting of the student body it passed. A straw vote held before Mr. Harris arrived showed everyone in favor of this great reform. A hay vote ran even higher.

Mr. Gould addressed the assembly said: "If people would only consider the matter seriously, they would see the necessity for illuminating the southern end of their horses. Quite aside from the ornamental value of tail lights on horses, they would also enable the younger boys and girls who think a horse is a horse because it has a kick to determine instantly which end of the horse is which.

Chestnut Plaskett, president of the Seniors, suggested that horses also be provided with such improvements as clear headlights, bumper guards, no pressure meters, and a rack of spare horseshoes.

"Vaal," drawled Oren Plaw as he leaned onto the platform, "I don't think we oughter do that. Plain horses were good enough for our fathers and I guess they're good enough for us too."

Other members of the student body were of the opinion that horses ought to have lights all around. Ruth Beanhoff was one of the most enthusiastic speakers for the green class. A headlight, a set of license plates, side curtains, and a sprightly motto posted in the rear window, according to Ruth, is what the horse and everyone else needs. "What's the use," she said, "of having traffic laws in the hall if we don't have everything else that goes along with traffic?"

When Otto Barbier was asked what he thought about it he started to cry. "Boo-Hoo-hoo. I guess I can dress and light up my horse any way I want to. Boo-Hoo-hoo!"

OLD-FASHIONED ANNIVERSARY  
HOUSE WARMING

SATURDAY NIGHT, APRIL 17—8 to 10 o'clock

Everybody Invited!

Teachers' Corps  
Herb's Voorhees

Besides Being Careless and Extravagant, He Was Found in the Midst of "Big" Party.

Broken bottles and a goodly store of moonshine were found in large quantities in the chemistry laboratory. South Side's so-called "Grand Old Man" was a sight to behold last Saturday night. He was in a frightful condition—"the drunkest he has ever been before," so he testifies.

After the party of the night before, Herb's Voorhees was found in the chemistry laboratory. He was in a frightful condition—"the drunkest he has ever been before," so he testifies.

One of the boys of the class testified that he had seen Mr. Voorhees in the act of drinking from a bottle which, he said, looked very much like the one that he had last time he saw it. It is thought that Voorhees is responsible for the disappearance of the spirits.

At a meeting of the school board Wednesday, Voorhees' case was only one up for discussion. This South Side instructor had had so much liquid delight last Saturday night that his mind was not yet cleared by Wednesday. The board decided that for the good of the student body and the rest of the faculty it was best to get rid of such a teacher.

Trac Members Get  
Fur Lined Suits

The members of the track team will be equipped with fur-lined suits as the weather has been so extremely hot.

The other day the squad just about frized as it was 212 degrees F. above zero.

This new improvement is being supplied by the "Sons of the French Revolution."

HELENE Foellinger,

NOTED OPERA STAR

Gives Concert at New \$2.00 Theatre

"Thanks for the buggy ride," sang Miss Helene Foellinger, noted opera star, as she opened her can-opener program at the new \$2.00 theatre, operated on by Dallas Harp. She was received by gum, clapping, yelling, and speeches, and she very wonderfully accepted a beautiful corsage composed of onions, peanuts, celery, and cabbage. She was accompanied by James Hanke at the piano-forte.

Her program is as follows:  
"Thanks for the buggy ride."  
"Bring back my Willie Klein to me."  
"Keep the Times Staff Working."  
"Hail! Hail! No one's here."  
"When the frost is on the teachers."

"Yes, Sir, she's my teacher."  
"Show me the way out of this place."

Miss Yelma Puff, 24, well-known house, Sunday evening at 2 o'clock. Chicago lecturer and musician will speak under the auspices of the music club.

Members of the board of public works will inspect sewage disposal plants. They will leave for a joy riding tour at four o'clock.

Bob Dufresne, 24, mayor, will speak at the same hour at 800 Liberty St.

Joe Dufresne, 24, pastor, Services Independent Christian church, Miss

## Enthusiasm---What Is It?

It is school loyalty.

It is the visible evidence of the spirit that wins.

It oils the hinges of progress.

It is the urge to success.

In short, Enthusiasm is like the itch. It makes you want to dig.

But enthusiasm without a plan or sense of direction accomplishes little. The best chart of the course we call Life is marked by a savings policy on which you can deposit NOW a few pennies each week from your allowance.

That sort of enthusiasm is the most effective. It pays and stays.

Pictures to DieHorses Provided for  
Freshmen

A new plan is being used in the 1926 Joke M and the pictures of the Senior and Freshman classes was the announcement made by Frank Robertson, Joke M Sports Editor, yesterday.

This year the pages of senior pictures have been laid out while in former years it has been the custom to have the seniors pictured in an upright position. The plan is entirely original, having been suggested to the author at a football game last year when he saw a number of the players, who were members of the senior class, laid out. Frankie explained that he did not mean that the seniors would be prepared for burial but would merely be in a horizontal position.

The freshmen pictures are being mounted. It was rather difficult at first to obtain enough horses for all of the freshmen but by putting two on a horse and using some of the ponies provided by the freshmen themselves it has been possible to furnish the mounts for the class.

## To InStahl

SODA FOUNTAINS

## Hop Scotch Team Provided For

A soda fountain will be installed in the office. It has been decided at a joint meeting of the janitors and teachers, that this is the most suitable place as it will be convenient to the teachers in the rest room and to the office gang; also because the students spend most of their time there. Mr. Harris has advised that the fountain be installed before the warm weather starts, and that students in the Room S wanting to go to the fountain be excused not to be gone longer than thirty minutes. The prophets will be used by nickel plated teething rings for the Freshman Hop Scotch Team.

## TIMES EDITORIAL PLATFORM

1. Not to further scholastic activities.
2. Not to promote extra-curricular activities.
3. To give poor-written accounts of high school happenings.
4. To offer low standards of school spirit.
5. To aid school officials in grading our cards.
6. To keep parents and public in the dark on what South Side is doing.
7. To keep in dutch with other schools.

## Giddy Gerty's Gabblings

Some sez angleworms has neckties, but personally, we haven't investigated.

The school is to be praised and all the students given a cast-iron nickel for mowing the grass so well last Friday-Eve.

South Side has just received another honor. Thelma Gasser has just been appointed spaghetti stretcher at Harry's place. Make 'em long, Thelmy!

Breathes there a senior  
With a soul to dead  
Who never to himself hath said:  
"Lessons be hanged—  
"I'm going to bed."

Mr. Makey: "There are a few dates that we should remember. We all should know when Columbus was discovered."

Mr. Makey: "I do not think that it is so important to remember so many dates. You see I am a married man now, and I don't care anything about dates any more."

Virginia K.: "I was awake this morning at 7 o'clock but didn't get up until 7:30."  
Paul S.: "You're doing good; I was up at 7:30 but didn't wake up until 8."

"Tinah" Gets Good  
Job at Princetown  
U Ny Ver City

Announces Engagement to  
Normal Talmadge; Wed-  
ding to Take Place  
in Ft. Wayne

AMOUNT OF HIS  
SALARY NOT KNOWN

Lester DeHaven, student of South Side, has been appointed head of the Department of Psychology at Princetown University.

Mr. DeHaven has been an honor student during the last three of the seven years he has spent within the walls of our dear school. Lester always made a great hit with the ladies, and all South Side girls should rejoice in hearing the glad news.

"Tinah" is also quite an athlete, when he is eligible, and earned his letter in debating and on the Tiddly Winks team.

Simultaneously with the announcement that Lester had finally landed a position, came the announcement of his engagement to Norma Talmadge, popular screen star. The engagement is the culmination of a romance which dates from childhood days.

The wedding will probably take place in Ahcola as soon as "Tinah" has accumulated enough shekels to buy his fiancée a fur coat.

Miss Talmadge blushed prettily when asked for a statement regarding the wedding, and said that it would take place whenever Lester desires. "Lester is a dear boy," Norma continued. "He showers me with gifts continually. Only last night he brought me a package of gum and an all-day sucker. I don't know what I would do without him."

Funeral Notes By  
Kass Kett

"That the early bird gets the worm is applesauce," the first robin of spring tells our inquiring reporter, "but, what is much more to the point, the early bird gets the publicity."

It is the clean tablecloth that catches the early grease spot.

Teacher—"Let us take the example of the busy ant. He is busy all the time. He works hard all day and every day. Then what happens?"  
Bright Frosh—"He gets stepped on."

Stude—"I have a cold or something in my head."  
Teacher—"Undoubtedly a cold."

## HOW LONG?

The pancakes stuck to the griddle,  
The kitchen air was thick,  
The toast was burned to a cinder  
And the coffee had no kick.

The lunch was not much better,  
The salad was a mess,  
The sandwiches lacked dressing,  
The tea was poor, I guess.

At any rate the children  
Kicked and hollered: "Paw,  
How long do you think mamma  
Will stay in Omaha?"

xixz?? LOST ??xi?  
(Special to South Side Times)

After searching the Atlantic Ocean for the last year, for their missing daughter Rowena, Mr. and Mrs. Harvey of Indianapolis have given up all hope of ever finding her again.

It seems that after her engagement in Europe was fulfilled she started back to America in her aeroplane but she must have run out of gasoline in mid-ocean and was forced down, never to be heard from again.

It will be remembered that Miss Rowena Harvey was dancing before all the crowned heads of Europe.

We know they were crowned because she did it herself.

## A QUEER DIET

Anita: "I had a date with Lawrence last night."  
Aunt Jean: "Dear me! It's strange that you children don't eat something more nourishing."

## JACK HAD THE DOPE

Bud: "They say that when you drop a spoon a lady comes and when you drop a knife a man comes; now I wonder what comes after you drop a plate?"  
Jack: "Oh, that's easy; a lickin'."

## JOKE ON HIM

Jim Smith was an explorer bold.  
One day he went to see  
If wasps lived in that funny nest  
He saw up in the tree.  
(They did.)

## HE PROVED IT

"What makes you say your father doesn't like dogs, Bobby?"  
"Cause he told my big sister if she brought that jazz hound around again he'd kick him out."

I heard Bill Wrigley, Jr., say over W. M. A. O. that the sun never sets on Wrigley's chewing gum. Mebbe so, but, gosh darn it, I've sat on a lot of it.

Harry Wedler (looking at structural formula on blackboard): "Mr. Voorhees, what kind of a radio set is that?"

Violet Fell went into a drug store to purchase a Prophy-lactic toothbrush BUT being unable to pronounce the name asked the clerk for that kind of a brush that had a long name—We think that she got the kind she meant.

F. Robertson: "Have you ever been through Al-gabra?"

R. Thompson: "Yes, but it was in the night and I didn't see much of the place."

**Fire! Fire!**  
SCHOOL BURNS!

That the school will not be rebuilt was announced by Mr. Harris yesterday. The school burned to the ground Saturday night and nothing was saved except the school safe which happened to be empty at the time as everything had been put in the flames. The cause of the fire is not known, but it is suspected that a crowd of students celebrating the winning of the National Base Ball title after defeating the Runts of Kalamazoo in an exciting game in which the score was 111 to 0, accidentally set fire to the desks in Room 3 and from there the conflagration spread to the rest of the building. The flames were not discovered until they burst through the roof.

The school will not be rebuilt because it has been decided that since all the knowledge (in the notebooks) was destroyed nothing could be either taught or learned. Those persons desiring to further their education (no matter how unnecessary it may seem to the teachers who already know that we all know more than they do any way) may attend the class which Dick Smith is conducting at the Star. All subjects will be taught by Mr. Smith, who is eminently qualified because of his previous training by our former faculty.

OF ALL  
SouthT SiDeRs  
The students of South Side High School sent a letter to Robert C. Harris, principal of the school, and informed him that since the mid-term grades have been given out, we will all go on strike until June 11. The letter is as follows:  
Fort Wayne, Ind.,  
April 1, 1962.  
Dearest Mr. Principal:  
We are glad to inform you of the strike we are about to go on. I see it is like this: We have our grades and since all the teachers have conditioned us, we will all stay out until June 11, and then they (the teachers) will be only too glad pass us. More luck to the next class, and you.

**Aluminum News**  
George Wyss, '26, of the Los Angeles athletic club, broke the world record for 150 meters in a race here today that featured the triangular outdoor meet of the Los Angeles A.C. club, University of Southern California. He ran the distance in 15.6 seconds.

Erman Kieckley, '24, suffered a severely sprained hip in a fall at his home recently in going from one room to another.  
Announcement was made today that the marriage of Helen Wille, '24, and Walter Enz, '23, will take place at an early date.

A very pretty benefit bridge of the season was the Alumni benefit bridge yesterday afternoon, given in an effort to obtain funds to enable Allen Fromouth, '24, to be sent to Butler University next fall.  
Martin Reiner, '23, general secretary-treasurer of the Brotherhood of Painters, suggests to the City Board of Education that one of the new school buildings in this city be named "Fun and Frolic".

Roland Mackwitz, '24, watchman in the planing mills, reported for work today after a week's absence of illness.

**New Rules**  
FOR LIBRARY  
**JAIL IS PENALTY FOR DISOBEDIENCE**

New rules for the Library have been adopted by the new school board, including Tom Switzer, Dick Smith and Jenn Mitten (Kid gloves). Chewing gum slots will be installed where the pencil-sharpeners now are. The windows are to be packed with the coming shows and amusements. Each table is to have a huge mirror, so the girls don't need to bother with their compacts. It is also to have powder, rouge, lip-sticks, eye-brow pencil and all other cosmetic necessities. The desks are also to have foot-stools and pillows for the pupils to rest upon. Lunch will be served each period. Where the big desk is now will be a regular cafeteria counter whereby each student can get exactly what his heart desires.  
Miss Schulze's job will be to see that every one is sufficiently supplied with gum, candy and food. She will also help the girls put on their make-up.  
Next week electric fans will be installed so that when the hot weather comes the girls' faces (make-up) will not run off.  
Any student objecting to these plans will have to keep it to themselves because Oren Flaig has been arrested because he kicked about them. He is now dining on bread and

**Sew-Si-Et-Tee**  
The wedding of Violet Nutt and George Flaig comes as a great surprise to those who have known the ceremony as performed by the bride's father, the late Mr. Flaig. The ceremony was held at the home of the bride's mother, Mrs. Flaig, in a large and beautiful home. The bride was attended by her mother, Mrs. Flaig, and her sister, Miss Flaig. The groom was attended by his mother, Mrs. Flaig, and his sister, Miss Flaig. The ceremony was held at the home of the bride's mother, Mrs. Flaig, in a large and beautiful home. The bride was attended by her mother, Mrs. Flaig, and her sister, Miss Flaig. The groom was attended by his mother, Mrs. Flaig, and his sister, Miss Flaig.

Willis Klein, the handsome brunet shiek of the Senior class, has accepted the position as chief Physical Tutor at the Richmond Insane Institute. Willie will take hold of the position with the eagerest grip. He is talented in this line of work, since he has practiced on South Side students for the past twelve years. The lad has accomplished many great deeds and won many titles. He is champion Sperrygetty eater. He also received the loving cup for winning the donkey cart race held in the South Side Senior Room. He recently invented the means by which food would be eaten without any noise. Willie is a favorite of all the ladies. His red hair catches every girl's eye. He looks like the son (sun) coming down the hall. His green eyes were also especially attractive. We weep when we think of him leaving our ranks.  
A farewell party will be given at the Feeble-Minded Home on State Street to acquaint him with his new friends.

## SOUTH SIDE TIMES AWARDED HIGHEST HONORS IN NATION

### EMRICH, POCOCK HONOR STUDENTS FOR CLASS OF '26

Prominent Senior Girls Are  
Valedictorian and Saluta-  
torian With 29 and 27  
A's Respectively

### MAKE A'S BY HARD WORK

Florence Hansen Earns 19 A's  
in Two and One-half Years  
at South Side

That Dorothy Emrich and Mary Pocock were to be valedictorian and salutatorian, respectively, was the announcement made this week by Robert C. Harris. Dorothy made 29 A's out of a possible 32 A's in her four years work, and Mary made 27 A's.

In addition to the record made in studies, Dorothy also was active in extra-curricular activities. She was a member of several clubs, and was vice-president of the Math-Science club. She was one of the debate team for two years.

Mary also belonged to several clubs, and is on the Times staff. She formerly held the position of copy editor, and is now associate editor.

The four-year honor roll was announced Tuesday by Mr. Harris follows:

Ten Highest in Class of 1926

No.	Name	A's
1.	Emrich, Dorothy	29
2.	Pocock, Mary	27
3.	Chapman, Kathryn	26
4.	Colson, Eleanor	26
5.	Schuelke, Gertrude	26
6.	Baumgartner, Pauline	25
7.	McCune, Mildred	25
8.	Rieke, Beatrice	25
9.	Bickel, Richard	24
10.	Schmidt, Elizabeth	22

Florence Hansen came to South Side with a fine record from Rockford, Illinois, and Dennison, Iowa. In two and one-half years in South Side she made 19 A's.

Three questions asked the ten highest seniors about determining the number of A's:

1. Suppose a pupil is doing post graduate work. Would you count the A's made for the post graduate work?

All voted No.

2. Would you count only the A's made for the first 16 credits?

Majority voted Yes. (Two voted No.)

3. If a pupil had 15 credits and then made 3 A's and one B, what would you give him?

All voted 2 A's.

(This is approved by the class of 1926.)

How I Made My A's

Dorothy Emrich—I studied pretty hard to make my A's. As I thought it was my duty to get my lessons, I naturally put them before pleasure. I didn't make a habit of studying on Sunday but sometimes it was necessary. I never went to class without my lesson and I often got up at 5 o'clock in the morning to study it. I belonged to several clubs, was vice-president of the Math-Science club, and was on the debate team for two years.

Mary Pocock—I had to study to make A's. I never went out nights during the week. I usually studied after supper and went to bed about 10 o'clock except on Friday, Saturday, and Sunday evenings. I was in several clubs, was copy editor, and am now associate editor of the Times.

Kathryn Chapman—I usually tried to get all my school work before I did any outside work. I studied every night until I got my work done, which was about 9 or 9:30. I belonged to three clubs.

Eleanor Colson—I always made it a plan to use all my study periods in school so that I would not have so much to do at home. I never studied on Sunday. I did not make a certain time to go to bed, but it was usually around 10 o'clock. I belonged to several clubs and was president and also treasurer of the Math-Science club.

(Continued on page 4)

### Earn High Places In '26 Class

Dorothy Emrich

Mary Pocock

Dorothy Emrich and Mary Pocock, both prominent members of this year's graduating class, have been announced by Principal R. C. Harris as valedictorian and salutatorian, respectively, of the class of 1926.

### 123 STUDENTS ON HONOR ROLL FOR MID-TERM

Largest in the History of  
School; Gain of One Over  
Last Semester's

### 83 GIRLS, 40 BOYS ON LIST

Juniors Take Lead with 42;  
Sophomores 28, Freshmen  
29, Seniors 24

The mid-term honor roll boasts just one more than the list at the end of last term. One hundred-twenty-three pupils attained the honor of being on the roll. The juniors outshone the other classes considerably, having forty-two on their list. The freshmen are next with twenty-nine, and the sophomores one close with twenty-eight. The senior honor list is the smallest, having twenty-four.

Five students made five A's: Charles Folsom, Gertrude Schuelke, Helene Follinger, Mary Hale and Richard Kent.

The girls' have the most number on the honor roll, taking eighty-three places out of the one hundred twenty-three, leaving the boys, forty on the list.

The official honor roll is as follows:

Seniors

Bade, Cornelia	4
Baumgartner, Pauline	3
Bickel, Richard	3
Bireley, Thelma B.	3
Chapman, Kathryn	4
Colson, Eleanor	3
Eickmeyer, Ruth	3
Emrich, Dorothy	4
Folsom, Charles	5
Goette, Helen	3
Hunter, Winifred	3
Hansen, Florence	3
Hennine, Kathryn	3
Knight, Neenah	3
Kuhn, Leona	3
McCune, Mildred	3
Mumy, Gladys	3
Piatt, Louise	4
Pocock, Mary	4
Schmidt, Elizabeth	3
Schuelke, Gertrude	3
Somers, Dorothy	3
Tannehill, Mary A.	3

Juniors

Astrom, Greta	4
Baals, Marilee	3
Ball, Dorothy	3
Beadell, Henry	3
Bonter, Richard	3
Buckner, Freda	3
Buscher, Harold	3
Carpenter, Ruth	3
Conn, Doris	3
Dammieier, William	3
Danuser, Virginia	3
Davenport, Dorothea	4
Dean, Edna	3
Eickhoff, Charles	3
Feustel, Fred	4
Feustel, Robert	3
Follinger, Helene	3
Frank, Ralph	3
Fries, Catherine	3
Grodian, Addison	3
Grossman, Louise	3
Gustenslager, Wayne	3
Hale, Mary	3
Hankee, James	3
Harp, Dallas	3
Jaeger, Walter	3
Keyser, Wilma	3
King, Virginia	3
Kopp, Minnie	3
Lang, James	3
Lehman, Lillian	3

(Continued on page 4)

### Senior Play Proceeds Less Than Expected

Approximately \$350 was made on the senior play, "The Four-Flusher," which was given at Harrison Hill auditorium, April 9 and 10. The total receipts from this production are \$549.25. This amount was slightly less than that taken in last year.

All the bills have not yet been received; however, I think they will amount to about \$200," was the statement of Mr. Harris.

It is a general opinion of all who saw the "Four-Flusher" that this comedy was a decided success.

### SOUTH SIDE WINS FIRST BALL GAME FROM VIKING NINE

Plaskett and Newell Feature  
In Hurling Duel; Final  
Score of Game  
Is 4 to 3

### TEAM PLAYS GOOD BALL

Both Squads Play Exceptionally  
Well for First Tilts of  
the Season

The South Side diamond nine showed its superiority over Huntington by nailing out a 4 to 3 victory over the Vikings. Plaskett, the Kelly's moundsman, outclassed Newell in a hurling duel by coming through in the pinches when the game was at stake.

South Side scored three times in the second round and once in the fifth, while Huntington scored in the third, seventh and eighth.

Plaskett, although allowing one more hit than his opponent, was supported by his teammates to a better advantage than his rival. The Vikings garnered seven safe blows while the Green warriors settled down with but six.

Wamby was the only Kelly Klad in the game, and in fact the only player in the game, to get two safe blows. Each hit was a single, but later Wellman chipped in a double which was the only one scored by the Wardoites.

This game was the opening game for both teams and both teams played exceptionally good ball for the season's opener. Although each team made four errors, the players gave their hurlers good support throughout the game.

At the meeting Monday several members of the society presented a clever little playlet entitled "Blue-bell's Seven Wives."

After the program, a short business meeting was held. The members of the club voted to give five dollars toward the payment of a chair in the Greely Room. It was also decided to have candy sales on Wednesday and Thursday of this week, and Dorothy Somers, the president of Philo, assigned to the different girls the day for which they should bring candy.

The girls must either bring the candy or twenty-five cents to Miss Demaree in Room 68.

### JOHNSON OF CENTRAL TAKES SECOND PLACE

Wins Cash Award In District Eliminations of Oratorical Contest at  
Majestic Friday Night

Don Johnson, of Central, who won first place in the county oratorical contest on the constitution, was judged second best in the district meet which was held at the Majestic theatre last Friday night. He defeated Wayne Gustenslager of this school and four other speakers in the county event.

Dean Ransburg, of Pleasant Lake high school, was given first place in this district; Don Johnson, second; Franklin VanSledright, of Auburn, third; and Lincoln Klemm, of Chubbuck, fourth. The other speakers were Caroline Witsaman, of Wolcottville, and Darwin Bryan, of Laotto.

The News-Sentinel awarded prizes both for the district and the county contests. First place in the district was given \$50; second place, \$25; third place, \$15; and fourth place, \$8. Don Johnson, as first in the county contest, received \$25; Giles Pierre, of Central Catholic high school, received \$12 for second place; Nano Honeck of St. Augustine's, of Auburn, was given \$8 for third place; and Cora Hazlett, of New Haven, \$5 for fourth place. Wayne Gustenslager, of this school, and a boy named Young of the Lafayette Center high school, did not place.

Five people judged the district contest. These are: Judge A. W. Hamilton, Bluffton; Dr. John Paul, president of Taylor University of Upland, Indiana; Miss Lehman, professor of history at Manchester College; M. J. O'Malley, an attorney of Huntington; and Ralph Tyndall, who teaches history in the Decatur high school.

The club has been contemplating having pins made and the committee is expected to present different styles and suggestions at this meeting.

Photograph Rock Formations  
The physical geography teacher of Central high school, St. Paul, Minn., is planning a trip into northern Minnesota to obtain photographs of different rock formations.

### COMMERCIALISTS ENTER MEET WITH ALL GOOD TEAMS

Shorthand and Typing Students to Compete for  
Honors In This  
District

### MEET WILL BE SATURDAY

South Side Will Be the Scene of  
Keen Competition on  
April 24

South Side will again have strong teams in the various events of the commercial contest to be held at South Side next Saturday. Twelve high schools are entered in this meet. The high schools who have entries are: Central and South Side of Fort Wayne, Auburn, Bluffton, Columbia City, Concord Township, Decatur, Garrett, Kendallville, Monroeville, South Whitley, Lancaster (Central), and LaGrange.

The competition in typewriting is divided into three classes, Novices A and B, and Amateur. Shorthand is divided into two classes, advanced and beginning.

Each high school is allowed to enter six certified students in each event, from which selection three will be allowed to compete.

Those who will represent South Side in novice typing are E. Shaw, E. Deam, N. Schwartz, C. Jackson, C. Boxell and M. Thomas.

The entrants in the amateur typing event are G. Grimes, H. Goette, C. Baron, G. Mumy, M. Meyer, and W. Ginter.

The competitors in the beginning shorthand division are D. Conn, R. Jennings, M. Thomas, E. Shaw, V. Kiner, and P. Baumgartner. The advanced shorthand team consists of H. Goette, M. McCune, G. Grimes, E. Schmidt, W. Ginter, W. Beech.

Last year South Side won five out of six events and made an excellent showing in the state meet. The first competition will start at 9:30.

### PHILO MEMBERS TO GIVE LARGE FESTIVAL IN MAY

Organization To Conduct Candy  
Sales; Proceeds To Go to Chair  
For Greely Room

Once more Philoathians will join in a big fun frolic when they hold their May Party, which will be on the first Monday in May. The committees are arranging a very delightful surprise program for the members of the program committee, wishes the social and program committees to meet with her in Room 68 next Monday after the eighth period in order that further arrangements for the May party might be made.

At the meeting Monday several members of the society presented a clever little playlet entitled "Blue-bell's Seven Wives."

After the program, a short business meeting was held. The members of the club voted to give five dollars toward the payment of a chair in the Greely Room. It was also decided to have candy sales on Wednesday and Thursday of this week, and Dorothy Somers, the president of Philo, assigned to the different girls the day for which they should bring candy.

The girls must either bring the candy or twenty-five cents to Miss Demaree in Room 68.

### NEW CLUB ORGANIZED BY UNDERCLASSEN

Meriteres Wish To Promote Interest  
In Reading Good Poetry and  
Writing Literature

A new club, called the Meriteres, has been organized for freshmen and 10B's. The purpose of this organization is to promote interest in reading good poetry and writing literature. An A or B grade in both composition and literature is required for membership. Miss Esary is the faculty advisor of this club. Meetings are held every Friday in Room 86.

At a recent meeting, Enid Stilwell was elected president. Isabelle Collins, Marjorie Buchanan, and Betty Ward were chosen vice-president, secretary and treasurer, respectively.

Dorothy Thomas was appointed sergeant-at-arms, while Ruth Bennhoff was made librarian, with Ruth Buist assisting her.

The committee chairmen are as follows: membership, Mary Graham; program, Beulah Patterson; social, Ellen Tepper; initiation, Eleanor Hopwood; jewelry and awards, Charlotte Merchant; and publicity, Dorothy Likens.

A constitution has been read and accepted by Miss Pittenger. Club pins have been ordered. The colors are rose and silver and the flower is the rose.

At the last meeting Miss Pittenger talked on "Modern Poetry as Compared with the Poetry of the Past." About twenty-five attended this meeting.

Receive Baby Alligator  
Hastings (Neb.) high school recently received a lively alligator from Florida. It was sent parcel-post in a bamboo container.

### ELECT CAPTAIN

Robert Fleming, '26, was elected captain of the track team Tuesday. Bob runs the 440, 880, and is a hurdler, besides being a good pole valuter. This is his second year on the cinder paths, having received his letter last year.

### TOTEM TO EXTEND CIRCULATION DRIVE FOR SHORT PERIOD

"Only Few More Than 600  
Students Have Subscribed  
So Far," Says Circulation Head

### GOAL IS PLACED AT 1075

Pupils Who Had Pictures  
Finished at the Jefferson Studio  
Requested to Call for Them

"Due to the fact that only a few more than six hundred students have subscribed for the 1926 Totem, the campaign for subscriptions will be extended," says Thelma Gasser, circulation manager. "The goal has been set at 1075 subscriptions, and the drive will be continued until that mark is reached," she continued.

A first payment of at least twenty-five cents is required with each subscription. "The remainder of the two dollars, the price of the year book, should, according to the plans outlined for the extended campaign, be paid as soon as possible."

"This failure on the part of the students to respond to the circulation drive is especially to be wondered at since last year's Totem was adjudged best in the United States by both the Central Interscholastic Press Association and the Art Crafts Guild and since this year's staff is putting forth every effort to put out a book rivaling last year's," comments Chester Wyneken, year book editor.

The following people, who had pictures finished at the Jefferson studio, are requested to call for their pictures as soon as possible:

Ruth Miller, Frank Robertson, Herbert Smith, Isabelle Walters, Foster Newell, Mildred McCune, Virginia Danuser, Herbert Shive, Louis Newell, Sheldon Hine, Robert Epple, Evelyn Rose, Virginia Bell, Harry Wedler, Miller Kline, Pauline Baeverson, Stanley Ewell, Maxine Thomsen, Mabel Kelsey, John Hiron, Arthur Distel, Louis Ryberg, Schaaf, Dorothy Linkins, Richard ZurMuehlen.

### SOUTH SIDE DELEGATES FAIL TO WIN MEDALS

Other of Five Latin Contestants of  
Twelfth District Takes First  
Place in Division I-A

Although South Side had four representatives at the State Latin contest, held at Indiana University April 9, under the auspices of the extension division, she did not win anything.

Wins First  
Catherine Shaw, also of the Twelfth Congressional district, who defeated the South Side competitors in the first division, was a first place winner at Bloomington. She was from Wawaka.

Harold Morris, division I-B, Olive Prime, division I-L, William Dammieier, division III, and Pauline Baumgartner, division IV, were contestants from this school. Miss Woodward, teacher in the Latin department, accompanied them to Indiana University.

### QUESTIONS HARD

Although questions this year were harder than usual, the grades ran comparatively high. It was almost imperative that a contestant make a percent of 95 or over to win a medal.

In conjunction with the contest a Latin teachers' convention was in session, April 9 and 10.

Entertainment for contestants was provided by the Classical club of the university. They gave a banquet for all of the delegates Friday night. In the afternoon after the tests were taken, the club sponsored a tour of the campus. A reception was also held at the home of Dr. William Lowe Bay, a president of the university.

The percents of those in the state contests are:

Pauline Baumgartner 86.5  
William Dammieier 89.5  
Olive Prime 86.5  
Harold Morris 84.5

William Dammieier did not receive word that he was to enter the state contest until the day the contestants left for Bloomington. Consequently he did not have a chance to study for the test.

In the district contest, Winifred Hoth had 96.5 per cent and Albert Simminger 94.5 per cent, instead of the reverse, as was at first announced.

Taken Trip  
The history classes of Knoxville (Tenn.) high school took a trip to the home of O. P. Martin, who has a large collection of civil war relics.

Students Make Posters  
Posters are being made by the students of Connersville (Ind.) high school for the various business concerns of the town.

### "FIRST IN UNITED STATE" IS ACHIEVEMENT OF LOCAL PAPER

Central Interscholastic Press Association Judges  
Decide The Times Is Best in "All-American"  
Contest; Most Envied Position Is Given for  
Second Time in Three Years

### NEWSPAPERMEN JUDGE PUBLICATIONS

Herbert Bayard of New York, Walter May of Portland, and Lee White of Detroit, Give Periodical Distinction  
Over Five Papers Entered in Final Contest

First place in the United States! This was the award made to the Times by the Central Interscholastic Press Association judges of the national contest for high school newspapers last Thursday.

The sweepstakes award was won by the Times over the papers that had been given "All-American" rating in their divisions. The Times was awarded "All-American" in division No. 3, which is for schools with an enrollment of students from 700 to 1,299. When the best paper of each division was chosen, it was entered in the "All-American" Contest.

A 22-inch silver loving cup will be the award made to the Times as soon as the necessary engraving has been finished. In addition to this and embossed leather wall plaque will be received.

The divisions were made according to school enrollment as follows: No. 1, schools with more than 2,500 students.

No. 2, schools with 1,300 to 2,499 enrollment.

No. 3, schools with 700 to 1,299 students.

No. 4, schools with 300 to 699 students.

No. 5, schools with less than 300 students.

The papers entered in the contest were first submitted to a preliminary rating. For this an eight-page score book was used. The first judging was done by the members of the journalism department of the University of Wisconsin.

The best papers from each division were then submitted to the judges who chose the Times as the grand winner. The judges were Herbert Bayard, executive editor on the New York World; Lee White, Detroit News; and Walter R. May, executive editor, the Portland Oregonian. These judges were selected with great care in order to give all contestants a fair chance.

The issues of the Times which were entered in the contest were those of December 22, January 7, 14, and 21. A complicated system of judging much the same as that used in judging the Totem last year was used.

The points in which the paper was rated in both the preliminary rating and the final judging were: School news, general news, news writing, sport writing, editorial, feature, quality of English, departments, humor, headlines, subheads, name of paper, illustrations, typography, make-up, advertising, general considerations, enrollment bonus. A complicated score-card was used but as the Times has not yet received a copy of it the exact rating given in each point is not known yet.

This is the second time South Side has received the honor of publishing the best high school paper in the United States. The Times also won the award of "Best in the United States" in 1924 and last year a received the "all-American" rating in its division.

In the News-Sentinel, April 16, an editorial appeared that gave due credit to Miss Harvey as advisor to the staff and instructor in journalism and to the staff for the honor that has been brought to Fort Wayne by the Times.

South Side now stands first in the United States in regard to publication; the Totem having won first place in two national contests, one the Art Crafts Guild and the other the C. I. P. A. contest.

Hoagland School to Hold  
Celebration and Festival

The Hoagland school will celebrate its sixtieth anniversary by giving a spring festival and home coming Thursday and Friday, April 22 and 23, at the Hoagland school.

All former Hoagland students and teachers are urged to attend. These people will be registered in one room and prizes will be awarded to the teacher having taught in that school the longest time ago, and a prize also goes to the pupil having been enrolled there the longest number of years ago.

There will be various side-shows. "The Three-Headed Man" will be in one and the "Wild Man" in another. Madam Music will also be present.

Special Green and White favors will be on sale for the South Siders.

A good time and plenty to eat is in store for everyone. Everyone is invited to attend.

### Musical Entertainment To Feature U. S. A. Meet

A musical program will feature the U. S. A. meeting which will be held next Friday, April 29th. The name of this meeting is "Lining the Quilt."

## TIMES EDITORIAL PLATFORM

1. To further scholastic activities.

2. To promote extra-curricular activities.

3. To give well-written accounts of high school happenings.

4. To offer high standards of school spirit.

5. To aid school officials.

6. To let parents and public know what South Side is doing.

7. To keep in touch with other schools.

Final!

Congratulations, senior honor students!

It's a-comin'

Seniors are beginning to think of graduation.

Measurements for caps and gowns were taken last week.

Boost 'em

Now that baseball and track have started,

South Siders will have another chance to join the rooters' corps.

You Tell 'em!

Are you for the best high school paper in the United States? Remember, that by subscribing YOU helped put it over.

Tote a Totem

Just 596 subscriptions for the Totem! From 1200 students, this sounds decidedly bad. In order to put out a prize-winning annual, such as the Totem was last year, the whole student body must pledge its support by subscribing. Bring your subscription in now, if you wish to have another winner.

The Best Is Yet to Come

Contests are before us and contests are behind us. This Saturday the state commercial contest is to be set in motion with the district eliminations. The state Latin and discussion contests and the local oratorical meets are at best things of the past. Now bend all your energies to cheering on the commercialists.

Down with Junk

Spring is the open season for old iron and old clothes. It's a time for housecleaning and for getting rid of all kinds of old junk. Even though we may welcome the man who comes to cart away the junk, none of us would want his occupation for ourselves.

In spite of this, most of us are junkmen to a certain extent. We gather in old ant-worm ideas which should have been on the scrap heap years ago. We take in a clutter of misfit views and a lot of rickety prejudices. It's spring. Why not clean our attics?

Going to College?

A third opportunity to win a scholarship to college is now being offered to all boys and girls in this school. First was the oratorical contest and then the chemistry essay contest. We now refer to the Firestone Good Roads Essay contest. The national award for first place is the payment of all reasonable college expenses, that is, about \$1,000 a year. Surely the possibility of winning such an award ought to be enough to pay for a few hours' work.

The essays are to be no more than 700 words long. It ought not take long to write that much. The subject for this year is "the influence of good roads on education." If you need money for college, for goodness sake, write an essay.

Applesauce

We don't know whether the use of slang affects a person's morals or not, but it certainly does have a crushing effect on the mind. It reduces the mental process of shaping a retort, and assembling into an argument, to the mere mechanical repetition of a stereotyped expression—"So's your old man." "Go tell your Aunt Effie," "Applesauce," or even the smutty expression "Bologna" or the "Thanks for the Buggy Ride."

"So's your old man" is really no argument. Expressions like that are just the equivalent in words to the small boys' (or girls') gesture, thumb to nose.

Everytime a high school student retorts "So's your old man," instead of using his wits and vocabulary to say something decent, he is losing some of his mental quickness and command over the English language.

# SOUTHERN SPICE

LOOK OUT BELOW

Of all the sad surprises

There's nothing to compare;

With treading in the darkness

On a step that isn't there.

DIZZY

To stand on one foot's pretty tough,

To stand on two ain't hard,

But when it comes to stand on three,

That's standin' on a yard.

We speak of things in funny ways

That sound queer, I declare;

We cut trees down, then cut them up,

And walk around a square! —Ray Kne.

If the average woman hasn't anything else to talk about she talks about all the time.

EMOTION

You speak, I clasp my brow

Fervently; I gag, sway, fall back

In agony, roll my wild eyes.

Dear me! where did that

Collar button roll?

NATURALLY

Margery Burres: "I want to buy a mirror."

Clerk: "A hand-mirror, ma'am?"

Margery: "No; a face-mirror, ye poor fish."

Mr. Voorhees in class, "That's a good process for making beer—I mean it is in other countries."

Mr. Voorhees, stopping reading notice for the selling of tickets for the senior play, "There is no use in my reading this to you. You're all seniors, at least some of you can pass for seniors."

Bob Reaser: "What are you on the Totem staff?"

Dorothea Kohlmeier: "I lay out features, class panels, and stuff like that."

Bob: "Oh, I see, you're the undertaker."

Carolyn Reed (in history): "Caesar crossed the Rubicon and Pompey flow to Egypt."

YOU SHOULD KNOW

Dear Ed: "Is it proper for me to ask a girl if I can see her across the street?"—Willie.

If you can't see her that far, don't let her know it. See an oculist.—Ed.

CALLING THE TURN

Vivian: "Why do you call Wilbur 'Humpty Dumpty'?"

Mercedes: "He fell for me and it broke him!"

IN LINE OF DUTY

L. S.: "That person is always looking at my nose."

A. B.: "Probably a reporter."

L. S.: "Why a reporter?"

A. B.: "Oh, they're supposed to keep an eye on everything that turns up."

VERBUM SAPPY

I'd like to write a joyous lay,

A little song of spring,

About the little squirrels at play

And birdies on the wing.

About the roses—those that climb,

The crocus and the lily.

But I won't have sufficient time,

And anyway, it's silly.

THE SHINGLE PROBABLY GOT ITS NAME FROM BEING SO CLOSE TO WOOD.

TOO BAD

Dorothy: "Why are you so sad today, Picks?"

Picks: "I have said farewell to my youth! Dad has forbidden me to slide down the banisters any more!"

Sir Press Desires.

Say, talking about the fast life of some fellows—I know one who went broke and didn't eat for days.—Yummy.

Mary: "I woke up last night thinking my wrist-watch was gone."

Martha: "Was it?"

Mary: "No, but it was going."

LAMENT

Every life has some great sorrow,

Every heart some pang of pain,

And I have a date to-morrow

With my dentist once again.

TOO LIVELY

Clifford: "You say Jim was arrested in a street car this afternoon? Why?"

Lawrence: "The conductor told him to step lively, and he started dancing the Charleston."

OH!

Kitty: "What happened to your patent leather pumps?"

Betty: "The patent expired."

A girl watching Gilbert knocking out flies to the outfield: "Wardo ought to be ashamed of himself knocking those balls over the boys' heads out there."

HE WHO GOT SLAPPED!

Latin scholar in another school (reading Virgil): "Three times I strove to cast my arms about her neck and . . . that's as far as I got, Miss Zimmerman."

I was flunked last term,

And flunked the term before

And the dean says if I flunk again

I ain't gonna flunk no more.

"We're in a pickle!"

"A regular jam!"

Heavens preserve us!

Teacher: "In the sentence, 'the girl is beautiful,' 'the' is an article; what is 'beautiful'?"

Boy: "A compliment."

THE HIGH-PRESSURE SALESMAN

Salesman: "Let me sell you this book, sir, on the early history of Ancient Chilli, bound in flexible leather with India paper—"

Snyder: "My eyes bother me so I can't read."

Salesman: "Then you need a pair of these adjustable spectacles, with perfect fitting lenses, tortoise shell rims, guaranteed for—"

Snyder: "Get your foot out of the door. I can't hear you!"

Salesman: "Try one of these magnisounde ear trumpets, comfortable to wear, low priced and warranted. A boon for all deaf—"

Snyder: "Say! Are you going to let me shut this door? Dust is flying in here from the street!"

Salesman: "This vacuum cleaner, sir, will absolutely remove all the dirt and dust from carpets, draperies, floors, woodwork, cooking utensils—"

Snyder: "Go away! You make me sick!"

Salesman: "These pills sell at \$1 and will relieve nausea, headache, swollen tonsils and spots before the eyes. All sick people should—"

Snyder: "Will I have to call a policeman?"

Salesman: "These police whistles, sir, sell for \$2 and a dime. The tone is sweet, clear and loud, and—"

Snyder: "Then I'll turn my dog on you! Here, Towser! Here, Towser! Sick 'em!"

Salesman: "Let me sell you some dog biscuits—what's the matter, sir? You've fainted!"

## In the Stone Age

April 24—William Bridges, secretary of I. H. S. P. A., praises the Times and says it is the best in the state and even in the middle west. We were getting honors even then.

April 26—George L. Hossfield, the world's champion typist, visited the commercial department and gave the students there some pointers on how he tickles the keys so fast.

April 26—Harry Williams, editorial writer for the Journal-Gazette, talked to the journalism students, telling what our paper is and isn't.

April 27—Mary Forker, winner of the local county and district discussion contests, represented South Side at Bloomington in the state discussion contest.

April 27—The official graduating list appeared in the Times. Seventy-one pupils were named, and eight students were declared possible for graduation, making a total of 79.

April 28—It was announced that the stadium-to-be, only a mud-puddle at that time, would be ready for the South Side-Central game about October 1.

April 28—Marietta College offered a \$400 scholarship to a boy graduating from South Side who wished to attend Marietta.

April 28—Marietta College offered a \$400 scholarship to a boy graduating from South Side who wished to attend Marietta.

# GREEN AND BLUE TO CLASH IN DUAL MEET FOR FIRST TIME

## SOUTH SIDE MEETS TIGERS ON CINDER PATHS, TUESDAY

Coach Welborn's Men Will Stack Up Against Stiff Competition Within Next Week; Central Has Formidable Bunch of Cinder Pounders; Expect Hard Battle

## WILL TRAVEL TO INDIANAPOLIS SATURDAY

Will Run Against Cream of State at Tech Relays; Green Harriers Are Being Primed for Both Events; In Great Condition

Next Tuesday the Green meets the Blue on the cinder paths in a dual meet for the first time in the history of the schools. This is one of the bright spots on the track calendar and a large turnout is expected.

The Tigers have a strong team this year and are confident of a victory over the Fightin' Green. Last year the Blue and White cinder pounders were entered in a triangular meet with South Side and Huntington which they won in a thrilling battle.

Coach Mendenhall has a strong team again this year with Kepler and Captain Felger as the mainstays. The former runs in the dashes with Felger in the 440-yard dash and pole vault. Milton Diehl will probably go big in the hurdles, with Roy, a newcomer, taking everything in the high jump. The mile relay team has been making exceptional time with many inexperienced men running.

Go To Indianapolis  
Coach Welborn has been drilling his men extra hard for the week-end as the Green and White harriers travel to Indianapolis on Saturday, where they are entered in the Tech relays. This is considered one of the best meets in the state with the cream of the thin-clads from throughout the state entered in competition. This meet is a series of different medley relays with all distance runs and dashes combined.

The meet on Tuesday with Central will force the Kelly Klad track men to work extra hard, and they will be forced to do their utmost to win from the Tigers.

## KELLY THINLIES TAKE DUAL MEET FROM PORTLAND

South Siders Show Rare Form by Copping Eight Firsts Out of Eleven Events

## C. FLEMING HIGH SCORER

Strength of Green Shows Exceptional Strength for Coming Sectional

By winning eight firsts in eleven events the Kelly Klad Thinlies completely outclassed the Portland Thinlies and scored an overwhelming victory of 69 to 29. The Kellys copped all three places in five of the events. South Side showed a decided superiority in the 100-yard dash, 440-yard dash, half mile, mile, and 220 high hurdles.

Charles Fleming took high point honors with eleven points to his credit. Goudy came a close second with ten points to his credit. Tucker and Baker scored eight points each.

South Side started the meet off with a bang by taking all three places in the 100-yard dash and continued to hold an overwhelming lead throughout the meet. Renner was the outstanding star for Portland. He took first in the high jump and first in the broad jump for a total of ten points to his credit.

The summary:  
100-yard Dash—Tucker, first; Baker, second; Lighthill, third. Time—11 seconds.  
220-yard Dash—Baker, first; Tucker, second; Stone (P), third. Time—24.08.

## CAFETERIA TO BE SCENE OF BASKETBALL BANQUET

Members of Girls' Athletic Association Not on Teams Are Invited; Juniors To Be Guests

The girls' basketball banquet will be given in the cafeteria Friday, April 23, at 6:00 p. m. All girls that are members of the Girls' Athletic association that are not members of the squads are also invited. The freshman squad will have charge of the decorations, while the "eats" will be in charge of the sophomores. The seniors will provide the entire program. The juniors are the guests. Since they were class champions, they will not have any duties to perform.

220 Low Hurdles—Lighthill, first; Wellman, second; C. Fleming, third. Time—26.05.  
120 High Hurdles—C. Fleming, first; Hiatt (P), second. Time—19.  
440-yard Dash—Lombard, first; Stone (P), second; Wedler, third. Time—57 1/2.  
Mile Run—Goudy, first; Bell, second; Feustel, third. Time—7:05.  
880-yard Dash—Goudy, first; Wedler, second; R. Fleming, third.  
High Jump—Renner (P), first; Hiatt (P), second; Folsom and DeHaven, third. Height—5 ft. 3 3/4 in.  
Shot Put—Branning, first; Luke, second; Renner (P), third. Distance—38 ft. 7 in.  
Pole Vault—Whiteman (P), first; R. Fleming, second; Bell, third. Height—8 ft. 10 in.  
Broad Jump—Renner (P), first; Bair, (P), second; C. Fleming, third. Distance—17 ft. 9 in.  
Half Mile Relay—South Side, first (Shine, Tucker, Lighthill, Baker). Time—1:43.8.  
Mile Relay—South Side (Fleming, Wedler, Lake, Bell), first. Time—4:09.

## Strikes & Spikes

Well a good start is better than a bad one.

Let's hope that they end the same!

It's somewhat like March weather, comes in like a lion.

Some of the fellows who went to Huntington are now repenting at the ninth.

Scene: Portland.  
Time: Afternoon.  
Weather: Snow.  
Event: Half-mile.

Haven and Portland athlete finishing in tie for eighth place, one-eighth of mile behind winner.  
Spectator: "Hey you Haven, did he invite you over for supper?" (P. S. Haven is a high jumper).

The saddest words of tongue or pen are, "Oh if I could run that race again."  
(Apologies to Kipling (?))

Several times at Huntington, DeHaven's attention was attracted from his work. Whatta matter, Tina? Who was "it"?

And now that the basketball season is over the basket bawl war begins.

We wonder what 'Lil Artha is thinking about now?

One thing we wish is that our teams would come home for wunst.

On April 27 South Side meets Central in track. (This might interest you a trifle ya know).

Chisel 'em gang, Chisel 'em!

## TENNIS TEAM TO MEET PORTLAND RACQUETERS

South Side To Be Well Represented; the Matches Will Probably Be Played at Country Club

"South Side's tennis players will swing into action Saturday afternoon against the Portland racquet wielders," announced Coach Lundy Welborn Monday. The matches will probably be played on the Fort Wayne Country Club courts.

A winning team will represent South Side this year, as Grodrian, city boy's champion, John Simmers former champ, and Bill Dammeyer will be out for places on the team.

Try-outs will be held today or tomorrow. Those who are interested, will be notified by a bulletin on the board by the athletic office.

The South Side tennis courts will not be put into shape this year unless some tennis enthusiasts spend the time required to rake the crushed stone off of the courts and replace it with a clay surface.

HOW MUCH SHOULD YOU SPEND FOR FURNITURE, FLOOR COVERINGS AND DRAPERIES FOR YOUR HOME  
It is estimated by conservative people that one should spend 25 per cent of his income or salary for rent or on the purchase of a home. The following is a schedule that should apply to the furnishings of one's home.

	Weekly Salary	Per Cent	Weekly Amount
2 Adults	\$25	6%	\$ 1.50
2 Adults, 1 Child	\$25	4%	\$ 1.00
2 Adults	\$30	7%	\$ 2.10
2 Adults, 1 Child	\$30	6%	\$ 1.80
2 Adults, 2 Children	\$30	4%	\$ 1.20
2 Adults	\$35	7%	\$ 2.45
2 Adults, 2 Children	\$40	5%	\$ 2.00
2 Adults	\$50	10%	\$ 5.00
2 Adults, 3 Children	\$50	3%	\$ 1.50
3 Adults, 3 Children	\$60	9%	\$ 5.40
3 Adults, 2 Children	\$70	5%	\$ 3.50
3 Adults	\$75	12%	\$ 9.00
2 Adults, 3 Children	\$85	10%	\$ 8.50
3 Adults, 2 Children	\$100	12%	\$12.00
Unmarried Men or Women	\$15	10%	\$ 1.50
" " " "	\$20	15%	\$ 3.00
" " " "	\$25	20%	\$ 5.00
" " " "	\$30	25%	\$ 7.50

Glance over the figures and see whether you are in or out of step on the question. We are going to experiment during the twelve coming months and to any customer who has a steady weekly income that will average the above, we will extend credit on any amount from \$25 to \$150 without any interest paying 20% of the amount at the time of purchase and the balance in payments as per above schedule. This will enable you to buy very conveniently a new

## G. A. A. MEMBERS SELECT CABINET FOR FALL TERM

**Freshman Position To Be  
Filled Later; Miss Pat-  
terson Awards Bas-  
ketball Points**

## FEAST TO HONOR JUNIORS

**April 23 Is Date for Banquet:  
Freshmen, Sophomores and  
Seniors in Charge**

Officers for next term were elected by the Girls' Athletic association at a meeting held last Friday. Gertrude Brouwer, Winifred Englehart, Leah Foster, Marjorie Mossman, and Helen Smith will be president, vice-president, secretary, manager of sports, and sophomore representative of this organization during the fall semester. A freshman representative will be elected next year.

Basketball points were awarded the members who played during the past season. Those who received points are Mildred Berline, Violet Fell, Beatrice Huguenard, Elviah Miller, Mary Alice Tannehill, Ruth Watkins, Betty Augspurger, Gertrude Brouwer, Winifred Englehart, Mildred Koster, Lea Foster, Grace Hart, Wilma Kronmiller, Dale Miller, Marjorie Mossman, Ruth Bennhoff, Isabelle Collins, Lucille Gollmer, Frances Koster, Martha Lee, Beulah Patterson, each; Lillian Suter, 100 points; each; Lillian Springer, Doris Bauer, Gladys Guibard, Nellie Merica, Velda Nobles, Rengas Azar, Ruth Wilson, Adeline Word, and Mary Jane McMullen, 50 points; Virginia Bourns, 40 points; and Florence Phelps, Marcella Shalley, Gladys Crick, Bernice Jenkins, Janette Rank, Cornelia Bade, Isabelle Walters, and Ruth McGuire, 25 points each.

The association will give a banquet in the cafeteria April 23, for all members. Since the juniors won the inter-class basketball tournament they will be the guests of honor at this feast and will not have to serve on any committee. The freshmen have charge of the decorations; sophomores, of the menu; and seniors, of the program. The admission for this banquet is 50 cents per plate.

All members who have won 100 points or more, according to the G. A. A. point system rules, are considered as active members of the association and are entitled to vote. The thirty girls who are now active members are: V. Fell, B. Huguenard, E. Miller, L. Springer, M. Tannehill, I. Walters, R. Watkins, E. Augspurger, G. Brouwer, W. Englehart, G. Guibard, C. Hixon, M. Koster, V. Nobles, M. Crick, L. Foster, G. Hart, P. Jenkins, W. Kronmiller, I. Miller, M. Mossman, J. Rank, E. Wilson, R. Wilson, A. Barrett, R. Bennhoff, I. Collins, E. Gollmer, F. Koster, M. Lee, M. McMullen, D. Patterson, M. Schumann, H. Smith, C. Suter, D. Thomas, D. Bauer, L. Gollmer.

The associate members or those who have less than 100 points are: P. Baumgartner, C. Bade, G. Bradley, M. Canada, R. Azar, R. Boengs, J. Gilhe, V. Hackney, M. Rahe, M. Paeoch, L. Newell, R. Stroebel, E. Suter, M. Eurt, C. Crick, J. Walker, V. Becken, J. Johnson, C. Koerber, T. Lane, I. Likins, M. North, E. Schwell, I. Ward, M. Wolever, V. Bourns, M. Shalley, F. Phelps, N. Merica, A. Word, R. McGuire.

## EMRICH, POCOCK HONOR STUDENTS FOR CLASS OF '26

(Continued from page 1)  
Gertrude Schuelke—The first year I did not study much as it was such a change from the other school I attended. The second year it was better. From then on, I studied and was active in different things around school. I don't like to say what time I went to bed. I was on the debate team for two years and that took a lot of time. I am president of the Wranglers now.

Pauline Baumgartner—I always tried to study every evening but I went to bed in time to get plenty of sleep. I belonged to several clubs and took an active part in them. I was general manager of the Times and president of the Math-Science club.

Mildred McCune—I studied after supper and made it a plan not to go out nights during the week unless it was absolutely necessary. Sometimes I had to give up a few pleasures to get my studies. With me, my studies were first. I belonged to several organizations.

Beatrice Rieke—I never studied a whole lot at home. I utilized my time in school. I belonged to several clubs and took an active part. I was treasurer of the Philaethian society.

Richard Bickel—I studied some in school and some at home. I always arranged to have some outside fun, but got my lessons first. Sometimes I studied a little bit and sometimes a lot. I belonged to the Hi-Y and was in the senior play.

Elizabeth Schmidt—I studied hard both at school and at home. In the spring I often got up early to study. I belonged to several clubs and was president of the So-Si-Y. I played basketball during my freshman and sophomore years and worked on the Times staff for three years.

Florence Hansen—I generally used my study periods in school. I studied in the evenings until I got my lessons done. I never went to class without my lesson. I belonged to several clubs and have held offices in the Math-Science about every semester.

The following questions were asked the seniors:

1. Are your study period and your recreation far apart or close together.

All seemed to agree that they studied the day before.

2. Do you study your lesson one time or more than one time?

All of them said that they tried to get their lessons the first time.

## C. BADE WINS SECOND IN DISTRICT CONTEST

**Auburn Boy, Opposing County Unit  
Plan, Takes First Place; Awarded  
Silver Loving Cup**

With his speech on the county unit plan for school administration, Cornelia A. Bade recently took second place in the district elimination of the state discussion contest. Edward Mayfield, of the Auburn high school, where the contest took place, was awarded a silver loving cup as the winner of the event. Lester Kellogg, of Columbia City, was given third place.

The counties represented were Noble, DeKalb, LaGrange, Steuben, Allen, and Whitley. Three of the speakers took the negative side of the question, and three the affirmative. Cornelia was one of the three who favored the county unit plan, while Mayfield, who took first place, was opposed to it.

Daniel I. Gerig, a history teacher of the Goshen, Indiana high school; Dr. Carl W. Hall, of Manchester College, North Manchester, Indiana; and Ralph Tyndall, teacher of history in the high school at Decatur, Indiana, judged the contest. Clarence Green, superintendent of the DeKalb county schools, was chairman.

Mayfield is to speak tomorrow at Bloomington in the state finals of the discussion contest.

## SOPHOMORE PARTY IS DECIDED SUCCESS

**One Hundred and Forty Attend the  
Affair in Cafeteria Last  
Friday**

The sophomore party, which was given Friday, April 16, was one of the many social successes during the year. One hundred and forty attended the affair. Games and dancing were enjoyed during the evening.

Betty Hutchins and Dale Shimer gave a demonstration of the Jean Hop which was enjoyed by the spectators.

The party received many compliments from the upper-classesmen. "That really is something to say, when the sophomores can throw a party that the juniors and seniors and some of the alumni enjoy," said Don McLucas, president of the sophomore class. At a late hour delightful refreshments were served and a wonderful time was enjoyed by all.

The party was held in the cafeteria, which was beautifully decorated. The honorees were Miss Pittenger, Miss Bert and Mr. Heine.

## ROUND-TABLE DISCUSSION FEATURES P.T.A. MEETING

**Total of \$46.25 Made by Organization  
at Regional Tournament  
According to Report**

The Parent-Teachers' association held a meeting in the Greely Room Wednesday, April 21. A report on the tournament was given, which showed that the total amount of \$46.25 was made by selling candy and conducting a public cafeteria. The meeting was carried out in the form of a round-table discussion of the high school. A question box was placed in the room. Any person wishing to have a question discussed, wrote it on a piece of paper and dropped it in the box. Each question was discussed during the meeting. The South Side Girls' Glee club furnished the music.

## Girl Scouts

The meeting of the Girl Scouts on Wednesday, April 7, was held in Room 86, with Captain Weston in charge. The regular Scout ceremony, with Scouts in patrol formation, formed the opening of the meeting. Setting-up exercises and work on merit badges were done. The girls practiced signaling and were asked some questions on their Tenderfoot tests. A song leader was selected and the girls gathered around an artificial campfire for a discussion and some songs.

The meeting closed with "Taps." Court of Reviews was conducted on Saturday, April 10, at Girl Scout headquarters at the Jefferson school. The purpose of this court is to make sure that the girls have earned the merit badges which they receive at Court of Honor. The next Honor Court is to be on Saturday evening, April 17, at the courthouse. After Court of Reviews, practice was held for a mock trial of the fire hazards to be given at the Court of Honor was the purpose of the meeting.

A new troop, the Hamilton school girls, was invested. A little playlet was given by this group, explaining the purpose of scouting.

After this the merit badges were awarded. By far the most were won by South Side girls. Some of the badges were Athlete, Artist, Bird-Hunter, Cook, Citizen, Craftsman, First Aid, Flower Finder, Health Guardian, Health Winner, Economist, Star-Gazer, Scholarship, Scribe, Musician, Child Nurse, Scout Aide, and Attendance Stars.

The Court of Honor closed with the singing of songs around an artificial campfire. A short poem was recited by Miss Weston, city captain, and "Taps" was sung to end the evening.

## FIRST AND SECOND YEAR HIGH SCHOOL STUDENTS—

You surely want to earn money while attending school—You will perhaps wish to take a four-year course at a college but will need the capital to pay for your tuition and living expenses. Many boys who have carried newspaper routes for us have, because they had the common sense to save the money earned, found it possible to go to college and pay their expenses with the profits derived from Journal-Gazette routes.

I expect to make many changes soon in our carrier organization, therefore, suggest you file your application with me at once. But, I want only Hustlers! Sheiks and spend-thrifts need not apply.

## 407 SUBSCRIPTIONS MUST BE OBTAINED BY UPPERCLASSMEN

Each Senior Required to Obtain Two Subscriptions in Addition to His Own

## EIGHTEEN TEAMS NAMED

"Team with Most Subscriptions Will Be Given Award," Says Thelma Gasser

That each senior would be required to secure, in addition to his own, at least two subscriptions for the 1926 Totem was the arrangement made at a meeting of the senior class held on Tuesday afternoon in the Greely Room. For the drive the seniors have been divided, according to the rows in which they will sit for the commencement exercises, into eighteen teams.

The following captains have been appointed for the various teams: Row one, Pauline Baumgartner; two, Cornelia A. Bade; three, Florence Hansen; four, E. K. Kyles; five, Richard Balmer; six, Margery Burres; seven, Lucille Dutton; eight, Thelma Gasser; nine, Kenneth Hart; ten, Dorothy Johnson; eleven, Willis Klein; twelve, Margaret Metzner; thirteen, Maynard Patterson; fourteen, Frank Robertson; fifteen, Herbert Snyder; sixteen, Noble Sprunger; seventeen, Ruth Watkins; eighteen, Chester Wyneken.

"Two hundred and seven subscriptions, and the subscriptions only partly paid for, the equivalent of \$1,067.95 must be secured before the goal of 1,050 subscriptions necessary to fulfill the requirements of the printing contract are reached," Miss Harvey, faculty advisor of the year book, told the seniors.

The drive will continue until Friday, May 14. In giving suggestions for obtaining subscriptions Thelma Gasser, circulation manager, included the family doctor, dentist, lawyer, chiropractor, and optician. "Then, too," she said, "there are a lot of underclassmen who have not yet subscribed."

An award, to be definitely decided later, will be made to the team which passes its quota and obtains the most subscriptions.

## TWO TALKS FEATURE MATH-SCIENCE MEET

Interesting Subjects Discussed by J. Hanke and E. Schmidt; Club Pins Decided Upon

That the Math-Science club will have club pins was the decision the members came to at a meeting last Friday in the Greely room.

From the three designs for the pins that were presented to the club the one chosen was that of an open book in gold and white enamel with the letters M and S on the open pages.

After the business meeting was adjourned the program committee was given charge. Talks by Elizabeth Schmidt and James Hanke featured the evening. James Hanke explained how to plot an equation of three variables. Elizabeth Schmidt talked on "Animal Eating Plants." Following the program a social hour was enjoyed after which refreshments were served.

## With The Classes

The women on the faculty will hike to Foster Park today. They will leave the school at 4 o'clock in the afternoon. Bacon and eggs will be cooked.

Some of South Side's teachers, the Misses Mott, Thorne, Patterson, Pittenger, Hemmer, Crowe, McCloskey, Oppelt, and Esarey, hiked to Foster Park Thursday, April 15.

Walter Henning won the spelling match in the second period 9A class.

Betty Ward won the spelling match in the fourth period 9A class.

Howard Craig, who has been absent two weeks with the flu, has returned to school.

Wanda Hall visited South Side Friday, April 16. She expects to return to school next semester.

Van Bowser has returned to school after an absence of one week.

Students who are interested in well-made, good-looking graphs stop in Room 52 and there you will find what you are looking for. These graphs were made by Miss Thorne's eighth period algebra class.

Claire Staley has brought a large map of India for the classes to use in the study of "Chive." She has also brought two volumes of "Wheeler's India," to be used for reference.

Claire Staley and Stella Rupp gave a very realistic production of the quarrel scene from Julius Caesar.

The majority of Miss Mott's sewing classes have completed their woolen garments, and are now starting on their spring dresses. They spend one period a day studying woolen textiles.

Miss Spake's 9A cooking classes prepared and served luncheon Thursday. The other 9A class made colored jello. Some girls carried out their school colors of green and white.

## South Side Hears Talk On Forest Conservation

"During 1925, in the state of Indiana, there were 437 forest fires which covered twenty thousand acres of land, and most of the fires were caused by carelessness," said Mr. Wheeler, of the United States Forestry Service, in his talk on Forest Conservation, given in the session room Wednesday afternoon, April 21.

"These are very dangerous to the supply of timber for Indiana as the appropriations for forestry improvement in this state are very small in comparison with that of other states," continued Mr. Wheeler.

## TYPING STUDENTS RECEIVE AWARDS FOR RAPID WORK

Winifred Beeth Wins Highest Honors by Qualifying for Underwood Jeweled Pin

## MANY GET CERTIFICATES

Four Pupils Are Successful in More Than One Test; State Contest Held in May

Winifred Beeth received the highest honors by qualifying for the Underwood Jeweled Pin. She took a special test given by a representative of the Underwood Typewriter company, and qualified for the pin with an average speed of seventy-five words per minute. The pin is so valuable that the typewriter company requires the test to be given by the local manager.

Winifred is the first pupil from South Side to win this award. She has had four semesters of typing and therefore is not eligible to enter the district meet, but is eligible to compete in the state contest to be held in May. The pin for which she qualified is made of 10K burnished gold with pearls, close-set.

Cornelia Boxell, Martha Grote, Gladys Shaw, and Erich Lasch were successful in more than one test.

The following are the winners of the awards:

	Words per Min.
Underwood Certificate—	
Margaret Maitland	36
Marguerite Schiewer	34
Pauline Baumgartner	37
Jane Wass	33
Catherine Fries	36
Kathleen Grier	36
Florence Hansen	39
Gladys Shaw	34
Noble Sprunger	30
Erich Lasch	33

Royal Certificate—	
Erich Lasch	31

## THELMA BURLEY WINS FIRST PRIZE IN ART CONTEST

Well Known Senior Enters Best Poster in State; Three Students Represent South Side

## MORE INTEREST IS AIM

Indiana P-T Association Sponsor Event in Co-operation With University Extension Division

Thelma M. Burley, a well known senior of South Side, was awarded first prize for her poster, which was entered in the state art contest at Indianapolis. Forty-eight cities of Indiana were entered in this contest which was sponsored last week by the Indiana Parent-Teachers association in co-operation with the university extension division.

South Side entered three posters in the contest and all were given awards. Beulah Corwin, also a senior, received the second award. Dixie Buchanan, a junior, was given honorable mention.

The third prize was awarded to Florence Blosser, of Central High School. Two years ago Mary Travis, a 1925 graduate of South Side, took third place. Last year Virginia Polach, also a 1925 graduate of South Side, was given honorable mention.

Miss Ley has worked for several years with these girls and they agree that her ideas have helped them considerably in being able to gain the awards.

The purpose of the contests is to stimulate an interest in works of art. From experience it has been proven that the purpose has been carried out in full.

## FINAL SPELLING MATCH TO BE HELD THURSDAY

Betty Ward, Walter Henning, of Second and Fourth Period Classes, To Compete for Championship

The final spelling match between Miss Esarey's freshman classes will be held Thursday, April 29, in Room 86 at 3:00 p. m. Betty Ward, who is in the second period class in English, has spelled down all members of her class thus far. Walter Henning is the successful pupil in the fourth period class.

Mr. Davis will pronounce the words. The words will be taken from those misspelled on themes, and when these are exhausted, words from the English book will be given. If anyone survives, words will be taken from a harder source.

The losing class will give the victors a party. At this party the winner will receive a gift to be presented by Miss Esarey.

## SENIOR CLASS HOLDS \$403.47 IN TREASURY

Has Smaller Balance On Hand Than Any of the Previous Classes

This year's senior class has less money in its coffers than any of the other classes that have graduated from South Side. They now have a total balance of \$403.47. Last year the senior class made \$458.43, while the class of '24 made \$423.39.

The financial report of the 1926 senior class is as follows:

Senior Play—1926	
Receipts	\$549.25
Expenses	
Cleary & Bailey (tickets and programs)	\$34.80
Books for play	11.00
Dale Hendricks (suit)	2.00
Mr. Sheldon	102.50
(\$75 plus 5% gate receipts—\$75+\$27.50=	
\$102.50)	
Royalty on play	25.00
Rental wigs	4.50
Paint	1.00
Pins, nails	1.50
Seany & Anderson, suit	4.50
Extra scenery	5.00
Yellow Cab, drayage	4.00
Total expenses	194.80
Profit	\$354.45
Left over from last year	\$2.27
Profit on candy sales	46.75
Profit on play	354.45
Balance on hand	\$403.47
R. C. HARRIS.	

## Memory Books Presented By Mr. Wilding Furnish Amusement For Dignified Seniors

"The Graduate Record" Contains Many Feature Pages; Signatures Are Popular.

"Have I got your name yet? You haven't signed my memory book. Put your John Henry in here. Sign on the dotted line."

These and many similar remarks have been heard in the halls, class rooms, and all over the building since the seniors were presented with memory books last week.

Groups of seniors with pens and books gather around their classmates and teachers to get their names and advice in the books which were

## Students Consume Gobs of Ice Cream

South Siders Eat Fifty Gallons of Cool Dessert Every Week in Cafeteria.

Approximately fifty gallons of ice cream was consumed every week by the students of South Side.

About 1150 pupils buy ice cream during the week, making an average of three-hundredths of a gallon to a person for a week.

During a week in February fifty gallons was consumed in a week by approximately 1650 people. Thus the average per person during the colder months is the same as that during the warm season.

On rainy days more ice cream is consumed, since more people eat in the cafeteria then.

## MAY-DAY FESTIVAL TO BE SPONSORED BY P. T. CLUBS

Proceeds Will Be Used to Finish Paying for Furnishings of Greely Room

## PARTY TO BE GIVEN MAY 1

Dancing, Card-Playing, and Games Will Be Features; Willson's Orchestra to Play

The Parent-Teachers' association will sponsor a May-Day party which will be given Saturday night, May 1, at 8 o'clock, in the South Side gymnasium. The admission will be 25 cents.

Everyone, including seniors, parents, friends, and alumni is invited. Many entertaining features are being planned for the party. There will be dancing in the gymnasium. For those who don't care to dance, there will be card playing and games in the cafeteria.

The proceeds of this festival will be used to finish paying for the furnishings of the Greely Room.

Music for the evening will be furnished by James Willson's orchestra. The members of this orchestra are: Bob Scheumann, Roland Smith, John Simmers and James Willson.

## METERITES TO GIVE PARTY TOMORROW

Each Member Is Required to Write Story; No Boys Allowed to Join Club

The Meterites, South Side's newest literary club, held its second meeting last Friday in Room 64. The program consisted of the pantomiming of the "Raggy Man" by Betty Ward, Dorothea Thomas, and Dorothy Likens. Margery Buchanan read three poems which she had composed herself. They were "Had a Good Time Anyway," "Ginger Bread," and "My Sister's Caller." The girls decided by vote that boys would not be allowed to join the club.

Each member is required to write a story, and Betty Ward has completed nineteen chapters of her story, which is entitled "Blue Ribbon Inn."

A party will be given by the club in Room 64. Ellen Lepper is chairman of the social committee.

## Manual Training Classes Start Work on Projects

The boys in 9A woodturning are now beginning work on their individual projects. Many different things of various designs are being made.

Before beginning work on his project each boy makes the drawing to scale, working out his own design. He then makes out a bill of material and figures the exact cost before any work is done on the project. Thus he has the design and knows how much the article will cost him before the job is started.

Mr. Chappell is expecting some very nice work from the boys this term. The manual training department invites the students and teachers to come in any time and see what the boys are doing and how they do it.

Some of the objects being made are: dumbbells, bridge lamps, floor lamps, boudoir lamps, pedestals, and tables, writing desks, center tables, foot stools, kitchen tables, book stands, not bowls, hall trees, knitting stand, and candlestick holders.

## Pupils to Tour East

The pupils of Austin high school, Chicago, are to visit historical scenes of the east. The Sequi Centennial International exposition is to be held in Philadelphia.

## GIRLS OF CITY WILL OBSERVE SPECIAL WEEK

Mother-Daughter Week to Be Celebrated by Girl Reserves from May 2 to 7

## BANQUET TO BE MAY 6TH

Tickets Are 50 and 35 Cents; May Be Bought at School

Girl Reserves of the city will observe Mother-Daughter Week from May 2 to 7, according to an announcement made recently by Miss Simonds, Girl Reserve secretary of the Y. W. C. A. This week has been chosen since May 7 is national Mothers' Day.

Sunday, May 2, will be Girl Reserve Sunday. All Girl Reserves will attend their own churches in uniform if possible and will be recognized by the ministers. All Girl Reserves are urged to attend services on that day.

Monday, May 3, is gift day for mothers. The girls will each give their mothers some gift which they have made, or purchased with money which they have themselves earned.

On Tuesday, May 4, the topic discussed by the Girl Reserve clubs will be "Mother's Dower Chest," and Wednesday will be frolic day for mothers and daughters at home.

Thursday night will be Mother's night out while daughter "keeps the home fires burning."

Friday evening will be the annual Mother-Daughter banquet at the Y. W. C. A. at 6:30. Miss Kiefer and Miss Rinehart are selling the tickets for South Side. Admission for mothers is 50 cents and for daughters, 35 cents. On Saturday mothers and daughters work together, and Sunday is Mothers' Day for everyone.

## U.S.A. CLUB TO DISCUSS "BOY FRIENDS" AT MEET

Miss Kiefer Asks That All Girls Please Bring Money to Pay Their Dues

"Lining the Quilt" is to be the subject of the U. S. A. meeting which is to be held in the Greely Memorial room today, April 29.

A discussion of great interest to all girls, "A Girl and Her Boy Friends" will be led by Miss Kiefer. Games will be played. Kathryn Pepper, chairman of the program committee, is to be in charge of the program.

Miss Kiefer asks that all the girls please bring their dues, as election of officers will be held about the next meeting and only those who have paid their dues can vote.

## WRANGLERS TO HAVE PICNIC AT NEXT MEET

Mr. Makey Announces Financial Report of Public Speaking Department for Year of 1925-26

A picnic, the plans for which will be announced later, will feature the next meeting of the Wranglers. The affair will be held May 5.

The last meeting consisted chiefly of the report of the finances of the public speaking department for the year 1925-1926. The report was as follows:

Cash on hand	\$10.56
Admission to debates	8.15
Receipts from Wranglers plays	55.75
Donated from general fund	10.00
Total receipts	\$84.46
Expenditures—	
Debate League fees	\$1.00
Discussion League fees	1.00
Judge for debates	20.00
Carfare (Central debate)	.35
Telephone (Bluffton)	.30

## "Freshmen Party Likely" Says Pres. Rabt. Bradley

"I think there will be a 'freshman party this year," said Robert Bradley, president of that class, "but the plans have not been started."

If the party is given, it will be some time soon.

## Organize Ukulele Club

A ukulele club has been organized at Austin high school, Chicago. Membership was limited to girls who play the ukulele fairly well. The purpose of the club will be to continue study of the ukulele and to promote ensemble.

## Three People Nominated For General Manager Job

Three persons were nominated by Miss Harvey for general manager of the Times next fall at the meeting of the Fifteen Hundred club which was held last Friday. These are: Robert Thompson, Helene Foellinger, and Margaret Pocock. The election of the general manager will be held about the middle of May. Before the business meeting a pot-luck supper was eaten.

Miss Harvey also explained about the new National Honorary Journalism society which has been started by Iowa University, and of which she is one of the twenty-five founders. This society when organized in South Side will be the first in Indiana.

## SOUTH SIDE HIGH HAS FOUR ENTRIES IN ESSAY CONTEST

"Relation of Improved Highways to Education" Is Subject of the Themes

## NATIONAL AWARD GREAT

Four Year College Education To Be Given to Winner by Harvey S. Firestone

A university education will be the award given to the high school student who writes the best essay on "The Relation of Improved Highways to Education" in the contest which is being conducted under the auspices of the highway education board in Washington, D. C.

The scholarship, which will pay all reasonable expenses for a four-year college education, is given by Harvey S. Firestone, of the rubber industry. This will amount to about \$1,000 a year, which will pay for reasonable college expenses such as tuition, board and clothes.

The contestants will first enter essays in the local contest which closes May 8. The three best in South Side will then be entered in the state contest. The last day for entering essays in the state contest is May 29.

Mr. Makey is in charge of the contest in South Side.

South Side has entered in the local contest: Cornelia Bade, Dorothy Emrich, Gertrude Schuelke, and Ruth Eickmeyer. Any other students who desire to enter the contest may do so by submitting an essay to Mr. Makey by May 8.

Three essays from each high school may be entered in the state contest. In Indiana the contest is being conducted under the auspices of the Extension Division of Indiana University. One essay from each state will be entered in the final contest. The Firestone scholarship will be awarded to the winner by a national committee that is to be appointed by the United States Commissioner of Education.

Essays will be judged on a basis of knowledge of the subject and composition, while appearance will also receive consideration.

The winner of the national contest may attend any college or university in the United States.

Mr. Harvey S. Firestone, the donor of the scholarship, is awarding it because of his deep personal interest in education and in highway transportation.

This is the seventh year that Mr. Firestone has sponsored this contest. It has been a great success in the past and it is probable that it will be even more of a success this year, is the opinion of those in charge. Last year, John Teixeira, a student in high school, Kauai, Hawaii, won first place in the contest.

## HI-Y CLUBS ADDRESSED BY PROMINENT PASTOR

Farewell Party Given for Rev. James Strachan; Presented with Organization Pin

The Hi-Y and Junior Hi-Y clubs combined their meetings last week in the form of a farewell party for Rev. James Strachan, pastor of the South Wayne Baptist church and a loyal supporter of various young people's work in these associations.

Rev. James Strachan spoke on his experiences as a gold miner in the Yukon country when a young man. He gave a vivid and picturesque account of the trip from Seattle to the Yukon district and then explained in detail the methods employed in the digging and refining of gold, as was done years ago.

As a token of appreciation and love, Page Robinson, president of the Hi-Y club, gave Rev. Strachan his Hi-Y pin on behalf of the two clubs.

Preparing Speeches on Constitution. Students of the public speaking classes of Chickasha (Okla.) high school are preparing speeches on the Constitution as their term's speech for which they will be given their grade.

## Mikado Financial Success; \$44.08 Made on Operetta

After all expenses and bills for "The Mikado," presented March 24 at the Shrine auditorium by the musical departments of Central and South Side, have been paid, the total profit amounts to \$176.16.

Each school received as their share \$44.08, and the balance, \$88.00 going to the Shrine auditorium.

## COMMERCIAL GIRLS TAKE HIGH HONORS IN DISTRICT MEET

E. Dean, M. Meyer, G. Mummy R. Jennings, W. Beeth, E. Schmidt, H. Goette, V. Fairfield Win Places

## COLUMBIA CITY SECOND

South Side to Enter Winners in State Meet at Muncie, May 7

South Side entries in the District Commercial meet again brought honors to the school by winning first place by a wide margin over their nearest competitor, Columbia City. First place was awarded to South Side in advanced and beginning shorthand and in amateur typing. Instead of awarding a pennant to the winning school this year a beautifully engraved metal plate, with the inscription, "Indiana Commercial Champion, Fort Wayne District, 1926," was presented.

The following was the method of awarding points. Team averages: First place, nine points; second place, six points; third place, three points. Individual winners: First place, three points; second place, two points; third place, one point.

The schools represented, and the points made by each respective school is as follows: South Side, 25; Columbia City, 30; South Whitley, 29; Central, 19; Kendallville, 19; Garrett, 12; Auburn, 9; Decatur, 7; Bluffton, 3; Lancaster Center, 3.

The South Side shorthand teams made remarkable records. In the advanced shorthand, the three local entries, Winifred Beeth, Elizabeth Schmidt, and Helen Goette, made a combined total of only 19 errors. Central made 79 and Decatur, third, had 439.

## The Party

The Soph party was surely a success and everyone had a good time. Enjoy yourselves while you're young, sophs!

## Watch Your Step

Just because "spring has come," don't think your final grades have. Maybe you receive a good grade. But if you slump now you may get fooled next time.

## Funny

The last honor roll was splendid, wasn't it? But, of those 123 who made it, over two-thirds were girls. Rather queer, isn't it, when boys think themselves so much better than girls?

## Get Busy

The announcement has been made that the tennis courts in the stadium will not be put into shape this year unless some tennis enthusiasts do the work. All they have to do, it seems, is rake the crushed stone off the courts and replace it with a clay surface.

## Underclassmen!

A word to the wise should be sufficient. Every year the boys of this congressional district who are graduating from high school are given the chance to win the Jack Merrillat Griffin scholarship to Yale.

However, no boy can be considered as a candidate who has not studied the subjects required by Yale for admission. That means four years of mathematics and either three years of one language or four of two different ones, besides the amount of science, English, and history that are ordinarily required at high school.

This year there are many senior boys who can not even try for the scholarship, because they have not taken the required subjects. This should warn every underclass boy to look up the entrance requirements to Yale and to fix out his program accordingly.

## The "Why" of the Library

Did it ever penetrate your mind that the library is more than a place for reference work, more than a refuge from the study hall? Did you ever notice the quantity of books, real live interesting books, that have been put on the shelves just for you?

"Books," according to Cicero, "are the food of youth." That may be true, but all of us have not yet discovered how to eat. Accident or chance solved the problem in the case of those who have been book-lovers since childhood. However, there are others that do not care to read. There are many reasons why they should. Books give companionship to the lonely, afford wholesome diversion and quiet joy, and take the mind off of trouble. Books can not give us what experience can, but they clarify and enrich experience. Without books, a person lives only the life of one individual; but, with books, he lives the life of his whole race. True education can, and must, give understanding of life and show a clear way through life. Books do this; for, from them, we can learn what man has done, learned, made, thought, and what he has felt and created and expressed in words.

There are millions of books. It has been said that no man can ever hope to read even one thousandths of one per cent of all of them. The question, then, is where to begin. Many lists have been published as to what a high school student ought to read. But, since no desire for knowledge will survive boredom, it is best not to start with these lists. One should begin along the lines of his most real and intense personal interest or curiosity no matter what it may be. Then, later, one will read and like the books on the lists too. There are books of all kinds in the library. Why not make use of them?

—Gertrude Schuele.

## SOUTHERN SPICE

## Brown Eyes, Why So Blue?

The man gazed into the unfathomable depths of the limpid eyes of the fair young maid sitting close to him. Acute anxiety expressed in every line of her innocent face. Ever and anon a sigh seemed to rend her being with her intensity, and she looked into his face as if she would read his very soul. For many minutes they remained thus. Neither spoke but each gazed intently into the other's eyes.

"Yes," said the oculist at last, "one eye is seriously affected, and, if not treated immediately, may develop a decided squint."

## Tender Feet

Unsolicited letter to the Edwardsburg Corn Syrup Company:—  
Dear Sirs: Though I have taken 6 cans of your syrup, my feet are no better than when I started.

## There Are Lots of Johns

"John," asked the teacher, "what is a synonym?"  
"A synonym," replied John, "is the word you use when you can't spell the other one."

Little Boy: "Mary, give me one of your curls."  
Little Girl: "Oh, John, you want my curls so when you get big you can look at my curl and think of me!"

Little Boy: "Naw, I want it for a tall for my rocky horse."

Bob: "I asked her if I could see her home."  
Henry: "Yeh."  
Bob: "Well, she said that she would send me a picture of it."

Miss Miller: "What state in the south is called the Michigan of the south?"  
Walter Bonar: "Georgia."

Miss Miller: "Why?"  
Walter Bonar: "Because it has richer peaches."

## Serenade

I called on my sweetie last evening  
(I thought her old man wasn't in);  
I sang a few songs, while I tickled  
The ribs of her old mandolin.

And while I was strumming sweet nothings  
(And making a heluva din),  
Her pa came, my heartstrings are busted—  
And so is her old man—dolin.

## A Perfect Hit

Pat watched the professor staring up through the long, shiny black telescope at the sky.  
Presently a star fell.  
"Begorra," said Pat, "abure, and the man's a grand shot."

## Far, Far, Away

"A New York boy told the school nurse that his sister had measles. The nurse sent him home and told him to stay there until his sister had recovered.  
After he had skipped joyfully away, another boy held up his hand and said:  
"Please, nurse, Nick's sister what's got the measles lives in New Haven."

Jim: "Do you take exercise after your bath in the morning?"  
Ed: "Yes, I generally step on the soap as I get out."

## Higher Mathematics

Very New Office Boy (who had just handed long column of figures to employer): "I've added those figures up ten times, sir."  
Employer: "Good boy."  
Very New Office Boy (handing up another slip of paper): "And here's the ten different answers, sir."

## Heard in History

Helen: "The king of Holland married the king of Austria."  
Boy taking Caesar: "Miss Work, I can't make head nor tail out of this line."  
"Well," replied Miss Work, "you ought to. It's all about horses."

## To the Editor

"Some of your jokes we have seen before and some we have not seen yet."

Hi: "I sent a dollar to a firm for a cure for my horse that slobbers."  
Si: "What did you get?"  
Hi: "A slip of paper on which was written: 'Teach him to spit.'"

M. B.: "You raised your hat to that girl who passed. You don't know her, do you?"  
H. W.: "No, but my brother does, and this is his hat."

"Lookie, Bill, I weigh three pounds more than you do."  
"You're cheatin'! You got your hands in your pockets."

Wardo: "What are your views on kissing?"  
George S.: "I have none. Her hair always gets in my eyes."

The woodpecker wept in deep dismay,  
As the shades of evening stole,  
For he had been pecking all the day  
At a concrete trolley pole.

Mr. Gould: "Now this plant belongs to the begonia family."  
W. P. V. N.: "Oh yes. And you are keeping it for them while they are away."

Tom W.: "How much are those plums?"  
Grocer: "Ten cents a peck."  
Tom W.: "What do you think I am, a bird?"

## Short Story

Hayseed on track; man shouts  
"Flier!"  
Hayseed keeps walking; calls man  
"Liari!"

Slow, sweet music by the village  
Choir!  
Schmalzried: "Give for one year the number of tons of coal shipped out of the U. S."  
Shrimp Somers: "1492. None."

Little Boy: "Johnny, do you believe in the devil?"  
Second Little Boy: "Naw, it's just like Santa Claus; it's your father."

Lizzie Schmidt: "Have you ever heard Walter Schmidt play the piano? He sure is swell."  
Gable: "That's nothing. He has to use two hands; I play with one finger."

Bob: "What are you doing?"  
Jim: "Writing a joke."  
Bob: "Well, send Bill my best regards."

## Why She Was Coming Down

"You say your sister will be down in a minute, Willie? That's good news. I thought perhaps she wanted to be excused, as she did the other day."

"Not this time. I played a trick on her."  
"What did you do?"  
"I said you were another fellow."

## No Place for a Lady

A placid well-dressed lady had alighted from a passenger train and as she passed a freight brakeman who was at work switching a freight, he yelled to his buddy:

"Jump on her when she comes by, Bill; run her down to the elevator; cut her in two, and bring the head up by the depot."

The lady gathered up her skirts, and sprinted for the station, yelling murder at every jump.

## Do You Know

—That it costs \$6,167 to rear a girl and \$6,077 to bring a boy to the age of 18, according to statistics just made public by the Metropolitan Life Insurance Company?  
—That the all-Chicago Kiwanis club proposes to offer a medal for all high school girls whose skirts hang not more than twelve inches from the floor?  
—That fifty-five out of seventy-five students passing a certain place at Indiana University carried their books under their left arm?  
—That when they were asked why, most of them said, "So I can do things with my right hand."  
—That a single woman, aged 53, is the entire editorial staff of the Daily Citizen, at Eufaula, Alabama?  
—That John Rockefeller Prentice, John D.'s grandson, who is earning his way through Yale, is in the second rank of the student honor list?

## In the Stone Age

April 29—Tony's place across the street had its beginning.

April 30—it was announced that work on the tennis courts at the north end of the stadium would not be begun until the wall around the stadium was completed. Are they done yet?

Tickets for the Junior Prom were put on sale.

May 2—Mr. Harris announced that beginning journalism students would receive credit for their work.

May 4—Vivian Powell was announced as South Side's first valedictorian and Beatrice Roush was made salutatorian with 27 and 26 A's respectively.

May 4—It was announced that the first Totem would be out by June 1 if the engravers furnished the cuts on time.

May 5—Mr. Harrison stated that German would be readopted at South Side at the beginning of the next year.

Walking Stick Papers" chat humorously about excursions made by a "visiting mind." Mr. Holliday, the author, a native of Indiana, is a keen observer and is called the O. Henry of the essay.

You are sure to find a story to your liking in Alexander Jessup's collection of American Short Stories. "The Woman at Seven Brothers" by Wilbur Daniel Steele; "Twin-Love" by Bayard Taylor; and "The Transferred Ghost" by Frank Richard Stockton suggests the type he has included with other stories you know by Mark Twain, Booth Tarkington and Irving.

If you read the whole collection you will have an understanding of the development of the American short story. Read at least one for a pleasant pastime.

## I'm A Nut

You may call me a nut, but I'm a regular fellow. Step right up and call me "Speedy." People can tell that I'm clever just by looking at me.  
You probably saw me the other day walking down the hall. Right outside of room 10 I noticed that I had a whole lot of old paper in one of my books. Others might have been dumb enough to carry it to a waste-paper basket; but I was not so dumb. I tore it up right then and there and scattered the little bits all over the floor.  
None of the teachers saw me; I beat it around the corner too fast. I bet though that they thought I was plenty when they saw the paper.  
Well, I'm not so dumb.

## I'm Not A Nut

I don't insist on telling you the entire plot of something I've read and know you're going to read.  
The people who do things like that make me sick. They always go into the plots of movies and everything in detail, because they think I want to know just how they all come out. They're always especially careful to explain how mystery plays and detective stories develop. They ruin all of my pleasure just because they like to display a little wisdom.  
I'd like to tell about the last chapters, too, but then I won't do it because I'm not a nut.

## PROVED!

To the Editor:

PROPOSITION I:  
Theorem: If attention is not given to the speaker in Room S, they will refuse to speak at the South Side high school.

Have Given: Room S filled to capacity with students whispering during a lecture.

To Prove: That we will be unable to bring capable speakers to South Side.

Proof: When the U. S. Marine Band came to South Side, one-half of the audience walked out while they were playing "The Star Spangled Banner"; the band declared that they would never return. When Mr. Wheeler spoke to us the other day in the study hall, he had to tell some of the students to stop talking while he was giving us something worth listening to.

If this attitude toward our speakers continues, they will neither return nor will we be able to bring others.

T. E. D.

## DON'T STRIKE OUT IN THE GAME OF LIFE

Remember what happened to "Casey At The Bat?" He thought he was all set and rarin' to go. The very least the frenzied fans expected of him was a home run. The outfielders were climbing the fence ready to relay the ball from the next county.

## THEN CASEY STRUCK OUT.

In the game of life you can always make a hit because a savings policy in the Lincoln National Life has no Caseys. It never fails to deliver in a pinch. A few cents saved each week is all the batting practice you need, but my, what a wallop you have in reserve when the winning runs are on the bases.

## SOUTH SIDE NINE PLAY TWO GAMES THIS WEEK END

Kelley Klads Oppose Strong  
Garrett Nine in Stadium  
Friday Afternoon

## BLUFFTON HERE SATURDAY

Both Ball Clubs to Appear Here  
This Week-End Will Present  
Strong Lineups

This week-end brings the Kelly Klads diamonders the strongest opposition faced this year. As for Garrett they have no doubt one of the best pitchers of any team in this section of the state. In the Central game he fanned out fifteen men and held the Tigers to four well scattered hits. As errors lost the game for Garrett, they will oppose South Side with the sole object to play an errorless brand of ball.

Bluffton comes to oppose the Fightin' Green Saturday. The Bluffton Tigers, so far this season, have kept their slate clean. They have not yet lost a game and come to South Side to add one more game to their victory column. Not much is known of the individual ability of the Tigers.

Coach Gilbert has been working the diamond men through some stiff practices in order to have his men in first-class condition for this week's encounters. Batting practice has been taking up a great deal of time, as the players must be able to sight the ball with great efficiency in order to keep their batting averages over the .400 mark. Plaskett has been continuing his good work on the mound and with the support of Wamby, Henning and Fricke, who can also serve on the mound, the Kellys are rapidly developing a pitching staff.

Staight also promises to be in the line-up this week and with the addition of his services the team will be greatly strengthened.

The Kelly diamonders hope to continue their winning by taking this week's games and advancing their standing a few notches nearer the state supremacy in baseball.

## Strikes & Spikes

And if the chilly weather keeps up the spring "athletes" will be forced to get portable oil stoves to warm their feet.

Don't tell us Distel can't slug 'em! One home run and two three-baggers, eenuf said!

Some bright student asked Nulf if he had his pillow with him when he was caught off second base.

"Brainy" VanNess wishes to announce to the Wild and Woolly World that he has all promises made and being the official rain maker at all track meets.

The pepul will get their money's worth this week-end when they see a baseball game and track meet for one price. Only two bits! Step right up and stop your crowding!

Aha! We have a Walter Johnson in our midst. Chet Plaskett fanned ten men against Rockcreek.

It seems sorta funny, by cracky, but Pug Fleming had the same number and the same lane in the state track meet as he had at the Tech relays—and both times he lost!!!

Anyways some of the fellows have learned how to swallow cinders down there.

Speaking of lanes, we know of a girl who calls them roadbeds because of the cinder track.

Ye Weakly Bedtime Story: Little Merville Somers, the South Side child genius, challenges anyone to a duel of draughtsmen (checkers) anytime, any anywhere.

The track team competed with some old rivals Saturday, among the most notable was Babcock of Tech, who spoiled the football game last fall for the Green.

Hey team! Why not make this your motto: "Every. meet OUR meat?"

## GREEN THINLY CLADS MEET COLUMBIA CITY

South Side Cinder Pounders in Fine  
Condition for Fray; Cummins and  
Deutch Are Stars

The South Side cinder pounders engage the Columbia City thinly clads in the stadium Saturday afternoon at three o'clock.

Columbia City brings a team which is especially strong in field events. Deutch, star pole-vaulter for the Red and White, holds the sectional record for this event. Seth Cummins who won the broad-jump, and tied for first in the high-jump, is expected to make trouble for the "Wearers of the Green" in those two events. Cummins also won second in the 440-yard dash, and third in the pole vault.

Plummer, Columbia City distance man, won both the mile and half-mile events against Central in creditable time. Hancock promises to give keen competition in the two-hurdle races.

The Kelly trackmen are in excellent shape, and are determined to bring to an end Columbia City's winning streak.

## TEAMS, GUESTS ENJOY DELIGHTFUL BANQUETS

Forty-three Present; Elvah Gene Miller is Toastmistress on Program of Basketball Game

The G. A. A. basketball banquet which honored the juniors, class champs of last season, was a decided success. Forty-three players and other members of the Girls' Athletic association were present at this affair which was given in the cafeteria at six o'clock, April 23.

Miss Pittenger, Miss Huffman and Georgia Fell, the musician for the evening were guests. Elvah Gene Miller was toastmistress, and toasts were given by the various captains and members of the faculty. The program was arranged like a basketball game, and the decorations were green and white.

The complete program is as follows:

1. Free throws—Elvah Gene Miller.
2. Tip-off—Miss Pittenger.
3. Tie-ball (music)—Miss Georgia Fell.
4. Juggle—Doris Bauer, captain 1926.
5. Double Dribble—Mary Jane MacMillan and Leola Foster, Fresh and Soph captains.
6. Steps—Betty Augspurger and Violet Fell, Junior and Senior captains.
7. Unguarded throw—Miss Huffman.
8. Time out—Mildred Berlien.
9. Field goal—Winifred Englehart, captain-elect 1926-27.
10. Game—Miss Alice Patterson, Nellie Merica, Ruth Carpenter, Doris Davenport, and Cleo Shaffer served the "eats".

## Football Candidates Begin Spring Practice

About fifty football candidates have been working out daily in the spring practice under the tutelage of Rubenstein and Murray, members of last year's football team. Spring football practice consists of falling on the ball, passing and kicking; light scrimmages, and signal practice. The material is not very big, but shows a promise of making a good football team in future years. The candidates out now will probably work until school closes in June. Coach Lundy Welborn would like to have about fifty more men out for spring football. Those who come out now gain the experience necessary to help them win a position on the team in the fall. This does not necessarily mean that those who do not come out for spring practice do not have a chance. However, they will have more of a chance if they go out this spring.

## KELLYS HUMBLE ROCKCREEK TEAM FOR SECOND WIN

Green Diamonders Plays  
Errorless Ball to Shut  
Out Visitors with  
14 to 0 Score

## HOMERS FEATURE GAME

Plaskett's Faultless Pitching Is  
Spectacular Event; Fans Ten  
Men in Six Rounds

The Fightin' Green diamonders had a great day against the Rockcreek tossers, who fell prey by a 14 to 0 count under the heavy batting of the Green on the local stadium last Saturday.

The Kelly Klads played an airtight brand of ball and held the visitors to two lone hits during the entire contest.

Chet Plaskett was in great form on the mound and held the visitors at bay throughout the first six innings, after which he was relieved by Henning, who in turn was relieved by Fricke. Rockcreek was unable to touch Plaskett during his time on the mound and was never in trouble. He fanned ten men in six innings.

Distel and Schroeder each clouted a home apiece. Schroeder knocked a liner over the left field fence in the third inning, scoring Plaskett who was on third.

In the ninth Distel clouted another homer for the Green, scoring one man ahead of him. It seemed to be a great day for Distel at the bat, out of four trips to the plate, he collected two triples and a home run.

Plaskett was removed in the sixth inning in order to give the rest of the pitching staff a chance on the mound. Wamby, Fricke and Henning saw duty on the mound and all proved adept at holding the visitors in check.

The Fightin' Green displayed a rare form of ball for the second game of the season.

Floyd pitched for Rockcreek and struck out eight men. The Kelly Klads garnered fifteen hits during the course of the game off Floyd and Braden. Wamby and Wellman, the Green's most prospective newcomers, held down their respective berths in great form.

## S P O R T G U S H

In the grand jumble of runs, hits, and outs in the girls' baseball tourney the juniors seemed to be on top.

Keep up the fine work, juniors. Only four more games to go.

At the same time the other teams must be jealous 'cuz they won in basketball, too.

They're out for revenge. So look out, ye champs!

Latest sign of spring: Few people hang out in the gym after school.

We 'spect they all run home to write poetry or make the garden.

Didja know that the girls could "track"?

Well, they've been practicing in gym class (and on the way to the "cave") and in a little while mebbe they'll have a grand track meet.

We heard that most of the girls took their gum drop dollies home from the banquet so they could sew for them.

Don't forget the swim-meet May 1.

Make up for lost time; see the rest of the baseball tourney every Monday and Friday after school.

Iowa Coach Gives Address  
Students of Nashua (Iowa) high school were addressed by Gordon Locke, a coach of the University of Iowa, on "The Value of Athletics."

To Get New Stadium  
About \$6,255 has been pledged to help build a stadium for North Central high school, Spokane, Wash. The school is getting the money by pledges from the different clubs and organizations.

## KOKOMO RUNNERS COP RELAY MEET AT INDIANAPOLIS

Score Twenty-three Points  
at Invitational Tech Car-  
nival Held Saturday,  
April 24

## MANUAL TAKES SECOND

South Side Wins Third Place in  
Double and Distance  
Medley Relays

A group of red-jerseyed lads from Kokomo, minus the services of their stellar star, managed to accumulate enough points to defeat twelve other schools and win Tech's first invitational relay meet held Saturday, April 24, with 23 points.

The Kokomo Wildcats scored in five of the six relay events and in two of the four one-man events to get their total of 23 points. Their nearest rival was Manual of Indianapolis who gained second place honors by scoring in six events, but who lost all chance of winning the meet by dropping the baton in the mile relay event.

South Side was able to get third place in both the double and distance medley relay due to the good work of Gouty. On both occasions he brought his team standing higher by running a very good mile.

This was the first invitational relay meet of any consequence that South Side has participated in during her two years on the track, and the athletes did far better than expected as they were among the keenest of competition. South Side's relay teams were inaugurated this season, and with the amount of experience obtained they performed creditably.

In the double medley, Tucker, Lombard, Bell, and Gouty took third place. In the distance medley, Feustal, Wedler, Bell, and Gouty won third.

Bell ran his first half mile in 2:12. South Side was entered in every event, and took several fourth places. The following men made the trip: Captain Fleming, Baker, Gouty, Lombard, Lighthill, Bell, Feustal, Lake, Wedler, Branning, Shine, Tucker, C. Fleming, and Wellman.

The scoring by teams was as follows:

Kokomo, 23; Manual, 22; Technical, 18; Westfield, 7; Shortridge and Martinsville, 5 each; Muncie, 4; Bedford, 3; South Side of Fort Wayne, 2; and Shelbyville 1. Connorsville and Greenfield failed to score. Vincennes and Michigan City did not arrive in time for the meet.

A cold rain and a terrific wind swept the field at times and this kept the times from being better, but all the times will stand as records since this is the first invitational meet held by Technical of Indianapolis.

Summary of events:  
Quarter-mile Relay (110, 110, 110, 110 yards)—Manual (Burnette, Heiney, Brennaman, Rubush), first; Tech (Drane, Johnson, Kutchback, Wuel-fing), second; Westfield (Hutchens, Godby, Allen, Pickott), third. Time :47.

Half-mile Relay (220 yards, each man)—Manual (Rubush, Brennaman, Wampner, Burnette), first; Tech (Drane, Johnson, Kutchback, Wuel-fing), second; Kokomo (Dean, E. Kniseley, Odom, Jewell), third. Time 1:38.2.

Mile Relay (440, 440, 440, 440 yds.—Martinsville (Richardson, Whitlow, Whitaker, Lockhart), first; Tech (Gardner, Gayman, Thompson, Johnson), second; Kokomo (Bola, Stoney, Puckett, R. Kniseley), third. Time, 8:52.

Double Medley Relay (220, 440, 880 yards; mile)—Kokomo (Hall, Ray, Abbott, Paudice), first; Muncie (Fisher, Fowler, Morris, Ryman), second; South Side (Bell, Gouty, Lombard, Tucker), third. Time, 8:37.5.

Distance Medley Relay (440, 880, 440 yards; mile)—Kokomo (Hall, Abbott, Ray, Paudice), first; Tech (Gayman, Morris, Johnson, Pogue), second; South Side (Bell, Feustal, Gouty, Wedler), third. Time, 8:59.8.

Sprint Medley Relay (110, 220, 110, 440 yards)—Tech (Drane, Johnson, Morris, Kutchback), first; Manual (Rubush, Wampner, Burnette, Heiney), second; Kokomo (Odom, Bola, Jewell, Dean), third. Time, 1:46.8.

Broad Jump—Martin (Shortridge), first; Rubush (Manual), second; Godby (Westfield), third. Distance, 19 feet 11 inches.

Shot Put—Dorek (Kokomo), first; Cummings (Bedford), second; Babcock (Tech); third. Distance, 43 feet 5 inches.

120-yard High Hurdles—Hutchens (Westfield), first; Wampner (Manual), second; Jones (Muncie), third. Time, :17.1.

220-yard Low Hurdles—E. Kniseley (Kokomo), first; Wampner (Manual), second; Flaitz (Shelbyville), third. Time, :26.5.

## JUNIOR NINE WINS FIRST TWO GAMES IN GIRLS' TOURNEY

Have Highest Percent  
Standing; Will Probably  
Win Third Game  
Against Seniors

## FRESHMEN NINE DEFEATED

Frosh Batters Play Interesting  
Game Against Juniors; Sophs  
Drub Seniors in 3 Innings

The junior girls' class team is again leading the other classes in the round-robin baseball tourney which is being played off on Monday and Friday nights after school. This team headed by Nellie Merica, captain has won the two games played and has a good chance of winning the third game against the seniors, which would give them the championship in the first round.

The percent standing of the class teams so far is:

	Won	Lost	Pct.
Juniors	2	0	1.000
Sophomores	1	1	.500
Seniors	1	1	.500
Freshmen	0	2	.000

In the second game of the tourney the juniors won their first victory over the sophs by a 15-4 score. Seven innings were played during which the juniors were able to run up the high score. These teams will meet again May 7 and the sophomore nine is out for revenge.

Lineups for this game are:  
Juniors: G. Brouwer, p. W. Krommiller, N. Merica, c. A. Word, W. Englehart, 1b. S. Siples, G. Bradley, 2b. R. Wilson, E. Shaner, 3b. G. Hart, B. Augspurger, ss. R. Azar, J. Wilkenson, cf. D. Miller, J. Rank, B. Jenkins, L. Foster.

The closest and most exciting game in the first round of the tourney was played Friday, April 23, by the junior and freshman nines. The score at the end of the six innings was 8-4 in favor of the juniors. Gertrude Brouwer made the most runs for the winners while Marguerite Meyer, captain of the frosh, made two.

## PLANS FOR PROM ARE BEING MADE BY JUNIOR CLASS

Banquet Will Again Be an  
Added Feature of the  
Annual Class  
Affair

DATE SET FOR MAY 15

Committee Chairmen Are An-  
nounced; All Upperclassmen  
and Friends Are Invited

That the Junior Banquet-Prom will be held Saturday, May 15, was the announcement made recently by Dale Shimer, president of the junior class. The date was originally set for May 14, but was changed to May 15 to give the committees more time to decorate.

The combined banquet and prom will be held in the cafeteria and gymnasium respectively. The junior class colors, purple and gold, will be used for decorating.

Jack Lighthill, chairman of the orchestra committee, has obtained Spiegel's Melody Men to furnish the music for the affair.

The idea to be carried out throughout the banquet will be that of a ballroom cabaret. The banquet will start at 6:30 and will continue until 8:15. The prom will be from 8:30 to 11:30 p. m.

The committee chairmen, as announced by Dale Shimer, are:

Winfield Kahe, programs and tickets for dances; Jack Lighthill, advertising and orchestra; Mary Hale, banquet; Amelia Dildine, banquet, stunts, and table decorations; Carl Murray and Dale Shimer, prom decorations.

This is the second year that South Side juniors have celebrated the annual affair by having a combined banquet and prom instead of the customary dance.

The juniors, seniors, and their friends are invited. The banquet tickets are 50 cents a plate and the prom tickets \$1.00 a couple.

The chaperones will be announced later.

## METERITES TO READ POEMS AND NOVELS

Literature Written by Members to  
Feature Meeting; Girls Hold  
Party in Greenly Room

"At the Blue Lantern Inn," a novel written by Betty Ward, will be read at the next meeting of the Meterites, which will be held Friday, May 7, at 3 o'clock in the Greely Room.

Another novel, "Robert Miller, Freshman," by DeMerle Lenier, and two poems written by Arnold White, "If I Were the Boss of this School" and "Spring," will also be read.

An evening of fun was enjoyed at the Meterites' party, which was given Friday, April 30, in the Greely Room. About twenty attended the affair.

The entertainment committee was composed of Dorothea Tommas and Marjorie Buchanan. Enid Stillwell and Beulah Patterson had charge of the refreshments.

Contests, games and dancing were enjoyed during the evening.

## SOUTH SIDE FESTIVAL IS FINANCIAL SUCCESS

Approximately \$80 Cleared by Parent-Teachers' Association; Basketball Game Feature of Evening

"South Side night," which was under the auspices of the Parent-Teachers' association, provided a big attraction for the South Siders. A large crowd attended this May festival Saturday night.

The biggest event was a basketball game between the varsity and the team for next year. The game was won by the varsity.

While some of the people danced in the gymnasium with Jim Wilson's orchestra furnishing the music, others played cards in the cafeteria.

The South Side band played a few selections, and several novelty dances and musical numbers were given by Ralph Wolf.

Approximately \$80 was cleared according to a statement made recently by Mrs. Bastetter, president of the organization. The proceeds will be used to finish paying for the furniture and the decorations of the Greely Room.

## South Siders Honored At Indiana University

Vivian Crates, '24, was appointed one of the five members of the Board of Editors on the staff of the Arbutus, the year book of Indiana University, and Helen Toay Underwood, '24, assistant business manager. As there are only nine positions to be filled, it is unusual that two are filled by South Siders.

While at South Side, Vivian was editor-in-chief of the Times the year it won first place in the United States; and in her junior year, publication editor. Helen occupied the position of circulation manager of the Times, and of editor-in-chief of "Milestones," the year book of Ward-Belmont, while attending school there.

Has Large Art Collection

The Lewis and Clark high school of Seattle, Wash., has one of the most extensive and beautiful art collections of all the western high schools.

## Canadian Magazine Asks For Copies of The Times

That the Times is internationally known is shown by a letter received recently by Mr. Harris. The letter, came to South Side all the way from a teachers' magazine, "The Manitoba Teacher," Winnipeg, Manitoba, Canada.

The letter praises the high standard which South Side has attained in the publication of its student newspaper, and requests that several recent issues of the Times be sent to them.

## ANNUAL BANQUET OF GIRL RESERVES TO BE TOMORROW

Mothers Will Be Guests of  
Daughters; All Members  
to Be Included in  
Program

TABLEAU TO BE PRESENTED

Boys' Quartet of Harrison Hill  
to Sing; Tickets Being Sold  
by Club Heads

All Girl Reserves of the city and their mothers will banquet tomorrow night in the Y. W. C. A. gymnasium at 6:30 o'clock. This will be the annual Mother-Daughter banquet, and is being held Friday because Sunday is Mothers' Day, and because this week, May 2 to May 9, is Girl Reserve Mother-Daughter Week.

Each Girl Reserve club will have a part in the program. Mrs. W. O. McBride will be toastmistress. Mrs. Charles E. Kendrick will give a toast for the daughters, and Cornelia Bader, of So-Si-Y, and Margaret Roberts, of Friendship, will toast the mothers. Miss Ida Jones will also speak.

The Boys' Quartet of Harrison Hill school will sing, and Doris Slater will give a solo dance. Pauline Smith will furnish music during the banquet. A tableau, "Mothers and Daughters in Our Nation's History," will be presented. Those who will take part in this are Thelma Gasser, Margery Burges, Rachel Dale, Mervyn Welch, Ruth Schneider, Mary Shields, and Mrs. James Shields.

Tickets for the banquet may be obtained from Miss Kiefer and Miss Rinehart. Fifty cents will be charged for mothers, and thirty-five cents for daughters.

A unique theme is being worked out for the program, and a delightful evening is promised.

## SOUTH SIDE LEADING IN EDITORIAL CONTEST

One First and Three Second Places  
Won by Times; G. Schuelke and R.  
Eickmeyer Write Honor Articles

Having won four places in the Editorial Contest for Indiana high schools, South Side now leads in editorial writing in the state, according to reports in the Indiana High School Press Review for April, 1926. One first place and three second places are credited to South Side.

The first place was won by Ruth Eickmeyer February 1. Her editorial was, "Education and a Rainy Day." The second places South Side received were awarded February 8, March 8 and March 15. Gertrude Schuelke, present editor of the Times, wrote the editorials for February 8 and March 15. That for March 8 was written by Ruth Eickmeyer, formerly editor of the Times.

Ruth submitted only two editorials and both received awards in the contest.

Only two other schools received more than one award in the contest. The Rochester high school was awarded three second places and Technical high school of Indianapolis, who won both a first and a second place.

Prominent editors throughout the state were judges of the editorials submitted. Mr. R. E. Blackwell, deputy state superintendent of public instruction, was in charge of the contest.

The contest, which was entered by approximately sixty high school newspapers, was sponsored by the Indiana High School Press Association and by the State Department of Public Instruction. The contest, which began January 25, ended April 5.

## U.S.A. GIRLS DISCUSS HONESTY AT MEETING

Bernice Stein, Harriet Wyneken, Mildred Kessler Entertain with  
Piano Selections

"Honesty in the Schoolroom" was the title of the discussion led by Miss Kiefer at the last U. S. A. meeting held April 29 in Room 96.

Kathryn Pepper, chairman of the social committee, read the devotion.

Bernice Stein and Harriet Wyneken gave a piano duet entitled "Cazaras." Mildred Kessler played a piano solo entitled "The Pilgrim Chorus," from Tannhauser by Wagner.

Miss Symons led the candle light service, and told the girls the story of "The Blue Patch."

The next meeting will be held on Thursday, May 13.

Organize Harmonica Trio

A harmonica trio has recently been organized at the Eldora (Texas) high school. The members have recently given a recital at a meeting of the Lions club.

## A Square Deal For All

"With the open mindedness which has characterized our past and which will be ours in the future, the I. H. S. A. A. will carry on to a bigger and better service than ever before."—In speech by Roy B. Julian, Retiring President I. H. S. A. A., P. 11 I. H. S. A. A. Handbook, 1925.

Such is the professed attitude of the Indiana High School Athletic Association, its Executive Board, and its Permanent Secretary, Arthur L. Trester.

Two of the recent decisions of the Executive Board of Control, one in regard to R. C. Harris and the other affecting South Side High School, are of such character as to cause persons familiar with the case to wonder if this alleged doctrine of "open mindedness" is really a principle that serves to guide the action of the Board and its Secretary.

Two steps led to the suspension of South Side High School for one year from the State High School Athletic Association. The first was the refusal of the Board to approve the charge of Mr. Harris for his personal services during the sectional and regional tournaments. The second was the punishment inflicted for the non-fulfillment of the order of the Board that this money be distributed among the schools entered in the two tournaments. A review of the facts in each case will show that the Board was not "open minded" in either case.

### The First Decision

In former years Mr. Greely managed the tournaments. He charged for such services. His charge was listed under the item "Help" in the itemized report of the tournaments sent to the Executive Board. His charges were always approved. Following Mr. Greely's death this year, Mr. Harris assumed the responsibility. The burden and worry of the net meets lay on his brain for months. Active arrangements occupied his time for several weeks before the tournaments. The whole school knows how intensive were his labors immediately preceding and during the tournaments. Time was needed after the tournaments to settle affairs. Mr. Greely was paid for this work; why not Mr. Harris? So Mr. Harris naturally put in his charge, the only difference being that instead of listing it under "Help" he very frankly called it "Personal Service." The Executive Board refused him his just payment. Was this being "open minded"?

To get at this same thing from another angle. All other teachers employed at the tournaments were paid and their payments were approved by the Board. The ticket sellers at the sectional got \$10.00; the door keepers got \$10.00; the information clerk got \$10.00. But the one who did most of all was to get nothing. Why? Did the Board argue that the principal was to get nothing because of his exalted position? That he was to be more patriotic in regard to the school than his teachers? By the same line of reasoning, why not pay the stenographers in Washington and refuse the President a salary; why not pay the road maintenance men and deny the Governor recompense; why not pay the street sweepers in Fort Wayne and say the Mayor is adequately paid by being Mayor?

Could the Board have refused because the tournament expenses were too high as a result of Mr. Harris' charge? Judge for yourself. In 1924 the sectional expenses for help were \$170.00. The Board approved. In 1925 the expenses were \$130.00. The Board approved. In 1926 the expenses, including Mr. Harris' item, were \$135.00. The Board did NOT approve. Why?

Could the Board have denied approval because it needed the money? The association now has about \$60,000 in its swollen coffers and its income of about \$12,500.00 a year shows that it can adequately meet Mr. Trester's salary of \$6,000 a year and yet leave plenty for expenses incurred by the Board.

Then why? The only apparent reason that can be seen is that the Board did not want the precedent established whereby the fellow who does the real work in regard to the tournaments shall be paid. If Mr. Harris should be paid this year, then the other center managers would expect such payment next year, payment that most certainly is deserved—or else none of the payments is deserved, including that of the flock of referees. And so to prevent a trickle of money to be diverted from the flood of thousands of dollars that is poured annually into the state association, Mr. Harris was made the goat.

And so the Board in its "open mindedness" disallowed the payment to our principal.

### The Second Decision

Let us consider the second decision. For argument's sake, let us suppose that before, during, and after the meets Mr. Harris spent his time playing tiddle-dee-winks and did not deserve his claim. Even so, should the Board have suspended South Side HIGH SCHOOL and its 1250 students to punish Mr. Harris? What has the school done that is wrong? Have the athletes violated the regulations? Have we shown unsportsmanship to our opponents? Have we miscondacted ourselves in any way? ABSOLUTELY WE HAVE NOT!

Has the Board any right to punish us ATHLETICALLY because one member of the faculty could not come to agreement with the Board FINANCIALLY? Is not the real purpose of the State High School Athletic Association to govern athletic relationships between member schools?

This question is not merely a local issue; it is a state matter. The Indianapolis News, a paper with state-wide interests, realized the significance of the unjust punishment and gave an able discussion of the matter in its editorial columns. In part the editorial said:

### ATHLETIC PUNISHMENT

The suspension of the South Side High School at Fort Wayne from the Indiana High School Athletic Association for one year raises a pertinent question. The ruling was made to punish R. C. Harris, principal of the school. ITS EFFECT IS TO DEPRIVE THE SCHOOL OF THE RIGHT TO TAKE PART IN ATHLETIC CONTESTS WITH OTHER SCHOOLS. THE STATE ASSOCIATION STRUCK AT THE PRINCIPAL AND HIT THE BOYS. The school's baseball schedule has been canceled, plans for the football team next fall have been abandoned and, presumably, there will be no basketball next winter.

A high school can exist without any form of athletic activity, but among the reasons advanced for it are that such exercise is good for those who take it, that it develops resoluteness, self-control, confidence, discipline and other mental qualities in addition to the physical benefit that comes from games. If these beliefs are true, to prohibit boys from having any such games is unusual. They can play among themselves, of course, but the spirit that has been fostered by competition with other schools is missing.

IF THE BOARD OF CONTROL HAS ANY QUARREL WITH THE PRINCIPAL IT OUGHT TO BE SETTLED WITH HIM AS AN INDIVIDUAL. THERE HAS BEEN NO SHOWING THAT THE BOYS OF THE SCHOOL DID ANYTHING WRONG.

The Journal-Gazette of Fort Wayne discriminated between the vital issue at stake and certain "static" that is in the air. It said:

### A RANK INJUSTICE

If the decree suspending Fort Wayne's South Side High School from the Indiana High School Athletic Association be permitted to stand, it means that for a year the Fort Wayne school will be prevented from all participation in competitive athletics with any school in the association. That is to say that South Side will be barred from football next fall, from basketball next winter and we may suppose from inter-school baseball this spring.

The Indiana High School Athletic Association's executives have carried things with something of a high hand now and again and Fort Wayne's schools have been pretty hard hit more than once. This suspension of South Side for the period of a year is an outrage and should not be permitted to stand. Fort Wayne's civic bodies should interest themselves in an effort to have this injustice undone. THE ISSUE IS NOT ONE WHICH THE LEAST CONCERNS ATHLETICS OR ATHLETIC CONDUCT. IT IS NOT CHARGED THAT THE FORT WAYNE SCHOOL IN ANY WAY HAS VIOLATED THE LAWS WHICH GOVERN ATHLETICS IN THE INDIANA ASSOCIATION.

The purpose of the Indiana High School Athletic Association is to give inter-school athletic competition a regulated standing which will promote athletics and foster a high spirit of amateur sport in the public schools. The association is an excellent thing, but those who manage its affairs should understand that the arrangement is not primarily designed to permit some of them to do a good deal of strutting, to utter arbitrary decrees or even to draw large salaries.

Fort Wayne should fight for a square deal to the South Side High School. That institution has done nothing for which it should be suspended and it is, we repeat, an outrage that the school should be forbidden during a whole year to have any participation in inter-school athletic contests.

These two editorials sum up the fallacies in the second decision of the Board.

We think that two grave injustices have been done. One to Mr. Harris, and one, a colossal one, to the pupils of South Side High School, to the taxpayers in Fort Wayne, and to the sport lovers in our city.

Such injustices would not stand in civil life; must we endure them in our high school athletic life?

We want an "OPEN MINDED" rehearing of the issues at stake.

## Four South Side Boys Are In New Orchestra

Gerald Ammerman, Robert Scheumann, Junior Groth, and Earl Hambrick are now playing in the Hoosier Novelty Boy orchestra. Bryce Weldy, a graduate from South Side last year, directs the orchestra and plays the piano.

Junior Groth plays the trumpet in the orchestra and Earl Hambrick the banjo. Robert Scheumann plays the traps and Gerald Ammerman and Mr. Raeger play the saphophones.

## HONOR STUDENTS SURPASS OTHERS IN TOTEM DRIVE

Four-Year Honor Pupils Secure Seven Subscriptions; Fourth Row Is Second with Five

NEED 372 TO REACH GOAL

Seniors Obtain Only Thirty-five In First Week of Annual Campaign

That the honor students surpass the others not only in scholarship but also in the ability to get Totem subscriptions was shown by the first week's results in the drive now being staged by the seniors. The first row, in which the four-year honor student will be seated, heads the list with seven subscriptions, while the fourth row, in which part of the pupils making the senior honor roll will sit, ranks second with five.

The thirty-five subscriptions obtained by the seniors this week have placed the total number at 678, leaving 372 to be secured before May 14.

A chart showing the progress of the various rows has been placed above the bulletin board in the main hall. Each evening new subscriptions are indicated and the standing of all the teams is plainly evident.

The rows stood as follows Tuesday night:

Row	Captain	No.
1.	Pauline Baumgartner	7
2.	Cornelia A. Bade	6
3.	Florence Hansen	5
4.	Edith Kyler	5
5.	Richard Balmer	1
6.	Margery Burges	1
7.	Lucille Dutton	0
8.	Thelma Gasser	2
9.	Kenneth Hart	0
10.	Dorothy Johnson	1
11.	Willis Klein	2

(Continued on page 6)

## C.M.T.C. ENROLLMENT INCREASING RAPIDLY

Maximum Quota Placed at 6,000;  
Thirty Days of Fun and Sport  
Offered by Uncle Sam

Having passed the half-way mark last week, enrollment for the annual Citizens' Military Training camps in Ohio, Indiana, Kentucky and West Virginia is on the up-grade, according to Lt. Col. Francis W. Glover, C.M.T.C. officer of the Fifth Corps Area.

Since the first of April, applications for the training camps have made a higher daily average, Col. Glover said. Belief was expressed that if application averages continue to mount as they have the past week, the corps area will have no difficulty in reaching its maximum quota of 6,000 applications before June 1, the scheduled time for closing the campaign.

Only the best type of young manhood is accepted for the training camps. Applicants must pass a physical examination, provided by the government, they must be of average general intelligence, and their character must be certified by a reputable citizen of their community. Age limits are 17 to 24 in the basic course. Those who are able to meet these qualifications are given thirty days of fun and sport as the guest of Uncle Sam. Their railroad fare is paid to and from the camp, they are given uniforms to wear, and there is wholesome food aplenty. If, after his first taste of military life, the young man likes it and wants more, he may return to the C.M.T.C. each summer for four years and qualify for a commission of second lieutenant in the officers' reserve corps.

## MANY ATTEND BALL GIVEN BY ART CLUB

Cleverly Decorated Cafeteria Is the  
Scene of Festival; Dancing  
Features Affair

Frisky clowns, merry sailors, alluring gypsies, barbaric pirates, fierce Turks, fiery-eyed vamps, some members of the old people's home, and many other venerable personages wandered hither to the big costume ball which was presented in the cafeteria Friday evening, April 30, by the members of the Art club.

Dancing was the feature of the affair, and music was furnished by the Hoosier Novelty Boys, a six-piece orchestra composed of South Siders. The cafeteria was cleverly decorated in violet and green with an arbor of white trelis for the orchestra. Punch and wafers were served to all the guests.

Chaperones for the dance were Mr. and Mrs. Harris, Mr. Heine and Miss Bert, Miss Pape, Miss Pittenger and Mr. and Mrs. Hoham.

## COMMERCIALISTS TO ENTER EVENTS IN STATE EVENTS

Mr. Murch and the District  
Winners To Compete for  
Honors in Meet,  
May 7

TO TAKE TEST AT MUNCIE

Beeth, Schmidt, Goette, Gunter,  
Jennings, Conn, Baumgartner,  
Thomas, Meyer, Mummy to  
Represent South Side

South Side's winners in the district commercial meet, held here April 24, will travel to Muncie tomorrow, to compete for the Governor's Cup in the state meet. This will be the fifth annual State Commercial contest and will be held at the Ball Teachers' College. South Side will enter in four events, including the open typing contest. Other events are advanced shorthand, beginning shorthand, and amateur typewriting.

Those entering in the advanced shorthand team are Winifred Beeth, Elizabeth Schmidt, Helen Goette, and Winifred Gunter (alternate).

The beginning shorthand team consists of Ruth Jennings, Doris Conn, Pauline Baumgartner, and Maxine Thomas (alternate).

Those competing in the amateur typewriting competition are Martha Meyer, Gladys Mummy, Gertrude Grimes, and Winifred Gunter (alternate).

Winifred Beeth, Winifred Gunter, Gladys Mummy and Mr. Murch will compete in the winning the most points will receive the Governor's Cup, in honor of the governor of Indiana. The greatest number of points will be determined as follows: Team averages: first place, 9 points; second place, 6 points; third place, 3 points. Individual winners: First place, 3 points; second place, 2 points; third place, 1 point.

The South Side contestants will make the trip in automobiles and will be accompanied by Mr. Murch and Mr. Morris, teachers in the commercial department.

## WRANGLERS TO PICNIC AT INDIAN RESERVATION

Machines Secured to Convey Members;  
All Going Requested to  
Bring 10c to Mr. Makey

The Wranglers will be headed for the Indian reservation on the Bluff-ton road for a good old time today at 3 p. m. Machines have been secured to convey the members there. Each person is to pay a fee of twenty cents which will cover the expenses for all of the refreshments.

Games, which will be played, are in charge of Maynard Patterson. If the weather is not favorable for the picnic, permission has been obtained for the use of the cafeteria.

Those who do not belong to the Wranglers but wish to join are urged to do so as soon as possible. By bringing ten cents and their own lunch they will be allowed to join in with the fun.

## Senior Invitations On Sale in Office

Seniors should call at the office as soon as possible for their announcement cards. The price of the invitations are ten cents apiece. Mr. Harris stated that he has two thousand cards, and so far only one thousand cards have been sold.

## Spotlight Given Second Class Rating

Word was recently received by the Spotlight, the publication of the Central High School, that it had been awarded a second class rating in the C. I. P. A. contest for 1926.

## TIMES EDITORIAL PLATFORM

1. To further scholastic activities.
2. To promote extra-curricular activities.
3. To give well-written accounts of high school happenings.
4. To offer high standards of school spirit.
5. To aid school officials.
6. To let parents and public know what South Side is doing.
7. To keep in touch with other schools.

## Fine!

Congratulations, commercial students! Good luck to you at Muncie!

## Keep Up the Good Work!

Congratulations on your success in the commercial meets, winners!

## Don't Stop; Just Look

What did you see when you were coming to school this morning? Anything? Remember that observation is education and that you come to school to be educated.

## Totem Campaign

So far, not many Totem subscriptions have been turned in by the seniors. Get started now. If you do not get in your subscriptions, you will be forced to pay it in some way not so pleasant. There are over six hundred students in school who have not yet subscribed. Go out and get these subscriptions and you will be done.

## Spring, Sweet Spring

When blue skies are overhead and the hot sun is beating down on the world, many of us feel discontented, listless, and lazy. This whole "school business" seems dreadfully pokey and all we want to do is sleep.

"Rats! What's the use of it all, anyway?" we ask ourselves when we should be studying and then we either sleep or day dream.

At a time like this, it would be well to dream of a cat. You've seen one drink milk already, haven't you? It laps the milk up to the very last drop and then keeps on licking for a while.

It might be well for us to go to the last lap, too.

## Hello!

Did you ever meet the Success family? We got acquainted through one of our exchanges. According to it, the father of Success is Work, the mother of Success is Ambition; the oldest son is Common Sense; some of the other boys are Perseverance, Honesty, Thoroughness, Foresight, Enthusiasm, and Co-operation; the oldest daughter is Character; some of her sisters are Cheerfulness, Loyalty, Courtesy, Care, Economy, Sincerity, and Harmony; and the baby is Opportunity.

If you want to know the Success family, the idea is to get well acquainted with the old man first. Then you will get along better with the rest of the family.

## Do You Progress?

Pat, with a pipe in his mouth, was calmly reading a newspaper in a street car when the conductor noticed him. "Can't you see that sign 'No Smoking'?" bellowed the latter. Pat looked around at the conductor and at the sign, and then started to read again.

The conductor kept on raging, and finally Pat said, "I'm not smoking."

"Not smoking?" yelled the other. "Do you mean to say that you have a pipe in your mouth and aren't smoking?"

"Sure, and I've got shoes on my feet,—but I'm not walking."

Now picture Pat as a high school boy or girl and the conductor as the spring fever or some other kind of a germ. When the germ insists that studies be abandoned, the pupil might often reply, "Don't worry, Old Timer, I'm taking these books home, but I won't study. Let's have a good time tonight. What say?"

And then, when flunking time comes around, this same boy or girl says, "I simply can't understand why I flunked; I took by books home every night."

That's just it. Pat had shoes on his feet, but he wasn't walking and the pupil had books home nights but he wasn't studying. June is almost here; so it's not just time to start walking, it's time to start running in order to catch up on the last lap of the race. Ready—Go!

# SOUTHERN SPICE

M. Baals (in shorthand class): "How do you write powder?"

Mr. Norris: "What kind—bug, gum, face, or foot?"

Some girls are like brown sugar—sweet but unfined.

Miss Fisk: "Give me the principal parts of the verb 'pigo'."

Agnes Hanna: "Pigo, pigere, squelli, and gruntum."

Miss Fisk: "You're thinking of funko, flunkere, faculty, fixum."

## WHY, OH WHY!

Why do some folks pass for artists  
When the best thing they can draw  
Is a glass of ice cream soda  
Through a straw?

"Use your noodle!" my boss shouted  
And it made my spirits droop;  
Tell me, folks, where shall I use it?  
In the soup?

It is only in a crowded car that the standing of a well-bred man is never questioned.

Alvin: "I'm going to marry a girl who can take a joke."

Bud: "Don't worry! That's the only kind of a girl you'll get."

## SIMPLE

"If I give you two rabbits and two more, how many rabbits would you have?"

"Five."

"No, you wouldn't."

"Yes, I would. I've got one rabbit at home."

Even though your bank may have a surplus of over \$3,000,000, your check can still come back marked "No funds."

Many a brave man has lost his nerve in a dentist's chair. Miss Harvey knows.

## THE END

Flora and Dora were chums

For many, many years flat,

Then Flo bought the same old Dora did

And that was the end of that.

Some people are so dumb that they take a thought like "When love is young in the springtime," and translate it into "When adolescent heterosexuality is prevalent around the vernal equinox."

## EGOTISM

Sparrows think telephonic wires

Were strung for birds to sit on;

Man thinks it made for his desires,

This globe he has but lit on.

Mr. Makey: "What parts of speech is this word, Cornelia?"

Pickles (dreamily): "I haven't memorized my term speech yet."

Mr. Virts: "What ye goin' out in that boat for?"

Mr. Virts: "Oh, I just contemplated enjoying some piscatorial diversion."

"Well," said the farmer, "I guess mebbe that'll be all right. I thought you was goin' fishin', an' that ain't lowed."

## FEATURING MARY

When Mary was young,

And played with her toys,

She often made faces

At some of the boys.

But since she has grown

To flapperish size,

She's still very active,

But now she makes eyes.

## ILL-BRED?

The professor of geology had placed some specimens of rocks on his desk, and was going to describe them to his students.

While his back was turned for a moment one of the students placed a piece of very stale bread among the rocks.

The professor went through the specimens, saying, as he picked up each:

"This is a piece of sandstone; this is a piece of granite." And so on.

Eventually he came to the piece of bread, and, holding it up, he said:

"And this, gentlemen, is a piece of confounded impudence!"

## FAIR AND COLDER

Father: "Henry, what does this 60 on your report card mean?"

Son: "I don't know, father, unless it's the temperature of the room."

## BUT NOT OLD CLOTHES

I remember, I remember,

The house where I was born;

Grandfather bought it years ago

For fifty sacks of corn;

A rich man came the other day,

And said: "It's old and rare";

He named a staggering purchase price

And bought it then and there.

I remember, I remember,

The chair on which I sat

When I was but a babbling child,

So very cute and fat;

The antique dealer called last week,

And offered thirty-nine

Good dollars for that ancient chair

On which I sat to dine.

I remembered, I remembered,

A pair of boyish jeans

And a shiny coat to match them

Which I wore in my teens.

I said: "Old things are valuable,"

And where a sign read: "Gents,

We buy your clothing," I applied—

They offered thirty cents.

—Robert D. Little.

## CRUEL!

"Can you drive with one hand?"

"You bet I can."

"Then have an apple."

## MYSTERIES

Will somebody kindly tell me

Just what is the reason why

Maidens in a constant flutter

Never fly?

## PERSONAL INTEREST

Representative Frear tells a story about Bill, a milkman:

"One morning," says Frear, "Bill's silver broke down and Bill was buried in the wreckage."

"His sister Jane, when she summoned the doctor, burst into angry sobs."

"Would you believe it, doctor?" she sobbed. "Bill lay under all them milk cans and wheels and things shoutin' and yellin' for help for an hour and a half and not a soul in the whole street had heart enough to get out and lend him a hand. Why, we could hear him a block away."

"If you heard him, Jane," said the doctor, "why didn't you go out?"

"How," sobbed Jane; "how was we to know it was our Bill?"

## Do You Know

That each senior must obtain two

subscriptions for the Totem in addition to his own?

That South Side commercial department entered winners in the state meet at Muncie today?

That butterflies belong to a class of animals?

That there are eleven families of butterflies in America north of Mexico?

That Luther Burbank was America's greatest plant producer?

That Victor DeKubinsky has tried to paint one's emotions on canvas?

That the Metropolitan Museum has acquired a new wing of twenty-nine rooms?

That it is questioned whether college men are educated?

That Britain's biggest locomotive weighs 398,804 pounds?

That there is a new kind of glass which can be bent without splitting?

## A Mite of Verse

### THE OLD SCHOOL DOOR

It sags on its weary hinges,

It creaks in pain as it swings

Back in the dark; it cringes

As in fear of unseen things.

It sighs for the days departed,

It calls to its friends of yore,

But if they hear they answer not

The call of the old school door.

The sill of the door is worn

And is sinking into decay,

If it could speak I wonder

Just what it would say.

I wonder what tales it would tell,

What tales of joy and of woe.

I wonder if it would reveal

All the secrets it must know.

Now that the shadows are falling

And the sunlight is fading away,

The school house is calling

To its friends of a by-gone day,

And they seem to answer

In voices soft and low:

"We are coming back again,

To the haunts we used to know."

—Marvel Smith.

## And Werser

### THOUGHTS OF AN OLD MAID

By a Maid-Yet.

We wish we had one to love us,

Had some one to call our own;

We wish we had some one to live with,

My cat and I are tired of living alone.

Oh, meet us tonight in the moonlight

We're sure it will be known;

We have a sob story to tell you,

We're weary of living alone.

If I die at this time tomorrow,

I'll leave my poor cat all alone.

No one will weep at my going,

And my cat will hunt a new home.

We have a fine cottage I tell you,

We know it was built just for three.

Oh, come to us, we pray you!

We always will care for thee.

If we had wings like angels,

Over this cold world we would fly,

We would fly to the arms of some good man

And there we'd be willing to die.

—The Provonian.

### CURE YOURSELF

Are you narrow-minded, unsmiling,

restless, unhappy or lonely? Do you

want a remedy for these ailments?

If you're narrow-minded go to your

bookcase, and choose a book with a

green cover from the left hand corner

and read it through. Then get a red

one from the right hand corner. Repeat

the dose many times until cured.

You'll find it a great cure, for it lets

you see things from many different

viewpoints.

If you have trouble smiling get one

of Mark Twain's books. You won't

need another, but it's like candy

coated pills—you want more.

Unhappy, restless? Any book on

the lower shelf will do. Bury your

self in it for an hour and forget your

troubles.

And if you're lonely, just try an or-

inary book. You'll find friends in

its pages, jolly, cheerful, living

STRONG HIGH SCHOOL AND COLLEGIAN TEAMS ARE SIGNED

TRACK AND BASEBALL SQUADS BOOK CONTESTS FOR SEASON

Crack Ohio and Michigan High School Aggregations Are Being Scheduled by Coaches and Business Manager; Expulsion Deprives Athletes of Competing for State Title

MANY COLLEGE NINES ALSO ON SCHEDULE

Coach Gilbert Has Gang of Veteran Horsehide Slingers Left From Last Year; South Side Sluggers Tied for State Title Last Year

Although the baseball and track teams will be deprived of fighting for the state high school championship, they will get a chance to add more laurels to their string by playing fast Ohio and Michigan high school teams, besides several college teams in this section.

Coach Gilbert has been busy for the last few days booking baseball games to be played within the next few weeks. In addition to several games booked with strong Ohio and Michigan high schools, games have been arranged with Concordia College, Huntington College, Manchester College, Tri-State College, Anthony Wayne Institute, and a probable game with Valparaiso University. Most of these games have been booked but the days on which the games are to be played have not as yet been definitely decided.

All of these teams have exceptionally good diamond aggregations and these games should no doubt display more than ordinary baseball talent.

**Best Team in Years**  
South Side's baseball team this year as far as it appeared from the high school standpoint, gave promise of being the best in the state, having lost but three regulars from last year's team. With these vacancies being immediately filled with such renowned players as Wambsgans, Wellman, Schroeder and Dicke, little more was to be desired. As for the veterans on the squad this year, there are Captain Staigt, DeHaven and Welch, who are playing their fourth year on the Green and White diamond squad.

Other mainstays of last year's championship team are Dissinger, who is playing his third year over the first base bag; Flastick, one of the best pitchers South Side ever produced; Nulf, one of the best shortstops in the city, and Art Distel, one of the most capable all-around ball players obtainable.

To prove the capability of the team, one might look over the records of previous years. In 1923 the team started out by losing but three games. In 1924 the team finished fourth in the state tournament, being eliminated by Jefferson, of Lafayette, in the semi-final round by the score of 1 to 0. Lafayette, in turn, took the state championship. Last year the team played a draw with South Bend for the state honors by losing one game and winning one and the final game was called off because of the closing of school.

This year, with some veterans of the past three seasons and with new players of high merit, the team is no doubt capable of holding its own against the best of teams.

**Huntington College Probably Friday**  
Huntington College will probably play the Green diamonds on Friday. However, this date has not been definitely decided. The Kelleys will probably have a game with some team this week-end which will be announced later.

Among the teams with which negotiations are now being made are: Concordia College, Anthony Wayne Institute, Tri-State College, Manchester College, Valparaiso University, Battle Creek High School, Sturgis High School, Defiance High School, Hicksville High School, Central Lima High School, Van Wert High School, Paulding High School, Convey High School.

**Street Baseball Games Banned By City Officials**  
That baseball games will not be tolerated in the streets of Fort Wayne was the statement made by William Schannen, city judge, last week at the trial of two boys charged with this offense.

Playing ball in the streets is a violation of the traffic laws, and should be observed. It is also very dangerous for both the boys and the motorists, and a great menace to the adjoining property. The judge stated that there are plenty of baseball fields about the city where the games can be played.

**Meeting of Promoters Postponed Indefinitely**

The Promoters have not had a meeting recently, on account of the illness of Mr. Schafer, the chairman of the club. Plans are under way for making more money to finish paying for the band suits.

**Class Constructs Motor Boat**  
The wood-turning class of the Broadway high school, Seattle, Wash., is constructing a motor boat. The different parts are displayed in a show case in the front hall as they are completed.

GIRLS COMPLETE HALF OF GAMES IN CLOSE TOURNEY

Juniors Remain Undefeated at End of the First Round of Baseball Matches

SOPH, FROSH NINES WIN

Underclassmen Bring Up Records; Sophomores Tie With Juniors for First Place

The first round of the girls' baseball tourney was completed last Friday and the second round was played Monday, May 3. The junior nine defeated all their opponents in the first round, and the sophomores lost but one game.

In the first game of the second series in the round robin tourney the underclassmen stepped to the fore and won both games. The sophomores conquered the undefeated junior nine and are now tied with them for the class championship in baseball.

The per cent standing of the teams is as follows:

	Won.	Lost.	Pct.
Juniors	3	1	.750
Sophomores	3	1	.750
Seniors	1	3	.250
Freshmen	1	3	.250

The senior batters received their second defeat April 28, when the juniors piled up 22 runs to their 9. This game was the final one played by the juniors when they won the championship in the first round. The sophomore girls walloped the freshmen in the last game of the first half of the tournament, 26 to 2.

The junior players lost their first game to the sophomores last Monday with a score of 9 to 3. This was the greatest upset so far in the tourney since the junior nine defeated the sophomores, 15 to 4, when they met in the first round. Only four innings were played in both games Monday.

**Line-ups:**  
**Sophomores**  
W. Krommiller... P. N. Merica  
M. Mossman... C. E. Shaner  
E. Sipples... 1B. W. Englehart  
R. Wilson... 2B. G. Bradley  
R. Azar... 3B. I. Wilkinson  
L. Foster... S.S. M. Howard  
G. Hart... R.F. M. Canada  
D. Miller... C.F. E. Augspurger  
J. Rank... L.F. E. Augspurger.  
A close game was that played by the freshmen and seniors Monday night. The frosh team won its first game in the tourney by defeating their opponents, 12 to 10. The seniors, however, must play at a disadvantage since there are only five girls on their squad.

**Line-up:**  
**Freshmen**  
M. Meyer... P. M. A. Tannehill  
M. Hoy... C. V. Fell  
R. Bennhoff... 1B. R. Watkins  
C. Suter... 2B. M. Berlin  
D. Gollmer... 3B. L. Blume  
F. Koster... S.S.  
G. Englehart... R.F.  
B. Patterson... C.F.  
I. Collins... L.F.

The remaining games on the schedule will be played May 7 and 10. On the former night juniors will meet freshmen, and seniors will meet sophomores. On May 10 the seniors and juniors will be opponents, and the freshmen and sophomores will play the last game.

Strikes & Spikes

When it rains it pours!!!

The above proverb, which is applied to a certain brand of salt, can also be duly applied to South Side. We gently refer you to the happenings of the past week.

Anyways things might have been worse—we still have the teams.

And look who they're going to play. Not so worse, bo', not so worse.

Lil' Artha will now render that favorite ballad entitled "Who's Sorry Now?"

South Side will retaliate by singing the famous song, "All Alone, We're so All Alone." (Come on now, alto together on the chorus.)

Since we are left out in the cold it is all the more reason why the student body should SUPPORT the TEAMS.

Although it has knocked out all the chances for the state title in either springs sports, it has enabled the team to schedule games with teams of a very high calibre, including many colleges. Thus you will see a better brand of ball than before because the Green and White teams will stack up against stronger competition in the form of college teams.

In reference to the above songs who can tell that Lil' Artha might be singing "O, How I Miss You Tonight!" "Sometime."

Yee Weekless Bedtime Store: Mr. Ihnsa has just complimented South Side, of Fort Wayne, on its recent good behavior and has installed them back into the Ihnsa family.

First cullud Athleet: "Say theah, Bo', how about a little o' that rubbing alcohol?"

Second cullud Athleet: "Sorry, Sam but ah jes had cramps in de stomick and has done swallered all ob it ter make 'em straighten out."  
Headline in paper next day: "Man lies from rubbing alcohol." What we would like to know if he died from the exertion of rubbing it or if—We give up!

Heard in the Hall:

South Side has a real good team. It's the students' joy and pride; Lil' Artha got sore (oh how he did steam)

\*Thanks for the buggy ride!  
Editor's Note:—This line expresses the syncope happiness over the result of the third line of the poem.

Now, Gang! If any of our teams play Saturday we want the student body out there yelling your heads (bobbled and otherwise) off!

VARSITY COPS GAME FROM FUTURE TEAM

Sprunger and DuWan Lead Scoring for Regulars; Probables Led by McCormick

South Side varsity of 1925-26 defeated the team of 1926-27 last Saturday night by the score of 28 to 16. At no time was the varsity team in danger. The players on both teams were lacking in fight due to the warm weather. The varsity started scoring at the beginning of the game and ran up a count of 17 to 6 at the half.

The second half was more evenly played and harder fought. Much tripping and holding prevented either side from scoring more points. Chris Branning played his usual fast game. He was all over the floor, holding Ra-stetter to one field goal. Sprunger showed no ill effects from his absence from a basketball floor. He scored four field goals, all from near the center of the floor. DuWan was tied for high scores with Sprunger.

The prospects for a strong team next year are bright. The probabilities showed flashes of team work and their passing was good. McCormick, Ra-stetter and Grodrian carried the brunt of the attack for the younger team. Lighthill dribbled through the entire varsity several times but could not make his shots stick. McCormick carried off scoring honors for the probables.

A large crowd of fans were at the gymnasium for the game, cheering for the younger lads.

**Line-up and summary:**  
**1925 Varsity**  
Wambsgans... F. Feustel  
Simon... F. Bell  
DuWan... C. McCormick  
Sprunger... G. Rastetter  
Branning... G. Grodrian

**Substitutions—Rahe for Sprunger, Wellman for Simon, Distel for Rahe, Wiener for Branning. Field Goals—Wambsgans, DuWan 4, Sprunger 4, Rahe 2, Wellman, Feustel, McCormick 2, Rastetter, Grodrian. Free Throws—Simon 4, Feustel 2, Bell 2, McClucas. Referee—Gilbert. Umpire—Schmalzried.**

Prominent South Side Athletes Are Trying To Keep Up Records Attained By Relatives

Basketball and Baseball Are Best Represented; Track Claims Stars Also.

Several athletes of South Side are trying to keep up the family honor in the line of baseball and basketball. Many have reputations, made by brothers or other relatives, to live up to.

"Diddy" Wambsgans has played basketball and baseball in the one year he has been at South Side. His uncle was a member of the Boston Red Sox of the National League last year. His uncle is the only baseball player ever known to make an unassisted triple play in the world's series.

George "Violet" Nulf has played one year of varsity football, and is in his second year of baseball. He has one more year of football. His brother, Bob, was a prominent athlete at Central High two years ago. Phil Rahe played varsity basketball and football for two years. His brother, "Ed", now at Purdue University played three years of football for South Side.

Arthur Distel, baseball man for two years, is also on the football team. His brother, Alvin, better known as "Fat" has been prominent in baseball and football for several years around the city. He is still going strong.

"Tinah" DeHaven has played var-

## ANNOUNCE REQUIREMENTS FOR TRAINING COURSE

H. L. Smith Writes Necessary Points for Entering Elementary Teachers' School at Indiana University

Dr. H. L. Smith, dean of school of education at Indiana University, has written to Mr. Harris concerning the requirements of the teachers' training work. Four points are to be considered by those seniors who wish to enter Indiana University for elementary teacher training institution.

They are listed in the following letter written by Dr. Smith to Mr. Harris:

My dear Mr. Principal:

No doubt several of your graduates this year are planning to begin their elementary teacher training work next year and will want to attend some teacher training institution. Last year several students were disappointed at not being able to enter Indiana University for elementary teacher training work. The provisions for this work are very limited at Indiana University. Your attention is therefore directed to the following requirements of Indiana University regarding the elementary teacher training division of this institution, in order that you may advise with your students regarding the selection of their school.

First: The enrollment in the elementary training course will be limited to 180 beginning students.

Second: Entering students must meet all the matriculation requirements of the University before they can be accepted.

Third: Students will be admitted to the elementary teachers' training group in the order in which their applications are approved. To make application for this type of training the prospective student should write the Dean of the School of Education, Dr. H. L. Smith, Science 36, Indiana University, stating that he wished to enter the elementary training classes in September, 1926. This letter of application should be accompanied (1) by the high school credentials of the student certified to by the high school principal and (2) by a check for the first semester's fees made payable to L. H. Smith, Bursar, Indiana University, for thirty-five dollars. Only such applications as are accompanied by the check and high school credentials will be considered. The student will be notified of his acceptance or in the event that the application is not approved, the student will be notified at once and the check returned.

Fourth: All students desiring to take the elementary teacher training at Indiana University should register before August 1, 1926.

## Alumni News

Reland Conley, '25, and Ben Sheets of this city were recently married at the home of the bride's parents. The couple are now at home in this city. Mr. Sheets is employed at the Pennsylvania company.

Miles Wilkinson, '24, has returned to Wittenburg University after spending the week-end with his parents.

William Thiele, '25, is employed at the Pennsylvania company.

Marion Shaffer, '23, is enrolled at LaCrosse University, LaCrosse, Wisconsin.

Lottie Dignan, '25, was the hostess to her bridge club last Friday evening. Prizes in bridge were won by Amy Gardener and Mildred Binkley.

Joe Cart, '24, is employed at the Hoosier store No. 11, of this city.

Mildred Kesterson, '25, entertained at her home on Piqua avenue recently. Those who were present are: Lottie Dignan, '25, Mildred Binkley, Amy Gardener, and Ralph King, Jimmie Daws, Donald Brayer, and Lester Connors.

Glady Stringer, '23, is teaching at the Forest Park school.

Pauline Sigris, '24, is teaching saxophone at the European School of Music.

Lloyd Nichols, '23, is spending several days with his relatives in Gary, Indiana.

Rose Marie Kronmiller, '25, has returned to Muncie State Normal after spending the week-end with her parents. Miss Mary Long of Muncie was Miss Kronmiller's guest.

Edna Henderson, '23, has been pledged to the Lambda Chi Omega sorority of this city.

Helen Wille, '24, spent the week-end visiting her cousin, Miss Nina Drews of Laporte, Indiana.

Paul Miner is employed at the Superior Baking Company.

Don Currie has returned from an extended trip through Florida and other southern states.

The marriage of Zoe Marahrens will come as a surprise to many of her friends. She graduated from South Side in 1924. Zoe married Mr. Alvin Archer in January. They kept their marriage a secret until April 20. Mr. and Mrs. Alvin Archer will live in Chicago.

## "Should A Student Be Exempt From Tests" Is New Question Before Pupils and Teachers

Some Are In Favor of the Plan to Exempt "A" Students, While Others Oppose It.

At a recent interview of teachers and students upon the subject, "Should pupils making 'A' grades be exempt from tests," it was found that the majority of teachers favored the tests and, as would be expected, most pupils opposed them.

There are however a few teachers who agree with the students and think that students who are able to make an "A" grade all through the semester should not be required to take a test.

Mr. Schmalzried, when asked the question, said, "That's a good thing. Any student who is capable of making 'A' grades deserves to be exempt from tests."

"Of course, it depends upon the subject, but I think those making 'A's' should not have to take a test," said Mr. Suter.

Miss Mott was another teacher in favor of the question. She says, "If the 'A' students were exempt there would be a lot less papers for the teachers to grade."

Mr. Voorhees and Mr. Whelan both agreed that students should take the tests regardless of their grades.

"It should be a pleasure to take a test when you have an 'A' standing," said Mr. Whelan. "It's just as with an expert track man, he wants to run and show his ability. He doesn't want to be left out."

Mr. Harris said that a test is a good thing for students.

"A test has an educational value."

Mr. Rothert said, "No student making 'A's' should not be exempt because this would make the distinction too great between the 'A's' and the non-'A's'. The 'A's' already have an incentive to keep this grade in that the year placed regularly on the honor roll. By having the same tests as others have the chance of increasing their mark from A minus to A or from A to A plus. By following the method suggested, the school would have a questionable gain and almost certain loss."

Miss Smeltzly thinks that occasionally certain pupils could be exempt but on the whole all students should take the tests.

"It might be a good thing to exempt 'A' students from examinations, if exemption caused more students to work harder in order to make 'A's'," said Willis Klein.

On the contrary Kathryn Chapman thinks that "all students should take the tests because if students are capable of making 'A' in daily work, they should be able to pass the test with a good grade."

Dudley Wass says, "They should be exempt because a student making an 'A' grade is capable of passing the tests."

Robert Feustel, taking the opposite side, says, "Taking the test is a review and gives you a chance of getting a higher grade."

Thelma Gasser thinks, as most students do, that if a student makes 'A's' in their studies they would pass the tests anyway, so why take them?

## GERALDINE BAKER WINS FINAL SPELLING MATCH

Four People, Members of Miss Esarey's Fourth-Hour Class, Cop Places in Meet

Geraldine Baker, a member of Miss Esarey's fourth-hour class, won the spelling contest held Thursday, April 29, in room 146. She misspelled the word analysis. The others in order that they stood were Eleanor Rupnow, Beulah Patterson and Pauline Thompson. All four of the winners were in the fourth period class. Alice Parr and Charles Gruenert were last of the second period class to be spelled down.

Mr. Davis began pronouncing words at three-fifteen. One short intermission was allowed. The match was not over until almost five o'clock.

The winner, Geraldine Baker, received a book of humorous "Short Stories" which was bound in green binding.

A meeting of the losing class was held Tuesday, May 2, when it was decided that a winner bake will be given probably Friday, May 14 at Foster Park.

## Male Instructors Have Varied Experiences During First Years of Present Professions

Men Teachers of South Side Have Exciting Times; Teach in All Branches of Schooling.

Several of the teachers were interviewed as to their first teaching experience and relate many interesting things about the conditions, etc., under which they taught.

Mr. Chappell said, "When I first taught school I had to go six miles to the schoolhouse. I had thirty-two pupils of whom many were as old and as big as I. I taught everything from the primary grade to the eighth grade." When asked how old he was Mr. Chappell said, "You're not supposed to know that."

Mr. Arnold first taught high school in Ashtabula, Ohio in 1916. Ashtabula was a ship-building and an iron center. The students were mostly Finnish, Swedish, and Norwegian, with a few American boys and girls. They were almost as old as Mr. Arnold himself and consequently a great deal of tact had to be used in teaching them. Mr. Arnold had charge of the Manual Training department in school, teaching printing, pattern-making, mechanical drawing, molding, wood-turning, and bench work. The Manual Training department printed the school papers once a month, tickets, programs and anything else that had to be printed around the school.

Mr. Voorhees has taught in colleges and high schools ever since his graduation from Belmont College in the town of Collier, Ill. Mr. P. V. Meyers, the famous historian, was the president of the college. Mr. Voorhees studied Meyer's history when it was still in manuscript form. Mr. Voorhees had just graduated from Belmont College two years when he was offered a position by Mr. Heyers as professor of national science and mathematics. He taught for only two and a half years when the college was made into a military institution, and Mr. Voorhees resigned the professorship at the college.

Mr. Suter had his first teaching experience as a teacher of chemistry and physical education at Huntington high school. He was assistant coach in basketball, football and baseball during the six years that he spent at that school.

Mr. Huddleston taught for the first time at a Lawrence County rural school in Indiana. The school was seven miles from the nearest railroad. He taught from the primary grade to the eighth grade. He had approximately thirty-five pupils in the school. He says, "I had a hard time teaching the primer grade the A B C's."

## MAY QUEEN CHOSEN BY PHILO MEMBERS

Girls Present Crown to W. Bowser; Dance and Games Are Features of Afternoon

Wilda Bowser was crowned May Queen Monday, May 4, when the Philanthropists held their May lawn party at her home on East Pontiac street. She was chosen by the girls who handed in their votes last week. A May Pole dance, which is characteristic of all May parties, was presented by several members of the club. Games were played, and Marjorie Reeves won the prize which was given to the winner in a tricky little contest entitled "A Floral Wedding Story."

## HONOR STUDENTS SURPASS OTHERS IN TOTEM DRIVE

## With the Classes

Mr. Null's first hour English class have started on their first piece of composition which is the long essay.

Mr. Schafer's second period music class will start to take tests Monday and they will continue for a week and two days. The tests will cover the opera studied this year and there will be three in a test each day.

Mr. Clark, the chief engineer, and his assistants, are now beginning to "overhaul" the engines in the boiler room. They are leaning out boilers and cleaning and inspecting turbines.

Mr. Hull and Mr. Murch went fishing last Friday after school at a lake near Rome City. They caught six bass.

Miss Crowe's general history classes had tests Tuesday and Friday of last week.

Miss Hemmer's classes, who are studying the Odyssey had a contest recently to determine who could find the most names in the book for the different characters. A great deal of interest was shown in this contest.

Mr. Makey's English VIII classes are beginning the study of Browning.

Twenty English VIII students in Mr. Makey's classes have been given the advantage of making their theme assignments. The minimum length is 300 words a week.

The 10A cooking girls are doing very interesting problems in meal service. Each girl in the class purchases, prepares, and serves a meal to four members without assistance.

## FAULTY INNINGS LOSE GAME FOR SOUTH SIDE

Federals Defeat Diamonddeers By 9 To 8 Score; Nulf Leads With Three Hits

Three bad innings lost the game for South Side against the Federals Saturday afternoon in the stadium. The final score was 9 to 8. The Federals started scoring in the first inning with three runs. DeHaven's two errors were responsible. South Side came back with one run in its half.

In the third inning the Federals scored three more runs on hits by Schneider and Bleich and errors by Nulf and DeHaven.

Plaskett pitched a good game, striking out twelve men, but his support was weak. He held the Federals to nine hits to the fifteen collected off Brown. Nulf led the hitting with three hits. Distel kept his reputation as a slugger by cracking out a home run in the fifth.

Guthermuth started the ninth for the Federals with a triple, and Carpenter's double scored him. Bolenbaugh singled, scoring Carpenter, and two errors brought in another run.

In the Green's half Schroeder singled after two outs. Seiman also singled. Nulf's double scored Schroeder and Wellman delivered with a timely double, scoring both Seiman and Nulf. Distel got his second hit, bringing in Wellman. DeHaven cracked out a hit. Distel scored and by poor base running DeHaven was thrown out. The loss of Straight behind the plate was felt. DeHaven failed to hold up Plaskett, thus losing the game.

Summary:  
R. H. E.  
South Side 1 0 0 0 2 0 0 5—8 13 12  
Federals 3 0 3 0 0 0 0 3—9 9 2

## YOU WANT TO KNOW THE TRUTH—

When you read a newspaper you do not want to read "Bunk"! What you want is the truth. The Journal-Gazette has always given you a true account of the activities of your school teams. We allow no political controversy to affect our attitude in the reporting of sport news or school affairs. You are entitled to a fair impartial report on all matters pertaining to the happenings at your school and we give you a square deal. You do not want us to uphold you when you are in the wrong but do expect, and receive, our support when you are right.

## BACCALAUREATE TO BE PREACHED BY REV. FOLSOM

Plymouth Congregational  
Church to Be Scene of  
Commencement Sermon

SERVICES TO BE JUNE 6

Seniors to Wear Caps and  
Gowns; Rev. Krauss to Preach  
to Centralites

The Reverend Arthur J. Folsom will conduct the baccalaureate services for the 1926 graduating class at the Plymouth Congregational church, Sunday, June 6 at 10:45 o'clock.

By popular vote of the senior class, the Reverend Folsom was chosen to deliver the baccalaureate sermon. Charles Folsom, son of the minister, will be in the graduating class this year. Mr. Folsom is well known by the young people of Fort Wayne and is popular among them. This is the fourth year he has preached the baccalaureate sermon for South Side's graduating class.

The theme of the baccalaureate services has not been chosen yet. "Both the decorations and music will be in keeping with the occasion," said Reverend Folsom, "and Plymouth Congregational church welcomes the young people and is happy to have them at the church."

The graduating class will meet in the Sunday school rooms of the church at 10:30 a. m. The services will begin at 10:45 a. m. The members of the class will wear caps and gowns.

At a meeting of the senior girls last Monday it was decided that no elaborate corsages would be worn. Each will wear a single pink rose. Reverend Krauss has been chosen to preach the baccalaureate sermon for the seniors of Central.

## SENIORS TO BE GUESTS AT NEXT PHILO MEETING

Annual Affair Will Be Held at Home  
of Dorothy Somers  
On May 17

Senior day, which is an annual affair of the Philaethian Literary society, will be celebrated on Monday, May 17, when all the seniors will be entertained by the underclassmen with a party at the home of Dorothy Somers, the president of the organization. This will be the last regular meeting of Philos, and officers for the coming term will be elected.

Plans are also being made for a picnic which will be held in June, shortly before the end of the semester. With the money which the club received from the candy sales which were held recently, Philaethians have paid their pledge which was made in order to help pay for a piece of furniture in the Greely Room. So far, no other society has paid its pledge.

## "THE MAGIC GINGER JAR" PRESENTED BY SO-SI-Y

"Habits" Are Discussed and Y.W.C.A.  
Membership Campaign Is  
Stressed

The "Magic Ginger Jar," a cleverly acted Japanese play, and the topic, "Habits" was enjoyed by the So-Si-Y members at their last meeting in room 38.

The "Magic Ginger Jar" was an interpretation of Japanese dramatics. The parts were very cleverly acted out. The Japanese costumes were both attractive and effective.

Ming Lee, the father of two beautiful daughters had gathered some roses as he walked through the woods. Carpi, the serpent, demands one of Ming Lee's daughters or Ming Lee himself as a revenge for Ming Lee picking his roses. Smallest One, Ming Lee's daughter, gave herself over to the serpent. She goes to the forest to live and finds the serpent very kind to her. Carpi is seemingly dead and Smallest One finds him and he disrobes and she sees he is a prince, disguised as a serpent. The cast was as follows:

Carpi..... Ruth Egan  
Ming Lee..... Thelma Gasser  
Pear Blossom, his daughter..... Virginia Hackney  
Smallest One, his daughter..... Mary Hale

Tea Bear..... Mary Sherman  
Property men—Margery Burres, Virginia Bourns.  
Orchestra—Leona Kuhn, Betty Hackney, Mary Stoner.

The topic of "Habits" was discussed by Ruth Eickmeyer. The effect of other people's habits upon oneself was plainly illustrated. Habits being handed down from one family to another, and how our habits might be handed down. The right kind of habits for girls to form was also interesting.

A Y. W. C. A. membership campaign will be held from May 15 until June 15, during which time all girls are to urge new members. The girl getting the most members will be given a free trip to the Y. W. C. A. summer camp for one week. Mrs. Simon explained. Membership fee for girls under 18 years old is 50 cents and for those over 18 years old is \$1.00.

Huddleston Gives Tests  
Mr. Huddleston is giving to his Business English classes a series of tests on figures of speech, abbreviations, and various other phases of work, necessary to the business student.

## Thrilling Experiences Accompany Big Time

Baseball and Eats Are Features  
of Wranglers' Picnic;  
M. Scott Falls in Spring.

Baseball and, of course, eats were the features of the Wranglers' picnic held last Thursday afternoon. About twenty members piled in the cars provided and drove out to Milled Scott's farm, twelve miles west of the city, instead of to the Indian reservation as was previously announced. Upon their arrival the Green team challenged the White to a game of baseball. The Whites easily won due to the feminine members on the Green team. (No fair asking who they were.) After the winner baked, to cup the climax, Scott took a spring a sprang, (we're not saying she did it intentionally) and took her first spring swim in the spring that spring afternoon, tra-la.

## MUNCIE COLLEGE WINS MEET FROM SOUTH SIDE TEAM

Score Total of Fifty-eight  
Points to South Side's  
Forty-one

GOOD SHOWING IS MADE

Green and White Harriers Take  
Four First Places; Gouty High  
Point Man for Kelly Klads

The South Side track team traveled to Muncie Tuesday and lost a hard-fought meet to Muncie Normal College by the score of 58 to 41.

The Green and White harriers ran their best, but were fighting against too great odds. Considering the fact that they were running against college athletes, the Kelly Klads team made an exceptionally fine showing.

South Side captured four first places and five second places in the meet. Perigo of Muncie Normal took high point honors with two first places in the 440 yard dash and half-mile, respectively. Gouty of South Side was second with a first in the mile and second in the half mile.

South Side did well in the track events, but fell down in the field events. Using a sixteen pound shot, the collegians won all three places in the shot-put. South Side has always used a twelve-pounder. Good times were made in all the events.

Summary of the meet:  
100 yard dash—Tucker (SS), first; Singer (MN), second; Stookesbury (MN), third. Time 10:03.  
Half-mile—Perigo (MN), first; Gouty (SS), second; Bell (SS), third. Time 2:10:06.

220 yard dash—Baker (SS), first; Tucker (SS), second; Singer (MN), third. Time 24 seconds.  
Pole vault—Fulmer (MN), first; Shinn (MN), second; Bell, third. 10 ft. 3 inches.

Shot-put—Victor (MN), first; Shinn (MN), second; Keffner (MN), third. 35 ft. 9 3/4 inches.

High hurdles—Thurston (MN), first; C. Fleming (SS), second; Haven (SS), third. Time 10:02.

Mile Run—Gouty (SS), first; Henderson (MN), second; Lake (SS), third. Time 4:54:08.

Low hurdles—Stookesbury (MN), first; Lighthill (SS), second; C. Fleming (SS), third.

440 yard dash—Perigo (MN), first; Lombard (SS), second; Mays (MN), third. Time 56:02.

High jump—Hansen (SS), first; Martin and Headdy (MN), tied for second. 5 ft. 6 1/2 inches.

Broad jump—Haffner (MN), first; Williams (MN), second; C. Fleming (SS), third. 19 ft. 10 inches.

## COMMERCIALISTS TAKE HONORS IN STATE MEET

Advanced and Beginning Shorthand  
Teams of South Side Win Second  
and Third Places Respectively

South Side's representatives won two places at the state commercial meet at Muncie, May 7, taking second place in team averages in advanced shorthand and third place in team averages in beginning shorthand.

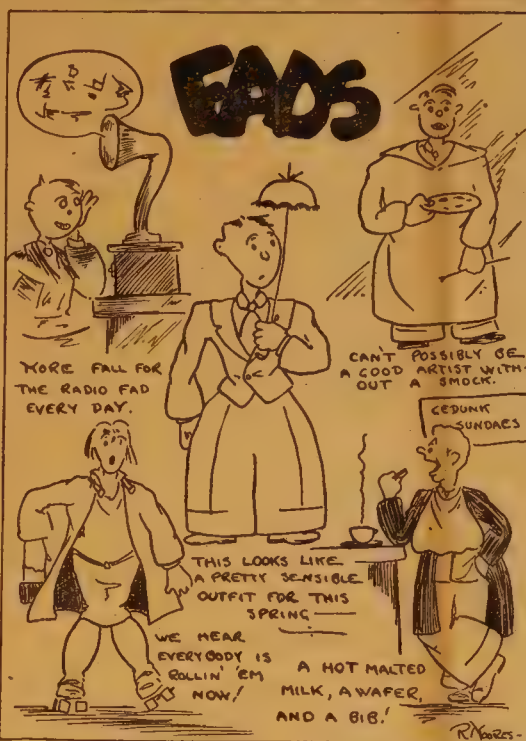

The advanced shorthand team was comprised of the following students: Winifred Beeth, Elizabeth Schmidt, Helen Goette, and Winifred Gunter (alternate).

Those who competed in beginning shorthand are Ruth Jennings, Doris Conn, Pauline Baumgartner, and Maxine Thomas (alternate).

Bronze tablets were presented to the commercialists for placing in the shorthand competitions. The individual results of the meet have not been compiled, but should reach South Side this week.

## Math-Science Pins To Be Ready Soon

The Math-Science pins which were decided upon at the last meeting of the club are almost completed. They are in the shape of an open book. The edges and letters, M and S, are gold and the face of the book is white. The size will be one-fourth inch by three-eighths inch and will cost about \$1.00 each. E. Colson, the chairman of the pin committee, and W. Hollstein, president of the club, will take charge of the selling of the pins at the next meeting.

## BIG LAWN PARTY TO BE SPONSORED BY P.-T. MEMBERS

Decide to Hold Festival in  
Stadium on Evening  
of May 21

NEW OFFICERS ELECTED

Mrs. Earl Reeves Chosen to  
Lead Organization for  
Ensuing Year

That a lawn party, for the purpose of paying for the band suits, will be held in the stadium on the evening of May 21, was decided upon at the Parent-Teacher meeting Tuesday in the Greely room. Ice cream, cake, pop and pop-corn will be sold, but no admission will be charged.

In addition to the plans made for the lawn party an election of officers was held. The following full term officers were elected: President, Mrs. Earl Reeves; vice-president, Mr. Null; treasurer, Mrs. Frank Rahe; secretary, Mrs. Walter Kent.

Mrs. Rastetter expressed the thanks of the retiring officers for the co-operation shown by the members of the P.-T. A. and students.

The South Side orchestra played several selections and Gerald Ammerman played a saxophone solo at the opening of the meeting.

Mrs. Long announced that the Parent-Teachers association were out of debt so far as the Greely room furnishings are concerned.

Miss Ley will make posters for the lawn party and a sign that will be placed at the north entrance to attract passers-by.

## SOUTH SIDE TO ENROLL 175 FRESHMAN IN FALL

J. A. Smart and Harrison Hill Schools  
Lead With 68 and 61 Students Respectively.

One hundred seventy-five freshmen will enter South Side from the public grade schools next September. No word has as yet been received from the Lutheran schools as to how many of their graduates will come to South Side.

Although the new North Side High School will be opened in September this will not affect South Side's enrollment to a great extent. The division which was changed was the one going just south of the railroad. In the four blocks immediately south of the railroad those attending high school may enter either South Side or Central. This affects principally the students graduating from the Hoagland school. Of the 61 students in the eighth grade at Hoagland 42 will come to South Side. Of the remaining nineteen, eighteen will attend Central and one will enter North Central. Eleven of the eighteen entering Central are vocational students so that leaves only seven who might have attended South Side that are going to Central.

The largest number of students, sixty-eight, will come from the Smart school. Harrison Hill is second with 61. The number coming from other schools are: Hoagland, 42; Jefferson, 3; and Harman, 2.

Of these fifty-two have elected the general high school course and sixty-one the commercial. The college preparatory or classical course is the most popular of the three. Sixty-three students have enrolled under that course.

Those who went to the banquet from Fort Wayne were Thelma Buirley, Beulah Corwin, and Miss Ley, of South Side, and Florence Blosser and Miss Neuman, of Central.

Last Issue Due Friday  
The last Literary Digests will be received in the library Friday.

## MAY-TIME FROLIC IS BEING PLANNED BY CLASS OF 1926

Dancing and Other Entertainment to Be Features  
of Festival to Be  
Staged May 29

COMMITTEE HEADS NAMED

Dorothy Somers, Cornelia A.  
Bade, R. Bickel and R. Wiener  
to Look After Details

That the seniors will stage a May Time Festival, similar to the carnival put on other years, on May 29, was decided by the class officers in a meeting with Mr. Harris early this week. Plans for the program, which will include dancing and other entertainment, and already under way. Booths for refreshments and novelties and special stunts are being planned by the entertainment committee, of which Richard Bickel has been named chairman.

Other committee chairmen appointed for the affair are: Richard Weiner, tickets and tags; Cornelia A. Bade, posters and advertising; and Dorothy Somers, decorations.

"The general admission price will probably be twenty-five cents, while a small additional charge will be made for dancing and refreshments," says Chestnut Plasket, class president.

"We would like very much to have students hand in suggestions for the entertainment," he added.

## SOUTH SIDE RECEIVES POSTER CONTEST CUP

All Three Places Won by Fort Wayne  
Students; Florence Blosser, Central, Wins Third

Another cup has been added to the collection which already fills the trophy case which is located at the north entrance. The latest addition is the silver loving cup awarded to Thelma M. Buirley for winning first place in the state poster contest. The contest was fostered by the Indiana Parent-Teacher association.

The new cup is almost eleven inches high, and on it is engraved the following:

Indiana Parent-Teacher Association  
State Poster Contest  
1925-26  
First Prize  
Won by  
Thelma Buirley  
for  
Fort Wayne High School  
(South Side)

The cup was awarded to Thelma at a banquet held at the Lincoln Hotel, Indianapolis, but was not brought home at that time, as it was not shown on the cup that it had been won by South Side. It was returned to the engravers to have the above lettering put on.

Second place was won by another South Side girl, Beulah Corwin. A pennant, which is orange and blue, and has the words "Poster Contest P. T. A.," was given for second place. Third place was won by Florence Blosser of Central. This gives the Fort Wayne schools a clean sweep of all prizes.

The judges of the contest, upon awarding the prizes said that there had been little trouble in picking the winners, as the Fort Wayne entries were far superior to all others.

Those who went to the banquet from Fort Wayne were Thelma Buirley, Beulah Corwin, and Miss Ley, of South Side, and Florence Blosser and Miss Neuman, of Central.

Last Issue Due Friday  
The last Literary Digests will be received in the library Friday.

## Fifteen School Days Remain For Seniors

Underclassmen Given Chance  
To Enjoy Books Until June  
9; Diplomas and Grades To  
Be Issued Then.

Just 5,925 more minutes, seniors, and ye aged ones will be through with books for a while at least! In other words, 98 hours and 45 minutes, or fifteen days, will be the length of their high school career. Then at the expiration of this time on the following Wednesday, June 9, diplomas will be given out.

The underclassmen are not quite so fortunate, as they have seventeen and one-half more days of study. They will have the luck of having just 960 minutes more, or just 13 hours and 10 minutes longer in which to enjoy their books. How does that sound to you?

June 9 is the fatal day for both seniors and underclassmen, as on this day seniors are awarded their diplomas and the rest will receive their grades for the semester.

## PROMENADERS SET FOR GALA AFFAIR SATURDAY NIGHT

Plans for Banquet-Prom  
Completed by Committee  
Chairmen of Junior Class

UPPERCLASSMEN INVITED

Fun Fest to Be Held in Cafeteria and Gymnasium; Tickets on Sale Now

"Juniors and seniors who have not already purchased tickets for the Junior Prom-banquet should do so at once," was the statement made recently by Dale Shimer, president of the junior class. "We want to make this prom-banquet the biggest yet, and we need the support of every junior and senior."

The combined banquet and prom will be held in the cafeteria and gymnasium respectively. The junior class colors, purple and gold, will be used for decorating.

The banquet will begin at 6:30 p. m. and will continue until 8:15. The prom will be held from 8:30 to 11:30. The banquet will have the effect of a ballroom cabaret.

Spiegel's Melody Men have been obtained to furnish the music for the affair by Jack Lighthill, chairman of the orchestra committee.

The committee chairmen, as announced by Dale Shimer, are: Winfield Ray, programs and tickets for dance; Jack Lighthill, advertising and orchestra; Mary Hale, banquet; Amelia Dildine, banquet, stunts, and table decorations; Carl Murray and Dale Shimer, prom decorations.

The chaperones will be Mr. and Mrs. Wm. C. Rastetter, Mr. and Mrs. Ray, Mr. and Mrs. Dildine, Mr. and Mrs. King, Mr. and Mrs. E. C. Harris, Miss Pittenger, Miss Pape, and Mr. and Mrs. L. C. Schmalzried.

Tickets for the banquet, which are 50 cents a plate, and tickets for the prom, which are \$1.00 a couple, may be purchased from any of the following people: Winfield Ray, Dale Shimer, Amelia Dildine, Robert Carto, Mary Hale, LeRoy Shine, Edward Wehmeyer, Carl Murray, and Jack Lighthill.

## Mr. Shafer Is Father Of Lusty Lunged Boy

A new instructor in music at South Side came into office last Monday when Roland Lynn Shafer, Jr., was born to Mr. and Mrs. Roland Shafer. Mrs. Shafer is resting well.

## Saxophone Trio Plays For Men's Club Meet

The saxophone trio of South Side furnished the musical entertainment for the regular meeting of the Men's Club, held at the First Presbyterian church last Thursday, May 6.

Both popular and novelty music composed the program. Members of the trio are Gerald Ammerman, Eric Lasch, and Paul Berlien.

## RAYMOND EWELL MAKES EXPERIMENT AT PURDUE

Mr. Voorhees Receives Letter From  
Former Student Describing  
Chemistry Exercise

Raymond Ewell, who graduated from South Side in 1925, and who is now attending Purdue University, has not forgotten South Side and frequently Mr. Voorhees receives letters from him telling of his chemistry experiences in college.

In a recent experiment, Raymond analyzed some cement in order to extract all the tellurium, and after working for a full month was successful in extracting only enough of the element to stain a piece of filter paper. He has also been spending a great deal of his time detecting the several substances in alloys and anions.

Reports Prepared  
Miss Bert's Spanish VI classes are preparing special reports which will be given soon. A great number of them are from the Spanish novel Don Quixote.

## O. RYAN CHOSEN TO GIVE SPEECH AT GRADUATION

Prominent Anderson Attorney Will Address First  
Four-Year Class of  
South Side

PROGRAM IS INCOMPLETE

One Scholarship and Two  
Awards Will Be Presented at  
Commencement Exercises

Oswald Ryan, an attorney in Anderson, will be the speaker for the South Side graduation exercises of the first four-year class of South Side

OSWALD RYAN

Mr. Ward said that Mr. Ryan was a very competent lawyer and one of the ablest speakers in the state. "I believe that Mr. Ryan will deliver the finest commencement address that has been given in Fort Wayne for ten years," was the statement given by Mr. Ward several months ago.

Mr. Ryan was also an ex-service man, having spent six or seven months overseas.

"The program for the exercises has not been made out but will be similar to that of last year," was the announcement made by Robert C. Harris, principal of South Side.

The diplomas will be presented in dividuals as in previous years.

At the exercises Cornelia Bade will receive a twenty dollar gold piece which was awarded to her because she was first place in one of the seven divisions of the chemistry essay contest in Indiana.

The Business and Professional Women's club will give a scholarship to the girl who ranks highest in character, scholarship and initiative.

The Kiwanis club offers a gold medal to the boy who ranks highest in character, scholarship and initiative.

Last year the scholarship was given to Frances Buckles and the gold medal was given to Edward Hulce.

## SENIOR GIRLS MEET WITH MISS PITTENGER

Final Plans for Graduation Are  
Made; Violet Fell in Charge  
of Calling Cards

The senior girls met with Miss Pittenger, dean of girls at South Side, in the Greely Room last Monday to talk over commencement plans.

The first part of the meeting was devoted to the discussion of calling cards for the seniors. A saleslady representing the Fort Wayne Inn-gavers had a number of calling cards on display. Several styles were shown. Violet Fell was appointed agent for South Siders. Violet will take the orders for the cards and collect the money when the cards are printed. A style book was left with Violet so that anyone wanting cards can order them by number.

As it takes some time for the engraving, everyone wanting cards should put in his order at once.

"Although it may seem at first that engraved cards are more expensive than printed ones, when it is realized that the die made for the cards can be used many times, one sees that the cost is not so great," was the explanation given by the saleslady.

A discussion on graduating frocks and other commencement features was led by Miss Pittenger.

That light, inexpensive dresses will be worn was the conclusion the girls came to. No elaborate corsages will be worn but each person will wear a single pink rose.

Caps and gowns will be worn at both baccalaureate and commencement. In order to break the harsh lines of the gowns, it was decided that the girls would wear white collars.

Miss Pittenger then told the girls of the activities still in view for them. There will be a Fun Fest, given by the Parent-Teachers' association and the senior dance.

All the girls were asked to help decorate the gymnasium for the senior dance and a good time was promised to all who would come.

Make Summer Dresses  
Miss Rehorts's sewing classes are making summer dresses from silks, voiles, prints, pongee and various other summer materials. The dresses are all well made, neat, and attractive with each dress having an individual air about it which shows the ability of high school girls in making their own clothes.

## M. OBENOUR MADE CIRCULATION HEAD OF 1926 ANNUAL

Every Senior Must Obtain  
at Least Two Subscriptions  
Beside His Own

278 NEEDED FOR QUOTA

F. Robertson Sells Greatest  
Number of Totems; 27 Get  
Required Amount

Mildred Obenour, pep artist and organizer extraordinary, has been appointed circulation manager of the Totem in order to see the Totem campaign through the crisis in which it now lies.

Mildred already holds one major Totem staff position and has been chosen as circulation manager because of her success as advertising manager and her ability to organize and carry through a campaign.

"If anyone in South Side can make the Totem subscription campaign a success, Mildred will do it," was the opinion expressed by Miss Harvey. "And," she continued, "I think this campaign will go over."

That Mildred has been unusually successful is proved by her advertising work. The advertising quota this year shows an increase of fifty percent over that of the first year.

"The subscription campaign will not be reorganized but rather it will be extended and intensified," was the statement made by Mildred Obenour. "Every senior must bring in two subscriptions beside his own," she continued.

Since the present campaign was started two weeks ago only 129 subscriptions have been brought in.

Of the 180 seniors only 27 have brought in their two subscriptions. Most of these twenty-seven people are carrying the burden of the senior campaign by bringing in more than their share of the subscriptions.

Frank Robertson has obtained one-fifth of the total number of subscriptions brought in by the seniors. Those who have come up to the standard set by the seniors are:

Mary Pocock 3, Kathryn Chapman 4, Gertrude Schaeke 2, Pauline Baumgartner 2, Cornelia Bade 2, Edith Kyler 3, Harold Baker 2, Ruth Barber 2, Frank Bernhart 2, Mildred Brooks 2, Thelma M. Buirley 2, Kenneth Hart 2, Willis Klein 5, Dortha Kehlmeier 2, and one who has not yet brought in her subscription.

"That the majority of the senior class should show such a lack of pep," said Mr. Robertson, "is a disgrace."

Although only one Gertrude Linne Obenour 2, Maynard Patterson 4, and, with the exception of row eleven, Dr. Draker Lombard 2, Margaret Metzner 3, Elviah Miller 2, Mildred ter of securing subscriptions for their annual is beyond understanding," Mildred said.

"In view of the fact that the Totem last year won the first place in the United States and knowing that this year's book will equal that of last year's it seems that there should have been more trouble in securing enough books for everyone than having so much work in selling books," concluded Mildred.

"The staff has worked hard to put out a good book and we believe that we have succeeded so it is now up to the student body and especially the seniors to show their confidence in the book and the staff by subscribing for the Totem," was a statement made by Chester Wyneken, editor of this year's book.

The failure to reach the goal this year will seriously hurt the annual of the 1927 class, as the 1927 Totem will be cut both in regard to size and quality of contents. This will necessarily be done so as to stay within a smaller budget resulting from fewer subscriptions. Practically every junior should subscribe to safeguard their own book.

On a chart at the main entrance of the school the number of subscriptions of each row is being posted. On the session room board the personal record of each senior is being kept so that every senior may know his standing.

The subscription campaign will be extended indefinitely. The seniors must get two subscriptions apiece or it will be necessary to take the unpleasant means of making up the deficit in the class funds. When this campaign started there were 407 subscriptions yet to be obtained. One hundred twenty-nine of these have been brought in but there are yet 278 to be secured. At two dollars apiece, these Totems will come to \$546. This amount plus the \$500 pledge the senior class made to the Totem equals \$1,046. The senior class now has in the treasury \$400. The balance, \$646, is the deficit of the senior class.

New Rule Made  
A new ruling has been made in the typing department. To eliminate the great number of errors that the students are inclined to make, is the aim of this plan. Every student making over ten errors on a typing test of fifteen minutes must practice on the typewriter the ninth period. Mr. Morris has his students stay on Thursday nights and Mr. March has the ninth period reserved for his on Wednesday nights. A decided improvement has been noted in the number of errors made by the students.

Test Topics Dictated  
Twelve topics, from which the second semester chemistry students will be given a test, were dictated by Mr. Voorhees last Wednesday.

## TIMES EDITORIAL PLATFORM

1. To further scholastic activities.
2. To promote extra-curricular activities.
3. To give well-written accounts of high school happenings.
4. To offer high standards of school spirit.
5. To aid school officials.
6. To let parents and public know what South Side is doing.
7. To keep in touch with other schools.

## It's a Fact

Did you ever think that because of the Times South Side is internationally known?

## Shell Out

The Totem drive ends tomorrow. Have you subscribed? If you haven't, bring your money in the morning.

## The Prom

Are you going to banquet and dance at the Junior Prom Saturday night? If you are, that's good! If not, why not?

## We All Say So

A few more weeks of school and then we can go to the lake or the farm and say, "Ain't it a grand and glorious feeling?"

## Click! Click!

"Oh—to be in the commercial contest at Muncie!" was what most of us wished last Friday. But then, even though the commercialists didn't have to attend school, they were just as warm as we were.

## C. M. T. C.

Uncle Sam is providing a summer camp for boys where they may have all sorts of fun and sport for nothing. Even their railroad fare will be paid. In spite of this, some boys don't want to go. Isn't it queer?

## Beat 'em, Seniors

Last Friday, when half of the senior drive for Totem subscriptions was over, one boy, Frank Robertson, had already obtained nineteen subscriptions. Of course, his row was ahead. The next in rank, was that of the four-year honor students. It might be said then, that Frank Robertson and the honor students lead the senior class.

## Collateral

Outside reading! How many ears listen to those as hateful words! Instead of thinking how much enjoyment they can get out of these books, they think only of the fact that they MUST read them and perhaps take a test on them. The teachers strive to give the students a better understanding of good books, while the student acquires only hatred for the "outside reading list." See how much YOU can get out of those books!

## Brighten Up

"Comets," says Professor Frank Schlesinger, of the Yerkes observatory, "have a way of brightening and fading out in a manner which cannot be accounted for."

In this respect, comets are curiously like many boys and girls. As a rule, they do not study much. However, when they do, they brighten up remarkably; then, when they stop doing home work, they fade out in a manner which they cannot account for. The "F" at the end of the term is such a shock to them that they fade out completely.

## It Is to Laugh

Are you willing to help out the Times for a few weeks? If so, contribute to the Southern Spice column. Have you been reading the jokes there for the last weeks? There have regularly been about five that were not cut from exchanges. Last week, the loss of scissors and paste in room 20 was almost fatal to the column.

Funny things happen in your classes. We know they do. We need those jokes for Southern Spice; so send them in. If everyone at school sent in a joke this week, there would be enough to fill the column for over thirty-five weeks. There are only a few weeks of school left this year, and during these we really would like to see some spice from South Side in the Southern Spice column.

# SOUTHERN SPICE

Mr. Null: "Paul Marrs, if you were to sing a love song whom would the 'thee' refer to?"

With Margaret in the class, Paul hesitated.  
Mr. Null: "You don't need to point, Paul."

"A mashed ball was held," Mr. Schafer found, instead of "masked ball," on Lillian Springer's test paper.

## Did You Ever

1. Get burnt at a fire sale?
2. Think South Bend was a curve?
3. See a January sale in May?
4. Pack the trunk of a tree?
5. Peddle the petals of a rose?
6. Get a sand bath in chemistry?
7. Use the solid gold in gold fish?

Article for Times, written by Edith Kyler: "Tickets can be obtained from anyone who is selling them."

The average man doesn't cast his bread upon the waters until it becomes stale.

## His Last Ride

He owned a touring car, to ride in it was Heaven. He ran across a piece of glass—bill, \$6.97. He took his friends out for a ride, 'twas good to be alive.

The carburator then sprung a leak—bill \$40.95. He started on a little tour, the finest sort of fun, But stopped too quick and stripped his gears—bill \$90.51.

He took his wife downtown to shop; saving carfare sure was great. But he jammed into a hitching post—bill \$11.78. He spent his little pile of cash and then in anguish cried,

"I'll put a mortgage on the house and just take one more ride."

—Exchange.

Caesar student translating: "The ship dashed into the ford."

## And That's Human Nature

The other day when the heavens had been crying and it was difficult to tell whether it had ceased raining or not I saw two men walking in opposite directions. One had his umbrella opened. The other had his closed. As they passed they looked at each other. They reached the opposite corners. The man whose umbrella had been closed opened it. The man whose umbrella had been opened closed it. They continued walking.

"Who are you?"

"I'm the new justice."

"Justice who?"

"Justice good as you are."

—

Millie: "What makes your feet so wet?"

Florence: "Oh, I've been wearing pumps."

—

Nature Lover (gazing at large trees): "Oh, wonderful, mammoth Oak, if you could speak, what would you tell me?"

Gardner (nearby): "Scuse me mum, but he probably would say—I'm not an oak—I'm an Elm."

Lots of men have an aim in life but lack ammunition.

## I Have; Have You?

Yes, I've been in school

And learned the golden rule,

When I'd lots rather be cool

In the ole swimmin' pool.

Sure, I have!

Yes, I've been on Monday morn—

As I sat looking so forlorn—

That maybe Friday nite would come

And then I could chew gum.

Sure, I have!

Yes, I've got on Tuesday eve

That I was free to leave,

And not come back until next day,

When then I'd have to stop my play.

Sure, I have!

And then all morn I've watched the clock

As it ticked every minute, tick tock;

And then when it struck twelve at last

I knew the week was half-way past.

Of course I have, have you?

—B. M.

Living by one's wits has been recommended as an anti-fat remedy.

A sensation was caused in Athens, Greece, recently by the arrest of a young woman for appearing in a skirt that reached only within thirty-eight centimeters (fifteen inches) from the ground. O degenerate Athens! What if South Side girls should dwell within your boundaries?

## His Part

Telling the brave and handsome of a little idea I have in mind, he said it was impossible.

"But my specialty," I told him, "is doing the undoable."

"And mine," he came back, "is undoing the undoable."

—

"Lye" is a part of soft soap.

—

It is said that haste makes waste, yet you seldom find a hustler in an almshouse.

—

Stuttering Mose: "J-just think, t-that b-b-beautiful b-b-butterfly once c-c-came from a cocoon.

Rastus: "Good Lord, Ise guess we is the ancestors of everything."

—

She: "Why leave, the evening's but a pup?"

He: "Sure, but I am dog-tired."

—

It was a wet day, and as the pretty girl entered the crowded car a man arose to his feet.

"No, you must not give up your seat; I insist," said the young woman.

"You may insist as much as you like, miss," was the reply. "I'm getting out here!"

—

Leon: "There must be a shortage of tobacco in Finland."

Bobby: "How come?"

Leon: "It says here that they smoke herring over there."

## HASH!

In the cafeteria:

"Are you Hungry?"

"Yes, Siam."

"Den Russia to the table and I'll Fiji."

"All right, Sweden my coffee and Denmark my bill."

—

Wellman: "Hey, Distel, I took your part today."

Distel: "How's that?"

Wellman: "Wamby said you are so low you would oot out of place in the gutter and I said you wouldn't."

—

V. L. in Latin: "The enemy began to kill themselves from all sides."

The Adventures of Rollo Smedley  
While driving this morning I stopped my car to pick up my old friend Smedley. I made the trip in pretty good time. There was little traffic and so I stepped along at twenty-five to thirty miles an hour. I noticed that old Smed kept his eye on the speedometer, but he didn't say anything until I got downtown. As the car drew up at the curb he hailed a policeman standing near by.

"Officer," he said in dramatic tones, "arrest that man. He drove his car all the way downtown averaging more than the speed limit of twenty miles an hour. I will be a witness against him. He is guilty of flagrant violation of the traffic laws."

When I was through the X-ray examination revealed a skull fracture, several broken ribs, both arms and a leg broken. Is unemployed at present.

## Do You Know

—That the library has Roget's Treas-ury of Words, giving the synonyms of different words?

—That Walker's Rhyming Dictionary, which is to be found in South Side's library, is a great help to all poets and rhymesters?

—That seniors have just one more day in which to get their subscriptions for the Totem?

—That perfumes are made from poison gas?

—That the sun is one star.

—That the solar system consists of the sun, eight great planets with their moons, a great number of much smaller planets, comets, and innumerable meteors.

—That Venus is nearly the same size as the earth.

—That music is supposed to help cure sickness?

—That a blood test has been developed by Dr. Dewey Stule and Dr. Agnes Zeniet by which sex can be determined.

—That there are just 25 more days of school?

## I'm A Nut

I'm the match-making simp. I am never content until I have made a match for every girl or boy I know. I pick out someone I think will just suit them. I just know they'll like each other. I try to get them to gether as much as possible, and tell everyone (except them) that they are "much smitten" with each other. As a matter of fact they probably aren't at all. Most likely they are bored and embarrassed when they are together, but I don't care on bit. I have such a good time.

## I'm Not A Nut

When I go through the line at the cafeteria I get everything that I think I'll want. Then I sit down at a table and try to eat my own meal. I never get it all, though. There's a girl always sits with me and helps me do away with mine. Although she has the same chance I do, she never gets the same things. "That looks pretty good; let me try that," she says and then reaches across. I suppose she knows that she makes me sore; but she just grins and keeps on helping herself.—Hope she gets a stomach-ache.

## Who's Zoo

This trip it's a freshman we mean. She's rather short and slim, and has light, bobbed hair. She has recently started wearing "specs." Yes, that's Ruth Buist.

Ruth is taking Latin, English, algebra, and art. Her teachers are Miss Work, Miss Huffman, Mr. Virts, and Miss Pape. She gets on the honor roll every time, and a number of her drawings were exhibited in Miss Pape's room on open night. She was one of the three who won in the Latin vocabulary contest last term. She was also a Times room agent. She is also associate librarian of the Metieres.

Ruth says she likes to draw. When asked what she particularly liked to sketch, she said: "Oh, nothing especially. I like to draw anything." And she's good at it, too.

### LET ME BE GREEN!

Unlike people, my mission in life is to be green. My home is in the vicinity of Brackenridge high school, but the winter I have spent in the cold dark region underground. Because of the gentle rains, the warm sunshine and the balmy breezes blowing so enticingly, I have been having a strong desire to return to my summer home. But alas! My efforts to delight the eye with my new greenery have been speedily crushed. It is very disheartening! Most people are trying to keep from being green, but when someone really and truly wants to be green, and earnestly tries his best to be green and nobody will give him the slightest encouragement, it just does not seem right. To be sure, I have a few friends. From time immemorial a few good people have attempted to protect me with the immortal sign "Keep off the Grass," but the group have dwindled and dwindled until now the sign alone remains, and they are becoming scarce.

Spring is here once more and even now if you will notice, you may observe bright spots of green among the dead yellowness of last summer. My every blade is a plea. I am the grass.

—Brackenridge Times.

## A Mite of Verse

Music, when soft voices die,  
Vibrates in the memory—  
Odours, when sweet violets sicken,  
Live within the sense they quicken.

Rose heaped, when the rose is dead,  
Are heaped for the beloved's bed;  
And so thy thoughts when Thou art gone,  
Love itself shall slumber on. —Shelley.

## And Werse

### SCHOOL DAYS

(With apologies to Whittier)  
Still sits the schoolhouse by the road.  
A big brick building sunning;  
Around it still the grass won't grow  
If students keep on running.

Within the principal's office seen,  
Ah! pity one who enters,  
Before he steps foot out again,  
That paddle will be in splinters.

The silence of its stately halls,  
The well-kept floors betraying  
The feet that creeping slow to school  
And had no time for playing.

Not long ago a winter's sun  
Shone over it at setting,  
Lit up the western window pane  
And high eaves' ice fretting.

it touched the sleek black shingle-bob  
And blue eyes full of grieving  
Of one who still her steps delayed,  
When all the school was leaving.

Beside her stood a little boy,  
Her childish favor singled,  
His cap pulled low upon his face  
Where scorn and pity mingled.

And he said "Aw go on an' try it, Jo,  
I'll give you another chance."  
Now, I'll tell you why this maid  
grieved so—  
She could not master the Charles-ton dance.

—The Spud.

## Open Letters

To the students:

Are you one of the many who glances over the Times, reading only the articles claiming the greatest space? If so you are forming a very bad habit. The small articles which appear toward the bottom of the front page and on the inside pages are called exchanges; they tell us of interesting incidents of other schools, many of which you are interested in.

We receive papers from practically every state in the union. One comes from Canada; another wanders down from the wilds of Alaska. A Spanish paper is sent to us monthly, and different colleges and universities send us their paper.

We publish articles of interest from these so that the school will derive some benefit.

If they are not read, how will this benefit be derived?

—Exchange Editor.

## In the Stone Age

May 13—Muncie defeated South Side on the diamond, 6-0.

May 15—Annual Mother-Daughter banquet was held in the cafeteria. Mrs. J. Lipkey was toastmistress.

May 16—Rosalia Pollak was made assistant advertising manager of the Times, and Joe Pettit and Lottie Dignan were added to the advertising staff.

May 17—Central had had its small-pox card taken off after it had been up for three weeks.

May 18—The grade school held a May festival to raise money for a victrola and stereopticon slides.

May 18—Mary Forker, Josephine Dinklage and Sylvia Weinraub won the debate against Richmond on "Resolved, that compulsory arbitration should be adopted in public industries."

May 18—Mr. L. N. Hines, president of Indiana State Normal at Muncie, addressed South Siders on the value of education.

May 19—The Junior prom was held in the gym. Paul Hahn's orchestra furnished the music.

## Calendar

May 15—Junior Banquet, cafeteria. 6:30 p. m.

May 17—Philo meeting, Dorothy Somers' home, 3:30 p. m.

May 19—Girl Scout, 3:30 p. m., Greely Room.

## CLASS TEAMS TIE FOR CHAMPIONSHIP IN GIRLS' TOURNEY

Each Wins Five Out of Six;  
Seniors and Freshmen  
Cop One

## FINAL GAMES ARE SHORT

Champion Nines Swamp Oppo-  
nents in Few Innings and  
Add to Victories

The sophomore and junior nines tied for the championship in the girls' round-robin baseball tourney which was finished last Monday. Both teams defeated all their other opponents, and each won one game against the other. It has not yet been decided whether or not they will play again to decide the winner of the tourney.

The seniors and freshmen are also evenly matched, since they each won only one game. All through the tourney the seniors have been handicapped, since so few of their class signed up for this sport. They were forced to forfeit a game to the soph nine on May 7.

Another easy victory was secured by the juniors Friday. In five innings they defeated the freshmen 10 to 2. Gertrude Brouwer and Winifred Englehart each made a home run.

In the final games between the class nines the champions were again victorious. The soph ran away with the freshmen in four innings, and the juniors did likewise to the seniors in three and a half innings. Marjorie Mossman gained four runs for her team, and Leola Foster made one "home run." M. Meyer, M. Hoy, and M. Scheumann are those who scored for the freshmen. The score was 20 to 4. The summary:

## Graceful Pupils Of South Side Falling For New Fad Of Donning Roller Skates

Business of Chiropractors and  
Doctors Increasing; Ding Les-  
sons Being Taken by Many.

They're all doing it now! Doing what? Why, roller skating! A person can't walk to school, walk home from school, or even take a little stroll around the school building during his lunch hour without being almost knocked down by someone who has succumbed to the fad and is taking his daily dozen by donning his four-wheel non-breakables and taking one grand roll.

Often the sportsman is not the only one to enjoy this great slide, and for this reason the chiropractors' business seems to be very much increased during the last few weeks. Persons not wishing to pay the doctor for adjustments are taking up correspondence courses with Lundy Welborn, our football coach, and Miss Dorothy Dix (everybody knows her) in order that they might learn how to fall easy. It has become a common occurrence to see folks limping around with all kinds of scratches and bruises adorning their most venerable visages, and the cause is no more attributed to wild and woolly parties but JUST SKATING.

## JUNIORS DROP SENIORS IN CHAMPIONSHIP TILT

Underclassmen Take Second Victory  
to Cop Title; Dissinger and  
Wedler Star

For the third consecutive year, the junior class team has won the class championship. In the final game with the seniors last Thursday, the underclassmen dropped the senior crew to the tune of 26 to 19. The stellar work of Captain Dissinger, who scored five fields and one free throw, was the big factor in the juniors' victory. "Hank" Wedler was the big gun in the seniors' attack. He scored four times from the field, and twice from the fifteen-foot mark, for a total of ten points.

The first ten minutes of the game was hotly contested, neither team scoring during that time. The juniors were the first to hit the hoop and took the lead never to be headed. The first half ended with the juniors leading 14 to 10.

In the second half the seniors made a gallant stand, but the juniors managed to pull out of trouble by outscoring the graduates 12 to 9 in the second half. The final score was 26 to 19.

Lineups and summary:  
Juniors..... Seniors  
Harper..... Switzer  
Yaggy..... Christen  
Dissinger..... Wedler  
Fricke..... Clayton  
Bennett..... Braden

Substitutions: Baker for Clayton; Klein for Braden, Clayton for Switzer, Braden for Wedler, Wedler for Braden.

Field goals: Dissinger 5, Harper 2, Yaggy 2, Fricke, Christen 2, Wedler 4, Baker 2.  
Free throws: Harper 3, Yaggy, Dissinger, Fricke, Wedler 2, Christen.

## Students Become Teachers

That the students may derive more benefit from the study of U. S. history, Mr. Barton, of Central high school, Minneapolis, Minn., has given his history students the opportunity to take the role of teacher. In each row one pupil has been appointed a teacher.

Many of those persons who have not put themselves on the invalid list have already enrolled themselves in the diving classes at the Young Men's and Young Women's Christian association. They believe that there is nothing like learning how to do the mud dive gracefully.

Instead of the old time parties where the guests used to entertain themselves by playing "Pussy Wants a Corner" or "Simon Says Thumbs Up," the modern youths enjoy themselves by gliding around the city on their rolling sole savers.

Among those who have fallen for the new fad are several fair lasses from our own midst, namely the Misses "Reba" Andrews, "Sue" Buirely, Doris Buirely, "Tippy" Price, "Scotty" Scott, "Spacky" Spackman, Jane Bitter, "Milly" Flaylick, "Jimmy" Bell, "Flo" Clements, "Dotty" Kohlmeier.

Had one been on the party which they enjoyed a few nights ago, been in the rough places, took as many spills, broke as many pavements, lost as many skates, slid around as many corners, and last but not least, eaten as much as these young members of the "weaker" sex, he would surely be subject to fits of the night-mare for several evenings. There seems, however, to have been no serious effects on our latest polly-rollys.

## TWENTY-THREE GIRLS SIGN UP FOR TRACK

Nine Events to Be Held; One Person  
May Enter Three Contests  
Only

Twenty-three girls from the gym classes and others interested in this sport have signed up for track. Miss Patterson urges more girls to enter the events since more are needed for competition. Each girl may enter any three of the contests scheduled. Of those already listed, one is a senior, eight are juniors; eight are sophomores, and six are freshmen.

The events and those entering them are:  
220-yard relay (four on a team)—W. Englehart, H. Smith, M. A. Tannehill, C. Suter, L. Foster, R. Carpenter, G. Hart, R. Bennhoff, and B. Patterson.

100-yard low hurdles—M. Mossman, M. Koster, F. Koster, B. Jenkins, R. Parkhurst, D. Miller, and L. Foster.  
Running broad jump—W. Englehart, M. Canada, M. Hay, R. Parkhurst, B. Jenkins, I. Wilkinson, and R. Carpenter.

Running high jump—M. Koster, M. Hoy, G. Brouwer, and R. Carpenter.

50-yard dash—M. Canada, M. Tannehill, J. Rank, B. Jenkins, J. Wilkinson, R. Bennhoff, E. Siples, B. Patterson.

100-yard dash—M. Tannehill, M. Mossman, J. Rank, H. Smith, G. Hart, J. Wilkinson.  
Baseball throw—N. Merica, F. Koster, M. Koster, M. Hay, R. Parkhurst, E. Siples, D. Miller.

Basket ball throw—W. Englehart, C. Suter, R. Bell, E. Siples.  
Ruth Bennhoff is so far the only one entered in the running, hop, step, and jump.

**Make Scrap Books**  
The Girls club of Central high school, Minneapolis, Minn., has been making scrapbooks for orphans and poor children. Interesting pictures are to be pasted on blue drawing paper by the girls.

**Conduct Joke-Telling Contest**  
A joke-telling contest is the latest thing in Lincoln (Neb.) high school.

**Radiola Installed**  
A four-tube radiola III, was installed in the physics room at Central high school, Sioux City, Iowa. The set was won by a student of Central in an essay contest and according to the rules of the contest the set was given to the school.

**Girls to Entertain**  
The girls glee club of Central high school, Kansas City, Kansas will entertain their mothers and lady teachers with a tea.

**To Give Circus**  
The girls athletic club of Central high school, Kansas City, Kansas are planning a circus to be given in the near future.

**Contribute to Chest**  
The students of the Marion (Ind.) high school contributed one hundred-eighteen dollars and ninety-eight cents to the community chest.

## KOKOMO ATHLETES TAKE FIRST PLACE IN W.V.C. EVENT

Show Heels to Four Compet-  
itors; South Side Sup-  
posed to Enter Team

## THREE RECORDS BROKEN

State Champs Show Great Form  
in Meet Before Sectional; Ex-  
pected to Be Contenders

Kokomo won the Wabash Valley track and field meet at Logansport Saturday by downing their nearest competitors by a 15 point margin. The scores totaled are as follows: Koko, 54.5; Rochester, 39; Wabash, 33.2; Peru, 29.4; Logansport, 8.9.

## Three Records Broken

Three former records were shattered at the meet Saturday. Showalter, of Wabash, set a new record in the 880-yard dash, doing the half mile in 2:09 1-5. He was hard pushed by Abbott, of Peru. The former record for the 880-yard dash was 2:12, held by Murphy, of Rochester.

The pole vault mark was also broken. Warne, of Kokomo, topped the bar at 11 feet to take the event from Flynn, of Rochester, and then valuted at 11 feet 6 inches for a new official record.

The half-mile relay team from Wabash bested the former record by one second when the quartet ran the 880 in 1:38 2-5.

Rockwell, of Rochester, was high point man of the meet with a total of 5 points. He copped fifth in the century run, first in the 220-yard dash, first in the shot-put, and second in the 220-yard low hurdles.

Kokomo, Rochester, Logansport, Peru, and Wabash were entered in the meet. South Side had previously been entered in the meet, but duo to her suspension was unable to compete.

## LIME CITY COLLEGIANS MEET GREEN SLUGGERS

Huntington Tossers Expect Little  
Difficulty in Subjugating Kellys;  
South Side Prepared

The Huntington Collegians oppose the Fightin' Green diamond warriors in the stadium tomorrow for the third game this week.

After the two previous games this week the Kellys are primed to take the collegians into camp if it can possibly be done. All of the Kelly players are in fine condition for the fray and a great game is expected. The collegians have started out at a fast pace this season and feel confident of dropping the Green sluggers.

Plasket will probably start on the mound for the Green, with DeHaven behind the bat. Dissinger will no doubt play at first, with Wellman and Wamby at second and third respectively. Null is scheduled to hold down the short field position. Distel, McAfee, and Schroeder will cover the outfield.

The starters for Huntington have not as yet been announced but in all probability will have no trouble in placing a capable team on the field.

## Strikes & Spikes

Next Saturday is the sectional track meet at the stadium. Although our team is not entered, we would like to see every student there rooting for the Tigers.

Just imagine that you see our gallant cinder pounders out there fightin' it out with Central.

How do you like the outcome of the meet with Muncie Normal? Not so bad, eh?

Maybe also our baseballers didn't do so worst (not meat) either. Ach nein!

While this is being manufactured the school janitor force (including the coaches) is massaging the infield of the stadium. It gives us a slight recollection of sowing wild oats. Especially since Tiny DeHaven is out there manipulating a rake.

Ye Weakly Sleep Producer: Mr. A. L. Trester was given a large wreath of roses by all the South Side students on observation of Father's Day.

Remember, gang, when you see the baseball team play the various colleges here for such a low sum, you sure are getting your full money's worth.

What is a dual track meet??? We aren't afraid to venture that this question has been asked the writer at least five times. Some students think it means "dool" spelled with a u and an e. The right interpretation is that it is a meet which, when the total points are added up, make a total of ninety-nine points. Thus the team that gets over forty-nine and a half points wins the meet.

Whatsa matter with our tennis enthusiasts? Come on gang, let's show your stuff. Do something!!

Not long ago an article appeared in the Times in which it was suggested that, if the tennis courts in the stadium were to be made fit for use, the gravel would have to be scraped from it and clay hauled and rolled over the courts.

A hint to the wise is sufficient, according to Shakespeare, so some of ye enterprising youths who crave more courts to knock the ball around on please take notice. If any are interested, write to us.

**Clean-up Day Observed**  
Clean-up day was observed by the students of Hastings (Mich.) high school recently.

# College Shop's 1<sup>ST</sup> Great Sale for High School Fellows Only--

## Seniors!

Saturday is the day for you to get your graduation suit and suit for College next fall—

## Juniors!

## Sophomores!

## Freshmen!

Here is your opportunity to get a light suit for summer or a dark blue suit for fall or both.

## MISS ESAREY'S CLASSES TO HAVE WIENER ROAST

Losers of Spelling Match Will Entertain Winners; Baseball Game to Feature Fun-Fest

A wiener roast will be given Friday, May 14, at Foster park by Miss Esarey's second period English class in honor of the fourth period class, which won the spelling match held Friday, April 29th. Mr. Davis and Miss Pittenger are to be the guest of honor.

The classes will leave school at 3:15 and hike to Foster park. Walter Henning secured permission from the board of park commissioners for the use of the park, pavilion, and ball diamond.

Charles Gruenert is chairman of the entertainment committee, and Enid Stilwell has charge of the decorations. The committee is to choose the place for the fire, build the fire, get sticks on which wieners and marshmallows will be roasted, and to clean up after the picnic.

Elsie Bluke is chairman of the reception committee which is to see that every person has a good time. Elsie Beal is chairman of the invitation committee. Various games will be played before supper and ghost stories will be told afterwards. There will also be a baseball game between the two classes.

## Week's Anniversaries

May 13—Settlement of Jamestown, Virginia, 1607.

May 18—Peace day.

May 19—Nathaniel Hawthorne died.

May 20—Wisconsin admitted to the Union.

William Hawthorne sailed from England at the age of twenty-three to Salem, Massachusetts, with Winthrop.

In 1501, at Salem, the sixth son was born to William Hawthorne, named Nathaniel. Four years later William died at a foreign seaport.

At the age of fourteen this son, Nathaniel, went to Sebago Lake, Maine, to live for a while but three years later he was dissatisfied so he went to Bowdoin College in Maine, where he met Longfellow and Franklin Pierce.

After Hawthorne graduated in 1829, he spent twelve years in taking up apprenticeship for an author.

Hawthorne married Mrs. Sophia Peabody when he was thirty-eight and it first was very successful but because of several failures later, he was very poor, he then took a position as a surveyor of customs at Salem with a salary of \$1,200 a year.

In 1850 he published one of his greatest romances, "The Scarlet Letter." In 1852 he bought a new home "Wayside" where he lived the rest of his life.

Hawthorne was appointed consul at Liverpool by Pierce who had been elected president of the United States. He received from five to seven thousand dollars a year. After filling this position for four years he resigned and he and his family traveled through Europe. While he was in Rome he published his last great romance, "Marble Faun."

His health began failing him and in May, 1864, Pierce, thinking a trip would be beneficial for Hawthorne, sent him to the White Mountains. They retired at a hotel in Plymouth for the night. The next morning Pierce found that Hawthorne's wish of dying unawares in his sleep had been gratified. His death occurred in his fifty-ninth year.

Some of his greatest works were "Twice Told Tales," and "Mosses from an Old Manse." In these there are eighty-two tales and sketches which represent the surviving literary work of his first forty-five years of life. Others were the history of New England told in "The Gentle Boy," "The Maypole Merry Mount," "Endicott's Red Cross," and "Lady Eleanore's Mantle."

He also wrote many children's stories such as "Grandfather's Chair," "Wonder Book," and "Alegwood Tales."

Hawthorne romances were four in number: "The Scarlet Letter," "The House of Seven Gables," "The Marble Faun," and "The Blithedale Romance."

## Quizzzy Quizz

Question: Which is the most useful room in the building?

"I think the library is the most useful room in the building," said Harold Stein, "because it is of great assistance to the students in getting outside reference and good reading books."

Mildred Brooks said, "I think the Greely Memorial room is the most useful room because it gives the various meetings a nice room to have their meetings in, and the clubs have better attendance."

"The study hall is the most useful room in the building, I think," said DeNeal Pfeiffer, "because you can study in there and concentrate better."

"The most useful room in this building, I think, is the gym, because after your studies you can go there for recreation," said Kathryn Wescher.

Louise Ryberg said, "I think the library is the most useful room in the building, because you can use it as a study room and if you have any reference work to do, you can always depend on the library for it."

"Rooms 26, 24, and 28 are the rooms I think are the most useful in the school," said Winifred Guntor, "because in these rooms students are trained for a business life. They will develop accuracy, neatness and learn to concentrate. When they finish their course in these rooms they will be prepared for their future life."

## Chemistry Grading is Quite Complicated; Students Pay For Laboratory Breakage

Method of Absorbing Loss Prevents Pupils' Carelessness When Using School Apparatus

All breakage in the chemistry laboratory is charged to the student who causes the loss. The purpose of this method is to prevent carelessness.

Mr. Voorhees' method of grading is quite complicated. It depends on tests, credit points, and personal estimate.

Mr. Voorhees' following detailed statement explains both breakage and grading:

"Each pupil has a certain set of apparatus. These are kept in a locker. When any of these are broken, a new piece is gotten from the stock room. The name of this article is filed on a slip of paper with the pupil's name. At the end of the semester, the pupil pays for things broken. Laboratory apparatus are checked out by a monitor and returned at the end of the year."

## Student Wishing to Study All Subjects Would Spend Eleven Years at South Side

Sciences Offer Most Credits; English Is Next on List with Five.

If a student of South Side wished to take all the subjects offered this year, by taking four studies a term, eleven and five-eighths years could be devoted to puzzling over books.

Five years might be spent in studying English, including one year of journalism. The same number of years could be spent in the mathematics department, by learning arithmetic, algebra, geometry, and trigonometry. History could claim three years of the student's time in high school, by offering United States history, general history, and civics.

A student desiring to learn French, Latin, German, and Spanish, would be able to translate foreign languages

the double period. Anything broken is charged in the same manner as the above.

"The grades are made up from three things: first, the average of the test grades and second, credit points for laboratory work. In a semester we have twenty double periods for laboratory work. One hundred percent, divided by twenty, equals five; therefore, an experiment which takes one double period is worth five points and so on. These special experiments are posted on cards, only three of a kind being available at once. Quantities of experiments are given credit points according to the smallness of the percent of error. For the mid term grades, the credit points are multiplied by two. The third factor is the grades in the instructor's personal estimate. The average of the tests, the credit points, and the personal estimate gives the grade, providing that a certain number of written recitation exercises, and a certain number of demonstration exercises have been turned in."

twelve years. Then, if he wished to undertake all of the sciences, biology, physical and commercial geography, physics, botany, and chemistry, he would have to study in that line for five and one-half years. The commercial course offers four years of work, business English, bookkeeping, office practice shorthand, and typing.

A four years' chance of learning to cook and sew and also to make tables, lamps, bookends, and many other things is offered at South Side. Art and music, including history of music, music harmony, glee club, the band, and the orchestra, would both require the same number of years. Physical education offers "daily dozens" for four years.

Adding the numbers gives a total of forty-six and one-half years. Then dividing by four, which is the average number of subjects carried per term, the result is eleven and five-eighths years of "misery."

## Seniors Tell What Changes They Would Make If They Were To Repeat High School Course

Most Pupils Would Take Four Years of Mathematics and Latin.

What changes would you make in your high school course if you were to repeat it? This was a question asked a number of the seniors last week. Most of them agreed that they would take four years of both mathematics and Latin.

Dorothy Emrich, valedictorian of the class said that she would take journalism and four years of mathematics. She also said that she would repeat her four years of Latin.

Edith Kyler thought that she would

take four years of Latin and mathematics, but would not take shorthand and typewriting. She would also have taken journalism in her sophomore instead of her senior year. Willis Klein said about the same thing.

Eleanor Colson was of the opinion that she would have taken more science as she just took chemistry. Thelma Gasser is quite satisfied with the course she studied except that she did not think that she would repeat domestic science.

Louise Ryberg said that she would have taken two years of Spanish and two of French instead of four years of French. She would not have taken advanced algebra, but would have studied domestic science.

## Girl Scouts

Girl Scouts met in Room 146 last Wednesday for the regular weekly meeting. Miss Weston, the captain, was there with a great many new ideas.

The girls were told to write on a slip of paper the name of the scout whom they thought lived up to the ten laws faithfully, kept her promise and was the best all-round scout in the troop. Three girls tied for first place, so all three were announced winners. The purpose of this vote was explained later. Miss Weston wished to send some scouts on a secret mission each week. Laura Heaton was the first to receive her mission. Dorothy Davenport and Betty Ward were sent later. Only these girls are to know what the missions are.

Maxine Rahe will take care of the younger scouts of Harrison Hill on Wednesdays in the future. As she was the patrol leader of the Pussy-willows, a new patrol leader was appointed.

The entire troop began work on the Home Makers badge last Wednesday.

The plans for a house were to be decided on before the next meeting and the patrol were to go to the public library for help. Later the plumbing, roofing, furniture, and wiring will be planned.

The court of honor held a short meeting before the regular meeting closed. The patrol leaders and captains composed this. Virginia Hackney was appointed treasurer.

## SOCIETY

Miss Oppelt, Miss Esarey, and Miss Patterson chaperoned Janet Rank, Winifred Englehart, Grace Hart, Evelyn Goddard, Helen Smith, and Gertrude Brouwer on a recent hike.

Miss Crowe, Janet Rank, Leola Foster, Winifred Englehart, Ruth Wilson, Nellie Merica and Gertrude Brouwer enjoyed an eight-mile hike on the River-road Sunday afternoon. The "hikers" returned to Gertrude Brouwer's home where they enjoyed an 8 o'clock dinner.

Doris Jackson spent the week-end in Van Wert, Ohio.

The members of the Keam Maj society were delightfully entertained last Friday evening by Miss Anna Henry at her home on East Creighton avenue. The evening was spent in playing bridge and dancing. At a late hour a dainty two-course luncheon was served. Those present are, Faynell Filler, Marion Miller, LaVon Blue, Agnes and Alice Wehmeyer, Louisa Krill, Marcela Connors, Marie Rudolphson, and the hostess.

Miss LaVon Blue spent the week-end at her summer home at Tri-Lake.

Miss Wilda Bowser of Pontiac street spent the week-end at Gambier, Ohio, where she was a guest at the May prom given by the students of Kenyon College.

Frank Bernhard entertained a few of his friends last Saturday evening with a stag party. Those present were Fred Wambganss, Chesterton Plasket, William Thiele, Lester DeHaven, and the host. Refreshments were served.

Frank Bernhard and Paul Staigt motored to Kendallville last Sunday.

Phyllis Toothill of South Webster street entertained a number of her friends at the first series of bridge parties, Saturday afternoon.

George Ann Gilliom spent the week-end in Evanston, Illinois visiting her brother who is attending Northwestern University.

Neenah Knight recently entertained a number of her friends at dinner party at her home. Covers were laid for Mary Hillis Miles, Davona Koehr, Diddy Dildine, Harriet Heister, Marguerite Luecke, Dorothy Underwood, Dorothy Neibergall, Hildegard Seibel, Greta Astrom, Bonnie Bennett, Dorothy Troendle, Dorothy Troyer, Phyllis Toothill, Mary Hughes, Marjorie Reeves, Margie Horstmeier, Louisa Fredricks, Cappy Twining, Jeanette Stults, Ann Barrett, Alice Elder, and Betty Hutchens.

Melvin Richendollar is employed at the Bass Foundry & Machine company. He formerly worked at the General Electric company.

Ethyl Fishman, '25, formerly of this city, has moved to New York.

Dorothy Graham, '25, is employed at the General Electric.

Mable Markley, '25, is employed at the Fort Wayne Printing company.

Vivian Crates, '24, is enrolled at Indiana University.

Flois Johnson, '24, is employed at the Indiana Service Corporation.

Alice White, '24, is employed at S. F. Bowser's Co.

Harriet Weiser, '24, is enrolled at the University of Michigan.

Louis Wilkins, '24, is employed at Wilkins' meat market.

Alma Busche, '23, is employed at the Lincoln National Life.

Dorrit Aström, '24, is enrolled at the University of Wisconsin.

Stanley Creighton, '24, is employed at the Fort Wayne Printing company.

Bertha Bandtel, '23, is enrolled at the Northwestern University.

Bob Jurgensen, '24, has returned to Purdue University after spending the week-end with his parents.

Lorna Frauenfelder, '25, a student of Indiana University, spent the week-end with her parents.

## BETTY WARD'S NOVEL READ BY METERITES

Poetry Club Members Decide to Get Pins; To Have Picnic Friday

The reading of Betty Ward's novel was started at the last meeting of the meterites held Friday evening in room 60. At the business meeting the Meterites decided to order pins which are expected to be here soon. About twelve members were present at this meeting. A picnic for those who contested in the spelling match will take the place of the next meeting, Friday.

## GIRL RESERVES STAGE BANQUET FOR MOTHERS

Toasts, Dancing, Music, and Tableaux Feature Program at Y.W.C.A. Gymnasium

Over 275 Girl Reserves and their mothers participated in the annual Mother-Daughter banquet held in the Y. W. C. A. gym last Friday night, May 7. The reason for the banquet was the fact that the week of May 2 to 9 was Girl Reserve Mother-Daughter week.

Mrs. W. O. McBride was toastmistress. The theme of the toasts was "An Old-Fashioned Garden," and Mrs. McBride's toast was entitled "The Gardener." Cornelia Bade gave the toast for the mothers, called "Rosemary for Remembrance," and Mrs. C. E. Kendrick responded with "White Rose for Girlhood," the toast for daughters.

Doris Slater, accompanied at the piano by Mrs. Slater, gave a solo dance, her number on the program being called "A Butterfly in the Garden." Miss Ida L. Jones, general secretary of the Y. W. C. A., then gave a short toast called "Pansy for thought," and Margaret Roberts, president of Friendship club, responded with "Forget-Me-Not."

A number of tableaux were presented, each portraying some famous mother and daughter of American history. Those who took part in these are Margery Burres, Thelma Gasser, Mervyn Welch, Ruth Schneider, Rachel Dole, Mary Shields, and Mrs. James Shields. Miss Bauer, accompanied by Miss Eikenberry, sang during the presentations songs fitting the particular tableau.

Eleanor and Eldora Colson furnished music while the guests were being seated. During the intermission between the giving of the toasts and the presentation of the tableaux, corsage bouquets were presented to the mothers.

Tickets for the banquet were fifty cents for mothers and thirty-five cents for daughters. Girls whose mothers were unable to accompany them went with a teacher. The teachers from South Side who attended are Miss Perkins, Miss Woodward, Miss Rinehart, Miss Kiefer, and Miss Pittenger.

## South Side's Complicated Signal System Is Regulated By Master Clock In Office

Punctual Person Who Rings Bells Is Inanimate After All.

Who rings the bells? Who is the punctual person that gives the signal for periods to start and stop? Have you ever wondered about it?

The signal system of the South Side High School is entirely automatic, requiring no attention in its operation. It is of the latest and most up-to-date type of the Seth-Thomas Electric Clock works which installed this system in South Side when the school was erected.

The heart of the entire system is the large master clock, located in the secretary's office. This one clock not only automatically rings the period bells at regular intervals, but also keeps each of the nine secondary clocks located in the halls, gymnasium, cafeteria, library, and manual training department at exactly the same time.

In the master clock, located in the secretary's office, there is a paper

tape which is divided into minutes, hours, and days. At a certain place on the tape marked 8:15 a. m. there is a part of the paper cut away. Since this tape moves once a minute it will gradually bring the open part to a brush contact arrangement which causes an electrical contact operating a magnetic relay in the clock. This relay in turn then rings the bells at the regular forty-five minute and five minute intervening periods.

The system is capable of running four different programs in different parts of the building. Only one program is maintained at present. Whenever shorter periods are used, the bells are rung by hand from a switch board just below the master clock.

The time stamp in the secretary's office which registers automatically the minute, hour, day, and year is also regulated by the master clock.

The minute hand on the master clock does not move steadily, but once each minute. Every time this movement takes place an electrical contact is made which operates magnetic relays in each of the nine secondary clocks thus keeping all clocks in the building at exactly the same time.

## Students and Teachers are of Opinion That Slipping by and Slighting Work Doesn't Pay

Besides Having a Guilty Feeling, One Misses Getting the Education Extended.

The students and teachers as a general rule think that it doesn't pay for the students to slip by their lessons.

"One has a very guilty feeling of not having done the work as one should have, and would like the opportunity of taking it over," said Gertrude Grimes when interviewed.

Violet Fairfield and Winifred Deeth both think that one does not get the benefit from his education and opportunities that he should get if he does not work hard.

Jack Clayton takes a slightly different point of view on the subject. He thinks that if a person is capable of doing good work in high school but instead studying neglects his work and barely passes at the end of the term, that it is wrong to just slip through. In case the student is not overly brilliant, it is Jack's firm belief that it is better to slip through than not to pass at all.

"It would not pay to try to slip by because I guess I'm not only enough," said Mildred Scott when asked for her opinion on this subject.

Thelma Gasser said that one is not supposed to study to recite, but to study to get knowledge and therefore she believes that it does not pay to get through in any way.

Virginia Kinerk said that one goes to high school to get an education and if he just slips through he will not get an education.

"It always shows up on your final exams if you do not get your work thoroughly," said Dorothy Augspurger, "and therefore I think it is better to work hard all the time."

Miss Rinehart thinks that a C grade person does not get the benefit from a study that he should, although he gets his credit for the work. "It is not a C grade of man or woman that is needed but the A and B class," she concluded.

"If I were a student I should want to be considered at least of average intellect and ability and lower than a B and C grade shows inferior work," said Miss Mott when asked her opinion on the subject.

"You don't gain anything and you lose something when you try to just get by in your work," was the opinion of Mr. Huddleston. "A student who just slips through will eventually come to a stumbling block, the same as a high salaried man will if he tries to slip by with the least possible work."

## B. SMITH WINS THIRD IN CHEMISTRY CONTEST

Essay Takes Honors in State Contest; Award To Be Received at Commencement Exercises

Brooks Smith, a February graduate of South Side, was awarded third place in the section of the Indiana State Chemistry Essay contest, in which his essay on "The Relation of Chemistry to Health and Disease" was entered.

As one of the winners in this contest Brooks is entitled to apply for a one-year tuition scholarship in one of the following colleges: Wabash, Earlham, Franklin, and Taylor University. A \$250 gold piece will be awarded to Brooks at the graduation exercises in June.

Cornelia A. Bade, a member of the senior class, was awarded first place in the section in which her essay on "The Relation of Chemistry to the Home" was entered. By winning this she becomes a participant in the National Chemistry Essay contest which is being sponsored by the American Chemical society. She will receive an award of twenty dollars as well as a first prize certificate at the commencement exercises.

The winner in each of the six divisions in the national contest will be awarded a scholarship, including \$500 annually for four years besides the tuition fee.

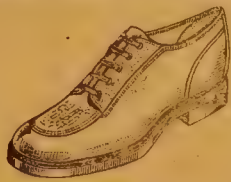

At first it was thought that only two places would be awarded in each division, but late it was decided to increase the number to three.

## Male Instructors Play Varied Roles During First Experiences as Teachers

Davis, Schmalzried, Gilbert, Hull Report on First Jobs of Professions.

"Dean of Boys," "Dean of Girls," principal, teacher, and janitor was Mr. Davis when he first started his career in teaching. He was executor of all these duties at the Conklin school in District No. 1, Jackson township, Hancock County, Indiana.

He had to walk six miles to school on Monday, and after he reached his destination he did not walk back the six miles until the school week was finished. When he became wealthy he bought a "flivver" so that he could go back and forth every day. He was the teacher of eight grades, which all met in the same room.

Mr. Davis did not have all work, for he played "Anthony Over" or what is now called "Ante Over" with his pupils at recess.

Andrews, Indiana, claimed Mr. Schmalzried first, since it was his home town. He was not only principal, but also taught history and physical geography in the school.

Mr. Gilbert began his teaching experiences at Winter Haven high school, Winter Haven, Florida. This town is a winter resort and has about seven thousand inhabitants in the winter and three thousand in the summer. Mr. Gilbert had classes in senior chemistry, freshman and sophomore algebra, freshman English, Latin, and Physical geography. He was also coach of the athletic teams. He says, "In the spring when the seniors were practicing for the senior play after school, the rest of the pupils would go over to the dance hall next door to the theatre in which the seniors were practicing and dance the rest of the afternoon."

Mr. Hull first taught in the Sinclair school, in Warrick county, Indiana. The school was a county grade one and was a one-room building, housing all the pupils from the first to the eighth grades. About twenty-five or thirty pupils attended this school.

The pupils who were lucky enough to get close to the stove which was in the center of the room in the winter time kept comparatively warm, but the rest just about "froze."

## With the Classes

Alice Parr won the definition contest in the second period English class.

Miss Bessie Marlin, of Jefferson high school, Lafayette, Ind., spent the week-end as a guest of Miss Paxton.

Mr. Makey's senior classes have completed their requirements in English composition. They are writing compositions which are three hundred words long. The students are allowed to choose their own subjects for these themes.

Miss McClosky has been posting some very attractive posters in her class room recently. She obtained them from the National Child Welfare association and they contain many interesting lessons.

Dixie Buchanan and Isabelle Wilkenson are making oil paintings in Miss Ley's art class—Isabelle is painting a figure copy while Dixie's is scenery.

To Hold Skating Contests  
The junior and senior classes of Knoxville high school of Knoxville, Tenn., have arranged for a private skating party for high school students only. Contests will be held to determine the best skaters. Races will also be held, and there will be a band on roller skates.

Print Student's Poems  
A collection of poems written by one of the 11A English classes of the East high school of Cleveland, Ohio, has been printed and is being distributed to that class by one of the teachers.

## FIRST AND SECOND YEAR HIGH SCHOOL STUDENTS

You surely want to earn money while attending school—You will perhaps wish to take a four-year course at a college but will need the capital to pay for your tuition and living expenses. Many boys who have carried newspaper routes for us have, because they had the common sense to save the money earned, found it possible to go to college and pay their expenses with the profits derived from Journal-Gazette routes.

I expect to make many changes soon in our carrier organization, therefore, suggest you file your application with me at once. But, I want only Hustlers! Sheiks and spend-thrifts need not apply.

## SENIORS:

Have You Got Your Two Subscriptions

## Senior's Seats Arranged

The first person of the graduating class to receive her diploma will be Dorothy Emrich, valedictorian of the class. Dorothy will have not only the honor of having the first seat in the first row, but also the honor of being the first person who has attended South Side for four years or through-out the whole high school course, to be graduated. The other students sitting in the first row are those having earned the greatest number of A's during their four years in high school. They are Mary Pocock, salutatorian, Kathryn Chapman, Eleanor Colson, Gertrude Schuelke, Pauline Baumgartner, Mildred McCune, Beatrice Riecke, Richard Bickel, and Elizabeth Schmidt.

The members of the class in the following three rows are those who made the honor roll during their senior year. They are, seated alphabetically:

Second Row—Cornelia Bade, Winifred Beeth, Thelma B. Bireley, Norman Christen, Alvah Corey, Elsiebeth Crane, George Dierstein, Clara Dones, Ruth Eickmeyer, Maurice Felger.

Third Row—Charles Folsom, Helen Goette, Gertrude Grimes, Winifred Gunter, Grace Hall, Florence Hansen, Kathryn Heuline, Willson Kohnstetter, Neenah Knight, Leona Kuhl.

Fourth Row—E. Kyles, Viola Leach, Rosella Lindlag, Gladys Muny, Louise Platt, George Simon, Brooks Smith, Dorothy Somers, Mary Alice Tannehill, Kenneth Ulan.

The rest of the 138 students graduating are arranged alphabetically. They are:

Fifth Row—Homer Altevogt, Rebecca Andrews, Dorothy Augspurger, Flora Baer, William Baer, Harold Baker, Walter Baker, Richard Balmer, Ruth Barber, Virginia Bell.

Sixth Row—Bernadene Bennett, Mildred Berlien, Frank Bernhardt, Leah Blume, Virgil Breneman, Hazel Bridgman, Mildred Brooks, Marie Brown, Thelma M. Burley, Margery Burres.

Seventh Row—Jack Clayton, Florence Clements, Beulah Corwin, Raymond Crick, Hazel Mae Cruse, Donald Currie, Lucy Dutton, Gerald DuWan, Violet Fairfield, Elvah Fashbaugh.

Eighth Row—Mabel Fell, Violet Fell, Wesley Felmele, Hillis Fitch, Robert Fleming, Mary Jane Florence, Robert Fretz, George Gable, Maurice Garwood, Thelma Gasser.

Ninth Row—Martha Grote, Junior Groh, Geraldine Grover, Clarence Gruenert, Isabelle Guenther, Harold Guillot, Lois Hallifax, Earl Hambrick, Cecil Harrod, Kenneth Hart.

## Politics Of Missouri

On a large farm in Missouri, on the Kelt river not far from the small town of Harrison, lived a rich farmer. He was known for his fairness to his neighbors and friends; and, in fact, he was very kind, or too good to his enemies. No matter how good a man is, he has some enemies. Mr. Alton had one especially, but he did not know it at this time. R. F., as Mr. Alton was called in his own locality, was considered a good planner, money maker, and all-around farmer in his community. He owned a two-hundred acre farm and not only had the best wheat, fruit trees, vegetables, hogs, and cattle in his district; but he also raised many horses. His stables were large, roomy, and always clean. One of his horses, Estelle, was liked by all on the farm, and usually received the most petting from everyone.

In Harrison there lived Mr. Renault, a well-known man dealing in horses, who had come to Harrison two years before that April. He was respected, not because he did honest work, but because people never knew that he did otherwise.

Mr. Renault had plotted with one of his chosen friends of the town to steal Estelle. The Alton family would not be at home on this Saturday night, as he had promised relatives to stay overnight with them in town. Mr. Alton had left his colored boy, Sammy, who always took care of the horses and slept next to the stable, in charge. Mr. Renault naturally expected that Sammy would go to town; but, if he did not, they could easily get rid of him.

Now Sammy was rather temperate. Of course he went to town with the other colored boys and was also brought home by the boys in a semi-dead stupor. He was just dropped in to the corner, in the hay in Estelle's feed-box. About 2 o'clock stealthy foot-steps approached the stable and entered the office room first, to see if Sammy was back, and then into Estelle's stall. Now Sammy was just beginning to discover where he was and to understand what had happened. Just then he heard some one talking, and he could not imagine who it was. He heard some one say, "Here, Bill, is the right stall, and this is the old nag you want, I guess." Then he heard some one answer, "Well, hurry up and cut the rope, fool. Don't stand around all night. You know we've got to get to the old shanty on the river yet."

Then Sammy knew who it was and knew that Mr. Renault was the thief. He thought to himself, "What could I do? I can't crawl out of this place. Why, they'd be liable to skin me alive." He at last decided to wait till the left, and then go as quickly as he could to town, get his master, and then go after the horse. He arrived in town and told his master. Mr. Alton understood the situation and decided to let Mr. Renault off easy. He arrived at the place and found his horse. Mr. Alton warned Renault that he was now in his power and should not try to annoy him any further—in fact, to have nothing more to do with him and he would not prosecute. Now Mr. Renault was burning with revenge. To think that he should get caught just when he was ready to make a nice little fortune, as he recognized a valuable trotter in the horse. He decided it was all because of "that confounded nigger," and could not understand where Sammy had been. He knew or thought he would get even, as he thought about the time up north when Planigan had tried to find out who was cutting his timber, but did not succeed. If he could do that he could have revenge on R. F.

Of course, Mr. Alton was ambitious like all his ancestors, and he was thinking one night about his life. He had been a good farmer all his life. In fact, had gone to college to study agriculture. He had prospered year

Tenth Row—Oscar Helgren, Jean Herd, Pauline Hilbish, Fred Hoffman, Beatrice Huguenard, Ruth Hull, Doris Jackson, Dortha Johnson, Macy Kelsey, Thelma Kern.

Eleventh Row—Willis Klein, Dorthea Kohlmeier, George Kress, Robert Krill, Amelia Kruckeberg, Erich Lasch, Marguerite Lew, Gertrude Linneier, Draker Lombard, Dale Lords.

Twelfth Row—Alice Mason, Robert McAfee, Gertrude McAninch, Evelyn McGinley, William McMahon, David Mercer, Margaret Metzner, Dorothy Metzner, Dorothy Meyer, Martha Meyer, James Miles.

Thirteenth Row—Elvah Miller, Orville Miller, Marie Moellering, Wayne Moore, Richard Moores, Frederick Niemeyer, Mildred Benour, Mary Lucille Otten, Maynard Patterson, Paul Perry.

Fourteenth Row—Robert Pinkham, Chesteen Plasket, Thelma Price, Philip Rahe, Iva Riley, Ivan Rinehart, Frank Robertson, Fayma Root, Escher Roush, Louise Ryberg.

Fifteenth Row—Walter Schmidt, Maxine Schmieder, Mildred Scott, Lauretta Sell, Raymond Shaffer, Gladys Shaw, Herbert Shive, Charlene Snyder, Herbert Snyder.

Sixteenth Row—Noble Sprunger, Paul Straight, Pauline Staker, Jeanette Stultz, Thomas Switzer, Frank Taylor, Elsworth Thomas, Juanita Tulley, Kathryn Twining, William P. VanNess.

Seventeenth Row—Isabel Walters, Dudley Was, Camilla Waterfield, Ruth Watkins, Warren Weddle, Harry Wedler, Andre Wehrle, Herbert Weinraub, Charles Weirich, Bryce Weldy.

Eighteenth Row—Howard Welsh, Everett Wenner, Helen Wiebke, Richard Wiener, James Willson, Edward Wilson, Ferdonna Wilson, Chester Wyneken.

### Term Themes Are Due

Miss Demaree's English VIII classes are required to hand in their term themes Friday.

### Announce Test Topics

Mr. Makey's English VIII classes are working out test topics which were given out by her recently.

### Hold Courtesy Contest

The students of Denver (Col.) high school, had a "courtesy" week last week. It was very much a success and every student felt the spirit. Every student tried to out-do his neighbor in the effort to be more courteous.

## Will Ya? Huh?

## SOUTH SIDE NINE WINS IN BASEBALL FROM CONCORDIA

Score Is 7 to 6; Game Is Marred by Errors; Team Comes Through in Pinches

## WELLMAN BUSTS UP GAME

Green and White Horsehide Slingsers Play Huntington College Here Friday

The South Side high baseball team won a hard-fought ball game from Concordia College Wednesday afternoon by the score of 7 to 6.

The Green and White sluggers played good ball at times, but errors were a large factor in both teams scoring many runs. The score was tied at the last half of the ninth inning when, with two outs, and two strikes on DeHaven, "Dutch" Wellman stole home which broke up the ball game. Coach Gilbert's men started out in fine style scoring two runs in the first two innings. In the first inning Nulf and Distel were walked, and Wellman the pair home with a sacrifice hit. In the second inning Dissinger scored on Schroeder's sacrifice. The collegians collected two runs in the fifth and sixth while South Side garnered four runs in the sixth. Distel walked while Wellman got a base on Wittmer's error. Wabery scored the two with a double. DeHaven sacrificed. Plasket went to first base on an error and Dissinger scored Wamby and Plasket with a two-base hit. In the seventh inning Concordia retaliated with four runs. Plasket was wild and he walked three men. They all scored besides Ellerman who scored on an error. The two teams remained in a deadlock until the last half of the ninth. Both nines had men on bases, but each failed to come through with the necessary hit to score. In the ninth inning, Wellman was safe at first on an error, after Distel had struck out. Wamby fled out and Wellman stole second. Wellman then stole third and, with two strikes on DeHaven, drew the throw to third base, and stole home when Macko fumbled the throw in.

Plasket fanned eight men and issued four bases on balls. Schnepel struck out six batters and gave six men a free trip to first base. The game was marred by many errors both teams making a total of fifteen.

Meet Huntington College  
South Side will stack up against the strong Huntington college nine at the stadium Friday. Early in the season Concordia managed to score a 12 to 6 win over the Lime City collegians by scoring seven runs in the first inning. A hard game is expected and a good crowd will witness the game.

Two-base hits—Wambsganss, Dissinger. Three-base hit—Schlund. Sacrifice hits—Wellman, DeHaven. Stolen bases—Wellman 3, Nuechterlein. Struck out—By Plasket 8, Schnepel 6. Base on balls—Off Plasket 4, Schnepel 6. Umpire—Gombert.

## Society

Neenah Knight entertained with a dinner party last Friday evening at her home on South Broadway.

Frank Bernhard and Art Distel motored to Kendallville Monday evening.

Virginia Kinerk entertained a few of her most intimate friends at her home Tuesday evening.

DeNeal Pfeiffer will entertain her club at her home on Harrison street Friday evening.

Richard Bahner will spend the week-end visiting friends and relatives in Bluffton and Lima, Ohio.

Eileen Dillon spent the week-end in Huntington visiting friends and relatives.

The B. C. A. Sunday School class of the Westfield Presbyterian church held their monthly meeting at the home of Miss Velma Smeaders on St. Mary's avenue. The members and their guests enjoyed a kindergarten party. At the close of the party a dainty three-course lunch was served. The members who enjoyed the affair are: Hilda Brown, Mildred Hazlett, Dorothy Keener, Florence Clements, and the hostess. The guests who enjoyed the affair were: Dorothy Brown, Thelma Keiner, Donna Snyder, and Blanche Revert.

Columbia City—S. Cummins, S. Schrader, F. Crowell, K. Johnston, C. Hazen, I. Hartman, L. Plummer, R. Jones, C. Killian, J. Hancock, K. Vanderford, A. Goodrich, V. Deutsch, T. Johnston, H. Hayl.

Etna Township—L. Bower, E. Hick-

Garrett—H. Goodson, H. Heinzerling, G. Keefe, C. Hamilton, G. Mount, C. Starnier, H. Clady, M. McCullough, R. Brown, W. Sherrick, G. Seifert, S. Ward, G. Metcalf, J. McDermott, R. Karr, R. Weider.

Hartford Township—G. Halloway,

E. Felber, N. Banter, C. Gerber, W. Lehman.

New Haven—C. Bell, L. Arnold, A. Kundred, N. Tustison, M. Parks, R. Kerr, J. Vankirk, R. Snyder, R. Smith, C. Nulf, W. Browner, R. Grover, H. Berkheiser, G. Harper, H. Tilford, L. Soyland, C. Snyder, L. Girardot.

Liberty Center—D. Way, R. Markley, J. Smith, O. Ogle, L. Ramsey, R. Gordon, R. Boltin, R. Ferhune.

South Whitley—M. Cave, A. Cor-

hill, F. Eisman, J. Lancaster.

Waterloo—H. Girardot, B. Smalley,

R. Smalley, W. Shaffer, M. Strater,

R. Crooks, C. Pontius, E. Sewelin, W.

Warner, W. Wing, F. Heighn, O.

Merkle, B. Shugart, W. Voss.

Miss Thorne Returns

Miss Thorne returned to school on Wednesday, after an absence of three days' illness.

Murphy Announces Test

Mr. Murphy has announced that he will give his economics classes tests next week.

## ROBERT THOMPSON TO MANAGE TIMES FOR ENSUING TERM

Is Chosen From a Field of  
Three Candidates at  
Recent Meeting of  
Journalists

### CIRCULATION HEAD NEEDED

Entire New Business Staff Ap-  
pointed; Foellinger and Pocock  
To Have Editorial Positions

Robert Thompson was elected gen-  
eral manager of the Times for next  
fall at a recent meeting of the staff.  
Robert has been circulation manager  
this term and has shown himself very  
capable.

Most of the major positions of the  
Times have been filled by the appoint-  
ing of various people to the staff. The  
most important editorial positions are  
to be filled by Helene Foellinger and  
Margaret Pocock, who are to be edi-  
tor and managing editor, respectively.

Robert Thompson

An entire new business staff is  
made necessary because all the mem-  
bers of the old staff will be graduated  
this June. Mary Hale is to be the new  
business manager and Vera Bruns ad-  
vertising manager. Maxine Bennett  
will be the new circulation manager.

The other important positions will  
be filled by Helen Crosby, news edi-  
tor; Pauline Baumgartner, alumni edi-  
tor; Wilma Kronmiller, girls' sports  
editor; with Gertrude Bradley as her  
assistant; Virginia Kiner, society edi-  
tor; and LaVon Blue, exchange edi-  
tor.

Almost the entire staff is taken  
from new material, as most of the  
present staff will be graduated this  
June.

Several important positions are still  
open for members of the beginning  
class. These are: two copy editors  
and a boys' sports editor. The posi-  
tion of circulation manager is also  
unfilled and since this position does  
not have to be filled by a person tak-  
ing journalism, anyone who is willing  
to work and to devote a good deal of  
time and energy to the position should  
give their name to Miss Harvey or  
Robert Thompson before the end of  
this term.

Miss Harvey has said that in the  
short time that Robert Thompson has  
been on the Times and Totem staffs  
he has shown unusual ability and she  
has no qualms when putting him in  
charge of the paper. She also said  
that although all those appointed  
were very good there would have to  
be a very large beginning journalism  
class since there are only eight per-  
sons in the advanced class.

At the staff meeting it was also  
decided that Margaret Pocock and  
Helene Foellinger would be the gen-  
eral managers for the next two terms.  
The reason that the staff has been  
appointed so early is so that the  
members may publish the last paper  
of the year and so be accustomed with  
their duties before the old staff  
leaves.

## Officers For So-Si-Y To Be Elected Soon

Steps will be taken immediately to-  
ward the election of officers for the  
So-Si-Y organization. A meeting will  
be held May 25, at which the installa-  
tion of officers will take place. There  
will be a picnic after the business  
meeting.

## South Side Teachers Devote Much Time In Sponsoring Nineteen Student Activities

All Clubs, Athletics, Musical  
Activities Classes Led by Fac-  
ulty Members.

The teachers of South Side, in addi-  
tion to their teaching duties, give a  
large amount of their time in spon-  
soring various student activities in  
the school. There are approximately  
nineteen activities besides the vari-  
ous contests.

Following are some of the teachers  
who sponsor student activities in  
South Side:

Mr. Gould, Mr. Harris, Mr. Virts,  
and Mr. Schmalzried are the faculty  
advisors for the Senior Hi-Y.

Miss Demaree is the sponsor for  
the Philathletic club.

Miss Ley and Miss Pape are spon-  
sors for the Art club.

Mr. Mayke is in charge of the  
Wranglers' club.

Miss Thorn, Miss Paxton, Mr.  
Gould, Mr. Voorhees and Mr. Whelan

## PLAY TO BE PRESENTED BY WRANGLER MEMBERS

Story by Booth Tarkington To Be  
Given at Last Meeting of  
Debate Club

Station Y Y Y Y, a one-act play by  
Booth Tarkington, will be presented  
by the Wranglers at 3:00 p. m. today  
in Room 86. As is generally the case  
with radio there is static, so in this  
play there is static not only with the  
radio but between Anita and Caroline  
Winstead and their kid brother Herb.  
Perhaps, too, there should be men-  
tioned Roger Colby, a young gentle-  
man friend, connected with their dad's  
firm, who often calls at the Winstead  
home.

The play promises to be very amus-  
ing. The cast chosen is as follows:  
Anita Winstead—Florence Hansen  
Caroline Winstead—Eliz. Schmidt  
Mrs. Winstead—Margery Bures  
Herbert Winstead—Herbert Weinraub  
Roger Colby—Chris Branning  
Chaufeur—Maynard Patterson  
Mr. Winstead—Wesley Felmeie  
This will probably be the last regu-  
lar meeting of the year and all are  
urged to attend.

## ANNUAL SENIOR DAY OBSERVED AT PHLO

Last Meeting Held at Dorothy Som-  
ers' Home; Next Year's  
Officers Elected

The annual senior day meeting of  
the Philathletic Literary society was  
held at the home of Dorothy Somers,  
president of the club, on Monday, May  
17. At the short business session  
which was held at the first of the  
meeting the election of officers was  
held. The officers for the next term  
were elected as follows: Hildegard  
Seibel, president; Mary Hale, vice-  
president; Marguerite Schiwer, secre-  
tary; Martha Sherman, treasurer;  
Greta Astrom, chairman of the pro-  
gram committee, and Florence Phelps,  
sergeant-at-arms.

After all business was dispensed  
with the meeting was turned over to  
Wilda Bower, who had charge of the  
very attractive program which fol-  
lowed. Betty Hutchins gave a clever  
reading entitled "Her First Trip a  
Shopping," and Jane McBride sang  
several pretty selections with Virginia  
Hackney at the piano. All the girls  
then took part in a Shakespearean  
contest.

After the program, which was con-  
cluded by the reading of the senior  
girls' prophecy by Mildred Scott, a  
delicious luncheon was served to all  
of the members. Miss Demaree pre-  
sented all of the senior girls with  
pretty little novelty pencils.

## FRESHMEN WILL HAVE PICNIC AT FOSTER PARK

Eats, Good Time Planned for May 28;  
Ten Cents To Be Charged  
for Ice Cream

The freshman picnic will be held  
Friday afternoon, May 28, at Foster  
Park. Each freshman is to bring his  
lunch.

"On May 27 and 28, there will be a  
booth in the hall in charge of fresh-  
men officers for freshmen who plan to  
attend, so they may sign up. Each  
one will pay ten cents for ice cream,"  
stated Robert Bradley, president of  
the freshman class.

At Foster Park games will be  
played and a good time for all fresh-  
men and their friends is planned.

## Chance to Earn Money Offered South Side Boys

A fine chance for any boy who is  
willing to do a little work has been  
offered by the Journal-Gazette. They  
want some enterprising young men to  
carry papers this summer. This offers  
a splendid opening for some one to  
earn a good bit of money. Paul Ol-  
iver, '23, who is now attending Indi-  
ana University, earned \$1,300 carry-  
ing papers while attending high  
school. Any boy wishing to take ad-  
vantage of this opportunity should see  
Mr. Mercier, circulation manager of  
the Journal-Gazette.

### Students Make Lamp Shades

The students of Central high school,  
Minneapolis, Minn., have for the past  
month made lamp shades. They are  
now on sale.

## SUMMER SCHOOL TO BE OFFERED AT SOUTH SIDE

Mr. Virts and Mr. Makey  
Make Plans for Session  
To Open June  
14th

### SESSION TO OPEN JUNE 14

Pupils of Fort Wayne Schools  
Permitted to Attend; Stu-  
dents Urged to Sign Up

Plans for the 1926 summer school,  
which will begin June 14, are now be-  
ing completed by Mr. Virts, Mr. Ma-  
key, and other teachers who have  
worked hard to give students of local  
schools a chance to forge ahead in  
their studies. These sessions are to  
be held from 8 to 10 o'clock in the  
mornings for a period of nine weeks.  
Because of the fact that pupils of  
other schools will be permitted to at-  
tend, a large number is expected to  
enroll.

Courses will be offered in English,  
Mathematics, History, Civics, and Sci-  
ences, and courses in Business Eng-  
lish, Music Appreciation, and Journal-  
ism will be added to last year's list  
of studies.

"These subjects," said Mr. Virts,  
"are offered mainly for students who  
wish to advance in their studies. The  
principal reason for conducting school  
during the summer is to help those  
pupils who want to go ahead with  
their lessons and thus relieve the need  
for cramming work in the fall."

When asked about the manner by  
which the subjects will be taught, Mr.  
Makey stated that he wished to stress  
the fact that the periods will be held  
in the school building, under the su-  
pervision of members of the regular  
faculty, and that the lessons will be  
taught with the regular apparatus.  
This will greatly engender the pupils'  
work, for much concentrated study  
can be accomplished with those facili-  
ties. At the end of the term the regu-  
lar state examination will be given to  
all classes.

Last year about sixty pupils at-  
tended summer school, but, aided by  
the success of last year's enterprise  
and the co-operation of other schools,  
a far larger number is expected.

Those students who desire to enroll  
in this course should sign up im-  
mediately in the office, giving the sub-  
ject they wish to pursue.

## CHAMPIONSHIP GAME WON BY JUNIOR GIRLS

Defeat Snappy Sophs in Four and a  
Half Innings; Losers Lead  
at First

The junior girls are class champs  
once more!

This time they defeated their old  
rivals, the sophomores, in baseball,  
after the sophs had held them to a  
tie in the round-robin tourney. The  
decisive game, which was played last  
Monday, ended with the score of 8 to  
5 after four and one-half innings had  
been played.

The game was short and snappy,  
and the sophomores were joyous  
when they gained a two-point lead in  
the second inning. But the juniors,  
not to be outdone, rallied at their  
fourth turn at bat. N. Merica, W. En-  
glehart, G. Bradley, and E. Siple  
each made two runs for their team.  
The third inning was scoreless and  
both teams made their outs in a short  
time.

## Miss Esarey's Classes Enjoy Picnic at Park

The members of Miss Esarey's sec-  
ond and fourth period classes gave a  
picnic at Foster Park Friday, May 14,  
after school, in honor of the class  
which won the spelling match con-  
ducted by the two classes.

During the afternoon a number of  
games were played. Such games as  
cat and mouse were enjoyed by all  
the members of both classes, while  
later in the afternoon, baseball and  
tennis games were played between the  
two classes.

After eating their lunches they all  
gathered around the big bonfire and  
told ghost stories until about 8  
o'clock. Miss Esarey, Miss Pittenger  
and Mr. Davis, and his guest, Miss  
Smith, of Ligonier, chaperoned the  
picnic.

### Mr. Murphy Gets Car

Mr. Murphy has a new car, or  
rather a Ford sedan. He is having a  
good time learning how to drive.

## HEY! MUSIC AND EATS!

A band concert and ice cream  
social will be sponsored by the Pa-  
rent-Teachers' Association Friday  
evening, May 21, on the stadium  
grounds. Mrs. Welch has been ap-  
pointed general chairman of the  
social committee. The proceeds of  
this lawn party will go to pay for  
band suits.

The band, under the leadership  
of Mr. Roland Schafer, will give a  
program while the Parent-Teacher  
Association will have charge of the  
social part of the program. They  
will sell ice cream, pop, crispies,  
cake, and popcorn. No admission  
will be charged to enter the  
grounds.

Miss Ley will be in charge of the  
poster making, and signs will be  
placed around the building.

## CENTRAL TIGERS TAKE SECTIONAL WITH 29 POINTS

Columbia City Cops Second  
Place Honors With Twen-  
ty-Six and One-Third  
Markers

### ELEVEN RECORDS BROKEN

Cummins Is High Scorer of the  
Meet With Fifteen and  
One-Third Points

By breaking every record but one,  
and tying one, the local sectional  
meet held in the stadium last Satur-  
day can easily be termed a success if  
not the most successful meet ever  
held in Fort Wayne.

The Central Tigers again topped the meet  
with two and two-thirds points advantage,  
with 29 markers. Columbia City came  
a close second with 26 1/3. Berne  
and Garrett tied for third place honors  
with 12 points each. Auburn came  
next with eight markers; Liberty Cen-  
ter scored six and one-third points;  
and South Whitley finished with five  
and one-third points in their posses-  
sion.

From the opening race the records  
fell one by one, and by the end of the  
last race every record was shortened  
but one, and one tied. The mile run  
and the high jump, which was tied,  
were the only marks not to be scratch-  
ed from the record book.

The meet was no doubt the most  
spectacular ever held in this city.  
Kepler, the crack dash man of Cen-  
tral, started lowering the records  
when he stepped off the century in  
10.2, cutting six-tenths of a second  
from last year's time. In the 220-  
yard dash he came back to establish  
another new mark, by covering the  
distance in 22.8 seconds, clipping two  
seconds of the record for this event.

No doubt the most spectacular  
event of the afternoon was the 440-  
yard dash, in which Felger, Central's  
star runner, circled the oval in 63.5  
seconds and erased another mark  
from the books. The old time was  
54.8. Felger lined up for the race  
next to the outside lane. When the  
gun cracked Felger stepped out  
ahead, never to be pressed during the  
entire course, finishing far ahead of  
all opposition and showing no effects  
of fatigue or strain at the race. Had he  
been forced the least bit by his op-  
ponents the time would no doubt  
have been even lower than it was.

Deutsch, Columbia City's pole vault  
king, broke the record which he set  
last year at eleven feet, by clearing  
the bar at 11 feet 6 inches. Several  
attempts were made at 12 feet but  
his attempts failed. Another worth-  
while item might be mentioned, that  
he is now only a sophomore and it  
seems by the showing he has made in  
the last two years that the record will  
again be shattered next year.

An apparent dark horse from Berne  
leaped into the limelight by stepping  
off the mile and the half-mile runs  
against crack men to shatter the half  
mile record set by Lamont last year.  
He stepped the half in 2:09.2, four-  
tenths of a second less than that  
made by Lamont. However, his time  
in the mile was five seconds greater  
than that made by Lamont and was  
also the only mark to remain on the  
books unblemished.

Cummins, Columbia City's threat  
and high point man for the meet with  
15 1/3 points to his credit, took three  
firsts and broke as many records to  
complete the banquet, which was  
chaperoned by Mr. and Mrs. E. C.  
Harris, Mr. and Mrs. W. C. Rast-  
etter, Mr. and Mrs. E. E. Dilline, Mr.  
and Mrs. King, Mr. and Mrs. Ray, Mr.  
and Mrs. L. C. Schmalzried, and Miss  
Pittenger.

Spiegel's Melody Men furnished the  
music for the dancing. The decora-  
tions were carried out in a color note  
of purple and gold, the class colors.  
About eighty couples attended the  
dance. The same people chaperoned  
the dance that attended the banquet. About  
\$30 was taken in, of which it is esti-  
mated that \$30 is clear profit.

Dale Shimer, president of the class  
and the committee of this affair wish  
to thank those who offered their sup-  
port and helped to put over a success-  
ful Junior Banquet and Prom.

## PUBLICATIONS ENTERED IN I. H. S. P. A. CONTEST

Times and Totem In Competition for  
Honors with Papers and An-  
nuals Throughout State

South Side has entered the third  
annual newspaper-yearbook contest of  
the Indiana High School Press Asso-  
ciation. The issues of the Times for  
December 22 to February 18, which  
took first place in the United States  
in the Central Interscholastic Press  
Association for 1926, were sent in by  
Miss Harvey, faculty advisor, recent-  
ly. The 1926 Totem will also be en-  
tered if the book is completed by June  
first.

Last year both the Times and To-  
tem took first place in the second an-  
nual contest.

"The competition will produce the  
best year-books and newspapers in  
Indiana. The winners will be recog-  
nized as representative of the jour-  
nalistic products of Indiana high  
schools and will receive silver loving  
trinkets in recognition of their supe-  
riority at the convention next October  
22 and 23," stated the Indiana High  
School Press Review for April, 1926.

## MAY 28 IS DATE SET BY SENIORS FOR MAY FROLIC

Festival To Be Held in Gym-  
nasium; Dancing and  
Stunts to Feature  
Entertainment

### PLANS ARE KEPT SECRET

No Charge for Admittance;  
Dances, Five Cents; Booths,  
Five to Fifteen Cents

Friday, May 28, is the date set for  
the May Festival, which is to be given  
in the gymnasium by this year's sen-  
ior class, to make up a deficit in the  
class funds.

This festival will be similar to the  
carnival usually given by the seniors  
in the fall. As the 1926 class did not  
give a carnival, it is staging this  
event in place of the fall activity.

Various amusements will be fea-  
tures of the evening. Chief among  
them will be dancing. The north end  
of the gymnasium will be roped off  
for dancing.

In the other end of the gym booths  
will be conducted for the entertain-  
ment of those who are not dancing.  
Fortune telling and refreshment  
booths will probably prove to be the  
most popular ones.

The headlines of the evening will  
be the surprise stunts. One of the  
most exciting will probably be a trip  
to Hades by way of the hand ball  
court. Another feature will be a stu-  
dio in Miss Patterson's office.

No admission will be charged for  
entrance to the buildings. The charge  
for dancing will be five cents a dance.  
The booths will range in price from  
five to fifteen cents.

"All South Side students and their  
friends are urged to attend," was the  
statement made by Chetessen Plasket,  
president of the class.

The committee chairmen are an-  
nounced by Chetessen as: Richard  
Bickel, entertainment; Cornelia Bae-  
derson, advertising; Dorothy  
Somers, decorations; Richard Wiener,  
tickets and tags.

It is the general opinion of mem-  
bers of the senior class that this last  
event to be staged by them will be a  
great success. "We are expecting the  
student body as a whole to back us up  
in our last project," said Chetessen.

The money to be acquired at this  
event will be used to pay the senior  
pledge of \$500 which was made to the  
Totem last fall. The remainder of  
the money will be used to purchase a  
gift for the school.

## JUNIOR PROM-BANQUET PROVES BIG SUCCESS

Balloon Cabaret and Dance Furnish  
Much Enjoyment for Scores of  
Upperclassmen

The Junior Prom and Banquet was  
held Saturday evening, May 15, in the  
gymnasium of South Side. The ban-  
quet was arranged cabaret style, the  
menus and programs carrying out the  
idea of a balloon cabaret.

Among the features during the ban-  
quet were a balloon room, Bob Scheu-  
man, and a fast wedding. The bride  
was Jack Lighthill, the groom, Mer-  
ville Somers; the minister, Bob  
Schopf; the father of the bride, Bob  
Fleming, and the best man, Dick Bell.  
Another feature of the banquet was a  
Spanish dance given by Greta Astrom  
and Howard Crise. The toast was  
given by the president of the class,  
Dale Shimer. About seventy-five per-  
sons attended the banquet, which was  
chaperoned by Mr. and Mrs. E. C.  
Harris, Mr. and Mrs. W. C. Rast-  
etter, Mr. and Mrs. E. E. Dilline, Mr.  
and Mrs. King, Mr. and Mrs. Ray, Mr.  
and Mrs. L. C. Schmalzried, and Miss  
Pittenger.

Spiegel's Melody Men furnished the  
music for the dancing. The decora-  
tions were carried out in a color note  
of purple and gold, the class colors.  
About eighty couples attended the  
dance. The same people chaperoned  
the dance that attended the banquet. About  
\$30 was taken in, of which it is esti-  
mated that \$30 is clear profit.

Dale Shimer, president of the class  
and the committee of this affair wish  
to thank those who offered their sup-  
port and helped to put over a success-  
ful Junior Banquet and Prom.

## PUBLICATIONS ENTERED IN I. H. S. P. A. CONTEST

Times and Totem In Competition for  
Honors with Papers and An-  
nuals Throughout State

South Side has entered the third  
annual newspaper-yearbook contest of  
the Indiana High School Press Asso-  
ciation. The issues of the Times for  
December 22 to February 18, which  
took first place in the United States  
in the Central Interscholastic Press  
Association for 1926, were sent in by  
Miss Harvey, faculty advisor, recent-  
ly. The 1926 Totem will also be en-  
tered if the book is completed by June  
first.

Last year both the Times and To-  
tem took first place in the second an-  
nual contest.

"The competition will produce the  
best year-books and newspapers in  
Indiana. The winners will be recog-  
nized as representative of the jour-  
nalistic products of Indiana high  
schools and will receive silver loving  
trinkets in recognition of their supe-  
riority at the convention next October  
22 and 23," stated the Indiana High  
School Press Review for April, 1926.

## SCHOOL ORCHESTRA TO BROADCAST AGAIN

To Go On Air From WOWO June 3  
With Full Evening Program of  
Classical and Popular Music

The second radio program by the  
South Side orchestra will be present-  
ed Wednesday, June 3. The program  
will be broadcast through the Main  
Auto Supply station, WOWO. All  
arrangements have been made to give  
the program during the evening, when  
a greater number of radio listeners  
will hear the broadcast.

The greater portion of the program  
will include both popular and classi-  
cal music in addition to solos and spe-  
cial numbers by members of the or-  
chestra.

The first broadcast by the orchestra  
from WOWO was a noonday program  
Saturday, May 8. This program was  
well received by radio fans, many  
telephone calls, request numbers, and  
compliments being received.

The exact time when the broad-  
casting will start and the programs  
will be presented will be announced at  
a later date.

## GREEN AND WHITE NINE BEATS ANTHONY WAYNE

Give Fine Support Behind Plasket's  
Pitching and Win, 6 to 1;  
Make One Error

The South Side baseball team de-  
feated the Anthony Wayne Institute  
nine at the stadium last Tuesday by  
the score of 6 to 1.

The Green and White sluggers  
played good ball throughout the  
game, giving good support to Chet  
Plasket. Plasket pitched an excep-  
tional fine game. He fanned nine bat-  
ters and allowed only two hits in  
eight innings. Heating relieved Plas-  
ket in the ninth inning and held the  
Institute batters the rest of the game.

Anthony Wayne presented a smooth  
working infield with Borka pitching  
some good ball. But the Green slug-  
gers bunched hits off him in the fifth  
inning, which netted four runs. Borka  
struck out six batters.

Dissinger again led the South Side  
batters with three hits out of four  
men made extra base hits in the fifth  
inning when Wellman doubled and  
Wamby knocked out a three-base hit.  
Wellman also got a double in the sev-  
enth and Nulf hit a two-bagger in the  
first frame.

### Box score and summary:

ANTHONY WAYNE

## TIMES EDITORIAL PLATFORM

1. To further scholastic activities.

2. To promote extra-curricular activities.

3. To give well-written accounts of high school happenings.

4. To offer high standards of school spirit.

5. To aid school officials.

6. To let parents and public know what South Side is doing.

7. To keep in touch with other schools.

It's Hot!

Oh, for the old swimmin' hole!

Looks Like It

Yes, juniors, your Banquet-Prom was certainly fine. You'll make a good senior class, all right.

Sure

We're progressing. High school baseball teams are at present beneath our notice. We're playing regular college teams—and beating them, too.

Goody! Goody!

Yes, only three weeks more of school for the underclassmen, and two more for the seniors. Time flies; but, just now, it doesn't seem to be going quite fast enough.

Beat 'Em

Track surely seems to be coming along fine, too. We're running with college teams and showing them that high school tracksters aren't to be laughed at, that's what.

The Last Stretch

Just one more issue of the Times, and the old staff will be no more. By putting out the last issue of the year, the new staff will be ready for work as soon as school starts in September.

Snap It Up

The Totem drive is on yet, giving all you who haven't subscribed a chance to pay your two berries. We know you will do this right away, because you'll be anxious to own the best yearbook in the country.

More Honor

South Side has added another cup to her trophy case. Thelma Burely won first prize in the state poster contest sponsored by the Parent-Teachers' Association, thereby receiving a silver cup, which will arrive soon. South Side also took second in the contest. Who says we're no good in anything except athletics?

Yum! Yum!

Ice cream, candy, pop, and popcorn, just the things we like best, will be obtainable at the lawn party tomorrow night. It won't cost one cent to get in, either. You can go to the party in the stadium and spend just as much or as little as you please on the eats. Come, at any rate, to see what it will be like.

It's the Only Way

Senior girls are showing the true South Side spirit. Like the school, they don't intend to parade around before the admiring (?) public, carrying a bride's bouquet. Rather will they wear one simple flower which gives the beautiful effect which only flowers can give. These girl-graduates are an example for all girls who will receive their diplomas in the future.

Eventually

Many people try to judge the value of a high school education in dollars and cents. When a graduate gets a job that doesn't pay much, they say that high schools are no good. They don't figure the ultimate result, but want the dollars to come rolling in immediately.

You remember the problems we used to have.

"If a merchant buys flour at \$4.00 a barrel and sells it at \$3.00, how much does he lose? (Answer: \$1.00)" . . . Well, these people figure in much the same way. The value of a high school education, however, doesn't show immediately in dollars and cents. Each student, when starting to work, nearly always has to go through a period of apprenticeship. A high school, to most students, is not a vocational institution. Its chief function is to train the mind. The money side of it first shows in later years.

## SOUTHERN SPICE

Senior (giving a P. G. report): "The birds there are very beautiful. They are parrots, monkeys, ducks, and alligators."

Mr. Voorhees: A rat is one animal that lives almost like a human being. It will eat almost anything."

Miss Oppelt: "Maxine, what is a boomerang?"  
Maxine Bennett: "I can't describe it exactly, but I know it has a short tail and can climb trees."

Miss Miller: "What is the favorite sport in Mexico?"  
Toole Seibel: "Golf."  
Miss Miller: "Why do you say that?"  
Toole: "Because everybody talks about the Golf of Mexico."

George: "Do you like indoor sports?"  
Violet: "Yes, if they go home early."

Mr. Null: "The only thing I ever did in athletics was to run—when my father chased me with a stick in his hand."

Mr. Voorhees: "Now, I'm very fond of you people—but I could dispense with some of that 'money business.'"

Mr. Huddleston: "What are the essentials of a business letter, Tom?"  
Tom: "I didn't understand you."  
Mr. Huddleston: "I can't tell you any plainer. Do you speak Jewish?"

OUR IDEAL SOUTH SIDE BOY  
Eyes like Jack Lighthill's.  
Dimples like Frank Robertson's.  
Hair like Chris Branning's.  
Lovable like "Fritz" Wambagans.  
Voice like Frank Bernhard's.  
Nos elige LeRoy Shine's.  
Feet like "Tinah" DeHaven's.  
Form like Paul Kniffen's.  
Ears like Bob Carto's.  
Legs like "Bud" Freiburger's.  
Graceful like "Hiram" Flaugh.

Miss Hemmer (in Marmion class): "What was the name of the castle of King James to which Marmion was going?"  
Pupil: "Hollywood."

R. Haver: "You could hear a hunter shooting his food."  
Miss Harvey: "Maybe that explains why there is a hole in the doughnut."

H. Meek: "Oh! I forgot to tell about the Headless Horseman. The peculiar thing about him was that he had no head."

Lun: "What do they call the people who sit in the last three seats of the street car?"  
Atic: "I give up. What?"  
Lunatic: "Passengers."

The only thing that keeps some people from being deaf and dumb is that they are not deaf.

THE "THOLEN ETH"  
We are sorry to have to explain that our comphing room wath entered lath night by thome unknown thcoundrel, who thtrole every "eth" in the ethtblithment and thueceeded in making hith ethcape un detected.

The motive of the mithcreant wath doubleth revenge for thome chupphothed inhult.  
But it thall never thaid that the petty thbpye of any thmall-thouled villain hath dithabled our preth, and if thith meeth the eye of the detethable rathel, we beg to athure him that he underethimatheth the rehoureth of a firht-clath preth when he thinketh he can cripple it hopelethly by breaking into the alphabet. We take thith oecathion to thay to him furthermore that before next Thurthday we thall have three timeth ath many etheth ath he thole.

We have reathom to thuthpect that we know the cowardly thkunk who committed thith act of vandalthim, and if he th ever thing proving about thith ethtblithment again, by day or by night, nothing will give uth more thaththfraction than to thoot hith hide full of holeth.

DO YOU KNOW  
That if the holes of all the doughnuts made in the United States in a single day were placed end on end, they would reach from New York to San Francisco?  
That hash is not made, it accumulates.  
That Fords and certain varieties of snakes have rattling good times?

Howard brought some gum to school, which was against the rule.  
The teacher took it away from him and chewed it after school.

Missionary: "During the three years we were in Africa my wife saw only one white face, and that was mine."  
Friend: "My, how she must have suffered."

Johnnie: "Pa, won't you please buy me a microbe to help me with my arithmetic?"  
Papa: "What good will a microbe do you?"  
Johnnie: "I just read in this paper that they multiply rapidly."

Man in the restaurant: "Have you frog legs?"  
Waitress, indignantly: "No rheumatism makes me walk this way."

Buddy: "Why doesn't hair grow on your head?"  
Grandfather: "Why doesn't grass grow on a busy street?"  
Buddy: "Oh! I see it can't come up through the concrete."

"See that man? Well, sir, he landed in this country with bare feet and now he's got millions."  
"Goodness! He must be a regular centipede."

Virginia: "Why are you angry at the doctor?"  
Jean Gillie: "When I told him I had a terrible tired feeling he told me to show him my tongue."

Ivan D.: "In what ways does this weather resemble a Ford?"  
L. S.: "Just enough spring to make you tired."

An old colored man was burning dead grass, when a wise guy stopped and said, "You're foolish to do that, Uncle Eb; it will make the meadow as black as you are."  
"Don't worry 'bout dat, sah," responded Uncle Eb, "Dat grass will grow out and be as green as you is."

Don't say, "Did you get me?"  
Say, "Did you grasp the significance of the avalanche of thought which detached itself from my cerebral mass and rolled its ponderous course down the steep incline of my sharpened lingual member?"

Mr. Murphy (speaking of the perils of olden days): "A fellow always had to have his pockets full of bricks, when he went to see his lady friend."

## This Week's Best Editorial

### NIGHTMARE CONQUERS ENGLISH STUDENT.

Surrounded by the land of "Chatter" is the dark and gloomy forest of "Speech." Here grow the towering complex sentences from whose spreading branches hang down those hideous serpents, the dangling participles. Underneath, ever-uttering fearful roars are the terrible split infinitives. In caves of darkness are the dens of innumerable double negatives.

The wanderer in this forest is especially warned against the deceitful relative pronouns. This creature will approach ingratiatingly, energetically wagging its tail and purring. But beware! Remember its clause!

Carelessness invariably leads to destruction. Terrifying in its lesson is the following tale, which is known in law as the objective case. A student had been hastily traversing the forest, swinging monkey-like from sentence to sentence, when suddenly his hand slipped on an incorrect allusion and down he tumbled right into the middle of a misplaced emphasis.

Seeking refuge, he made for a nearby loose construction but tripped on an irregular verb. He arose and found encircling him a ring of mispronunciations. The miserable person reached in his pocket for a weapon, only to meet another set-back—the dramatic climax was missing.

There was no hope. He decided to commit suicide and so swallowed a mixed metaphor.

## Quizzy Quizz

Question: How would you like to spend your vacation this summer?

"I would like to go to the lake for about a month, or travel to Montana to visit my uncle, or take a tour through the East," said Chrystal Jackson.

"One of many things I would like to do this summer," said Grace Hall, "would be to go to the Lake Webster Institute. It offers a splendid place for Bible study, besides all kinds of out-of-door sports with the companionship of many splendid young men and women."

Alice Wehmeyer has many things she would like to do but most of all she wants to spend the greater part of her vacation at the lake, swimming, hiking, and playing tennis.

Esther Shaw said she would enjoy a motor trip into the country. She said, "Many interesting things are to be seen and the study of nature is very interesting to me. A motor trip would afford a very good opportunity for such study."

## A Mite of Verse

### MIDSUMMER DAY

Deep in the forest, green and cool,  
Hidden away near haunts and pool,  
There on a long midsummer's day,  
You can see the fairies play.

Hidden away from mortal eyes,  
Dancing and playing under the skies,  
Oh, to be a fairy gay,  
On a long midsummer's day!

The only ones who have them seen  
Are those not quarrelsome or mean,  
Who ever let their fancies fly,  
Ever upward to the sky.

And you can hear the fairies sing,  
And see them dancing in their rings,  
If you'll but happy be and gay,  
On every glad midsummer's day.

—Spilled Ink.

## And Werse

### MARK DAY

Tell me not that mark-day's coming,  
Coming close and fast again;  
I have but got o'er the last one,  
And can safely breathe again.

Let me have some peaceful moments  
Without signs of mark-day 'round;  
Then I'll listen to your warnings,  
And not quiver at their sound.

For it takes a strong heart, bravely  
To pass o'er each threshold then;  
When inside, you have to witness  
Verdicts of a teacher's pen.

—The Cardinal.

## Honor Roll Call

1. Dorothy Emrich, "If you want to know anything about studying, don't forget to interview 'Dot.'"
2. Mary Pocock, an all-around student and Times worker.
3. Kathryn Chapman—A quiet miss who studies hard.
4. Eleanor Colson—Latin, oh yes, it's her pet hobby, or maybe Maurice.
5. Gertrude Schuelke—Our genius at editorial writing.
6. Pauline Baumgartner—the champion student counselor.
7. Mildred McCune, a nifty little typist (see commercial rooms).
8. Beatrice Riecke—Literary, well, I should say so—not needing to mention Philo!
9. Richard Bickel—Ah, what an actor!
10. Elizabeth Schmidt—My, but she can surely write sports.

## FIREMEN BATTLE GREEN AND WHITE SLUGGERS TODAY

A Stiff Contest Is Expected From Fire Fighters; Plasket to be on Mound for Kelleys

### MEET CADETS WEDNESDAY

Comparative Scores Show Fight in Green To Have One of Best Teams in State

Having completed another week of successful baseball, the Kelleys swing into action against the city firemen this afternoon, and meet the Concordia College Cadets in a return game next Wednesday.

Not much is known of the fire fighters. The Kelleys hope to give them a hot time and if they succeed in subduing the fire put up by the Kelleys they will prove themselves real fire fighters.

Although not much is known of the individual ability they claim to have a strong baseball nine.

Plasket will no doubt start on the mound for the Kelleys with Staigh and DeHaven behind the bat.

As for the return game with Concordia, it should prove to be the best game so far on the Kelleys' card. With one game in the hands of the Kelleys they will be out to make it two, although the Cadets will be out to dispute their claims.

So far this season comparative scores indicate that South Side has one of the best teams in the state. North Manchester recently beat Muncie Normal, 9 to 6. Muncie Normal holds victories over DePauw and other strong college teams. Concordia dropped North Manchester last week and South Side beat Concordia. With a showing like this South Side should be proud of her diamond warriors, as any team that can stack up against college teams with a record like that is not an ordinary baseball team.

The line-ups and batteries for the Concordia game have not yet been announced.

## THIRTY-TWO GIRLS TO ENTER EVENTS IN TRACK TODAY

Meet Will Consist of Nine Contests; Three Teams Entered in the Relay

### TO AWARD FOUR PLACES

Five Points To Be Given Relay Winner; Seven Teachers Will Officiate

Thirty-two girls are entered in the track meet which is to be staged this afternoon at 3 o'clock in the stadium. Juniors, sophomores, and freshmen will have relay teams and individuals in the events. Mary Alice Tannehill is the only senior who signed up for any event.

Four places will be awarded, and the points gained for each class will be tallied to determine the winner. Five points will be awarded for first place in any event; three, for second; two, for third; and one, for fourth. The class winning in the 220-yard relay will be given five extra points.

Those who have signed up for the meet since last week are: Relay, Enid Stilwell; running high jump, Gladys Englehart; 50-yard dash, Dorothy Jane Scott, Wealtha Hart, Enid Stilwell, Gladys Englehart, Virginia Wagoner, Lucille Gollmer, and Mary Jane McMillan; hurdles, May Thiele and Lucille Gollmer; 100-yard dash, Dorothy J. Scott, M. J. McMillan, and Enid Stilwell; basketball throw, Virginia Wagoner and Catherine Suter; running broad jump, Gladys Englehart and Virginia Wagoner; running hop, step and jump, Lillian Toensing, Gladys Guebard and Ruth Bennhoff.

Seven faculty members besides Miss Patterson will officiate in the various events today. Those who have been selected as time-keepers, scorers, and starters are Miss Oppelt, Miss Esarey, Miss Huffman, Miss Hemmer, Miss Kiefer, Miss Crowe, and Miss Bert.

### TRACKMEN!

All boys who expect to enter the inter-class track meet are asked to report to a member of the track team who is in their class. Please do this as soon as possible as it will give you more time to practice. The different members of the team will take charge of the boys who report and give them instructions as to how to run the various events in which they are entered. This meet is exclusively for boys who are not out for track. The pentathlon is for all trackmen.

## DIAMONDEERS COP ONE-SIDED GAME FROM HUNTINGTON

Score Is 25 to 7; Plasket In Rare Form; the Game Develops Into Farce

### MANY ERRORS ARE MADE

Defeat Second College Team in Two Games; Firemen On Schedule for Today

Playing mid-season baseball, South Side trounced Huntington College, 25 to 7, last Friday at the stadium. The game developed into batting practice for the Green, with Dissinger, South Side's first baseman, leading with four hits.

South Side scored four runs in the first inning. Walks to Nulf and Distel, and a sacrifice hit by Wellman scored two runs. Wamby walked and DeHaven was safe on Hildebrand's error. Dissinger hit for two bases, scoring both runners.

Plasket pitched a steady game and at no time was in danger. He struck out eight men and allowed only six hits. He was given good support in the field from Nulf and Schroeder.

Nulf pitched the last inning for South Side, and Huntington managed to obtain four runs.

The game marked the first appearance of Captain Staigh, who has become eligible. He played his old position in right field without getting a chance.

The cool weather was responsible for the small attendance.

The summary:

HUNTINGTON									
	AB	R	H	PO	A	E			
Hildebrand, lf	5	1	1	2	0	2			
Benner, 3b	4	1	1	1	0	3			
Townsend, c, p	4	1	1	3	0	2

## INTERCLASS MEET TO BE SPONSORED BY THINLY-CLADS

Track and Field Events for Boys in the Classes Only; Four Different Classes Will Enter Team

### TRACKMEN ARE BARRED

Pentathlon for Track Team; To Be Gala Day for Whole School

As a finale to spring athletics, there will be an inter-class track and field meet which is to be held in the stadium on May 27. This meet will be open to all boys in all the four classes who are interested in these events. Coach Welborn urges every boy who is interested in athletics to come out immediately and get in trim for the meet.

Trackmen Ineligible  
To make the odds more equal for boys who are not out for track, all men now on the track team are ineligible for competition in this meet.

On the same afternoon there will be a pentathlon among all the members of the track team. The pentathlon will consist of five events. These will be choice of shot-put or broad jump, choice of pole vault or high jump, the low or high hurdles, the 440-yard dash, 880-yard run or mile and the hundred yard dash. The winner of the pentathlon will be decided by who scores the most points. The winner will have his name and the number of points scored engraved on a cup which will be put in the trophy case. Many boys have already signified their intentions of entering the inter-class track meet and close competition is expected.

The events in the inter-class meet are as follows:  
100-yard dash.  
220-yard dash.  
440-yard dash.  
880-yard run.  
One mile run.  
60-yard high hurdles.  
100-yard low hurdles.  
Pole vault.  
Shot-put.  
High jump.  
Broad jump.

## Students Take Trip to Weather Bureau

Students in Mr. Whelan's physical geography class recently visited the U. S. weather bureau, which is located on the top floor of the Tri-State building. Because of the large number of students in the class the attendance on the trip was made voluntary instead of required as the custom was in the past.

## Strikes & Spikes

Colleejut, colleejut! yes, we are colleejut! This might be the battle song of the Fightin' Green baseball team.

Music Dissinger has caddied so much that he thought he would introduce the art of cow pasture pool into baseball when he lifted one from the ground in the Huntington game for a hit.

The time is now drawing near when all sports will be thrown to the discard for another year.

By the way, boys, how many of you are going to enter the inter-class track and field meet next Thursday?

This is your chance to see just what you can do in the way of running. And another thing is that you might get on the team for next year.

Yea! Central! Let's take them at the state tomorrow. We're all behind you.

There were about five records broken at the sectional last Saturday. Central and Columbia City deserve a lot of credit for their showing because of this fact alone. The majority of record breakers are on these teams.

Only three (?) more weeks of school and then!!!

When the class of '26 goes a gang of athletes will go also. We surely will miss you, fellows. But may you find greater glory in your college career.

## Girls of Sister Schools Take Part in Style Show

At the style show, held at Frank's Dry Goods store recently, a number of South Side and Central girls took part. The show was held in the afternoon and evening and a large crowd attended both performances. The girls in the show were Diddy Diddie, Neenah Knight, Lucille Reagan, Wilda Bowser, Lucy Pulliam, Jane McBride, Hazel Menefee, and Florence Blosser.

## SPORT GUSH

Everybody ready for the track meet?

Just step out into the stadium after school today and boost the girls in your class.

Here's your chance for revenge, sopho.

Win your points and then beat the juniors in the relay.

The usual ending of our fairy stories—"and the junior girls won the tourney."

We'll bet they're just heart-broken because they won't have a chance to win the tennis tourney.

The only reason they can't is 'cause there isn't gonna be any such tourney for anybody to win.

But all you who don't know a thing about tennis are going to have a chance at it.

Beat it down to the gym office and sign up, quick!

Join the beginners' class now and be prepared for the fall when the courts will be fixed up—maybe.

### Society

Miss LaVon Blue spent the week end in Crestline, Ohio.

Tom Wolfram, a student at Purdue University, and a graduate from South Side in '26, spent the last week end with his parents. While he was here he and his mother attended the Phi Gamma Delta fraternity party for the members and their mothers.

Betty Ward entertained the younger members of her Girl Scout troop with a dinner party at her home on Kinnaird avenue Saturday. Covers were laid for Mildred Burt, Mary Graham, Dorothy Likens, Mary Jane McMillan, Margaret Scheuman, Dale Miller, Doris Davenport, Laura Heaton, and Harriet Fields, of Huntington. Following the dinner they enjoyed a theatre party at the Strand.

Catherine Fries had as her guest over the week-end Charles Behringer of Dehance, Ohio.

Phyllis Toothill entertained with the last of a series of bridge parties at her home on South Webster street, Saturday afternoon. A two course luncheon was served by the hostess at the close of the game, assisted by Bonnie Bennett, Mary Granger, and Eleanor Williams. Those who were present are: Helen Hilgenmann, Helen Mook, Louise Newell, Alice Elder, Eleanor Williams, Martha Broth-ers, Virginia Schenyer, Lura Webb, Florence Kendrick, Mary Brothers, Helen Dils, Mary Hillis Miles, Jane McBride, Mary Granger, Maxine Rahe, Diana Cox, Dorothy Wilkens, Dorothy Somers, Margaret Metzner, Wilma Jefferies, Dorothy Niebergall, Ann Barrett, Bonnie Bennett, Wilda Bowser, Betty Granger, Marjorie Reeves, and Dorothy Underwood.

Hildegarde Seibel has issued invita-tions for a bridge on Saturday, May 22, at which she will entertain forty-five guests.

A theatre party was recently en-joyed by the following: Marcella Shadley, Mervyn Welch, Helen Sell-ers, Dorothy Ball, Bertly Merrill, Florence Phelps, and Betty Augspur-ger.

Mary Hillis Miles entertained a number of her friends at dinner at their farm Friday evening. Covers were laid for Jeanette Stults, Mary Cooper, Hildegarde Seibel, Bonnie Bennett, Mary Hughes, Marjorie Reeves, Phyllis Toothill, Mary Broth-ers, Louisa Fredericks, Margie Horst-meyer, Martha Brothers, Kathryn Dye, Hazel Warning, Nell Gunn, Charlotte Stier, Eleanor Williams, Marguerite Fredericks, Margaret Smenner, Mary Martha Snook, and Florence Kendrick.

Catherine Fries was hostess to a few of her friends at her home on Euclid avenue Friday evening.

Evelyn McGinley spent the week-end in Chicago as the guest of Dor-othy and Herba VanPelt.

Marjorie Burres will entertain a number of her friends at her home on Lafayette street Saturday.

### Who's Zoo

Yes, you probably know her. She's of about a medium height, and has medium brown hair and blue eyes. You never see her when she isn't smiling. She's the best-natured person in the world. You've guessed. It's Elizabeth Schmidt.

This very dignified senior belongs to the Wranglers', Math-Science, the 500 club, and So-Si-Y. She was president of the last named club last year, and a mighty good one she made, too. She is now the girls' sports editor of the "Schmitty" and has worked on the staff for three years.

"Schmitty" is good in the commer-cial line. She won fourth place at the Muncie contest in advanced shorthand. She is one of the four year honor stu-dents, and sure brings in the A's.

She's taking English, economics, typing and shorthand and botany, with Mr. Makey, Mr. Murphy, Mr. Murch, and Mr. Gould (all men, you notice). Elizabeth says she doesn't have time to do much but study, but she likes to swim, play tennis, and do all other kinds of outdoor sports. "I like shorthand best of all my studies," she says.

DeNeal Pfeiffer entertained her club at her home Friday evening. Prizes in bunco were won by Eleanor Wilson and Virginia Kinerk. After the game a dainty luncheon was served. Those who were present are Kathryn Wescher, Margaret McClin-tic, Hazel Sloan, Kathryn Sellers, Ele-anor Wilson, and Virginia Kinerk.

Corinne Altevogt was the guest of Eileen Dillion at her home in Hun-tington Sunday.

Dorothea Johnson was the guest of Maxine Lehmann, of Huntington, this week-end.

2436 Broadway

Her name was Irene

And she wore Crepe de Chine—

You saw more of Irene

Than you did Crepe de Chine.

However, in upholstered furniture it's what you can't see that counts.

Most any shoddy filling or careless spring work may look good, but your money should buy years of service as well.

Hence it is the part of wisdom to trade only when there can be no doubt—which means, of course, at
